BRYAN HODGSON

Bryan Hodgson, one of the nation's top first-year head coaches in 2023-24, is entering his second season at the helm of the Arkansas State men's basketball program in 2024-25.

Regarded as one of the top recruiters and assistant coaches in the nation with 16-plus seasons as a collegiate coach, Hodgson was announced as the program's 17th head coach on March 22, 2023.

Hodgson - a finalist for the Joe B. Hall Award, presented to the nation's top first-year head coach - guided the Red Wolves to one of its most successful seasons in program history in 2023-24. Under his watch, A-State was one of just two programs under a first-year head coach to win 20 or more games over Division-I foes. Hodgson was also one of five first-year coaches to lead their team to 20-plus wins in their inaugural season after inheriting a 20-plus loss team.

A-State ended the year as one of the hottest teams in the country with wins in 12 of the final 16 contests, ending the year in the semifinals of the Ro College Basketball Invitational - the program's first postseason appearance since 1999 that included its first postseason victory since 1991.

After being picked ninth in the preseason poll, the Red Wolves went on to finish fourth in the conference standings and reach the championship game of the conference tournament for the first time since 2007. Hodgson became the first head coach since Chris Beard in 2019 to guide a team to the Sun Belt Conference championship game in their first season.

The Red Wolves broke numerous single-season school records in Hodgson's inaugural year, setting new program-best marks in scoring (2,917 points), field goals made (1,021) and attempted (2,313), 3-pointers made (341) and attempted (991) along with total rebounds (1,419) and offensive rebounds (489). That excitement, combined with a stellar final half of the season, led to A-State hosting its first nationally-televised game since 1997 - a 79-71 victory over Troy on ESPNU.

Hodgson came to Arkansas State after spending the last four seasons at the University of Alabama, which followed stops at the University of Buffalo (2015-19), Midland (Texas) Junior College (2013-15), Jamestown (NY) Community College (2010-13) and Fredonia State (NY) University (2007-10).

"Following a national search, which attracted many highly-qualified candidates across the country, we are excited to announce Bryan Hodgson as our head men's basketball coach," A-State Vice Chancellor for Intercollegiate Athletics Jeff Purinton said. "We visited with a variety of outstanding coaches from multiple levels, but we ultimately identified Bryan as the perfect fit for our program and community.

"He possesses well-rounded experience with a successful coaching and recruiting background. Bryan has also been very involved with all operational aspects of collegiate programs while working his way from a junior college coach to the highest level of Division I. I had the opportunity to work with him at Alabama and get to know him as a coach and person. He is a strong communicator who cares deeply about his student-athletes and puts them in the best position to succeed on the court and in the classroom.

HEAD COACH
BRYAN HODGSON

"He has a great vision for Arkansas State basketball and the blueprint to carry it out in order to elevate our program to new heights. I'm confident he will build a winning culture, and we look forward to his leadership as our head men's basketball coach."

Rated as the No. 2 recruiter nationally by 247Sports.com, Hodgson played a vital role in recruiting top-15 classes each of his four seasons in Tuscaloosa. Alabama, the overall No. 1 seed in 2022-23, posted a 92-42 record, and advanced to the Sweet 16 twice in three-straight appearances at the NCAA Tournament since Hodgson joined head coach Nate Oats in Tuscaloosa. In total, Hodgson brought 15-plus seasons of collegiate coaching experience to Jonesboro, including six of the last seven NCAA Tournaments and a combined 15-2 record in Division I conference tournaments.

"I am both thrilled and honored to be the head men's basketball coach at Arkansas State," Hodgson said upon his hiring. "I want to thank Jeff Purinton, Dr. (Chuck) Welch and Dr. (Todd) Shields for this fantastic opportunity and entrusting me to lead this program.

"I'm looking forward to working with the outstanding administration, coaches and student-athletes at Arkansas State, as well as being very involved in the Jonesboro community. Along with my staff and our players, we will work tirelessly to build the success, profile and brand of A-State Basketball. We will strive to not only put a winning product on the floor that our fans will enjoy watching, but also handle our business off the court and in the classroom in a manner that makes everyone proud. There is no doubt that we have the potential for greatness here at A-State, and I can't wait to get started."

In his time with the Crimson Tide, Hodgson helped the program claim its first regular season conference title since 2002, first conference tournament title since 1991 and first Sweet 16 appearance since 2004. Four Alabama players have been drafted to the NBA since 2020 after the program had one selection from 1992-2019.

In 2022-23, Hodgson assisted as Alabama was one of only two teams nationally, joining Houston, to rank in the top-15 in both defensive adjusted efficiency (No. 5) and in offensive adjusted efficiency (No. 15) according to KenPom. Alabama, winner of the SEC regular season and SEC Tournament crown, made its ninth NCAA Sweet 16 appearance in program history, its second appearance in the span of three seasons. Two Crimson Tide players - Brandon Miller (2nd, Charlotte Hornets) and Noah Clowney (21st, Brooklyn Nets) - went on to be selected in the first round of the 2023 NBA Draft.

After finishing the 2019-20 season with a 16-16 record and 8-10 mark in SEC play, Alabama finished the 2020-21 campaign ranked No. 5 in the final Associated Press poll, highest in program history at the time. The Crimson Tide's 26 overall wins were the second-most in school history, while the Sweet 16 appearance in the 2021 NCAA Tournament was the first for Alabama in 17 years. Alabama clinched its first regular season title in 19 years and captured the SEC Tournament title for the first time in 30 years.

Hodgson blazed a trail to Canada as he signed the first Canadian players in Crimson Tide program history – Joshua Primo and Keon Ambrose-Hilton – Canada's No. 1 and No. 3-ranked players, respectively, in 2020.

