skincare				
Repair Ointment is the perfect solution for dry, irritated, and sensitive skin. Whether you're dealing with cracking, roughness, persistent redness, or simply need an extra boost of hydration, Repair Ointment is your go-to remedy. Its gentle formula caters to all ages, making it an essential part of every skincare routine, from newborns to adults. FOR SENSITIVE SKIN • VEGAN FRAGRANCE-FREE • PARABEN-FREE DYE-FREE • NON-GMO	• Apply a thin layer and gently massage until absorbed. For best results, apply the ointment to the affected areas at least 2-3 times a day or as needed. For dry, cracked skin, more frequent applications may be necessary.	• Safe to use with all other AIM products.	• Avoid application on open wounds. • For external use only.	• In addition to using it on the hands, Repair Ointment is safe to use on other areas of the body, including your feet, elbows, knees and any areas of dry or irritated skin. It's versatile to use as an all-over moisturizer to keep your skin feeling hydrated and smooth.
REPLY Oil to Foam Cleanser is a premium face cleanser designed to cleanse and nourish your skin with a 2-in-1 formulation. Each ingredient was carefully selected to invigorate your skin with a refreshing, cleansing effect that is gentle enough for sensitive skin. FOR SENSITIVE SKIN • VEGAN FRAGRANCE-FREE • PARABEN-FREE DYE-FREE • NON-GMO	• AM/PM – Apply to wet skin and massage over the face with fingertips, using circular movements. Rinse away with warm water and pat dry.	• Safe to use with all other AIM products.	• Avoid getting directly in the eyes. If contact occurs, rinse thoroughly with water.	• For maximum benefits, follow cleansing with REPLY Essence/Toner and Day & Night Cream.
REPLY Essence/Toner is a premium formulation that hydrates and nourishes your skin by streamlining your skincare routine. Its combination of ingredients strengthens the skin's moisture barrier while regulating sebum production to produce bright, firm, youthful looking skin. FOR SENSITIVE SKIN • VEGAN FRAGRANCE-FREE • PARABEN-FREE DYE-FREE • NON-GMO	• AM/PM – After cleansing, mist directly onto the skin and gently massage until fully absorbed. Do not rinse.	• Safe to use with all other AIM products.	• Avoid getting directly in the eyes. If contact occurs, rinse thoroughly with water.	• You can apply the Essence/Toner to a cotton pad and wipe away any remaining skin impurities. We do recommend that you cleanse thoroughly with REPLY Oil to Foam Cleanser first and then mist the Essence/Toner onto your face until the desired hydration is achieved.
REPLY Day & Night Cream is a premium formulation that hydrates and nourishes your skin all day and night. The combination of a Day & Night Cream offers protection against environmental stressors that your face experiences during the day, while helping the skin recover and rejuvenate during your restorative nighttime routine. FOR SENSITIVE SKIN • VEGAN FRAGRANCE-FREE • PARABEN-FREE DYE-FREE • NON-GMO	• AM/PM – Massage into face and neck using upward and outward circular motion. Most individuals require only 1-2 pumps per application. If you have dry skin and require more hydration, we suggest applying a few more sprays of REPLY Essence/Toner directly before applying the Day & Night Cream. If you have oily skin, we suggest only one pump per application. Each individual's skin is different and may require more or less.	• Safe to use with all other AIM products.	• Avoid getting directly in the eyes. If contact occurs, rinse thoroughly with water.	• For maximum benefits, cleanse with REPLY Oil to Foam Cleanser, mist with REPLY Essence/Toner and then moisturize with Day & Night Cream.

topical magnesium																			
Mag-nificance CWR provides readily available cellular magnesium in a bath additive. Each application is absorbed topically, not consumed orally, in order to maximize the effectiveness of the magnesium. VEGAN • FRAGRANCE-FREE PARABEN-FREE • DYE-FREE • NON-GMO	Mix 2 oz in a bath (or footbath) of warm to hot water and soak for 20 to 30 minutes. You may use more depending on your needs.	Safe to use with all other AIM products.	Avoid eyes, mouth and sensitive areas. It is normal for some individuals to experience a tingling sensation on the skin upon application. For external use only. Do not use if you are sensitive to magnesium or if your health care practitioner has restricted your magnesium intake. Use caution if you have any open cuts or abrasions.	- Shake well. - Keep out of reach of children. - Skin patch test recommended. - CWR can also be applied directly to the skin.															
weight management																			
Fit 'n Fiber is a prebiotic fiber source that feeds the probiotics in the gut with heart-healthy soluble and insoluble fiber. Soluble fiber has been linked to reduced appetite, cholesterol and glucose absorption. This high-fiber drink is a low-calorie complement to a healthy diet and exercise program. NON-GMO • VEGAN • GLUTEN-FREE	- Mix 2 tablespoons (16 g) with 8 oz (240 ml) of water once daily. Children (12-16 years): Mix 1 tablespoon once daily. - Best taken before meals.	Fit 'n Fiber can be mixed with all AIM products and is complementary to ProPeas. Mixed with Herbal Fiberblend improves the taste of Herbal Fiberblend.	- If taking prescription medications, pregnant or nursing women and people who have difficulty swallowing should consult a healthcare practitioner before use. - Take four hours before or after Amoxicillin.	- Keep out of reach of children. - Psyllium dust may create a sensitivity resulting in an allergic reaction.															
GlucoChrom combines vanadium, gymnema sylvestre, bitter melon and a unique chromium to maintain healthy blood sugar levels. GlucoChrom may improve weight loss as part of a healthy vegan diet and exercise program. NON-GMO • VEGAN • GLUTEN-FREE	- Take 1 capsule twice per day. - Best taken before meals.	- Safe to use with all other AIM products. - Complementary to ProPeas and Fit 'n Fiber for weight loss.	- Do not use if pregnant or nursing. - Consult a health practitioner before use if taking insulin. - Not recommended for children.	- Vegan formula with vegan capsules. - Keep out of reach of children.															
ProPeas is an all-natural, vegan, vanilla-flavored protein powder made from peas with 12 grams of protein per serving. ProPeas is digested slowly to reduce your appetite and can help maintain lean muscle, resulting in an increased ability to burn calories. A high-protein, low-calorie complement to a healthy diet and exercise program. NON-GMO • VEGAN • GLUTEN-FREE SPORT APPROVED	Use 1 to 4 scoops daily (depending on activity level). Blend into 8 oz of water, a cold beverage or smoothie. <table><tr><th colspan="3">Scoops Protein (g)</th></tr><tr><td>Adolescents</td><td>1</td><td>12</td></tr><tr><td>Adults</td><td>2</td><td>24</td></tr><tr><td>Pregnant/ Lactating</td><td>3</td><td>36</td></tr><tr><td>Athletes</td><td>4</td><td>48</td></tr></table>	Scoops Protein (g)			Adolescents	1	12	Adults	2	24	Pregnant/ Lactating	3	36	Athletes	4	48	- ProPeas can be mixed with all AIM products and is complementary to Fit 'n Fiber and GlucoChrom. - Best used during weight loss, for recovery after exercise, as a healthy breakfast or as a protein supplement or snack.		- Contains a measuring scoop. - Keep out of reach of children. - Recommended: use product within 60 days of opening.
