

## GEORGE FOX UNIVERSITY BASEBALL RECORDS (updated 5/14/22)

George Fox baseball records are incomplete and continuously being researched to bring them up-to-date. Few records remain from the days before George Fox joined the NAIA in 1965. Known highlights from that period include Robert Armstrong's 15 strikeouts vs. Lewis & Clark in 1949 and 73 season strikeouts in 1948, and Darwin "Cub" Grimm's 21 strikeouts vs. Reed College in 1957. Anyone with documented evidence of other records that should be included in this section should contact the Sports Information Director.
