THIS IS A-STATE

Thanks to one of two $5 million gifts - the largest individual donation in A-State Athletics history - by alumnus Johnny Allison, a "Centennial Expansion" construction and renovation project to Centennial Bank Stadium's press box and west-side concourse took place prior to the 2015 season.

The entire project, including the press box and concourse, covered 40,000 square feet. The Centennial Expansion project included a complete overhaul to the stadium press box, expanding it from 7,120 to 36,000 square feet.

The face of the stadium has been redesigned to include 42 loge boxes, 20 suites, a club area covering close to 8,000 square feet and 344 club seats in its revenue-generating areas.

Not only has depth been added to the press box, it now spans from approximately the 15-to-15 yard lines, allowing for enhanced media, coaching, broadcasting, control booth and camera areas.

The project also called for major improvements and additions to the concourse bathrooms, concessions, official gear and apparel shop and gating and ticketing areas that have improved the game-day experience for all A-State fans.

A-State partnered with Daktronics Inc. prior to the start of the 2014 season to install an approximately 1,600-square foot LED video display scoreboard in Centennial Bank Stadium's south end zone, along with a custom audio system, play clocks and locker room clocks.

The south end zone display measures approximately 32 feet high by 50 feet wide and features a 15HD pixel layout. A Daktronics standard fixed-digit scoreboard measuring eight feet high by 32 feet wide was installed in the north end zone at the same time.

A-State's first game at Centennial Bank Stadium was played Sept. 28, 1974. The stadium, which now seats 30,382, has undergone several renovations since then.

Most recently, construction of the two-level 66,500 square foot Centennial Bank Athletics Operations Center in the north end zone was completed prior to the start of the 2019 season. As part of the same project, new premium seating areas were built and in place for the 2018 season.

A-State originally transitioned from a grass field to an artificial playing surface prior to the 2006 season and upgraded to a state-of-the-art GEO Surfaces field turf in 2010. A new field was installed the summer prior to the start of the 2016 season. The multi-use surface provides year-round training opportunities for other A-State sports in addition to the school's football program.

A three-story football complex was built in the stadium's south end zone in 2002, which followed a stadium expansion in 1991 that raised the seating from 16,343 to 30,406.

Construction on a two-level 66,500-square foot football facility in Centennial Bank Stadium's north end zone was completed prior to the start of the 2019 season.

The Arkansas State Athletics Department is committed to providing its student-athletes, coaches and loyal fan base with the best facilities and amenities within the conference and across the country. The renovation to the north end zone enhances its fan game day experience and assists in the Red Wolves' ability to recruit and train the best student-athletes to Arkansas State University.

First and foremost, the facility enhances the Arkansas State student-athlete experience. The building features a new weight room and training/rehabilitation area, new team locker room, position meeting rooms, players' lounge, academic rooms and team-theater meeting area.

The Red Wolves Den, A-State's new outdoor premium seating options, has created a unique experience for fans; comprised of loge boxes and terrace seating with premium food and access to two cash bars.

The Arkansas State University Board of Trustees voted on Dec. 11, 2017, to name A-State's football field "Allison Field" and the north end zone facility "Centennial Bank Athletics Operations Center" in recognition of a combined $10 million from the Johnny Allison family and Centennial Bank to the Red Wolves Foundation.

Honoring the former A-State letterman who played on the 1968 football team, served on the ASU Board of Trustees from 1979-84 and was named an Arkansas State University Distinguished Alumni in 1998, "Allison Field" is proudly displayed at multiple locations on the field as well as the tunnel entrance into the Centennial Bank Athletics Operations Center.

One of the many focal points of the new Centennial Bank Athletics Operations Center is the A-State Lettermen's Club Heritage Hall, which welcomes both student-athletes and guests at the main entrance to the facility.

The spacious foyer features not only numerous aesthetic aspects, but is also highlighted by full uniforms worn by the A-State football team, a large video display, championship rings, names of members of the Lettermen's Club and displays that include both a photo and historical information about each of Arkansas State's all-time football conference championships.

The area brings together both A-State's rich history and current elements to give those passing through an overall glance at the Red Wolves' football program.

The Centennial Bank Athletics Operations Center's auditorium, located near the main entrance to the facility, features theater-style seating accommodating 201 people.

A large "Arkansas State Red Wolves" graphic covers the entire north wall and accents the black theatre chairs featuring A-State logos. State-of-the-art sound and video systems have been installed, making the area not only a space that can be utilized for team meetings, but also for multi-purpose events for the entire athletics department.

Wooden paneling used throughout both the north end zone facility and the Johnny Allison Tower covers a large portion of the east wall and acts as a back-drop behind a raised stage at the front of the room.

The Red Wolves moved into a new state-of-the art locker room inside the Centennial Bank Stadium Athletics Operations Center prior to the start of the 2019 season.

Each student-athlete has a large customized locker with the latest amenities while enjoying a spacious area with multiple media centers in the locker room featuring a design and logos unique to A-State.

Each locker has numerous storage areas, including a space for shoulder pads that is attached to a ventilation system. The locker room bears the name of longtime A-State supporters Chuck and Tina Mitchell.

Among the amenities new to the facility is a barber shop, located adjacent to the locker room.

The Bill Templeton Players Lounge is housed in the Centennial Bank Athletics Operations Center, providing players a large area to gather, enjoy interaction with teammates, relax or take part in the entertainment amenities provided within the room.

The location includes, but is not limited to, a fueling station, multiple televisions, video-gaming systems, a ping pong table, a pool table and shuffleboard.

The room is named after the late Bill Templeton, who was associated with A-State Athletics as a student-athlete, coach and administrator for 53 years. He leaves a lasting legacy of loyalty and love for his beloved A-State.

A glass wall on the east side of the JTown's Grill Recruiting Room fills this area inside the Centennial Bank Athletics Operations Center with plenty of natural light and serves as a warm welcome for guests while overlooking Red Wolf Boulevard.

Not only are there displays featuring some of A-State's former and current NFL players, the spacious area is primarily utilized as a recruiting area where potential student-athletes can take pictures in front of a green screen and meet with staff and administration.

At the same time, the room is large enough that it can be used for meetings, gatherings and additional functions as needed. The recruiting room also connects to office space, including an area for NFL scouts to watch film of Arkansas State players.

