What James Millikin envisioned when he founded the University in 1901 was unique: the university would embrace the "practical" side of learning along with the "literary and classical;" and, while affiliated with the Presbyterian Church, it would not be narrowly "sectarian" and would remain open to all.

The result is one of the nation's first small, comprehensive universities that, a century later, has four colleges and schools: College of Arts and Sciences, College of Fine Arts, School of Nursing and Tabor School of Business.

With an enrollment of nearly 2,400 students, Millikin is a devoted partner to the Decatur-area community. Its students learn through real-world projects and learn to see connections with other academic disciplines to demonstrate the diversity of human experience, the interactions between technology and society.... They learn about themselves and others, developing a respect for differences and for the dignity of all.

The University subscribes to the philosophy of the NCAA Division III and offers no scholarships for athletes, but Millikin has enjoyed a broad and successful athletics program for many years. Teams and individuals in every sport have earned national recognition.

Sports for women include cross country, tennis, volleyball, basketball, soccer, swimming, softball, indoor and outdoor track & field and golf. Sports for men include cross country, football, soccer, basketball, swimming, wrestling, golf, indoor and outdoor track & field and baseball.

“ Students learn to see connections with other academic disciplines to demonstrate the diversity of human experience... developing a respect for differences and for the dignity of all. ”

As Millikin University turns the corner into its second century, the Big Blue men's and women's soccer programs begin a new journey of their own under the direction of Craig Lee.

"Millikin has been a fantastic environment for me over the last two years as an assistant, and I look forward to the challenge of guiding the program to new heights as the head coach," Lee said. "I will do my best to live up to the trust the administration has put in me to bring out the best in an already great group of student-athletes."

Lee, a 2000 graduate of Bradley University, is no stranger to Millikin's program, having served as the Big Blue's assistant for the past two seasons under Ryan Lakin. Lee was an integral part of Millikin's first-ever College Conference of Illinois and Wisconsin men's soccer championship in 2001.

Lee succeeds Ryan Lakin, who left Millikin for an assistant's position with Pittsburgh's professional soccer team, the Riverhounds.

While assisting at Millikin, Lee was also serving as the head girls soccer coach at Decatur's MacArthur High School, compiling a 25-20-4 record in two seasons. A goalkeeper by trade, Lee trained the Midstate Soccer Club's goalkeepers in 2002.

As a part of the soccer community, Lee has added his expertise to a variety of camps during the past few summers. He has co-directed the Big Blue Soccer School since 2000, and provided training at Bob Warming's Creighton Soccer Academy (2002), Illinois State University Soccer School (2001, 2002), Willy Roy Soccer Academy at Northern Illinois University (2002) and Central Illinois Soccer Academy (2000, 2001). In addition to his position with the soccer teams, Lee will also serve as an assistant coach for the Big Blue track and field teams.

2003 cciw preseason poll

Wheaton's Thunder has captured 13 of 15 titles, including the last eight in a row. Despite sharing the last two CCIW championships (with Millikin in 2001 and Augustana in 2002), Wheaton is the clear-cut favorite in 2003. Wheaton picked up 36 points and six first place votes after finishing the 2002 season with a 17-4-2 overall record and a 5-0-1 mark in the CCIW.

Augustana, which tied Wheaton a year ago, is solidly in second place with 31 points and one first place vote.

North Park got the third-place spot while Millikin (8-9-0 & 3-3-0) was picked to finish fourth. In fifth place is Carthage while Illinois Wesleyan and North Central round out the final two. Elmhurst is

the only member of the CCIW that does not compete in men's soccer.

	SCHOOL	POINTS
1.	Wheaton	36
2.	Augustana	31
3.	North Park	22
4.	Millikin	21
5.	Carthage	18
6.	Illinois Wesleyan	12
7.	North Central	7

Voting is done by the men's soccer coaches in the College Conference of Illinois & Wisconsin...Each coach votes for the seven other schools in the league in order of predicted finish...Points are assigned in reverse order of voting (seven points for first, six for second, etc.)...Coaches may not vote for his/her own team.

looking at 2003

After finishing second in the 2002 College Conference of Illinois and Wisconsin (CCIW) Tournament, former assistant coach Craig Lee takes over the reins of a program that finished 8-9 a year ago. After a third-place regular season conference finish, Lee and the Big Blue return seven starters and 16 letterwinners while losing four starters. The Big Blue loses playmakers in Sean Fahey, Jeff Kellogg, Adam Krebs and Eric Lee but have a solid core of returning players. Led by junior keeper **NEAMEN LEWIS** and 2002's top scorer in junior midfielder/forward **TONY DOUGLASS**, Lee will also look to his other five returning starters to keep the Big Blue moving in the right direction. Joining Lewis and Douglass are sophomores **DAVE BIGGS** and **BEN LEWIS**, seniors **BRETT LINN** and **C.J. NEFF** and junior **TIM WINGENBACH**. Of four players earning All-CCIW honors a year ago, Douglass is the lone returner after picking up a second-team honor.

As sophomores, Lewis finished the season with a 1.57 goals against and four shutouts, including two in conference play while Douglass scored a team-high 12 goals and a team-best 24 points on the season.

Ben Lewis returns for his sophomore season after a two-goal, four-assist performance in 2002 and a midfielder, Wingenbach scored 11 points on two goals and seven assists as a sophomore. Sophomore Biggs and senior Linn return after tallying assists last year while Neff saw significant time as a defender as a junior.

