## 2010 OUTLOOK

**Captains:** Chris Schannauer, Mark Bergery, Ryan McAdams  
**Offensive Set:** Multiple  
**Defensive Set:** Multiple  
**Starters Returning:** Offense - 6, Defense - 4  
**Starters Lost:** Offense - 4, Defense - 7  
**Letterman Returning:** 33  
**Letterman Lost:** 17

Founded in 1856, Albright College celebrates a century and a half of a rich academic heritage in the liberal arts and professions and a dynamic, welcoming and collaborative campus community.

On 118 tree-lined acres, Albright is a place that connects people in an open, down-to-earth, collaborative community. With 1,650 undergraduate students, Albright's small size ensures a 13:1 student/faculty ratio, close student/faculty relationships and an emphasis on the whole individual. Collaboration both in and outside of the classroom means students have extraordinary opportunities to work with, communicate with, and learn -- not only from faculty but many others with different perspectives and experiences.

At Albright, students have the ability to connect fields of study to create an individualized education. Today's complex world demands the special perspective gained from an education that crosses boundaries to link knowledge, ideas, people and possibilities. Flexible thinkers, open to new ideas and able to communicate are in demand in the job market. Connecting your interests and fields of learning can lead to new career possibilities.

At Albright, half of all students opt for combined or interdisciplinary major -- and still graduate in four years. Last year, students created more than 200 *different* combinations of majors - from art/biology to psychology/business and sociology/Latin American studies.

But whether you select a single major or combine fields of study, you will find that Albright faculty works closely with every student to create an individualized education that reflects individual talents, interests and career goals.

Albright offers more than 50 areas of study, a broad range of interdisciplinary programs including digital media, information systems, optics, Latin American studies, psychobiology, biochemistry, and environmental studies, and combined concentrations such as music/business for those interested in careers in the music industry.

Albright's long tradition of excellence in the natural sciences and pre-professional programs continues to prepare graduates for medical, dental, and veterinary school.

Undecided about a major? The unique Alpha Program is a structured program that allows students to explore different fields of interest and assess interests and talents before selecting a major (or majors.) Alpha provides academic guidance, activities, events, peer support, career counseling and course-work in a wide variety of disciplines to help students make an informed choice when the time comes.

## Explore Everything Albright Has to Offer

Campus life at Albright is enriched by 20 varsity sports and more than 80 student organizations. Whether you choose to be involved in Greek life, special-interest organizations, varsity, club or intramural sports, art and music groups, student government, publications or religious groups, getting involved in campus life plays a significant role in helping to produce a well rounded graduate.

Interested in community service? Albright's Volunteer Center serves as a clearinghouse for community service projects and connects students and agencies. Albright students log some 10,000 volunteer hours every year!

No matter how you choose to be involved, there are always lots of choices for learning, growing and making friends at Albright!

Albright students have access to outstanding teaching, research, social, cultural and religious resources.

The F. Wilbur Gingrich Library contains more than 240,000 books, periodicals, records, and audio/visual materials, and has a knowledgeable staff dedicated to serving students. The Center for the Arts houses the nationally recognized Freedman Gallery, devoted to contemporary art, and the Wachovia Theatre, a comfortable venue for theatre and concerts.

The new Schumo Center for Fitness and Well-Being offers numerous health and fitness programs and opportunities, and Peg's, a café featuring healthy foods.

The new Science Center is currently under construction.

And the recently rebuilt Gene Shirk Stadium is considered one of the very best in Division III.

Students can get help connecting with potential employers at the Career Development Center. The center offers career counseling, a career resource library and information interview resource directory, computerized assessment programs and workshops on resume writing, job hunting and interviewing.

Six residence halls offer a variety of housing options. The Campus Center, the hub of student activity, contains student lounges, the bookstore, Jake's Place, the snack bar, Jake's Java, the coffee bar, and the dining hall.

We welcome you to Albright!

# Gene L. Shirk Stadium

Shirk Stadium, dedicated in 1925 and home to the Albright Lions for over 80 years, underwent major renovations in 2005, turning it into one of the top Division III football stadiums in the nation.

The original home grandstand, built nearly a century ago, was replaced with a new building that seats 3,000 spectators while providing locker rooms, training facilities, and a laundry room for the Lion football, men's and women's soccer, and field hockey teams. A state-of-the-art press box sits atop the home grandstand, giving both visiting media and VIP's a first-class place to watch the game. The natural-grass playing surface was replaced with A-turf, an artificial turf surface that will allow multi-sport play in the new stadium. The stadium also features top of the line lighting that will allow for night games to be played throughout the year.

A new grandstand on the visitors' side seats 2,000 spectators, giving Shirk Stadium a total seating capacity of 5,000. Standing room for spectators is also available at either end zone.

A new main entrance, concession stands, and restroom areas sit at the south end of the stadium.

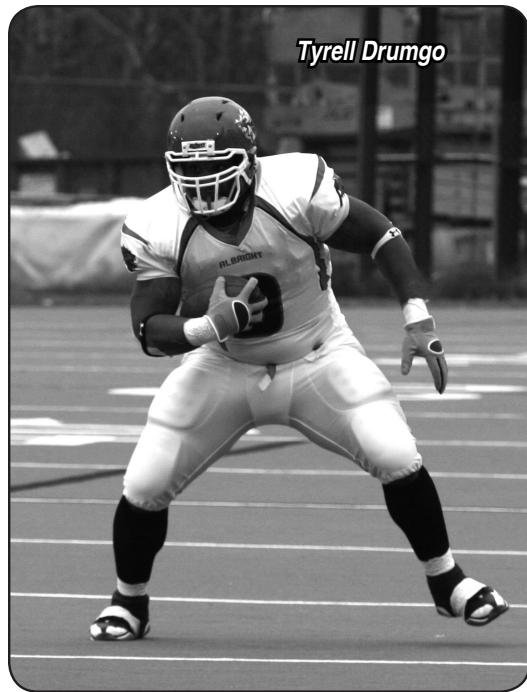

# Season Preview

The 2010 version of Albright College Football will see new leaders and key players emerge as the red and white look to recreate another magical season. Head coach John Marzka, now in his fourth season with the Lions, has once again brought together a group of student-athletes that will be pushed to reach their full potential.