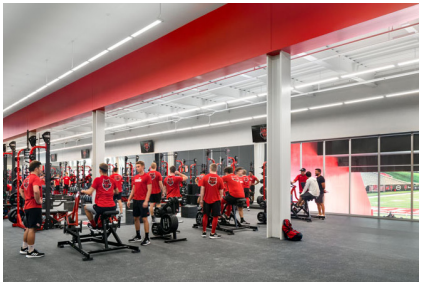

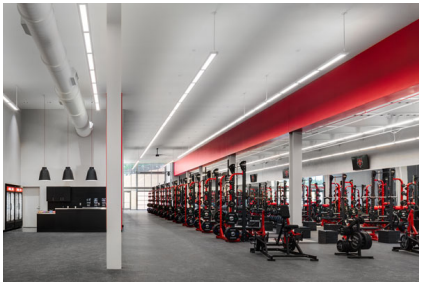

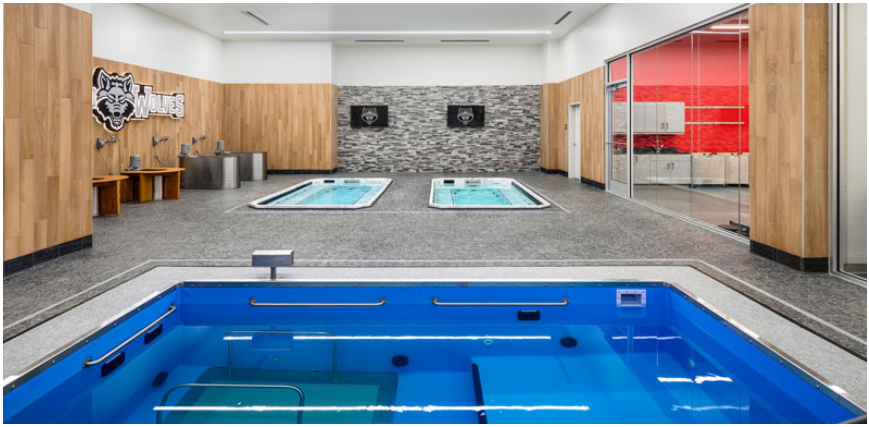

One of the many impressive aspects of the Centennial Bank Stadium Athletics Operations Center is the athletics performance program and the approximate 10,000 square-foot weight room.

The area features 18 new powerlift racks, inlaid platforms, a designated nutrition center, new weights and cardio equipment, media (TV, audio, etc.) and direct access to the Student Activity Center, among much more.

The athletics performance staff offices are also located in the weight room and behind their efforts, led by Assistant Athletics Director for Athletics Performance Jeff Jones, the area is in full use to help Red Wolves student-athletes become bigger, stronger and faster.

The Centennial Bank Athletics Operations Center houses an enhanced sports medicine, training and rehabilitation area. The Ron Carroll Sports Medicine Center allows student-athletes, who already receive great medical care, additional space and quality surroundings.

Carroll joined the A-State staff in 1976 as the school's first certified athletic trainer, and he has since been inducted into the A-State Athletics Hall of Honor while also being tabbed an honorary member of the Arkansas State All-Centennial Team. Other training centers in First National Bank Arena, Tomlinson Stadium, Track & Field Complex and Women's Tennis & Soccer Facility serve to compliment this primary space and provide front line care for practices and events.

In 2002, players and coaches moved into a new three-story facility which featured office space for coaches, dressing rooms, meeting rooms and a players' lounge all the way through the 2018 season.

With the construction of a new football operations center in the north end zone, the facility has been repurposed to currently house athletics department administration and the visiting teams locker room.

The old visitors locker room has been renovated to now house a new state-of-the art television broadcast control room and studio, complete with the latest technology and fibered to produce games at both Centennial Bank Stadium and First National Bank Arena.

Plans are in place to further renovate the administrative areas located in the building, as well as academic and student services areas.

A-State's former home locker room remains in place on the ground floor and now serve as the visitors locker room. However, between the 2002-18 seasons it also housed on the ground floor a player lounge area, a weight room and athletic training areas.

The football staff could be found at the complex with offices and video areas located on the second floor. The top floor included meeting rooms and still features the Bill Templeton Recruiting Room.

The original football facility, now known as the Charles Luter Family Academic Success Center and connected to the south end zone complex, houses academic and student services.

Arkansas State University began construction on a 78,000-square foot Student Activity Center (SAC), which also serves as an indoor practice facility for the A-State football team, in spring of 2014.

Located on the northeast corner of campus near Centennial Bank Stadium, the approximately 78,000-square foot building provides a new venue for multiple programs across the university. The SAC was designed by Brackett Krennerich Architects of Jonesboro and Sparks Reed Architecture and Interiors of Tulsa, Okla.

The Student Activity Center was the first part of a university master plan for the eastern side of campus that continued with the "North End Zone Expansion" project, a separate 66,500-square foot project being funded independently of the SAC.

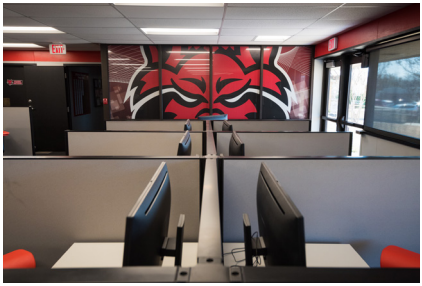

The Arkansas State University Athletics Department announced a $400,000 gift from Charles Luter that was used to enhance the athletics' academic facility, at a press conference held at the newly named Charles Luter Family Academic Success Center in September of 2008.

The Academic Success Center serves as a foundation for structure, discipline and organization for the education of all A-State student-athletes. The facility, coupled with innovative programs and equipment, currently houses the academic support staff, tutors, computer labs, a resource room, study areas, tutorial rooms, small group study centers and a large conference room.

Among the most recent and noticeable modifications to the Charles Luter Family Academic Success Center is a new foyer housed in a brick and rock exterior that, along with new landscaping, gives the entrance to the building a modern look and creates a stronger image. The actual foyer has a large Red Wolves logo embedded in a terrazzo flooring that greets visitors as they enter the building. A receptionist office now also connects to the lobby area, which holds all-new furniture and a plaque recognizing Charles and his wife, Kay.

A restructuring of the academic resource center, now known as Dawson's Den, has occurred, including a wallwrap celebrating academic success that is clearly visible for student-athletes working in the computer lab. Additionally, tutorial rooms and computer-work stations have been upgraded in this area, which also displays pictures of the most recent A-State graduates.

The names of the latest members of the Athletic Director's Honor Roll are also showcased in Dawson's Den. The area is named after Scott and Kay Dawson, longtime supporters of Red Wolves' athletics.

It is well-known that collegiate athletics departments across the country place a common emphasis on graduation, but Arkansas State has taken it a step further with its Red Wolves Leadership Academy that provides additional resources intended give its graduating student-athletes the best opportunities for job placement after their time as a student.

The Red Wolves Leadership Academy continued to strengthen with a study abroad component added in 2015 to foster global awareness, which is often cited by employers as a positive attribute they seek. During summer 2015, Arkansas State student-athletes took part in the first study abroad program offered by any university and their athletics department in the nation. The Red Wolves took the ground-breaking step by sending the group of student-athletes to London on a faculty-led academic program.

The program goes hand-in-hand with the Red Wolves Leadership Academy, designed with the sole purpose to obtain job placement for student-athletes upon graduation. For A-State Athletics, this is just one of the many ways it all comes back to providing the Red Wolves with the most comprehensive experiences possible to be successful in life.

Research conducted by UC Merced backs up what the A-State Athletics Department believes – adding the study abroad component to the Red Wolves Leadership Academy puts its student-athletes among the most desirable employees in the nation coming out of college and helps create global citizens. The UC Merced research also showed that 97 percent of study abroad students found employment within 12 months of graduation, while only 49 percent of college graduates found employment in the same period.

Nothing symbolizes Arkansas State football more than the Ring of Honor. The Ring, which recognizes the greatness of Red Wolves football through the induction of the school's finest players and coaches, is located on the facade of the west side of Centennial Bank Stadium.

The late Calvin Harrell was the Ring's first inductee in 1996.

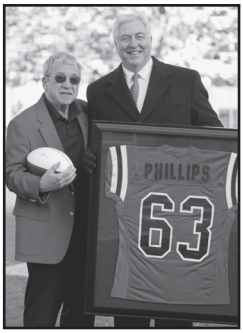

Former A-State and NFL great Bill Bergey, pictured with fellow Ring inductee Bill Templeton, was inducted in 1997.

