LYCOMING COLLEGE: A COLLEGE OF DISTINCTION

Founded in 1812, Lycoming College is a four-year, private institution dedicated to the undergraduate education of 1,400 students. Its rigorous academic program, vibrant residential community and supportive faculty foster successful student outcomes. Located near the banks of the Susquehanna River in Williamsport, Pa., Lycoming is one of the 50 oldest colleges in the nation and boasts more than 16,000 alumni. The College celebrates its position as a Tier 1 institution by U.S. News & World Report.

ACADEMIC RIGOR

By design, Lycoming is focused exclusively on undergraduate education. We believe a liberal arts and sciences education best prepares students for their future endeavors. The college's interdisciplinary curriculum, featuring 36 majors as well as numerous minors and several pre-professional programs, challenges our students to excel. At Lycoming, we are not just teaching skills, we are teaching students to learn. That difference means a graduate who is prepared for the career of the future.

COMMITTED FACULTY

Lycoming firmly stands behind the traditional liberal arts and sciences model. Our classes are small and nearly all are taught by full-time faculty members who make teaching their top priority. Students have the distinct benefit of learning from highly-credentialed faculty members, 94 percent of whom hold the highest degree in their field. Lycoming's intimate learning environment

featuring a 14-to-1 student-faculty ratio allows students to reap the benefits of individual attention. The resulting camaraderie, established through daily interaction both in and outside of the classroom, creates a special culture on campus and encourages students to work hard because they know the professors are committed to their success.

COLLABORATIVE LEARNING

When students graduate from Lycoming, they do so with the ability to think critically, communicate purposefully and work collaboratively. These important qualities are fostered through the college's interdisciplinary approach to learning as well as the emphasis that is placed on in-depth writing, exploration of ideas and cooperative projects. Many students also gain valuable hands-on experience through shared research with faculty members as well as internships and practicums, both on and off campus. These opportunities provide our students with an added advantage when applying for graduate school or that first job.

VIBRANT COMMUNITY

Lycoming offers a vibrant, residential community where 85 percent of our students live on campus in a welcoming and supportive environment. Outside of their academic endeavors, students are encouraged to have fun and further enhance their overall development by immersing themselves in the residential experience, Greek life, performing arts, clubs and organizations, and varsity

athletics. Such learning and leadership opportunities help to raise students' self-expectations and establish a solid foundation for a successful future.

INVESTMENT IN STUDENTS

Lycoming students reap the rewards of the college's sound and strategic fiscal management plan. Our well-managed financial resources translate into academic strength and opportunity, a beautiful and functional campus and the ability to admit students regardless of their financial need. By investing available resources in the areas that impact students most – highly-qualified faculty, research and technology, programs that develop character and critical thinking, internships and career placement – Lycoming provides its students with significant advantages, and will remain positioned to do so into the future.

CAREER PREPARATION AND SUCCESSFUL OUTCOMES

Lycoming's high retention and graduation rates are directly attributed to the caring and dedicated faculty and the energized community in which our students live and learn. Whether preparing students to enter graduate school or the workforce, the college's rigorous liberal arts and sciences educational experience develops the whole person. Graduates are equipped with the knowledge, skills and adaptability to walk confidently into an ever-changing world as citizens dedicated to service, leadership and achievement.

PRESIDENT KENT TRACHTE, Ph.D.

Kent Trachte, Ph.D., was named Lycoming College's 15th president on Nov. 19, 2012, by Lycoming's board of trustees and officially began his duties on July 1, 2013. He has spent the last three-plus decades in higher education as a faculty member and senior administrator, most recently serving as dean of the college at Franklin & Marshall College in Lancaster, Pa.

Trachte worked for a quarter-century at F&M. He began there in 1988 as dean of freshmen before being named associate vice president and dean of freshmen in 1991. He was promoted to dean of the College in 2003. As dean of freshmen, he collaborated with members of the faculty to create a highly successful first-year residential seminar program. During his term as dean, he worked with faculty, students and administrative colleagues to build F&M's distinctive College House System, promote internationalization of the campus, and deepen and extend the college's commitment to civic engagement.

Trachte has also led initiatives that have helped F&M become a more diverse and inclusive campus, including serving as liaison to the Posse Foundation, which partners with colleges and universities to identify students with academic and leadership potential and steer them to institutions committed to undergraduate success. He also oversaw greater integration of athletics and recreation into the fabric of campus life. Finally, he raised major gifts in support of the College House Commons, athletic facilities, summer study abroad, a leadership program, and F&M's Life After College Success Program.

