PRESIDENT KENT TRACHTÉ

2ND YEAR

Kent Trachte, Ph.D., was named Lycoming College's 15th president on Nov. 19, 2012, by Lycoming's board of trustees and officially began his duties on July 1, 2013. He has spent the last three-plus decades in higher education as a faculty member and senior administrator, most recently serving as dean of the college at Franklin & Marshall College in Lancaster, Pa.

Trachte worked for a quarter-century at F&M. He began there in 1988 as dean of freshmen before being named associate vice president and dean of freshmen in 1991. He was promoted to dean of the College in 2003. As dean of freshmen, he collaborated with members of the faculty to create a highly successful first-year residential seminar program. During his term as dean, he worked with faculty, students and administrative colleagues to build F&M's distinctive College House System, promote internationalization of the campus, and deepen and extend the college's commitment to civic engagement.

Trachte has also led initiatives that have helped F&M become a more diverse and inclusive campus, including serving as liaison to the Posse Foundation, which partners with colleges and universities to identify students with academic and leadership potential and steer them to institutions committed to undergraduate success. He also oversaw greater integration of athletics and recreation into the fabric of campus life. Finally, he raised major gifts in support of the College House Commons, athletic facilities, summer study abroad, a leadership program, and F&M's Life After College Success Program.

Prior to his tenure at F&M, he taught political science at Gettysburg College, Long Island University and Clark University.

A native of De Pere, Wis., Trachte earned a bachelor's in government from Dartmouth College in 1973, a master's in international relations from the University of Kentucky in 1975 and a Ph.D. in political science from Binghamton University in 1981.

Trachte's family includes his wife, Sharon, who retired as an associate professor of French at Elizabethtown College after 26 years of service. She earned a Ph.D. in French literature from Binghamton University. Their son, Kenyon, and his wife, Lucille, live in New York, where he practices law.

DAVID PERSON FIELD LYCOMING'S HOME FIELD SINCE 1962

As much a part of Williamsport's athletic history as any stadium in Lycoming County, David Person Field is set for its 53rd season of football on the corner of Union Avenue and Packer Street.

During Lycoming's stay inside the friendly confines of Person Field, the football team has won 15 conference titles and hosted 14 NCAA playoff games.

Lycoming College purchased eight acres of land from the Scottish Rite in 1958 for \$60,000 for use as the school's athletic complex. Officially opened in 1961 and used by the soccer and track and field teams, College Field became the home of the football team in 1962.

The field takes its name from the Person family, who lives across from the field on Lincoln Avenue. Their generosity to the college through the years was recognized in 1991 when the field was named Person Field. When their son and brother, David Person, lost his battle with cancer at the age of 38 in 1995, the family requested that the field be renamed in memory of him. David was fond of a Thanksgiving Day family tradition when the Persons would gather on the football field for a lively game of touch football. On the west side of the visitors' stands, you can see a gate in the fence to which the Person family has its own key to carry on that tradition of family football games on Thanksgiving Day.

In 2012, Field Turf was installed as a playing surface, making the playing field a much more versatile surface and reconfirming David Person Field as one of the top Division III football complexes in the Northeast.

ROBERT L. SHANGRAW ATHLETIC COMPLEX

The Shangraw Athletic Complex, completed in 1998, is named in honor of Robert L. Shangraw '58, former chairman of the Lycoming College Board of Trustees.

The 17,700-square-foot indoor portion of the complex contains locker facilities for football, men's and women's lacrosse, softball, and men's and women's soccer in addition to a fully-equipped athletic training room. The Krapf Press Level can accommodate 15 members of the media, three radio stations and one television station and houses two coaches' booths and a hospitality suite for guests of the president. The bleachers can accommodate 2,000 fans. In addition, the east wing of the complex is named after former head coach Frank Girardi, while the west wing is named after alumni Dale '67 and Dallas '69 Krapf and their company, Krapf Bus Companies. Dale Krapf is a trustee of the college.

Since stepping foot on the Lycoming College campus in 1989, Mike Clark has done nothing but succeed.

In four years as an offensive lineman on the football team under legendary Coach Frank Girardi, he won four MAC titles and helped the team advance to the 1990 NCAA Division III National Championship game.

After graduating in 1993, he began his football coaching career and when it led him back to Williamsport in 1998, the success didn't stop. In two years as an offensive line coach for Girardi, he helped win two more MAC titles before moving on to become the offensive coordinator at Division I Davidson College.

So when the college looked for a replacement for Girardi after his retirement in 2007, it was hard to find someone with a better resume than Clark, who had won six titles in as many years at Lycoming.

Sure enough, in his first year as head coach in 2008, Clark led a Cinderella-story resurgence in the Warriors, helping the team win its first MAC title in five years, the longest between titles since 1978, when Girardi won the school's first title.

