MIKE SILVA, who signed a contract extension through June 30, 2031, is in his second season as head baseball coach at Arkansas State after leading the Red Wolves to one of the most significant turnarounds in program history during his first year in 2025. Silva was named the sixth head coach of the Arkansas State baseball program on June 13, 2024. The 2023 Southland Conference Coach of the Year joined the program after three seasons at Nicholls, guiding the Colonels to a 98-71 record and back-to-back Southland Conference Tournament titles in his first stint as a Division I head coach.

AT ARKANSAS STATE (2025-PRES.)

Silva guided A-State to 26 victories, its most since 2019, and back to the Sun Belt Conference Tournament for the first time since 2021, posting the best all-time record by a head baseball coach in his first season at Arkansas State. Picked to finish last in the Sun Belt's 2025 Preseason Coaches Poll, the Red Wolves finished the regular season with their best conference winning percentage since 2014, earning the No. 8 seed in the league tournament and doubling their Sun Belt win total from the previous season.

Under Silva's leadership, Arkansas State won its most conference series (five) since 2017, recorded its first road-series win over Louisiana in 13 years, defeated multiple nationally ranked opponents for the first time since 2019, and saw its NCAA RPI improve by 74 spots from the previous season. The Red Wolves also claimed their most home victories in 11 years and ranked among the Sun Belt's top three teams in several key pitching and defensive categories.

The Red Wolves made significant strides in numerous offensive, defensive and pitching statistical categories while ranking among the top three teams in the Sun Belt in ERA (4.44), shutouts (4), walks allowed per nine innings (3.79), hits allowed per nine innings (8.49), WHIP (1.36) and double plays (44).

AT NICHOLLS (2022-24)

Nicholls' saw significant improvement in every aspect under his leadership over three seasons. The team increased their batting average from .219 (283rd in nation) to .303 (35th). Defensively, the program's fielding percentage increased from .965 (202nd) to .974 (81st). On the mound, strikeouts per nine innings increased from 7.5 (238th) to 9.0 (78th) and hits per nine innings decreased from 9.34 (136th) to 8.99 (55th).

2024: Silva led the Colonels to a 38-22 (16-8 SLC) record during his third year in Thibodaux. His program ranked inside the top 100 nationally in most statistical

categories, including shutouts (5th), runs scored (22nd), hits (29th), scoring (31st), on-base percentage (37th), WHIP (70th), and strikeouts per nine innings (78th). Nicholls went on to claim their second consecutive Southland Conference championship en route to a 2024 regionals birth in Corvallis, Oregon.

In addition, Silva played an important role in the development of 2024 ABCA/Rawlings Gold Glove selection Edgar Alvarez, who was also named a Perfect Game All-American, ABCA/Rawlings Second Team All-American, and First Team All-LWSA.

2023: In just his second season at the helm, Silva led the program to its first SLC regular season title in school history and second SLC tournament title. Nicholls won five-of-eight conference series and finished the regular season with a 34-24 (15-9 SLC) record. The Colonels went undefeated in the conference tournament to claim their first title and regionals appearance in 25 years.

2022: Led Nicholls to a 26-25 (12-12 SLC) record in his first season with the program, which was a five-win improvement from a 21-34 (16-24 SLC) campaign the year prior. It was the Colonels' first winning season since 2017.

Silva produced six All-Southland honorees and a SLC All-Defensive team selection.

AT LOUISIANA TECH (2019-21)

Served as an assistant coach for three seasons, leading the Bulldogs to eight shutouts in 2021, including a victory over top-ranked Arkansas. The pitching staff ranked third in Conference USA for saves (15), and fourth in ERA (5.01) plus batters struck out (454). He produced one all-conference selection and guided Jarret Whorff to Collegiate Baseball National Player of the Week honors.

In 2020, Louisiana Tech led CUSA in ERA (3.03), WHIP (1.15) and hits allowed per nine innings (6.78). During Silva's inaugural season with the Bulldogs, the pitching staff led the league in strikeout-to-walk ratio (2.58) and walked the second-fewest batters per nine innings (3.30) while ranking third in strikeouts per nine innings (8.5) and second in ERA (4.28).

AT LITTLE ROCK (2017-18)

Spent two seasons as the pitching coach under head coach Chris Curry, helping the Trojans reach new milestones during his brief stint. He guided the Trojans staff to the fifth-lowest ERA in the Sun Belt in 2018 (4.61). The Trojans lowered their team ERA in each of Silva's two seasons in Little Rock. Silva coached his pitchers to a program-record 471 strikeouts in 2018, good for 8.5 strikeouts per nine innings to rank third in the league.

In 2017, his pitching staff broke the program record for strikeouts (463) in a single season for the first time and the team ERA dropped from 6.20 in 2016 to 4.76 one year later.

AT SAN DIEGO PADRES (2016)

Silva spent one season in the professional ranks, serving as an area scout for the San Diego Padres in Oklahoma, Arkansas, Kansas Nebraska, South Dakota and North Dakota.

AT TEXAS STATE (2013-15)

Served as an assistant coach for three seasons with the Bobcats, primarily working with the team's position players. Silva reached the conference tournament in all three seasons and produced three All-WAC selections along with six MLB Draft selections.

AT JUNIOR COLLEGE LEVEL

Silva has four years of head coaching experience at the junior college level, spending three seasons at Clarendon College from 2009-11 before moving to Galveston College in 2012. He led the Whitecaps to their first winning season in 13 years and their first regional tournament since 2007.