Helping to guide the Lions this fall will be tri-captains Chris Schannauer, Mark Bergery and Ryan McAdams. This veteran trio has shown coach Marzka and his staff that they can lead their teammates both on and off the field. They will be asked to continue a tradition that has made Albright one of the most historic programs in Division III.

*Tyrell Drumgo*

On the offensive line, second-team all-conference selection Matt Odenwalt returns for his senior season. Last year, Odenwalt was sidelined with an injury, but showing no signs of quit, the 6'6", 315-pound lineman returns in the best shape of his career. His sheer size and aggressive attitude make him one of the most dangerous players in the Middle Atlantic Conference.

Also helping out on the line will be Schannauer, who has been one of the key members of a line that produced more than 5,000 yards last season. The 265-pounder has been an anchor for the Lions since putting on the red and white jersey. Now in his final season, he will once again be an anchor for an offense that has loads of talent.

At the wideout position, the Lions welcome back big-time players Luke Wallace, Scott Pillar, Josh Bakala and Sean Caldwell Jr. The Lions' passing game will look to this quartet of very capable and talented receivers to come-up with those crucial catches every Saturday.

Wallace will serve as another solid pair of hands to help move the chains this season. Throughout his three previous seasons, Wallace's hard work and determination has made him one of the most reliable players for the coach Marzka. Now looking to go out on top, Wallace is prepared to have his best season to date.

Last season marked a breakout year for Pillar. Ranked second on the team in touchdown receptions as a sophomore, Pillar has shown that he can easily take over when the game is on the line. In 2009, it was Pillar who caught back-to-back passes in the win over Lebanon Valley to earn a place in the NCAA tournament.

Looking to see a lot more touches on the ball this fall will be Bakala and Caldwell Jr. This young talented duo could easily become two of the top receivers on the team and in the MAC. Bakala suffered an injury in the week two of the season, and was unable to bounce back before the end of the year. However, in 2010 Bakala will be a definite target as one of the most athletic players on this season's roster. Caldwell Jr., has shown tremendous growth in his first two seasons. The 6'3" receiver can make the high grabs that most players cannot.

Albright's run game will once again focus on the speed and agility of Josan Holmes. The 2008 MAC rookie of the year, Holmes returns this year in the best shape of his career. Last fall, Holmes led Albright with 536 total rushing yards, and 10 TD's. Another versatile player, Holmes closed out the year second in receiving with 43 catches and two touchdowns.

Hoping to have a breakout junior season will be speedster Clif LeGrand. Combined with Holmes athleticism this pair should be a one-two punch every time they step on the field. A member of the Albright track and field team, LeGrand was one of the Lion's top sprinters and high jumpers last winter. This fall he will look to take those abilities and put them to great use on the gridiron.

*Luke Wallace*

Big-man Tyrell Drumgo is also primed and ready to help out the Lions run-game in 2010. The senior, who has battled through injury throughout his career, will look to make an impression in his final season. The 250-pound fullback plowed through the opposition in the NCAA tournament last season.

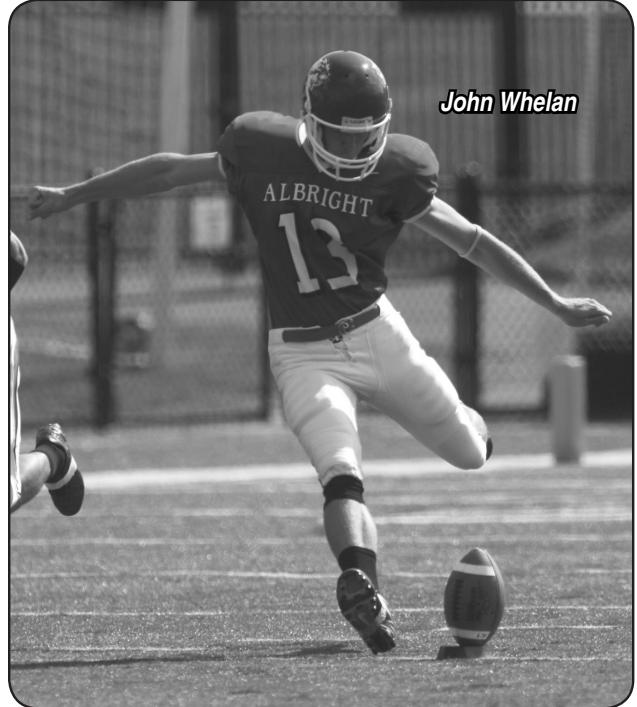

Fans can also look for 6'2" Andrew Hettinger to step-up at the tight-end position. Despite playing a variety of different positions last year, Hettinger stands as the team's biggest and most experienced player at the position.

This season the Lions will be testing a large and talented group of players at quarterback. With the loss of Tanner Kelly '10 and Pat Subers '10 to graduation, the most important position for the Lions offense is up for grabs for the hungriest player.

Switching to Albright's bread and butter, this year's defensive unit will showcase a whole new array of talent, speed and strength.

Amongst these key players will be Ryan Ott, who will look to build upon a very successful and promising career. Last season, the New Jersey native recorded 30 tackles as a sophomore, which was the second most of any player in his class.

Returning as one of the defense's top tacklers this season will be Bergery, who had 42 stops last year. Bergery had numerous team leading performances, but none were as impressive as his 14 stops in the 26-7 win over Lycoming College. His team first attitude will be a must if the Lions defense is to strive this fall.

*John Whelan*

At inside linebacker Rob Mancinelli will be another player who will have to step up come this fall. After recording a career best 47 tackles last season, four of which were for a loss, Mancinelli has everything he needs to have a sensational senior campaign. McAdams, who is also a senior this fall, will be one of the team's biggest leaders. In all 13 games played last season, McAdams recorded 16 tackles, and a pair of sacks.

