

WHAT TO DO NOW—SHOW US YOUR STUFF!

1 minute

WOO HOO! You are finished with Module Number One! I want to make sure that you have checked and double-checked all the different action items that we have for you in this module so you can rack up those points. And then, also, one more thing that I need you to do, is I want you to hop into the Facebook group and share one thing with us that is your favorite thing about your collection. And even if you don't have a collection yet, share your favorite miniature or something that gets used a lot. But tell us the one thing you love most about miniatures or your miniature collection.

I can't wait to see them. So, now, you are ready to move on to Module Number Two.