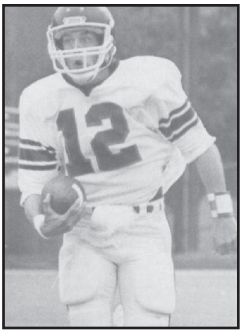

Maurice Carthon (right) and Larry Lacewell have joined the Ring of Honor.

Along the same lines, it is just the second all-time Sun Belt program with multiple undefeated seasons in league play (2015 and 2011) -- the other is North Texas (2002-04).

Being a student-athlete at Arkansas State University is not only what you can accomplish on the field of play or in the classroom. It is also what you can give back to the community.

A-State's football team is an integral part of the community of Jonesboro and the surrounding areas in Northeast Arkansas. The players are involved with local school programs, area charities and many worthwhile projects.

Members of the football team have spent time reaching out to the youth programs and local schools in Northeast Arkansas. The Red Wolves have made visits to hospitals, health centers, food distribution centers and much more.

The team holds an annual Fan Day in which they interact with fans and sign autographs as well. They can often be found in the community visiting and signing autographs for young and old fans alike.

Both coaches and players are often seen in the community speaking at special events and representing good causes.

A-State student-athletes give back to not only the local community and Northeast Arkansas, but also reach out to more distant places. During the 2011, 2012, 2013 and 2014 seasons, for instance, members of the football team visited the USA Women's and Children's Hospital in Mobile, Ala., during part of their time leading up to the GoDaddy Bowl. A-State's 2015 New Orleans Bowl appearance also saw the team visit the Children's Hospital of New Orleans, and the Red Wolves participated in a "Feed the Children" project prior to the Cure Bowl. The 2018 team made a visit to the UMC - Diamond Children's Center during its trip to the Arizona Bowl.

During the 2005 season, members of the A-State football team visited the Women's and Children's Hospital in Lafayette, La., during part of their time leading up to the New Orleans Bowl. The players also took time to sign autographs and visit with fans young and old alike during all their bowl weeks.

The Bearcats compiled a 23-14 record in his three seasons while also winning the Big East title in 2011 and 2012. Jones was named the league's Coach of the Year after Cincinnati's 10-win season in 2011, while also earning the same honor from CBSSports.com in 2012 after his squad captured its second consecutive bowl victory and finished in the Top 25.

Jones was also the head coach at Central Michigan from 2007-09, winning 27 contests and leading the Chippewas to the 2007 and 2009 Mid-American Conference (MAC) titles. His three-year stint in Mount Pleasant saw Central Michigan compile a 22-3 MAC record, make three consecutive bowl-game appearances and post a No. 23 postseason raking in 2009. ROB **HARLEY**

Assistant HC/Defensive Coordinator | 1st Season
Ohio State, 2006

Rob Harley enters his first season in 2021 as Arkansas State's assistant head coach and defensive coordinator.

Harley came to A-State after spending the last six seasons as linebackers coach at Pitt, while also serving as the Panthers' recruiting coordinator the last four years.

The 2020 Pitt defense allowed just 93.5 yards rushing and 339.5 yards total offense per game to rank fifth and 24th in the nation, respectively. The Panthers also led all FBS teams in total sacks (46) and tackles for loss (111), while posting 20 turnovers gained in 11 games for the 10th most in the country. Under Harley's direction, linebacker SirVocea Dennis was tabbed All-ACC after recording 57 tackles, 14.5 tackles for loss and 4.0 sacks on the year. The sophomore's 14.5 stops behind the line of scrimmage are tied for the seventh most in the nation.

Harley's linebackers were also highly instrumental for a Pitt defense in 2019 that yielded only 312.9 yards per contest, ranking 15th nationally. The group combined for 16.5 sacks, helping the Panthers lead the nation in that category (3.92 per game, 51 total). The linebackers' production was even more impressive considering the starting lineup was fully retooled from 2018.

Under Harley's watch, graduate transfer Kylan Johnson enjoyed the finest season of his career with 10.5 tackles for loss, 6.5 sacks and two forced fumbles. Johnson received Honorable Mention All-ACC recognition and signed as a free agent with the Miami Dolphins. Phil Campbell and Cam Bright, combined for nearly 120 tackles and 17 TFLs.

Another recent example of Harley's ability to develop playmakers is Oluwaseun Idowu, who concluded his collegiate career in 2018 as one of the most prolific tacklers in recent Pitt history. Originally a walk-on, Idowu became a three-year starter, collecting 250 tackles during that span, and was an All-ACC honoree.

In 2016, the Panthers' linebackers helped key a rush defense that finished 16th nationally, yielding just 119.6 yards per game. Matt Galambos enjoyed the best production of his career over the 2015-16 seasons, achieving personal bests in every category under Harley's watch. Another productive linebacker from that 2016 squad, Bam Bradley, went on to play for the Baltimore Ravens.

COACHING CAREER

Year	School	Position
2010-11	Ohio Dominican	DBs/Linebackers/Asst. Special Teams Coordinator
2012	Michigan State	Graduate Assistant (Offense/Special Teams)
2013	Michigan State	Graduate Assistant (Linebackers/Special Teams)
2014	FIU	Linebackers
2015-17	Pittsburgh	Linebackers
2017-20	Pittsburgh	Linebackers/Recruiting Coordinator
2021-cur.	Arkansas State	Assistant Head Coach/Defensive Coordinator

In Harley's initial season at Pitt, he oversaw the development of Nicholas Grigsby, a 2015 All-ACC performer who spent time with the Detroit Lions, New England Patriots and Los Angeles Rams.

Harley joined Pitt after spending the 2014 season as the linebackers coach at FIU, where he helped the Golden Panthers rank among the most disruptive defenses in college football. FIU ranked first nationally in fumble recoveries (19), second in defensive touchdowns (six), fourth in turnovers gained (33), eighth in turnover margin (plus-11 overall; 0.92 margin per game) and 35th in total defense (363.8 yards per game).

While at FIU, Harley recruited and coached linebacker Anthony Wint, who would go on to earn All-Conference USA honors and finish his collegiate career second in school history with 336 tackles. Wint went on to sign with the New York Jets.

Harley's Pitt appointment served as a reunion with Pat Narduzzi. Harley was a graduate assistant at Michigan State for two seasons (2012-13) when Narduzzi was the Spartans' defensive coordinator.

At Michigan State, Harley gained experience on both sides of the ball. In 2013, he worked with the linebackers and special teams, helping the Spartans to a 13-1 record, the Big Ten title and a 24-20 victory over Stanford in the Rose Bowl. Michigan State's defense yielded just 252.2 yards per game to rank second nationally.

In 2012, Harley worked with the Spartans' offense and special teams. Behind 1,793-yard rusher Le'Veon Bell, Michigan State earned a berth in the Buffalo Wild Wings Bowl, where it defeated TCU, 17-16.

During the 2010 and 2011 seasons, Harley served as the defensive backs/linebackers coach and assistant special teams coordinator at Ohio Dominican University, an NCAA Division II program.

A former safety at Ohio State (2001-05), Harley earned three letters with the Buckeyes and was a member of their 2002 national championship team. In Harley's final three seasons, Ohio State posted a 29-8 record, including two victories in the Fiesta Bowl (2003 and 2005 seasons).

