

THE RECORD BOOK

TEXAS SOUTHERN FOOTBALL HISTORY

The first edition of the Tiger Football team hit the field six months after the 50th Legislature of Texas formally created the Texas State University for Negroes. That was in September 1947.

But to get a better picture of Texas Southern University's first football team, you must go back one full year to September 1946. That's when the predecessor to TSU, Houston College for Negroes, fielded its first intercollegiate football team...which had a mascot known as the Tigers.

Even further before Houston College, there was Houston Colored Junior College. That educational institution worked with Wiley College of Marshall, Texas to play football in the late 1920s and early 1930s.

Following Houston College's move to the present 62-acre tract in 1946, **Eolus Von "E.V." Rettig** was the first-ever coach in the TSU football era as he led the then Houston College for Negroes/Texas State University for Negroes for three seasons. Rettig and the Tigers recorded a record of 4-2-3 in its first season as an independent. His team of mostly Houston schoolboys went 7-3 as in Rettig's final season, the Tigers went 0-5-2.

Also serving as the Dean of Men at TSU, Rettig finished with an 11-10-5 record as an independent before moving on to Wiley College. The Tigers won their first-ever postseason bowl with a 12-6 win in the 1948 Prairie View Bowl at Buffalo Stadium in Houston.

A native of Pittsburg, Texas and graduate of Texas College (1935), **Alexander Durley** became the second head football coach and athletics director at Texas Southern University in 1949.

With Coach Durley at the helm, the Tigers underwent several major changes beginning with the school name (Texas State University for Negroes to xxTexas Southern University) and conference affiliations (Mid-Western Athletic Conference, Southwestern Athletic Conference). Under Durley, TSU won its first-ever championship (1951 / National Negro Championship), posted its second bowl win (1953

James Daniels, a member of the 1946 team, is honored during the team's 25th anniversary in 1971. He was presented a football by Miss TSU 1971-72 Tamya Lott. Lott would go to marry former TSU football standout and Assistant AD Rick Holden.

TEXAS SOUTHERN FOOTBALL HISTORY

Texas Southern, under the guidance of Alexander Durley, claimed the nation's Negro college football championship after defeating Prairie View 13-12 on Thursday, Jan. 1, 1952 in the annual Prairie View Bowl game.

ALEX DURLEY

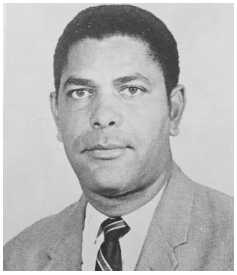

Prairie View Bowl) and its first SWAC co-Championship (1956). Durley posted a 16-year record of 101-55-7 and was always active in the community affairs and professional organizations such as the Big Brothers Organization, Houston Business and Professional Men's Club and UMCA. The Alexander Durley Sports Complex located on the Texas Southern University campus is a permanent reminder of the man whose name it bears.

Durley planned to bring the young school into the highly regarded Southwestern Athletic Conference, but this goal was delayed six years. Meanwhile, the Tigers played in the Midwestern Athletic Conference from 1951 to 1955. Durley's 1952 team captured the school's first championship with a 10-0-1 record. All-American quarterback **Audrey Ford** (21 TDs) and halfback **Edward Smith** (1,087 yards) led the Tigers in defeating such modern day opponents as Grambling (46-16), Alcorn State (19-0), Jackson State (20-6) and Bishop (85-0). The Tigers tied against Lincoln University of Missouri (13-13). TSU claimed title to the National Negro Championship with a 13-12 victory over Prairie View in the annual Prairie View Bowl as Lincoln University was the other undefeated black college team in the nation. The 1952 team's 10-0-1 record still stands as the best in TSU history.

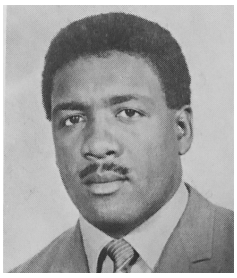

Durley was the head coach for 15 years (1949 to 1964) and compiled a 101-54-7 record before moving on to rival Prairie View A&M in 1965.

