## THERE IS NO PLACE LIKE HOME

Akron opened its 117th season in 2020 after a four-year hiatus. With the resurrection of baseball for the 2020 season on the University of Akron campus came the renovation of its home field. The Zips are 0-2 at Skeeles Field this spring.

A part of the Lee R. Jackson Athletics Complex, Skeeles Field underwent major renovation in the Fall of 2019. Thanks to the generous gift from **Bill '77 and Mary Skeeles**, the new playing surface is 110,000 square feet of playing area covered with Sprinturf Ultra-blade, including the pitching mound, batter's box, and bullpens. A complete re-grading of the infield surface took place first before a drainage system was added. A 25-foot Daktronics inning-by-inning scoreboard will be installed in March 2020. Future additions include bleacher seating and a pressbox.

A formal dedication ceremony with the Skeeles is slated for Friday, March 20.

## ZIPS IN THE PROS

Three former Zips are currently listed on professional baseball rosters—RHP **Chris Bassitt** (Oakland Athletics), RHP **J.T. Brubaker** (Indianapolis Indians), and OF **Joey Havrilak** (West Michigan Whitecaps). Since 1969, 29 Zips have signed contracts with professional teams.

## ZIPS TO PLAY RIVAL AT CANAL PARK

Akron will take on crosstown rival Kent State on Tuesday, April 28, at 3 p.m. at Canal Park, the home of the Akron RubberDucks. The two single games against the Golden Flashes do not count as Mid-American Conference games this season.

## CRYSTAL CLINIC WAGON WHEEL CHALLENGE

Akron tackles Kent State each year for the Crystal Clinic Orthopaedic Center Wagon Wheel Challenge. The 16-sport rivalry series between Akron and Kent State is based on a time-honored competition for an historic wooden wagon wheel trophy awarded originally in 1945 to the winner of the annual Akron-Kent State football game.

This season, baseball returns as one of the sports in the all-sport competition.

Since the 2011-12 academic year, the rivalry was broadened to include 16 NCAA varsity sports, with victories in each sport adding one point to the challenge standings. To learn more about the rivalry and follow the results and standings, visit:

## MAC PREDICTIONS

Central Michigan, which received three first-place votes, was the preseason favorite to capture the 2020 regular-season MAC title. Kent State and Ball State followed, separated by one point, while Miami was fourth.

Northern Illinois was fifth, followed by Western Michigan, Eastern Michigan, Toledo, and Bowling Green.

Newcomer Akron was selected 11th. The Zips' program is back in action this spring following a four-year hiatus. Only Buffalo (2000-17) does not currently field a baseball team.

Kent State was the overwhelming favorite to win the 2020 MAC Tournament which will be held May 20-24 at Springer Stadium in Avon, Ohio.

Perfect Game picked Akron eighth in the MAC, while *Baseball America* has the Zips 10th.

## UP NEXT

Following its trip to Lamar, Akron heads to Marshall on March 6-8 for four games.