A 2006 graduate of Ohio State, Harley has deep roots with the Buckeyes. His great uncle is the legendary Chic Harley, the first three-time All-American in Ohio State history.

Harley earned his bachelor's in business administration from Ohio State. He additionally owns a master's degree in kinesiology from Michigan State.

Harley and his wife, Danielle, have two sons, Paxton and Nash.

KEITH **HECKENDORF**

Offensive Coordinator/QBs | 3rd Season
St. Cloud State, 2004

Keith Heckendorf enters his third season in 2021 as the Red Wolves' offensive coordinator and quarterbacks coach.

Heckendorf, who spent the last two seasons in the same role at A-State, guided a Red Wolves' offense that put up impressive numbers in both 2019 and 2020 while featuring a pair of wide receivers in Omar Bayless and Jonathan Adams Jr. who earned multiple All-America accolades.

Last season alone, Arkansas State ranked second in the nation in passing offense (364.4 ypg) and averaged 488.9 yards total offense that was not only the 14th highest in the country, but also the second best in school history.

The Red Wolves' prolific passing offense put up 39 touchdowns, which broke both the school and Sun Belt Conference records. The offense averaged 6.3 yards per play for the second-highest mark ever by an A-State squad and averaged 32.9 points per game to rank 35th in FBS.

The year prior in Heckendorf's initial season at A-State, the offense ranked 26th and 33rd in the country in scoring offense and total offense, respectively, to help the Red Wolves' post an 8-5 record and Camellia Bowl victory over Florida International.

The 2019 team ranked No. 10 in the country in passing offense (312.1 ypg) and No. 14 in team passing efficiency (157.55) as well.

Also overseeing the quarterbacks position each of the last two years, Heckendorf mentored a pair of quarterbacks named 2020 All-Sun Belt Conference Honorable Mention in Logan Bonner and Layne Hatcher. The duo combined for 3,921 passing yards that, when combined, would have ranked as the third most in the nation among any single quarterback despite A-State playing just 11 games.

The 2019 season saw Hatcher earn Sun Belt Conference Freshman of the Year honors after he posted a 167.9 pass efficiency rating that was the second best in Sun Belt history and ranked sixth in the nation. Among freshmen only, Hatcher led the country in passing yards average, total offense per game and passing efficiency.

The quarterback position wasn't the only one to flourish in Heckendorf's high-powered offense as wideouts Bayless and Adams were named the Sun Belt's 2019 Player of the Year and 2020 Offensive Player of the Year, respectively. All said, A-State had 10 players tabbed all-conference between the quarterback, running back, wide receiver and offensive line positions.

Highlights: Defense was key for ASU, which forced six turnovers, allowed only two third-down conversions, notched three sacks and stopped the Colonels five times inside the Indian 30. Linebacker Dan Miller led the way with 14 tackles, two interceptions and two tipped passes. Despite fumbling on the first play, Richard Kimble netted 95 yards rushing (filling in for the injured Rickey Jemison). EKU's only TD came after an A-State fumble.

He rushed for 180 yards and passed for 306 in one of the greatest quarterback exhibitions ever against an Indian team. The defending national champ Eagles averaged 7.5 yards per play and controlled the ball nearly 36 minutes. ASU fumbled on the second play of the game, and GS converted that miscue into a TD. The rest was all downhill for the Eagles, who scored on all six of their first-half possessions. Fullback Richard Kimble of ASU had 134 yards rushing.

In that almost swap-out second half, ASU scored on a 62-yard ground-based drive, a 35-yard pass, an 11-yard end-around to end a 52-yard drive and a 62-yard interception return. ASU collected 206 yards on the ground; JSU managed 283 of its 397 through the air.

1987 I-AA Playoff (Quarterfinal)

Northern Iowa	**6**	**15**	**7**	**21**	**49**
Arkansas State	7	7	14	0	28

Highlights: Northern Iowa cashed in four lost ASU fumbles - three into touchdowns - while amassing 530 yards of offense in a game closer than the score indicated. Carl Boyd was all over the place for the Panthers, collected 124 ground yards and catching several drive-saving passes. It was a see-saw affair for awhile, with A-State's last lead at 28-21 late in the third quarter. UNI dominated the fourth quarter as A-State miscues handed the Panthers two easy scores.

LAFAYETTE, La. — The final score showed 31-19 in favor of the Golden Eagles of Southern Miss when the clock struck 0:00, but the final score didn't do justice to the Arkansas State team and the effort of the Indians on the night.

ASU (6-6) took over at the 8:22 mark of the fourth quarter after USM punched in a touchdown to make the score 31-19. Quarterback Nick Noce then began engineering a drive that began at the ASU 30. Noce scrambled for 30 yards on the first two plays from scrimmage to get the ball into USM territory.

It appeared as if fortune would smile on the Indians in the game when, on the very first possession, USM was driving the ball at will on ASU. With the nose of the ball resting mere inches from the goal line, Almond took the snap and was nailed at the line and fumbled the ball. Myron Anderson pounced on the loose football as the defense held USM out of the endzone.

Electing to punt, Eric Neihouse squeezed off a short but effective 25 yard punt that pinned the Golden Eagles down inside their own 17. ASU's defense was asked to hold to give the offense another crack at narrowing the gap.

Noce passed for 213 yards and a touchdown on the night while rushing for 55 yards and another score. The Golden Eagles rode the surprising ground attack of Hull and his 161 yard effort and Almond's 253 yards and two scores to the win.

Stars of the game for the Indians were numerous, but Myron Anderson's nine-tackle effort was easily the defensive effort on the night. Anderson set a career high in tackles in a game in his final collegiate contest as well while being credited with three tackles for loss. Safety Tyrell Johnson had another solid night, registering nine tackles and defensive end Brandon Rollins chipped in a career high seven tackles and a forced fumble.

Offensively it may have been the Noce show, but the ASU running backs kept the USM defense honest, allowing Noce to throw for the second-best passing performance of the season for the Indians. Noce completed passes to seven different receivers with his favorite target being Gary Vincent. Vincent ended with three receptions for 53 yards.

MOBILE, Ala. — Arkansas State (10-3) jumped out to an early 13-0 lead in the 13th-annual Go-Daddy.com Bowl, but the Huskies of Northern Illinois (11-3) countered with 31 unanswered points and went on to defeat the Red Wolves 38-20 Sunday at Ladd-Peebles Stadium in Mobile.

The loss snapped a nine-game win streak for the Red Wolves and was ASU's first setback since Sept. 17.

Taylor Stockemer put up career-best numbers to lead the Red Wolves' offense, finishing with 11 catches for 185 yards and a touchdown. Stockemer's numbers also set a new school record for receptions and yardage in a post-season game. Ryan Aplin completed 30-of-58 passes for 353 yards and a touchdown, while senior defensive end Brandon Joiner recorded his 13th sack of the season to tie the Sun Belt Conference single-season record. Joiner finished with a team-high eight tackles, three tackles-for-loss and one pass breakup.

In addition to the offensive numbers put up by Aplin and Stockemer, wideouts Carlos McCants and Earl Lucas each posted five receptions and senior running back Derek Lawson led the Red Wolves on the ground with 32 yards. Defensive backs Kelcie McCray and Don Jones joined Joiner with eight stops, with each registering a tackle-for-loss. Tryon returned four kickoffs for 114 yards.