After 16 years under Durley, a new era at Texas Southern would begin as 34-year old **Clifford "Jack" Paul** from Edward Waters College arrived in town after an impressive tenure at EWC. Paul would open up the North Florida/Georgia pipeline (Kenny Burrough, Julius Adams) to TSU while also bringing TSU a pair of tri-championships in 1966 and 1968 during his five-year tenure but the university parted with him after the 1969 season after philosophical dif-

ferences.

Following Clifford Paul's tenure, former assistant **Alfred Benefield** took over and led TSU to its sixth straight winning season (6-3) in 1970. However, he only lasted one season as he resigned following the season due to personal reasons and returned to Jacksonville, Fla. over the holiday break.

Dr. Roderick "Rod" Paige was named the fifth head coach and athletic director at TSU by **President Dr. Granville Sawyer** in 1971. The Jackson State College graduate was a former head coach at Jackson State College and had a winning record. He spent five seasons as both head coach and athletic director at TSU before settling in as the school's athletic director on a full-time basis in 1976 and helped TSU successfully move into the NCAA Division I ranks. Paige eventually worked his way up the ranks and was named Dean of the College of Education in 1984, Houston ISD Superintendent in 1994 and Secretary of Education from 2001 to 2005.Paige finished with a 26-22-3 mark in five years, including a 7-2-1 record in his first year of competition.

Wendell Mosely made history as the first former TSU football player to become head coach at his alma mater in 1976. Mosely, a former assistant at the University of Oklahoma for four seasons prior to TSU, was also a well-respected high school coach in the Houston area before leaving for Oklahoma. He coached three seasons at TSU with one winning season in 1977 as he compiled an 11-20-2 mark.

1969 team captains - 00 Kenny Burrough, 88 Burt Askom, 75 Julius Adams and 18 David Mays

James Arthur "Bull" Sorey became the second former TSU football alum to coach the program in 1979 as he was a former defensive coordinator under]Mosley.

The seventh head coach in the history of TSU football, Sorey was the first TSU athlete drafted by both the AFL and NFL. He would coach two seasons at TSU and compile a 5-17 record.

A big change occurred as former TSU All-SWAC performer **William Henry "Rock" Glosson** was named athletic director by TSU President **Leonard Spearman**. Spearman also named former Central State University and Maryland Eastern Shore coach **Joe Redmond** as TSU's eighth head coach. Redmond would spend three seasons at TSU as he also served as acting AD his first season while coaching football. He would have one non-losing season (1981) as he finished with a 9-20-3 mark over three seasons.

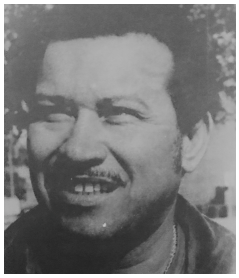

Texas Southern went big as they hired former AFL

superstar, Los Angeles Rams offensive coordinator and Oregon State receivers coach **Lionel Taylor** as its ninth head coach in 1984. Known for his high-flying offense, Taylor spent five years at TSU as his teams set numerous offensive records. He's also the first coach to usher in the modern-day Labor Day Classic in 1985.

The Taylor era came to a disappointing end after the 1988 season which put TSU back in the market for a head coach as he had a career mark of 13-41-1.

However, the road to securing TSU's 10th head coach was rocky as Bishop College head coach James Jones was announced as the next coach before turning the job down.

LIONEL TAYLOR

In 1989, the Tigers turned to Florida A&M defensive coordinator and former Houston Oiler **Walter Highsmith** as its next coach which he ultimately accepted after intense negotiations. Highsmith would get credit with upgrading the team's talent level and is known as the coach who recruited and coached future NFL Hall of Famer **Michael Strahan** as he had six NFL Draft picks during his stint.

TSU was close but couldn't get over the hump with a winning record during Highsmith's five-year tenure as he finished with a 13-41-1 mark and a pair of five-win seasons.