Now entering his seventh year as head coach, Clark has been a part of 99 wins, eight MAC titles, seven NCAA playoff teams and six NCAA playoff wins as a Warrior. During his time as head coach, Clark has tutored 62 all-conference selections, 15 all-region selections, seven All-Americans, three Academic All-District selections, an Academic All-American, a Regional Player of the Year and led the team to six wins over top-25 programs.

In January 2012, he also was named the College's ninth director of athletics. Since coming on board, he has helped hire six head coaches.

The 2013 Warriors were able to sustain a roller-coaster ride throughout the season and still capture a share of the program's 15th MAC title, posting a 7-3 record and a 7-2 mark in league play. In 2008, Clark helped turn around a Warriors program that had won just seven games in the two years prior by helping the team win six of its first eight contests. By the final week of the regular-season, the Warriors held their destiny in their own hands, and the team dismissed Lebanon Valley, 23-15, to claim a piece of the MAC title with Delaware Valley and Albright. Clark secured MAC Coach of the Year and *D3football.com* East Region Coach of the Year honors for his efforts.

Before Clark's third go-round at Lycoming, he spent eight seasons as the offensive coordinator and offensive line coach at Davidson. During his years with the Wildcats, Clark helped the team post a 43-36 (.544) record and he assisted the only undefeated season in school history.

In 1998 and 1999, Clark served as an assistant under Girardi, helping the Warriors finish off a run of four straight MAC titles. He spent the 1996 and 1997 seasons as an assistant at Princeton and he began his coaching career in 1994 when he served for two years as a graduate assistant tight ends coach at Rowan University.

At Lycoming, Clark spent four years as an offensive lineman during one of the most prolific periods in school history. From 1989-92, the Warriors posted a 40-5-1 (.880) record and a 30-1-1 (.953) record against MAC teams.

ASSISTANT HEAD COACH STEVE WISER

41ST YEAR · LYCOMING '74

For the past 45 years, defense for the Lycoming College football team has had one constant - "The Wizard."

Steve Wisner, who is entering his 41st year as an assistant coach for the Warriors, is more than a legend at Lycoming College. He is the architect of a defensive corps that changed the fortunes of the football program in the '70s before presiding over a damaging defense that has won 15 MAC titles in the last 36 years.

Wiser, who currently serves as the assistant head coach and defensive coordinator, began his tenure as an assistant coach working with linebackers before being promoted to defensive coordinator in 1977.

Wiser has led the Warriors to the No. 1 national ranking in total defense twice during his tenure (1975, 1983). His teams have also posted nationally-leading numbers in rushing defense (1976, '82 and '87) and scoring defense (1999).

During his time at the College, the Warriors have posted a record of 303-122-5 (.710) while garnering 12 NCAA playoff appearances, including two trips to the national title game. His defense topped the MAC 18 times and has posted a total of 66 shutouts.

The Warriors led the MAC in scoring defense for the third straight year in 2013 (18.3), also topping the league in total defense (304.0), rushing defense (91.4), interceptions (1.6), opponent first downs (15.6), red zone defense (0.692) and turnovers gained (2.3). Wisner also oversaw the development of All-Americans Dwight Hentz and Tanner Troutman, who was named the *D3football.com* East Region Player of the Year after leading the nation in interceptions.

Along with his coaching duties, Wisner works hard to organize the football program's annual golf outing and ad sales for the gameday program, along with serving the community in a number of service and charity events.

A 1974 Lycoming graduate, Wisner excelled in wrestling and football, earning elections into the Lycoming Hall of Fame and the Bald Eagle Area High School Hall of Fame. He earned four letters while playing for the Warriors as a hard-nosed linebacker, earning two All-MAC honors. As a wrestler, he earned a trip to the NCAA National Championships as a senior.

He earned a bachelor's degree in political science before attending graduate classes in education at Marywood College, Wilkes College and Mansfield University.

Wiser taught social studies at Williamsport Area High School from 1974 until his retirement in 2006. He resides in Williamsport with his wife, Pam.

OFFENSIVE LINE/TIGHT ENDS DAVE BECKER

5TH YEAR · CALIFORNIA (PA.) '00

Dave Becker is in his fifth year as an offensive line/tight ends coach for the Warriors after spending 10 years working with local high school programs.

During his time with the program, Becker has helped mentor two *D3football.com* All-East Region selections and nine all-conference offensive lineman.

In 2013, the Warrior offensive line featured two all-conference selections, while helping the offense average more than 350 yards per game and lead the team to wins over two nationally-ranked opponents and a share of its 15th MAC title.

