THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 26 major fields of study to a student body of 1,800 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 290 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the James-Atkins Fund, a student-managed and operated investment organization. The Mungo Exchange also prepares students for life after Wofford by offering professional development, career services, entrepreneurship programs and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in

The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Additionally, the Chandler Center for Environmental Studies and Jerome Johnson Richardson Hall, a 150-bed residence hall, opened in the fall of 2020. Renovations to the library into an academic commons were completed in the fall of 2019. Burwell Dining Hall and Mungo Campus Life Center renovations were finalized in 2021 and a new softball stadium, along with improvements to Snyder Field were finished in the summer of 2022.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A sampling of on-campus programs include: Knitting, Science and Art of Craft brewing, Breakout Games, and Yoga. Travel/study projects take students to Australia, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Mungo Exchange is a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Mungo Exchange includes the Career Center, whose events, programs and individual meetings are focused on our mission to prepare students for life after Wofford. The Office Entrepreneurship + Innovation serves as the hub and resource center for innovation on Wofford's campus, offering educational opportunities, resources, a community of support and professional connections to innovators and industry experts. International Programs, The Center for Community Based Learning and Undergraduate Research are also in the Mungo Exchange.

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered

jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing interdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries

researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over \$10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament. Andrew Novak earned his PGA Tour card in 2021, while Rob Galloway is playing on the ATP Tour. Forrest Lasso played professional soccer with FC Cincinnati in the MLS and overseas.

In basketball, Mike Lenzy was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Howard Wilkerson, Brad Loesing, Jamar Diggs, Lee Skinner, Karl Cochran, Spencer Collins, Justin Gordon, Eric Garcia, Cameron Jackson and Fletcher Magee.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan, Adam Scott, Brett Rodriguez, Colin Davis, Hayes Heinecke and Marshall Toole all were with teams in the last ten seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

Over the past ten years, Andy Strickland (Atlanta and Jacksonville), Tommy Irvin (Arizona), Pat Illig (Detroit), Kasey Redfern (Jacksonville, San Diego, Detroit and Dallas), Alvin Scioneaux (San Diego), David Marvin (Atlanta), Miles Brown (Arizona), and JoJo Tillery (Tennessee) have been in NFL training camps. Brenton Bersin reached Super Bowl 50 in 2016 with the Panthers. Ameet Pall was the fifth overall pick in the 2012 CFL draft.

Top: William McGirt on the PGA Tour. Above: Mike Lenzy guards Kobe Bryant in an exhibition game before the 2012 Olympics. Bottom: John Cornely with the Gwinnett Braves. Top Right: Brad Loesing has played several seasons in Germany. Bottom Right: Forrest Lasso with FC Cincinnati in the MLS.

RUSSELL C. KING FIELD

A commitment in excess of \$1 million from a trustee and former Terrier baseball player made it possible for Wofford College to play its home games on campus again.

In May 2003, the Wofford Board of Trustees approved the \$1.8 million project, which bears the name of Russell C. King Field. The new field is located at the site of the former facility, Law Field, on campus. A past chairman, King served on the Wofford Board of Trustees for 25 years.

Russell C. King '56 made it possible for NCAA baseball to return to campus after an eight-year absence. Since beginning Division I play in 1996, Wofford had played its games off-campus at Duncan Park.

"Wofford has been envied and praised for the number of gathering spaces on our campus where students and faculty can interact," Wofford president Dr. Benjamin Dunlap said. "There could be no better springtime addition to that list than a handsome, centrally-located baseball facility — and that is what Russell C. King and other generous donors have made possible.

"As a sometime Yankee fan, it pains me that no one remembers King Kong Keller. But, as an ardent Terrier supporter, it gives me real satisfaction to know future generations will recognize the name of one of the best power hitters in Wofford's history. Russell King used to launch homers over the railroad tracks and, according to a legendary

account for which there are several purported eyewitnesses, one of his shots fell into a coal car and traveled all the way to Arizona — surely the longest home run on record!

"Russell C. King Field is as significant an addition to our campus as Russell himself was to Wofford baseball in the 1950s."

King, who passed away August 14, 2011, was part of a three generation family at Wofford that also includes an athletic

background. His father, Russell Calvin King '29, played baseball and football for the Terriers as did one of his four uncles who attended Wofford. King's son, Russell C. King, III '81, is also a Wofford graduate.