Eddie Mitchem returns for his final season with the program at defensive tackle. The 297-pounder has proven to be as solid as a rock on numerous occasions throughout his career. With 36 stops to his name in '09, Mitchem will look to bring the pain every Saturday.

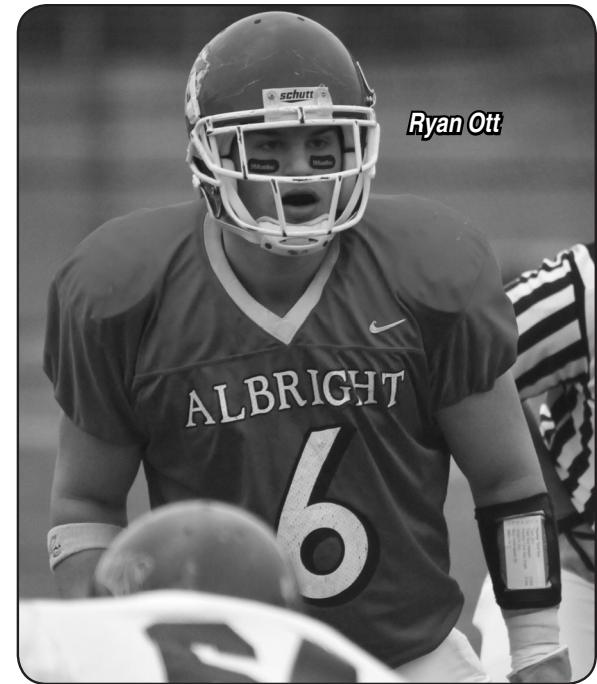

In the secondary, the Lions welcome back senior cornerback Josh Hare. For the past five seasons, the Lions' backfield has been one of the best in the conference, and Hare will continue that trend this fall. After posting a career-best 46 tackles, and three interceptions, Hare will make the opposition think twice before throwing deep every Saturday.

Also helping out in the secondary will be Joe Baciotti. Despite being sidelined last fall, Baciotti is still one of the Lions most dangerous players in the back field. In 2008, Baciotti lead Albright with five interceptions and recorded 23 tackles as well, while playing alongside All-American Matt Christ '08.

On special teams, place kicker John Whelan and punter Brooks Mitzkewich will be the leg's that drive the Lions in those crucial moments. As one of the top kickers in program history, Whelan capped off a stellar junior season with a first-team all-conference and ECAC Southeast honors. In 13 games, the New Jersey native was 9-for-12 on field goal attempts, which included a 45-yarder against Lycoming. He also made 37 PAT's, and recorded the only points in the quarterfinal round loss at Mount Union College.

For Mitzkewich, the 2010 will truly be his year to shine. With the absence of Kelly as the team's punter, Mitzkewich will be essential in putting the ball as far into the opposition's territory as possible. With a leg that can send the ball nearly the entire length of the field, Mitzkewich will quickly be putting returners back on their heels once the season begins.

Just like years prior, the 2010 Lions will feature a truly diverse combination of new and veteran talent. No matter what happens this season, these athletes will be pushed to reach their full potential every day they put on their red and white jerseys.

## Coaching Staff

### John Marzka

Head Coach

**4th Season (26-9, .743)**

Head Coach John Marzka is entering his fourth season at the helm of the Albright College Football program. Named Head Coach in 2007, he and his staff inherited a 2-8 football team and have since directed one of the most impressive turnarounds in NCAA history. The Lions have amassed a 26-9 record and three post-season wins since Marzka's arrival. His 74% win ratio is the best for any Albright Football coach with at least three seasons leading the program, while his 26 wins are the most of any Lions' gridiron coach in his first three years on the job.

The Lions' 2009 campaign proved to be the most successful season in Albright Football tradition, as the Red and White finished 11-2 and advanced to the 3rd round of the NCAA National Playoffs for the first time in school history. Albright's 11 wins were the most ever in the 102 years of the storied program, while their final ranking of 9th in the country by the AFCA was the highest national ranking ever. The Lions also ranked 3rd in the final ECAC-Lambert Meadowlands Division III Football Poll after making their first trip to the NCAA playoffs since 1996.

In the final regular season game, Albright played themselves into the NCAA tournament with a thrilling come from behind, double overtime victory over Middle Atlantic Conference (MAC) rival Lebanon Valley College 44-43, to finish the regular season at 9-1 and receive an at-large bid to the post-season. In the first round, Albright went on the road to upset higher seeded Alfred University 35-25. The Lions then traveled to Doylestown, PA for round two, to unseat Delaware Valley College 27-3 and avenge their only loss of the regular season. The Lions' title run came to an end in the National Quarterfinals vs. eventual runner-up Mount Union College in Alliance, OH.

This record-setting season produced 10 All-Conference selections, three D3football.com All-East Region honorees, three ECAC 1st Team All-Stars, MAC Offensive Player of the Year, ECAC Southeast Player of the Year, ECAC overall Division III Player of the Year, D3football.com East Region Player of the Year and one D3football.com All-American selection. Additionally, between D3football.com, the ECAC and MAC Conferences; the Lions earned 12 "Player of the Week" honors for outstanding individual game performances in 2009. Most importantly, the Red and White put 11 Lions on the MAC Academic Honor Roll and 32 student-athletes attained a 3.0 GPA or higher for the fall 2009 semester.

In recognition of his leadership, Marzka was named the 2009 John C. Whitehead / Nike NCAA Division III Coach of the Year. In accepting the award, Marzka responded, "This is quite an honor, but it is merely a reflection of the hard work and commitment of our coaching staff and student-athletes towards reaching their full potential. When you are able to provide an environment where each player can strive daily to reach his full potential as a person, as a student and as an athlete; the results on the field and the accolades simply take care of themselves."

