

SANDTRAY SUITE

YOUR BIG WHY

Ok! Now we have all the tech stuff out of the way, all the intro stuff out of the way, so now, I've got one more thing that I want to make sure that you do. And I mentioned this in an earlier video, but again I wanted to really really emphasize how important this is. I want you to go into the Facebook group, introduce yourself, tell us who you are, where you're from, and what population you serve. And then, give us a hashtag that says, "I'm an Annie, I'm an Ivy, or I'm a Betty" so we can make sure that we serve you and help you move to that next level as easily as possible. So I can't wait to see all of you inside the Facebook group and, so again, that's your only thing that you've got to do. Oh, and, by the way, before I forget, I want to tell you guys that by everything that you do, and when you do your homework or your action items you're going to be accruing points that we have lots of surprises coming for those who have the most number of points. So you want to make sure in each action item that you're able to check that off and complete that and again, so you get your points, so that you are going to be at the top of that board when we get ready to roll all these awesome surprises out. So again, go to the Facebook group, introduce yourself, tag yourself and make sure that you implement all the different action items in the five stages so that you can get your points, and maybe even again win some awesome prizes. So, I will see you in the next module!
