Kay Yow was the head coach of the NC State Wolfpack women's basketball team from 1975-2009. A member of the Naismith Hall of Fame, she had more than 700 career wins.

Yow was first diagnosed with breast cancer in 1987. After battling the disease for over two decades, she passed away on January 24, 2009. She may be well known for her high level of success on the court but she will always be remembered for her never yielding perseverance. She said it best when she said, *"when life kicks you, let it kick you forward."*