Prior to his tenure at F&M, he taught political science at Gettysburg College, Long Island University and Clark University.

A native of De Pere, Wis., Trachte earned a bachelor's in government from Dartmouth College in 1973, a master's in international relations from the University of Kentucky in 1975 and a Ph.D. in political science from Binghamton University in 1981.

Trachte's family includes his wife, Sharon, who recently retired as an associate professor of French at Elizabethtown College after 26 years of service. She earned a Ph.D. in French literature from Binghamton University. Their son, Kenyon, and his wife, Lucille, live in New York, where he practices law.

DAVID PERSON FIELD LYCOMING'S HOME FIELD SINCE 1962

As much a part of Williamsport's athletic history as any stadium in Lycoming County, David Person Field is set for its 51st season of football on the corner of Union Avenue and Packer Street.

During Lycoming's stay inside the friendly confines of Person Field, the team has won 12 football titles and hosted 14 NCAA playoff games.

In 2012, Field Turf was installed as a playing surface, making the playing field a much more versatile surface and reconfirming David Person Field as one of the top Division III football complexes in the Northeast.

Lycoming College purchased eight acres of land from the Scottish Rite in 1958 for \$60,000 for use as the school's athletic complex. Officially opened in 1961 and used by the soccer, and track and field teams, College Field became the home of the football team in 1962, giving the Warriors a permanent home.

The field takes its name from the Person family, who lives across the field on Lincoln Avenue. Their generosity to the college through the years was recognized in 1991 when the field was named Person Field. When their son and brother, David Person, lost his battle with cancer at the age of 38 in 1995, the family requested that the field be renamed in memory of him.

David Person was fond of a Thanksgiving Day family tradition when the Persons would gather on the football field for a lively game of touch football. On the west side of the visitors' stands, you can see a gate in the fence to which the Person family has its own key to carry on that tradition of family football games on Thanksgiving Day.

ROBERT L. SHANGRAW ATHLETIC COMPLEX

The Shangraw Athletic Complex, completed in 1998, is named in honor of Robert L. Shangraw '58, former chairman of the Lycoming College Board of Trustees.

The 17,700-square-foot indoor portion of the complex contains locker facilities for football, men's and women's lacrosse, softball, and men's and women's soccer, in addition to a fully-equipped athletic training room. The press box can accommodate numerous members of the print media, three radio stations and television coverage and houses two coaches' booths and a hospitality suite for guests of the president. The bleachers can accommodate 2,000 fans. In addition, the east wing of the complex is named after former head coach Frank Girardi, while the west wing is named after alumni Dale '67 and Dallas '69 Krapf and their company, Krapf Bus Companies. Dale Krapf is a trustee of the college.

HEAD COACH MIKE CLARK

6th Year • Lycoming '93 • 33-18 Overall

Since stepping foot on the Lycoming College campus in 1989, Mike Clark has done nothing but succeed.

In four years as an offensive lineman on the football team under legendary Coach Frank Girardi, he won four MAC titles and helped the team advance to the 1990 NCAA Division III National Championship game.

After graduating in 1993, he began his football coaching career and when it led him back to Williamsport in 1998, the success didn't stop. In two years as an offensive line coach for Girardi, he helped win two more MAC titles before moving on to become the offensive coordinator at Division I Davidson College.

So when the college looked for a replacement for Girardi after his retirement in 2007, it was hard to find someone with a better resume than Clark, who had won six titles in as many years at Lycoming.

Sure enough, in his first year as head coach in 2008, Clark led a Cinderella-story resurgence in the Warriors, helping the team win its first MAC title in five years, the longest between titles since 1978, when Girardi won the school's first title.

Now in his sixth year as head coach, Clark has been a part of 92 wins, seven MAC titles, seven NCAA playoff teams and six NCAA playoff wins as a Warrior. During his time as head coach, Clark has tutored 49 all-conference selections, 12 all-region selections, five All-Americans, two Academic All-District selections, an Academic All-American and led the team to four wins against top-25 programs.

In January 2012, he also was named the college's ninth director of athletics. Since coming on board, he has helped hire four head coaches.

In 2012, the Warriors posted their second straight 8-2 season, finishing 8-1 in the MAC to finish alone in second place in the conference. Once again, the Warriors featured one of the best defenses in the nation, finishing fourth in the country in scoring defense (12.4) and 14th in rushing defense (87.8).