MOBILE, Ala. — The Arkansas State football team clinched its first bowl title since 1970 with a 17-13 victory over No. 25 Kent State in the GoDaddy.com Bowl at Ladd-Peebles Stadium on Sunday night.

In the process, the Red Wolves also claimed their first win over a ranked opponent since joining the FBS in 1992. A-State finishes the season with a 10-3 record and their second consecutive 10-win season.

ASU had 285 yards of total offense and senior quarterback Ryan Aplin was 21-of-30 with 213 yards and one touchdown in his final game as an ASU player. Aplin also took home the GoDaddy.com Bowl Player of the Game Award.

Sophomore linebacker Qushaun Lee, the game's Defensive MVP, sealed the victory when he tackled Kent State quarterback Spencer Keith a fourth-down scramble that came up a couple of yards shy of a first down.

J.D. McKissic finished the game with 11 receptions for 113 yards, earning the Offensive MVP award for his efforts. He tied the school record for catches in a postseason game, matching teammate Taylor Stockemer's total in last year's GoDaddy.com Bowl.

Senior defensive back Don Jones had eight tackles, including one for a loss of two yards. Senior safety Cole Lorigan had six tackles and senior defensive end Tim Starson chipped in with six tackles as well, including half a sack to pace the Red Wolves defensively.

Freshman Rocky Hayes paced the A-State rushing game with 57 yards on eight carries. Junior David Oku gained 37 yards on 18 carries and had a touchdown. McKissic's receiving total gave him 1,022 for the season, making him just the third ASU receiver to post a 1,000-yard receiving season. Freshman Darian Griswold and Senior Josh Jarboe each had three receptions.

The Red Wolves end the year on an eight-game winning streak, their second longest since 1986. A-State's 10 wins tie the fourth most in school history, matching its total in 1951 and 2011. ASU posted double-figure wins in back-to-back seasons for the first time ever.

MOBILE, Ala. — An Allen Muse touchdown catch with 32 seconds left in the fourth quarter and a Ryan Carrethers field goal block as time expired propelled the Arkansas State football team to a 23-20 comeback victory over Ball State in the GoDaddy Bowl at Ladd-Peebles Stadium in Mobile, Ala., on Sunday.

Ball State took a 20-16 lead, its first of the second half, with 1:33 left in the fourth quarter before A-State's R.J. Fleming returned the ensuing kickoff to the Red Wolves' 41-yard line. On the third play of the drive, Fredi Knighten found J.D. McKissic for a 26-yard gain to the Ball State (10-3) 19-yard line and two plays later found an open Allen Muse in the end zone for a 13-yard touchdown catch to give Arkansas State (8-5) a 23-20 lead.

Ball State started its final drive on its own 36-yard line with the aid of all three timeouts and advanced to the A-State 46-yard line with six seconds remaining in the game. The next play, Ball State quarterback Keith Wenning found Willie Snead for a 10-yard gain to the A-State 36-yard line with two seconds left, but an A-State late hit out-of-bounds penalty gave the Cardinals 15 more yards to the Arkansas State 21-yard line. Ball State kicker Scott Secor came out to attempt a 38-yard field goal for the tie, but Carrethers blocked the kick to clinch Arkansas State's second consecutive GoDaddy Bowl victory, 23-20.

Knighten stepped in for injured quarterback Adam Kennedy midway through the second quarter and finished the game with 115 yards passing and one touchdown to earn MVP honors. Knighten also led the A-State rushing attack with 97 of the team's 202 yards.

McKissic led A-State with 72 yards on nine receptions to win offensive MVP, while Muse was second with three catches for 14 yards and the game-winning touchdown. Defensively, Qushaun Lee led Arkansas State with 15 tackles and garnered defensive MVP honors, while Sterling Young and Xavier Woodson also recorded double-digit tackles with 10 each. Kyle Coleman and Rocky Hayes both recorded a sack a piece and Lee also had an interception with 33 yards returned.

MOBILE, Ala. — Junior quarterback Fredi Knighten tied a GoDaddy Bowl and Arkansas State game record with five touchdown passes, while sophomore receiver Booker Mays set an A-State Bowl record with three touchdown receptions, but it was not enough as the Red Wolves fell to Toledo 63-44 in the 2015 GoDaddy Bowl at Ladd-Peebles Stadium Sunday night.

Knighten threw for a career-high 403 yards, while Mays hauled in five receptions for a career-high 138 yards to pace the squad, but the Red Wolves were forced to play catchup all night as Toledo jumped out to an early 21-7 lead and held on late despite a late flurry from A-State.

Arkansas State (7-6), which made its fourth straight appearance in the bowl, trailed 49-31 with 11:46 to go in to game after the Rockets' (9-4) Kareem Hunt scored a GoDaddy Bowl record fifth touchdown. The Red Wolves closed the gap to 49-38 after Knighten connected with Mays for the third time, but the Rockets scored again with 6:33 to go to push the advantage to 56-38.

Arkansas State finished with 468 yards of total offense, 403 of which game via the passing game. On the defensive side of the ball Qushaun Lee had 14 tackles and finished his career just four tackles shy of the Sun Belt Conference record for tackles in a career.

NEW ORLEANS — The Arkansas State football team battled through injuries to offensive starters Michael Gordon, J.D. McKissic, and Colton Jackson and went into halftime tied 17-17 with Louisiana Tech, but the Red Wolves were outscored 30-11 in the second half of a 47-28 loss at the 2015 R+L Carriers New Orleans Bowl in front of the fifth-largest crowd in the bowl's history of 32,847.

Dixon, named the MVP of the game, led the Bulldogs' offense with 215 total yards and scored four touchdowns, three in the second half, as Louisiana Tech (9-4) racked up a New Orleans Bowl record 687 yards of total offense. A-State (9-4) accumulated 323 yards of total offense to go over 300 yards for the 69th time in 77 games, but couldn't compensate for the losses of Gordon, McKissic, and Jackson.

Warren Wand was the team's leading rusher with 66 yards on 12 carries, while Fredi Knighten was 14-of-28 for 137 yards through the air. Tres Houston led the team with 47 yards receiving on three catches, while Sterling Stowers added 27 on two catches. Rocky Hayes and Cody Brown led A-State with eight tackles each and Jake Swalley registered the team's only sack of the game.

Blaise Taylor had 214 return yards, including the first New Orleans Bowl kickoff return for a touchdown with a 98-yarder in the fourth quarter, and he also had a 41-yard punt return to set up another score earlier in the contest. Taylor's 174 kickoff return yards set a New Orleans Bowl record, while his 214 all-purpose yards were the second most in the bowl's history.

Penalties played a big factor in the game as both teams combined for 24 penalties for 263 yards, while A-State had three turnovers and didn't force a single one after coming into the game as the nation's leader in turnovers forced.

Arkansas State, which made its fifth straight bowl appearance, finished the season 9-4, with the nine victories the third most in school history as a member of the Football Bowl Subdivision (FBS).

ORLANDO, Fla. — Senior wide receiver Kendall Sanders was named the Most Valuable Player of the 2016 AutoNation Cure Bowl after three touchdown receptions helped Arkansas State football cap the season with a 31-13 win over UCF Saturday at Camping World Stadium.

Arkansas State (8-5) forced three turnovers, blocked a punt for a touchdown and held UCF (6-7) to 223 yards of offense. The Red Wolves defense totaled six sacks and 11 tackles for loss in the outing, capping the last two outings with 14 sacks and 34 tackles for loss.

