

# SANDTRAY SUITE

## WELCOME TO BUILDING THE BASICS

1 minute

Welcome to Module 1 and this is BUILDING YOUR BASICS. So, in this module you're going to have a really good understanding of the sand, the miniatures that you need, even the kind of sand tray, as well as an understanding of why you are doing Sandtray. So, again, if you are a Betty, this is going to be an awesome place for you, if you're an Ivy, again, welcome to the party. You're going to even, maybe even learn things that you didn't already know, different kinds of sand, different things to think about. And again, if you're an Annie, YAY—so, so glad that you are here and again, let us...Share with us all kinds of knowledge that you have because, again, what makes this the most awesome thing is our community. So, I know, without further ado, I'm going to go ahead and let you get started in our first video and I will see you then.