A guard at California (Pa.) from 1996-99, he has coached in the area since earning a bachelor's degree in technology education in 2000. The Towanda High School graduate worked as an offensive line coach for former Warriors' assistant coach Steve Radocaj at Williamsport Area High School from 2000-02.

After three years at Williamsport, Becker took a job as an electronics and computer networking teacher at Jersey Shore High School and he began to serve as an assistant coach with the football team. Working with the offensive and defensive lines from 2003-09, Becker helped the Bulldogs to three straight District 4 Class AAA championship games from 2006-08.

Becker, who earned a master's degree from Penn State, has a wife, Jessica, daughter, Kyla, and a son, Dawson.

WIDE RECEIVERS DOMINIC BORNMAN

1ST YEAR · JUNIATA '13

After a season working with the wide receivers at Trinity High School, Dominic Bornman will make his debut as a collegiate coach with the Warriors in 2014.

Bornman was a member of Juniata College's football team from 2009-12, playing three seasons and sitting out the 2011 campaign with an injury. However, he came back to have a phenomenal senior season, leading the squad with two touchdowns, 48 receptions and 666 receiving yards, finishing seventh in the Centennial Conference in yards per game. During his first two seasons, he worked into the team's depth chart, catching 19 passes for 137 yards as a sophomore.

After his graduation from Juniata with a Bachelor of Arts in information technology and digital media in 2013, Bornman continued to play football, joining the Gridiron Development Football League's Central Penn Piranhas, a semi-pro team, where he has played for two seasons, earning the team's Rookie of the Year award in 2013 and serving as a captain in 2014.

Bornman is the son of Ty Bornman, who earned three letters with the Warriors from 1976-78, participating on the college's first MAC champions as a senior.

DEFENSIVE BACKS

EARL CHAPTMAN

1ST YEAR · BRIDGEWATER '08

After three years as an assistant at Middle Atlantic Conference rival Wilkes, Earl Chaptman is set to begin his first year with the Warriors in 2014, working with the team's defensive backs.

In his time at Wilkes, Chaptman helped develop Omar Richardson into an All-MAC defensive back and a Preseason All-American in 2014. Prior to joining the staff at Wilkes, Chaptman coached the defensive backs at Bartram Trail High School in Jacksonville, Fla.

Before beginning his coaching career, Chaptman was a three-year starter at cornerback at traditional ODAC power Bridgewater College in Virginia. While at Bridgewater, Chaptman won two ODAC championships and played in the NCAA tournament twice. He was recognized as an All-ODAC performer during his junior and senior seasons, while also earning a spot on the VaSID All-State First Team.

Originally from Baltimore, Chaptman attended Dunbar High School. While at Dunbar, he was selected to the All-State team as a quarterback. A dual sport athlete, he also won a state championship in basketball.

Chaptman resides in Williamsport.

LINEBACKERS

CHRIS KISH

3RD YEAR · LYCOMING '12

A four-year letterwinner who was a key contributor at the linebacker position throughout his career, Chris Kish will get set for his third year on the football staff as an assistant coach in 2014. His primary focus will be the team's linebackers.

In his first year as an assistant coach in 2013, Kish helped coach the team to a 7-3 mark and a share of the school's 15th MAC title. With his focus on linebackers, he helped coach three all-conference performers, as the defense led the MAC for the second straight year in scoring defense.

Kish served as a student assistant in 2012, helping the team to an 8-2 record while finishing requirements for his teaching certificate. The former linebacker helped mentor MAC Defensive Player of the Year Kabongo Bukasa and Second Team All-MAC linebacker Tyler Denike. The team featured one of the best defenses in the conference and the nation, finishing fourth in the country in scoring defense (12.4) and 14th in rushing defense (87.8).

Kish, a history major, was a two-year starter with the Warriors who appeared in 35 career games. He finished his career with 124 career tackles and 2.5 sacks. He helped the Warriors win the 2008 MAC title and post a 25-16 record during his four years with the program.

A Wilkes-Barre, Pa., native, Kish was an honorable mention all-state selection at G.A.R. Memorial High School. He is a learning support teacher at Hughesville High School.

QUARTERBACKS

TIM LANDIS

2ND YEAR · RANDOLPH-MACON '86

After a year working with the Lycoming College football program as tight ends coach, longtime collegiate head coach Tim Landis has been promoted to a full-time assistant with the Warriors for the 2014 season. Landis will work as the team's quarterbacks coach and recruiting coordinator.

In his first year with the Warriors, Landis coached an all-conference tight end in Greg Kovacs '14 and also helped transform the team's special teams' game into one that led the MAC in net punting average (35.04) and kickoff return yardage (21.49) and blocked five kicks, one shy of the school record.

Prior to his arrival in Williamsport, Landis recorded an 89-103-1 record in 18 years as a collegiate head coach, recording 10 winning seasons during that span.