Junior Ja'Von Rolland-Jones had two sacks on the night to give him 13.5 on the year, a Sun Belt Conference single-game record total. Rolland-Jones had already broken the Sun Belt Conference career record and he will enter his final season with 30.5 career sacks.

Sophomore quarterback Justice Hansen was 12-of-26 passing for 205 yards finding Sanders five times for three touchdowns and 127 yards. Hansen finishes the year with 19 touchdown passes, tied for the fourth-most in single-season program history. The 205 yards through the air helped A-State top 3,000 passing yards this season for only the fifth time in program history and second time under head coach Blake Anderson.

Defense and special teams carried the Red Wolves to the Sun Belt Conference championship this year and A-State brought it in the opening four minutes of the game to grab a 7-0 lead. Rolland-Jones and Wilson combined to sack UCF on third down of the opening possession forcing the Knights to punt from the back of the endzone.

Making a sixth-straight bowl appearance, Arkansas State finishes the season, the sixth consecutive winning season for the first time since 1912-17. Arkansas State is home to the only FBS program to win five conference championships in the last six seasons.

MONTGOMERY, Ala. — Arkansas State nearly erased an 18-point second half deficit, but fell short of completing the comeback and lost to Middle Tennessee 35-30 in the Raycom Media Camellia Bowl Saturday night at Cramton Bowl stadium.

Justice Hansen threw for 337 yards and three touchdowns, but was sacked six times, including three on the final drive of the game. Justin McInnis led the team in receiving with seven receptions for 107 yards, while Christian Booker and Warren Wand each had a touchdown catch. Wand also led the team in rushing with 46 yards on 13 attempts.

A-State (7-5) pulled within a touchdown late in the fourth quarter when Hansen found Booker on a 41-yard scoring reception to get within five points with 5:03 to go in the game. The A-State defense then forced Middle Tennessee (8-6) to punt the ball after the Blue Raiders failed to convert a third-and-eight pass play. The defensive stand did force the Red Wolves to use all of their timeouts, however, as they took over on their own 9-yard line with 1:27 remaining.

Hansen was sacked on the first play of the drive, but then connected with Blake Mack and Chris Murray on back-to-back passes to get to A-State 42. After an incompletion, Hansen was sacked on back-to-back plays, including the final play of the game as the ball came lose and was recovered by the Red Wolves as time expired.

Arkansas State outgained the Blue Raiders 462-352 in total offense, but Middle Tennessee finished 120 yards on the ground to A-State's 102. The Blue Raiders were penalized 10 times for 87 yards, while A-State committed 7 mistakes for 81 yards. Each team had three turnovers.

Defensively Darreon Jackson led the team with 12 tackles, including a sack and 1.5 tackles for loss. Kyle Wilson added eight tackles and half tackle for loss.

TUCSON, Ariz. — The Arkansas State football team lost to Nevada 16-13 in overtime in the NOVA Home Loans Arizona Bowl Saturday afternoon at Arizona Stadium.

Blake Grupe sent the game into overtime with a 32-yard field goal as time expired in regulation and then he hit a 24-yard attempt in A-State's first possession in the overtime period to go up 13-10.

The A-State defense put Nevada in a third-and-seven situation on the Wolf Pack's first possession in overtime, but a check down pass from Ty Gangi to Reagan Roberson resulted in an 11-yard touchdown for the winning the score.

Arkansas State led throughout much of the contest, but Nevada took the lead late in the fourth quarter with a 10-play, 74-yard scoring drive that culminated with a 1-yard run by Devonte Lee to go up 10-7 with 1:06 left in regulation.

Hansen finished the afternoon 26-of-46 passing for 275 yards, while Bayless led the receiving corps with five catches and 103 yards. Warren Wand controlled the run game with 11 attempts for 117 yards and now stands third on A-State's all-time rushing list.

A strong defensive effort controlled much of the first half for both teams. A-State held the Wolf Pack to just 74 yards of total offense in the half and their only scoring play was a 39-yard field goal with 5:07 remaining to go up 3-0.

The defense continued to provide a park in the second half when B.J. Edmonds and Jerry Jacobs each snagged interceptions in the third quarter, but the offense was unable to capitalize on either turnover.

Tajhea chambers led the way for the Red Wolves defensively with nine tackles, while Edmonds followed with eight. The defensive held Nevada to just 285 yards of total offense, while the Red Wolves totaled 499 yards of offense, including 224 on the ground.

MONTGOMERY, Ala. — Despite a persistent downpour for nearly the entire game, the Arkansas State football team put out record numbers through the air and came up with key defensive plays late to hold off Florida International, 34-26, on Saturday night in the 2019 Camellia Bowl.

The Red Wolves (8-5) led for the entire night and braved the rain while Layne Hatcher passed for a Camellia Bowl-record 393 yards and four touchdowns on 27-of-51 passing. With the win over the Panthers (6-7), A-State reaches eight victories for the second year in a row.

With nine catches and a bowl-record 180 yards, consensus All-American Omar Bayless garnered MVP honors. Kirk Merritt and Jonathan Adams also found the end zone off the arm of Hatcher, with Merritt hauling in six catches for 43 yards and Adams grabbing four passes for 63 yards. Marcel Murray also caught five passes for 52 yards in addition to churning out 45 yards on the ground. Reed Tyler was the fourth Red Wolf to haul in a score, doing so in the third quarter.

Defensively, Logan Wescott and Darreon Jackson both tallied 13 total tackles to lead the Red Wolves. B.J. Edmonds recorded 10 total tackles to round out the trio of A-State defenders with double-digit tackles.

For FIU, Morgan completed 22 of 38 passes for 312 yards, with a touchdown and two interceptions – both inside the last six minutes of the contest. Maxwell gained 70 yards on the ground while Maloney hauled in a bowl-record 10 catches for 178 yards.

Defensively, the Panthers were led by Sage Lewis, who racked up 13 total tackles while Dames recorded FIU's lone interception. Lewis and Stantley Thomas-Oliver III both forced a fumble.

Arkansas State's athletics programs compete in top-of-the line facilities.

Centennial Bank Stadium, which opened in 1974, has evolved into a beautiful stadium which seats over 30,000 fans. The stadium has undergone a "Centennial Expansion" construction project that covers 40,000 square feet, including the press box and concourse. Construction on a two-level 66,500 square foot operations center in the north end zone was also completed prior to the start of the 2019 season.

The 192,000 square-foot First National Bank Arena is a multi-purpose facility that is home to the A-State basketball, volleyball and indoor track and field teams.

Coaches and student-athletes moved into a new $2.7 million track and field complex in spring 2004. It contains a newly-resurfaced eight-lane 400-meter track and can be set up for two NCAA venues.

Three local country clubs graciously allow A-State men's and women's golf programs to utilize their facilities for practice and play.

J.A. "Ike" Tomlinson Stadium-Kell Field serves as the home to Red Wolves baseball. Built in 1993, the stadium received complete lighting in 1996, 206 field level seats were added for the 2008 season and a new scoreboard was installed in 2011.

A-State's newest women's program, bowling, competes in the Jonesboro Bowling Center, where a new locker room, lounge and pro shop have been constructed.

The Red Wolves' soccer and track and field teams utilized the same stadium for the first time in school history during the 2014-15 season, as the soccer field was relocated as part of the track facility.