In 2011, Clark led the team to an 8-2 mark and a 5-2 mark to finish in a tie for second in the MAC. The team developed into one of the best defensive units in the nation, finishing second in pass efficiency defense (77.59), third in total defense (214.40), third in turnover margin (+1.80), seventh in scoring defense (12.60), seventh in pass defense (120.21) and eighth in rushing defense (84.40),

while leading the Middle Atlantic Conference in all six categories.

The 2010 Warriors posted a two-win turnaround as they finished 6-4 and notched a 4-3 conference record to take fourth in the league. In 2009, the team provided several memorable moments, including a 37-23 dismissal of rival Susquehanna, which went on to win the Liberty League title.

In 2008, Clark helped turn around a Warriors program that had won just seven games in the two years prior by helping the team win six of its first eight games. By the final week of the regular-season, the Warriors held their destiny in their own hands, and the team dismissed Lebanon Valley, 23-15, to claim a piece of the MAC title with Delaware Valley and Albright. Lycoming claimed the tiebreaker due to wins over both teams to earn a bid to the NCAA playoffs, helping Clark secure MAC Coach of the Year and D3football.com East Region Coach of the Year honors.

Before Clark's third go-round at Lycoming, he spent eight seasons as the offensive coordinator and offensive line coach at Davidson. During his years with the Wildcats, Clark helped the team post a 43-36 (.544) record and the only undefeated season in school history.

In 1998 and 1999, Clark served as an assistant under Girardi, helping the Warriors finish off a run of four straight MAC titles before leaving for Davidson.

Clark spent the 1996 and 1997 seasons as an assistant at Princeton, serving as the tight ends coach in 1996 and the running backs coach in 1997.

Clark began his coaching career in 1994 when he served for two years as a graduate assistant tight ends coach at Rowan University. In two years with the Profs, Clark helped the team post a 16-6-1 record and take a trip to the Amos Alonzo Stagg Bowl in 1995.

At Lycoming, Clark spent four years as an offensive lineman during one of the most prolific periods in school history. From 1989-92, the Warriors posted a 40-5-1 (.880) record and a 30-1-1 (.953) record against MAC teams.

Clark earned his Bachelor of Arts in business administration from Lycoming in 1993. He earned a Master of Business Administration from Rowan in 1996. Clark and his wife, Danielle, have three children, Allison, Brendan and Emily. They reside in Montoursville.

ASSISTANT HEAD COACH STEVE WISER

40th Year • Lycoming '74

For the past 44 years, defense for the Lycoming College football team has had one constant - "The Wizard."

Steve Wiser, who is entering his 40th year as an assistant coach for the Warriors, is more than a legend at Lycoming College. He was the architect of a defensive corps that changed the fortunes of the football program in the '70s before presiding over a damaging defense that has won 14 MAC titles in the last 35 years.

Wiser, who serves as the assistant head coach and defensive coordinator, began his tenure as an assistant coach working with linebackers before being promoted to defensive coordinator in 1977.

Wiser has led the Warriors to the No. 1 national ranking in total defense twice during his tenure (1975, 1983). His teams have also posted nationally-leading numbers in rushing defense (1976, '82 and '87) and scoring defense ('99).

During his time at the college, the Warriors have posted a record of 296-119-5 (.711) while garnering 12 NCAA playoff appearances, including two trips to the national title game. His defense topped the MAC 17 times and has posted a total of 66 shutouts.

His defense again led the MAC in scoring defense in 2012 (12.4), as the Warriors featured eight all-conference players on the defensive side of the ball and four all-region selections. In addition, Wiser helped mentor his second straight MAC Defensive Player of the Year in Kabongo Bukasa. With the season finale win over Misericordia, Wiser became the second person in conference history to be associated with 200 MAC wins, joining College Football Hall of Famer Bill Manlove.

Along with his coaching duties, Wiser works hard to organize the football program's annual golf outing and ad sales for the gameday program, along with serving the community in a number of service and charity events.

A 1974 Lycoming graduate, Wiser excelled in wrestling and football, earning elections into the Lycoming Hall of Fame and the Bald Eagle Area High School Hall of Fame. He earned four letters while playing for the Warriors as a hard-nosed linebacker, earning two All-MAC honors.

As a wrestler, he placed second and third in the conference and earned a trip to the NCAA National Championships as a senior. He earned a bachelor's degree in political science before attending graduate classes in education at Marywood College, Wilkes College and Mansfield University.