In 2008, Marzka led the Lions to the program's first MAC Championship in 11 years. Outstanding performances again abounded, as Albright boasted eight All-Conference honorees, MAC Rookie of the Year, two All-East Region selections, three Southeast All-Stars and one All-American honoree. Additionally, eight players earned "Player of the Week" honors for individual game production. A 2008 candidate for the Liberty Mutual Coach of the Year award, Marzka led the Lions to their first eight-win season since 1997 and first post-season bowl victory since 2004; as they beat perennial New Jersey Athletic Conference (NJAC) power, Montclair State University, 42-14 in the ECAC South Central Championship Game. For the fall 2008 semester, Albright placed 13 players on the MAC Academic Honor Roll, while 33 student-athletes attained a 3.0 or higher GPA.

In 2007, Marzka's first season at Albright, he led the Lions to a second place finish in the MAC and an appearance in the ECAC South Atlantic Bowl. With a 7-4 record, Marzka and his staff achieved one of the best year-to-year turnarounds in all of Division III, as the Red and White won 5 more games than in the previous season. Along the way, the Lions produced eight All-Conference selections, MAC Offensive Player of the Year, two All-East Region honorees, one All-American and one Academic All-American selection. Individual Lions received "Player of the Week" recognition a total of 16 times, 11 student-athletes were named to the MAC Academic Honor Roll and 33 players achieved a 3.0 or higher GPA for the fall 2007 semester.

As Albright's quarterbacks coach, Marzka developed one of the most successful QBs in Albright College history. Tanner Kelly, a December 2009 graduate, started 42 games over his career while completing 65% of his passes for 9,616 yards and 80 touchdowns. In all, Kelly accounted for 10,576 yards of total

### The Marzka File

Season	GP	Wins	Losses

\*-Middle Atlantic Conference Champion

^=ECAC Bowl Champion

offense, rushed and threw for a combined 91 TDs and was nationally ranked in most NCAA statistical categories throughout his career. Kelly was named a "Player of the Week" an astonishing 16 times in his last 35 games and was named the Pretzel Bowl MVP a record three times in four years.

In 2009 alone, Kelly finished the season ranked 12th in the nation in Passing Efficiency (155.38) and 15th in the nation in Passing Yards (3,030), while his 68% completion rate was 6th best in the country. For his performance, Kelly was named a first team All-MAC selection as QB and the MAC Offensive Player of the Year. It marked the second season he was honored in both categories under Marzka's tutelage. Kelly was also named both 1st Team All-East Region QB and East Region Player of the Year by D3football.com; while the ECAC named Kelly 1st Team DIII All-Star, Southeast Player of the Year and the overall Division III Player of the Year.

A native of Erie, PA, Marzka earned a Bachelor of Arts degree in psychology from Allegheny College in 1991. He was a three-year letter winner and two-year starter at center for the Gators, and served as senior co-captain on the 1990 NCAA Division III National Championship team. Marzka was a two time first-team All-North Coast Athletic Conference (NCAC) selection as offensive center and named a Champion 1st Team All-American as a senior, after garnering H.M. All-American honors his junior year. Marzka, the 1990 Claire Jackson Outstanding Offensive Lineman recipient, also helped the Gators earn 3 NCAC Championships, two trips to the NCAA Playoffs and a 36-7-2 overall record during his playing career.

Marzka began his coaching career in 1991 at Erie Academy, where he worked with both the offensive and defensive linemen. In 1992, he returned to Allegheny to coach the defensive line; while also serving as Assistant Academic Coordinator and Assistant Recruiting Coordinator. In 1994 he was elevated to Offensive Line Coach, Recruiting Coordinator and Academic Coordinator; and then served as the Gators' Offensive Coordinator for the 1996 and 1997 seasons. During his six years coaching at Allegheny, the Gators compiled a 55-5 regular season record, won four NCAC championships and reached the NCAA Playoffs on four occasions.

Through four seasons coaching the Gators' offensive line (1994-1997), Marzka coached five All-Americans, two Academic All-Americans and developed ten offensive linemen to the All-NCAC first-team. Under Marzka's guidance as Offensive Coordinator (1996-1997), the Gators led the NCAC in scoring and total offense in both seasons, as he coached five offensive All-Americans and 15 All-NCAC offensive players, with 11 earning first-team honors. As Allegheny's Recruiting Coordinator (1994-1997), Marzka designed and led a recruiting strategy that laid the foundation for three NCAA Playoff appearances. As Academic Coordinator, he directed Allegheny's support program that helped to graduate 126 of 128 (98%) senior football players over his tenure.

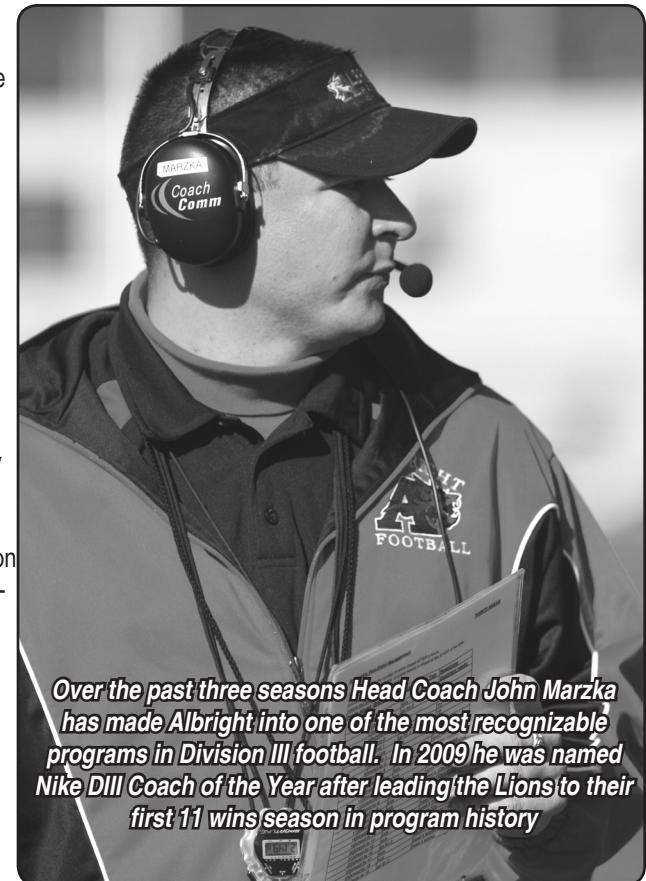

In 1998, Marzka was named Offensive Coordinator at Division 1-AA Fordham University. Under Marzka's direction, the Rams' offense set school records for both scoring and total offense, while five individual passing and receiving records also fell. The Rams went on to capture the storied Liberty Cup in 1998 with an impressive week-10 road victory over Patriot League rival, Holy Cross.

