CENTENNIAL BANK STADIUM

Thanks to one of two $5 million gifts - the largest individual donation in A-State Athletics history - by alumnus Johnny Allison, a “Centennial Expansion” construction and renovation project to Centennial Bank Stadium’s press box and west-side concourse took place prior to the 2015 season.

The entire project, including the press box and concourse, covered 40,000 square feet. The Centennial Expansion project included a complete overhaul to the stadium press box, expanding it from 7,120 to 36,000 square feet.

The face of the stadium was redesigned to include 42 loge boxes, 20 suites, a club area covering close to 8,000 square feet and 344 club seats in its revenue-generating areas.

Not only has depth been added to the press box, it now spans from approximately the 15-to-15 yard lines, allowing for enhanced media, coaching, broadcasting, control booth and camera areas.

The project also called for major improvements and additions to the concourse bathrooms, concessions, official gear and apparel shop and gating and ticketing areas that have improved the game-day experience for all A-State fans.

A-State partnered with Daktronics Inc. prior to the start of the 2014 season to install an approximately 1,600-square foot LED video display scoreboard in Centennial Bank Stadium’s south end zone, along with a custom audio system, play clocks and locker room clocks.

The south end zone display measures approximately 32 feet high by 50 feet wide and features a 15HD pixel layout. A Daktronics standard fixed-digit scoreboard measuring eight feet high by 32 feet wide was installed in the north end zone at the same time.

CENTENNIAL BANK STADIUM

A-State's first game at Centennial Bank Stadium was played Sept. 28, 1974. The stadium, which now seats 30,382, has undergone several renovations since then.

Most recently, construction of the two-level 66,500 square foot Centennial Bank Athletics Operations Center in the north end zone was completed prior to the start of the 2019 season. As part of the same project, new premium seating areas were built and in place for the 2018 season.

A-State originally transitioned from a grass field to an artificial playing surface prior to the 2006 season and upgraded to a state-of-the-art GEO Surfaces field turf in 2010. A new field was installed the summer prior to the start of the 2016 season. The multi-use surface provides year-round training opportunities for other A-State sports in addition to the school's football program.

A three-story football complex was built in the stadium's south end zone in 2002, which followed a stadium expansion in 1991 that raised the seating from 16,343 to 30,406.

CENTENNIAL BANK ATHLETICS OPERATIONS CENTER

Construction on a two-level 66,500-square foot football facility in Centennial Bank Stadium's north end zone was completed prior to the start of the 2019 season.

The Arkansas State Athletics Department is committed to providing its student-athletes, coaches and loyal fan base with the best facilities and amenities within the conference and across the country. The renovation to the north end zone enhances its fan game day experience and assists in the Red Wolves' ability to recruit and train the best student-athletes to Arkansas State University.

First and foremost, the facility enhances the Arkansas State student-athlete experience. The building features a weight room and training/rehabilitation area, team locker room, position meeting rooms, players' lounge, academic rooms and team-theater meeting area.

The Red Wolves Den, A-State's new outdoor premium seating options, has created a unique experience for fans; comprised of loge boxes and terrace seating with premium food and access to two cash bars.

The Arkansas State University Board of Trustees voted on Dec. 11, 2017, to name A-State's football field "Allison Field" and the north end zone facility "Centennial Bank Athletics Operations Center" in recognition of a combined $10 million from the Johnny Allison family and Centennial Bank to the Red Wolves Foundation.

Honoring the former A-State letterman who played on the 1968 football team, served on the ASU Board of Trustees from 1979-84 and was named an Arkansas State University Distinguished Alumni in 1998, "Allison Field" is proudly displayed at multiple locations on the field as well as the tunnel entrance into the Centennial Bank Athletics Operations Center.

LETTERMEN'S CLUB HERITAGE HALL

One of the many focal points of the Centennial Bank Athletics Operations Center is the A-State Lettermen's Club Heritage Hall, which welcomes both student-athletes and guests at the main entrance to the facility.

The spacious foyer features not only numerous aesthetic aspects, but is also highlighted by full uniforms worn by the A-State football team, a large video display, championship rings, names of members of the Lettermen's Club and displays that include both a photo and historical information about each of Arkansas State's all-time football conference championships.

The area brings together both A-State's rich history and current elements to give those passing through an overall glance at the Red Wolves' football program.

The Centennial Bank Athletics Operations Center's auditorium, located near the main entrance to the facility, features theater-style seating accommodating 201 people.

A large "Arkansas State Red Wolves" graphic covers the entire north wall and accents the black theatre chairs featuring A-State logos. State-of-the-art sound and video systems have been installed, making the area not only a space that can be utilized for team meetings, but also for multi-purpose events for the entire athletics department.

Wooden paneling used throughout both the north end zone facility and the Johnny Allison Tower covers a large portion of the east wall and acts as a backdrop behind a raised stage at the front of the room.

CHUCK AND TINA MITCHELL LOCKER ROOM

The Red Wolves moved into a state-of-the art locker room inside the Centennial Bank Stadium Athletics Operations Center prior to the start of the 2019 season.

Each student-athlete has a large customized locker with the latest amenities while enjoying a spacious area with multiple media centers in the locker room featuring a design and logos unique to A-State.

