In its 25th season, Jack Spinks-Marino Casem Stadium was constructed by architect Cooke Douglass Farr Lemons and opened in 1992. It has a playing surface of natural grass with a capacity of 22,500. The stadium is also the home of the Alcorn State soccer program.

Marino Casem was inducted into the College Football Hall of Fame in 2003. He coached Alcorn to four Black College National Championships and seven SWAC titles. Casem also served as the athletic director at Alcorn from 1966-1986. After that, he served for many years on the NCAA's Football Rules Committee and Executive Committee. FRED McNAIR

Head Coach (Second Season) • Sixth Season at Alcorn • Alcorn '92

Fred McNair was named Alcorn State University 21st head football coach on February 2, 2016. He brought the Braves to the SWAC title game in his first season at the helm after winning the SWAC East Division title outright.

1,023 yards and 11 touchdowns and passed for 1,106 yards and 14 scores.

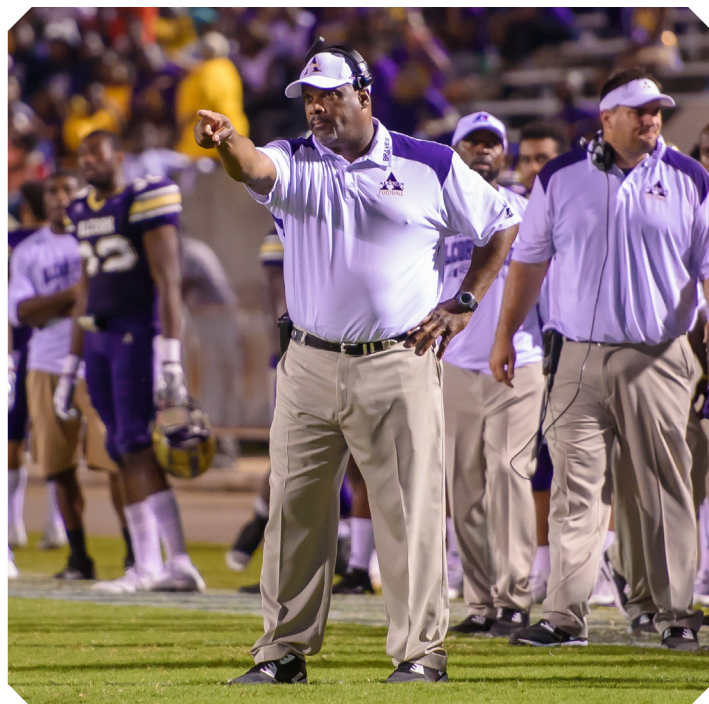

He was hired as head football coach, athletic director, and teacher at Collins High school in April 2011. The CHS Tigers made it to the second round of the 2011 3A football playoffs. During the summer months, he works as a football camp director for Mercedes Lewis in Long Beach, California; Jerrius Norwood in Brandon, Mississippi; Brett Farve and Adailus Thomas, both in Hattiesburg, Mississippi. He is also a Dixie Youth baseball coach and commissioner in Covington County as well as a youth football coach. If that is not enough, McNair is also a motivational speaker at churches, schools, and social events throughout Mississippi. He is definitely a man on the move with a vision seeking anyone that he can help.

McNair, who was previously the quarterbacks coach, is entering his sixth year as a member of the Alcorn football staff. McNair began his college football career as a wide receiver at Alcorn State University in 1986 before moving to quarterback his junior season. After the switch, McNair went on to finish fifth in Division 1-AA in passing efficiency his senior year and was named to the All-SWAC second team in 1989. He received his bachelor's in 1992 and furthered his education with a master's in 1996 from Alcorn State University.

In addition, McNair coached at Millsaps College in Jackson, Mississippi for four years. During his tenure at Millsaps, they won two Southern Collegiate Athletic Conference (SCAC) Championships. In June 2009, McNair was hired as a teacher and coach at Mt. Olive High School. He was the offensive coordinator for the Mt. Olive Pirates. The Pirates won the 1A State Football Championships in 2009 and 2010.

