### ARIZONA AT WASHINGTON STATE – OCT. 25, 2014 ARIZONA POSTGAME QUOTES

#### Arizona Head Coach Rich Rodriguez

##### *Overall thoughts on game...*

"It was a long game. We knew it was going to be a big challenge and that they'd throw it all over the place, with some really good football players that are well coached. Being on the road, I thought our guys handled everything really maturely and were focused on the sidelines. We got contributions from all three phases which was nice. The defense made some plays, special teams was huge, and offensively in both the first quarter and the third quarter, we executed pretty well coming out of the gates."

##### *On Anu Solomon's play...*

"I thought he was really sharp. I'd have to watch the film to tell you if this was his overall best performance. As far as seeing the field and recognizing things, this was as sharp as I've seen him, which is really neat to see because he's still just a redshirt freshman."

#### Arizona Quarterback Anu Solomon

##### *On getting off to a fast start...*

"It's very beneficial. It is something that Coach Rodriguez wants us to do, especially with his offense. We've been lacking a fast start the last few games and thank God we started fast this week."

##### *On eagerness to play after USC game...*

"It was hard, but all week last week we challenged ourselves and asked ourselves if we could bounce back. I'm very proud of our team and how we came out today."

#### Arizona Linebacker Scooby Wright III

##### *On importance of game in regard to team goals...*

"I think a lot of our defensive players just had a bad taste in our mouth and we just had to bounce back and prove that we could play the passing game."