A-State has also completed a new women's soccer and women's tennis facility, which houses both squads' locker rooms, training room, offices and more. New tennis courts were also completed in 2016 as well.

Facilities have received a number of facelifts over the last decade, making sure that the athletics department's "front door" and other sports areas possess a first-class appearance.

Also included in the upgrades have been renovations inside the A-State Football Facility and weight rooms, locker rooms and training rooms at both Centennial Bank Stadium and First National Bank Arena, where new seating has also been installed.

Arkansas State, founded in 1909, is the second-largest university in the state. It is located on Crowley's Ridge in Jonesboro. A Carnegie Research 2 university, A-State hosts the first osteopathic medical school in Arkansas, the New York Institute of Technology's College of Osteopathic Medicine, and opened the first U.S.-style residential campus in Mexico in fall of 2017.

With its new #Discover2025 Strategic Plan as its guide, A-State is engaged in creating new collaboration opportunities including the Center for No Boundaries Thinking and exploring a public-private partnership to bring the first College of Veterinary Medicine to the state.

Undergraduate experiences are highlighted for the last decade with the Create@State spring conference. Create@State participants have an advantage in achieving the graduate school of their choice, including continuing to advanced degrees at A-State. Research opportunities alongside our faculty are not the exception at A-State. Whether it is performing experiments at the Arkansas Biosciences Institute at A-State or assisting with research studies in other laboratory spaces, hands-on work usually associated with graduate school is common for our students.

A-State begins its second decade offering online curriculum and course work, and remains the largest provider of 100% online degree programs based in the state with more than 40 degree programs.

Combined with hosting the region's first convention center, the Red Wolf Convention Center and Embassy Suites hotel, a one-mile radius on the A-State campus serves as the cultural hub of the region with the largest concert venue, First National Bank Arena, as well as the largest concert hall and theatre located at Fowler Center.

The Bradbury Art Museum is the region's leading visual arts facility. Arkansas State's Heritage Sites program operates four nationally or internationally known museum locations including the Johnny Cash Boyhood Home and the Hemingway-Pfeiffer Museum. And, the Arkansas State Museum located adjacent to the Dean B. Ellis Library is home to natural history artifacts of the Northeast Arkansas region.

Among our academic divisions, the Neil Griffin College of Business is the first named college, and is home to the Delta Center for Economic Development, the Bob Wood Sales Leadership Center, the Women's Leadership Center, and one of the top rated online MBA programs in the region.

One of the region's centers of excellence in media and communication, Arkansas State's School of Media and Journalism is home to an accredited media programs whose students regularly take home national awards, the oldest NPR-member radio station west of the Mississippi (KASU) and celebrates in 2021 a century-long tradition of a student-run newspaper, The Herald.

A-State's College of Nursing and Health Professions is nationally known with collaborative arrangements with NYIT's on-campus medical school. The College of Engineering and Computer Science is home to the Hytrol Materials Handling Laboratory.

Making campus a safe and welcoming place to live is a high priority. Arkansas State became the first Arkansas institution designated as a Bicycle Friendly University by the League of American Bicyclists in 2014, and in 2018 was upgraded to Silver status. A-State became the largest National Weather Service StormReady Campus in the state of Arkansas, and recently was cited as having one of the top 25 university police departments in the country.

With a diverse student body from across the nation and around the world, and more than 100,000 alumni, A-State is the home of the Red Wolves, a Bowl Championship Series Division I athletic program with nine consecutive bowl appearances and numerous Sun Belt Conference titles across its 16 NCAA varsity sports. A-State also sponsors nationally competitive club sport teams like rugby, softball, competitive cheer and dance, and Esports that have earned national titles or national runner-up titles in recent years.

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of over 70,000, and is always ready to welcome incoming A-State students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and Northeast Arkansas Symphony.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The City and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.

INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee (IAC) was formed in the spring of 1997. The IAC reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

Dr. Karen McDaniel
IAC Chair
Faculty Athletics Representative

Dr. Charles L. Welch serves as president of the Arkansas State University System and as one of the state's leading advocates for higher education. He is also Chair of the Board of Directors of the American Association of State Colleges and Universities, a Washington, D.C.-based higher education association of nearly 400 public colleges, universities, and systems.

Dr. Welch was named the second president of the ASU System in November 2010 and officially began his new position in April 2011. He is the youngest person to ever serve as president or chancellor of an Arkansas community college and is the youngest university president in Arkansas.

During his tenure, Dr. Welch has hired new chancellors for six of the system's campuses. Among the system's major expansion initiatives under his leadership are the merger of Mid-South Community College in West Memphis (now ASU Mid-South); the opening of NYIT College of Osteopathic Medicine at Arkansas State; fall 2017 opening of a $100 million privately funded A-State campus in Queretaro, Mexico; the merger of College of the Ouachitas in Malvern (now ASU Three Rivers); and the merger of Henderson State University in Arkadelphia. Additionally, the ASU System office was relocated to Little Rock and expanded to enhance its statewide exposure and position in higher education leadership at the State Capitol.

He is co-chair of the executive council of the Arkansas Department of Higher Education. He previously served as president of Henderson, chancellor of the University of Arkansas Community College at Hope; vice chancellor for academic affairs at ASU-Beebe; and dean of university studies at Pulaski Technical College. Dr. Welch also worked at the University of Arkansas at Little Rock and has served as an instructor of education and political science at three different colleges in Arkansas.

A native of Jonesboro, Dr. Welch was a first-generation college student and the first member of either side of his extended family to receive a graduate degree. He received a Bachelor of Arts degree in political science from the University of Arkansas, where he served as president of the student body. He received a Master of Arts degree in political management from George Washington University and a Doctor of Education degree in higher education administration from UALR.

Dr. Welch is past president of the Arkansas Association of Two-Year Colleges and served as chairman of the board of the Arkansas Association of Public Universities. He serves on the Board of Directors for Goodwill Industries of Arkansas, is a former board member for the Arkansas Sheriffs' Youth Ranches, and was inducted into the Arkansas Boys State Hall of Fame. AY Magazine named Welch as one of the "Powerful Men of 2013", and in 2005, Arkansas Business selected Welch to "40 Under 40," which profiled 40 "intriguing business and political leaders under age 40." His experience in the governmental affairs arena includes serving as a White House intern and on the staffs of U.S. Sen. David Pryor and then-U.S. Rep. Blanche Lincoln.

Dr. Welch and his wife, Mandy, are the parents of three daughters: Wheatley Grace, Emma Caroline, and Ava Claire.

Kelly Damphousse was raised in a small fishing village in northern Canada, and became the first member of his extended family to attend college when he enrolled at Lethbridge Community College in 1980. Just after his 19th birthday, he earned an associate's degree in law enforcement in 1982 from LCC, and then began a three-year stint in the Alberta Correctional Service as a correctional officer.

His dream, though, was to become a member of the Royal Canadian Mounted Police. One of his LCC instructors had established a transfer arrangement with Sam Houston State University for his students to complete their four-year criminal justice degree. With his instructor's encouragement, Damphousse sold almost everything he had, bought a motorcycle, filled a duffle bag, and rode to Huntsville, Texas, in 1985 to continue pursuing his law enforcement dream.

While at SHSU, he worked as a poster maker in the print shop, as a janitor at the Baptist Student Union, and as a resident assistant in Adams Hall. Also at Sam, he met his future wife (nee Beth Smith '87), who convinced him to stay in the states. Following graduation in 1987, he worked as a security manager for Macy's in Atlanta and New Orleans, before Beth encouraged him to begin graduate school.

