TRUE FRESHMEN ON THE FIELD

With the NCAA redshirt rules, players can see action in up to four games and keep the redshirt. Wofford played a number of true freshmen last year, including WR Ivory Aikens, OL Luke Moise, LB Caleb Oliver, WR Isaiah Scott, and DL Marion Smokes.

THE 2025 RETURNERS

In looking ahead to the 2025 season, Wofford is returning ten total starters. On offense, linemen Quincy Hughes, Luke Moise, and Mason Howard return, along with receiver Isaiah Scott. On defense, linemen Marion Smokes and Seth Foster return, with safeties C.J. Coombes and Maximus Pulley also returning. On special teams, starters Devery Cagle and Sam Spence return. An additional ten players who started at least one game also return.

THE "OLD" GUYS

Staying for a fifth year at Wofford - a traditional residential liberal arts institution - is not something that is as common as at other schools. Since Wofford does not have a graduate program (VMI is the only other SoCon school not to have one), planning must go into spreading courses out so there is at least one class left for the fall semester. This year, there are five fifth-year players on the team - DL Seth Foster, OL Quincy Hughes, DL Brandon Maina, S Maximus Pulley, and LB Benny Radicia.

A LIMITED TRANSFER WINDOW

Due to the academic requirements at Wofford, transfers are not a common occurrence. Since a limited number of credits can transfer, only freshmen and sophomores can usually join the team. After having 15 transfers on the squad in 2024, there are now 23 transfers on the roster in 2025: WR C.J. Adams, OL Chizara Alegbe, DB CJ Coombes, QB Samuel Cornett, K Maddox Cowart, QB J.T. Fayard, TE Matt Flanders, OL Landon Harris, OL Mason Howard, RB Ihson Jackson-Anderson, DL Trenton Kintigh, RB Gerald Modest, LB Cade Moledor, OL Dillon Porter, DB Maximus Pulley, LB Benny Radicia, QB Tanner Staton, DL Jude Tinor, WR Grant Tucker, OL Martin Ventour, QB Jayden Whitaker, LB Alijah Williams and OL Azrie Yeager.

NEW NUMBERS

With a large senior class graduating in 2024, over 30 players moved to new numbers for the 2025 season. A few changes made after the publication of the media guide are C.J. Coombes (0), Ivory Aikens (0), Caleb Oliver (10), Alijah Williams (11), and Kaden Brown (37).

FIRST CAREER STARTS

After 32 players had first career starts in the fall of 2021, Wofford had 18 players earn first career starts in 2022. At the season opener against Pittsburgh in 2023, four players made their first career starts and by the end of the season eleven players recorded first career starts.

2024 FIRST CAREER STARTS

In the 2024 season opener at Gardner-Webb, six players made first career starts: OL Luke Moise, TE Carlos Anaya, DL O'marion Brown, LB Benny Radicia WR Cam Smith, and S C.J. Coombes. At Richmond, OL Mason Howard, WR Isaiah Scott and WR Jack Purdy made first career starts. DL Marcus Dees started his first career game against VMI and DL Marion Smokes started against ETSU. OL Clayton Hixon started at center at Furman, giving the team twelve players to make first career starts in 2024.

The most veteran player on the team this year is defensive lineman Brandon Maina with 34 games played. He is followed by Kyle Parsons (30), Quincy Hughes (28), Seth Foster (25), Nick Morgan (25), and Bridger Jones (24).

Brandon Maina also leads the team in career games started with 29, followed by Quincy Hughes (26) and Maximus Pulley (23).

THE TERRIER

Wofford's nickname dates back to the early 1900's when Professor E.H. Shuler recalled seeing a terrier named Jack at Wofford baseball games. Jack made an appearance in the 1909 baseball team photo. A cartoon showing a Jack-like dog doing gymnastics appeared in a Wofford Journal in 1910. By 1914 when football resumed after an 11-year absence at Wofford, the nickname Terrier was firmly established for the college's athletic teams. Wofford has had a number of real life mascots including Spike in the mid-50s and Jocko in the early 1960s. Most Wofford Terriers have been Boston Terriers which have a smooth black coat with white markings on the face, neck, chest, legs and feet. They usually pack a muscular 20 pounds on a foot-high frame. A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. Among NCAA Division I schools, Wofford is joined by Boston University with a terrier as a mascot.

NFL FAMILY TIES

DL Bra'Lyn Smith Sapp's father, Ricky, played football at Clemson and was in the NFL for five seasons after being drafted in the fifth round by Philadelphia (2010), NY Jets (2011-13), Houston (2013-14) ... In addition, coaches Senorise Perry (Bears, Dolphins, Bills and Titans) and Corey Woods (Patriots) spent time playing in the NFL.