King was a stalwart on Wofford's baseball teams from 1953-56, he was a .338 career hitter who led the '56 team to a 14-4 record while leading the squad in home runs and RBIs.

"I've been a long-time advocate of bringing baseball back to campus," King said. "Back in my day, and in the future, a lot of students would come and watch at least part of the game. It was a good atmosphere and a place for students to gather.

"This will be a first-class facility and will have a significant impact on the beauty and activity for that corner of the Wofford campus. This is something I was prepared to do and wanted to do. It will help us attract some quality opponents and we'll be able to have some night games. As a former player, I'm excited about having a new field for our program."

Russell C. King '56

Other components of the new facility include a major gift from Toccoa Switzer and her family for the construction of the seating area, which has 1,000 permanent seats located behind home plate. Grass banks behind each dugout bring total capacity to 2,500. A series of rocking chairs, overlooking the field, highlights the plaza area.

The Switzer family also has a long relationship with Wofford, spanning four generations. Toccoa Switzer is a former member of the Wofford Board of Trustees. Her late husband, James L. Switzer, Sr. '40, and his father, Dr. Paul K. Switzer '07 are Wofford graduates, as are her two sons, James L. Switzer, Jr. '80 and Dr. Paul K. Switzer, III '77. Toccoa's granddaughter, Lizzie Switzer '07, is also a graduate of Wofford.

"The Switzers made the first gift on the project," Dunlap said. "Without their generous support, Wofford baseball might have wandered in the alien corn a lot longer than it did. Long before 'Field of Dreams' made the thought a by-word, the Switzers were convinced that, if we built it, the springtime crowds would return to Wofford to enjoy an afternoon at the ballpark. Each season it is proven how right they were."

Over the past several seasons, various improvements have been made to the facility, including cutting out the base paths and adding railings in front of the dugouts. The most visible change was the addition in 2012 of an astroturf halo around the home plate area, which was expanded in 2018. The halo was made possible by family and friends in memory of Jason Derrick. Derrick was a pitcher for the Terriers from 1992-96 from Charleston, S.C. and passed away in 2008. In addition, the batting cages behind right field were renovated in 2016.

RICHARDSON HALL

In the fall of 2020, first-year students moved into the new, 150-bed Jerome Johnson Richardson Hall, located just across Campus Drive from other first-year residences, Greene Hall and Marsh Hall. The residence hall houses a variety of student activities facilities on its main floor, and will provide beautiful living, fellowship and study areas for students. One wing of student rooms faces Russell C. King Field and Switzer Stadium. Another looks out over Snyder field. Both wings have rooms with views of the courtyard. The building stands on the site where Andrews Field House stood until 2019. Because of its proximity to athletics facilities, the first floor of the building houses baseball locker rooms and offices as well as locker rooms and a shared training facility for men's and women's golf. Richardson Hall is the first student housing built on Wofford's campus since 2011.

LOCKER ROOM

After using locker room facilities in Andrews Fieldhouse since 2009, the Terriers moved into the new facility in the fall of 2020. In addition to the locker room, office space for the coaches will also be in the building, along with a coaches locker room, officials locker room and laundry facilities. A spacious mud room with cleat and helmet racks, and storage room is also include for the team.

THE JOE E. TAYLOR CENTER

Wofford alumnus and former South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, six glute/ham machines, two decline ab machines, and a leg press. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and several sports, including men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space. The first floor of the building contains the rifle range, which includes ten lanes with electronic scoring.

RICHARDSON BUILDING

THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department since 1996 is the Richardson Physical Activities Building. The facility includes offices for the administration, football, baseball and other sports on the second floor. Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men's and women's cross country/track and field, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state of the art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for post-game press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year and a new video wall was installed in 2022. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.

BENJAMIN JOHNSON ARENA

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

"The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we're glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff," President Nayef Samhat says. "The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds."

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men's club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson '30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The \$4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men's basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women's basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women's basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.

WOFFORD TRADITIONS

THE EARLY YEARS

The first baseball team at Wofford took the field in 1889 under the direction of Professor Marshall, however there is evidence of a team representing the College playing Furman in 1885. In 1896, the Wofford team took on South Carolina and won 18-6. Wofford pitcher Gus Chrietzburg struck out 19 batters against Wake Forest that season as well. In 1899, the team was undefeated with wins over Clemson, South Carolina, Furman, Citadel, Erskine and College of Charleston.