Each locker has numerous storage areas, including a space for shoulder pads that is attached to a ventilation system. The locker room bears the name of long-time A-State supporters Chuck and Tina Mitchell.

Among the amenities new to the facility is a barber shop, located adjacent to the locker room.

BILL TEMPLETON PLAYERS LOUNGE

The Bill Templeton Players Lounge is housed in the Centennial Bank Athletics Operations Center, providing players a large area to gather, enjoy interaction with teammates, relax or take part in the entertainment amenities provided within the room.

The location includes, but is not limited to, a fueling station, multiple televisions, video-gaming systems, a ping pong table, a pool table and shuffleboard.

The room is named after the late Bill Templeton, who was associated with A-State Athletics as a student-athlete, coach and administrator for 53 years. He leaves a lasting legacy of loyalty and love for his beloved A-State.

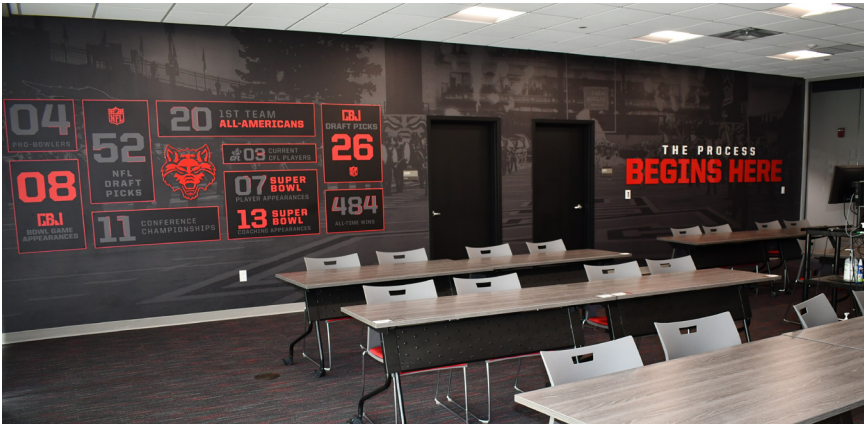

J-TOWN'S GRILL RECRUITING ROOM

A glass wall on the east side of the J-Town's Grill Recruiting Room fills this area inside the Centennial Bank Athletics Operations Center with plenty of natural light and serves as a warm welcome for guests while overlooking Red Wolf Boulevard.

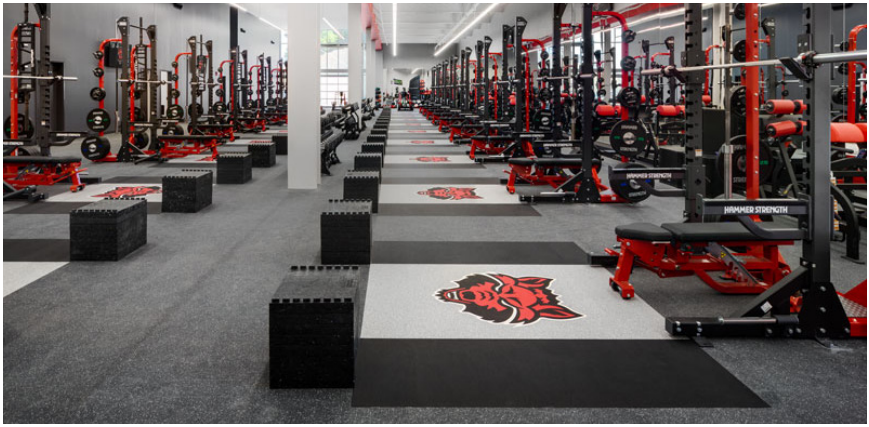

Not only are there displays featuring some of A-State's former and current NFL players, the spacious area is primarily utilized as a recruiting area where potential student-athletes can take pictures in front of a green screen and meet with staff and administration.

At the same time, the room is large enough that it can be used for meetings, gatherings and additional functions as needed. The recruiting room also connects to office space, including an area for NFL scouts to watch film of Arkansas State players.

ATHLETICS PERFORMANCE

One of the many impressive aspects of the Centennial Bank Stadium Athletics Operations Center is the athletics performance program and the approximate 10,000 square-foot weight room.

The area features 18 new powerlift racks, inlaid platforms, a designated nutrition center, new weights and cardio equipment, media (TV, audio, etc.) and direct access to the Student Activity Center, among much more.

The athletics performance staff offices are also located in the weight room and behind their efforts, led by Assistant Athletics Director for Athletics Performance Jeff Jones, the area is in full use to help Red Wolves student-athletes become bigger, stronger and faster.