In 2011, he served as the head coach at Rensselaer Polytechnic Institute, posting a 4-5 overall record and a 3-3 mark in the Liberty League. He spent the 2010 season as the tight ends coach at San Jose State University, where he also served as the offensive coordinator.

No stranger to Central Pennsylvania, Landis was the head coach at Bucknell University from 2003-09, leading the Bison to a .500 or better record three times and compiling a 32-46 record. His teams were among the best FCS schools in rushing offense, finishing in the top 10 in 2003, 2004 and 2006. The 2003 (6-6) and 2004 (7-4) teams both finished in third place in the Patriot League.

Landis enjoyed similar success at St. Mary's, as his teams finished .500 or better in each of his three seasons (2000-02). In 2002, Landis was named the Division I-AA Independent Coach of the Year.

He began his collegiate head coaching career at Davidson, starting in 1993 when he was one of the youngest Division I head coaches at age 29. He helped turn the Wildcats around, guiding the team to school single-season records of eight wins in 1998 (8-2) and again in 1999 (8-3), his final year. Four of his teams finished better than .500 as he compiled a record of 35-36-1.

A native of Yardley, Pa., and a 1982 graduate of The Hun School in Princeton, N.J., Landis earned a bachelor's in English from Randolph-Macon College in 1986. An All-Old Dominion Athletic Conference First Team honoree both as a quarterback in football and a pitcher in baseball, Landis was the ODAC Baseball Player of the Year in 1986, and earned the school's Compton Award for excellence in academics and athletics. In 2002, he was inducted into The Hun School's Hall of Fame, and in 2000, was inducted into the Randolph-Macon Athletic Hall of Fame.

His first coaching position was a one-year stint at Randolph-Macon, mentoring the wide receivers in 1986.

In 1988, he began a three-year tenure as head football and baseball coach at Morrisville (Pa.) High School in the suburban Philadelphia area. During his final two years at the school, he also served as athletics director.

Landis returned to the collegiate level in 1991, when he was hired as the defensive line coach at Davidson.

Landis and his wife, Karen, have three sons, T.J., Jack and Charlie, and one daughter, Jordan. They reside in Lewisburg.

OFFENSIVE LINE PAT TAYLOR 4TH YEAR · LYCOMING '09

Having mentored three all-conference running backs in as many years, Lycoming alum Pat Taylor will move into a new role as an offensive line coach in his fourth year with the program in 2014.

Taylor is also involved in game planning and serves as the team's social media and video coordinator.

In his first year coaching the team's running backs, Taylor helped mentor all-conference back Parker Showers and freshman Craig Needhammer, as the pair combined to form one of just two duos in the MAC to finish in the top 10 in the league in rushing. In 2012, he again helped mentor Showers, who went on to earn all-conference honors a second time while also earning CoSIDA Academic All-District honors. In 2013, it was Needhammer's turn to shine, as he earned CoSIDA Academic All-District honors and *D3football.com* All-East Region accolades.

Taylor's impact has also been felt in the improvement of the team's social media presence, presiding over the @WarriorsFball twitter handle and compiling highlight videos for YouTube each week.

A two-time Second Team All-MAC selection, Taylor, an offensive lineman, helped lead the Warriors to the 2008 MAC title while serving as a team captain.

Along the way, Taylor helped the team's all-time leading rusher, Josh Kleinfelter, rack up more than 1,100 yards during the 2008 campaign and also helped Colin Dwyer earn second team all-conference honors at quarterback.

A native of Philadelphia, Pa., Taylor resides in Williamsport.

DEFENSIVE LINE/SPECIAL TEAMS DOUG THIEL 4TH YEAR · LOCK HAVEN '03

After seven years as a high school football and baseball coach in Maryland, Lock Haven University graduate Doug Thiel is set for his fourth season at Lycoming as a defensive line coach.

In his first year with the Warriors, Thiel helped mentor one of the most ferocious defenses in the nation, as the team finished in the top 10 in Division III in five statistical categories. In 2012, while mentoring three all-conference and two all-region lineman, Thiel's defensive line led the league in rushing defense and the line helped pace a defense that finished fourth in the nation in scoring defense (12.4). The line shined again in 2013, as the Warriors led the league in scoring defense (18.6) for the second straight year. The line again led the conference in rushing defense (91.4).

During his first three years, Thiel has coached two All-Americans, four all-region selections and six all-conference selections.

Thiel coached at Kent Island High School for seven seasons, serving as the assistant head coach, defensive coordinator, linebackers and offensive line coach during his tenure.

WHEN LAST WE MET LYCOMING 36, STEVENSON 20 NOV. 16, 2013 - OWINGS MILLS, MD.

