REFERENCE GUIDE CREDITS

The 2022 Arkansas State Volleyball Reference Guide is a production of the Arkansas State Athletic Media Relations office. Written, compiled and edited by Assistant Director of Media Relations, Caleb Garner. Cover design by Adam Eargle. Editorial assistance from Associate A.D./Media Relations Jerry Scott, Associate Director Mark Taylor, as well as previous volleyball contacts.

A NEW ERA OF A-STATE VOLLEYBALL

- Arkansas State is entering the first season under newly-minted head coach Brian Gerwig, who returned as A-State's ninth head coach after spending the last three seasons as an assistant at Houston.
- A-State's new skipper is not at all unfamiliar with the Scarlet and Black, having served as an assistant in 2017 and 2018, helping the Red Wolves to the Sun Belt Conference semifinals or better in both seasons, including a runner-up finish in 2017.
- He was part of two NIVC appearances, including a second-round finish in 2017.

ONE FINAL ROUND

- Three players are set for their final season of collegiate volleyball in Lauren Musante, Macey Putt and Elise Wilcox.
- Musante returns as the team's top setter from the past two years after transferring into the program from UIC. In her two seasons with the Red Wolves, the Maitland, Fla., native has totaled 1,061 assists in A-State's two-setter offense.
- Putt, a 2021 First Team All-Sun Belt selection, is the team's active career kills leader, with 1,204 in her tenure.
- Wilcox joined the Red Wolves prior to the 2021 season and made an impact from the right side. The Fort Wayne, Ind., native registered 181 kills and 40 blocks last season.

NEW FACES ABOUND

- While A-State does return several key components from last season's roster, there are also several newcomers that are vying for time this season.
- The Red Wolves welcome seven new players to the fold, including a pair of Division-I transfers in Sarah Martinez (Houston) and Jonesboro native Clara Parker (Arkansas). Five freshman join the two transfers: Yazmyn Billings, Abby Harris and Bailey Helzer, along with twins Kyla and Maddie Wiersema.

PRESEASON PRAISE

- One of the Sun Belt's top offensive threats returns for her final season, as A-State outside hitter Macey Putt was named to the Preseason All-Sun Belt team.
- Putt led the conference in kills, kills per set, attacks, points and points per set a season ago en route to being a first-team all-league pick.

NEW-LOOK SUN BELT CONFERENCE

- The Sun Belt Conference welcomes four new members to the conference this season in James Madison, Marshall, Old Dominion and Southern Miss.
- In the preseason coaches' poll, the Red Wolves were picked to finish fifth in the league's West Division, ahead of Southern Miss and ULM.

Brian Gerwig was announced as Arkansas State Volleyball's ninth head coach on March 15, 2022, returning to Jonesboro after a three-year stint as an assistant coach at Houston (2019-21).

Gerwig previously coached the Red Wolves as an assistant from 2017-18 and returns to A-State after a three-year stint at Houston, where he helped the Cougars to a 25-7 record and a 15-5 mark in the American Athletic Conference to finish second in the league standings. In his three seasons at Houston, the program finished no lower than fourth in the AAC. He tutored Abbie Jackson to All-American honors from VolleyballMag.com and First Team All-AAC.

During his time at Houston, he helped produce one of the most high-powered offenses in the AAC with the Cougars leading the league in kills (13.66) and assists per set (12.63) in 2020-21. In 2020, partly due to Gerwig's offensive schemes, Houston landed a program-record three first-team all-league selections, along with freshman Annie Cooke earning Freshman and Setter of the Year laurels.

In his first season, Gerwig was key in developing one of the nation's top middle blockers, as the Cougars tallied 308.0 blocks, a mark that ranked third in the conference and 23rd nationally.

Gerwig previously coached two seasons at Arkansas State (2017-18), helping the Red Wolves to the Sun Belt Conference Tournament semifinals or better in both seasons, including a runner-up finish in 2017. He was part of two NIVC appearances, including a second-round finish in 2017.

His first season at Arkansas State saw the team go 21-12, the team's fourth straight season of 20 or more wins, with a 12-4 mark in league play. A-State advanced to the postseason with a trip to the NIVC and earned its first postseason win since the 1993 season with a 3-1 victory over SIUE. The Red Wolves posted 261 total blocks to rank as the third most in the Sun Belt and 80th most in the nation. The squad's offense accounted for 1,658 kills throughout the season to rank as third most in the league and 36th in the nation, while its kill per set mark of 13.59 ranked as second best in the conference. The offense also hit .219 on the campaign to rank as second-best in the SBC.

