VICE PRESIDENT/DIRECTOR OF ATHLETICS

MACK B. RHOADES, IV

VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

He has led national searches for three head coaching positions, ultimately bringing to Baylor Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017 and Brian Boland (Men's Tennis) in 2018. Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of *Preparing Champions for Life* has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth. Rhoades has assisted University leadership in a campus-wide effort to structurally complete 105 recommendations related to Title IX and student safety.

In 2018, Rhoades announced 15 department-wide Strategic Initiatives, including a master plan for future facilities. These initiatives were established through a comprehensive review of the athletic department with the purpose of preparing student-athletes for their endeavors beyond their time at Baylor.

Since his arrival, Baylor has had 18 of 19 team reach postseason play both years, earning eight Big 12 titles (women's basketball regular season and tournament champions 2016-17 and 2017-18; equestrian, 2016-17; women's indoor track and field, 2017; soccer tournament champions 2018; baseball tournament champions 2018). Additionally, acrobatics and tumbling secured NCATA national championships in both 2017 and 2018, adding to their record four-consecutive titles.

Baylor continued its successful run academically in 2017-18, recording its 20th consecutive semester with 3.0 or better GPA in Spring 2018. Baylor led the Big 12 in Graduation Success Rate (GSR) for the fourth straight year while 108 student-athletes earned degrees in the academic year. Four Baylor athletics programs earned NCAA Division I Academic Performance Program awards for scoring in the Top 10 percent nationally in Academic Progress Rate (APR) in their respective sports (baseball, men's basketball, softball and soccer). Nine of 15 Baylor athletics programs tracked by the NCAA matched or improved upon their APR scores from the previous year and baseball, men's basketball, soccer and softball registered perfect one-year APR scores of 1,000, which leads the Big 12 Conference.

The Bears remain committed to giving back with student-athletes volunteering more than 1,500 hours throughout the Waco community. Baylor's Student-Athlete Advisory Committee (SAAC) collected two weeks of food supply for 30 local families during the holiday season. For the 2016-17 school year, a total of 502 coaches, student-athletes, administrators and staff packed a school-record 139,968 meals during the annual Feed My Starving Children initiative.

For the 10th consecutive year, Baylor's Sports Ministry Team traveled to share the love of Christ. Baylor Athletics hosted four international mission trips this year with 60 student-athletes participating in trips to Puerto Rico, Ghana, Mexico and Guatemala.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, *Mizzou Made: Preparing Champions for Life*. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice

President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAA First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly \$100M and constructed \$160M in new facilities during his tenure, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades' tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet--as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters - Nicolette, Natalie and Noelle.

SEASON PREVIEW

FEED THE POST: TALENTED NEWCOMERS LOOK FOR CONTRIBUTIONS TO ESTABLISHED POST PLAY

After undergoing spinal fusion surgery this summer, Kim Mulkey has to be smart about not pushing herself too much.

"My mouth still works, so that's a good thing," said Mulkey, who begins her 19th season at the helm of the Baylor Lady Bear program with a career record of 539-98 that includes last year's 33-2 finish and 10th straight berth in the Sweet 16.

With a roster that includes just five returners to go with five freshmen, a redshirt freshman and LSU grad transfer Chloe Jackson, Mulkey will have to "go back to teaching" this year.

"Last year, when you have someone like Kristy Wallace coaching them on the floor, you can just kind of roll the ball out there, because you've taught her what to do," Mulkey said of the All-Big 12 guard from Australia, who averaged 12.9 points and 5.3 assists before suffering a torn ACL in the regular-season finale.

"Now, we've got a young group, and we've got to make sure that we're patient with them. We have to make sure we don't get frustrated with them, because they are very talented and they have to play and they have to contribute."

Labeled the "Fierce Five" when they signed last November, Baylor's five freshmen gave Baylor the No. 1 class in the country and arguably the best class in program history. Forwards Caitlin Bickle, Aquira DeCosta and NaLyssa Smith, center Queen Egbo and combo guard Honesty Scott-Grayson were all five-star recruits who were ranked in the top 30 overall by ESPN Hoopgurlz.

"They all bring a little bit different game," Mulkey said. "You've got some size out there, you've got some athleticism out there, you've got some experience out there. It will be an interesting year, because our tough games are on the road with the exception of UConn. But, it's OK. It will make them grow up. It'll make them realize how much work we have to do."

Baylor's experience starts down low with the inside duo of 6-foot-7 senior All-American Kalani Brown and 6-4 junior forward Lauren Cox.

Already a two-time All-American and reigning Big 12 Player of the Year, Brown averaged a team-best 20.1 points and 10.2 rebounds last season and recorded the second-highest field goal percentage (.650) in program history behind only the .679 mark she had as a sophomore.

"Kalani needs to focus on, 'You know what, I'm motivated. That last Oregon State game, I missed too many shots. They got me the ball, I need to finish,'" Mulkey said of Brown going 8-of-19 from the field in a 72-67 loss in the Sweet 16. "And if you're going to potentially be a three-time All-American, you need to demand the ball every time down the floor. And when you get it, you need to do something with it."