OWINGS MILLS, Md. – Entering the final game of the 2013 season, two things needed to happen to help the Lycoming College football team clinch a share of their 15th Middle Atlantic Conference title. Both did. To start those things off, the Warriors posted a 36-20 win over Stevenson at Mustang Stadium.

The Warriors (7-3 overall, 7-2 MAC) finished tied at the top of the MAC standings with Lebanon Valley, who fell to Albright, 40-25, in Reading, Pa. However, the Dutchmen earned the automatic bid to the NCAA Tournament due to a head-to-head tiebreaker, as LVC beat Lycoming, 14-7, on Oct. 12.

Junior **Craig Needhammer** highlighted the day for the Warriors, as he rushed 41 times for 162 yards and a touchdown, caught one pass for 17 yards and a score and also had 65 yards of return yardage for 244 all-purpose yards. Along the way, he tied the school-record for touchdowns in a season with 14, tying marks set by Tim Deasey (2001) and Brian Thompson (1998). He also finished the season with 1,184 rushing yards, good for fifth in program history, and 1,539 all-purpose yards, fourth in program annals.

A pair of first quarter touchdowns helped put Lycoming in control, as Needhammer scored on rush with 12:51 left after a botched punt was recovered at the one-yard line. Needhammer added another score on Lycoming's next possession, as they took over at the 40-yard line and moved methodically down the field before getting a 17-yard pass from junior quarterback **Tyler Jenny**.

The lead was never relinquished, although Stevenson closed within two points twice in the second quarter.

Lycoming took control of the game in the third quarter, running seven minutes off the clock to start the half on a 13-play, 68-yard drive before Jenny scored on a bootleg. After a three-and-out by the Mustangs, the Warriors drove 52 yards on eight plays before Jenny found junior fullback **Nick Mongiello** for a 12-yard score on a short screen.

Jenny finished 17-of-23 for 207 yards, three touchdowns and one interception.

Zach Jefferson finished 15-of-26 for 283 yards and three touchdowns, but he was intercepted four times. Neil Harps caught five passes for 138 yards and one touchdown and Jeromie Miller added four catches for 77 yards and a score. Jefferson led the Mustang rushing attack with 29 yards and Marcus Holley also added eight carries for 29 yards.

Tanner Troutman tied a single-game program record with three interceptions as Lycoming posted a 36-20 win over the Mustangs in 2013.

SCOUTING STEVENSON

Offense: Multiple

Stevenson enters the game ranked fifth in the MAC in scoring offense (20.0), eighth in total offense (255.3), fourth in rushing offense (153.8), and ninth in passing offense (101.5).

The team is led by a pair of freshmen quarterbacks in **Daniel Williams** and **Jeff Farrah**. Williams has completed 22-of-45 passing for 211 yards and Farrah has completed 14-of-41 passing for 155 yards and three touchdowns.

Sophomore **Trey Lee** paces the team's offense out of the tailback position, as he enters today's game fourth in the MAC with 399 yards and three touchdowns.

Defense: 3-4

The Mustangs are ranked second in the MAC in scoring defense (9.8), third in total defense (247.8), second in rushing defense (74.8) and sixth in passing defense (173.0).

Stevenson's defense has been key throughout its first four games, as they have allowed just five touchdowns, the same amount as the Warriors. The team has been especially tough against the run, not allowing a rushing touchdown this year. The Mustangs also lead the MAC with nine interceptions, led by two each from senior **Shane Clough** and junior **Billy Lewis**.

Sophomore linebacker **Cory Pietrzyk** leads the team with 33 tackles and 5.5 tackles for loss. Sophomore defensive back **Austin Tennessee** has added 24 stops, an interception and four breakups.

WARRIOR NOTES

The Hammer watch

Senior **Craig Needhammer** is on the verge of breaking more school records. He enters the Stevenson game just six points shy of John Phillips' record of 222 total points scored. A kicker, Phillips posted 132 point-after attempts and 30 field goals in his career from 1989-92. Needhammer is in full view of several other records as his 13 100-yard rushing games is two shy of the record of 15 set by Brian Thompson (1995-98). He is also 363 all-purpose yards shy of the school record of 4,474 set by Kleinfelter from 2007-10 and 776 rushing yards shy of Kleinfelter's mark of 3,665 yards.

Quest for 1,000

Senior **John Sibel** and junior **Ryan Umpleby** have formed a solid 1-2 punch in the receiving corps this year and both are on the verge of an impressive milestone. Sibel needs just 48 more yards receiving to become the 21st player in school history to post 1,000 in a career while Umpleby is close behind, needing just 100 more yards to hit the milestone.