Carlisa May continued her fantastic run under his tutelage with 507 kills, the 10th most in school history, and took home SBC Offensive Player of the Year for the second straight season. Gerwig's leadership also helped Jessica Uke post her best blocking season of her career with 101 during 2017.

He came to A-State from George Washington University, where the GW volleyball program registered 70 wins during his four years as an assistant coach, including back-to-back 20+ win campaigns in 2014 and 2015.

A native of Louisville, Ky., Gerwig was responsible for scouting and game planning for the Colonials and coached six Atlantic 10 All-Conference selections during his four-year tenure. His first season with the program in 2013 saw GW post a 10-4 mark in A10 play, the most league wins since 2002, and also win a match in the conference tournament for the first time since 2006.

The momentum from 2013 carried over into 2014 as the Colonials registered a 22-8 record with an 11-3 mark in Atlantic 10 matches and advanced to the conference tournament championship match for the first time since the 2002 campaign with the help of Gerwig. George Washington posted another successful season in 2015 with a 21-11 record and advanced to the A10 Conference Tournament semifinals for the third season in a row before experiencing a down season in 2016.

Prior to his time at GW, Gerwig spent 2012 as a volunteer assistant coach at Western Kentucky, helping the Lady Toppers to their most successful season in the history of the program. WKU finished with a 33-4 overall record and advanced to the second round of the NCAA Tournament for the first time in program history. He worked in all aspects of the game with an emphasis on the defense and blockers. He helped coach two All-Americans and SBC Defensive Player of the Year, Ashley Potts.

Prior to his stint at Western Kentucky, Gerwig was the varsity volleyball head coach at Trinity High School in Louisville, Ky., guiding the Rocks to a 17-4 overall record in 2012 and their first state championship since the 2005 season.

ASSOCIATE HEAD COACH

RECRUITING COORDINATOR // FIRST SEASON

SAMFORD, 2013

COACHING EXPERIENCE:

2013-14: Grad. Asst. - Campbell
2015-16: Assoc. Head Coach - Northwestern State
2017-19: Head Coach - Johnson & Wales
2020-21: Asst. Coach - Mercer
2022-pres.: Assoc. Head Coach - Arkansas State

A veteran recruiter at the Division-I level is set to join the Arkansas State volleyball staff for the 2022 season, as first-year head coach Brian Gerwig announced the hiring of Alicia Roth as associate head coach and recruiting coordinator on April 13, 2022.

Roth joined A-State after two seasons (2020-21) as an assistant coach and recruiting coordinator at Mercer in Macon, Ga. The Bears recorded a 16-12 mark overall in 2021, going 12-4 in Southern Conference play en route to earning the SOCON regular-season crown.

"I am so excited to welcome Alicia Roth to the Arkansas State family!" Gerwig said. "Alicia is a great coach and an amazing human being. I admire her ability to build meaningful relationships with players and recruits. She is a proven recruiter, a trainer and a well-respected coach in the volleyball world. I am honored that Alicia trusts my vision for Arkansas State volleyball and I am confident that she will have an immediate positive impact on everyone in and around the program."

In 2021, Mercer finished the season second in the SOCON in opposing hitting percentage, allowing foes to hit just .168 against them, which ranking 31st nationally. Roth helped tutor the Bears' Megan Smith to league Libero of the Year laurels and second-team all-conference honors.

"I want to thank Brian for offering me an opportunity I just couldn't pass up," Roth said. "I am beyond excited to be joining the Red Wolf family. Brian and I have been friends for a long time and I feel blessed to get to work with someone who shares the same vision. I appreciate his passion, energy and excitement for building this program. I look forward to getting after it in the gym, building relationships and pursuing a Sun Belt championship!"

Prior to her stint at Mercer, Roth served as the head volleyball coach at Johnson and Wales University in Denver, Colo., for three seasons (2017-19), leading the team to the 2019 SCAC Team Sportsmanship Award. In her three years at JWU, she also served as the Senior Woman Administrator, oversaw the student-athlete advisory committee (SAAC) and was an Athletic Coaching and Administration professor.

Before her time in Denver, Roth spent two seasons in Natchitoches, La., as the associate head coach and recruiting coordinator at Northwestern State.