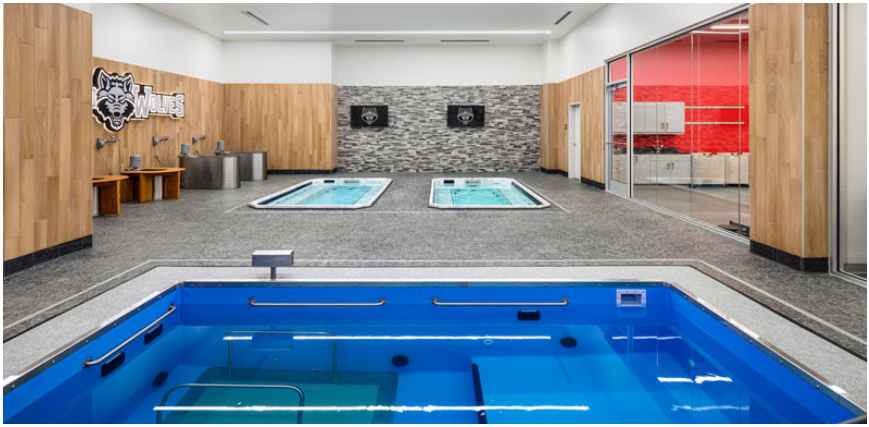

RON CARROLL SPORTS MEDICINE CENTER

The Centennial Bank Athletics Operations Center houses an enhanced sports medicine, training and rehabilitation area. The Ron Carroll Sports Medicine Center allows student-athletes, who already receive great medical care, additional space and quality surroundings.

Carroll joined the A-State staff in 1976 as the school's first certified athletic trainer, and he has since been inducted into the A-State Athletics Hall of Honor while also being tabbed an honorary member of the Arkansas State All-Centennial Team. Other training centers in First National Bank Arena, Tomlinson Stadium, Track & Field Complex and Women's Tennis & Soccer Facility serve to compliment this primary space and provide front line care for practices and events.

SOUTH END ZONE COMPLEX

In 2002, players and coaches moved into a new three-story facility which featured office space for coaches, dressing rooms, meeting rooms and a players' lounge all the way through the 2018 season.

With the construction of a new football operations center in the north end zone, the facility has been re-purposed to currently house athletics department administration and the visiting team locker room.

The old visitors locker room has been renovated to now house a new state-of-the art television broadcast control room and studio, complete with the latest technology and fibered to produce games at both Centennial Bank Stadium and First National Bank Arena.

Plans are in place to further renovate the administrative areas located in the building, as well as academic and student services areas.

A-State's former home locker room remains in place on the ground floor and now serves as the visitors locker room. However, between the 2002-18 seasons, it also housed on the ground floor a player lounge area, a weight room and athletic training areas.

Athletics administration offices comprise the second and third floors of the facility.

The original football facility, now known as the Charles Luter Family Academic Success Center and connected to the south end zone complex, houses academic and student services.

STUDENT ACTIVITY CENTER

Arkansas State University built a 78,000-square foot Student Activity Center (SAC), which also serves as an indoor practice facility for the A-State football team, in spring of 2014.

Located on the northeast corner of campus near Centennial Bank Stadium, the building provides a new venue for multiple programs across the university. The SAC was designed by Brackett Krennerich Architects of Jonesboro and Sparks Reed Architecture and Interiors of Tulsa, Okla.

The Student Activity Center was the first part of a university master plan for the eastern side of campus that continued with the “North End Zone Expansion” project, a separate 66,500-square foot project being funded independently of the SAC.

COMMUNITY SERVICE

The “Champions in the Community” initiative provides an opportunity for student-athletes to gain rewarding growth as individuals in A-State’s football program. At the same time, it goes hand-in-hand with Head Coach Butch Jones’ conviction that the football program and community are inherently linked together as integral parts necessary to develop a winning culture. The Red Wolves community-service efforts are backing up something Jones has been vocal about since his arrival in Northeast Arkansas – the support the football program and community provide each other are extremely important, so giving back is going to be a priority for A-State’s football program.

“I’m proud of the way our players and the community have both embraced this outreach, service and involvement,” said Jones. “We’re doing things weekly in Jonesboro and the surrounding areas, so we’re excited our players are getting out there and embedding themselves in our community.”

Since the program’s formation, the Red Wolves have been involved with community-service projects with people of all ages, visiting local schools, senior citizens and working with organizations such as Special Olympics.

A-State student-athletes have visited the A-State Child Development and Research Center to sanitize toys, read and spend time on the playground with children, and assist with landscaping. They have also visited the Visual and Performing Arts Magnet school to read to the kids and participate in “Recess with the Red Wolves.”

Players spent time at University Heights Elementary during parent drop-off to visit with students as they entered the school, and they provided a tour of the A-State football facilities for students from the Westside school district.

Including participating in two Special Olympics track meets at Valley View, the Red Wolves have spent time with multiple school districts in the area. They visited Blessed Sacrament Catholic School as part of a community-service event as well.

The Red Wolves enjoyed an ice-cream social with South Wind Heights, a senior-living community. They took part in a food drive for the Food Bank of Northeast Arkansas and signed autographs and visited with fans on Allison Field at Centennial Bank Stadium following their annual spring game.

While the football program has taken part in additional community-service projects and plans to continue visiting the same locations, they are working to expand their outreach in the future.

The Larry Lacewell Most Valuable Player Award was created in 2018 and named in honor of former Head Coach Larry Lacewell.

Lacewell coached and was athletic director at Arkansas State for 11 years.

Coach Lacewell continued to be a tremendous ambassador for A-State Athletics following his days with the program.

The annual award goes to the most valuable player on the team whose performance best exhibits the pursuit of excellence on the football field and in the classroom, the utmost character and integrity on and off the field, demonstrated leadership with a strong work ethic and commitment to his teammates and the undying will for victory.