He won 111 games with the Bulldogs to become the winningest coach in program history at the time, achieving the second-highest ranking (15) and producing the second All-American in school history along with a Big Stick Award winner and the conference player of the year.

Silva served two other stints at Clarendon College as an assistant, from 2003-05 and in 2008, helping the program earn 40 wins and a regional championship appearance. Between stints at Clarendon, Silva spent the 2006 seasons as an assistant at Bethany College where the team posted 40 wins and ranked as high as No. 18 in the NAIA poll.tournament in all three seasons and produced three All-WAC selections along with six MLB Draft selections.

AS A PLAYER

Prior to his coaching career, Silva played at Northwestern Oklahoma State University, helping lead the team to three consecutive regional tournaments and a 49-win season in 2001. He finished 19th in the nation for batting average that year (.426). Following his collegiate career, Silva played two seasons of independent baseball and was recognized as an All-Star during his rookie season in the Southeastern Professional Baseball League.

PERSONAL

Silva is a native of Hull, Mass. and earned his bachelor's degree in leadership at Bellevue University in Nebraska. He earned his master's degree in education at East Central University in Ada, Okla. He is married to the former Reagan Page and has a son, Dylan.

2026 COACHING STAFF

8 CHRIS JOBLIN

ASSISTANT COACH (HITTERS & INFIELDERS) | 2ND SEASON | CENTRAL MISSOURI (2009)

Arkansas State baseball head coach Mike Silva announced the addition of former Miami Marlins area scout Chris Joblin to the Red Wolves' staff on July 1, 2024. Joblin serves as the hitting coach, infielders coach, and recruiting coordinator for the Red Wolves.

In his first season on Silva's staff in 2025, Joblin helped guide Arkansas State to one of the most significant turnarounds in recent program history. The Red Wolves posted 26 victories, their most since 2019, and returned to the Sun Belt Conference Tournament for the first time since 2021 after being picked last in the league's preseason poll. A-State finished the regular season with its best Sun Belt winning percentage since 2014, earned the No. 8 seed in the conference tournament, doubled its league win total from the previous season and improved its NCAA RPI by 74 spots.

Working with the Red Wolves' offense and infielders, Joblin played a key role in Arkansas State making notable gains in several offensive categories, including batting average, hits, doubles, total bases and slugging percentage, while also defeating multiple nationally ranked opponents and winning its most conference series since 2017.

Joblin came to Arkansas State after spending six seasons as an area scout with the Miami Marlins, covering the South Texas and South Louisiana regions. During his time with the organization, he served as the signing scout for six Major League Baseball Draft selections, highlighted by Jacob Berry, a third baseman from LSU who was selected sixth overall in the 2022 MLB Draft and currently plays for the Marlins' Triple-A affiliate, the Jacksonville Jumbo Shrimp.

Prior to his professional baseball experience, Joblin served as the head coach at Galveston College from 2013-18, compiling a 199-148 overall record, winning a conference championship in 2014 and guiding the Whitecaps to six consecutive NJCAA Region XIV Tournament appearances.

Joblin produced an NJCAA All-American in four consecutive seasons and sent 11 players to the professional level, including two — Gerardo Reyes and Gabe Klobosits — who reached the major leagues.

"My wife, Teena, our children, Jett and Cooper, and I are extremely excited to be here in Jonesboro," said Joblin. "My family and I would like to thank Jeff Purinton, Mike Silva, and the entire athletics administration for their excitement, support and encouraging welcome to Arkansas State University. I am thankful for the opportunity to help lead Arkansas State baseball into a new and exciting chapter!"

He began his coaching career as an assistant at New Mexico Junior College in 2010 and took the same position at Clarendon College one year later. He was elevated to head coach ahead of the 2012 campaign before departing after one season. The Bulldogs ranked inside the top 10 nationally in the NJCAA in team batting average and appeared in the Region V Tournament in both seasons.

"I am excited to have Chris and his family join our staff for the upcoming season," Silva said. "We worked together in the past and I have been waiting a long time to find a way to work with him again. We are fortunate to bring him in from the Marlins, and I know his professional experience will help take our program to new heights."

50 JERRY CERVANTEZ

ASSISTANT COACH (CATCHERS, HITTERS, & OUTFIELDERS) | 2ND SEASON | TEXAS STATE (2009)

Arkansas State baseball head coach Mike Silva announced the addition of former Texas State assistant coach Jerry Cervantez to the Red Wolves' staff on July 2, 2024. Cervantez serves as the catchers and outfielders coach for Arkansas State.

In his first season on Mike Silva's staff in 2025, Cervantez helped guide Arkansas State to one of the most improved overall performances in the Sun Belt Conference. The Red Wolves posted 26 victories, their most since 2019, and returned to the Sun Belt Conference Tournament for the first time since 2021 after being picked last in the league's preseason poll. A-State finished the regular season with its best Sun Belt winning percentage since 2014, earned the No. 8 seed in the conference tournament and improved its NCAA RPI by 74 spots.

Working closely with the Red Wolves' catchers and outfielders, Cervantez played a key role in Arkansas State ranking among the top three teams in the Sun Belt in several defensive categories, including ERA (4.44), shutouts (4), WHIP (1.36) and double plays (44), while also defeating multiple nationally ranked opponents and winning its most conference series since 2017. He also worked closely with Kaden Amundson, who ranked seventh among Sun Belt Conference catchers with a .995 fielding percentage during the 2025 season.