In 2001 Marzka became the Associate Head Coach, Offensive Coordinator and Recruiting Coordinator at Thiel College. He helped the Tomcats reach new heights on the field, culminating in an 11-1 campaign in 2005 that included the school's first ever NCAA national-playoff berth, first undefeated regular season since 1950 and first PAC Championship since 1972. Marzka's 2005 offense totaled 4,833 yards, averaged 33 points, and set 25 school records. In his six seasons at Thiel, Marzka's offense set or tied school records 56 times, while he coached four offensive All-Americans, two Academic All-Americans, five All-South Region players, one South Region Co-Offensive Player of the Year, one South Region Offensive Lineman of the Year, and 43 All-PAC offensive players.

As the Tomcat's Quarterbacks Coach, Marzka guided the growth of the most successful QB in Thiel College history. Darrell Satterfield, a 2006 graduate, shattered 11 of a possible 16 school quarterbacking records in just two seasons as the signal caller. Satterfield was 18-4 as the starter, unprecedented by any quarterback in the 100+ year history of the program.

Marzka also served as Academic Coordinator during his time with the Tomcats. He created and implemented an academic support program that helped the Tomcat football team achieve a team GPA higher than the all-male student average for his last 4 consecutive semesters. For the fall 2006 semester, a record 39 players attained a 3.0 or higher GPA, 13 were named to the PAC Academic Honor Roll, and six players attained a perfect 4.0 GPA. For his efforts in academic excellence, Marzka received Thiel's "2006 Distinguished Innovator Award". In his capacity as the Tomcat's Recruiting Coordinator, Marzka designed and led the execution of a recruiting model that built the foundation of players for the 2005 PAC Championship and 2nd round trip to the NCAA Playoffs.

John and his wife, Diane, reside in Sinking Spring, PA and they have one son, Riley.

*Over the past three seasons Head Coach John Marzka has made Albright into one of the most recognizable programs in Division III football. In 2009 he was named Nike DIII Coach of the Year after leading the Lions to their first 11 wins season in program history*

# **Mike Boyer**

## Defensive Tackles

### ***2nd Season***

Mike Boyer is in his second season on the Albright football coaching staff and has recently been promoted to the position of Defensive Tackles coach.

Boyer comes to Albright from Boyertown Area High School, where he was the offensive coordinator and quarterbacks coach from 2002 through 2007. Boyertown won the first league championship in school history when they won the PAC-10 championship in 2006. That season the offensive unit recorded the most points in school history.

Prior to coaching at Boyertown, Coach Boyer was the offensive coordinator and running backs coach at Exeter Senior High School from 1994 through 1998. Exeter won the league championship in 1997 and was the only team in the school's history to qualify for the PIAA state play-offs.

Coach Boyer is an alumnus of Exeter High School and graduated Magna Cum Laude from Kutztown University of Pennsylvania with a 3.64 GPA in secondary education with a concentration in History/Citizenship.

Boyer teaches in the Hamburg Area School District. He and his wife Cindy have four children, Elizabeth 8, Kellen 5, Conlan 3, and Griffin 1.

# **Victor Brown**

## Running Backs Coach

### ***3rd Season***

Victor Brown is entering his third season on the Albright College coaching staff. He is responsible for coaching the running backs.

During Victor Brown's time at Albright, he has developed Josan Holmes into one of the top running backs in the MAC. Holmes was Albright's first 1,000 yard rusher since 1995 and was honored as the MAC rookie of the year in 2008.

Brown began his college football career at Kutztown University where he started at guard as a red-shirt freshman. After his sophomore year at Kutztown, he transferred to Bloomsburg University where he was a two-year starter at offensive center.

In his two seasons at Bloomsburg, Brown was a member of two PSAC East Championships teams, and 1996 NCAA Division II playoff qualifiers. As a senior, Brown earned All-PSAC East and All-ECAC honors. He graduated from Bloomsburg University in the spring of 1998. Brown began his coaching career as an assistant at Sun Valley High School in 1998 and helped lead Sun Valley to a conference championship.

He then coached the offensive line coach at Reading High School from 1999 to 2000; helping the Knights to win the Lancaster/Lebanon League section 1 championship in 2000. Brown then moved on to coach the defensive line at Wilson High School from 2001 to 2003. Wilson won the Lancaster/Lebanon League section 1 championship in 2001 and advanced to the district 3 championship game. After three seasons at Wilson, Brown returned to Reading as the head football coach from 2004 to 2007.

Victor hails from Reading and is also employed as a special education teacher at Upper Merion High School. He and his wife Lisa have two daughters Emily and Kayla.

# **Matt Hoffert**

Defensive Line/Assistant Special Teams Coordinator

## **1st Season**

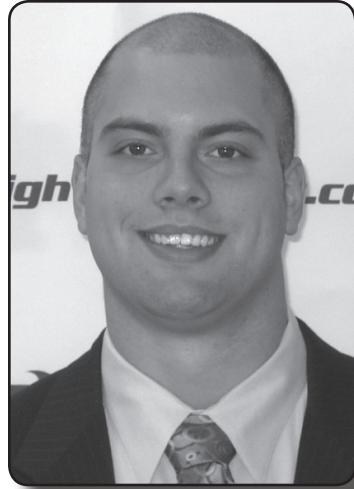

Matt Hoffert is entering his first season on the Albright College coaching staff. He will be assisting with the running backs, with a primary focus on the fullbacks.

Hoffert spent the last five years coaching at Hamburg Area High School, where he served as the offensive and defensive line coach from 2005 through 2009. The Hawks made the District 3 Playoffs two years straight in the 2006 and 2007 season. In 2008 they made the Eastern Conference Class AAA semifinals.