Wiser taught social studies at Williamsport Area High School from 1974 until his retirement in 2006. He resides in Williamsport with his wife, Pam.

OFFENSIVE COORDINATOR SCOTT BRISSON

2nd Year • Bowdoin '06

After helping Lycoming to its best conference finish since 2008 in his first year with the program, Scott Brisson is set for his second season as the team's offensive coordinator and recruiting coordinator in 2013.

In his first year with the program, Brisson worked extensively with first-year starter Tyler Jenny, helping the quarterback guide the team to eight wins, including an upset of nationally-ranked Delaware Valley. During the campaign, Jenny was picked off just four times while tossing 17 touchdowns. Six of the team's starting 11 offensive players earned all-conference honors.

Brisson served as the offensive coordinator and quarterbacks coach for St. Lawrence, helping the team to the 2010 Liberty League title with a 5-1 conference mark. While at St. Lawrence, Brisson was responsible for all offensive play calling and coordinating the kickoff return unit. He also organized and coordinated all recruiting weekends for the program.

Before St. Lawrence, Brisson spent two seasons at the Championship Sub-division's Lehigh University, where he served as a wide receivers and running backs coach. Brisson began his coaching career as the wide receivers coach at the Centennial Conference's Franklin & Marshall.

A 2006 graduate of Bowdoin College in Brunswick, Maine, Brisson was a four-year letterwinner and three-year starter at wide receiver for the Polar Bears. The Danbury, Conn., native earned a Bachelor of Arts degree in government and sociology.

LYCOMING FOOTBALL A PROUD TRADITION

Hall of Famer and All-American John Joe turns the corner on the defense in a 1957 drubbing of Dickinson. Notice the game is played on the quad.

In his book about the history of the Lycoming College football program, Tom Aubrey explains how important \$10 was to the history of the program.

Founded in 1812 as Dickinson Seminary Preparatory School, Lycoming College has a proud history of football that dates back to 1897, when Dickinson Seminary played its first game, a 0-0 tie with a club from Newberry on the West side of Williamsport. The school won its first game in its next outing, a 6-4 victory over Burlingame.

The program was interrupted in 1919 due to World War I and continued to grow and change with the college, which became Dickinson Junior College in 1929. Earl Z. McKay spent a decade coaching the team from 1932-41, leading the team to a Eastern Junior College Championship in 1936, before World War II disrupted the program for four seasons. When it was continued in 1946, big changes were in the works for the college, which became Lycoming College, a four-year institution in 1947.

The football program slid from 3-2-3 in 1947, though, all the way to 1-7 in 1950 and the program was dropped, which brings us to the story of \$10. In 1954, when the subject of bringing football back was brought up, students were asked to vote on whether to bring the program and incur a \$10 increase in student fees or not. The rest, as they say, is history.

Although the program struggled for much of the next two decades, there were plenty of highlights, including the 1956 Warriors defeating Juniata, 13-6, ending a 25-game win streak for the Indians. Lycoming celebrated with a day off from classes the next Monday. Led by All-American John Joe, the 1956-58 teams were some of the best in small college football, posting a 17-4-1 record in that time.

In 1970, although the team finished 3-5, Lycoming beat Wilkes, 21-19, snapping a 31-game winning streak for the Colonels.

Even Frank Girardi, who went to coach the Warriors for 36 seasons, had an auspicious beginning when his house burned down before his first game as head coach in 1972. The luck changed, though, under Girardi and 14 MAC titles, 12 NCAA playoff appearances, two national finals appearances and 50 All-Americans later, the numbers speak for themselves.

LYCO LEGEND COACH FRANK GIRARDI

36 Years • 1972-2007 • 257-97-5

Frank Girardi closed a legendary career that spanned 36 seasons at Lycoming College when he walked away from coaching at the conclusion of the 2007 season.

Girardi built a career record of 257-97-5 – a winning percentage of .723. In 2005, he became only the 17th coach at any NCAA level to reach the 250-win plateau. He won a total of 13 NCAA Division III playoff games.

Girardi coached 13 Middle Atlantic Conference championship teams and made 11 appearances in the NCAA playoffs, including trips to the Stagg Bowl, the Division III national championship game, in 1990 and 1997. Lycoming tallied a winning record in 29 of Girardi's 36 seasons.