Mr. 60

Senior **Tyler Jenny** is on pace to leave his own distinguished mark on the school's record book. The quarterback has posted a 19-5 (.792) record as a starter, which is the sixth-most

wins in school history. In his 24 starts, Jenny has completed more than 60 percent of his passes in 19 games, helping the team to a 17-2 (.895) record in those games. Jenny also needs just one more touchdown thrown or scored to become the fifth player in school history to be responsible for 50 in a career.

Leading the Pack

The Lycoming defense is again one of the best in the nation through the first four weeks of the season, sitting seventh in pass efficiency defense (78.82), eighth in total defense (214.0), eighth in red zone defense (0.500), 14th in sacks (4.0) and 14th in scoring defense (10.0).

It's Been A While

The Warriors are 4-0 for the first time since 2003, when the team went on to the NCAA quarterfinals and finished with a 9-2 record. However, that squad lost to Delaware Valley, 37-28, during the fifth week. The last time a team opened the season 5-0 was 1999, when the Warriors completed a perfect 9-0 regular season for the fourth straight year. Head coach **Mike Clark** was an assistant to the legendary **Frank Girardi** on that squad, along with defensive coordinator **Steve Wisner** and linebackers coach **Mike Weber**, who are still on the sidelines today.

**LAST TIME OUT...
LYCOMING 27, WILKES 14
SEPT. 27, 2014 · EDWARDSVILLE, PA.**

EDWARDSVILLE, Pa. – As the fourth quarter began, Wilkes made a stop on fourth-and-one to get the ball at the Lycoming 41 and they drove down to the 20-yard line, but a sack helped Lycoming get the ball back and a 78-yard drive later, the No. 22 Lycoming College football team withstood the threat from Wilkes University, capping a 27-14 Middle Atlantic Conference win at Ralston Field on a beautiful, Saturday, Sept. 27.

Blake Bowman ran for a career-high 85 yards on 10 carries to jumpstart the Warriors at Wilkes.

With fourth-and-one at the 41, the Warriors (4-0 overall, 3-0 MAC) gave the ball to senior **Craig Needhammer** for the first play of the fourth quarter, but junior David Wilke broke through the line to make a stop behind the line, giving Wilkes the ball down 20-14.

Five plays later, a nine-yard pass to William Deemer brought the ball to the 20-yard line, but a pass for no gain and an incomplete pass brought up third-and-10, where senior **Jimmy Nottingham** sacked Wilkes' quarterback Ryan Dailey. On fourth-and-12, an incomplete pass turned the ball over to the Warriors.

Lycoming turned to its legs to move the ball down the field, with Needhammer posting a rush for 11 yards before senior quarterback **Tyler Jenny** ran for 19 yards to get the ball to the Wilkes' 11-yard line. Two plays later, Needhammer crossed the goalline for his school-record 36th time, surpassing the school record for touchdowns of 35 set by Tim Dumas (1996-99).

After a four-play drive in which the Colonels went backwards three yards thanks to a 10-yard sack by junior **Josh Cook** on the first play of the drive, the Warriors ran the last 5:36 off the clock by running the ball eight straight times, ending the game at the Colonels' four-yard line.

The Warriors rushed 45 times for 226 yards and two scores, led by 26 carries and 105 yards from Needhammer. Sophomore **Blake Bowman** rushed for a career-high 84 yards on 10 carries and Jenny added five carries for 28 yards and a score.

Jenny was efficient passing as well, completing 14-of-23 passing for 183 yards and two touchdowns, but he was also intercepted for the first two times in his 2014 campaign. He threw to eight different receivers, with junior **Corey Talerico** leading the team with four catches for 31 yards.

In all, the Warriors posted a season-high 409 yards of total offense.

THE RIVALRY

**LYCOMING
VS. STEVENSON**

Lycoming leads, 3-0

Craig Needhammer has led the Warrior rushing attack in each meeting with the Mustangs, rolling up 93 yards as a freshman, 127 as a sophomore and 162 as a junior.

One of the newest members of the Middle Atlantic Conference, Stevenson football began with a bang in 2011 when it beat Christopher Newport, an NCAA Tournament team in 2010, 46-43, in double overtime. The team has risen quickly through the ranks of the league, as it enters today's game undefeated in just its fourth year of play.

Below is a look at the rivalry between the Warriors and Mustangs, which is just three games old.

2011 – By gaining 322 yards in the first half, the Lycoming College football team rolled out to a 38-point half, scoring the first 48 points of the game en route to a 48-14 rout of Stevenson University in the first meeting between the two squads. The Warriors rolled up 421 yards of total offense, but gave up a season-high 280, allowing 255 in the second half to the Mustangs. Having already scored 35 points in the first half, Zack Czap hit a career-long 45-yard field goal as time expired. In the second half, the Warriors got started with a pair of interceptions, one by Ray Bierbach that led to a field goal from Czap, and one from Ryan Fenningham that led to a 15-yard scoring strike from Tyler Jenny to Warren Oliver, giving the Warriors a 48-0 lead. The rushing attack was led by Craig Needhammer, who had 93 yards on 18 attempts, scoring once, and Parker Showers added 92 yards on 15 carries, scoring twice.