Roth's coaching career began at Campbell, where she served as a graduate assistant working with the Fighting Camels' defensive players and overseeing summer camps.

The Lake Orion, Mich., native was a defensive specialist at Samford for four years and helped lead the Bulldogs to the 2011 Southern Conference title and an NCAA Tournament appearance.

Jordan COOMES

ASSISTANT COACH // FIRST SEASON
RADFORD, 2021

COACHING EXPERIENCE:

2021: Assistant Coach - Jacksonville State

2022-pres.: Assistant Coach - Arkansas State

Arkansas State Head Volleyball Coach Brian Gerwig completed his 2022 coaching staff, announcing the hiring of Jordan Coomes as assistant coach on July 21, 2022.

Coomes joins Gerwig's staff after spending the 2021 season at Jacksonville State, fresh off her playing career at Radford University. She was Gerwig's second hire of the offseason after Alicia Roth was hired in April as Associate Head Coach and Recruiting Coordinator.

"Jordan comes highly-recommended as one of the bright, young, up-and-coming coaches in the volleyball community," Gerwig said. "Her passion for coaching and her love for the student-athletes immediately stuck out during the hiring process. She has already blended seamlessly with our staff and I couldn't be more excited to have her here at Arkansas State."

In 2021, the former setter tutored the ASUN Setter of the Year, Lexie Libs, and helped the Gamecocks to a 25-7 ledger and 13-3 finish in league play. JSU captured the ASUN West Division title and reached the conference tournament final, while its 25 wins were the most since 2009.

"I am so excited to help the A-State Volleyball program get back to being a championship-level team alongside Brian and

Alicia," Coomes said. "It is an opportunity that is going to force everyone to be the best coaches, athletes and students they can be to get there and there is no better way to improve as a coach other than being in the middle of the process. The ability to work with two coaches who are in this game for the right reason is special.

"Brian and Alicia value the process and the culture that help create a championship-winning program and believe those are the immediate first steps to be put in place that will lay the groundwork of where we want this program to be. I am here because I truly believe this staff can make this program into what we all want it to be. I am thankful and blessed for the opportunity to be in the position to assist the program in this process and I look forward to fighting for a Sun Belt Championship."

The Owensboro, Ky., native helped the Highlanders reach the NCAA Tournament in 2017 and NIVC in 2019 during her four seasons. The 2018 squad's first-round win over Appalachian State in the NIVC was the first major postseason victory in program history.

Coomes played in 91 matches for RU, compiling 658 assists, 493 digs and 72 aces. She graduated from Radford in April 2021 with a Bachelor of Science in Mathematics.

The Arkansas State Volleyball program has racked up 303 victories at First National Bank Arena, formerly the Convocation Center, in the 34 seasons it has played in the arena. A-State has an astounding 303-98 record (.756) in the building since its opening in 1987 and has only one season in which it didn't play in the arena (2011) when it played on campus in the Health, Physical Education, and Sports Sciences (HPESS) building. The team has a 15-4 record at the HPESS, but doesn't plan to play there in the immediate future. Last season, A-State went 8-3 at First National Bank Arena and the year prior was the site of the 2017 Sun Belt Conference Championship Tournament, A-State's first time to host since 1996.

The team has had undefeated home records in six seasons, with the last coming in 2015 when the team was 8-0 in the facility and drew a volleyball-only record crowd of 2,517 against Appalachian State Nov. 12, 2015. The building was built in 1987 at a cost of \$19 million and paid for primarily by the state of Arkansas. The 10,563-seat multipurpose facility has earned its title as the "Showplace of Northeast Arkansas" over the past 25 years.

First National Bank Arena is not only home to the Red Wolves' volleyball program, but also the Arkansas State men's and women's basketball programs and the indoor home of the A-State track and field program.

Beginning in 1990, First National Bank Arena played host to seven straight conference post-season tournaments, including six straight Sun Belt Conference Volleyball Championships. In 1997, for the first time since A-State joined the Sun Belt Conference, the league's post-season tournament was held in a place other than Jonesboro. A-State won five of those seven conference tournaments it hosted, going 21-4 in tournament action at First National Bank Arena.

Arkansas State has had crowds of over 1,000 for a volleyball match nine times, including a record 4,140 for a match against the University of Memphis on Nov. 25, 1995, that was part of a men's basketball/volleyball doubleheader.