Fayard joined as transfers in the spring semester, while Tanner Staton transferred in during the summer. STABILITY AT QUARTERBACK IS A KEY

In the 2018 and 2019 seasons in which Wofford won back-to-back SoCon Championships, Joe Newman started 25 consecutive games. In the fall of 2021 the Terriers used four different starting quarterbacks in the same season for the first time since moving to NCAA Division I in 1995. The stability at the position returned in 2022, with Weirick starting all eleven games in 2022. In 2023, the instability was back with three starting quarterbacks on the season. This year Amari Odom started the first four games and Pauly Seeley started the next three games. Bryce Corriston then started against ETSU before Odom returned for the Samford, Furman and South Carolina games.

2018	9-4 (6-2 SoCon)	Joe Newman (13) - SoCon Champions
2019	8-4 (7-1 SoCon)	Joe Newman (12) - SoCon Champions

THIRD DOWN WOES

On third down, Wofford only converted 43 of 156 attempts last season for a 27.6% success rate, which was the fourth-lowest percent in the nation. The Terriers were 0-5 on 3rd-and-one, but 10-of-22 on third-and-three. Over half (102) of the attempts were 3rd-and-long (6+ yards).

A STABLE OFFENSIVE LINE

The offensive line had only three different starting combinations last season. A left tackle, Quincy Hughes started all eleven games and at left guard Luke Moise started all eleven games. At center, Anthony Garcia started the first nine games before an injury and Clayton Hixon took his place. Briggs Kearse started all eleven games at right guard, while right tackle saw Santana Haynes-Goodman (7) and Mason Howard (4) make starts.

FOURTH DOWN? GO FOR IT!

On fourth and short in plus territory, the Terriers could punt, go for it, or maybe even run a fake. Wofford was 11-of-25 on fourth downs last season, with the 25 attempts ranked 30th in the nation. The 44.0% success rate was 89th in the nation. Defensively, opponents were only at 46.7% (7-of-15) on the season to be ranked 40th in the nation.

A LITTLE MORE PASSING

In 2016, Wofford ran the ball over 86% of the time. Since then, the Terriers have relied a little less on the run in the option offense. In the move to the pro spread in 2022, the run game was down to 51.5% of the offense and is now right at 50% in 2024.

Eight times the Terriers were second in the nation in rushing yards per game, while in 2010 and 2011 they finished first.

200+ PASSING YARDS

There have only been 37 games in Wofford history with 200 or more passing yards, and only four game with 300 or more passing yards (2022 at Kennesaw, vs. ETSU, at Furman, 1969 vs. Catawba, 309). Since the year 2000, here are the 15 games with 200 or more passing yards:

SHAWN**WATSON**

HEAD COACH • THIRD SEASON • SOUTHERN ILLINOIS '82

@WATSONSHAWNI

Shawn Watson was named head coach on December 1, 2022. A veteran with nearly 40 years of coaching experience, Watson came to Wofford in January 2022 as assistant head coach and offensive coordinator. On October 6, he was named interim head coach of the Terriers.

Prior to Wofford, he spent the 2021 season as the assistant head coach and offensive coordinator at the University of Northern Iowa. Along with his work with the Panthers, he has served as offensive coordinator at Texas (2014-15), Louisville (2012-13), Nebraska (2007-10), Colorado (2000-05) and Pittsburgh (2017-18). Additionally, he was the head coach at his alma mater, Southern Illinois, from 1994-96.

The team took a step forward in 2024, posting a 5-7 overall record with a 3-4 mark in the Southern Conference. The team won the first two games of the season, including a victory over eventual CAA conference champion Richmond. A 17-13 win at Samford was the first for the Terriers over the Bulldogs since 2014. The team added a win at Furman, giving Wofford back-to-back wins over the Paladins. Five players were named to the All-Southern Conference second team, while four players earned SoCon All-Freshman Team honors.

In his first full season as head coach in 2023, the Terriers were 2-9 overall and 2-6 in the Southern Conference. Wofford won the last two games of the season as they earned an 11-3 win at The Citadel and then downed Southern Conference Champion Furman 19-13 at Gibbs Stadium as the Paladins were ranked #2 in the nation. Following the season, DL Brandon Maina and LB David Powers earned All-Southern Conference honors.

During his first season at Wofford in 2022, he helped lead the transition from the option to the pro spread as offensive coordinator. He was named interim head coach on October 6 and led the team to a 3-3 record. His first win with the Terriers was on October 16 against The Citadel. He followed that with wins over East Tennessee State and VMI. Quarterback Jimmy Weirick set school single season records for completions (187), attempts (323) and passing yards (2,479). Weirick holds four of the top marks for passing yards in a game, including the record of 428 at Furman. Wide receiver Landon Parker set the school record for receiving yards in a season with 804.