Hoffert graduated from Delaware Valley College in 2005 with a Bachelors Degree in Agronomy and Environmental Science.

At Delaware Valley he played on the Offensive Line at both Center and Guard. A three-year letter winner, Hoffert played on the 2003 ECAC Championship team, the 2004 MAC Championship team and made it to the 2004 NCAA Division III Quarter Finals under the coaching of G.A. Mangus, current Assistant Coach at the University of South Carolina. During this run the Delaware Valley College program also became one of the greatest one year turnarounds in NCAA Division III history.

Hoffert currently works in Pottsville as a Building Code Official at Alfred Benesch & Company. He and his wife, Sheri, reside in the Hamburg Area.

# **Rob Hollway**

Defensive Line/Assistant Special Teams Coordinator

## **1st Season**

Robert Hollway Jr. is entering his first season on the Albright College coaching staff. He is responsible for coaching the defensive ends and will serve as assistant special teams' coordinator.

Hollway graduated from the University of Wyoming in 2008. He was a 5 year student athlete on full scholarship at a competitive Division 1A school. While at Wyoming, Hollway played all positions on the defensive line, including end, tackle, and nose guard. He was a versatile player whose size and speed allowed him to contribute all over the field. While at Wyoming the Cowboy's compiled impressive victories over Tennessee, Mississippi, Virginia, TCU, Utah, and most notably a win over UCLA in the 2004 Las Vegas Bowl. Between his junior and senior year Hollway appeared in 23 out of a possible 24 games.

Hollway went to high school in Richfield, Minnesota where he was a standout defensive linemen and offensive center at the Academy of Holy Angels. Hollway was a two time all conference player, two year team captain, and one year all-state defensive lineman. He was ranked as the 10th best player in Minnesota's 2004 recruiting class on Rivals.com. Hollway also played hockey and was a dominant track and field - shot and discuss thrower.

Hollway has a long lineage of current and former college and NFL coaches. His father Bob was a defensive end at the University of Michigan, and his uncle Mike, is the head football coach at Ohio Wesleyan University (1987-current) in Delaware Ohio. Hollway's grandfather Bob Hollway played and coached at the University of Michigan. Additionally, he was the defensive coordinator for the Vikings from 1967-70 and 1978-86 and helped introduce the legendary "Purple People Eaters" under long time Vikings head coach Bud Grant. Hollway's grandfather was also the Head Coach of the St. Louis Cardinals from 1971-73.

Hollway earned a BA degree in communications in 2008 from the University of Wyoming. In 2009, he coached the defensive line at East Ridge High School in Woodbury, Minnesota before joining the Albright College football team.

# Mike Hoyt

Assistant Coach/Defensive Coordinator

## 7th Season

Mike Hoyt enters his seventh season as the assistant coach/defensive coordinator, and inside linebacker coach at Albright.

Hoyt who graduated from Canisius College in Buffalo, NY in 1992 was a three-time letterman honoree as a safety for the Golden Griffins. In his senior Hoyt was named a CoSida Academic All-American, team defensive MVP, and was voted captain by his teammates.

Hoyt's coaching career began at Onondaga Central High School in New York in 1992. While with Onondaga, Hoyt worked with the defensive backs and offensive line. The 1993 season would see Hoyt take a running backs and defensive backs coaching position at Port Byron High School in New York. After just one year with Port Byron, Hoyt returned to his alma mater to work with the defensive line and eventually mentored Division I-AA All-American and MAAC Defensive Player of the Year Frank Zabawa.

The 1996 and 1997 seasons would see Hoyt take over as the defensive line coach at Division II Millersville University in Millersville, PA. From there he moved to the coaching staff at Franklin and Marshall for the 1998 season this time coaching the running backs. Following his stint with F&M, Hoyt took over as Head Coach at Solanco High School in Lancaster County for two seasons. He then returned to Franklin and Marshal in 2001 and remained there until 2003.

Hoyt also serves as the director of strength and fitness for all of Albright's athletic teams.

# Jeff Gelormini

Tight Ends/Offensive Line Coach

## 2nd Season

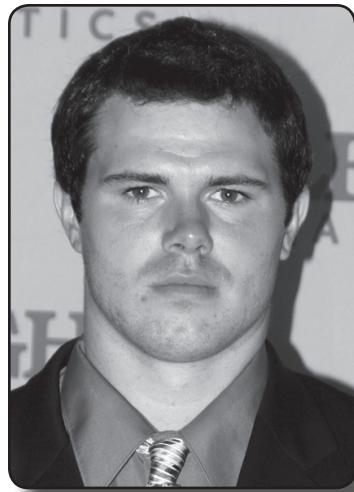

Jeff Gelormini is entering his second season on the Albright College coaching staff. He is responsible for coaching the tight ends and assisting with the offensive line.

Gelormini graduated from Ashland University (Ohio) in 2008. He was a 5 year student-athlete, red-shirting his freshman year and earning a scholarship for his final three seasons, playing guard and center at the Division II level. He was part of a senior class that helped turn the Ashland program into a perennial playoff team. He played under Lee Owens who became the Head Coach at Ashland in 2004 and inherited a 2-8 squad. By Gelormini's senior year the team improved to 8-3 and earned a 2007 NCAA Division II playoff berth.

In his junior and senior year, he was elected captain of one of Ashland's Accountability Teams. He graduated with a BS in Sport Management, and Sport Communication with a minor in Business Administration.

Gelormini coached at Saint Joseph's Collegiate Institute in Buffalo, New York for the 2008 season. While at St. Joes he coached the offensive and defensive lines, and also served as both the special teams, and weight room coordinator.

Gelormini worked with the Big Brothers, Big Sisters program at the YMCA in Ashland, OH.. He coached for 5 summers at Jim Kelly Football Camp in Buffalo, New York. In addition to coaching, he also served as administrative assistant to Jim Kelly Inc. in 2008 He is originally from Buffalo, New York and now resides in Reading.