MARK LINE

One of the winningest coaches in Wofford baseball history is Mark Line. He served as head coach from 1985 to 1994, posting a career record of 204-157 for a .564 winning percentage. He was named NAIA District VI Coach of the Year in 1987. In 1990, the Terriers won 30 games for the first time in school history. He has served as the Deputy Athletic Director at Wofford before serving at the first head coach of the Wofford Softball program during its inception until the hiring of Chelsea Butler. Line currently is an assistant coach for the Terrier softball team as it begins its first season of action.

FIVE DAYS IN MAY

In 2007, the Terriers pulled off one of the most amazing runs in conference tournament history as they entered as the ninth seed. A 5-3 play-in game victory against Furman led to a 19-6 shellacking of the top seed, the College of Charleston, on Wednesday. Thursday's 12-5 win over UNC Greensboro put Wofford in the winner's bracket. The result, a 6-2 win over The Citadel and a rematch in the championship game. Pitching on two days rest, Austin Redwine limited The Citadel to one run and four hits over nearly seven innings of work to give Wofford the 4-2 victory and the 2007 Championship. In 2024, the Terriers replicated Five Days in May with an improbable run of seven games in five days. The No. 5 seed Terriers bested No. 8 The Citadel 8-3 in a single-elimination play-in game to advance to the double-elimination portion of the event. Wofford won back-to-back contests over Western Carolina and UNCG on Thursday and Friday, respectively. However, No. 2 seed Samford won on Saturday, forcing the Terriers into the losers' bracket. Later that night, Wofford defeated ETSU in a 13-10 slugfest to force a rematch with the Bulldogs. On Sunday, the Terriers won the first contest 10-9 to force the winner-take-all affair, and Wofford triumphed 15-9 in that match-up to secure the 2024 SoCon Championship.

NCAA TOURNAMENT

The Terriers made their first appearance in the NCAA Baseball Tournament during the 2007 season. Sent to the Columbia Regional, Wofford faced South Carolina in the first game and North Carolina State in the second game. Wofford made its second appearance in the NCAA Tournament in 2024 and subsequently made program history. The Terriers were selected as the No. 3 seed in the Chapel Hill Regional. In the opening contest, Wofford faced the defending national champion LSU and pushed the Tigers to their limit despite a 4-3 walk-off loss. The next day, Wofford bested LIU 5-2 for its first NCAA Tournament victory in program history. This set up a rematch against LSU the following afternoon, which the Tigers won.

BACK-TO-BACK

On May 21, 2021, the Terriers defeated Mercer twice in a doubleheader at home to secure the Southern Conference regular season championship, the first in program history. The title came by way of a 36-21 overall record with a program-best 21-9 SoCon clip. Wofford raised the bar the following season, securing the 2022 SoCon regular season title with a 16-4-1 league record and a 42-16-1 overall record, the program's first-ever 40-win season. The 2022 season also saw Wofford enter the top 25 rankings for the first time in program history, marking a historic campaign in the second leg of back-to-back championships.

BRANDON WARING

Brandon Waring had one of the best single-season performances of any Terriers in 2007. He set a school record with 27 home runs, which was second in the nation. In the Southern Conference Tournament, he earned MVP honors. An All-Southern Conference first team selection, he was also a first team All-American by the ABCA, *Baseball America* and *Collegiate Baseball*. Waring was a semifinalist for the Brooks Wallace Award. He was selected in the MLB Draft by the Reds and has spent the last three seasons in the Baltimore O's organization. He signed as a free agent with the Minnesota Twins for the 2014 season.

TERRIERS

Wofford's nickname dates back to the early 1910's when Professor E.H. Shuler recalled seeing a terrier named Jack at Wofford baseball games. A cartoon showing a Jack-like dog doing gymnastics appeared in a Wofford Journal about the same time. By 1914, the nickname Terrier was firmly established for the college's athletic teams. Wofford has had a number of real life mascots including Spike in the mid-50s and Jocko in the early 1960s. Most Wofford Terriers have been Boston Terriers

which have a smooth black coat with white markings on the face, neck, chest, legs and feet. They usually pack a muscular 20 pounds on a foot-high frame.

BEN WOFFORD

Born on October 19, 1780, Benjamin Wofford rode a Methodist circuit as a lay exhorter in 1806 and 1807 in western Kentucky, but soon returned to South Carolina in that year to marry Anna Todd. With the death of her father in 1809, he inherited control of the Todd family farm in the southern part of Spartanburg County. Ordained in 1814, he served as an itinerant for only three years. A year after the death of Anna Todd Wofford in 1835, he married Maria Barron. His business interests and their diminished enthusiasm for rural life led them to move to the village, at the corner of present-day Magnolia and St. John Streets. There he continued to invest conservatively and live simply until his death on December 2, 1850.