He followed that by getting a third Canadian, Charles Bediako, to Tuscaloosa in 2021. Primo spent the 2020-21 season with Alabama before being selected 12th overall in the 2021 NBA Draft by the San Antonio Spurs.

In addition to ranking as one of the top recruiters in collegiate basketball, Hodgson was named to The Athletic's Top-25 up-and-coming coaches and one of the top 50 Most Impactful High Major Assistant Coaches. He was invited to participate in the prestigious 2020 TopConnect Seminar which identifies the top assistants in the country and connects them with mid-major athletic directors. Previously, Hodgson was one of 30 assistant coaches named to the 2016 Under Armour 30-under-30 Team by the National Association of Basketball Coaches (NABC).

Hodgson spent four seasons (2015-19) with Oats at the University of Buffalo, where together they took the program to unprecedented heights. Hodgson helped guide the Bulls to three NCAA Tournament appearances and three Mid-American Conference Tournament championships, while also earning a pair of MAC regular season titles. Buffalo reached the Round of 32 in the NCAA Tournament in 2018 and 2019.

During his time at Buffalo, the Bulls were ranked for 20 weeks in the Associated Press Top-25 throughout the 2018-19 season marking the first time in school history the program had earned a national ranking. Buffalo went on to climb as high as No. 14 in the nation – the highest ranking by any MAC team in the past 40 years.

In the 2018-19 campaign, the Bulls finished with an impressive 32-4 overall record with the 32 victories marking the most in program history and most-ever by a MAC program. Coupled with a 27-9 mark in 2017-18, Buffalo had a combined 59-13 record from 2017-19 setting the best two-year stretch in school history.

In addition to his recruiting prowess, Hodgson is also known for his ability to develop talent. During his four seasons at Buffalo, nearly every player on the roster made tremendous strides on the court, none more so than 2019 MAC Player of the Year CJ Massinburg, who finished his career as a three-time All-MAC honoree and second in school history with 1,990 career points and 273 career treys. He went on to be named an honorable mention All-American by the Associated Press as a senior.

Hodgson served two seasons, one in a volunteer capacity, as an assistant coach at Midland (Texas) College, where he helped lead the team to a six-win turnaround during the 2014-15 season. He helped manage all aspects of recruitment for Midland and conducted individual skill development workouts and in-season team practice sessions.

A western New York native, Hodgson served as an assistant coach from 2010-13 at Jamestown Community College. In his time at JCC, he coached 14 players who received scholarships to four-year schools after their graduation while nine were all-region players.

Hodgson played collegiately for two seasons at Jamestown CC, serving as a two-year captain, before heading to Fredonia State. While at Fredonia State, he served as an assistant coach and earned his undergraduate degree in sports management in 2011. He later earned his masters degree in education from the University of Southwest in 2015.

Adopted at the age of two, Hodgson has been an active participant in Big Brothers, Big Sisters Program throughout his career. He is the founder and president of Coaching Love, Inc., established to benefit at-risk youth, particularly those in the foster care system and those waiting to be adopted.

Head Coach Bryan Hodgson tabbed Butters as an assistant coach ahead of the 2023-24 campaign. Butters spent the previous nine seasons at Charleston Southern, including the last four as Associate Head Coach.

"We're thrilled to have Tee Butters joining our staff here in Jonesboro," said Hodgson. "Tee is a great basketball mind and has helped run the offense at Charleston Southern. In the last nine seasons on staff at Charleston Southern, he has served as Associate Head Coach (2019-23), Assistant Coach (2017-19) and Director of Operations and Video Coordinator (2014-17).

"I am very excited and blessed for the opportunity to join Coach Hodgson at Arkansas State," Butters said. Despite injuries and a smaller rotation towards the end of the season, Butters helped the Bucs reach the Big South quarterfinals once again while Phlandrous Fleming Jr. was named the Big South Defensive Player of the Year.

CSU ranked among the best of the Big South last season in scoring offense (5th - 75.7 PPG), scoring defense (3rd - 69.7 PPG) and turnover margin (1st - +3.44).

In his first season as an assistant in 2017-18, Butters helped a young CSU team win eight of its final 11 games. The Bucs beat eventual Big South Tournament champion Radford on the road, picked up their first victory at Winthrop since 2002 and twice pushed UNC Asheville, the league's regular season champion, to the brink.

Butters was named CSU's Director of Basketball Operations in August of 2015. He helped CSU to the winningest regular season in program history in 2014-15, as the program captured its second Big South regular-season title in a three-year span.

A 2011 graduate of Clemson, Butters was a graduate assistant and student manager with the Tigers' basketball programs under both Oliver Purnell and Brad Brownell. He spent five years at Clemson and was head manager for the 2010-11 season. He also worked at several elite basketball camps from 2008-11, including Mike Krzyzewski's Duke Basketball Camp, as well as Oliver Purnell and Brad Brownell's camps at Clemson. He also spent two seasons as an assistant coach at Riverside High School in Durham, N.C.

2nd Season

Logan Ingram is entering his second season on the Arkansas State men's basketball staff and serves as the Red Wolves' Director of Scouting and Analytics. Ingram was hired by A-State head coach Bryan Hodgson as video coordinator ahead of the 2023-24 season after spending the previous four seasons at Alabama as a manager for the Crimson Tide.

"Logan is one of the sharpest young men I've worked around, and truly is a rising star in this business," said Hodgson. "When I accepted this job, Logan was one of the first people I thought of to join me. He's a relentless worker, with a strong background in both video scouting and analytics. We are very fortunate to have him here in Jonesboro."

As a manager with Alabama, Ingram played a vital part in helping the Crimson Tide to a 92-42 record, advancing to the Sweet 16 twice in three-straight appearances at the NCAA Tournament. The Crimson Tide claimed its first regular season conference title since 2002, first conference tournament title since 1991 and first Sweet 16 appearance since 2004.