A-State went undefeated in home matches in back-to-back seasons in 1988 (15-0) and 1989 (12-0) and won its first three home matches of the 1990 season to post a 30-match home winning streak, the longest in program history. A-State has gone through a season with just one loss in First National Bank Arena six times, including four years ago in 2012 (3-1). The other five came in 1994 (11-1), 1995 (15-1), 1999 (14-1), 2003 (11-1), and 2009 (8-1).

INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee (IAC) was formed in the spring of 1997. The IAC reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

Dr. Charles L. Welch serves as president of the Arkansas State University System and as one of the state's leading advocates for higher education. He is also Chair of the Board of Directors of the American Association of State Colleges and Universities, a Washington, D.C.-based higher education association of nearly 400 public colleges, universities, and systems.

Dr. Welch was named the second president of the ASU System in November 2010 and officially began his new position in April 2011. He is the youngest person to ever serve as president or chancellor of an Arkansas community college and is the youngest university president in Arkansas.

During his tenure, Dr. Welch has hired new chancellors for six of the system's campuses. Among the system's major expansion initiatives under his leadership are the merger of Mid-South Community College in West Memphis (now ASU Mid-South); the opening of NYIT College of Osteopathic Medicine at Arkansas State; opening of a \$100 million privately funded A-State campus in Queretaro, Mexico; the merger of College of the Ouachitas in Malvern (now ASU Three Rivers); and the merger of Henderson State University in Arkadelphia. Additionally, the ASU System office was relocated to Little Rock and expanded to enhance its statewide exposure and position in higher education leadership at the State Capitol.

He is co-chair of the executive council of the Arkansas Department of Higher Education. He previously served as president of Henderson, chancellor of the University of Arkansas Community College at Hope; vice chancellor for academic affairs at ASU-Beebe; and dean of university studies at Pulaski Technical College. Dr. Welch also worked at the University of Arkansas at Little Rock and has served as an instructor of education and political science at three different colleges in Arkansas.

A native of Jonesboro, Dr. Welch was a first-generation college student and the first member of either side of his extended family to receive a graduate degree. He received a Bachelor of Arts degree in political science from the University of Arkansas, where he served as president of the student body. He received a Master of Arts degree in political management from George Washington University and a Doctor of Education degree in higher education administration from UALR.

Dr. Welch is past president of the Arkansas Association of Two-Year Colleges and served as chairman of the board of the Arkansas Association of Public Universities. He serves on the Board of Directors for Goodwill Industries of Arkansas, is a former board member for the Arkansas Sheriffs' Youth Ranches, and was inducted into the Arkansas Boys State Hall of Fame. AY Magazine named Welch as one of the "Powerful Men of 2013", and in 2005, Arkansas Business selected Welch to "40 Under 40," which profiled 40 "intriguing business and political leaders under age 40." His experience in the governmental affairs arena includes serving as a White House intern and on the staffs of U.S. Sen. David Pryor and then-U.S. Rep. Blanche Lincoln.

Dr. Welch and his wife, Mandy, are the parents of three daughters: Wheatley Grace, Emma Caroline, and Ava Claire.

An academic administrator, a nationally known scholar and an unabashed champion for students, staff and faculty, Dr. Todd Shields was named the fourth appointed chancellor and the 14th individual to lead Arkansas State University.

He spent many years at the University of Arkansas where he rose through the ranks to serve as dean of the largest academic unit in Fayetteville. Shields' depth of academic administrative experience spans from department chair to research centers and from deanships of individual colleges to divisions touching all corners of the university. His two most recent academic appointments, dean of the Graduate School and International Education (GSIE) and dean of the Fulbright College of Arts and Sciences, illustrate his leadership strength.

One of Shields' signature contributions to UA was the creation of a School of Art within the college, bolstered by significant endowment gifts to fund construction of a new campus space that serves as a partnership with the city of Fayetteville. A \$120 million gift from the Walton Family Charitable Support Foundation established the School of Art, with a following \$70 million total in support from the Windgate Foundation for the 154,600-square-foot Windgate Studio + Design Center, which anchors a new art district redevelopment south of the campus core on Dr. Martin Luther King Jr. Boulevard. He also secured \$90 million in software and equipment gifts to programs throughout the Fulbright College.