Including a 2024 68 Ventures Bowl win over Bowling Green, the Red Wolves have been bowl eligible 15 of the last 20 seasons and made a school-record nine consecutive postseason appearances from 2011-19.

Following the 2012 season, A-State received votes in both the Associated Press and USA Today Coaches top-25 polls, while also ranking 23rd in the nation in the final CBSSports.com Power Poll.

A-State's nine consecutive bowl game appearances accounted for not only the 14th longest streak in the nation among all FBS programs, but also the third longest among the Group of 5.

The Red Wolves faced Northern Illinois in 2012, Kent State in 2013, Ball State in 2014 and Toledo in 2015 at the GoDaddy Bowl. The Red Wolves topped No. 25-ranked Kent State 17-13 and Ball State 23-20 for its two GoDaddy Bowl wins.

Arkansas State played Louisiana Tech in the 2015 New Orleans Bowl, one year before defeating UCF 31-13 in the 2016 Cure Bowl. A-State faced Middle Tennessee and Florida International in the 2017 and 2019 Camellia Bowl games, respectively, most recently topping the Panthers 34-26. FIVE-TIME SUN BELT CONFERENCE CHAMPIONS

Arkansas State has won the Sun Belt Conference five of the last 13 years, most recently claiming the 2016 title with a 7-1 record. A-State also won the 2011-13 and 2015 championships and owns a 68-42 league record since 2011.

During that span, A-State also saw players named the Sun Belt Player of the Year (6 times), Defensive Player of the Year (twice), Offensive Player of the Year (twice), Freshman of the Year (3 times) and Newcomer of the Year, while also gaining 168 all-conference selections.

ARKANSAS STATE UNIVERSITY

A Carnegie Research 2 Doctoral University, Arkansas State University is the second-largest university in the state and a leader in innovation and collaboration. Located in Jonesboro, A-State offers a unique combination of academic programs, research, outreach, and community engagement.

On-Campus Medical School

A-State hosts the first osteopathic medical school in Arkansas, the New York Institute of Technology's College of Osteopathic Medicine, where they are training physician leaders, patient advocates, and policy influencers to deliver outstanding care in the Mississippi Delta's most medically underserved regions.

College of Veterinary Medicine

Arkansas State University is creating a College of Veterinary Medicine to serve the needs of our state and region. From A-State's founding in 1909, the university has been an integral part of the agricultural fabric of the greater Delta region. The veterinary medicine project brings together the uniquely positioned resources of A-State with a distinct and growing need for veterinary practitioners. The first cohort of 120 students is expected to arrive in fall 2026.

Center for Advanced Materials and Steel Manufacturing

Plans are underway for the Arkansas State University Center for Advanced Materials and Steel Manufacturing to support the largest steel-producing region in the country. The multi-million-dollar facility will pair campus and industry researchers with high-tech equipment to advance the rapidly growing steel industry in the Arkansas Delta and Northeast Arkansas.

Academics & Research

Proud of its role in educating first-generation students for more than a century, A-State's stature and resources allow students to pursue their highest academic goals, while maintaining a culture where faculty and staff know students personally and Every Red Wolf Counts. The university consistently receives high marks nationally for the social mobility of its graduates.

The university continues to expand its research agenda through a variety of venues and institutes. As the host campus of the Arkansas Biosciences Institute, the university operates a state-of-the-art research facility where researchers are working at the intersection of medicine and agriculture to make discoveries focused on improving human health.

The Cultural and Economic Hub of Northeast Arkansas

As one of the largest employers in the area, A-State is the economic engine of Northeast Arkansas, producing more than 4,000 graduates each academic year. A recent economic impact study found that the university made a total economic contribution of $2.4 billion to Arkansas during the 2023-24 fiscal year.

Combined with the Red Wolf Convention Center and Embassy Suites Hotel, a one-mile radius of the A-State campus boasts the region's largest concert venue, First National Bank Arena, the largest concert hall and theatre at Fowler Center, and the region's leading visual arts facility in the Bradbury Art Museum. And, the A-State Museum, located adjacent to the

Dean B. Ellis Library, is home to the only accredited natural history museum on a university campus in our state.

Maintaining a safe and welcoming campus is a top priority. As the state's first Bicycle Friendly University, A-State is one of only 64 silver-status institutions in the country, highlighting the miles of on-campus trails for walkers, runners, and riders. A-State was also recently cited as having one of the top 25 university police departments in the country and is a National Weather Service StormReady Campus.

Welcome to Red Wolves Country

A-State is the home of the Red Wolves, an FBS Division I athletics program, that features 16 varsity sports teams, including football, cross country, basketball, golf, indoor track, outdoor track, and baseball for men; women athletes compete in soccer, outdoor track, cross country, indoor track, bowling, tennis, basketball, volleyball, and golf.

Dr. Brendan Kelly became the third president of the Arkansas State University System in 2024 and leads a collaborative, responsive, student-centered culture of innovation and continuous improvement at its seven institutions.

Dr. Kelly – who was selected by the Board of Trustees on June 5, 2024, and began his duties on Sept. 23, 2024 – has initiated a strategic planning process with the goal of making the ASU System more nimble and responsive to the talent needs of employers while shaping education around equipping students with the long-term problem-solving and learning capabilities.

