MISSION STATEMENT

The Alabama A&M Department of Athletics fully embraces the University's mission and enacts its policies, procedures, and initiatives with both the letter and spirit of "Service of Sovereignty."

The administration and staff of the Department of Athletics espouses a student-centered philosophy, which ranks academic achievement as the number one priority for its student-athletes. Toward this end, the Department of Athletics is committed to providing a comprehensive and inclusive intercollegiate and intramural athletics program for men and women, which further promotes the academic, sportsmanship, and total development of the student-athletes.

Further, the Department is committed to working cooperatively with other constituents of the University to ensure the production of competent and ethical contributing graduates who are capable of making the transition from university life to the workplace and into today's multicultural society.

Embodied within this mission is the concept of an effective athletics program which values success in competition, success in academic and personal development of student-athletes, success in graduating student-athletes, success in fully maintaining compliance with the rules of the National Collegiate Athletic Association (NCAA), the Southwestern Athletic Conference (SWAC), and Title IX.

The University is further committed to a program of staff development in providing minorities the opportunity for full employment and development in the athletics program.

SHELTER IN PLACE PROCEDURES

Gate Staff should close all gates and exits and form a wall across the gates to discourage departure from the stadium. Do not lock the gates.

Ushers should be positioned at the top of assigned sections and communicate information to fans as provided by supervisors. Ushers may be used as needed to fall back and assist gate staff.

Press Box Staff should be positioned at doors and elevators on each floor and communicate information to staff and guests as provided by supervisors. Only create a wall at the main floor entrance if exiting the Press Box is deemed unsafe.

Field Security should continue normal game duties if the game continues. If the game is suspended, direct teams, associated personnel, and officials to their respective locker rooms and buses/ vans.

Assisting Persons with Disability – wheelchair and golf cart assistance will be available at each accessible seating section and the Press Box. All staff should ask first before providing assistance to guests with disabilities.

INCLEMENT WEATHER & INTERRUPTED GAME PROCEDURES

• In the event of lightening or severe thunderstorm warnings, move all individuals from the field to either Hobson Field House (home team) or visitor's locker room located on visitor's side of stadium. All spectators and fans should move to underneath the stadium on either the home or visitor's side of the stadium. In the event of a fire or bomb threat, the teams should vacate the field by exiting the stadium through Hobson Field House and exiting to the practice football field as to stay out of the way of the professionals. The position coaches will be responsible for counting the players and making sure that everyone is accounted for. In the event of a campus lock down due to criminal activity, all athletes are to report to their locker rooms until the all clear signal is given by campus security or another university official.

Severe Weather

- Voluntary evacuation occurs with severe weather within 15 miles of Louis Crews Stadium
- Mandatory evacuation occurs with severe weather within 8 miles of Louis Crews Stadium

Evacuation Procedures

• Gate Staff should immediately make sure all gates are unlocked, fully open, and clear of obstructions and help direct fans to the desired end location as directed by the Command Center.

Press Box Staff

• Should open all doors to stairwells and direct all staff and guests to exit via the stairs to the main floor. Elevators are for persons with disabilities only.

Field Security

• Should direct teams, associated personnel, and officials to their respective locker rooms and buses/vans.

Assisting Persons with Disabilities –

• Wheelchair and golf cart assistance will be available at each accessible seating section.

Re-Entry

• If and when the game resumes following a stadium evacuation, only a ticket stub is required for re-entry.