Wofford's will provided \$100,000 for the establishment of a college for literary, classical, and scientific education in Spartanburg, to be under the control and management of the state's Methodist Conference. Within four years of Benjamin Wofford's death, the trustees he named took the money he bequeathed, secured a charter, bought land, built a college and five houses for professors, hired a faculty, and opened its doors.

NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Sam Keenan at (864) 597-4090, the Wofford website at woffordterriers.com and click on 'Compliance,' or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or "booster/donor" he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

2025 BASEBALL OUTLOOK

This will be the second season under the direction of head coach J.J. Edwards after leading the program to the 2024 SoCon Championship and an NCAA Tournament appearance in his first season at the helm. Leading the team will be seven seniors: David Wiley, Michael Sills, Dylan Rhadans, Grant Comstock, Braden Hofmeyer, Tyler Hare, and Adam Haber. Overall, 24 players return to the team from last season when the Terriers tallied a 42-20 overall record, their third-straight 40-win campaign. The Wofford roster is full, featuring 27 newcomers joining the squad. This includes 20 freshmen with seven incoming transfers.

PITCHING

The pitching staff includes 26 total arms, 21 of which are right-handers with five southpaws. Four hurlers are seniors, led by Braden Hofmeyer who posted a 2.83 ERA and 4-2 record over 28.2 innings before being shut down with an injury. Dylan Rhadans is a senior left-hander, and his fellow senior right-handers are Michael Sills and Grant Comstock. Sills appeared in four games while Comstock did not see any action. Rhadans posted a 1-0 record with 27 punchouts over 11 games, four starts, before missing the back portion of the season with injury.

The staff boasts seven juniors, highlighted by returners Champ Davis and Branton Little. Davis recorded a 3-1 record with a save and 15 punchouts in 22.1 innings. Little posted a 2-0 record with 29 strikeouts over 44.2 innings of action. John Gray and Jackson Coen also return to the team, and they are joined by transfers Charlie Horne, Carter Rasmussen, and Sheldon Egger. Gray had a breakout season with a 1-0 record in his limited 12.0 innings of action.

Five sophomores are a part of the staff, including 2024 SoCon All-Freshman Team member Kenny Michaels. The southpaw notched a pair of saves with a 3-2 record and 4.78 ERA in his rookie season. Davis Rivers, Mason Compton, Alec Bouchard, and Noah McMahon also return as sophomores. Bouchard led the team last season with five saves out of the bullpen.

The freshmen joining the pitching staff are Miller Alston, Austin Laughlin, Wes Estes, Cullen Condon, Jamie Whittier, Cameron Larson, Mason Weaver, Bryce Harder, Layton Bilderback, and Brady Snow.

Among returners, Hofmeyer started the most games last season with eight. Little and Compton each started four. Michaels is the returning leader in both innings pitched (49.0) and strikeouts (58).

CATCHERS

The Terriers have four catchers on the roster. They are evenly split with two juniors and two freshmen.

Lucas Manning highlights the backstops as the only returner. The junior hit .343 last season with 20 RBI in 50 games of action. He swiped 13 bases and is the leading stealer among returning players.

Raul Feliz joins Manning as a junior. Feliz is a transfer from Indian River State where he hit .276 as a sophomore in 48 games.

Wofford welcomes two freshmen catchers, Lucas Grantham and Zach Porter.

With Manning the only returner behind the dish, he is poised to step into the primary starting role.

INFIELD

The infield is led by senior Tyler Hare, who started all

62 games at first base in 2024. The left-handed slugger clubbed a team-high 16 home runs with 63 RBI while hitting .315.

Hunter Herndon is one of two junior infielders, a transfer from Sewanee. He can also play the outfield. Herndon was an All-SAA First-Team player at Sewanee. James Layman returns after appearing in 11 games.

There are three sophomore infielders. Ryan Wynn had a breakout freshman campaign with a .263 average over 19 games. Harrison Campi returns alongside Wynn. They are joined by incoming transfer from Central Michigan, Drew Loikits. He hit .347 overall in his 31 games of action, including 23 starts.