2012 - For the second straight year, the experienced Warriors ran the ball efficiently and shutdown the Mustangs offense in a 32-7 Lycoming win at Person Field. Craig Needhammer led the Warrior ground game, rushing 19 times for a team-season-high 127 yards and a touchdown. Parker Showers added 18 carries for 78 yards and two scores. Quarterback Tyler Jenny finished 9-of-19 for 104 yards and a touchdown, as the Mustangs snapped Jenny's school-record streak of seven straight games of completing better than 60 percent of his passes. Stevenson held the ball for 8:10 in the fourth quarter, but gained just 67 yards, giving it 221 yards of total offense in the game while Lycoming pulled in 302 yards. In the process, the Warriors held the league's top rusher, K.K. Smith, to just 66 yards on 24 rushes.

2013 – In the previous two games against Stevenson, Lycoming running back Craig Needhammer rushed the ball just 37 times. He surpassed that mark in the third game alone. Needhammer highlighted the day for the Warriors, as he rushed 41 times for 162 yards and a touchdown, caught one pass for 17 yards and a score and also had 65 yards of return yardage for 244 all-purpose yards in the Warriors' 36-20 win at Stevenson. Along the way, Needhammer tied the school-record for touchdowns in a season with 14, tying marks set by Tim Deasey (2001) and Brian Thompson (1998). Needhammer wasn't the only Warrior breaking records as All-American safety Tanner Troutman led the defense with a school-record tying three interceptions, two tackles and the defensive extra point, as he became the first Warrior to post three picks in a game since Fred Bordley did it against Susquehanna on Sept. 15, 2007. As a team, the Warriors had five interceptions, which kept Stevenson's momentum at bay.

BEALER ENTERS THE MAC HALL OF FAME

Rick Bealer '91 (#22) finished his career with 31 interceptions, which is still the second-most in NCAA Division III history.

The only three-time All-American in the history of the Lycoming College football program, Rick Bealer '91 was selected to the third induction class of the Middle Atlantic Conference Hall of Fame in May. Bealer will be honored before the game today for his induction.

"To be inducted into this hall of fame, it is a pretty high honor," Bealer said. "To be included in the same group as Coach G (Frank Girardi, who was inducted in 2012), it's great for me to be involved in something like that."

A 6-2, 196-pound defensive back, Bealer terrorized Lycoming's opponents for four years. More than 20 years after he last walked off the field, Bealer still holds the Division III record with 58 punt returns in 1989. He posted 566 yards on those returns, an average of 9.8 per return. As impressively, his 28 regular-season interceptions are still third in NCAA Division III history, and if his three career postseason picks are included, he has 31 picks, the second-most in Division III annals.

"The guy was a truly special, special player," Girardi, who coached the football team from 1972-2007, said. "His numbers speak for themselves. He was just a winner in every sense of the word."

The West Point, Pa., native and North Penn High School graduate posted a school-record nine picks as a sophomore to earn Second Team Pizza Hut All-American honors.

"He was an amazing player," Lycoming head football coach Mike Clark '93, who played with Bealer for two seasons, said. "He was a phenomenal athlete with great size that just made it really hard to throw the ball anywhere near him."

He posted nine more picks as a junior to earn consensus All-American honors, being placed on the Associated Press Little All-American, Kodak Small College and Pizza Hut First Teams.

As a senior, he posted eight picks while helping the Warriors reach the NCAA Division III finals, as he earned consensus All-American honors for a second time, earning slots on the AP Little All-American and Kodak Small College First Team and Pizza Hut Second Team.

"He was the package – the run support, the coverage, and he was a guy who could make an impact with his interceptions changing momentum and turning that into scores," Lycoming's defensive coordinator Steve Wiser said.

LYCOMING FOOTBALL A PROUD TRADITION

Hall of Famer and All-American John Joe turns the corner on the defense in a 1957 drubbing of Dickinson. Notice the game is played on the quad.

In his book about the history of the Lycoming College football program, Tom Aubrey explains how important \$10 was to the history of the program.

Founded in 1812 as Dickinson Seminary Preparatory School, Lycoming College has a proud history of football that dates back to 1897, when Dickinson Seminary played its first game, a 0-0 tie with a club from Newberry on the West side of Williamsport. The school won its first game in its next outing, a 6-4 victory over Burlingame.