After completing his doctorate at Texas A&M University, he began his academic career at the University of Alabama at Birmingham in 1994, before joining the SHSU faculty in the College of Criminal Justice in 1995.

Damphousse moved to the University of Oklahoma in 1997, where he directed several research projects, most notably the "American Terrorism Study" and the National Institute of Justice's Arrestee Drug Abuse Monitoring project in Oklahoma City and Tulsa. As an administrator, he served as OU's Dean of the College of Arts and Sciences, and as the university's Faculty Athletics Representative to the NCAA.

In 2017, he named the Chancellor at Arkansas State University, the state's second largest university. His "Every Red Wolf Counts" mantra has become a guiding principle for the A-State community. It focuses on widening the door to the life-changing experience of a four-year college degree for all students, and on improving the opportunities for success for A-State's students, faculty, and staff. His reputation as a collaborative and inclusive leader with expertise in collegiate athletics recently resulted in his being unanimously elected as President of the Sun Belt Conference's Board of Directors and to the NCAA Board of Directors.

He and Beth have been married for 33 years, and they have two daughters: Kayleigh Damphousse leads new student orientation at the University of Texas and Dr. Kristen Howell is a scientist at St. Jude Children's Research Hospital.

Arkansas State University Chancellor Kelly Damphousse announced on March 10, 2021, that Tom Bowen, a 25-year veteran leader in collegiate and professional athletics who owns nearly 15 years of experience as an FBS athletics director, has been named the Red Wolves' Vice Chancellor for Intercollegiate Athletics.

With his arrival to A-State, Bowen will make his third stop leading an FBS athletics program after previously completing highly successful stints as the director of athletics at Memphis from 2012-19 and San Jose State from the end of 2004 until June of 2012.

Bowen most recently spent the last two years as the president and founder of Bellwether Athletic Leadership Strategies, a national consulting company for Division I, II and III collegiate programs and private educational institutions providing leadership strategies, feasibility studies, strategic plans, fundraising expertise/structures and organizational design and efficiencies.

Along with his strong history of achievements as a collegiate athletics administrator, which also included stops at the University of California, Berkeley and Saint Mary's College of California, Bowen's experience working closely with college institutions across the nation at Bellwether and as an executive with the NFL's San Francisco 49ers were part of his path to Arkansas State.

A well-recognized face across the national college athletics landscape, Bowen has been highly involved with prominent professional associations and committees.

Bowen was previously appointed to the National Board of Athletic Directors (LEAD1 Association). In June 2018, Bowen was named to the NCAA Division I Football Oversight Committee, and he also served on the College Football Playoff organization's Athletic Directors Advisory Council in 2014.

Additionally, he served on the Athletic Directors Advisory Board of the BCS in 2013. Bowen was the chair of the American Athletic Conference's Board of Athletics Directors during his time at Memphis as well. In July 2014, he was voted to represent The American Athletic Conference on the NCAA Division I Leadership Council, an advisory body to the NCAA Division I Board of Directors, by his fellow conference athletics directors.

He is a Level 2 certified member of the College Athletic Business Management Association (CABMA) and has memberships in the National Association of Collegiate Directors of Athletics (NACDA) and the Association of Fundraising Professionals.

Bowen began his Memphis tenure playing an integral role in the formation of the American Athletic Conference. Memphis became a charter member of the new league on July 1, 2013, and Bowen spent time serving as vice chair of the American Athletic Conference Athletic Directors Council.

Bowen's guidance and vision were primary reasons Memphis was able to set new school records in academics, competition and fundraising while also being active in community service and completing numerous facility upgrades and new construction for sports such as football, men's and women's basketball, baseball, volleyball, track and field, soccer, softball and others.

The Tigers regularly posted a 3.0 all-department GPA or higher and set

double-digit academic records while over 300 student-athletes earned their degrees during Bowen's tenure.

With Bowen at the helm, the football team claimed the 2014 American Athletic Conference crown and made a then-school-record five consecutive bowl appearances from 2014-18. This was after he inherited a program which was 5-31 in the previous three seasons before his arrival on campus and had not experienced a winning season since 2007.

The well-rounded men's and women's athletics programs during Bowen's time in Memphis collected conference championships and made NCAA postseason appearances while at least 22 student-athletes earned All-America recognition.

Prior to Memphis, Bowen served as athletics director at San Jose State. While at San Jose State, the core of Bowen's mission was building a "Culture of Champions" academically, athletically and in the community.

His impact on the Spartans' athletics department was evident as he created a new master facilities plan and implemented the first major construction in over 10 years. Bowen also created a Student Success Services component committed to student-athlete success and excellence. He systematically rebuilt the football program and support services as well, resulting in San Jose State's first bowl appearance and victory in over 25 years.

Bowen served as both an assistant and associate athletics director at Cal from 2000-02 and worked in multiple roles at Saint Mary's College from 1995-2000, including a four-month stint as interim athletics director. He was also the director of community affairs and executive director of the 49ers Foundation with the San Francisco 49ers from 2002-04.

The 1983 University of Notre Dame graduate majored in theology/sociology and spent time studying for the priesthood with the Holy Cross Fathers. Bowen earned a master's degree in administration/education from the University of San Francisco in 1990.

He and his wife, Mia, are the parents of three children: sons, Andrew and Peter, and daughter, McKenna.

Roger Twibell, an award-winning sports journalist and broadcaster, and Pete Cordelli, who won a national championship at Notre Dame as an assistant football coach and possesses a wealth of experience in sports media, are in their fourth season calling home football games as play-by-play commentator and color analyst, respectively, on ESPN+.

The EAB Red Wolves Sports Network will broadcast every A-State football game during the 2020 season, originating from flagship station 107.9 FM (KFIN).

Calling play-by-play for the Red Wolves will be Matt Stolz, who is entering his 17th season as the voice of the Red Wolves. Stolz earned his bachelor's in Radio, Television and Film from the University of North Texas in 2000 and has over 23 years of experience in play-by-play role.

An Arkansas State University alumnus and four-year football letterman from 2010-13, Phillip Butterfield is in his first season as an analyst for the EAB Red Wolves Sports Network. Butterfield helped lead A-State to three consecutive Sun Belt Conference championships and three bowl games from 2011-13 as a quarterback for the Red Wolves. The former team captain played under four different head coaches, including Steve Roberts, Hugh Freeze, Gus Malzahn and Bryan Harsin.

Brad Bobo is entering his 19th year working with the Arkansas State football radio broadcasts. Bobo, who earned his bachelor's degree from Arkansas State University in 1999, also hosts a highly-rated afternoon sports-talk show ("The Drive") on East Arkansas Broadcasters' 95.3 FM The Ticket.

The Arkansas State University family lost one of their all-time greats with the passing Sept. 26, 2015, of Bill Keedy, a treasured alumnus and member of the Red Wolves' football broadcast team since 2000. Affectionately known to many simply as "Coach," the 1969 Arkansas State University alumnus spent 15 years in the booth for many of A-State's biggest games. In honor of the Arkansas Sports Hall of Fame inductee, the home radio broadcast location at Centennial Bank Stadium has been renamed the "Coach Bill Keedy Radio Booth." The Red Wolves also wore a commemorative "BK" decal on the back of their helmets in honor of "Coach."