WALTER HIGHSMITH

William "Bill" Thomas arrived in Houston in 1994 with an impressive resume' as a former head coach at Tennessee State University. The 11th head coach at TSU, Thomas started out slow but kicked it into high gear in his third year with a 7-4 mark and TSU's first win over Grambling State in 23 years. The 1996 season also marked

NFL Hall of Famer Michael Strahan was recruited by Walter Highsmith and holds the school record in sacks.

TSU's first winning season since 1977 and the best overall finish for the university since 1971 and the best conference finish in 29 years.

In 1999 and 2000, Thomas came within one win of a SWAC Western Division Championship as the 2000 team, which started out 7-0, finished 8-3 which was good for third place and the most wins at TSU since 1956. Thomas, who also served as AD at TSU on several occasions, lasted 10 seasons which marked the second-longest reign since Alexander Durley. He also served as the first coach at TSU to help transition the Labor Day Classic to Reliant Stadium after decades at Robertson, the Astrodome and Rice Stadiums. Thomas enjoyed 10 seasons as the head football coach of the Tigers which was the longest reign at TSU since Alexander Durley.

After Thomas' 10-year run came to an end, athletic director **Alois Blackwell** turned to former Howard University head coach Steve Wilson to right the fortunes of TSU's football program as its 12th coach. Wilson was credited

STEVE WILSON

with reviving the HU program with a 78-67 mark during his tenure and hoped to do the same at TSU.

Wilson's tenure in 2004 started out on the wrong foot as the 14-game Labor Day Classic winning streak against Prairie View A&M came to an abrupt end. He had some moments where the program appeared headed on the right track but a pair of winless seasons (2004, 2007) sandwiched his tenure at TSU with only four total wins. Wilson was relieved of his duties with two games remaining in 2007. During Wilson's era, the Tigers made a successful transition back to Durley Stadium for its home games from 2005-07 as his assistant, DeChon Burns, coached the final two games of the 2007 season as Wilson was released before the season concluded.

The Tigers turned to one of their own as alumnus **Johnnie Cole** returned home to lead the Tigers prior to the 2008 season as its 14th coach. A former Tiger football great at quarterback under **Joe Redmond** and **Lionel Taylor**, Cole arrived at TSU after servig as head coach at Lane College and stints as an offensive coordinator at Alabama State and Tennessee State.

Cole upgraded the talent base at TSU significantly and had the Tigers playing a competitive brand of football. Regarded as offensive-minded coach, ironically the Tigers became known for their powerful defense during Cole's time at TSU as the unit served as the backbone during the 2009 and 2010 seasons.

Cole won four games in his first season and TSU had its first winning season since 2000 following a 6-5 campaign in 2009. The Tigers built on their success the following season in 2010 with a 9-3 finish and won its first outright SWAC Championship. However, all records from 2006-2010 were vacated by the NCAA.

Cole's defensive coordinator, **Kevin Ramsey**, assumed the reigns in 2011 and led the Tigers to a 4-7 season. He returned to his role as defensive coordinator in 2012 as **Darrell Asberry** was brought in as the program's 16th head coach.

William "Bill" Thomas had a 10-year run which saw him come within one game of a SWAC Western Division title on two occasions in 1999 and 2000.

DARRELL ASBERRY

Formerly the head coach at Shaw University, Asberry arrived with plenty of SWAC ties as a former quarterback and offensive coordinator at Jackson State. The Baton Rouge, La. native opened his tenure with a bang with an emotional win over Prairie View A&M in the Labor Day Classic. He defeated Prairie View A&M twice during his stint and became the first head coach to accomplish that feat since **Bill Thomas**. Asberry assumed control of the program during a tumultuous time as the Tigers were in the midst of NCAA sanctions. He's also credited with transitioning the Tigers to their new home as BBVA

TSU alumnus Johnnie Cole was the 14th head coach in university history.

Stadium opened in 2012 and was credited with turning the program around academically as TSU was the recipient of the Academic Progress Rate (APR) Most Improved Award for the Southwestern Athletic Conference by the Football Championship Subdivision Athletics Directors Association (FCS ADA).