Cervantez arrived in Jonesboro after spending six seasons at Texas State, where he served as the hitting and catching coach and played an important role in the Bobcats' 2019 Sun Belt Conference championship and 2022 Sun Belt West Division title.

During his tenure in San Marcos, Texas State established a new school record for home runs in 2022 (87) and nearly matched that total in 2023 (83). Cervantez helped guide the program to its first regional finals appearance in school history and coached Dalton Shuffield to All-American and Sun Belt Player of the Year honors.

"I am excited to be joining Coach Silva's staff at Arkansas State," said Cervantez. "Mike is one of the best in the business and I'm honored he has put his trust in me. I look forward to embracing the culture as we compete for Sun Belt Championships and prepare our student-athletes for excellence in life."

Cervantez worked as an assistant coach at Clarendon College from 2013-15, overseeing hitting and recruiting in addition to strength and conditioning responsibilities. He became the pitching and catching coach at Western Texas College ahead of the 2016 season, where his staff led the conference in earned run average during the 2017 and 2018 seasons.

"We are pleased to have Jerry join our staff for the upcoming season," Silva said after Cervantez's hiring. "He has worked and grinded through all levels of college baseball over the years and is very deserving of this opportunity. Our players are going to benefit daily from his attention to detail and passion for player development!"

He began his coaching career as an assistant at New Mexico Junior College in 2010 and took the same position at Clarendon College one year later before being elevated to head coach ahead of the 2012 campaign. The Bulldogs ranked inside the top 10 nationally in the NJCAA in team batting average and appeared in the Region V Tournament in both seasons.

2026 COACHING STAFF

47 CODY LIVINGSTON

ASSISTANT COACH (PITCHERS) | 2ND SEASON | SOUTHERN MISS (2016)

Arkansas State baseball head coach Mike Silva announced the addition of veteran coach Cody Livingston to the Red Wolves' staff on July 3, 2024. Livingston serves as the pitching coach for Arkansas State.

In his first season on Silva's staff in 2025, Livingston helped guide Arkansas State to one of the most improved pitching performances in the Sun Belt Conference. The Red Wolves posted 26 victories, their most since 2019, and returned to the Sun Belt Conference Tournament for the first time since 2021 after being picked last in the league's preseason poll. A-State finished the regular season with its best Sun Belt winning percentage since 2014, earned the No. 8 seed in the conference tournament and improved its NCAA RPI by 74 spots.

Under Livingston's direction, Arkansas State ranked among the top three teams in the Sun Belt in several key pitching and defensive categories, including ERA (4.44), shutouts (4), walks allowed per nine innings (3.79), hits allowed per nine innings (8.49), WHIP (1.36) and double plays (44). The Red Wolves also defeated multiple nationally ranked opponents and won their most conference series since 2017.

Livingston came to Arkansas State after spending three seasons working with pitchers at Nicholls, playing a significant role during the Colonels' conference championship runs in 2023 and 2024. Under his leadership, the Nicholls pitching staff ranked inside the top 100 nationally in most statistical categories during the 2024 season.

The Colonels ranked fifth nationally in shutouts (6), 55th in hits allowed per nine innings (8.99), 70th in WHIP (1.49), 78th in strikeouts per nine innings (9.0) and 74th in earned run average (5.23). Livingston also produced six all-conference selections and one Southland Conference Freshman of the Year during his time in Thibodaux.

"I am extremely honored to be a part of the Arkansas State family. I am grateful to Mike Silva for trusting me with this incredible opportunity," Livingston said. "I am excited to be back in the state of Arkansas and I look forward to getting started working with our staff and players to help further the success of Arkansas State baseball."

After four years as a pitcher at Southern Miss, Livingston joined the Little Rock coaching staff as an assistant in 2018. The Trojans earned their first postseason victory in eight years during his first season and won 29 games while finishing second in the Sun Belt one year later.

He became an assistant at Mississippi Gulf Coast Community College in 2020, coaching five All-MACCC selections and one All-NJCAA selection over two seasons with the program.

"I am excited to welcome Cody and his wife, Kelsea, to our family," Silva said. "He has been with me from day one at Nicholls, playing an important role in building the program. I know he will do an outstanding job developing our pitchers and I can't wait to continue coaching with him in the future!"

TOMLINSON STADIUM-
SLAYTON FAMILY FIELD

Named for A-State pioneer J.A. 'Ike' Tomlinson and the Slayton Family Foundation, Tomlinson Stadium-Slayton Family Field was opened in 1993. Originally named after Baseball Hall of Famer George Kell 31 years ago, Kell Field would be renamed to Slayton Family Field following renovations during the Winter of 2024-25. The complex includes Tomlinson Stadium and Slayton Family Field as well as the baseball offices and indoor workout facilities for Arkansas State baseball.

"Coach Ike," as Tomlinson was known to his former players and A-State fans, was primarily responsible for the rebirth of A-State Athletics following the end of World War II. He coached numerous programs, including baseball, and served as the school's athletic director. He was a part of Arkansas State Athletics for almost six decades, and the school honored him in 1993 by placing his name on the new baseball facility.

The Slayton Family Foundation was founded by Arkansas State University alumnus Joe Slayton, who was a football letterman at the school from 1976-79 and Pi Kappa Alpha fraternity member. He was twice named All-Southland Conference as a player, tabbed the starting punter on Arkansas State's All-Centennial Football Team that was announced in 2014, and inducted into the A-State Athletics Hall of Honor in 2021.