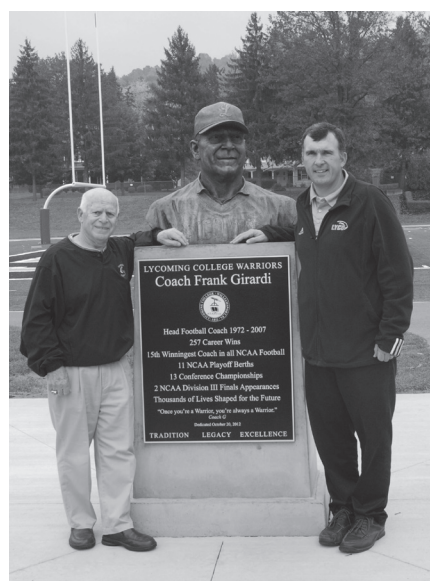

Girardi is a member of five halls of fame, including the Lycoming Athletics Hall of Fame, Middle Atlantic Conference Hall of Fame, West Branch Valley Hall of Fame, the Pennsylvania State Sports Hall of Fame, and West Chester University's W. Glenn Killinger Football Hall of Fame. The Middle Atlantic Conference honored Girardi as its Coach of the Year on 12 occasions, and in 1999, he became the Robert W. Maxwell Football Club's first recipient of the Tri-State Coach of the Year Award. The award is presented to an outstanding college or high school coach from Pennsylvania, New Jersey or Delaware. In addition, ESPN Radio 1050/104.1 created "The Frank Girardi Lifetime Achievement Award" for outstanding contributors to the area of athletics in the Williamsport area.

Girardi began his love affair with football in high school when he was a running back for the Williamsport High School Millionaires. He played at the collegiate level at West Chester University. Girardi entered the coaching ranks in 1961, when he became an assistant at Jersey Shore High School. He became head coach of the team in 1963 and remained in that position for six years.

In 1969, Girardi became an assistant at Lycoming under Budd Whitehill. Three years later, he took the reigns as head coach of a Warrior program that had gone 14-34 since their last winning season in 1965. It took three years, but in his fourth campaign, the Warriors recorded a mark of 6-2 and ran off 29 consecutive winning campaigns.

In 1984, Girardi accepted an expanded role as the College's director of athletics, serving in the role until 2008.

Girardi resides in Williamsport with his wife, Lynne. Their four children – Cathy, Jerry, Frank Jr. and Justine – all graduated from Lycoming College.

Coaches Frank Girardi and Mike Clark pose by Girardi's bust, which was dedicated in 2012.

Lycoming athletes have earned All-American honors 196 times in the history of the College. One student-athlete, Kabongo Bukasa, earned All-American honors from the Beyond Sports Network in 2012. On top of that, Lycoming student-athletes have earned 21 CoSIDA/Capital One Academic All-American honors, one of the most prestigious honors available to a student-athlete.

About The Game

Warriors look to get back on track against Wilkes

In 2012, the Lycoming College football team rebounded from a two-point performance against Brockport by upsetting 22nd-ranked Delaware Valley. This year, the Warriors will look for a similar recovery when they host Wilkes University in the Middle Atlantic Conference opener at David Person Field.

The Warriors (0-1 overall, 0-0 MAC) are coming off a 30-2 loss at Brockport. Lycoming forced two turnovers in the game and scored a defensive extra point, but Brockport used four second-half touchdowns to pull away.

The Colonels (1-0 overall, 0-0 MAC) rolled to a 41-26 win over SUNY Morrisville in their opener. Wilkes rushed for five touchdowns and 263 yards in the game.

When Last We Met Lycoming 38, Wilkes 7 Oct. 27, 2012 • Edwarsville, Pa.

EDWARDSVILLE, Pa. – With their most complete effort of the season, the Lycoming College football team posted 438 yards of total offense and allowed just 158 to shut down one of the best rushing offenses in the country in Wilkes and roll to a 38-7 Middle Atlantic Conference win at Schmidt Stadium on Saturday, Oct. 27.

Lycoming (6-2 overall, 6-1 MAC) was led by a great effort defensively that allowed just two completed passes during the game and an average of just 3.1 yards on 42 rushing attempts. Junior **Dwight Hentz** led the team with two sacks and three tackles for loss while making six tackles, leading a defensive line that contributed four of the team's five sacks. The Warriors also notched 11 tackles for a loss, as Lycoming won at Wilkes (4-4 overall, 3-4 MAC) for the first time since 2003.

