Additional off-campus parking is available at University Church of Christ (East North 16th Street).

ACCESSIBLE PARKING

A limited number of accessible parking spaces for those with a disability are available on a game-by-game basis in each lot.

Accessible passenger drop-off and pick-up will be available in the lot west of Elmer Gray Stadium. A shuttle will run from there to the Main Entrance of the stadium starting 90 minutes prior to kickoff.

TAILGATING POLICIES

ALCOHOL AND TOBACCO

Abilene Christian University is an alcohol-free and tobacco-free campus.

ANIMALS

Only service animals wearing a vest are allowed inside Wildcat Stadium. Animals in all tailgating areas during game 1 must be kept on a leash no more than 6 feet in length. No animals are allowed in the tailgate areas during games 2-6. Owners must remain in control of their animals at all times and are responsible for cleaning up after them. Owners assume all financial responsibility for damages to property or injury to individuals caused by the animal.

This mirrors the ACU policy for animals on campus. A non-exhaustive list of prohibited animals includes Pit Bulls, Rottweilers, German Shepherds, Doberman Pinschers, any hybrid mixed with above breeds, non-domesticated animals, and those with a history of aggressive behavior.

BANDS AND MUSIC

Live bands and other live performances are not allowed in Wildcat Country tailgating areas without prior approval from Gameday staff. Excessively loud music also is not allowed, and speakers must be directed into your tailgate area.

BARRICADES AND FENCING

Fans may not place or move barricades, barrels, fencing or other traffic-control devices. All signs and instructions from traffic-control personnel and ACU Police officers must be followed.

Only Gameday personnel are authorized to place or remove barricades or fencing on campus.

COMMERCIAL ACTIVITY AND SOLICITATIONS

Commercial activity and solicitations are not allowed at ACU. Companies may not issue sample products or display signage without approval from ACU Athletics. Food, beverages and other items may not be sold nor distributed to the general public.

CONDUCT

The owner of each tailgating spot is responsible for the conduct of his or her guests. The close configuration of tailgate areas requires our guests be good neighbors who conduct themselves in a manner providing for the comfort and enjoyment of all. Inappropriate behavior will result in the permanent loss of tailgating privileges.

FLAMMABLES AND TRASH

Charcoal grills and open flames are **not** allowed in tailgating areas. Only propane grills will be allowed in the tailgate.

Please note: Even items that appear to be extinguished may remain flammable and cause fires. Fire extinguishers will be on site, and fans using propane grills are encouraged to bring their own.

GENERATORS

Portable generators are permitted unless they create excessive noise, emission hazards or other safety concerns. As generators tend to be loud and intrusive for other tailgaters, please be respectful of tailgaters in surrounding spots.

GLASS CONTAINERS

Glass containers are not allowed for use during tailgating activities. Broken glass can cause a safety hazard, not only for tailgaters, but also for students on campus during the week.

GRILLS AND SMOKERS

Grills (only propane allowed) and electric smokers must be attended at all times and may not obstruct sidewalks, drive lanes or pedestrian walkways. Grills and smokers on trailers are allowed into the on-site tailgating area and must fit within each designated space. Charcoal grills and open flames are not allowed in tailgating areas.

MOTORIZED VEHICLES

Use of golf or gator-type carts, ATVs, scooters, mopeds, drones and other motorized recreational vehicles are prohibited as they present a safety risk. Only properly credentialed motorized vehicles are allowed at ACU on Gameday.

SECURITY AND SAFETY

Each party is responsible for securing its tailgating items prior to entering the stadium. All valuables should be locked and placed out of sight, and all grills, tents, tables and chairs secured. Please follow all posted safety signage and use extreme caution driving into or leaving tailgating areas.

ACU is not responsible or liable for accidents, damage, loss or theft of materials, items or personal property left in the tailgating area. Any person damaging university property will be responsible for its repair or replacement cost.

Fans can report theft or other issues and emergencies to ACU Police at 325-674-2911.

