CLEVELAND METROPARKS ZOO

LET'S BEGIN!

PARKING LOT

When we park the car at the zoo, we have to walk to get our tickets.

TICKET PLAZA

I might have to wait in line to get my ticket and wristband.

THE ANIMALS!

When I go to see the animals, I might have to wait my turn before I get to see them. All of the exhibits look different.

THE RAIN FOREST

Inside the Rainforest, it will feel hot and sticky.

I might get to see big birds fly right by me.

Sometimes it will be dark inside the rainforest.

I have to stay on the path inside the rainforest.

THE RAINFOREST

I might hear a thunderstorm inside! It looks and sounds like a real storm, but it's just pretend!

When it gets foggy, it's hard to see things in the rainforest.

AUSTRALIAN ADVENTURE

In Australian Adventure, I have to stay on the path so I don't scare the animals.

I might even see a kangaroo get REALLY close.

YAGGA TREE

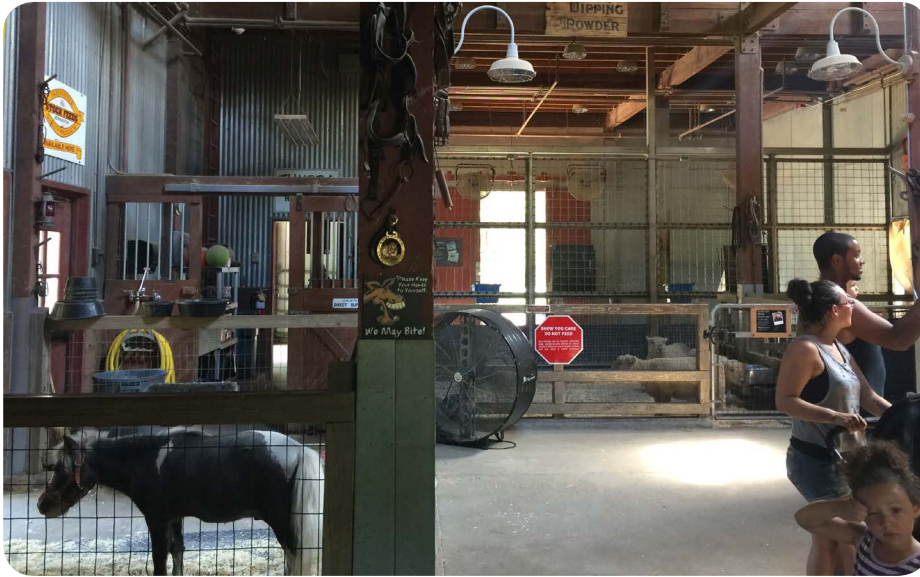

At the Yagga Tree, the bridge is wobbly and shakes when you walk on it.

The slide looks like a snake's mouth, but it's just pretend!

KOOKABURRA STATION

This is Kookaburra station where I get to see farm animals up close.

I might get to pet an animal here!

WASH HANDS!

When I'm all done petting the animals, I have to wash my hands here.

BALLARAT THEATRE

At Ballarat Theater, I get to see zookeepers talk about lots of different animals.

The zookeepers bring out different animals for us to see. Sometimes the birds talk into the microphone and it can be VERY loud!

They might surprise us with a big bird that flies around us!

SAVANNAH THEATER

Inside the Savannah Theater, sometimes the big birds fly around and get close to my head, but they won't hurt me!

Sometimes the zookeepers bring out animals for us to see up close.

If I volunteer to go on stage, I might get to see a BIG snake up close!

THE BOOMERANG LINE TRAIN

If I ride on the train, I might have to wait in line until it's my turn to find a seat.