"I am so thankful for the time I spent working with Coach Hodgson and the entire coaching staff at Alabama and extremely blessed to take on this new opportunity at Arkansas State," said Ingram. "I am looking forward to serving our players and this community. Wolves Up!"

Ingram was tasked with coordinating practice and game video, preliminary scouting with the coaching staff and provided analytics assistance. He also assisted with recruiting operations, summer basketball camps and player development tasks. He graduated with a degree in finance with a concentration in banking administration with a 4.0 GPA.

In the summers of 2021 and 2022, Ingram was a video analyst for Blue Collar U in The Basketball Tournament (TBT). He coordinated and provided game and scout film and distributed opposing personnel film and notes to the players and staff. He provided in-game and post-game analytics with Blue Collar U winning the 2022 TBT and advanced to the semifinal in 2021.

Ingram is a native of Sheridan, Ark., where he played on the varsity basketball team. His mom, Jamison, is the head girls basketball coach at Sheridan High School.

NCAA TOURNAMENT HISTORY

1999 MIDWEST REGIONAL | No. 15 Seed (0-1)

March 12 First Round (New Orleans, La.) Utah (2) 58-80 L

It was 28 seasons in the making, but Arkansas State finally broke through the NCAA Tournament barrier after an incredible run at the end of the 1998-99 season.

A-State's storybook run through the Sun Belt Conference Tournament ended in an invitation to the Big Dance to face the nationally sixth-ranked Utah Utes in the Midwest Regional at New Orleans, La.

The selection show was over, the countless interviews completed, all the game file reviewed and the intense practices nothing but a memory. All the hoopla over A-State making it for the first time to the NCAA Tournament took a back seat to the ultimate task at hand.

Utah had *Associated Press* All-America guard Andre Miller running the point and a huge front line of players unlike any A-State had seen during the season. A tough game lay ahead for underdog A-State.

The first half was close as A-State actually lead 15-14 with 8:32 to play in the half before Utah began to muscle into the lead. A-State trailed by 10 with 4:14 left in the first half before slicing the deficit to three with 44 seconds left. But Tony Harvey nailed a three-pointer with 25 seconds to go giving the Utes a 36-30 halftime lead.

Freddy Hicks loomed large inside, swatting away four shots in the half despite being shorter than those he defended. Chico Fletcher tallied 15 points in the half as A-State kept the score close.

The second half was more of the same at the start. A-State kept the score close with controlled breaks and solid play. Eric Beatty stepped up in the second half to score 11 points, but unfortunately they weren't enough.

Trailing 39-38 with 16:22 remaining in the contest, A-State began to succumb to its size disadvantage inside. Leading by 11 points with 10:36 remaining. Utah quickly established dominance and pushed its margin to 21 points over the next 3:47 and held around a 20-point cushion for most of the game.

Freddy Hicks, A-State's all-time leading shot blocker at the time, concluded the game with six blocks which represented the third-most rejections in NCAA Midwest Regional history. Chico Fletcher scored 21 points in the game while Eric Beatty poured in 17 points for A-State.

Fayetteville, Ark. — First Round

March 13 — Arkansas 67, Arkansas State 64 OT

In a game dubbed by the Arkansas media as "the game of the Decade," the Razorbacks scored four overtime baskets - all from less than five feet away - to finish off a depth-riddled, foul-plagued A-State team that led handily most of the contest. A-State led only once during the overtime at 64-63 on Steve Wiedower's trey with 2:01 left. A-State's earlier 21-point lead (51-30 with 10:43 to play) evaporated as Arkansas used two late three-pointers by Ron Huery and two more by Canon Whitby to force the overtime knotted up at 59-all. Some missed free throws and costly fouls limited A-State during the final three minutes of regulation. John Tate's 18 points and 14 rebounds led all players in the game while Arkansas was paced by Mario Credit's 15 points and Ron Huery's 14-point performance.

1988

Jonesboro, Ark. — First Round

March 18 — Arkansas State 70, ULM 59

Bo Brown and John Tate each scored 18 points and Brown claimed a team-leading 12 rebounds for A-State, which put the game away with a 21-9 scoring spurt to start the second half. Greg Williams added 15 points for A-State. Michael Saulsberry had 17 points and 14 rebounds for ULM, which was held to 38.7 percent shooting in the game.

Palo Alto, Calif. — Second Round

March 22 — Arkansas State 60, Stanford 59

Rhon Johnson swished the front of a two-shot free throw opportunity with no time remaining to lift A-State to the upset win. A-State trailed most of the game and rallied behind John Tate and Ed Louden. Stanford missed the front of four-straight one-and-one chances in the final 3:29, enabling A-State to creep back. Tate's layup at 1:22 tied it up at 59-all. The Cardinal couldn't connect on their next possession and following an A-State timeout with 19 seconds to go, Johnson drove the baseline and attempted a reverse layup before being fouled just prior to the final horn.

Fort Collins, Colo. — Quarterfinal

March 25 — Colorado State 64, Arkansas State 49

Pat Durham's inside quickness was too much for A-State as he led CSU to easy success with 26 points. A-State trailed by 18 points midway through the second half and could not recover. Ed Louden's 13 points and John Tate's 12 led A-State, which was hampered by 40 percent field goal shooting. The game was a stopover on A-State's return from Stanford.

1989

Lincoln, Neb. — First Round

March 16 — Nebraska 81, Arkansas State 79

A-State came back from a 15-point deficit midway in the second half to take a 79-76 lead with 48 seconds left due to the outside shooting of Ed Louden. But Nebraska's Eric Johnson scored four straight points to give the Cornhuskers an 80-79 edge with 14 seconds to play. The Huskers' Ray Richardson hit a free throw with six seconds left for the final margin. A-State had a chance to tie the game with no time left but Chris Dillard missed the front of a one-and-one after being fouled just before the final buzzer. John Tate's 23 points and 22 by Louden paced A-State. Johnson's 18 points led the Huskers.