TENTS AND TAILGATING AMENITIES

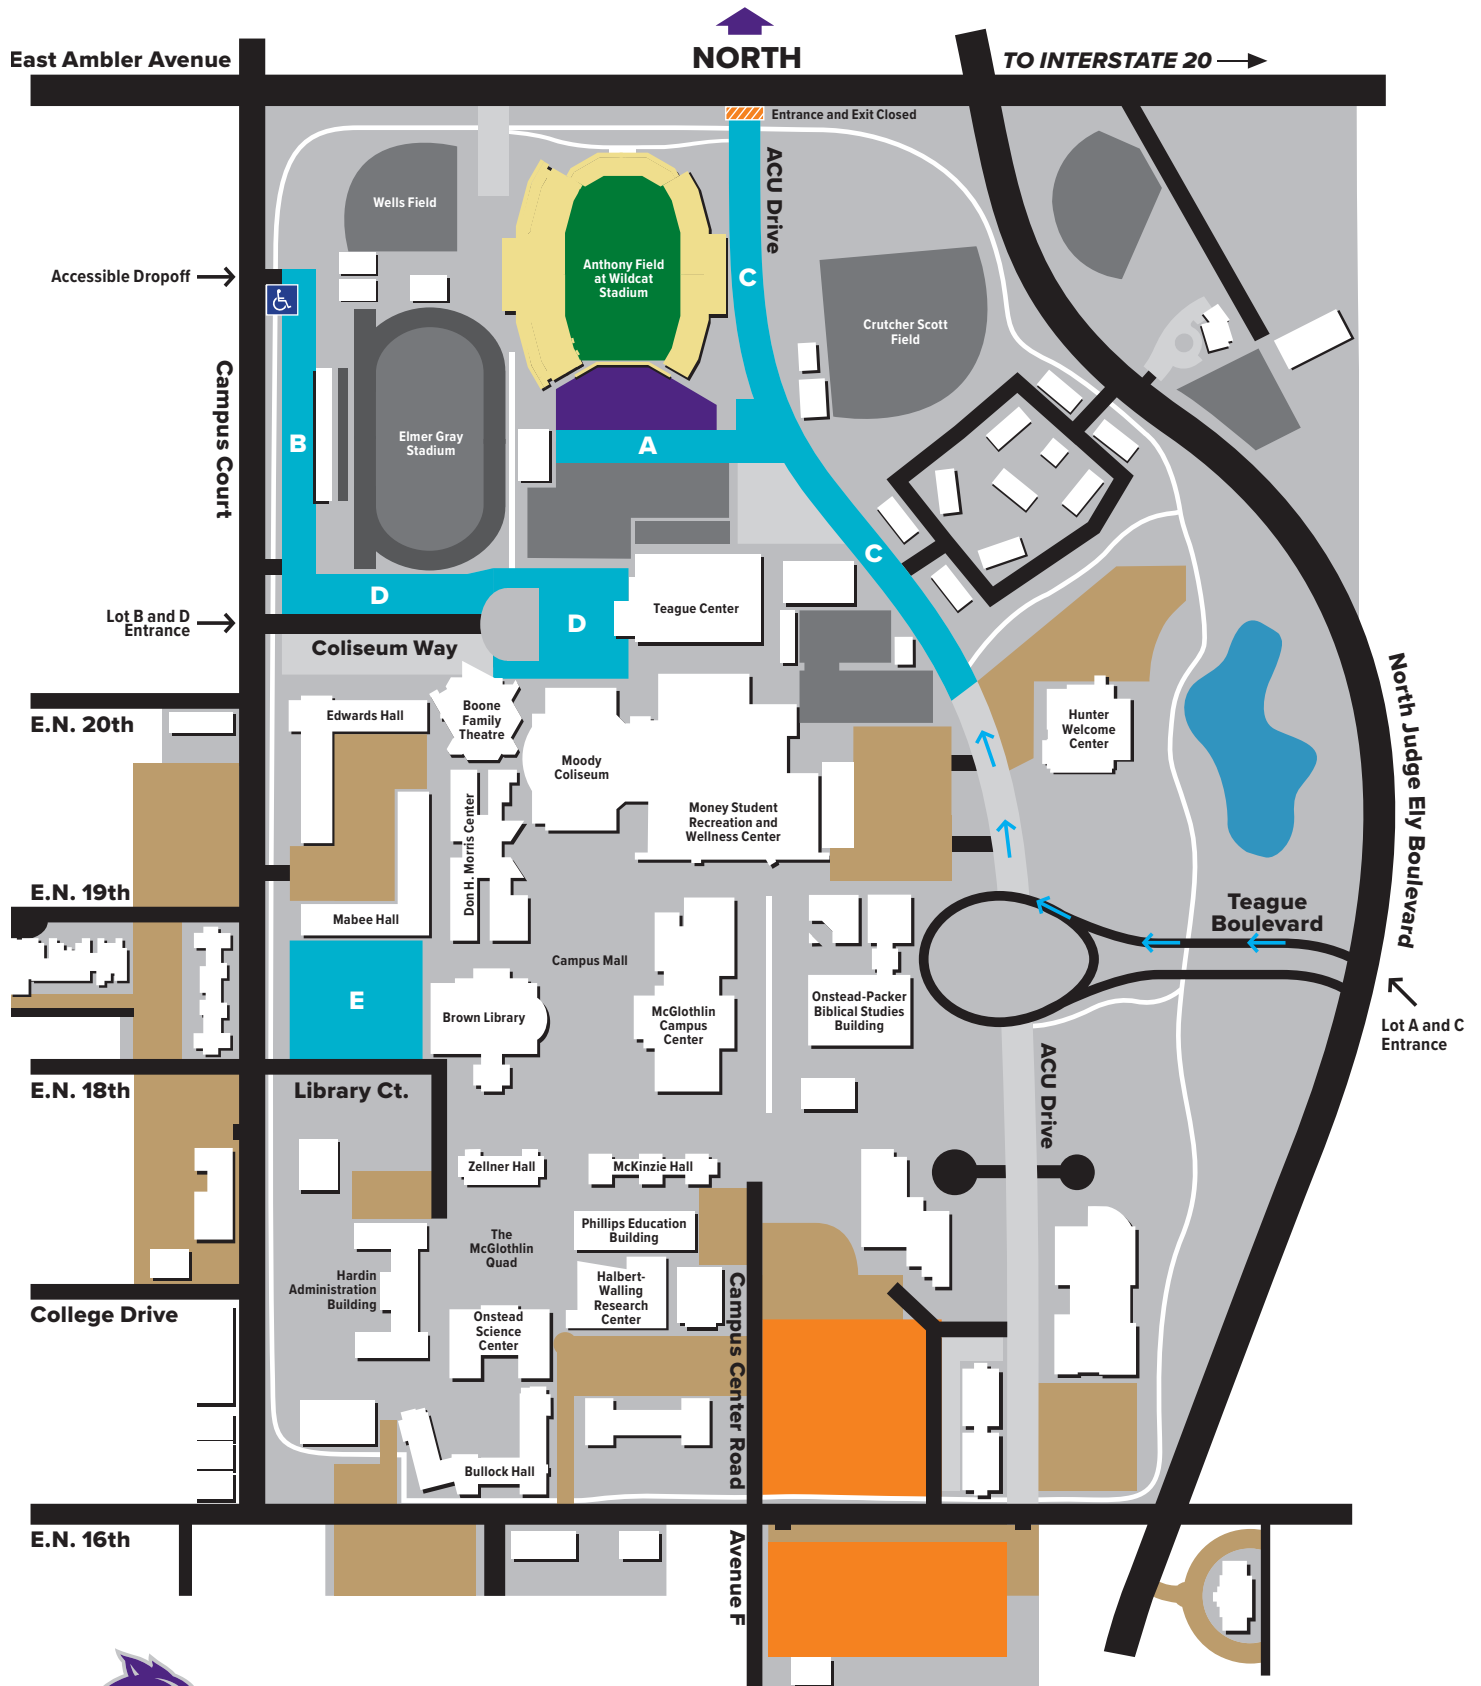

Tents or canopies must be secured and may not use stakes penetrating the ground more than 12 inches. Tailgating amenities – including tents, canopies, furniture, grills, generators, cables or satellite dishes – may not obstruct sidewalks, drive lanes or pedestrian walkways.

Stakes longer than 12 inches can damage utilities underground and can be dangerous to tailgaters. Sidewalks, drive lanes and pedestrian walkways are necessary routes for pedestrians to reach the stadium. Please be courteous of other tailgaters.

TRASH

All trash generated by a tailgate must be contained or disposed of in trash receptacles. Trash disposed of on the ground is degrading to the appearance of our beautiful campus.

GAMEDAY MAP

Priority parking access is distributed to season ticket holders who qualify at the Starter (\$240) level and above. Lots are assigned based on giving level in order A, B, C, D and E.

No outside chairbacks or seat cushions will be allowed into the stadium.

Because many locations of the stadium provide bench seating and are limited to a certain width, chairbacks that are too wide may take up another

EMERGENCIES ON GAMEDAY, ACU POLICE DEPARTMENT

Stadium gates will open 60 minutes before kickoff, unless otherwise noted. Guests exiting the stadium and wishing to re-enter must have their original ticket stub and hand stamped prior to exit. Guests exiting the stadium without their ticket stub or hand stamped may not be allowed to re-enter without the purchase of a new ticket. Exception to the no re-entry policy will be made for medical situations.