TSU turned to **Michael Haywood** as its 17th coach immediately after the conclusion of the 2015 season. A Houston native, Hayood was a well-respected assistant and former offensive coordinator on the Football Bowl Subdivision level before orchestrating a major turnaround at Miami of Ohio in 2010. Haywood's first season showed a lot of promise with a four-win campaign which featured several close losses to SWAC contenders. However, Haywood suffered back-to-back 2-9 campaigns before resigning after the 2018 season.

Clarence McKinney was named TSU's 18th head coach in December of 2018. A Houston native and local legend in the 3rd Ward community, McKinney previously served as an assistant at the University of Arizona in addition to Texas A&M and the University of Houston.

After a winless first season, McKinney was tasked with one of the biggest challenges TSU football has ever faced which was navigating the program through a pandemic during COVID-19. TSU would return to the field for a historic two-game spring campaign in 2021 before returning to the field in the fall of 2021. McKinney's rebuilding plan began to bear fruit as TSU finished with two SWAC wins along with several close contests.

MICHAEL HAYWOOD

In 2022, Texas Southern made history as the Tigers shutout Southern University for the first time since 1971 and also recorded its first official SWAC shutout since 2016 in a 24-0 win in Arlington, Texas. TSU would win four of its next five starting in the month of October which included its first win over Alcorn State since 2011 and its first SWAC road win since 2018 as they defeated UAPB. TSU found themselves in position to claim a share of the SWAC Western Division title entering its 2022 season finale but they fell to Alabama A&M in the final quarter to finish third in the division.

CLARENCE MCKINNEY

The 2023 season saw TSU return an experienced team with high expectations. However, a fourth quarter comeback by Prairie View A&M in the season opener proved hard to overcome coupled with untimely season-ending injuries as the Tigers had five SWAC losses by a combined 14 points.

As a result, TSU would turn to new leadership following the season as **Clarence McKinney** would not return for the 2023 season.

TEXAS SOUTHERN FOOTBALL HISTORY

In January of 2024, Texas Southern would start the year with new leadership as former Houston Oiler **Cris Dishman** became the program's19th head coach.

Dishman made an immediate impact as his first career victory was at Prairie View A&M in the 2024 edition of the Labor Classic as it ended a nine-game losing stream to the Panthers and also marked the team's first win inside Prairie View's stadium. Two late drives in the closing seconds at Lamar and to Southern prevented the Tigers from achieving their first winning season in 24 years. However, the Tigers closed out the year on a positive note with back-to-back wins at the end of the season for the first time since 1979.

In 2025, the Tigers finally kicked in the door and achieved their first winning season since 2000 as they finished 6-5 in Dishman's second season.

1946 HOUSTON COLLEGE FOR NEGROES FOOTBALL TEAM

If the 1946 season had not been the first for Houston College, one might think the Tigers played an unusual brand of football, winning four games, tying three and losing two.

The Tigers scored 11 touchdowns all season, six in the 40-0 win over Tillotson. The defense shut out five of the nine opponents. On the other hand, the opposition shut out the Tigers three times.

According to a report of the Huston-Tillotson contest," the 85 yard gallop by William Shelton was the highlight of the game. The run was spectacular in that the expert blocking was some of the best seen that year and the runner was unmolested after he crosses the 50 yard line with four blocks running interference all the way."

1952 BLACK COLLEGE FOOTBALL NATIONAL CHAMPIONS

Houston, January 2, 1952 – (United Press) - Texas Southern University claimed the nation's Negro college football championship today after defeating Prairie View 13-12 on Thursday in the annual Prairie View Bowl game.

Texas Southern was co-champion of the Midwestern Negro Conference and prairie View won the Southwestern Negro title. Southern's Audrey Ford paid little attention to a rain that fell most of the game and tossed two touchdown passes. One went to L.C. Reach for 45 yards and the other to Fred Jackson for one yard, both in the first quarter. Herbert Dean kicked the first extra point but his second try was blocked.