1991

Jonesboro, Ark. — First Round

March 14 — Arkansas State 78, Rice 71

Bobby Gross nailed 22 points and Dewayne McCray added 20 for A-State, which took the lead for good at 43-42 with 17:19 to play. Gross hit eight of his 10 shots from the field, McCray nine of his 14 and Fred Shepherd all six of his en route to 17 point as A-State shot 58.8 percent from the floor. McCray claimed a game-high 10 rebounds while Shepherd grabbed nine boards. Brent Scott had 21 points and Dana Hardy contributed 19 for Rice.

Memphis, Tenn. — Second Round

March 18 — Arkansas State 58, Memphis 57

Bobby Gross' free throw with 11 seconds left was the difference in A-State's third straight one-point win over the Tigers. His 12th point of the game pushed A-State's edge to four points, 58-54, and negated Elliott Perry's three-pointer with four seconds to play. A-State faced a nine-point deficit (46-37) at 10:12, but rallied to tie at 47-all on Gross' baseline jumper at 6:43 before taking the lead for good (53-51) on Gross' three-pointer from the corner. Gross led A-State with 12 points while Phil McKellar and Dewayne McCray added 10 apiece. Perry (10-of-13 from the field) led Memphis with 24 points followed by Tony Madlock's 16 points.

Boulder, Colo. — Quarterfinal

March 22 — Colorado 81, Arkansas State 75

Four Colorado starters scored in double figures as the Buffaloes shot a blistering 65 percent from the field and converted 11 A-State turnovers into 21 points. Stevie Wise notched 23 points and Bily Law 16 to head Colorado. A-State was paced by Phil McKellar's 22 points, Fred Shepherd's 16 and Bobby Gross' 13. A-State led 56-54 with 12:26 to play, but the Buffaloes used a 12-0 run and never looked back from there.

ATHLETICS
FACILITIES

Arkansas State's athletics programs compete in top-of-the line facilities.

Centennial Bank Stadium, which opened in 1974, has evolved into a beautiful stadium which seats over 30,000 fans. The stadium has undergone a "Centennial Expansion" construction project that covers 40,000 square feet, including the press box and concourse. Construction on a two-level 66,500 square foot operations center in the north end zone was also completed prior to the start of the 2019 season.

The 192,000 square-foot First National Bank Arena is a multi-purpose facility that is home to the A-State basketball, volleyball and indoor track and field teams.

Coaches and student-athletes moved into a new $2.7 million track and field complex in spring 2004. It contains a newly-resurfaced eight-lane 400-meter track and can be set up for two NCAA venues.

Three local country clubs graciously allow A-State men's and women's golf programs to utilize their facilities for practice and play.

J.A. "Ike" Tomlinson Stadium-Kell Field serves as the home to Red Wolves baseball. Built in 1993, the stadium received complete lighting in 1996, 206 field level seats were added for the 2008 season and a new scoreboard was installed in 2011.

A-State's newest women's program, bowling, competes in the Jonesboro Bowling Center, where a new locker room, lounge and pro shop have been constructed.

The Red Wolves' soccer and track and field teams utilized the same stadium for the first time in school history during the 2014-15 season, as the soccer field was relocated as part of the track facility.

A-State has also completed a new women's soccer and women's tennis facility, which houses both squads' locker rooms, training room, offices and more. New tennis courts were also completed in 2016 as well.

Facilities have received a number of facelifts over the last decade, making sure that the athletics department's "front door" and other sports areas possess a first-class appearance.

Also included in the upgrades have been renovations inside the A-State Football Facility and weight rooms, locker rooms and training rooms at both Centennial Bank Stadium and First National Bank Arena, where new seating has also been installed.

FIRST NATIONAL BANK ARENA

- In recognition of a $5 million contribution by First National Bank to the Red Wolves Foundation, the Arkansas State University Board of Trustees voted on October 19, 2017 to rename A-State's multi-purpose facility formerly known as the Convocation Center to "First National Bank Arena."
- A crowd of 10,892, the largest ever at First National Bank Arena, watched the Red Wolves defeat the University of Arkansas 98-84 in the 2005 Women's National Invitation Tournament (WNIT).
- A-State has posted an undefeated mark at First National Bank Arena three times: 1988-89 (14-0), 1990-91 (13-0) and 2010-11 (13-0).
- The A-State men's basketball program has amassed a 315-123 (.719 winning pct.) at First National Bank Arena.
- Prior to the 2009-10 season, the men's basketball, women's basketball and women's volleyball locker rooms along with the film room were renovated.
- The basketball court was replaced prior to the 2021-22 season, the first entirely new playing surface since the 2003-04 season and third brand new court for the arena since it opened in 1987.
- A newly-integrated video display system was installed at First National Bank Arena in October of 2013. The display system, manufactured by Daktronics, consists of four identical LED video displays measuring 12 feet high by 26 feet wide mounted in each of the arena's four corners.
- Official opening of First National Bank Arena was July 11, 1987, with the National AAU 17-and-under boys basketball championships. Team Acadiana of Louisiana defeated the Arkansas Wings 87-68 in the first game and Joe Harvell of the Arkansas Wings scored the first points.
- The multi-purpose indoor arena seats 10,038 for basketball games and 11,704 for concerts.
- The facility was completed in 1987 and took three years at cost of $19 million, $15.3 million of which was provided by the state.
- The first public event at First National Bank Arena was A-State Commencement ceremonies in May of 1987.
- The first A-State men's games held at First National Bank Arena was against Memphis on Dec. 5, 1987. The Tigers defeated A-State 60-59 in front of 10,766 fans. Sylvester Gray of Memphis scored the first points in the game and Bobby Collins scored the first points for A-State.
- Over the Summer of 2015, crews finished the installation of all new chair back seating and railing throughout First National Bank Arena.