McNair is responsible for turning Alcorn quarterback John Gibbs Jr. into a force on the field. Under the tutelage of McNair, Gibbs passed for 2,482 yards and 21 touchdowns and rushed for 1,006 yards in 2014. In 2013, Gibbs passed for 2,567 yards and 21 touchdowns. He also rushed for 455 yards. This past season, after Gibbs went down with an injury in the middle of the season, Lenorris Footman stepped in and found success because of McNair's coaching methods. Footman rushed for

Upon McNair's retirement from the Arena Football League (AFL), he held various records. He is a seasoned Arena Football League veteran (Albany 1993-95); Florida (1996-00); and Carolina (2000-01). He holds almost all passing records, including passing yards in a season (3,269 in 1999), passing touchdowns in a season (60, 1998), passing touchdowns in a game (8, four times) and passing yards in a game (362, 2000). McNair also holds all of Carolina's passing records and became the 13th quarterback in AFL history to surpass the 10,000 yard passing career passing mark (vs. Carolina in 2000).

McNair was ranked in the top eight in the AFL in all-time passes attempted, passes completed and passing yards. Over his eight-year career, McNair completed over 57 percent of his passes, while throwing for 16,591 yards (8th all-time) and 291 touchdowns. McNair had a career season in 2001, setting career highs with 3,271 yards, 63 touchdowns, 434 attempts, 282 completions, a 65.0 competition percentage and a 118.16 quarterback rating. He is the original "Air McNair" and is the brother of the late Tennessee Titans quarterback and 2003 Co-Most Valuable Player, Steve "Air II" McNair.

McNair and his wife, Barbara, reside in Collins with their son, Ahkeem.

ABOUT ALCORN STATE UNIVERSITY

Alcorn is the oldest public historically black land-grant institution in the United States and the second-oldest state-supported institution of higher learning in Mississippi. Alcorn University was founded in 1871 as a result of the people of Mississippi's efforts to educate the descendants of formerly enslaved Africans. It was named in honor of the sitting governor of Mississippi, James L. Alcorn.

Alcorn is situated in Claiborne County, seven miles west of Lorman, 80 miles south of the capital city of Jackson, 45 miles south of Vicksburg, and 40 miles north of Natchez. The site was originally occupied by Oakland College, a school established by Presbyterians in 1828; the state of Mississippi purchased the Oakland campus for \$40,000 and named it Alcorn University. Hiram R. Revels resigned his seat as a United States senator to become the University's first president. The state legislature provided \$50,000 cash annually for the University's first 10 years to support its establishment and overall operation. Additionally, 30 acres of land were sold for \$188,928; Alcorn received three-fifths of the proceeds, or \$113,400. This funding was used for Alcorn's agricultural and mechanical components.

Initially, the institution's three major study components were the four-year college track, the two-year college track, and the three-year graded track. Students spent the morning, from seven o'clock until noon, in classes. In the afternoon, they worked in various University shops for eight cents per hour. Room and board, including laundry, cost about \$5 a month.

In 1878, Alcorn University became Alcorn Agricultural and Mechanical College. The college was exclusively for males at first, but eventually women were admitted. A dormitory for women was built in 1902. Over time, facilities increased from three historic buildings to more than 80 structures. The original purchase of 225 acres of land grew to a campus of more than 1,700 acres.

In 1974, Alcorn Agricultural and Mechanical College became Alcorn State University. Governor William L. Waller signed House Bill 298, granting this status. Alcorn has thrived by continuously accomplishing dynamic goals and objectives despite limited resource allocations from the state. By the early 1990s, Alcorn's

physical plant and academic programs evolved into a more diversified University. The student population is now representative of more than 65 counties, more than 30 states, and at least 18 foreign countries. The University provides an undergraduate education that enables students to successfully pursue work in graduate and professional schools, engage in teaching, and enter other professions.

As Mississippi recognized the importance of educating all citizens, Alcorn has gained status and importance. From the original eight faculty members in 1871, the University has grown to more than 800 faculty and staff. The student body has increased from 179 students to more than 4,000 students with varied ethnic backgrounds. Although early graduates of Alcorn had limited horizons, today's graduates are successful in their chosen professions, and many are outstanding entrepreneurs. Throughout Alcorn's history, the leadership and faculty remained committed to enhancing the institution's image and to attracting young people whose interest is the pursuit and receipt of a quality education. Over the decades, "the college that excelled against great odds" has become one of the leading universities in the nation. Alcorn State University operates divisions with degree programs in more than 50 areas, including the bachelor's, master's, and educational specialist degrees.

The collaborative strength and contributions of Alcorn's past 18 presidents during its more than 140 years of existence have enabled the institution to excel. On March 4, 2014, the Mississippi Board of Trustees of State Institutions of Higher Learning voted unanimously to appoint Dr. Alfred Rankins Jr. as Alcorn State University's 19th president. President Rankins' background and vision are strategically aligned with Alcorn's history and tradition. He is poised to expeditiously move Alcorn State University to the next level of excellence.