As the dean of GSIE, Shields collaborated with administration, deans, faculty and staff in every college at UA. He also served as a leader for Fayetteville's Rome Center, a campus hub in the Italian capital. Among the key achievements as graduate dean was increasing overall graduate school enrollment and the number and diversity among international students. During this time, Shields was also responsible for overseeing reviews of all programs across the campus, involving him in a wide range of academic areas from business to education, from architecture to the health professions.

Shields played a pivotal role in the creation of the Diane D. Blair Center of Southern Politics and Society, serving as the founding director of the interdisciplinary research center. Building upon his previous experience as the associate director of the Fulbright Institute of International Relations, the Blair Center became an established resource for programing, curriculum, research and polling for the state and region. Shields followed his time as department chair and Blair Center director with a year as the associate dean of the President William Jefferson Clinton School of Public Service in Little Rock.

He began his academic career as an assistant professor in political science at Arkansas in 1994, and was promoted to associate professor in 1999. He joined the Fulbright Institute of International Relations as its associate director in 2000, and in 2005 became a full professor in political science. For eight years, he also concurrently chaired the political science department at UA.

Concurrent with his time at the Clinton School, Shields was first appointed interim dean in 2010-11, then permanent dean of GSIE the following academic year. Along with the graduate school, he also supervised international students, study abroad and sponsored international programs on the UA campus.

In 2013, Shields was named interim Fulbright dean, then the permanent dean in July 2014 where he led the college until departing UA to become chancellor at A-State. Fulbright College's three schools, 16 academic departments and 10 research centers span 30 academic programs.

Among numerous achievements during his time as the Fulbright dean was the creation of the Fulbright College Student Success Center. Some of the key retention-based programs included Destination Arkansas Blackboard Assignment to provide orientation to all first-year students, Strategies for Success (S4S) which was a zero-credit course offered to all UA students who fell into academic probation in their first semester to create a plan to improve their academics, and a Life Strategies and Career Awareness Course to improve student achievement. One of the key outcomes of the Student Success Center was a reduction of low grades and failure rates in the college's core courses and increases in first year retention.

He is the co-author of three significant books related to electoral politics: *The Long Southern Strategy: How Chasing White Voters in the South Changed American Politics* (2019); *The Persuadable Voter: Wedge Issues in Presidential Campaigns* won the 2009 Robert E. Lane Award for the best book in political psychology; and his first book *Money Matters: Campaign Finance Reform and Congressional Elections* was published in 1999. He is also an editor on six other books, has published more than 40 articles and made more than 50 presentations in his research areas of data analytics, public opinion, and election strategies. His efforts have also resulted in more than \$25 million in grants and research support as a principal or co-principal investigator.

He was recently appointed by Governor Asa Hutchinson to serve on the newly reinstated Arkansas Commission on the Status of Women where he serves as co-chair of the subcommittee on research and writing alongside A-State Graduate School Dean Cherisse Jones-Branch.

Shields earned a Bachelor of Arts in political science and a Bachelor of Arts in psychology in 1990 at Miami University in Oxford, Ohio. He continued his education at the University of Kentucky where he received his Master of Arts in political science in 1991 and his Ph.D. in 1994. In addition, Shields participated in Ohio State University's Summer Institute in Political Psychology in 1993 and Harvard University's Management Development Program in Higher Education in the summer of 2006.

He and his wife, Karen, have two adult children, Savvy and Dane.

Arkansas State University System President Dr. Chuck Welch announced May 4, 2022, that Jeff Purinton, a highly-respected and veteran athletics administrator who most recently spent the last seven years as part of the Alabama Athletics Department's executive staff, has been named the Red Wolves' Vice Chancellor for Intercollegiate Athletics.

Purinton comes to A-State following a 15-year stint at the University of Alabama, but his path to Jonesboro also included professional stops working with the Orange Bowl Committee (2006-07) and the Florida State Athletics Department (1994-2006) while also having a national presence on multiple college football committees.

Purinton most recently served as Alabama's Executive Deputy Director of Athletics after being elevated to the position in 2021, but also held Deputy AD (2019-21), Executive Associate AD (2018-19), Senior Associate AD (2015-18) and Associate Athletics Director for Football Communications (2007-15) titles during his time with the Crimson Tide.