INCLEMENT WEATHER/EVACUATION

In the event of inclement weather (dangerous winds, tornado, electrical storm, etc.), all guests will be advised that it is in their best interest to seek shelter. Emergency instructions will be delivered over the public address system and the message/video boards when possible. In case of evacuation, instructions will be provided over the public address system. Gate personnel and ushers will assist in directing fans to the appropriate location.

PHOTOGRAPHY

Cameras are permitted for personal use in the stadium, but only photographers credentialed by ACU for each game are allowed to shoot with professional equipment from the field or in the stands. Photography for commercial use is prohibited.

TICKETING AGE

All persons age 3 and older must present a ticket for admission to the stadium.

SOLICITATION

ACU does not permit unauthorized soliciting or collecting of contributions, vending and distribution of fliers or other promotional/advertising materials.

SPORTSMANSHIP

Guests appearing impaired or intoxicated will be ejected from the stadium. Guests will not direct abusive language or behavior toward players, coaches, referees or other spectators. ACU Athletics staff reserves the right to use their discretion in removing individuals using abusive language from the stadium.

STROLLERS

Strollers are not allowed in the stadium. Strollers can be parked at the east end of the Soccer and Softball Fieldhouse before entering the stadium.

UMBRELLAS

Umbrellas are not allowed in the stadium as they are a sight obstruction for other fans and can be a safety hazard. Fans should bring appropriate rain gear in case of inclement weather.

VIDEO CAMERAS FOR BROADCAST

A bilene Christian University is excited to continue the history of excellence in athletics as Division I members of the NCAA. As we build this tradition, we rely heavily on you to support our efforts to be excellent in competition, in the classroom and with integrity in regards to NCAA and Western Athletic Conference rules. As members of these prestigious organizations, we have agreed as a university to comply with the guidelines they have put in place. The best way for you to help us remain vigilant in this endeavor is to review the material provided on pages 14-16, and speak with our Athletics Compliance Office

if you have any questions. Thank you for taking time to review this information and respect the demands placed on our student-athletes, coaches, staff members and other friends of our program. Maintaining excellence in compliance is as much of a priority as achieving it in athletics and academics. Thank you for your continued support.

GO WILDCATS!

QUESTIONS REGARDING IMPORTANT NCAA DEFINITIONS

Who is a representative of athletics interests?

A “representative of the institution’s athletics interests” (booster) is an individual who donates money to the athletics program; anyone who has ever been a season ticket holder, fan, faculty or staff member or former student; anyone assisting in the recruitment of a prospect; and anyone involved in promoting the athletics program. Once you have been identified as an institutional representative of athletics interests, you retain that identity **FOREVER. ONCE A BOOSTER, ALWAYS A BOOSTER.**

Who is a prospective student-athlete?

A prospect is any student who has started the ninth grade (or for men’s basketball, the seventh grade). In addition, a student who has not started ninth-grade classes becomes a prospective student-athlete if the institution provides the individual (or the individual’s relatives or friends) any financial assistance or other benefits that the institution does not generally provide to prospective

students. Student-athletes enrolled in preparatory or two-year colleges also are considered prospective student-athletes.

When does a prospect become an intercollegiate student-athlete?

A prospect becomes a student-athlete only when he/she attends their first day of class or reports for an intercollegiate squad that is under the jurisdiction of the athletics program, not after they sign the National Letter of Intent.

What is a contact and what does it mean?

A contact is any face-to-face encounter between a prospect or the prospect’s relatives and an institutional staff member or athletics representative in which any dialogue occurs in excess of an exchange of a greeting. Any face-to-face encounter that is prearranged or takes place on the grounds of the prospect’s high school or site of organized competition or practice involving the prospect’s high school, preparatory school, two-year college, or all-star team is considered a contact regardless of the conversation that occurs.

What is the definition of recruiting?

Recruiting is any solicitation of a prospect or a prospect's relatives (or legal guardians) by an institutional staff member or by a representative of the institution's athletics interests for the purpose of securing the prospect's enrollment and ultimate participation in the institution's intercollegiate athletics programs.

NCAA RULES REGARDING PROSPECTIVE STUDENT-ATHLETES

What can you do and not do?

