The Office of Financial Aid is required to verify receipt of financial resources for education expenses during the current academic year for the following student-athlete. As a National Collegiate Athletic Association (NCAA) member institution, we are required to inquire how financial resources from an outside source is awarded. While a student-athlete may receive an outside award, the award may count towards the student-athlete's individual limit and his/her sports team's limit. Please check the appropriate boxes that best describes the outside scholarship award.