Sophomores **JOSH HUNT** and **JAMES JORDAN** and senior **ANDREW FUEGER** also return after solid performances in 2002. Fueger capped his junior season with three goals and an assist; Hunt scored four points with two assists as a freshman and Jordan finished his freshman campaign with two goals.

With the Offensive MVP returning in Douglass and the Most Improved Player back in junior **CASEY KELLER**, Lee should have plenty of talent with which to build. And with the addition of 20 freshmen on this year's roster, the Big Blue should be fighting for one of the top spots in the CCIW by the season's end.

cciw history

The College Conference of Illinois and Wisconsin (CCIW) celebrates its 58th year this season. Millikin is one of the four charter members with uninterrupted membership.

In National Collegiate Athletic Association Division III competition, CCIW schools have won 33 NCAA titles in 27 years. The schools have won seven titles in men's basketball, one in women's basketball, 11 in men's cross country, four in football, four in men's swimming, one in men's soccer, two in men's outdoor track & field, one in men's indoor track & field and two in volleyball.

The original nine-member league was formed at a meeting in Jacksonville, Ill. on April 26, 1946, and began competition during the 1946-47 school year as the College Conference of Illinois. The name was changed in May 1967 to recognize the two Wisconsin schools, Carroll and Carthage. Charter members were Millikin, Augustana, Carthage (then located in Illinois), Elmhurst, Illinois College, Illinois Wesleyan, Lake Forest, North Central and Wheaton.

Carthage left in 1952 and returned in 1961, while Illinois College departed in 1953 and Lake Forest left in 1967. Wheaton left in 1959 and returned in 1967, and Elmhurst dropped out in

1960 only to return in 1967. Carroll joined in 1955 and left in 1992 and North Park became a member in 1962.

Originally staging competition only for men, women's sports were added to the CCIW slate in 1986.

big blue athletic facilities

Griswold Physical Education Center

Griswold Center is perfect for the intercollegiate athlete or intramural player. The Center provides a gymnasium to seat 4,000, a running track and three regulation-size basketball courts. Millikin hosts several high school tournaments and games including the annual IHSA Class A Girls and Boys Supersectionals.

The men's and women's basketball, women's volleyball and men's wrestling teams also compete in Griswold Center's gym and its six-lane McIntosh Pool is home to the Big Blue men's and women's swim teams. The building also houses classrooms, staff offices, athletic training facilities and locker rooms.

Just north of Griswold Center, Millikin's track & field teams take advantage of 1997 renovations that included an eight-lane, all-weather track. The USATF Youth Athletic Championships were held on the track in both 2000 and 2001 and Millikin also hosted the NCAA Division III Outdoor Track & Field Championships in 2001.

Several Big Blue teams make use of off-campus facilities. The men's and women's tennis teams play and practice at the

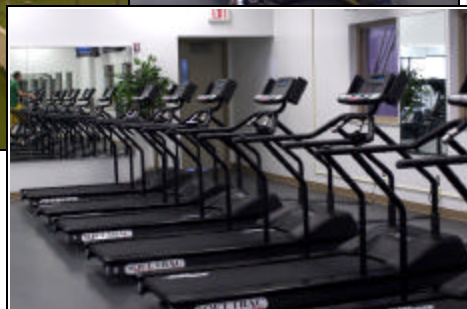

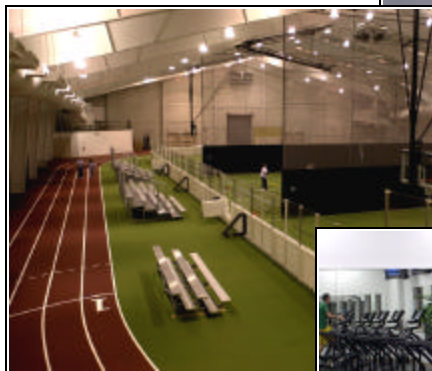

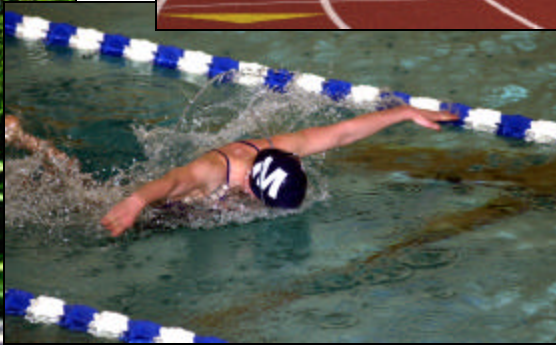

Fairview Park Tennis Complex, located just across the street from campus. The

men's and women's golf teams frequent the city's three golf courses while the Big Blue baseball program calls Sunnyside Park home. The softball team plays its home games at Borg-Warner Sports Complex while the cross country teams do most of their training at Fairview Park on the paved, grass and dirt trails that trace the historic Interurban Railway. The trails lead through Kiwanis Park to the Macon County Conservation District Bikeway to the Rock Springs Environmental Center. The men's and women's soccer teams play their home schedule at Stephen Decatur Middle School and also make use of Fairview Park's spacious areas for practices.

Decatur Indoor Sports Center (DISC) at Millikin

Newly constructed in January 2000 in conjunction with the Decatur Park District, the DISC is a 87,000 square foot, on-campus athletic facility.

The DISC's new weight rooms are the perfect place for the serious athlete or amateur to work up a sweat. Upstairs facilities include machine weights and cardiovascular equipment while the lower-level room provides an expanse of free-weights and dumbbells. The DISC also features a 200-meter indoor running track. For more information on the DISC, call 217.429.3472.