The Arkansas State University men's basketball program moved into a new home prior to the 2017-18 season following a complete locker room renovation. The A-State men's basketball locker room underwent comprehensive remodeling.

Among the several highlights to the renovated A-State men's basketball locker room are refinished lockers and custom graphics for each locker. The individualized lockers include each men's basketball student-athlete's name, photograph and signature.

A player's lounge with a leather couch and wide-screen high definition television along with a kitchen space are other amenities to make the 'Red Wolves Experience' unique.

The locker room also features shower facilities and new custom marker boards for use by the Red Wolves' coaching staff. The walls are adorned with custom A-State graphics as well as new carpeting covering the locker space and wood flooring covering the players lounge area.

ATHLETIC PERFORMANCE

STRENGTH & CONDITIONING

The main Arkansas State University strength and conditioning area features 70 work stations, flooring, flexibility area, power area, speed area, cardiovascular area, training equipment, Olympic weightlifting platforms, air and heating system and training security measures.

First National Bank Arena also includes the state-of-the-art Strength and Conditioning Room used by the A-State men's basketball team, which was remodeled prior to the 2008-09 season. The upgrades included all new weights, new floor covering, wall covering, lighting and entrance doors.

The project was completed at a cost of approximately $150,000 with a large portion of the funding coming from a generous contribution from the Clopton Clinic of Jonesboro.

ATHLETIC TRAINING

The A-State Sports Medicine Department operates five athletic training rooms on campus. First National Bank Arena is the home for all men's and women's basketball, women's volleyball, and indoor track competitions and practices.

Located in First National Bank Arena is a 2,000-square foot athletic training room which is fully equipped to provide all the necessary pre and post-practice treatment. The Tim and Terri Langford Sports Medicine area has undergone recent changes and construction such as new tables, flooring, ceiling, paint and offices.

The Arkansas State University Athletics Department announced a $400,000 gift from Charles Luter that was used to enhance the athletics' academic facility, at a press conference held at the newly named Charles Luter Family Academic Success Center in September of 2008.

The Academic Success Center serves as a foundation for structure, discipline and organization for the education of all A-State student-athletes. The facility, coupled with innovative programs and equipment, currently houses the academic support staff, tutors, computer labs, a resource room, study areas, tutorial rooms, small group study centers and a large conference room.

Among the most recent and noticeable modifications to the Charles Luter Family Academic Success Center is a new foyer housed in a brick and rock exterior that, along with new landscaping, gives the entrance to the building a modern look and creates a stronger image. The actual foyer has a large Red Wolves logo embedded in a terrazzo flooring that greets visitors as they enter the building. A receptionist office now also connects to the lobby area, which holds all-new furniture and a plaque recognizing Charles and his wife, Kay.

A restructuring of the academic resource center, now known as Dawson's Den, has occurred, including a wallwrap celebrating academic success that is clearly visible for student-athletes working in the computer lab. Additionally, tutorial rooms and computer-work stations have been upgraded in this area, which also displays pictures of the most recent A-State graduates.

The names of the latest members of the Athletic Director's Honor Roll are also showcased in Dawson's Den. The area is named after Scott and Kay Dawson, longtime supporters of Red Wolves' athletics.

INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee (IAC) was formed in the spring of 1997.
The IAC reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

DR. BRENDAN KELLY

Dr. Brendan Kelly was selected to become the third president of the Arkansas State University System by the Board of Trustees on June 5, 2024.

Dr. Kelly joined the ASU System in September 2024 after serving as president of the University of West Georgia since 2020. During his tenure, UWG completed a move in intercollegiate athletics from the NCAA Division II Gulf South Conference to the Division I Atlantic Sun Conference.

Prior to joining UWG, Dr. Kelly was chancellor at the University of South Carolina Upstate in Spartanburg and Greenville from 2017-2020 and was appointed as interim president of the University of South Carolina in 2019. He was vice president of university advancement and president of the UWF Foundation, Inc., at the University of West Florida in Pensacola from 2013-2017, where he led a successful $50 million capital campaign. His teaching career spanned 13 years in Florida and Michigan in communication arts.

A practiced academic leader, Dr. Kelly's focus at UWG was innovative programming both inside and outside the classroom with an emphasis on creating valuable life and career outcomes for students, with a commitment to launch and advance student careers upon graduation. He served on the board of directors of multiple regional and state economic development entities, as well as the Atlanta Regional Higher Education Consortium.

While leading and implementing the "Becoming UWG Strategic Plan," Dr. Kelly led UWG to record-breaking fund-raising efforts, including the largest gift in institutional history, and oversaw an enrollment resurgence. Its spring enrollment was 11.4% higher than last year, while its graduate enrollment surged 41%.

Dr. Kelly is a member of the American Association of State Colleges and Universities board of directors and was named "One of the Most Influential Georgians" by Georgia Trend magazine and James Magazine. He was active with the National Forensic Association (NFA) and other speech and debate competitions for many years and was honored as a NFA Hall of Fame inductee and with the Eddie Myers Distinguished Service Award.

He received a Bachelor of Science degree in public relations and a Master of Arts degree in communication at Eastern Michigan University and his Doctor of Philosophy in communication at Wayne State University.

Kelly and his wife, Dr. Tressa Kelly, have three children – Bree Luckey (married to Drew Luckey), Liam and Kieran.

