

Summit DD Gives Back

The holiday season is a time for laughter, joy, and giving. As we reflect on 2015 we are eternally grateful to those we support, their families, staff and the community for their contributions to our great community, a community built by the abilities of all citizens. We realize that we can't achieve our Mission without your support and as public servants we are happy to give back. Find some of the ways our staff gave back this year in our Summit DD Gives Back video.
