Welcome,

On behalf of the Athletics Department, we look forward to your visit to Azusa Pacific University. We have developed this guide to assist you with your needs and make your visit a pleasant one. Azusa Pacific is proud to sponsor 19 sports in NCAA Division II and remain a proud member of the Pacific West Conference.

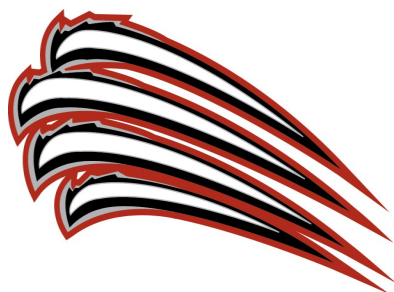

Our athletics staff is available to assist you. If you should have any questions or require assistance, please do not hesitate to contact me or my staff.

Gary Pine
Director of Athletics

APU Athletic Mission Statement:

We build relationships which inspire transformation of student-athletes through experiencing Christ and cultivating competitive excellence, equipping men and women who are ready to serve and prepared to lead.

Azusa Pacific Athletics Facilities Overview

Cougar Stadium

Seating Capacity—2,000 (Building #33 On East Campus Map)

The stadium is home to Cougar track and field. Built in 1986, APU has produced some of the biggest track names in the sport: Bryan Clay, Dave Johnson, Christian Okoye, Innocent Egbunike and Fatimat Yusuf. The stadium hosts the Bryan Clay Invitational each year and partners with the Mt. Sac Relays in being the host for the decathlon and heptathlon events. The stadium also serves as the practice facility for Cougar football.

Citrus College Stadium

Seating Capacity—10,000 (**On the campus of Citrus College** East of the APU Campus)

This stadium became the home of the Cougars football program in 2010 and has quickly become a perfect home for a growing program. Having out grown Cougar Stadium, Citrus stadium has appropriately accommodated fans and players. With its close walking proximity to APU campus housing, it has become easy a home away from home.

Felix Event Center

Seating Capacity—3,500 (Building #66 On West Camus Map)

The \$13.5 million, 70,000 square-foot Richard and Vivian Felix Event Center is home to Cougar basketball and women's volleyball teams. In 2010 APU held it first competition in the up-and-coming sport of acrobats & tumbling. In addition to providing a location for university events like athletic competition, chapel and Night of Champions, the Felix Event Center provides a venue for community gatherings, including graduations, concerts, and conventions.

Cougar Soccer Field

Seating Capacity –1,500 (Building #79 On West Campus Map)

This field, built in 2002, is home to men's and women's soccer teams. It is the finest example of a well-maintained soccer field in the San Gabriel Valley. One national championship (men in 2007) and numerous final four appearances (women in 2006, 2007, 2009, 2010) have been accomplished since moving from the Cougar Stadium.

Cougar Baseball Field

Seating Capacity—1,000 (Building #9 On East Campus Map)

Home to the Cougar baseball team, the baseball field is located south of Engstrom Hall. A great view for fans in that living area, this field boasts many GSAC titles and more than a dozen players who have been drafted into professional baseball.

Cougar Softball Field

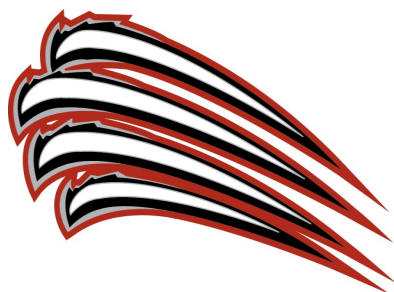

Seating Capacity—300 (Building #80 On West Campus Map)

Home to Cougar softball. For the past ten years, the softball team has averaged 32 victories per season, including a school record 53 in 2000 when the Cougars advanced to the national championship game.

Munson and Bavougian Tennis Complex

Seating Capacity—200 (Building #87 On West Campus Map)

The newest athletic facility, completed in February 2009, this 8-court complex features a staggered elevation designed to enhance the spectator experience and provide quality viewing throughout the structure.

