# The **ORANGE** & **BLUE** Fund

Be Strong. Be True.

Over 500 students participate in Hope's athletic program each year. Hope's student-athletes and teacher-coaches are passionate about using sport, academics and service to shape their time at Hope College. Our fans are the best in the nation and give our teams a significant advantage through their promotion and support.

At Hope College, we believe intercollegiate sport is a powerful vehicle for education and personal development. The mission of Hope Athletics is to promote and provide programs defined by:

- academic success,
- competitive excellence, and
- transformational experiences.

The Orange & Blue Fund exists to support this mission. You can join the team by making a gift to the Orange & Blue Fund. Gifts are used to enhance the student-athlete experience as well as providing access to college for all Hope students.