The Warriors got on the board with a 99-yard drive on their second possession of the first quarter. After moving to the Lycoming 36 with a pair of first down passes, sophomore **Tyler Jenny** loaded up and threw a deep out to sophomore **John Sibel**, who leapt up for a 41-yard gain. Four plays later, Jenny plowed in from one yard out for the touchdown.

Wilkes got on the board thanks to a Warrior turnover deep in Lycoming territory and took the ball 32 yards on five plays before Patrick Ingulli rushed four yards into the endzone after a 19-yard rush on 4-and-1 by quarterback Tyler Berntsen.

The Warriors took control from there, though, with another efficient 11-play, 68-yard drive, capping it when Jenny found senior **Jarrin Campman** on the right side and Campman tip-toed down the sideline for a 26-yard score with 6:53 left in the second quarter.

After a three-and-out by Wilkes, the Warriors got a 32-yard punt return by Campman that was shortened due to a penalty, but still had decent field position, getting the ball at the Lycoming 49-yard line. Sibel caught a first down pass and a late hit moved the ball to the 23 and forced Sibel off the field. After a one-yard rush, Jenny found the reinstalled Sibel, who outjumped a Wilkes defender in the end zone for a 24-yard score, making it 21-7 at halftime.

Lycoming continued to roll after the break, allowing Wilkes just two first downs in the second half, while rolling up 14. On Lycoming's first possession of the second half, the team drove 77 yards on eight plays, scoring on a 25-yard fly from Jenny to Campman.

Dwight Hentz notched two sacks and three tackles for a loss to lead Lycoming against Wilkes.

Scouting Lycoming

Offense: Multiple/Pro-Style

The hallmark of solid Lycoming football teams has always been a grinding running game, and the makings are there for another great year on the ground in 2013.

Craig Needhammer had a solid start to his junior campaign against Brockport, rushing 12 times for 86 yards, including a long of 25 yards. The speedy running back is 127 yards away from reaching 1,500 in his career.

Junior quarterback **Tyler Jenny** will look to recover after a tough outing against Brockport that saw him complete just 18-of-37 passing. He was intercepted a career-high twice in the game. Senior **Matt Atkinson** was Jenny's favorite target as the Media, Pa., native caught nine passes for 79 yards.

Defense: 4-3

With three starters out for the season opener who return this week, the Lycoming defense is set to again transform into one of the best in the MAC.

Senior **Kabongo Bukasa**, the 2012 MAC Defensive Player of the Year, returns after missing the first game with an injury, along with sophomore **Cole Welham** and junior **Cody Flail**.

In their place, the Warriors saw production out of several others against Brockport, including established starters such as junior **Tanner Troutman** (interception), senior **Dwight Hentz** (sack) and senior **Tyler Denike** (career-high 11 tackles). Newcomers also made their impact felt, too, including sophomore **Matt Malecki**, who made six stops and added a defensive extra point, and sophomore **Brian Campbell**, who was charged with five tackles in his debut.

Scouting Wilkes

Offense: Spread

One of the most unique offenses in the MAC, Wilkes will again feature the wide open spread offense. The team loves to run the ball, as it scored five rushing touchdowns in its season-opening 41-26 win over SUNY Morrisville.

Two Colonels are in the top 10 in the league in rushing, with **Paul Martin** seventh after recording 78 yards and three touchdowns against Morrisville and quarterback **Tyler Berntsen**, who ran for 65 yards and two scores on 12 carries.

Berntsen is a dual threat, as he also completed 6-of-13 passing for 103 yards and a touchdown in the game. Tight end **Drew Devitt** made two catches for 62 yards, including the 47-yard touchdown reception.

Defense: 3-4

Wilkes finished the first week of the season in the middle of the pack in the MAC in scoring defense, allowing 26 points against Morrisville to sit fifth in the league.

However, the Colonels have several playmakers, including senior line-backer **Tate Moore-Jacobs**, who posted 105 tackles as a junior and earned his second straight First Team All-MAC accolades. He again played brilliantly against Morrisville, making 14 stops, including 2.5 for loss.

Junior safety **Dylan Mohring** also played well against Morrisville, making 11 tackles, while senior **D.J. Shuttleworth** notched an interception and a fumble recovery. Junior **Omar Richardson** posted an interception and sophomore **Marcus Leaf** also added a fumble recovery, as the Colonels posted four takeaways during the season opener.

