The Budd F. Whitehill Endowed Fund for Wrestling is used to ensure the longevity of a quality wrestling program at Lycoming College. The funds provide enhancements directly to the wrestling program. It allows Head Coach Roger Crebs '87 to continue to recruit top student-athletes and maintain a highly-competitive program.

## Why was the fund established?

To honor Coach Whitehill for his 37 years of service and dedication to Lycoming's student-athletes. To recognize Whitehill for establishing one of the nation's most well-respected and successful NCAA Division III wrestling programs. He was known for demanding and inspiring excellence from his wrestlers. Whitehill championed the creation of this fund to ensure that the Warrior wrestling program would continue to thrive long after his tenure as head coach.

## How does the fund benefit the Lycoming wrestling?

1. Further resources for assistant wrestling coaches, including funding a full-time assistant coach
2. Provide additional funds for recruiting purposes
3. Enhance the opportunities for:
  - a. The Lycoming wrestling team to compete in the best tournaments across the country.
  - b. The Lycoming wrestling team to participate in additional NCAA sanctioned events such as preseason and off-season training and travel costs for such NCAA events.

## **The Budd Whitehill National Division III Wrestling Duals At Home in Lamade Gymnasium Since 1995**

Now in its 32nd year, the Budd Whitehill National Duals was a unique concept in 1989 when eight of the top teams in the nation came together at Ithaca College for a dual meet tournament then named the Division III Wrestling Duals.

Created at the same time as the NWCA Cliff Keen Duals, the Division III National Duals filled a void in small college wrestling. The NWCA National Duals only invited the Division III champion at the time.

In 1989, though, it was easy to see how vital and exciting a Division III national dual meet tournament could be. It was a quick success and the event jumped from eight teams to 16 teams in 1990, when Lycoming competed in the event for the first time, finishing fifth under head coach Budd Whitehill.

The event continued to grow, reaching 20 teams by 1994, and it continued to be held at sites in New York, also headquartering in Binghamton and Cortland before 1995 when Lycoming College hosted the event for the first time.

### **Finding a Home**

By 1995, the Division III National Duals were bringing in the top teams in the nation, hosting the eventual NCAA champion twice at the event, although, ironically, in each case, the NCAA title-winner (Ithaca in both 1989 and 1994) was edged out in the finals of the duals, with Delaware Valley winning the first title and Trenton State earning the win in 1994.

Under the guidance of head coach **Roger Crebs**, Lycoming College made a successful bid to host the event at Lamade Gymnasium

in 1995. The two-day event, with four mats laid across the long gym floor, was an immediate fit on the Williamsport campus.

In 1996, a coaches' vote after the tournament kept the event in Williamsport and it has never left.

### **A Wrestling Legacy**

After all, what better place to have a national event than a school that always seemed to be at the heart of the Division III wrestling conversation.

Fourth all-time amongst Division III schools in dual meet wins and one of three NCAA schools with two 300-dual meet-winning coaches in Budd Whitehill (374) and Crebs (414) in its history, Lycoming College's 61-year wrestling legacy is not just one of the finest in Division III, but in all of collegiate wrestling.

### **Honoring Budd**

At the same coaches' meeting after the 1996 tournament that determined to keep the Duals in Williamsport, it was also decided to change the name to the Budd Whitehill National Duals, in memory of the former Lycoming wrestling coach.

"The name change was to finalize some recognition for Budd Whitehill for the extended service he gave to Division III wrestling and wrestling in general," Crebs said.

Whitehill, who died in the summer of 1993, started the Lycoming wrestling program in 1956. He was the program's only head coach for its first 37 seasons.

He led Lycoming to a 374-175-7 record and 10

Middle Atlantic Conference championships during his career. His 374 victories rank 12th all-time amongst NCAA Division III coaches.

In 1991, Whitehill was inducted into the NCAA Division III Wrestling Hall of Fame and he was also inducted into the Pennsylvania Interscholastic Athletic Association Hall of Fame, the District 4 Wrestling Hall of Fame, the West Branch Valley Chapter of the Pennsylvania Sports Hall of Fame and the Middle Atlantic Conference Hall of Fame.

Before his death, the Budd F. Whitehill Endowment Fund was set up at Lycoming College and the Lamade Gym wrestling room was also named in his honor. Whitehill also has an athletic scholarship in his name at Lock Haven University, his alma mater.

### **Still Going Strong**

In 31 years, the Budd Whitehill National Duals has seen its fair share of memorable moments.

The College of New Jersey has had plenty of them, winning a record 10 titles at the event, including six in the 1990s. The University of Wisconsin-La Crosse also had a dominating run at the tournament, winning three crowns in a five-year span from 2000-04, while Messiah has reached the finals in six straight years and won a record five in a row from 2014-18.

Lycoming has also had its share of success at the event, winning titles in 1997 and 1999 and placing at the event 19 times, second only to TCNJ, which has earned its way onto the platform 29 times.

SUNY Cortland has placed 19 times and won a title.
