**Postgame Quotes**

**Arizona head coach Rich Rodriguez**

*On what ASU did early:*

"We played poorly and they didn't. They played hard. After half time, there were adjustments on both sides, but they took it away. We have to give them credit, and unfortunately we didn't have a very good game tonight. It was embarrassing."

*On feelings about the rivalry game:*

"I am not embarrassed of my players, and I am not embarrassed to be their coach, but I am embarrassed by the way we played. We have to give them credit for being a good team. We are capable of playing better."

*On the team's performance last week compared to this week:*

"Well I told them that it shouldn't define them. We are all going to be mad for 24 hours but this shouldn't define our senior class or our team. We will be better."

**Arizona quarterback B.J. Denker**

*On the three interceptions:*

"The last one he undercut. They knew the route but if I had just put it on his chest it wouldn't get intercepted. The one over the middle, I read that as pass but I didn't trust my eyes. With the pick six, they just had someone out there watching my eyes. He knew where I was coming and played it well."

*On coping with the loss:*

"This one stings but we have a bowl game with a month to prepare. I know we are going to be focused on that, so if we go out with a win at the bowl game, I'll feel better about that."

*On the attempt at a comeback:*

"It was a 13-point lead, and after the drive in the second half, we were feeling pretty good. We made some corrections, and it was efficient and affective, but there were too many mistakes on my part. Defense was great, they put up a lot of points but 28 of those were our fault. Our defense did a good job."

**Arizona safety Jared Tevis**

*Overall thoughts on the game:*

"You can't let a good team like that keep momentum. We have to do a better job of making a play and giving our offense a chance. We need to step up and make a play, and take the momentum away from them and we weren't able to do that tonight."