Directions to Azusa Pacific University

From Ontario International Airport

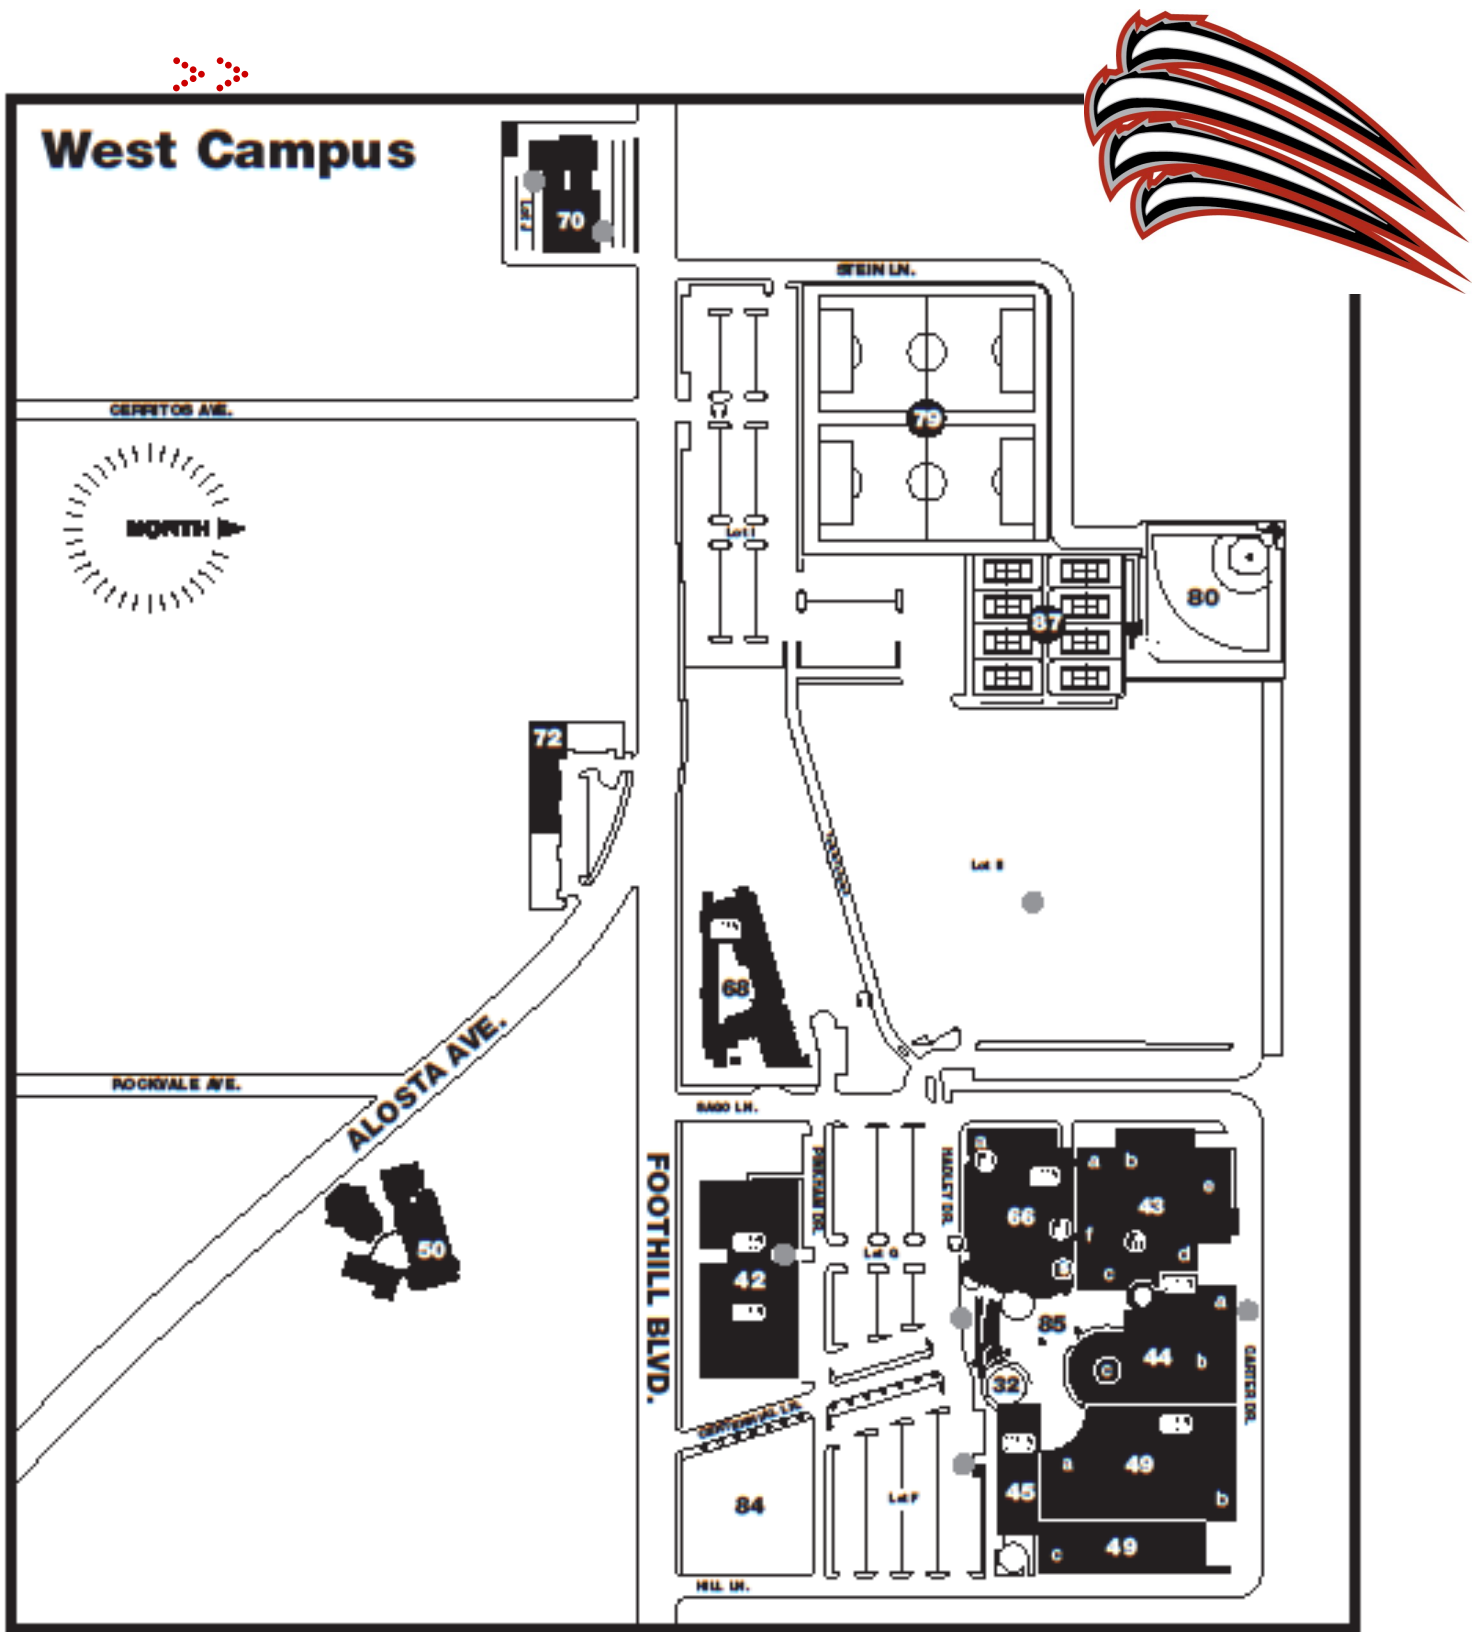

Take the 10 Freeway west to the 210 west (toward Pasadena). Exit Citrus Ave and turn left onto Baseline and then right onto Citrus Ave.