The Flint, Mich., native served as president of the University of West Georgia from 2020-2024 prior to joining the ASU System. During his tenure, UWG completed a move in intercollegiate athletics from the NCAA Division II Gulf South Conference to the Division I Atlantic Sun Conference.

He was chancellor at the University of South Carolina Upstate in Spartanburg and Greenville from 2017-2020 and was appointed as interim president of the University of South Carolina in 2019. He was vice president of university advancement and president of the UWF Foundation, Inc., at the University of West Florida in Pensacola from 2013-2017, where he led a successful $50 million capital campaign. His teaching career spanned 13 years in Florida and Michigan in rhetoric and political communication.

A practiced academic leader, Dr. Kelly's focus at UWG was innovative programming both inside and outside the classroom with an emphasis on creating valuable life and career outcomes for students, with a commitment to launch and advance student careers upon graduation. He served on the board of directors of multiple regional and state economic development entities, as well as the Atlanta Regional Higher Education Consortium.

He is a member of the American Association of State Colleges and Universities board of directors and was named "One of the Most Influential Georgians" by Georgia Trend magazine and James Magazine. The ASU System, based in Little Rock, serves almost 35,000 students annually on campuses in Arkansas and Queretaro, Mexico, and globally online. The System includes two four-year institutions: Arkansas State University in Jonesboro and Henderson State University in Arkadelphia. Arkansas State University Campus Queretaro opened in September 2017. The system's two-year college institutions include ASU-Beebe, with additional campuses in Heber Springs and Searcy and an instructional site at Little Rock Air Force Base; ASU-Newport, with additional campuses in Jonesboro and Marked Tree; ASU-Mountain Home; ASU Mid-South in West Memphis; and ASU Three Rivers in Malvern.

DR. TODD SHIELDS
ARKANSAS STATE CHANCELLOR

An academic administrator, a nationally known scholar, and an unabashed champion for students, staff, and faculty, Dr. Todd Shields was named the fourth appointed chancellor and the 14th individual to lead Arkansas State University in 2022.

Placing new emphasis on student support services at A-State, Shields knows the pathway to higher retention and graduation begins with effective teaching strategies and on-campus programming tailored to the needs of the current generation of students. Now in his third year, he is working relentlessly to build partnerships with local community and industry leaders to strengthen Northeast Arkansas and create unmatched opportunities for the student population at A-State, which has grown more than 18 percent since his arrival.

Under Shields' leadership, Arkansas State University has launched several transformative initiatives that are reshaping the future of higher education in the region. In early 2025, the university broke ground on the state's first College of Veterinary Medicine, which will address critical shortages in rural veterinary care and expand A-State's impact on animal health and agriculture. Shields also led efforts to establish the Center for Advanced Materials and Steel Manufacturing, supported by $10 million in federal funding, positioning the university as a leader in applied research and talent development for the steel industry. In partnership with Arkansas Northeastern College and ASU-Newport, A-State secured competitive workforce grants to expand training opportunities across Northeast Arkansas. And with the construction of Windgate Hall of Art and Innovation, the university is fostering cross-disciplinary problem-solving through a dynamic new space that bridges art, engineering, computer science, and entrepreneurship.

Before arriving at A-State, he spent many years at the University of Arkansas, where he rose through the ranks to serve as dean of the largest academic unit in Fayetteville. Shields' depth of academic and administrative experience spans from department chair to research centers, and from deanships of individual colleges to divisions that touch all corners of the university. His two most recent academic appointments, dean of the Graduate School and International Education (GSIE) and dean of the Fulbright College of Arts and Sciences, illustrate his leadership strength.

One of Shields' signature contributions to UA was the creation of a School of Art within the college, bolstered by significant endowment gifts that funded the construction of a new campus space, serving as a partnership with the city of Fayetteville. Additionally, Shields played a pivotal role in the creation of the Diane D. Blair Center of Southern Politics and Society, serving as its founding director. Shields followed his time as department chair and Blair Center director with a year as the associate dean of the President William Jefferson Clinton School of Public Service in Little Rock.

He began his academic career as an assistant professor in political science at Arkansas in 1994 and was promoted to associate professor in 1999. He joined the Fulbright Institute of International Relations as its associate director in 2000 and became a full professor in political science in 2005. For eight years, he also concurrently chaired the political science department at UA.

Shields earned a Bachelor of Arts in political science and a Bachelor of Arts in psychology in 1990 from Miami University in Oxford, Ohio. He continued his education at the University of Kentucky, where he received his Master of Arts in political science in 1991 and his Ph.D. in 1994.

He and his wife, Karen, have two adult children, Savvy and Dane, and welcomed their first grandchild, Adeline Janine Wolfe, in March 2024.

CHRIS PEZMAN
VICE CHANCELLOR FOR INTERCOLLEGIATE ATHLETICS

Chris Pezman, a former student-athlete and 30-year veteran of the sports and entertainment industry, has been named the Red Wolves' Vice Chancellor for Intercollegiate Athletics, Arkansas State University Chancellor Dr. Todd Shields announced June 2, 2025.

Pezman becomes A-State's 14th Director of Athletics after most recently serving in the same capacity at his alma mater, the University of Houston, from 2017-24. Pezman has also served at the University of California-Berkley, two previous stints with the University of Houston and more than a decade in administrative positions at Reliant Park in Houston, now known as NRG Park.