While operating as Executive Deputy Director of Athletics, Purinton was the sport administrator for football as well as the men's and women's golf programs after previously overseeing men's basketball. Additionally, he supervised several departments within athletics, including human resources, marketing and trademark licensing and was the liaison to Crimson Tide Sports Marketing, Alabama's LEARFIELD property.

When current Alabama Director of Athletics Greg Byrne was hired to lead the Crimson Tide in 2017, Purinton was charged with the creation and implementation of the department's new strategic plan. He served on the leadership group that helped develop and launch the department's new fundraising initiative (The Crimson Standard) with a 10-year goal of raising \$600 million. The first phase of the campaign included renovations to both football locker rooms, the Sports Science Center at the Mal M. Moore Athletic Facility, Rhoads Softball Stadium, as well as recruiting and premium

areas at Bryant-Denny Stadium.

Alabama football won six national championships in Purinton's time at UA and took home numerous team and individual national awards. Widely known as one of the best venues in college football, Purinton oversaw the revision of the football game-day production in 2017, improving the overall atmosphere and interaction from the crowd at Bryant-Denny Stadium. Part of that process included the implementation of new LED stadium lighting in 2019, which received positive reviews from both the players and fans.

In March of 2019, Purinton assisted Byrne in the search for a new head men's basketball coach that resulted in the hiring of Nate Oats from Buffalo. In Oats' second season at Alabama (and first full season), the 2020-21 team won both the regular-season and Southeastern Conference Tournament championships for the first time in 30 years and later advanced to the NCAA Sweet 16 and finished No. 5 in the final national rankings. Herb Jones was named SEC Player of the Year and earned All-America honors, while Oats was voted the SEC Coach of the Year. The 2021-22 squad once again advanced to the NCAA Tournament. In 2018, the Tide men's basketball team received an NCAA Tournament bid for the first time since 2012 and earned its first NCAA win since 2006.

In addition to working with several of Alabama's successful athletics teams, Purinton was the department oversight to one of the top Learfield/IMG College groups in the nation in Crimson Tide Sports Marketing. CTSM was selected as the 2017 Learfield Property of the Year after setting record-highs in revenue generation. Alabama has also ranked in the top two in royalties generated among the Collegiate Licensing Company's partner institutions each of the last 11 years and was No. 1 in five of the last six seasons.

In 2021, Alabama football's social media accounts each eclipsed the 1 million follower threshold, becoming the only college athletics team to reach this feat on Facebook, Twitter and Instagram. Combined, Alabama athletics social channels generated north of 1.1 billion impressions in 2020. With ties to social media and some of the other external units, Purinton is on the department's committee responsible for Alabama's plan for name, image and likeness and assisted with the creation of The Advantage, a comprehensive program that provides Tide student-athletes with the education and tools necessary to build and elevate their personal brands.

Purinton was hired at Alabama in the summer of 2007 as the Associate Athletics Director for Football Communications, handling all external areas of the program for Coach Nick Saban. He has coordinated each of the 12 ESPN College GameDay visits to Tuscaloosa as Alabama has hosted the show more than any other school during that time frame. In addition to building and maintaining relationships with national media and the marketing/promotion of Crimson

Tide football, Purinton helped strategize and implement plans for the Crimson Caravan (spring booster tour). He was promoted to oversee all external areas within the department as well as the Crimson Tide Celebrity Golf Tournament beginning in June of 2015.

In 2006, Purinton was hired by the Orange Bowl Committee (OBC) as the Director of Media Relations and Communications. That year, the OBC eclipsed attendance and revenue goals for the Basketball Classic, Fan Fest, Pregame Tailgate Party and Fed Ex Orange Bowl (Louisville versus Wake Forest). Purinton also produced a weekly Orange Bowl radio show and a television program that featured the bowl-sponsored youth football initiative. He led planning for the 2009 BCS National Championship Game which included a \$1.4 million media budget.

Prior to the Orange Bowl and Alabama, Purinton spent more than a decade at Florida State University working in various roles in the athletics department. He began as a student assistant in sports information during his undergraduate years, and followed up as a graduate assistant in 1998. He was promoted to a full-time role as assistant SID in 1999, where he worked directly with two of the winningest coaches in college history in Head Football Coach Bobby Bowden and Head Baseball Coach Mike Martin. In addition to the baseball and football SID duties, Purinton was the travel advance coordinator for the football program from 1999-2006.