Kell, a native of Swifton, Ark., was elected to the Baseball Hall of Fame in 1983, and was an active supporter of Arkansas State baseball for many years until his death in 2009. Kell edged out Ted Williams for the 1949 MLB batting title, going 2-for-3 on the final day of the season, while Williams was hitless in two at-bats. Kell's final mark on the season was .3429, while Williams posted a .3427 average. He was a 10-time American League All-Star who hit over .300 in eight consecutive seasons. Kell twice led the American League in hits and in doubles, and in the late 1940's and early 1950's, he was regarded as the best third baseman in the American League.

Arkansas State has continued making improvements to the facility, including work in the dugout and indoor facility as well as increasing the school's colors of Scarlet and Black around the complex. A batter's eye was added along with retractable indoor and all-weather batting cages. Prior to the 2007 season, the Barton's Baseball Deck picnic area was added, and prior to the 2008 season over 200 field-level seats were added.

Thanks to a donation from the Slayton Family Foundation, the natural grass playing surface formerly known as Kell Field was replaced with a state-of-the-art artificial turf for the first time in the history of Tomlinson Stadium prior to the 2025 campaign. In addition, two bullpens were built in the left and right field corners, padded walls were installed around the entire playing area, and a new videoboard was added.

Along with the new seating, which includes 26 handicap-accessible seating areas, are new

party boxes which are available for groups and corporate events. In addition, the backstop netting was replaced.

The Legacy Walk was also created prior to the 2008 season to recognize friends of Arkansas State Baseball for their contributions to the program.

Prior to the beginning of the 2017 season, updates to the indoor and outdoor batting cages were made, including a HitTrax computer hitting simulation system. Lights were installed at the stadium, and Arkansas State hosted its first night baseball games in the 1996 season, thanks in part to the donations and support of many Indian baseball fans. The outfield dimensions for Tomlinson Stadium-Slayton Family Field are 325 feet down the left and right field lines, 365 to the power alleys and 385 to straightaway centerfield. The outfield wall is eight feet high.

A-State also added a Spinball Wizard pitching machine for hitters and Rapsodo - a pitch-tracking device that provides immediate feedback for the Red Wolves' pitching staff.

PLAYER DEVELOPMENT **CENTER**

The Arkansas State Athletics Department announced that plans are proceeding with the construction of a proposed 40,000 square-foot baseball Player Development Center that will overlook right field at Tomlinson Stadium and Slayton Family Field.

The proposed construction establishes a plan for the home of A-State baseball to continue its transformation into a modernized complex following the installation of a turf playing surface and new videoboard prior to the start of the 2025 season.

"Building a championship-caliber program requires dedication, vision, and the right resources," said Vice Chancellor for Intercollegiate Athletics Chris Pezman. "Establishing a new baseball practice facility is more than just an upgrade—it's a vital step forward in creating an environment where excellence thrives and athletes are empowered to reach their full potential.

"This planned facility will serve as the foundation for our pursuit of championships, providing our team with the sustainable tools and opportunities necessary to train, grow, and compete at the highest level. Together, we are investing in a future where our program stands among the very best, and every player has the chance to become a champion."

The proposed two-level Player Development Center will include state-of-the-art amenities to enhance training opportunities for the Red Wolves and provide a diverse set of resources for the baseball program. The planned facility will house a full turf infield, three batting cages, three pitching tunnels, a weight room, multi-purpose meeting spaces, coaching and support staff offices and opportunities for premium seating."

"This project will have long-term implications on the growth of our baseball program, providing us with a big piece of the infrastructure needed for future success," said head coach Mike Silva. "The proposed facility will allow for player development all year as well as access to equipment that we didn't have before. The recruiting impact associated with this facility is monumental, and it will have a positive impact on all areas of our program. I'm excited for not only our student-athletes and staff, but everyone associated with our program. We want to thank the many community leaders who are playing an instrumental role in making this project become a reality."

The planned facility will not only enhance the student-athlete experience for current and future Red Wolves, it will also feature a premium outdoor-seating area with an indoor club available on game days. The new seating areas and aesthetic improvements to the stadium will combine to upgrade the game-day experience for fans and also allow for private and corporate event opportunities on non-game days.

"This is truly a community project that wouldn't be possible without the assistance of many great A-State supporters," said Chancellor Dr. Todd Shields. "The construction of this planned facility is a testament to what we can accomplish as One Pack, and continues the momentum we have with our baseball program under the leadership of Coach Silva."

Architectural renderings have been completed by MNB Architects and CNI Construction Network, Inc., of Jonesboro plans to begin work very soon, pending project approval by the Arkansas State University System Board of Trustees. The facility will be paid for entirely through private funds as part of the One Pack strategy between Arkansas State University and the Red Wolves Foundation.

"The advancement of a campus with facilities like this one produces elevation both for student-athletes and the community at large," said Dr. Brendan Kelly, president of the Arkansas State University System. "We're committed to a competitive athletics program and are grateful for the ongoing financial and fan support of the community to help us achieve success."

ATHLETICS
FACILITIES

Arkansas State's athletics programs compete in top-of-the line facilities.

Centennial Bank Stadium, which opened in 1974, has evolved into a beautiful stadium which seats over 30,000 fans. The stadium has undergone a "Centennial Expansion" construction project that covers 40,000 square feet, including the press box and concourse. Construction on a two-level 66,500 square foot operations center in the north end zone was also completed prior to the start of the 2019 season.

