INCREASING SERVICE NEED AND DECREASED REVENUES MAINTAINING QUALITY SERVICES FOR MORE PEOPLE WITH LESS FUNDING

SUMMIT DD 2019-2024 PRIORITIES & COMMITMENTS

- Provide individualized service coordination throughout an individual's lifetime
- Fund an increased demand for services and supports that help children and adults live their lives to the fullest
- Support the increased demand for Early Intervention services for kids 0 – 6
- Increase monitoring, oversight and training of private disability service providers to ensure health and safety
- Increase transition support for teens, helping tomorrow's youth be as independent as possible
- Engage our communities to include people of all abilities