ARKANSAS STATE CHANCELLOR
DR. TODD SHIELDS

An academic administrator, a nationally known scholar and an unabashed champion for students, staff and faculty, Dr. Todd Shields was named the fourth appointed chancellor and the 14th individual to lead Arkansas State University.

Placing new emphasis on student support services at A-State, Shields knows the pathway to higher retention and graduation begins with effective teaching strategies and on-campus programming focused on the needs of the current generation of students. Now in his third year, he is working relentlessly to build partnerships with local community and industry leaders to strengthen Northeast Arkansas and create unmatched opportunities for the more than 14,000 students at A-State.

Before arriving at A-State, he spent many years at the University of Arkansas where he rose through the ranks to serve as dean of the largest academic unit in Fayetteville. Shields' depth of academic administrative experience spans from department chair to research centers and from deanships of individual colleges to divisions touching all corners of the university. His two most recent academic appointments, dean of the Graduate School and International Education (GSIE) and dean of the Fulbright College of Arts and Sciences, illustrate his leadership strength.

One of Shields' signature contributions to UA was the creation of a School of Art within the college, bolstered by significant endowment gifts to fund construction of a new campus space that serves as a partnership with the city of Fayetteville. A $120 million gift from the Walton Family Charitable Support Foundation established the School of Art, with a following $70 million total in support from the Windgate Foundation for the 154,600-square-foot Windgate Studio + Design Center, which anchors a new art district redevelopment south of the campus core on Dr. Martin Luther King Jr. Boulevard. He also secured $90 million in software and equipment gifts to programs throughout the Fulbright College.

Shields played a pivotal role in the creation of the Diane D. Blair Center of Southern Politics and Society, serving as the founding director of the interdisciplinary research center. Shields followed his time as department chair and Blair Center director with a year as the associate dean of the President William Jefferson Clinton School of Public Service in Little Rock.

He began his academic career as an assistant professor in political science at Arkansas in 1994, and was promoted to associate professor in 1999. He joined the Fulbright Institute of International Relations as its associate director in 2000, and in 2005 became a full professor in political science. For eight years, he also concurrently chaired the political science department at UA.

In 2013, Shields was named interim Fulbright dean, then the permanent dean in July 2014 where he led the college until departing UA to become chancellor at A-State. Fulbright College's three schools, 16 academic departments and 10 research centers span 30 academic programs.

Among numerous achievements during his time as the Fulbright dean was the creation of the Fulbright College Student Success Center. Some of the key retention-based programs included Destination Arkansas Blackboard Assignment to provide orientation to all first-year students, Strategies for Success (S4S) which was a zero-credit course offered to all UA students who fell into academic probation in their first semester to create a plan to improve their academics, and a Life Strategies and Career Awareness Course to improve student achievement. One of the key outcomes of the Student Success Center was a reduction of low grades and failure rates in the college's core courses and an increase in first-year retention.

He is the co-author of three significant books related to electoral politics: The Long Southern Strategy: How Chasing White Voters in the South Changed American Politics (2019); The Persuadable Voter: Wedge Issues in Presidential Campaigns won the 2009 Robert E. Lane Award for the best book in political psychology; and his first book Money Matters: Campaign Finance Reform and Congressional Elections was published in 1999. He is also an editor on six other books, has published more than 40 articles and made more than 50 presentations in his research areas of data analytics, public opinion and election strategies. His efforts have also resulted in more than $25 million in grants and research support as a principal or co-principal investigator.

Shields earned a Bachelor of Arts in political science and a Bachelor of Arts in psychology in 1990 at Miami University in Oxford, Ohio. He continued his education at the University of Kentucky where he received his Master of Arts in political science in 1991 and his Ph.D. in 1994. In addition, Shields participated in Ohio State University's Summer Institute in Political Psychology in 1993 and Harvard University's Management Development Program in Higher Education in the summer of 2006.

He and his wife, Karen, have two adult children, Savvy and Dane, and welcomed their first grandchild, Adeline Janine Wolfe, in March 2024.

VICE CHANCELLOR FOR INTERCOLLEGIATE ATHLETICS
JEFF PURINTON

Jeff Purinton, a highly-respected, veteran athletics administrator, was announced as Arkansas State's Vice Chancellor for Intercollegiate Athletics on May 4, 2022, becoming the 12th all-time athletics director in school history.

Purinton's positive impact on the Red Wolves' athletics department during his first two years at the helm has been evident, reflecting the same energetic and passionate approach to intercollegiate athletics he has applied throughout his career.

Following a 15-year stint at the University of Alabama, where he served in various administrative roles and eventually was promoted to Executive Deputy Director of Athletics, Purinton arrived in Jonesboro and immediately began establishing a culture of success and transparent communication while building his administration and addressing major multimedia and apparel contracts that required prompt attention.

He successfully navigated the transition, hiring key personnel to fill executive and senior-level positions within the development, marketing, finance and compliance areas while restructuring internally to create more effective and efficient work flow and production. During the same time, he renegotiated lucrative agreements with multimedia rights holder LEARFIELD and adidas while also entering a partnership with Amplify to create a holistic revenue solution designed to serve Red Wolves fans.

This past year, Red Wolves continued their rise under Purinton in 2023-24, scoring 213.0 points in the final Learfield Director's Cup to finish 89th in the nation – the second best in school history and second highest among all Sun Belt members this past year. A-State also led the conference in the women's Capital One Cup standings for the second consecutive year, placing No. 46 in the country.

A-State has claimed the most Sun Belt championships among all league members each of the last two years, winning a combined nine titles – three more than the second closest school. Including the women's bowling team winning the Southland Bowling League in 2023, the Red Wolves accumulated 10 combined conference championships in 2022-23 and 2023-24 for their second most over any two-year stretch in school history.