Notes

Four Warriors earn preseason honors

Three Lycoming players earned Preseason All-American accolades, with each racking up at least one first team honor. Senior linebacker **Kabongo Bukasa**, the 2012 MAC Defensive Player of the Year, was named First Team Beyond Sports Network Preseason All-American and Second Team USA College Football Preseason All-American. Junior safety **Tanner Troutman** was a First Team Preseason All-American from both D3football.com and USA College Football. Senior defensive tackle **Dwight Hentz** was a first team pick from USA College Football. In addition, senior kicker **Zack Czapo** was named to the Fred Mitchell Award Watch List. The award is given to the top collegiate kicker in the nation.

MAC Coaches Pick Warriors first

Three Preseason All-Americans and seven returning all-conference players have helped the Warriors top the 2013 MAC Preseason Football Coaches' Poll with 76 points. The Warriors were picked ahead of two MAC teams that are listed in the D3football.com 2013 preseason poll. Widener is ranked 20th while Delaware Valley and Lycoming are receiving votes with 37 and 18, respectively.

Wise's time

Now in his 40th year on the Warrior coaching staff, assistant head coach and defensive coordinator **Steve Wiser** reached a major milestone when he won his 200th Middle Atlantic Conference game since coming aboard the staff in 1974. Since then, he has served as the linebackers coach and, most notably, as the defensive coordinator since 1977. He is the second coach in MAC history to reach 200 conference wins, joining College Football Hall of Fame coach Bill Manlove, who has won 221 MAC games as an assistant coach at Lafayette (1967-68), head coach at Widener (1969-91), head coach at Delaware Valley (1992-95) and assistant coach/consultant at Delaware Valley (2001-present).

Not Just Keeping Points Off The Board

During defensive coordinator **Steve Wiser's** 36 years in charge of the defense, Lycoming has become known for keeping playmakers on the field who have the ability to score points on both sides of the ball. Since 2011, the defense has again become one of the most feared in Division III, finishing in the top 10 in scoring defense in each of the last two years. It has also been able to put points on the board, scoring three touchdowns and adding two safeties and one defensive extra point.

Last Time Out... Brockport 30, Lycoming 2 Sept. 7, 2013 • Rochester, N.Y.

ROCHESTER, N.Y. – Sophomore **Matt Malecki** scored on a defensive extra point and senior **Tyler Denike** had a career-day for the Lycoming College football team, but Brockport used four second-half scores to post a 30-2 opening-day win at Fauver Stadium.

Denike finished with a career-high 11 tackles, including 1.5 for loss as the linebacker was all over the field for the Warriors (0-1 overall). Malecki added six tackles to go with the defensive extra point.

A two-touchdown third quarter and another pair of scores in the fourth helped Brockport (1-0 overall) break away after taking only a field goal lead into halftime. The Golden Eagles scored on an eight-play, 72-yard drive on their second series of the half. Shireem Cobb got the score, leaping across from two yards out.

Lycoming got on the scoreboard thanks to the extra point, though, as senior **C.J. Arhontakis** blocked the kick and Malecki caught the ball and returned it 98 yards for the defensive extra point.

When Brockport got the ball back, the Eagles drove 62 yards in six plays with Andrew Mrozek catching a four-yard touchdown pass from Ty Stoldt to make it 16-2.

In the fourth quarter, Brockport tacked on a big play score, as Darryl Thompson was hit on the fly from I for a 47-yard touchdown pass. Tyrone Nichol capped Brockport's effort from 60 yards out with 5:18 left, as he broke down the sideline, bouncing off four tackles to score.

Brockport got on the board in the first quarter as Tyler Perna hit a 27-yard field goal to cap a 10-play, 47-yard march.

MAC Century Team

As part of the MAC 100 celebration, the Middle Atlantic Conference recognized top athletes from conference history, naming student-athletes to Century Teams in each sport from each era. The football Century Team was selected from an online fan vote combined with the MAC Sports Information Directors vote. During the 2013 season, we will take a look at four of the 20 Lycoming selections during each of the team's home games.

John Joe '59

Joe was an Honorable Mention Little All-American in 1958 as a fullback. He led the Warriors to a three-year record of 17-5-1 and was also a three-time all-state selection. He was inducted into the Lycoming College Athletics Hall of Fame in the inaugural class of 1986. A Spanish major at Lycoming, Joe went on to be signed by the New England Patriots, but a knee injury ended his career. He served as a teacher of Spanish, French and German for 40 years at Conshohocken High School, also serving as football coach during his time at the school.

