★ CONFERENCE NOTES

The Greyhounds have been members of six conferences through the years, beginning their conference affiliation with the Hoosier College Conference (HCC). They won the league title that season and in again 1953, '54, '55 and 1960. After taking a year off from conference play in 1970, the Hounds moved to the Indiana Collegiate Conference (ICC) in 1971. In '78, the ICC became the Heartland Collegiate Conference (HCC) with the addition of universities from Ohio and Kentucky. The Greyhounds captured the first HCC championship in 1978 before adding another crown in 1981.

In 1990, five teams from the HCC joined with six schools from Michigan's Great Lakes Intercollegiate Conference to form the Midwest Intercollegiate Football Conference (MIFC). Nine years later, the then-13-team league changed its name to the familiar GLIAC of today.

In 2012, Indianapolis made the jump from the Great Lakes Intercollegiate Athletic Conference (GLIAC) to the Great Lakes Valley Conference (GLVC) when the latter added football for the first time in its history. Before the move, UIndy had been an associate member of the GLIAC since 1999.

For the all-conference awards that follow, all available years listed feature UIndy's first and second team all-conference winners, as well as those Greyhounds receiving honorable mention, with the following exceptions:

- A single team was recognized from 1958-69.
- Only first-team honorees are currently available for 1975-79, 1981-82 and 1984.
- In 1990, three all-conference teams were named, as well as a list of honorable mentions.