The infield features five freshmen: Joey Chitla, Tanner Hardin, Thomas Woodridge, Jack Painter, Cade Collins.

With Hare as the only returning starter from last season's infield, the remaining three slots are up for grabs.

OUTFIELD

Seniors David Wiley and Adam Haber lead the outfield. Wiley hit .286 over 58 games with 54 starts, swatting seven round-trippers with 37 RBI. Haber played in 37 games with 25 starts, hitting .278 with 20 RBI.

The outfield contains three juniors, two returners and a transfer. Andrew Mannelly highlights the juniors after hitting .301 with seven homers and 50 RBI. He was named to the All-Tournament Team for the Chapel Hill Regional. Logan Tribble also returns after playing in nine contests. Niko Brini rounds out the juniors as a transfer in from UConn. He played in 13 games a freshman but didn't see action as a sophomore.

Tyler Bak and Ethan Belk are the two sophomores. Bak was a SoCon All-Freshman Team selection after hitting .286 with 19 RBI and 10 steals. Belk hit .333 over his 11 games played.

A trio of freshmen join the outfield in Kaz Uehara, Ben Timblin, and Carson Cherry. Uehara is the son of former MLB and NPB pitcher Koji Uehara.

J.J. EDWARDS

HEAD COACH • SECOND SEASON • 14TH SEASON OVERALL
SACRED HEART '10

J.J. Edwards joined the coaching staff in the fall of 2011 as the volunteer assistant and was promoted to assistant coach in the summer of 2012. He was named the head coach of the program on July 13, 2023. Now in his 14th season on the staff overall, he enters his second campaign as the head coach of the Terriers. In the summer of 2016 he added the responsibilities of recruiting coordinator and in the summer of 2021 was promoted to associate head coach.

In Edwards' first season as head coach in 2024, the Terriers reached new heights with a 42-20 overall record and 12-8 SoCon clip. The 42 wins tied the program's record and marked a third-straight 40-win campaign. Wofford battled out of the losers' bracket of the Southern Conference Tournament to defeat Samford twice on Championship Sunday, securing the program's second-ever SoCon Tournament title. Edwards became the winningest first-year coach in program history and the first rookie skipper in the program's history to take his squad to a SoCon Championship and the NCAA Tournament. Wofford was selected as the No. 3 seed to the Chapel Hill Regional. Despite losing the opening match-up to LSU, the Wofford defeated Long Island 5-2 in game two to secure the program's first-ever NCAA Tournament victory. The Terrier offense was one of the best in the country en route to Wofford's success. With 33 triples, Wofford led the nation and set a new program record. Wofford also ranked second nationally in batting average (.334), runs (617), runs per game (10.0) and sacrifice flies (41) while sitting third in on-base percentage (.438), fourth in sacrifice bunts (55) and fifth in hits (716). The Terriers were well represented in the All-SoCon balloting as Dixon Black, Marshall Toole and Zac Cowan all earned first-team honors. Daniel Jackson was named SoCon Freshman of the Year, and he secured a spot on the second team alongside Mike Eggert. Tyler Bak, Kenny Michaels and Camden Wicker were all tabbed to the SoCon All-Freshman Team with Jackson.

Under the tutelage of Edwards, the Terrier offense has ranked in the top three of the SoCon in batting average every season since 2018. Wofford has ranked in the top five nationally in stolen bases in nine of the last 11 seasons and has not ranked below ninth in the country in that span. Each of the last three SoCon Players of the Year have come from Wofford, with Colin Davis (2021), Lawson Hill (2022) and Ryan Galanie (2023) earning the honors.

The 2023 campaign saw Wofford continue to succeed with a 40-19 record, just the program's second 40-win season. Wofford was 12-9 in SoCon action to place third in the league and ultimately advanced to the SoCon Championship for a second-straight season. First baseman Ryan Galanie was named SoCon Player of the Year and highlighted a duo of All-SoCon First-Teamers that also included Lucas Mahlstedt. The second team featured four Terriers: Coulson Buchanan, Matthew Marchal, Cameron Gill and Dixon Black. Wofford led the league in walks (294), hits (617), on-base percentage (.422), runs (499), sacrifice bunts (86) and triples (18). The sac bunts led the nation and set a new single-season program record. Wofford's .314 batting average was second in the league and 13th nationally, and the Terriers swiped 153 bases to sit second in the SoCon and fifth in the nation. On top of sacrifices, Wofford set single-season program records for runs, hit by pitch (86) and fielding percentage (.978).