During his tenure as Houston's Vice President for Intercollegiate Athletics, Pezman orchestrated the Cougars' move to the Big 12 Conference and guided the athletics department to unprecedented growth driven by competitive success, revenue generation and student-athlete development.

With Pezman at the helm, UH captured more than 30 conference championships across nine different sports and consistently participated in NCAA postseason competition, including the men's basketball team reaching five consecutive NCAA Tournaments and making a Final Four appearance in 2021. The Cougars' success in the classroom during the same time span was also evident as more than 500 student-athletes were named to the university's Dean's List and over 400 earned their degrees.

Houston's athletics facilities flourished under his watch as he implemented a "Houston Rise" capital campaign, focused on raising $150 million to help address essential capital priorities that included a state-of-the-art facility to house Cougar Football.

Houston opened the Fertitta Center, one of the nation's top collegiate basketball facilities, in December 2018 and sold out more than 60 games during Pezman's tenure. Other major upgrades or new projects included a baseball player development center, volleyball training courts and locker room, softball stadium reconstruction, an indoor banked track inside Yeoman Fieldhouse and the Dominic and Ellen Ng Academic Center for Excellence.

Prior to his time at Houston, where he was a football student-athlete and graduate assistant football coach under John Jenkins and Kim Helton, respectively, Pezman spent four years as a Senior Associate Athletics Director at the University of California-Berkeley.

His oversight included Facilities, Operations & Event Management and Capital Projects/Chief Operating Officer, and he reorganized his units to gain operational and financial efficiencies and instituted a comprehensive work order system to appropriately maintain $1 billion in physical assets under his purview.

Pezman oversaw Capital Projects for the Golden Bears, which included the $10 million Haas Pavilion scoreboard and audio improvements project, $5 million Underhill field hockey facility, La Loma field hockey practice facility and Maxwell Field/Stadium parking garage. At Cal, he also served as the primary football administrator, working with then-head football coach Sonny Dykes.

Pezman went to Cal after serving as Assistant Athletics Director for Football Operations (DFO) at the University of Houston for the 2012 and 2013 seasons, working with then-head coach Tony Levine's staff and helping lead the Cougars to a 2013 BBVA Compass Bowl appearance.

Prior to his time as Houston's Assistant Athletics Director, Pezman spent 12 years working within the executive management

team at Reliant Park, one of the world's largest sports and entertainment complexes. The complex hosts over 650 events a year and is home to the Houston Texans, Houston Livestock Show and Rodeo, Grand Prix of Houston and countless other events which bring more than 3.5 million guests to the site per year.

Pezman was a three-year football letterman at Houston (1990-92), serving as the team's captain during the 1992 campaign. He served as a graduate assistant coach (1993-94) and then as an assistant to the Director of Athletics for two years while working on his master's degree.

Pezman was elevated to Assistant Athletics Director for Operations, where he was involved with facility scheduling, facility oversight and summer camps before taking on his role with NRG Park and SMG Management.

The two-time Southwest Conference Commissioner's Academic Honor Roll member earned his undergraduate degree in economics and completed coursework for his master's in hotel and restaurant management.

Pezman, a Laguna Beach, Calif., native is married to the former Marisol Guillamondegui and the couple has three children – Seth (25), Sydney (21) and Sarah (19).

Along with Lou Holtz and Tommy Tuberville, he is one of just three FBS head coaches in the history of college of football to lead four different programs to multiple bowl games.

The 2024 class was the first in school history to include multiple ESPN300 recruits.

Led by Sun Belt Conference Freshman of the Year Jaylen Raynor in 2023, A-State has had 39 players combine for 40 all-conference selections in Jones' first four seasons. 1951 REFRIGERATOR BOWL

December 2, 1951

ARKANSAS STATE	12	7	7	20	-	46
CAMP BRECKINRIDGE	0	6	0	6	-	12

EVANSVILLE - Richie Woit rushed for 170 yards and three touchdowns to spark Arkansas State to a 46-12 win over Camp Breckinridge in the 1951 Refrigerator Bowl.

The Indians made their first appearance in a post season contest a successful one by throttling the Screaming Eagles. The game was played before some 10,000 avid fans who had packed their way into Reitz Memorial Bowl for the fourth annual classic.

With the offense running plays with machine-like precision and the defense stingy about giving ground to such heralded ex-college backfield greats as Larry Coutre, Ron Clark, and Bob Kilfoyle, the Indians turned in one of their best performances of the year. A-State steamrolled to 25 first downs and a net rushing game of 396 yards while holding the Screaming Eagles to nine first and tens and a net gain of 55 yards.

Throughout the first quarter, indications pointed to a close, bruising battle. The Indians finally started rolling, however, and pushed across two quick touchdowns in the waning moments of the initial quarter. From that point on, A-State had little difficulty in crashing through the Brekinridge line for sizable gains and an occasional six-pointer.

Spearheading the A-State offense was Richie Woit, whose sensational performance earned him the annual W.A. Carson award for the outstanding player in the game. The swivelhipped right halfback crossed the goal stripes three times and broke loose on several sparkling runs. Other Indian touchdowns were made by fullback Rudy Wagner and halfback Buzzy Gebert, who each ran for two six-ply counters.

