# The Fish Painting

JOHN ALEXANDER'S PAINTING CAREER SPANS A HALF-century. Though he has lived most of his adult life in New York, the Beaumont, Texas, native often turns to the flora and fauna of the Gulf Coast for inspiration. Visit [southernfoodways.org](http://southernfoodways.org) to read an interview with Alexander as told to SFA founding director John T. Edge, part of our Future of the South series underwritten by Cathead Distillery.

Gravy is a publication of the Southern Foodways Alliance, an institute of the Center for the Study of Southern Culture at the University of Mississippi.

The SFA documents, studies, and explores the diverse food cultures of the changing American South.