The 192,000 square-foot First National Bank Arena is a multi-purpose facility that is home to the A-State basketball, volleyball and indoor track and field teams.

Coaches and student-athletes moved into a new $2.7 million track and field complex in spring 2004. It contains a newly-resurfaced eight-lane 400-meter track and can be set up for two NCAA venues.

Three local country clubs graciously allow A-State men's and women's golf programs to utilize their facilities for practice and play.

J.A. "Ike" Tomlinson Stadium-Slayton Family Field serves as the home to Red Wolves baseball. Built in 1993, the stadium received complete lighting in 1996, 206 field level seats were added for the 2008 season, a new scoreboard was installed in 2011, and an artificial turf surface was added in 2025.

A-State's newest women's program, bowling, competes in the Jonesboro Bowling Center, where a new locker room, lounge and pro shop have been constructed.

The Red Wolves' soccer and track and field teams utilized the same stadium for the first time in school history during the 2014-15 season, as the soccer field was relocated as part of the track facility.

A-State has also completed a new women's soccer and women's tennis facility, which houses both squads' locker rooms, training room, offices and more. New tennis courts were also completed in 2016 as well.

Facilities have received a number of facelifts over the last decade, making sure that the athletics department's "front door" and other sports areas possess a first-class appearance.

Also included in the upgrades have been renovations inside the A-State Football Facility and weight rooms, locker rooms and training rooms at both Centennial Bank Stadium and First National Bank Arena, where a new court has also been installed.

ACADEMIC SUCCESS CENTER

STUDENT ACTIVITY CENTER

Arkansas State University built a 78,000-square foot Student Activity Center (SAC), which also serves as an indoor practice facility for the A-State football team, in spring of 2014.

Located on the northeast corner of campus near Centennial Bank Stadium, the building provides a new venue for multiple programs across the university. The SAC was designed by Brackett Krennerich Architects of Jonesboro and Sparks Reed Architecture and Interiors of Tulsa, Okla.

The Student Activity Center was the first part of a university master plan for the eastern side of campus that continued with the "North End Zone Expansion" project, a separate 66,500-square foot project being funded independently of the SAC.

STRENGTH & CONDITIONING

The main Arkansas State University strength and conditioning area features 70 work stations, flooring, flexibility area, power area, speed area, cardiovascular area, training equipment, Olympic weightlifting platforms, air and heating system and training security measures.

First National Bank Arena also includes the state-of-the-art Strength and Conditioning Room, which was remodeled prior to the 2008-09 season. The upgrades included all new weights, new floor covering, wall covering, lighting and entrance doors.

The project was completed at a cost of approximately $150,000 with a large portion of the funding coming from a generous contribution from the Clopton Clinic of Jonesboro.

ATHLETIC TRAINING

The A-State Sports Medicine Department operates five athletic training rooms on campus. First National Bank Arena is the home for all men's and women's basketball, women's volleyball, and indoor track competitions and practices.

Located in First National Bank Arena is a 2,000-square foot athletic training room which is fully equipped to provide all the necessary pre and post-practice treatment. The Tim and Terri Langford Sports Medicine area has undergone recent changes and construction such as new tables, flooring, ceiling, paint and offices.

ARKANSAS STATE UNIVERSITY

A Carnegie Research 2 Doctoral University, Arkansas State University is the second-largest university in the state and a leader in innovation and collaboration. Located in Jonesboro, A-State offers a unique combination of academic programs, research, outreach, and community engagement.

On-Campus Medical School
A-State hosts the first osteopathic medical school in Arkansas, the New York Institute of Technology's College of Osteopathic Medicine, where they are training physician leaders, patient advocates, and policy influencers to deliver outstanding care in the Mississippi Delta's most medically underserved regions.

College of Veterinary Medicine
Arkansas State University is creating a College of Veterinary Medicine to serve the needs of our state and region. From A-State's founding in 1909, the university has been an integral part of the agricultural fabric of the greater Delta region. The veterinary medicine project brings together the uniquely positioned resources of A-State with a distinct and growing need for veterinary practitioners. The first cohort of 120 students is expected to arrive in fall 2026.

Center for Advanced Materials and Steel Manufacturing
Plans are underway for the Arkansas State University Center for Advanced Materials and Steel Manufacturing to support the largest steel-producing region in the country. The multimillion-dollar facility will pair campus and industry researchers with high-tech equipment to advance the rapidly growing steel industry in the Arkansas Delta and Northeast Arkansas.

Academics & Research
Proud of its role in educating first-generation students for more than a century, A-State's stature and resources allow students to pursue their highest academic goals, while maintaining a culture where faculty and staff know students personally and Every Red Wolf Counts. The university consistently receives high marks nationally for the social mobility of its graduates.

The university continues to expand its research agenda through a variety of venues and institutes. As the host campus of the Arkansas Biosciences Institute, the university operates a state-of-the-art research facility where researchers are working at the intersection of medicine and agriculture to make discoveries focused on improving human health.

The Cultural and Economic Hub of Northeast Arkansas
As one of the largest employers in the area, A-State is the economic engine of Northeast Arkansas, producing more than 4,000 graduates each academic year. A recent economic impact study found that the university made a total economic contribution of $2.4 billion to Arkansas during the 2023-24 fiscal year.