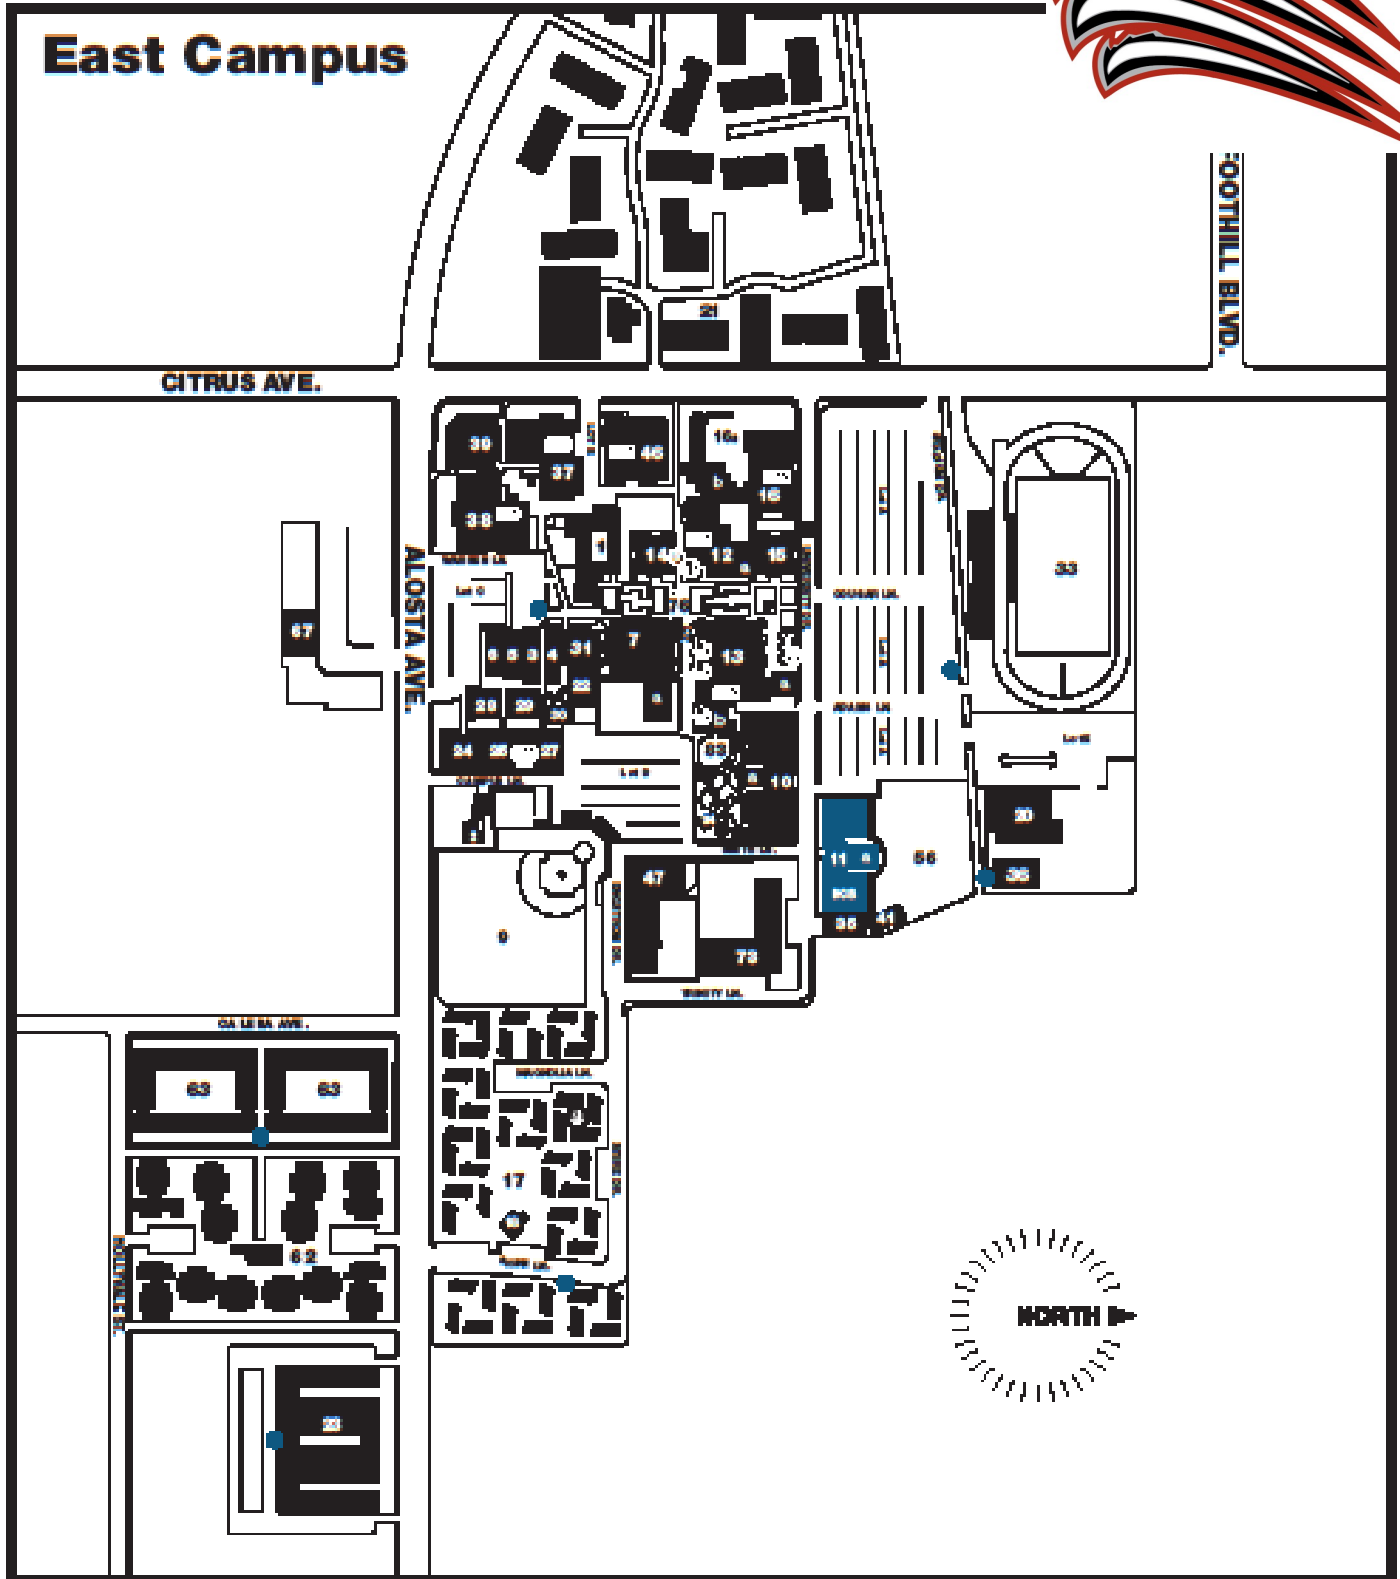

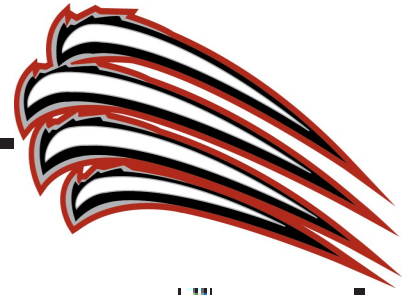

- To East Campus (Cougar Stadium) –go north on Citrus Ave and cross Alostia Ave. First right (University Drive) is the entrance. The stadium and parking are on the right; Lot A on the map.