The 2023-24 year also saw A-State score a school-record 118 points to place fourth among 14 programs in the Bubas Cup, the Sun Belt's all-sports standings. The Red Wolves claimed their best finish for a full athletics year since 2015-16 and third best this century. Making the finish even more impressive, the league's 14 members the last two years are the most in the history of the league and 11 of those schools compete in more sports that count towards the standings than A-State.

Purinton's second year at the helm saw a school-record 10 different Arkansas State teams compete in the postseason. Since 2022-23, there have been 16 A-State teams participate in postseason competition for the most over any two-year span in school history. The 2023-24 year featured football appearing in its first bowl game since 2019, women's golf making its first postseason appearance in school history, men's basketball returning to postseason play for the first time since 1999, men's golf advancing to an NCAA Regional and women's bowling finishing as the national runner-up for the second straight season.

In addition to committing resources and implementing new initiatives to improve competitive and academic performance, Purinton achieved his goal to strengthen communication and relationships with new and existing fans, donors and alumni through strategic plans by both the Athletics Department and the Red Wolves Foundation. He created monthly "State of the Pack" newsletters and then expanded it to include the Red Wolves' first live and interactive web event open to the public.

Purinton also brought back A-State's coaching caravan tour and rebranded it "Howl on Wheels," spearheaded improved communication by the Red Wolves Foundation and reimagined special donor events and fan-engagement opportunities, such as turning the football team's spring game into an all-day "Pack Day" celebration. Under his direction, A-State continues to formulate new ways to enhance the game-day experience for all its sports. That commitment is reflected by increased attendance in multiple sports, including football (up 49.4 percent since 2021) and men's and women's basketball (increase of at least 200 percent since 2021-22).

Since launching a new major-giving program – the Scarlet Society – in November 2023, membership has over doubled in households investing philanthropically across different initiatives in the department. Projects supported through these efforts have included the St. Bernards Training Room at First National Bank Arena, an updated film room for the men's and women's basketball and volleyball teams, an indoor golf studio for the men's and women's golf teams, and new computers for the Pack Pride Hall study area for all student-athletes.

His emphasis on the student-athlete experience has been just as strong, meeting both traditional needs and those associated with the Cost of Attendance (COA), Name, Image, and Likeness (NIL) and transfer-portal era. Not only did he create A-State's first position with a designated "NIL Initiatives" component, he has given the Red Wolves' Student-Athlete Advisory Committee (SAAC) more ownership and flexibility to improve annual events such as the student-athlete "Welcome Back" and "State Awards" events, which were met with enthusiasm.

During his first year alone at A-State, the Red Wolves earned six conference championships, collected a top-50 finish in the women's Capital One Cup standings, posted the second highest finish among all Sun Belt Conference schools in the LEARFIELD Director's Cup standings, and claimed national runner-up honors in women's bowling. A-State made multiple NCAA postseason appearances on its way to recording its sixth highest finish in the history of the Director's Cup.

Purinton has responded well to coaching transitions as well. Carrying out one of his first major acts as VCIA, he tabbed Bryan Hodgson, regarded as one of the top recruiters and assistant coaches in the nation with 15-plus years of experience at the collegiate level, to lead the Red Wolves' men's basketball program. The hire proved to be one of the best in the country as Hodgson's squad was one of just five Division I programs under a coach in his first year at a school to go from 20-plus losses in 2022-23 to 20-plus victories in 2023-24. The team reached the championship game of the Sun Belt tournament for the first time since 2007 after being picked to finish ninth in the preseason.

Most recently, his hire of Mike Silva to lead the baseball program has gained positive reviews from highly respected figures around the college baseball world. Silva comes to Jonesboro after turning around a Nicholls State program the last three years, leading it to a pair of consecutive NCAA Regionals and multiple conference championships.

The Red Wolves have continued to excel academically under Purinton and his academic-support staff with over 200 student-athletes earning a spot on three of the last four Athletics Director's Honor Rolls. A-State posted at least a 3.02 all-department GPA for both the fall and spring semesters in 2023-24.

Arkansas State also increased its Graduation Success Rate (GSR) to a department-wide 85 percent in 2023, tying the school record previously set in 2018. Additionally, the NCAA's most recent Academic Progress Rate (APR) data from 2022-23 reflected a single-year 968 score for the Red Wolves, which was a 12-point improvement over the previous year. A-State had 12 sports either match or top their single-year score from the year before, including eight programs that achieved a perfect 1,000 to tie the most since 2019-20.

VICE CHANCELLOR FOR INTERCOLLEGIATE ATHLETICS
JEFF PURINTON

Purinton has and continues to serve on many prestigious committees, acting as a strong voice for student-athletes and intercollegiate athletics at the national, conference and campus levels. His first year at Arkansas State saw him appointed to the Sun Belt Conference's Women's Basketball Strategic Communications Committee, and he also serves on multiple Arkansas State University strategic planning committees. Most recently, Purinton was named Vice Chair of the Sun Belt Athletic Directors and was selected to represent the league at the 2024 College Football Playoff mock selection.

Purinton continues to evaluate and process information to strengthen A-State's national brand, but has already established a strong foundation for the future success of A-State Athletics. In addition to Alabama, Purinton's path to Jonesboro also included professional stops working with the Orange Bowl Committee (2006-07) and the Florida State Athletics Department (1994-2006) while also having a national presence on multiple college football committees.

Purinton served as Alabama's Executive Deputy Director of Athletics after being elevated to the position in 2021, but also held Deputy AD (2019-21), Executive Associate AD (2018-19), Senior Associate AD (2015-18) and Associate Athletics Director for Football Communications (2007-15) titles during his time with the Crimson Tide.

While operating as Executive Deputy Director of Athletics, Purinton was the sport administrator for football as well as the men's and women's golf programs after previously overseeing men's basketball. Additionally, he supervised several departments within athletics, including human resources, marketing and trademark licensing and was the liaison to Crimson Tide Sports Marketing, Alabama's LEARFIELD property.