In total, Purinton worked with 12 bowl teams at FSU including the 2000 Sugar Bowl where FSU defeated Virginia Tech to win the 1999 national title. He made two trips to the College World Series as the SID for the Seminole baseball program (1999 and 2000). In the 1999 season with FSU baseball, Marshall McDougall set the NCAA record with six home runs in a single game, and that team went on to finish runner-up at the national championship. From 2004-06, Purinton was the primary Sports Information Director for football.

Purinton has served on several College Football National Championship Game media coordination committees while working at Alabama and the Orange Bowl and was a member of the College Football 150th Anniversary Committee. He has successfully helped promote four Heisman Trophy winning campaigns (Chris Weinke at Florida State; Mark Ingram, Derrick Henry, DeVonta Smith at Alabama) along with a Campbell Trophy winner (Barrett Jones at Alabama).

Purinton is a member of the National Association of Collegiate Director of Athletics and the Football Writers Associate of America. He was a 2019 NEXT UP honoree by CollegeAD and was selected to attend the NACDA AD Mentoring Institute (2017 & 2019) and the Lead1 Institute (2018). From 2016-17, Purinton served as the athletics department coordinator for the University's United Way campaign.

A native of Palatka, Fla., Purinton received his bachelor's degree in sports management and master's in athletics administration at Florida State University. He and his wife Julie have two daughters, Jillian and Josie.

The Arkansas State University Athletics Department announced a \$400,000 gift from Charles Luter that was used to enhance the athletics' academic facility, at a press conference held at the newly named Charles Luter Family Academic Success Center in September of 2008.

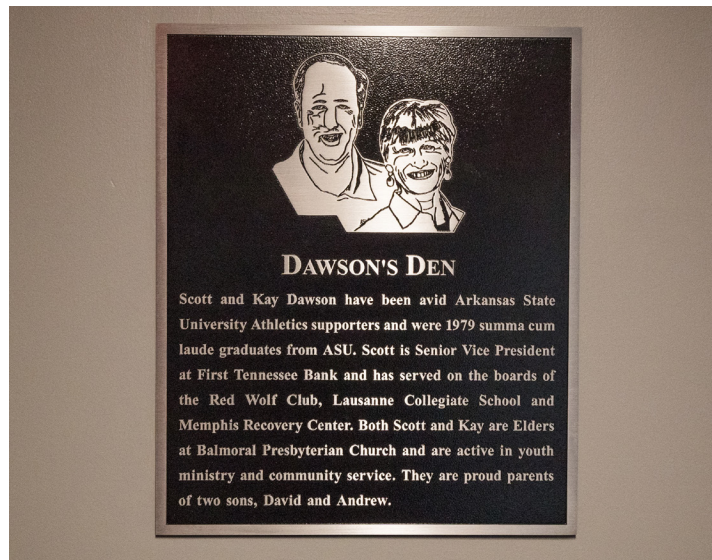

The Academic Success Center serves as a foundation for structure, discipline and organization for the education of all A-State student-athletes. The facility, coupled with innovative programs and equipment, currently houses the academic support staff, tutors, computer labs, a resource room, study areas, tutorial rooms, small group study centers and a large conference room.

Among the most recent and noticeable modifications to the Charles Luter Family Academic Success Center is a new foyer housed in a brick and rock exterior that, along with new landscaping, gives the entrance to

the building a modern look and creates a stronger image. The actual foyer has a large Red Wolves logo embedded in a terrazzo flooring that greets visitors as they enter the building. A receptionist office now also connects to the lobby area, which holds all-new furniture and a plaque recognizing Charles and his wife, Kay.

A restructuring of the academic resource center, now known as Dawson's Den, has occurred, including a wallwrap celebrating academic success that is clearly visible for student-athletes working in the computer lab. Additionally, tutorial rooms and computer-work stations have been upgraded in this area, which also displays pictures of the most recent A-State graduates.

The names of the latest members of the Athletic Director's Honor Roll are also showcased in Dawson's Den. The area is named after Scott and Kay Dawson, longtime supporters of Red Wolves' athletics.

It is well-known that collegiate athletics departments across the country place a common emphasis on graduation, but Arkansas State has taken it a step further with its Red Wolves Leadership Academy that provides additional resources intended give its graduating student-athletes the best opportunities for job placement after their time as a student.