- You may attend high school or junior college sporting events you would normally attend, provided there is no contact with a prospective student-athlete.
- You may send the Abilene Christian University coaching staff any newspaper clippings or other information about prospects you think would be of interest.
- You may continue relationships with a prospect or his/her family as long as the relationship was established prior to the prospect's freshman year of high school.
- You may not become involved in making arrangements to provide money or financial aid of any kind to a prospect or the prospect's family and friends.
- You may not make contact with a prospective student-athlete and his/her parents when the prospect is on campus for an unofficial or official recruiting visit.
- You may not contact a prospect to congratulate him/her on signing a National Letter of Intent with ACU.
- You may not transport, pay or arrange payment of transportation costs for a prospect, and his/her relatives or friends to visit campus (or elsewhere).
- You may not pay or arrange for payment of summer camp registration fees for a prospect.
- You may not provide ANYTHING to a prospect, the prospect's family or friends without prior approval from ACU's Athletics Compliance Office.

QUESTIONS REGARDING ENROLLED STUDENT-ATHLETES

Can I let a student-athlete borrow my car?

No, that would be an extra benefit. An extra benefit is defined as any special arrangement by an institutional employee or a representative of the institution's athletics interests to provide a student-athlete or a student-athlete's relatives or friends a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by a student-athlete or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's students or their relatives or friends or to a particular segment of the student-body (e.g. international students) determined on a basis unrelated to athletic ability. Some extra benefits include, but are not limited to:

- Cash
- An employment arrangement for a prospect's relatives
- Gift of clothing or equipment
- Co-signing of loans or posting bond
- Any tangible items
- Free or reduced-cost services, rentals or merchandise of any type
- Free or reduced-cost housing
- The use of a washer or dryer
- Free summer storage
- Promising employment after college graduation
- Telephone card to make free long-distance calls
- Meal at a restaurant or country club

Can I hire a student-athlete to work at my company or around my house?

Yes, but you must first contact the ACU Athletics Compliance Office. There are many NCAA regulations governing the employment of student-athletes, and documentation is required. Compensation received by a student-athlete must be solely based on the work actually performed and be at a rate equal to the going rate in that locality for similar services.

NCAA RULES REGARDING ENROLLED STUDENT-ATHLETES

- You may provide a student-athlete or a team – not their family and friends – an occasional meal (defined as once per month) in your home, but not in a restaurant. Again, documentation is necessary prior to the meal taking place.
- You may donate to ACU to recognize a student-athlete's participation in a special event.
- You may not pay for or arrange payment of room, board or any type of transportation for a student-athlete.
- You may not provide room, board or transportation costs for family or friends of an enrolled student-athlete to visit campus or attend home or an away athletics contest.
- You may not provide free or reduced-cost lodging in your home to a student-athlete or their family and friends.
- You may not use the name or picture or appearance of an enrolled student-athlete to advertise, recommend or promote sales or use of a commercial produce or service of any kind unless it meets the new requirements listed below.

NCAA RULES REGARDING NAME, IMAGE AND LIKENESS

Texas Senate Bill 1385 (along with a NCAA waiver) has allowed student-athletes to start profiting off of their names, images and likenesses. However, there are still rules that must be followed and it is an area that will continue to evolve over the next few years. Student-athletes are required to disclose all proposed contracts prior to signing to the ACU Athletics Compliance Office. Approval may be granted provided the following criteria are met:

- The contract cannot conflict with a provision of the team contract, a contract of the institution, an athletic department policy or the institution's honor code.
- The contract cannot extend beyond the student-athlete's participation in the athletic program.

- Student-athletes could not enter into a contract if the compensation is provided in exchange for athletic performance or attendance at the institution, in exchange for property owned by the institution or for providing an endorsement while using intellectual property or other property owned by the institution, or in exchange for an endorsement of items such as alcohol, tobacco products, casino gambling, sports betting, or a sexually oriented business.

All charitable, educational and nonprofit promotional activities involving student-athletes must also have prior approval from the ACU Athletics Compliance Office.

NCAA RULES REGARDING GAMBLING

The NCAA prohibits student-athletes or athletics program staff members from knowingly providing information to individuals involved in organized gambling activities concerning intercollegiate athletics competition. In addition, student-athletes or athletics program staff members may not solicit a bet on any intercollegiate team or accept a bet on any gambling activity involving intercollegiate and professional athletics through a bookmaker, parlay card, or any other method employed by organized gambling.

MISSION STATEMENT OF ACU ATHLETICS COMPLIANCE OFFICE

The mission of the ACU Athletics Compliance Office is to serve student-athletes, coaches, staff and boosters as well as uphold the integrity of the institution by:

- Providing a comprehensive rules compliance education and monitoring program;
- Effectively communicating our knowledge of NCAA, Western Athletic Conference and institutional rules; and
- Continuing to build upon our positive reputation by fostering existing relationships and creating greater public awareness of compliance.