Combined with the Red Wolf Convention Center and Embassy Suites Hotel, a one-mile radius of the A-State campus boasts the region's largest concert venue, First National Bank Arena, the largest concert hall and theatre at Fowler Center, and the region's leading visual arts facility in the Bradbury Art Museum. And, the A-State Museum, located adjacent to the Dean B. Ellis Library, is home to the only accredited natural history museum on a university campus in our state.
Maintaining a safe and welcoming campus is a top priority. As the state's first Bicycle Friendly University, A-State is one of only 64 silver-status institutions in the country, highlighting the miles of on-campus trails for walkers, runners, and riders. A-State was also recently cited as having one of the top 25 university police departments in the country and is a National Weather Service StormReady Campus.

Welcome to Red Wolves Country
A-State is the home of the Red Wolves, an FBS Division I athletics program, that features 16 varsity sports teams, including football, cross country, basketball, golf, indoor track, outdoor track, and baseball for men; women athletes compete in soccer, outdoor track, cross country, indoor track, bowling, tennis, basketball, volleyball, and golf.

A-State also sponsors club sport teams, including rugby, softball, competitive cheer and dance, and esports, which have earned national titles or runner-up titles in recent years.

INTERCOLLEGIATE ATHLETICS COMMITTEE

The Intercollegiate Athletics Committee (IAC) was formed in the spring of 1997. The IAC reviews and makes recommendations on issues involving the welfare of student-athletes, the role of athletics in campus life, and the athletics program's compliance with the university, conference, and NCAA regulations; serves as a search advisory committee for key athletics program personnel; reviews the role of existing and potential sports programs; and reviews the athletics budget. The committee reports to the Chancellor.

DR. ROBIN MYERS

Dr. Robin Myers is interim president of the Arkansas State University System for a second time.

The ASU System Board of Trustees appointed Myers interim president on Dec. 12, 2025, following the resignation of Dr. Brendan Kelly, who left to become president of his alma mater, Eastern Michigan University.

Myers retired from ASU-Mountain Home after serving 11 years as chancellor and was designated Chancellor Emeritus by the ASU System Board of Trustees on July 18, 2023.

He previously served as interim president of the ASU System in 2024, and since that time has remained engaged with the ASU System as a consultant on the new Career Readiness Education & Skills Training (CREST) Center in Jonesboro, which is a collaboration among A-State, ASU-Newport and Arkansas Northeastern College.

Myers became chancellor of ASU-Mountain Home on July 16, 2012. His innovative leadership provided the impetus for development of many new technical programs on the campus. He also oversaw a rebranding initiative that included a new logo and mascot, the Trailblazer owl, and guided the campus through the pandemic challenges. His commitment to community partnerships led to creation of a disc golf course, a walking and biking trail and a community holiday festival.

The Dr. Robert L. Myers Technical Education Campus on U.S. 62 West in Mountain Home was named in recognition of his contributions to development of the tech center and advancements at ASU-Mountain Home.

Prior to joining ASU-Mountain Home, Myers was president of Arkansas Northeastern College in Blytheville from 2005-2012.

He graduated from Arkansas State University in 1981 with a bachelor's degree in accounting. He received his master's degree in operations management and supervision from the University of Arkansas in 1988, and his Doctor of Philosophy in higher education administration from the University of Memphis in 2000.

ARKANSAS STATE CHANCELLOR
DR. TODD SHIELDS

An academic administrator, a nationally known scholar and an unabashed champion for students, staff and faculty, Dr. Todd Shields was named the fourth appointed chancellor and the 14th individual to lead Arkansas State University.

Placing new emphasis on student support services at A-State, Shields knows the pathway to higher retention and graduation begins with effective teaching strategies and on-campus programming focused on the needs of the current generation of students. Now in his third year, he is working relentlessly to build partnerships with local community and industry leaders to strengthen Northeast Arkansas and create unmatched opportunities for the more than 14,000 students at A-State.

Before arriving at A-State, he spent many years at the University of Arkansas where he rose through the ranks to serve as dean of the largest academic unit in Fayetteville. Shields' depth of academic administrative experience spans from department chair to research centers and from deanships of individual colleges to divisions touching all corners of the university. His two most recent academic appointments, dean of the Graduate School and International Education (GSIE) and dean of the Fulbright College of Arts and Sciences, illustrate his leadership strength.

One of Shields' signature contributions to UA was the creation of a School of Art within the college, bolstered by significant endowment gifts to fund construction of a new campus space that serves as a partnership with the city of Fayetteville. A $120 million gift from the Walton Family Charitable Support Foundation established the School of Art, with a following $70 million total in support from the Windgate Foundation for the 154,600-square-foot Windgate Studio + Design Center, which anchors a new art district redevelopment south of the campus core on Dr. Martin Luther King Jr. Boulevard. He also secured $90 million in software and equipment gifts to programs throughout the Fulbright College.

Shields played a pivotal role in the creation of the Diane D. Blair Center of Southern Politics and Society, serving as the founding director of the interdisciplinary research center. Shields followed his time as department chair and Blair Center director with a year as the associate dean of the President William Jefferson Clinton School of Public Service in Little Rock.

He began his academic career as an assistant professor in political science at Arkansas in 1994, and was promoted to associate professor in 1999. He joined the Fulbright Institute of International Relations as its associate director in 2000, and in 2005 became a full professor in political science. For eight years, he also concurrently chaired the political science department at UA.