1952 TANGERINE BOWL

January 1, 1952

ARKANSAS STATE	7	6	0	7	-	20
STETSON	7	0	21	7	-	35

ORLANDO - A-State's bid for a second bowl victory was ruined when the Tribe's pass defense collapsed and enabled powerful Stetson to explode for 21 points in the third quarter and emerge with a 35-20 victory in the Tangerine classic in Orlando New Year's night.

The Indians dominated the play throughout the first half and led 13-7 at the intermission, but the vaunted passing of Stetson's two-time Little All-America quarterback, Bill Johnson, in the second half wrecked the Indians' chances for a second postseason win.

A-State fullback Carl Greenwald capped an 87-yard drive midway in the initial period by powering across from the four for the first score of the game. Don LaPlante booted the extra point and A-State led 7-0. A few minutes later, Johnson passed to end Dave Laude for a Stetson six-pointer and Don Martin converted to tie things up at 7-7.

Greenwald put the Indians back into the lead with another four-yard touchdown early in the second period. LaPlante missed the kick for the point after touchdown and the score stood at 13-7 with A-State out front.

Johnson brook loose in the third heat to pass for to pass for two touchdowns and set up a third. The score at the end of the third period found Stetson on the long end of a 28-13 count. A-State's final score came in the fourth quarter when freshman quarterback Jim Dinges flipped a heave to end John Koldus in the end zone. Stetson added another touchdown in the final period to complete the final score of 35-20.

ARKANSAS STATE	6	0	0	13	-	19
WESTERN KENTUCKY	0	14	13	7	-	34

EVANSVILLE - In a return trip to the Refrigerator Bowl, Arkansas State came up short against Western Kentucky 34-19.

A-State was without the services of star halfback Richie Woit due to injuries received in a previous game. Two bright spots for the Indians, however, were Manual Vidal and John Koldus. Time after time Vidal reeled off huge chunks of yardage and scored one of three Indian touchdowns. Koldus intercepted two passes, returning one of them 25 yards for the final Indian score.

The Hilltoppers overcame an opning 73-yard drive on A-State's first possession to move to 9-1 on the year. Western Kentucky scored 34 unanswered points before a pair of fourth quarter touchdowns ade it more respectable. Hilltoppers quarterback Jimmy Feix completed 16 of 25 passes for 182 yards.

TEXAS A&M-COMMERCE	0	0	0	7	-	7

ORLANDO - Texas A&M-Commerce, heavily favored with the nation's longest win streak at 29 games, had to march 61 yards in the fourth period to manage the tie. ASU had scored in the first quarter on 20-yard Bobby Spann to Jim Turley pass. Dan Spensieri intercepted a Texas A&M-Commerce pass in the final period and appeared on the way to scoring with it, but dropped the ball out of bounds at midfield.

1968 PECAN BOWL

December 14, 1968

ARKANSAS STATE	0	0	0	14	-	14
NORTH DAKOTA STATE	9	14	0	0	-	23

ARLINGTON - In the Indians first bowl game in 15 years, Paul Hatchett led North Dakota State to a defeat of A-State 23-14 in the Pecan Bowl.

Combining the phenomenal running of Hatchett and a second quarter ankle injury to Frank McGuigan, A-State's top offensive threat, the Her protected their No. 1 small college rating and record a perfect 10-0 season.

Bill Bergey, A-State's linebacker supreme, was named the outstanding defensive player of the game for his 21 tackles and two interceptions.

The Bison used a James Hamilton fumble in the first quarter to score first and later in the preiod drove 70 yards in seven plays to tack up their second TD.

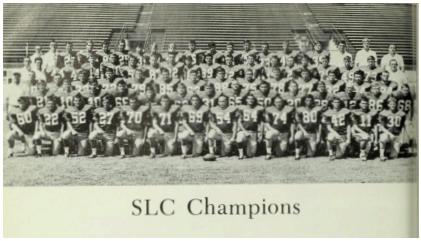

A field goal and a scamper by Hatchett for 18 yards into pay dirt just before halftime completed the North Central Conference champion's scoring.

Finally in the fourth quarter, Hamilton got the protection he needed and responded by hitting tight end Virgil Peyton and split end Joe Waleszonia repeatedly and got a score with 12:17 left.

Two series later, after Hatchett had fumbled, the Indians drove 57 yards for the final score with Hamilton taking it in.

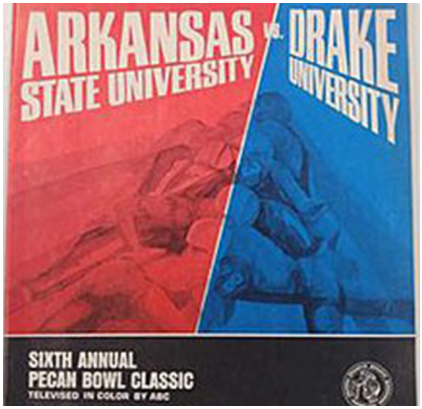

But it was too little and too late.

1969 PECAN BOWL

December 15, 1969

ARKANSAS STATE	7	15	0	7	-	29
DRAKE	0	0	13	8	-	21

ARLINGTON - It was early in the first quarter of the 1969 Pecan Bowl, the Arkansas State fans were thinking back to the 1968 post-season contest. In that game, All-America tailback Frank McGuigan had been injured in the opening period, was never able to return, and the Indians lost to top-ranked North Dakota State.