The program was interrupted in 1919 due to World War I and continued to grow and change with the college, which became Dickinson Junior College in 1929. Earl Z. McKay spent a decade coaching the team from 1932-41, leading the team to an Eastern Junior College Championship in 1936, before World War II disrupted the program for four seasons. When it was continued in 1946, big changes were in the works for the college, which became Lycoming College, a four-year institution, in 1947.

The football program slid from 3-2-3 in 1947 all the way to 1-7 in 1950 and the program was dropped, which brings us to the story of \$10. In 1954, when the subject of bringing football back was brought up, students were asked to vote on whether to bring the program and incur a \$10 increase in student fees or not. The rest, as they say, is history.

Although the program struggled for much of the next two decades, there were plenty of highlights, including the 1956 Warriors defeating Juniata, 13-6, ending a 25-game win streak for the Indians. Lycoming celebrated with a day off from classes the next Monday. Led by All-American John Joe, the 1956-58 teams were some of the best in small college football, posting a 17-4-1 record in that time.

In 1970, although the team finished 3-5, Lycoming beat Wilkes, 21-19, snapping a 31-game winning streak for the Colonels.

Even Frank Girardi, who went to coach the Warriors for 36 seasons, had an auspicious beginning when his house burned down before his first game as head coach in 1972. The luck changed, though, under Girardi, as he ushered in an era in which the Warriors won 13 MAC titles and reached the NCAA Division III Championship game in 1990 and 1997.

LYCO LEGEND COACH FRANK GIRARDI

36 YEARS • 1972-2007 • 257-97-5

Frank Girardi closed a legendary career that spanned 36 seasons at Lycoming College when he walked away from coaching at the conclusion of the 2007 season.

Girardi built a career record of 257-97-5 – a winning percentage of .723. In 2005, he became only the 17th coach at any NCAA level to reach the 250-win plateau. He won a total of 13 NCAA Division III playoff games.

Girardi coached 13 Middle Atlantic Conference championship teams and made 11 appearances in the NCAA playoffs, including trips to the Stagg Bowl, the Division III national championship game, in 1990 and 1997. Lycoming tallied a winning record in 29 of Girardi's 36 seasons.

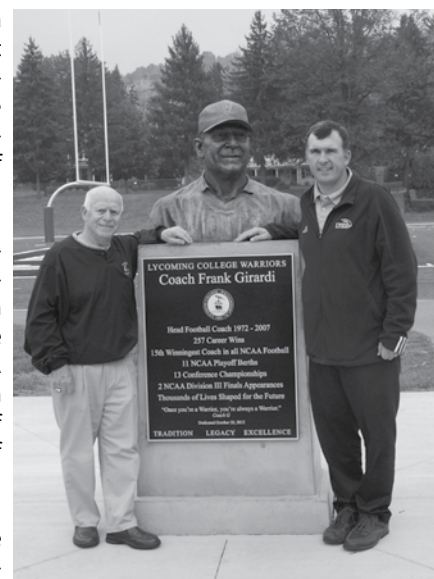

Girardi is a member of five halls of fame, including the Lycoming Athletics Hall of Fame, Middle Atlantic Conference Hall of Fame, West Branch Valley Hall of Fame, the Pennsylvania State Sports Hall of Fame, and West Chester University's W. Glenn Killinger Football Hall of Fame. The Middle Atlantic Conference honored Girardi as its Coach of the Year on 12 occasions, and in 1999, he became the Robert W. Maxwell Football Club's first recipient of the Tri-State Coach of the Year Award. The award is presented to an outstanding college or high school coach from Pennsylvania, New Jersey or Delaware. In addition, ESPN Radio 1050/104.1 created "The Frank Girardi Lifetime Achievement Award" for outstanding contributors to the area of athletics in the Williamsport area.

Girardi began his love affair with football in high school when he was a running back for Williamsport Area High School. He played at the collegiate level at West Chester University. Girardi entered the coaching ranks in 1961, when he became an assistant at Jersey Shore High School. He became head coach of the team in 1963 and remained in that position for six years.

In 1969, Girardi became an assistant at Lycoming under Budd Whitehill. Three years later, he took the reigns as head coach of a Warrior program that had gone 14-34 since their last winning season in 1965. It took three years, but in his fourth campaign, the Warriors recorded a mark of 6-2, beginning a run of 29 consecutive winning campaigns.

In 1984, Girardi accepted an expanded role as the College's director of athletics, serving in the role until 2008.

Girardi resides in Williamsport with his wife, Lynne. Their four children – Cathy, Jerry, Frank Jr. and Justine – all graduated from Lycoming College.

Coaches Frank Girardi and Mike Clark pose by Girardi's bust, which was dedicated in 2012.

GOOD LUCK, LYCO!!!