The Red Wolves Leadership Academy continued to strengthen with a study abroad component added in 2015 to foster global awareness, which is often cited by employers as a positive attribute they seek. During summer 2015, Arkansas State student-athletes took part in the first study abroad program offered by any university and their athletics department in the nation. The Red Wolves took the ground-breaking step by sending the group of student-athletes to London on a faculty-led academic program.

The program goes hand-in-hand with the Red Wolves Leadership Academy, designed with the sole purpose to obtain job placement for student-athletes upon graduation. For A-State Athletics, this is just one of the many ways it all comes back to providing the Red Wolves with the most comprehensive experiences possible to be successful in life.

Research conducted by UC Merced backs up what the A-State Athletics Department believes – adding the study abroad component to the Red Wolves Leadership Academy puts its student-athletes among the most desirable employees in the nation coming out of college and helps create global citizens. The UC Merced research also showed that 97 percent of study abroad students found employment within 12 months of graduation, while only 49 percent of college graduates found employment in the same period.

A Carnegie Research 2 university, Arkansas State University is the second-largest university in the state, and a leader in innovation and collaboration. A-State hosts the first osteopathic medical school in Arkansas, the New York Institute of Technology's College of Osteopathic Medicine, and opened the first U.S.-style residential campus in Mexico in fall of 2017. With its Discover 2025 Strategic Plan as its guide, A-State is engaged in creating new collaboration opportunities including the Center for No-Boundary Thinking, the recently established Institute for Rural Initiatives, and exploring a public-private partnership to bring the first College of Veterinary Medicine to the state. A-State is home to more than 13,000 current students from across America and around the world, and proud to have over 100,000 alumni who are #ASStateMade.

Undergraduate experiences are highlighted for the last decade with the Create@State spring conference. Create@State participants have an advantage in achieving the graduate school of their choice, including continuing to advanced degrees at A-State. Research opportunities alongside our faculty are common at A-State with a student-driven research project launched by NASA to the International Space Station in 2022.

A-State begins its second decade offering online curriculum and course work, and remains the largest provider of 100% online degree programs based in the state with 99 degree programs and 18 more set to launch in the upcoming academic year.

Combined with hosting the region's first convention center, the Red Wolf Convention Center and Embassy Suites hotel, a one-mile radius on the A-State campus serves as the cultural hub of the region with the largest concert venue, First National Bank Arena, as well as the largest concert hall and theatre located at Fowler Center.

The Bradbury Art Museum is the region's leading visual arts facility. Arkansas State's Heritage Sites program operates four nationally or internationally known museum locations including the Johnny Cash Boyhood Home and the Hemingway-Pfeiffer Museum. And, the Arkansas State Museum located adjacent to the Dean B. Ellis Library is home to the only accredited natural history museum on a university campus in our state.

Among our academic divisions, the Neil Griffin College of Business is the first named college, and is home to the Delta Center for Economic Development, the Bob Wood Sales Leadership Center, the Women's Leadership Center, and one of the top rated online MBA programs in the region.

One of the region's centers of excellence in media and communication, Arkansas State's School of Media and Journalism is home to an accredited media programs whose students regularly take home national awards, the oldest NPR-member radio station west of the Mississippi (KASU) and a century-long tradition of a student-run newspaper, *The Herald*.

A-State's College of Nursing and Health Professions is nationally known with collaborative arrangements with NYIT's on-campus medical school. The College of Engineering and Computer Science is home to the Hytrol Materials Handling Laboratory. The College of Education and Behavioral Science operates the one of the largest early childhood services systems in the region.

A-State is the home of the Red Wolves, an FBS Division I athletics program, highlighted by making nine consecutive bowl appearances, back-to-back triple crown conference track titles for men and women, 14 consecutive NCAA bowling championship appearances including national runner-up in 2021, and recently earning both the Bubas Cup (awarded to the Sun Belt Conference's top all-sport award) as well as a record high student-athlete GPA in the same season. Arkansas State sponsors 16 varsity sports teams, including football, cross country, basketball, golf, indoor track, outdoor track and baseball for men; women athletes compete in soccer, outdoor track, cross country, indoor track, bowling, tennis, basketball, volleyball and golf. A-State also sponsors nationally competitive club sport teams like rugby, softball, competitive cheer and dance, and Esports that have earned national titles or national runner-up titles in recent years.

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square-mile triangular area.

Jonesboro is a great city of over 70,000, and is always ready to welcome incoming A-State students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and Northeast Arkansas Symphony.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The City and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.