\$7/Seniors (65+)
\$7/Other Students
Age 7 and under are free

Single Game GA tickets—Soccer

\$11/Adult
\$6/Other students and Seniors (65+)
Age 7 and under are free

Emergency Information

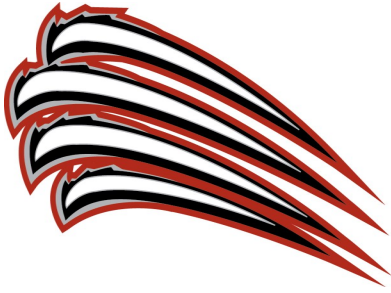

In the event of an emergency such as inclement weather, fire, earthquake or public disturbance, the public address announcer will direct fans to a safe location near the event area. The visiting team will be directed by Athletics Department personnel to a safe location.

Sports Information

Media personnel (sports information, radio, TV, etc.) traveling with the visiting team are asked to contact the Azusa Pacific Sports Information office in advance of the competition to ensure that adequate resources are available. In addition, the Sports Information office may contact the visiting school to obtain pre-game information in order to prepare for a competition.

Please contact the Sports Information office in advance if there are any other services that you may need or any other media outlets that require the final results of a competition.

Corey Langerveld — Sports Information Director
626/815-5085 clangerveld@apu.edu

Sports Medicine

The Azusa Pacific Sports Medicine staff are happy to assist you during your visit. The following is a list of equipment that will be made available for each competition:

Standard Services Provided

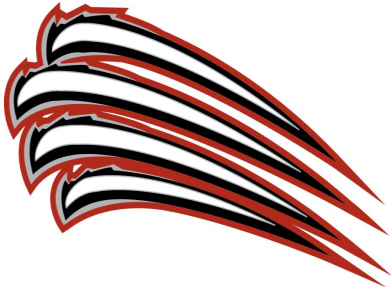

1. Portable Treatment Table
2. Emergency equipment: crutches, spine board, splints
3. Biohazard container
4. Injury ice on both sidelines with bags
5. Cold drinking water and six pack of water bottles
6. Certified Athletic Trainers on site
7. Phone and/or Radio access to EMS
8. All Therapeutic modalities in the athletic training rooms will be available upon request. However, if an ATC is not traveling with your team, a written request must accompany them in order to use the modality. Please give advanced notice (preferably by the Monday prior to your competition but a minimum of 48 hours) if your team will require assistance from our staff so that we can have adequate staffing and /or to adjust treatment times.

Extra Services Provided for Football only include

1. A student helper with a cart will be available to transport your equipment between the locker room and stadium.
2. Ambulance on site
3. Cups
4. Modalities (E-stim, US, Hydroc, Bike) near locker room — available upon request).
5. Taping tables, coolers of water, and cups near locker room

Items YOU will need to supply

1. Cups (other than for football) - small amount provided for indoor sports (enough for coaches).
2. Towels for the sideline/bench and showering. Football, basketball and volleyball - Towels provided for showering. All other sports must request showers through the APU coach of the team you are competing against. Towels would be provided if approved.
3. Your own taping and medical supplies (emergency equipment provided).

Sports Medicine, *continued*

Athletic Sports Medicine Clinic (East—Stadium)

This clinic room is located east of Cougar Stadium in the Anderson building. Sports utilizing this facility includes track and field, baseball and football. The guest football athletic training set up is located at Citrus College and an ATC or student will direct you to the correct area.

Athletic Sports Medicine Clinic (West—Felix Event Center)

This clinic room is located in the Felix Event Center, lower level, south west corner. Sports utilizing this facility includes cross country, acrobatics & tumbling, basketball, soccer, volleyball, softball, swimming/diving, tennis and water polo.

Sports Medicine Staff

For games and competitions the Sports Medicine staff will be available generally two hours before (three hours for football) and a sufficient length of time after to address any needs. For teams practicing on campus the staff will be available during normal hours. Water and ice will be made available upon request. Our staff can be contacted in advance to address any questions, issues or concerns.