When current Alabama Director of Athletics Greg Byrne was hired to lead the Crimson Tide in 2017, Purinton was charged with the creation and implementation of the department's new strategic plan. He served on the leadership group that helped develop and launch the department's new fundraising initiative (The Crimson Standard) with a 10-year goal of raising $600 million. The first phase of the campaign included renovations to both football locker rooms, the Sports Science Center at the Mal M. Moore Athletic Facility, Rhoads Softball Stadium, as well as recruiting and premium areas at Bryant-Denny Stadium.

Alabama football won six national championships in Purinton's time at UA and took home numerous team and individual national awards. Widely known as one of the best venues in college football, Purinton oversaw the revision of the football game-day production in 2017, improving the overall atmosphere and interaction from the crowd at Bryant-Denny Stadium. Part of that process included the implementation of new LED stadium lighting in 2019, which received positive reviews from both the players and fans.

In March of 2019, Purinton assisted Byrne in the search for a new head men's basketball coach that resulted in the hiring of Nate Oats from Buffalo. In Oats' second season at Alabama (and first full season), the 2020-21 team won both the regular-season and Southeastern Conference Tournament championships for the first time in 30 years and later advanced to the NCAA Sweet 16 and finished No. 5 in the final national rankings. Herb Jones was named SEC Player of the Year and earned All-America honors, while Oats was voted the SEC Coach of the Year. The 2021-22 squad once again advanced to the NCAA Tournament. In 2018, the Tide men's basketball team received an NCAA Tournament bid for the first time since 2012 and earned its first NCAA win since 2006.

In addition to working with several of Alabama's successful athletics teams, Purinton was the department oversight to one of the top LEARFIELD/IMG College groups in the nation in Crimson Tide Sports Marketing. CTSM was selected as the 2017 LEARFIELD Property of the Year after setting record-highs in revenue generation. Alabama has also ranked in the top two in royalties generated among the Collegiate Licensing Company's partner institutions each of the last 11 years and was No. 1 in five of the last six seasons.

In 2021, Alabama football's social media accounts each eclipsed the 1 million follower threshold, becoming the only college athletics team to reach this feat on Facebook, Twitter and Instagram. Combined, Alabama athletics social channels generated north of 1.1 billion impressions in 2020. With ties to social media and some of the other external units, Purinton was on the department's committee responsible for Alabama's plan for name, image and likeness and assisted with the creation of The Advantage, a comprehensive program that provides Tide student-athletes with the education and tools necessary to build and elevate their personal brands.

JEFF PURINTON

Purinton was hired at Alabama in the summer of 2007 as the Associate Athletics Director for Football Communications, handling all external areas of the program for Coach Nick Saban. He coordinated 12 ESPN College GameDay visits to Tuscaloosa as Alabama hosted the show more than any other school during that time frame. In addition to building and maintaining relationships with national media and the marketing/promotion of Crimson Tide football, Purinton helped strategize and implement plans for the Crimson Caravan (spring booster tour).

He was promoted to oversee all external areas within the department as well as the Crimson Tide Celebrity Golf Tournament beginning in June of 2015.

In 2006, Purinton was hired by the Orange Bowl Committee (OBC) as the Director of Media Relations and Communications. That year, the OBC eclipsed attendance and revenue goals for the Basketball Classic, Fan Fest, Pregame Tailgate Party and Fed Ex Orange Bowl (Louisville versus Wake Forest). Purinton also produced a weekly Orange Bowl radio show and a television program that featured the bowl-sponsored youth football initiative. He led planning for the 2009 BCS National Championship Game which included a $1.4 million media budget.

Prior to the Orange Bowl and Alabama, Purinton spent more than a decade at Florida State University working in various roles in the athletics department. He began as a student assistant in sports information during his undergraduate years, and followed up as a graduate assistant in 1998. He was promoted to a full-time role as assistant SID in 1999, where he worked directly with two of the winningest coaches in college history in Head Football Coach Bobby Bowden and Head Baseball Coach Mike Martin. In addition to the baseball and football SID duties, Purinton was the travel advance coordinator for the football program from 1999-2006.

In total, Purinton worked with 12 bowl teams at FSU including the 2000 Sugar Bowl where FSU defeated Virginia Tech to win the 1999 national title. He made two trips to the College World Series as the SID for the Seminole baseball program (1999 and 2000). In the 1999 season with FSU baseball, Marshall McDougall set the NCAA record with six home runs in a single game, and that team went on to finish runner-up at the national championship. From 2004-06, Purinton was the primary Sports Information Director for football.

Purinton has served on several College Football National Championship Game media coordination committees while working at Alabama and the Orange Bowl and was a member of the College Football 150th Anniversary Committee. He has successfully helped promote five Heisman Trophy winning campaigns (Chris Weinke at Florida State; Mark Ingram, Derrick Henry, DeVonta Smith and Bryce Young at Alabama) along with a Campbell Trophy winner (Barrett Jones at Alabama).

Purinton is a member of the National Association of Collegiate Director of Athletics and was previously a member of the Football Writers Associate of America. He was a 2019 NEXT UP honoree by CollegeAD and was selected to attend the NACDA AD Mentoring Institute (2017 & 2019) and the Lead1 Institute (2018). From 2016-17, Purinton served as the athletics department coordinator for the University's United Way campaign.

A native of Palatka, Fla., Purinton received his bachelor's degree in sports management and master's in athletics administration at Florida State University. He and his wife Julie have two daughters, Jillian and Josie.

CITY OF JONESBORO

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of over 70,000, and is always ready to welcome incoming A-State students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and Northeast Arkansas Symphony.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The City and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.