# Tanner Kelly

Assistant Quarterbacks Coach/Offensive Quality Control

## 1st Season

Tanner Kelly begins his first year coaching for the Lions after completing one of the most successful four year careers in Albright Football history.

Kelly graduated from Albright in December 2009 with a Bachelors degree in history and secondary education. He will serve as the Assistant Quarterbacks Coach and oversee quality control issues for the offensive staff.

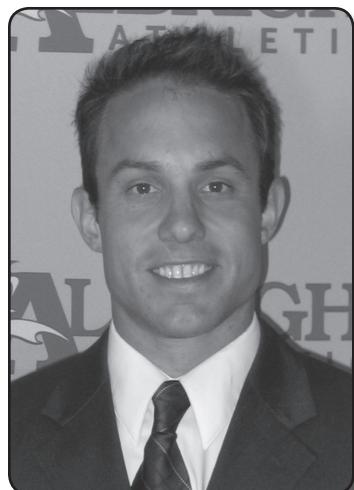

As the Lion's QB and Punter, Kelly started 42 games over his career while completing 65% of his passes for 9,616 yards and 80 touchdowns. In all, Kelly accounted for 10,576 yards of total offense, rushed and threw for a combined 91 TDs and was nationally ranked in most NCAA statistical categories throughout his career. Kelly was named a "Player of the Week" an astonishing 16 times in his last 35 games and was named the Pretzel Bowl MVP a record three times in four years.

In 2009 alone, Kelly finished the season ranked 12th in the nation in Passing Efficiency (155.38) and 15th in the nation in Passing Yards (3,030), while his 68% completion rate was 6th best in the country. For his performance, Kelly was named a first team All-MAC selection as QB and the MAC Offensive Player of the Year.

It marked the second season he was honored in both categories. Kelly was also named both 1st Team All-East Region QB and East Region Player of the Year by D3football.com; while the ECAC named Kelly 1st Team DIII All-Star, Southeast Player of the Year and the overall Division III Player of the Year.

Kelly was also a two-time first team All-MAC Punter and led the conference in punting average for two years. The MAC rookie of the year as a freshman and a four year starter for the Lions, he led Albright's recent turnaround; as the Lions went from 2-8 in Kelly's freshman season to an 11-2 record and National Quarterfinal appearance in the NCAA playoffs during the 2009 season.

Kelly hails from Clearfield, PA and is currently pursuing his masters of education degree from Albright College.

# Michael Neale

Wide Receivers/Returners Coach

## 4th Season

Mike Neale is in his fourth season at Albright College. During his first three seasons Neale coached the wide receivers and kick/punt returners, as well as serving as the JV Head Coach and Director of Football Operations. This season, Neale will serve as the Special Teams Coordinator, Recruiting Coordinator, and Inside Linebackers Coach.

In Neale's three years coaching the wide receivers, he developed 1 All American Wide Receiver, 4 All Conference Wide Receivers, and 2 ECAC All Star Receivers. The Lions' passing game thrived as one of the top air attacks in the MAC, and saw WR Nate Romig develop to become the leading scorer in the history of Albright College Football.

While coaching the kick and punt returners, Neale developed 2 All Conference Returners, as well as 1 All East Region and 1 ECAC All Star Returner. During that span, the Lions returned a MAC Conference leading 9 combined kicks and punts for touchdowns.

Neale came to Albright College in 2007 from San Diego, CA, where he worked with the offensive skill players at Grossmont College. Prior to that, Neale coached at Valhalla High School in San Diego from 2000-06, and saw the program develop into an offensive unit that ranked as one of the top scoring programs in San Diego County; averaging over 32 points per game. Neale also served as the Strength and Conditioning Coach at Valhalla for four seasons.

As a player, Neale enjoyed a record setting high school career as a running back and return specialist at Valhalla, which produced a number of honors; including being selected All C.I.F. San Diego Section. Neale continued his career at Grossmont College, receiving all conference recognition as a return specialist. Neale earned his AA degree, and transferred from Grossmont to complete his playing career as a wide receiver at Southwest Missouri State University.

Neale received his BA in History from California State University, San Marcos in 2002. In addition to a successful coaching background, Mike has four years of extensive business experience as a commodities broker and owner of two businesses before selling his brokerage to move to coaching college football on a full time basis.

## **Steve Rivera**

Outside Linebackers/Video Coordinator

### ***1st Season***

Steve Rivera begins his first season as an assistant coach with the Albright Lion's football team. Rivera will coach the outside linebackers and serve as the program's Video Coordinator.

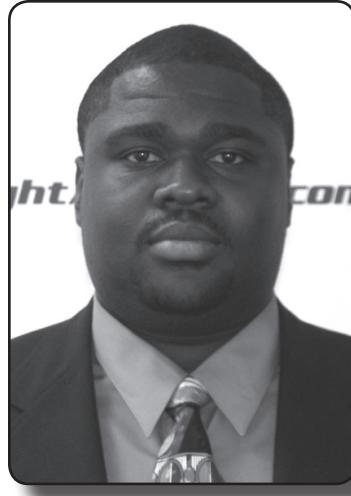

Rivera comes to Albright after coaching the past two years at Mercyhurst College. Rivera served as the Video Coordinator for the Lakers as well as the tackles/tight ends coach in 2009 and as the running backs coach in 2008.

In 2009 Rivera helped guide two All-PSAC West selections in offensive tackle Dave Hetrick and tight end Josh Szeluga. Szeluga led the team with 44 catches and 497 yards and was selected to play in the Valero Cactus Bowl, while Hetrick was part of a unit that paved the way for the Laker running attack's 120.7 yards per game. In 2008 he developed Richard Stokes into a 1st Team West PSAC Division running back who broke both single season and career records for both rushing yards and touchdowns as a senior in 2008.

A four-year player at Bucknell University, Rivera played on the offensive line for the Bison and also spent his senior year as a member of the wrestling team. Prior to his time at Bucknell, he was a four-year starter on the football and wrestling teams at Colonial High School in Orlando, Fla.

