

Summit DD Releases Timeline for State-Mandated Transition

Summit DD recently released a detailed timeline to transition out of Medicaid funded services due a federal mandate from CMS. The timeline maps out a staged phase out of Waiver services from 2016 to 2020.

Successful Transition Stems from Collaboration

As Akron Center works through the first CMS mandated transition, a team of parents, individuals and staff have developed a promising blueprint to use in the future. Learn about the process and tools that are supporting people each step of the way.

Teeing Off for a Great Cause

To support the Akron Rotary Camp, golfers will test their skills in the middle of winter at the annual Akron Rotary Chili Open Golf Classic. Money raised from this event will help families attend camp.

Winter Activities Guide

Don't let the cold weather keep you inside the house this winter. There are so many fun activities happening in Summit County this season that the whole family will enjoy. Get bundled up and check them out!