The Terriers reached new heights in the 2022 season with a 42-16-1 overall record, the most wins in program history and the team's first 40-win season. The Terriers were 16-4-1 in league play to claim a second-straight Southern Conference Regular

Season Championship. Five Terriers earned First-Team All-Southern Conference recognition, including Matthew Marchal, Lawson Hill, John Dempsey, Ryan Galanie and Brennen Dorigi. Hill was tabbed Player of the Year by the media. Dalton Rhadans and Josh Vitus were selected to the second team, and the All-Freshman Team featured Carter Bailey, Coulson Buchanan and Marshall Toole. Wofford made it to the championship series of the SoCon Tournament for the third time in program history but fell short to UNCG. The squad's .314 batting average led the conference, as did its 145 stolen bases.

The 2021 season saw Wofford win the first regular season Southern Conference Championship in school history. The team was 36-21 overall and 21-9 in league play, which were the most conference wins in school history. Outfielder Colin Davis was named SoCon Player of the Year and Elliot Carney was named SoCon Pitcher of the Year. They were joined by Dalton Rhadans, Jack Renwick, Lawson Hill and Nolen Hester receiving All-SoCon honors. Renwick and Trey Yunger were named to the All-Freshman Team. The Terriers had a .291 batting average that ranked second in the league, while four players had averages over .300. Among the NCAA leaders, Wofford was second in stolen bases, 20th in doubles and 14th in on base percentage.

In 2020, the team was 14-3 overall. The team was hitting .316 and had a .422 on base percentage, both of which were ranked first in the Southern Conference. Wofford was also leading the league in hits, runs, RBIs, walks and stolen bases before the season was cut short.

During the 2019 season, Wofford won 36 games, tied for the second-most in school history. The 14-9 record in the Southern Conference to finish second overall, the highest in school history. In the Southern Conference Tournament, Wofford reached the championship series for the second time in school history before falling to Mercer. Seven Terriers earned All-Southern Conference honors, highlighted by Hayes Heinecke being named Freshman of the Year. Heinecke, Brett Rodriguez, John Dempsey, Hudson Byorick, Colin Davis and Mike Brown were named All-SoCon, with Heinecke, Dempsey and Matty Brown earning All-Freshman Team recognition. Heinecke and Dempsey added Collegiate Baseball Freshman All-America honors. The team's .306 batting average was the best in the SoCon and the highest for a Wofford team since 1991. School records were also set for runs, doubles and walks.

In the 2018 season the team posted a 36-23 overall record, the second-most wins in school history. In Southern Conference play, the Terriers were 15-9 to finish third overall and set a new school record for league wins. Outfielder McClain Bradley earned second team All-Southern Conference honors, while outfielder Colin Davis and catcher Lawson Hill were named to the All-Freshman Team. The Southern Conference, which enters its 104th year in 2024-25, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 20 varsity sports and championships that produce participants for NCAA Division I Championships.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, South Carolina. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The

THE SOUTHERN CONFERENCE

decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1923 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tennessee. There, it announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Georgia's Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations were accepted and the withdrawing schools formed the new league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The Southern Conference office is located in the refurbished Beaumont Mill in Spartanburg, less than a mile from the Wofford campus.

Bold indicates current conference member

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, South Carolina, the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

CHAMPIONSHIPS

Men's basketball was the first sport in which the conference held a championship. The league tournament is the nation's oldest, with the inaugural championship held in 1921 at Atlanta's City Auditorium and won by Kentucky. The tournament began Feb. 25, the same day that members of the Southern Intercollegiate Athletic Association met to discuss forming the new league that would become the Southern Conference. The following year, North Carolina won the first tournament after the formation of the league.

Commissioner Germann spearheaded the Southern Conference's expansion to include women's athletics during the 1983-84 season. That year, league women's championships were held in volleyball, basketball and tennis.

The Southern Conference declares champions in 11 men's

sports – football, soccer, cross country, basketball, indoor track and field, outdoor track and field, wrestling, baseball, lacrosse, tennis and golf – and 10 women's sports – soccer, volleyball, cross country, basketball, indoor track and field, outdoor track and field, tennis, golf, and softball. Rifle is a mixed sport.

The 2023 Hall of Fame Class.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 290 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are six private Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Elon, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

David Roney '12 is one of a number of Wofford baseball student-athletes who have earned membership in Phi Beta Kappa