John Joe

Tom Vanaskie '75

Vanaskie, from Shamokin, Pa., had a decorated career as a defensive back for the Warriors, finishing with nine interceptions. He was First Team All-MAC as a senior and also earned Honorable Mention AP Little All-American honors. He also became the school's first football player to earn CoSIDA Academic All-American honors. He was inducted into the Lycoming College Athletics Hall of Fame in 1994. Vanaskie went on to graduate from Penn State's Dickinson School of Law and has served as a judge on the United States Court of Appeals Third Circuit since 2010.

Tom Vanaskie

Jim Rich '76

Rich, from Shermansdale, Pa., was a four-year starter at wide receiver and defensive back. He broke Lycoming's school record for receiving yardage with 363 yards in 1973, helping him earn Honorable Mention All-MAC honors at the position. Even after leading the MAC North Division in receiving in his first two years at the college, Rich moved to defensive back to help fill a gap on the team. As a senior in 1975, he earned First Team All-MAC honors at the position and led a unit that allowed the fewest yards per game in the NCAA. He was inducted into the College's Athletics Hall of Fame in 2011. Rich is an area sales manager at Swift Transportation at Harrisburg, Pa.

Jim Rich

Steve Weigle '77

Weigle, a Williamsport native, was a two-time All-MAC defensive end and also earned All-ECAC East honors as a senior while anchoring a line that led the nation in rushing defense. To cap his senior year, he was named an Honorable Mention AP Little All-American. Weigle went on to earn a Master of Arts in Counselor Education from the University of South Florida and is now a school counselor at Collier County School District in Naples, Fla.

New faces abound in Lycoming athletics department

There were three personnel changes within the athletics department during the 2012-13 school year, with director of athletics **Mike Clark** announcing the additions of **Lindsay Reese**, head women's lacrosse coach, **Nate Gibboney**, head men's soccer coach, and **Eric Lewis**, head women's soccer coach.

Former Lycoming assistant coach Reese came on board as head women's lacrosse coach in October. Before returning to Lycoming, Reese was involved in all aspects of the program at Division II Slippery Rock. During her time at The Rock, she helped the program tie the school record for most wins in a season in 2011 (11) before breaking the mark with a 12-5 season in 2012. Reese played lacrosse at Lock Haven from 2004-07. The Eagles reached the conference semifinals in each of her four years with the program, advancing to the title game twice. The team also reached the NCAA national semifinals in 2005 and 2007.

Nate Gibboney
Men's Soccer

After eight years as an assistant coach at both the NCAA Division I and Division III levels, Gibboney was hired as the men's soccer coach in April. He comes to Lycoming after spending the last three years as an assistant coach at Lafayette College. With the Leopards, he helped the team to three winning seasons, culminating the run when the team won the 2012 Patriot League title and earned a bid to the NCAA Tournament. Gibboney also served a three-year stint as an assistant coach at Vassar College and a two-year tenure at Westminster College. He was a four-year starter and two-year captain at Susquehanna University, where he helped the Crusaders reach the postseason for the first time in school history in 2003.

After 11 seasons as the head women's soccer coach at Guilford College, Lewis came on board at Lycoming as the women's soccer coach in May. In 13 seasons as a head collegiate coach, he amassed an overall record of 139-114-17 (.546), including a 101-109-15 (.482) mark in 11 years at Guilford in Greensboro, N.C., and a 39-5-1 (.878) record in two years at Louisburg College in Raleigh, N.C. Lewis has coached one All-American, four all-region student-athletes, six all-state performers and 19 All-Old Dominion Athletic Conference (ODAC) selections at Guilford. Guilford played in two ODAC Tournament finals under Lewis, reaching the championship match in back-to-back years in 2005 and 2006. In 2006, he guided the Quakers to a school-record nine ODAC wins. Lewis came to Guilford in 2002, returning to Greensboro from Louisburg, where he earned back-to-back NJCAA Region X Coach of the Year Awards.

The Warrior Club

The Warrior Club was established as an outlet in which alumni, friends and fans can become more involved with the athletic programs at Lycoming College.

As a part of the Warrior Club, you become an extended member of the Lycoming athletic family while your financial contributions help the Blue and Gold squads to successful seasons.

In essence, the Warrior Club is the "team behind the teams."

Join the Warrior Club by calling 1-800-345-3920, ext. 4036 or 570-321-4036. Thank you for your support and welcome to the Warrior Club!