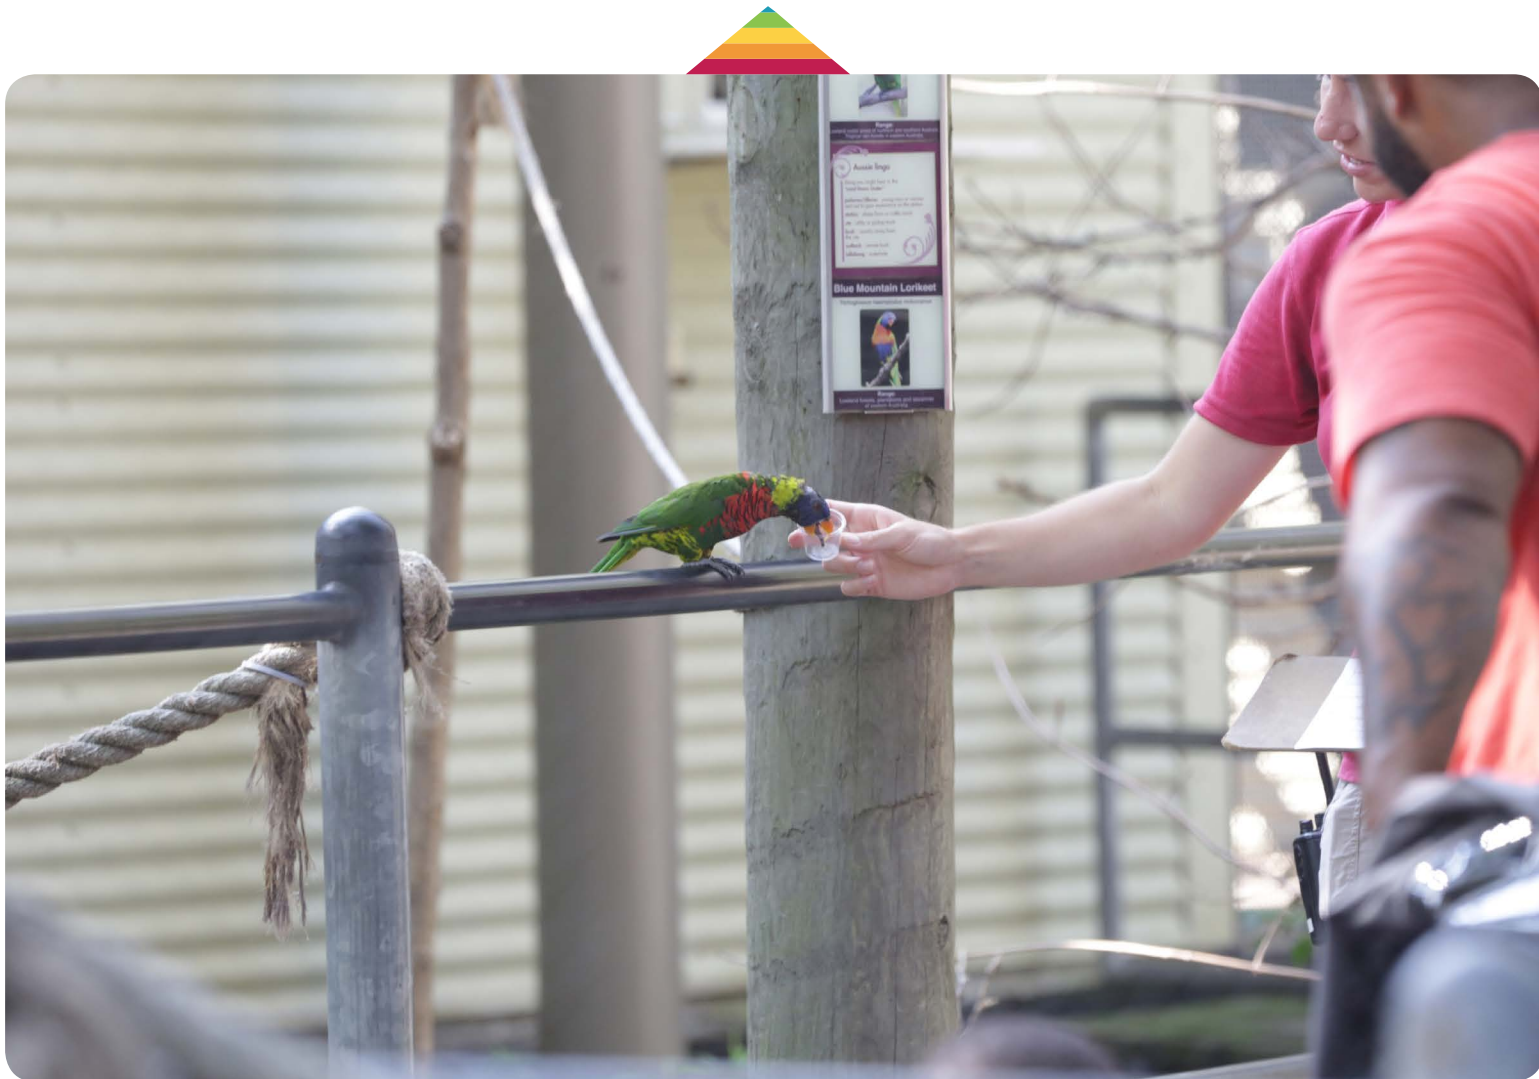

We will probably see some animals when we're on the train.

The train goes through a dark tunnel and sometimes the wheels can be VERY squeaky!

LORIKEET AVIARY

When I feed the birds, they will fly around me and land on my hand to drink the nectar.

CAMEL RIDES

I might get to ride on a camel. I'll be up so HIGH!

GIRAFFES

When I feed the giraffes, they stretch with their long necks and use their tongues to get the food!

PLAYGROUND

*I can play on the playground with other kids,
and there are lots of different things to explore.*

CAROUSEL

The carousel moves in a slow circle and plays music. I might ride on an animal that moves up and down.

LUNCH TIME!

When it's time for lunch, we might go here to eat.

LUNCH TIME!

Or if we bring a lunch, we might sit at a picnic table like this to eat.

COOL OFF!

When we walk around the zoo, a fan blows a little bit of water on us to help cool us off!

BATHROOMS

When I have to go to the bathroom or wash my hands, these are some of the places I might go.
