DANIEL HORRIGAN, MAYOR

WELCOME!

There are lots of fun things to do at Winterblast. Here are some of the things I might see and do.

ICE SKATING

I have to wear special shoes called skates on the ice.

I can use equipment to help keep my balance.

The ice is slippery, but a grown up can help me. I'll be OK.

SANTA

*I can sit on Santa's lap
to tell him my Christmas
list. I might have to wait
my turn.*

CHILDREN'S MUSEUM

There's so much to do here! It might get crowded and noisy and I'll have to wait my turn, but I'll be OK.

POLAR PUTT PUTT

I have to be careful with my golf club and wait my turn.

CONCESSION STAND

We can buy breakfast here, but we have to wait our turn.

BATHROOM

Here's where I'll go to the bathroom and wash my hands.