In 2013, Shields was named interim Fulbright dean, then the permanent dean in July 2014 where he led the college until departing UA to become chancellor at A-State. Fulbright College's three schools, 16 academic departments and 10 research centers span 30 academic programs.

Among numerous achievements during his time as the Fulbright dean was the creation of the Fulbright College Student Success Center. Some of the key retention-based programs included Destination Arkansas Blackboard Assignment to provide orientation to all first-year students, Strategies for Success (S4S) which was a zero-credit course offered to all UA students who fell into academic probation in their first semester to create a plan to improve their academics, and a Life Strategies and Career Awareness Course to improve student achievement. One of the key outcomes of the Student Success Center was a reduction of low grades and failure rates in the college's core courses and an increase in first-year retention.

He is the co-author of three significant books related to electoral politics: The Long Southern Strategy: How Chasing White Voters in the South Changed American Politics (2019); The Persuadable Voter: Wedge Issues in Presidential Campaigns won the 2009 Robert E. Lane Award for the best book in political psychology; and his first book Money Matters: Campaign Finance Reform and Congressional Elections was published in 1999. He is also an editor on six other books, has published more than 40 articles and made more than 50 presentations in his research areas of data analytics, public opinion and election strategies. His efforts have also resulted in more than $25 million in grants and research support as a principal or co-principal investigator.

Shields earned a Bachelor of Arts in political science and a Bachelor of Arts in psychology in 1990 at Miami University in Oxford, Ohio. He continued his education at the University of Kentucky where he received his Master of Arts in political science in 1991 and his Ph.D. in 1994. In addition, Shields participated in Ohio State University's Summer Institute in Political Psychology in 1993 and Harvard University's Management Development Program in Higher Education in the summer of 2006.

He and his wife, Karen, have two adult children, Savvy and Dane, and welcomed their first grandchild, Adeline Janine Wolfe, in March 2024.

VICE CHANCELLOR FOR INTERCOLLEGIATE ATHLETICS
CHRIS PEZMAN

Chris Pezman, a former student-athlete and 30-year veteran of the sports and entertainment industry, has been named the Red Wolves' Vice Chancellor for Intercollegiate Athletics, Arkansas State University Chancellor Dr. Todd Shields announced June 2, 2025.

Pezman becomes A-State's 14th Director of Athletics after most recently serving in the same capacity at his alma mater, the University of Houston, from 2017-24. Pezman has also served at the University of California-Berkley, two previous stints with the University of Houston and more than a decade in administrative positions at Reliant Park in Houston, now known as NRG Park.

During his tenure as Houston's Vice President for Intercollegiate Athletics, Pezman orchestrated the Cougars' move to the Big 12 Conference and guided the athletics department to unprecedented growth driven by competitive success, revenue generation and student-athlete development.

With Pezman at the helm, UH captured more than 30 conference championships across nine different sports and consistently participated in NCAA postseason competition, including the men's basketball team reaching five consecutive NCAA Tournaments and making a Final Four appearance in 2021. The Cougars' success in the classroom during the same time span was also evident as more than 500 student-athletes were named to the university's Dean's List and over 400 earned their degrees.

Houston's athletics facilities flourished under his watch as he implemented a "Houston Rise" capital campaign, focused on raising $150 million to help address essential capital priorities that included a state-of-the-art facility to house Cougar Football.

Houston opened the Fertitta Center, one of the nation's top collegiate basketball facilities, in December 2018 and sold out more than 60 games during Pezman's tenure. Other major upgrades or new projects included a baseball player development center, volleyball training courts and locker room, softball stadium reconstruction, an indoor banked track inside Yeoman Fieldhouse and the Dominic and Ellen Ng Academic Center for Excellence.

Prior to his time at Houston, where he was a football student-athlete and graduate assistant football coach under John Jenkins and Kim Helton, respectively, Pezman spent four years as a Senior Associate Athletics Director at the University of California-Berkeley.

His oversight included Facilities, Operations & Event Management and Capital Projects/Chief Operating Officer, and he reorganized his units to gain operational and financial efficiencies and instituted a comprehensive work order system to appropriately maintain $1 billion in physical assets under his purview.

Pezman oversaw Capital Projects for the Golden Bears, which included the $10 million Haas Pavilion scoreboard and audio improvements project, $5 million Underhill field hockey facility, La Loma field hockey practice facility and Maxwell Field/Stadium parking garage. At Cal, he also served as the primary football administrator, working with then-head football coach Sonny Dykes.

Pezman went to Cal after serving as Assistant Athletics Director for Football Operations (DFO) at the University of Houston for the 2012 and 2013 seasons, working with then-head coach Tony Levine's staff and helping lead the Cougars to a 2013 BBVA Compass Bowl appearance.

Prior to his time as Houston's Assistant Athletics Director, Pezman spent 12 years working within the executive management team at Reliant Park, one of the world's largest sports and entertainment complexes. The complex hosts over 650 events a year and is home to the

Houston Texans, Houston Livestock Show and Rodeo, Grand Prix of Houston and countless other events which bring more than 3.5 million guests to the site per year.

Pezman was a three-year football letterman at Houston (1990-92), serving as the team's captain during the 1992 campaign. He served as a graduate assistant coach (1993-94) and then as an assistant to the Director of Athletics for two years while working on his master's degree.

Pezman was elevated to Assistant Athletics Director for Operations, where he was involved with facility scheduling, facility oversight and summer camps before taking on his role with NRG Park and SMG Management.