FORD

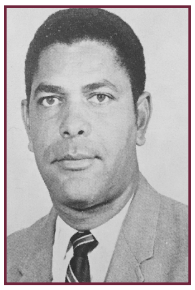

The Prairie View passing star, Charles Brackin, was responsible for his team's two scores. An accurate toss in the third quarter set up a successful touchdown try on the one yard line and a fourth quarter pass was complete to Melvin Smith in the end zone. Brackin missed one try for an extra point and an attempted pass for the second conversion was blocked.

CLIFFORD PAUL (Edward Waters)
TSU RECORD: 27-18-4

After 16 years under Alexander Durley, a new era at Texas Southern would begin as 34-year old Clifford "Jack" Paul from Edward Waters College arrived in town after an impressive tenure at EWC. Paul would open up the North Florida pipeline to TSU while also bringing TSU a pair of co-championships in 1966 and 1968 during his five-year tenure but the university parted ways with him after the 1969 season after philosophical differences.

WALTER HIGHSMITH (Florida A&M)
TSU RECORD: 19-34-2

The Taylor era came to a disappointing end after the 1988 season which put TSU back in the market for a head coach. However, the road to securing TSU's 10th head coach was rocky as Bishop College head coach James Jones was announced as the next coach before turning the job down. The Tigers turned to Florida A&M defensive coordinator and former Houston Oiler Walter Highsmith as its next coach which he ultimately accepted after intense negotiations. Highsmith would get credit with upgrading the team's talent level and is known as the coach who recruited and coached future NFL Hall of Famer Michael Strahan as he had six NFL Draft picks during his stint. Highsmith's tenure would end after five seasons as he had a pair of five-win seasons.

STEVE WILSON (Howard)
TSU RECORD: 1-21***

After Thomas' 10-year run came to an end, athletic director Alois Blackwell turned to former Howard University head coach Steve Wilson to right the fortunes of TSU's football program as its 12th coach. Wilson's tenure in 2004 started out on the wrong foot as the 14-game Labor Day Classic winning streak against Prairie View A&M came to an abrupt end. Wilson had some moments where the program appeared headed on the right track but a pair of winless seasons (2004, 2007) sandwiched his tenure at TSU with only four total wins. Wilson was relieved of his duties with two games remaining in 2007. During Wilson's era, the Tigers made a successful transition back to Durley Stadium for its home games from 2005-07.

TSU RECORD: 0-0***

The Tigers turned to one of their own as alumnus Johnnie Cole returned home to lead the Tigers prior to the 2008 season as its 14th coach. A former Tiger football great at quarterback and head coach at Lane College, Cole upgraded the talent base at TSU significantly and had the Tigers playing a competitive brand of football. Regarded as offensive-minded coach, ironically the Tigers became known for their powerful defense during Cole's time at TSU as the unit served as the backbone during the 2009 and 2010 seasons.

DARRELL ASBERRY (Jackson State)
TSU RECORD: 4-7

Texas Southern made another head coaching change in 2012 as Darrell Asberry became the school's 16th head coach. Formerly the head coach at Shaw University, Asberry arrived with plenty of SWAC ties as a former quarterback and offensive coordinator at Jackson State. The Baton Rouge, La. native opened his tenure with a bang with an emotional win over Prairie View A&M in the Labor Day Classic. He defeated Prairie View A&M twice during his stint and became the first head coach to accomplish that feat since Bill Thomas. Asberry assumed control of the program during a tumultuous time as the Tigers were in the midst of NCAA sanctions. He's also credited with transitioning the Tigers to their new home as BBVA Stadium opened in 2012.

MICHAEL HAYWOOD (Notre Dame)
TSU RECORD: 8-25

TSU turned to Michael Haywood as its 17th coach immediately after the conclusion of the 2015 season. A Houston native, Hayood was a well-respected assistant and former offensive coordinator on the Football Bowl Subdivision level before orchestrating a major turnaround at Miami of Ohio in 2010. Haywood's first season showed a lot of promise with a four-win campaign which featured several close losses to SWAC contenders. However, Haywood suffered back-to-back 2-9 campaigns before resigning after the 2018 season.