While at Bucknell, Rivera also worked as an instructor at numerous football camps, including the Susquehanna House Football Camp and the Bucknell Bison Big Man's Camp.

Rivera was a double major at Bucknell, earning degrees in political science and religion in May of 2008. He currently resides in Reading, Pa.

## **Percy Sweeting**

Assistant Offensive Line Coach

### ***1st Season***

Percy Sweeting is entering his first season on the Albright College coaching staff. He is responsible for assisting with the offensive line.

Sweeting started his football career at North Carolina Central University in Durham, NC. After redshirting his freshman year he transferred to Thiel College in Greenville, Pa. where he was coached by Albright College's current head coach John Marzka.

Sweeting was a mainstay on a veteran offensive line that allowed only 8 quarterback sacks in 2004 and only 7 sacks in 2005. He was part of a tremendous turnaround at Thiel as the Tomcats went from 3-7 in 2003, to 7-3 in 2004 and then an 11-1 season and PAC championship in 2005. It was the school's first ever appearance in the NCAA DIII playoffs, advancing to the second round.

Sweeting was a starter at left tackle and earned All- PAC honors as a senior in 2006. He graduated from Thiel in the spring of 2007 with a Bachelor of Arts degree in psychology.

Sweeting began his coaching career as an assistant coach at Glen Mills School in Concordville, Pa in the summer of 2007 where he coached the defensive line and served as the strength and conditioning coordinator. He helped the Battling Bulls advance to their first ever PIAA playoff appearance, and Delaware Valley League championship in the 2007 season.

Sweeting returned to his hometown of Nassau, Bahamas in 2008 to serve as the head boys' basketball coach at St. Anne's High School and assisted with youth programs to build the popularity and interest of the sport of football in the Bahamas.

Sweeting returned to the States in 2010 to begin his college coaching career at Albright. He and his wife Nicole reside in Exton, Pa.

# **Jesse Thompson**

## Wide Receivers/Director of Football Operations

### **1st Season**

Jesse Thompson enters his first season as wide receivers coach and Director of Football Operations for the Lions.

Thompson comes from Portland State University (FCS) where he served as the running backs coach during the past two seasons.

Portland State is a member of the Big-Sky Conference. During his time at Portland State, Thompson worked under legendary coaches Jerry Glanville and Mouse Davis. Thompson mentored an offensive unit that led the country in passing yards per game during the 2008 season. As the Vikings running backs coach, Thompson helped develop running back Bobby McLintock into a 2009 1st Team All-Big Sky Conference player.

Prior to his appointment at Portland State, Thompson was a running backs coach at Northern State University (D2) during the 2007 season. Northern State competes in the Northern Sun Intercollegiate Conference (NSIC). Thompson was also the summer camp coordinator as well as aiding in the team's strength and conditioning program.

Thompson began his collegiate coaching career at Lewis and Clark College (D3) as a defensive backs coach. In his three seasons with Lewis and Clark, Thompson also spent time coaching both wide receivers and running backs in addition to directing a kick-off return unit that led the NW conference in avg. yards per return for two consecutive years.

As a high school athlete, Thompson was selected as an all-city running back and team MVP. In college, Thompson competed at Portland State and Southern Oregon as a fullback. He helped lead Southern Oregon to the 2001 NAIA quarterfinals and its best season in school history. After his college playing career, Thompson coached two seasons at Madison High School in Portland, OR, where he coached linebackers and running backs and was the JV head coach.

A native of Portland, OR, Thompson graduated with a BS in Health Education from Portland State University and is currently working on completing his Master's Degree in Health, Physical Education and Coaching.

# **Mike Winslow**

## Offensive Coordinator/Offensive Line Coach

### **3rd Season**

Mike Winslow begins his third season as offensive coordinator and offensive line coach for the Lions. Winslow held assistant coaching positions at the University of Maine and Thiel College prior to his appointment at Albright College. This past fall, Winslow played an important role in mentoring a Lion offense that helped Albright College post a 11-2 record and National-Quarterfinal appearance in the NCAA playoffs. Under Winslow's direction, the Albright offense accumulated 5,181 yards of offense and produced 51 touchdowns. The Lion offense ranked nationally in Pass Offense (24th), and Pass Efficiency (14th), while individual performers finished the season ranked in the top 25 nationally in Pass Efficiency, Receptions Per Game and Receiving Yard Per Game.

Winslow's offense also produced the Middle Atlantic Conference (MAC) Offensive MVP, four All-MAC performers, two ECAC Southeast All-Stars, ECAC Southeast Region Offensive Player of Year, ECAC Division III overall MVP, two D3football.com All-East Region, D3football.com East Region Offensive Player of the Year, and a D3football.com All-American. The Lion offensive unit led the MAC in scoring with 34.5 points/per game at the end of the regular season. They also led the MAC in Average Yards Per Play (5.9), Touchdowns (51), Total Offense (5,181), Pass Offense (285.8 yards/per game), Pass Efficiency (154.8), First Downs (20.8 per game), and 4th Down Conversions (60%). The Albright offense also finished second in 3rd Down Conversions (44.4%) and ranked third in Rushing Touchdowns (22).

In 2009, the Lions offense scored 30 or more points seven times, accumulated 400 yards of total offense six times and amassed over 600 yards of offense in two contests. Members of the Lions offense were recognized as conference players of the week four times in 2009. Winslow tutored an offensive line unit that featured two All-MAC performers in Adam Burkart and Matt Odenwalt. In his first season with Albright in 2008, the Lion offensive unit went from last in rushing (2007) to third place in the conference. Winslow tutored an offensive line unit, led by 1st Team All-MAC performer Therron Deets, which paved the way for the first 1,000 yard rusher at Albright College since 1995. Winslow's line produced an All-MAC Rookie of the Year award winner. This unit produced 150 yards rushing or greater six times, and amassed over 200 yards rushing in four contests.

The past two seasons the Lions have accumulated more offensive yards (8,646) than any other MAC school and produced 84 touchdowns. Winslow has mentored seven All-MAC performers since his arrival to Albright College.
