VOLLEYBALL BEGINS QUEST FOR FOURTH CONSECUTIVE REGIONAL TITLE VS. NEW FOE

The 10th-ranked Hope College volleyball team is ready to serve again in the NCAA Division III Tournament and eyes a program-best fourth regional crown in a row.

The Flying Dutch open against a new opponent in Southern Virginia University from the USA South Athletic Conference. Hope, the regular-season MIAA champion, received an at-large berth to the national tournament after finishing runner-up in the MIAA Tournament. The Flying Dutch are led by three AVCA all-region selections announced earlier this week: setter and Region 7 Player of the Year Lauren Lee, middle blocker Kamryn Burbridge and middle blocker Olivia Wyma.

This is the Flying Dutch's 21st NCAA Tournament appearance and their seventh consecutive. Hope has earned regional championships and reached the national quarterfinals five times: 2024, 2023, 2022, 2013 and 2009. The Flying Dutch's all-time postseason record is 36-19 in 20 appearances (.655). Hope claimed a national title in 2014, finished national runner-up in 2023, advanced to the national semifinals in 2009, and reached the national quarterfinals in 2022 and 2013. Ironically, Hope lost to eventual national champion Juniata College in each of the past three tournaments.

Hope has never faced an opponent from the USA South. The Flying Dutch went 13-5 against non-MIAA opponents this season.

A HOPE WIN WOULD....

be the program's sixth consecutive victory in a regional quarterfinal, a streak that began in 2019. The Flying Dutch's last opening-round loss was to DePauw University in five sets in 2018. Hope owns an all-time regional quarterfinal record of 15-5 (.750).

earn the Flying Dutch a regional semifinal match against either host Carnegie Mellon or Stevens. Hope is 4-3 vs. Carnegie Mellon, including a three-set victory in Pittsburgh this season on Sept. 18 during an east coast road trip. After visiting CMU, the Flying Dutch went on to win four matches Gallaudet on Sept. 19-20. Hope has never played Stevens. CMU and Stevens play after the Hope-Southern Virginia match.

Five times, Schmidt guided led the Flying Dutch to MIAA Tournament titles: 2024, 2023, 2021 spring, 2016, and 2010. The 2021 spring title occurred during the COVID-19 pandemic.

Four times, Schmidt led the Flying Dutch to unbeaten records in MIAA play (8-0 in 2024 and 2023 and 16-0 in 2005 and 2009). The 2024 team won all 24 sets during eight MIAA matches. The 2009 team had a 34-4 mark, a school record for victories, and advanced to the national semifinals. The 2013 team reached the national quarterfinals and ended with a 32-3 record.

In November 2008, she was elected the NCAA Division III representative to the Board of Directors of the American Volleyball Coaches Association (AVCA).

Schmidt had an article published in the June-July, 2008 issue of "Coaching Volleyball", the publication of the American Volleyball Coaches Association. The article, "Cultivating Competition: Five Scrimmages to Kindle Your Athletes' Competitive Fire," flows from coach Schmidt's twin interests: volleyball and sports psychology.

A 1999 Hope graduate, Schmidt played middle blocker and ranked among the NCAA leaders in several statistical categories. She was voted the most valuable player in the Michigan Intercollegiate Athletic Association (MIAA) as both a junior and senior. As a senior, she became the first Hope volleyball player to receive NCAA Division III All-American honors. She was also awarded an NCAA Postgraduate Scholarship.

A kinesiology major, she received departmental recognitions for her academic work. Her senior year she was presented the John Schouten Award as the college's outstanding female student-athlete. After graduating from Hope she was a graduate assistant volleyball coach at Miami University of Ohio while completing her master's degree in Sport Behavior and Performance. Prior to returning to her alma mater, she was head coach at the University of Redlands, Calif., compiling a 38-33 record in three seasons at the NCAA Division III institution. Schmidt has also coached volleyball club teams in Michigan, Ohio, and California. In California, she has coached the Redlands Dragons 18s team and helped establish a volleyball development program for 12-year-olds. In 2002 she coached a USA Athlete's International volleyball team to a gold medal in Australia.