Now it was a year later, and, almost unbelievably, A-State was faced with a similar situation. Quarterback James Hamilton was injured on the Indians' third offensive play, and it was soon determined he would not be able to play any more that day. But then a 5-10, 160-pound ball of fire named Wayne "Bubba" Crocker took over as field general and directed A-State to a sweet, 29-21 victory over Drake, avenging a 21-21 Homecoming tie.

Crocker fired touchdown passes of 75 yards to Steve Lockhart and eight yards to Virgil Peyton, in addition to running for one TD and a two-point conversion to give A-State a 22-0 lead at halftime. The Bulldogs countered with 21 points in the second half, but a three-yard run by Calvin Harrell in the final period sewed up the victory.

For Crocker, a senior, it was the last chance to perform in an Arkansas State uniform, and perform he did, earning the most valuable offensive player award in the game. ASU swept the individual game honors, as tackle Clovis Swinney took the defensive award.

1970 PECAN BOWL

December 12, 1970

ARKANSAS STATE	3	14	7	14	-	38
CENTRAL MISSOURI	0	7	0	14	-	21

ARLINGTON - Despite a small crowd, incomplete construction and an opponent that was of little notoriety, other than possessing a 9-1 record, the Pecan Bowl was still lauded as a success for Arkansas State.

The Indians, ranked first in the final AP and UPI polls, dumped Central Missouri 38-21 to complete the first undefeated-untied season in the history of the school. Finishing 11-0 for the season, the Indians extended their win streak to 14 and 19 games without a defeat, the only blemish being a 21-21 controversial tie with Drake in the 1969 Homecoming tilt.

A-State quarterback James Hamilton, who led the Indians to 509 yards total offense, and defensive back Dennis Meyer were named the bowl's offensive and defensive standouts, respectively. Hamilton passed for 244 yards and three touchdowns while Meyer picked off two passes, one of which resulted in the first A-State touchdown.

A regionally televised audience watched as the Indians ran the score to 38-7 then ran in the scrubs. The Mules picked up their remaining scores in the fourth quarter, but it was too little and too late.

RENO - A couple of muffed field goal chances in the closing seconds prevented ASU from overcoming a 24-10 deficit in a blizzard. The Indians, who led 10-7 at halftime, also fumbled away an opportunity on the six and missed an extra point and 48-yard field goal - all in the final quarter. ASU, which had the ball 37 minutes and totaled 407 yards and 23 first downs, had 84 rushing yards from Dwane Brown.

Linebacker Dan Miller led the way with 14 tackles, two interceptions and two tipped passes. He rushed for 180 yards and passed for 306 in one of the greatest quarterback exhibitions ever against an Indian team. The defending national champ Eagles averaged 7.5 yards per play and controlled the ball nearly 36 minutes. ASU fumbled on the second play of the game, and GS converted that miscue into a TD. 2005 NEW ORLEANS BOWL

December 20, 2005

ARKANSAS STATE	0	10	9	0	-	19
SOUTHERN MISS	0	10	14	7	-	31

LAFAYETTE — The final score showed 31-19 in favor of the Golden Eagles of Southern Miss when the clock struck 0:00, but the final score didn't do justice to the Arkansas State team and the effort of the Indians on the night.

A-State quarterback Nick Noce passed for 213 yards and a touchdown on the night while rushing for 55 yards and another score. The Golden Eagles rode the surprising ground attack of Cody Hull and his 161 yard effort and Dustin Almond's 253 passing yards and two scores to the win.

Stars of the game for the Indians were numerous, but Myron Anderson's nine-tackle effort was easily the defensive effort on the night. Anderson set a career high in tackles in his final collegiate contest while being credited with three tackles for loss. Safety Tyrell Johnson had another solid night, registering nine tackles and defensive end Brandon Rollins chipped in a career high seven tackles and a forced fumble.

Offensively it may have been the Noce show, but the A-State running backs kept the USM defense honest, allowing Noce to throw for the second-best passing performance of the season for the Indians. Noce completed passes to seven different receivers with his favorite target being Gary Vincent. Vincent ended with three receptions for 53 yards.

NORTHERN ILLINOIS	13	8	0	0	-	21

MONTGOMERY - A 13-yard touchdown pass from Jaylen Raynor to Corey Rucker made it a two-point game with just over a minute left, but the Arkansas State football team could not complete the comeback in a 21-19 loss to Northern Illinois in the Camellia Bowl.

A-State (6-7) rallied from a two-touchdown deficit on Saturday in the historic Cramton Bowl Stadium, but the Huskies (7-6) recovered an onside kick and ran out the final minute. NIU outgained the Red Wolves 421-351 and owned nearly a 20-minute advantage in time of possession.

Raynor passed for 250 yards and completed both of his touchdown strikes to Rucker, who hauled in five catches for a game-high 107 yards. Rucker moved to fourth all-time in career touchdown receptions (16), while racking up his seventh career game with 100-plus receiving yards.

Trevian Thomas and Samy Johnson picked off a pair of passes in the first half. Also on the defensive side of the ball, Johnson and Dane Motley led the way with career highs of 11 tackles apiece.