The two-time Southwest Conference Commissioner's Academic Honor Roll member earned his undergraduate degree in economics and completed coursework for his master's in hotel and restaurant management.

Pezman, a Laguna Beach, Calif., native is married to the former Marisol Guillamondegui and the couple has three children – Seth (25), Sydney (21) and Sarah (19).

FACILITIES: Media facilities at Tomlinson Stadium consist of a press box for radio and television broadcasters and reporters.

CREDENTIALS: Credentials for home games can be requested through Duncan Harmon. Spouses, dates, children and non-workers are NOT permitted in the media areas. Passes must be displayed at all times, and A-State reserves the right to revoke passes and privileges at any time due to misrepresentation or misconduct. Requests for road game credentials may be made through the A-State Media Relations Baseball SID (Duncan Harmon).

PARKING: Parking is on a first-come, first-serve basis for baseball games.

ENTRY: Media representatives with proper A-State-issued or outlet-issued credentials will be allowed entrance at the main gate of Tomlinson Stadium.

GAME SERVICES: Notes, rosters, reference guides, statistical packets, and live statistics (StatBroadcast) are provided. Complimentary sodas and water will be available before and throughout the game.

PHOTOGRAPHERS: Photographers are not allowed to shoot from the field (for security, insurance and safety reasons). Photographers may shoot from the stands, provided they do not impede sightlines of spectators, as well as walls down the first and third baselines.

INTERVIEWS: Head Coach Mike Silva will be available after each game, following a brief team meeting. A-State student-athletes will also be available by request at this time. The A-State baseball clubhouse is CLOSED to the media following games. To arrange for a student-athlete interview during the week, contact Duncan Harmon, Media Relations Graduate Assistant at (512) 966-4622.

INJURY INFORMATION POLICY: A student-athlete's protected health information is protected by federal regulations under either the Health Information Portability and Accountability Act (HIPAA) or the Family Educational Rights and Privacy Act of 1974 (the Buckley Amendment) and may not be disclosed without either the student-athlete's authorization under HIPAA or their consent under the Buckley Amendment. Authorized/consented injury information pertaining to a student-athlete shall be released to the media through the Athletics Media Relations Department after being authorized by the athletic trainer. It's also appropriate in post-game or weekly press conferences for head coaches to announce team injury updates. It's the policy of the Department of Athletics to provide accurate information on injuries and not withhold injury information from the media. Team physicians may be available to offer explanation on injuries if requested by the athletic trainer. Any sideline or locker room report made to the media shall be made by an athletic trainer, team physician, or a media relations staff representative.

RADIO: Radio broadcasts of Red Wolves baseball will be on the EAB Red Wolves Sports Network and will also be available over the Internet. Matt Stolz is the "Voice of the Red Wolves". The visiting team's official radio station, as designated by the visitors' SID, will also be permitted origination privileges. A courtesy line is provided in the press box. Any questions regarding broadcasts or the use of facilities should be directed to Duncan Harmon.

WEB ACCESS: Schedules, rosters, statistics, student-athlete bios, news, etc. are available on the official A-State Athletics website at www.AStateRedWolves.com and then click on baseball.

RADIO: Radio broadcasts of Red Wolves men's basketball will be on the EAB Red Wolves Sports Network and will also be available over the Internet. Matt Stolz is the "Voice of the Red Wolves". The visiting team's "official" radio station, as designated by the visitors' SID, will be permitted origination privileges. Two courtesy lines are provided courtside.

Matt Stolz is in his 21st season as the play-by-play announcer for A-State baseball on the EAB/Red Wolves Sports Network.

CITY OF JONESBORO

Jonesboro, home of Arkansas State University, weighs in as the largest city in Northeast Arkansas. As a matter of fact, if you form a triangle by connecting Little Rock, St. Louis and Memphis, Jonesboro stands out as the largest metropolitan city in what amounts to a 17,000 square mile triangular area.

Jonesboro is a great city of over 70,000, and is always ready to welcome incoming A-State students from the moment they arrive in town. The booming community has matured over the past half century into a regional center for cultural, educational, industrial, commercial, agricultural, communication, transportation, recreational and medical interests. It contains almost every convenience of a big city and every comfort of a small town.

The community is alive with cultural events such as the art exhibitions, theatrical and musical productions, not only on campus but in the city itself through the Jonesboro Fine Arts Council, NEA Foundation of Arts, the Forum and Northeast Arkansas Symphony.

Jonesboro is also the medical hub of northeast Arkansas and southeast Missouri, with two major hospitals and countless medical professionals. The city is also a shopping mecca, offering a modern business district as well as quaint downtown antique shops and restaurants.

One of the five largest cities in Arkansas, Jonesboro is located between the vast and fertile Mississippi River and the cultural and scenic richness of the Ozark Mountains. It is nestled about 70 miles west of Memphis, Tennessee, on the gentle slopes of Crowley's Ridge.

Jonesboro is a comfortable one hour drive from Memphis, two hours from Little Rock and four hours from St. Louis. The City and University have meshed resources in recent years and have truly become the "capital" of the northeast quadrant of the state.

Northeast Arkansas is a recreation haven for the person who enjoys water sports, fishing, hunting, and boating as well as the joys of unspoiled nature. Jonesboro and the surrounding area have an abundance of lakes, rivers, ponds, streams and forests to serve as nature's playgrounds for the avid outdoors person.