The Big 12 Sixth Man recipient as a freshman, Cox stepped up her game last season to average 15.3 points, 9.7 rebounds, 2.9 assists, 2.7 blocks and 1.1 steals per game. She was an honorable mention All-American, Big 12 Defensive Player of the Year and first-team all-conference selection.

What will help Brown and Cox this year is they have some depth behind them with Egbo, Smith, DeCosta and Bickle all capable of logging some minutes at one of the inside spots.

The 6-foot Bickle will be a crowd favorite, Mulkey said, as an undersized post player who "anticipates well, understands the game, will position herself well and can shoot lights-out."

"I didn't know what to expect in Italy, and I didn't really evaluate them," Mulkey said of a nine-day tour of Italy back in July that included three exhibition games, "but (Bickle) was one that I didn't realize just how consistent her 3-point shot was for a post player."

The 6-2 Smith, a McDonald's All-American, missed most of the Italy trip while playing for USA Basketball's U18 National Team. She averaged 11.0 points and 6.2 rebounds in helping USA win the gold medal at the 2018 U18 FIBA World Championships.

"I wouldn't say anybody in the freshman group is further along than any other one," Mulkey said. "We didn't have Aquira a lot, because she had a little clean-up in her knee when she got here, but she's not behind anybody by any means. I think it's just every day being in the gym. We've got to get them to understand how long and how hard you have to play."

Of the other returning players, 6-1 sophomore guard DiDi Richards is seen as a potential defensive stopper. She averaged 5.1 points, 4.3 rebounds and 1.6 assists as a valuable bench player last season and was fourth on the team with 20 blocks.

"With DiDi, don't try to do something you can't do, just do what you do extremely well," Mulkey said. "I think she could be a good offensive rebounder. Her length allows her to cause havoc on the defensive end of the floor; run the floor, get you some transition baskets; and when left open, make that mid-range jumper. And I tell her this all the time, quit being so hard on yourself, let me be hard on you. She just gets down on herself when she misses a shot."

The backcourt has to go through a complete make-over after Wallace's graduation, Natalie Chou transferring to UCLA and Alexis Morris being dismissed from the team.

Leading candidates for the point guard position are Jackson, junior guard Juicy Landrum and Scott-Grayson, although none of them have seen significant playing time at the spot on the collegiate level. Sophomore Moon Ursin and redshirt freshman Trinity Oliver will also be in the guard rotation.

A shooting guard at LSU, she averaged a team-high 18.1 points per game last season and earned second-team All-SEC honors.

"Scoring as many points as she did at LSU, there's no substitute for the experience she's had. And that certainly is something we're counting on," Mulkey said. "She's a kid that's trying to change positions and do what I'm asking her to do, and I think she's done fine. She's not played much point guard in her career, so we're asking her to move from an off-guard spot, just as we are with Juicy."

Landrum was the point guard on La Vega's Class 3A state title team in 2014 and led the Lady Pirates to three state championship finals. She started the final 14 games last season for the Lady Bears and scored in double figures in six of the last eight.

"The first concern you have at point guard is those three kids I mentioned don't speak up like a Cox or Bickle," Mulkey said. "You can't play quarterback, you can't be a point guard, if you don't open your mouth. You've got to be a general out there. That's the hardest part with those three is making them open their mouth. That's just something you repeat to them every day."

Baylor, seeking its ninth consecutive Big 12 regular-season championship, is faced with a challenging non-conference schedule that includes road trips to Arizona State, South Carolina and Stanford and a Jan. 3 showdown at the Ferrell Center with UConn.

"You anticipated Morris having a little experience at the point, filling in for Kristy, getting some big minutes," Mulkey said. "But hey, you move on. You have the two bigs inside. The way I look at it is, whatever inexperience we have on the outside, it's not too difficult to teach perimeter players to throw the ball to a 6-7 and a 6-5 kid inside."

COACHING STAFF

**KIM MULKEY**

HEAD COACH • 19TH SEASON
LOUISIANA TECH, 1984

Success = Kim Mulkey. No matter what she's attempted in basketball, whether it be on the court or along the sideline, Mulkey has found success. In 18 seasons as a head coach, she has attained 539 career victories and ranks No. 2 among the winningest active Division I head coaches in winning percentage (.846). She is No. 3 all-time by percentage between two mentors, second-ranked Leon Barmore (.869) and Pat Summitt (.841).

Barmore is the only other coach to reach the 400-win and 500-win milestones quicker than Mulkey. Barmore reached 500 wins in 576 games, while Mulkey accomplished the feat in 594 games as a head coach. It took Barmore 13 seasons and three games to accumulate 400 wins, while Mulkey achieved it in 13 years and 32 games.

When the Women's Basketball Hall of Famer accepted the position as Baylor University's head women's basketball coach on April 4, 2000, few could have predicted the dramatic and prestigious transformation the program was about to undergo. Inheriting a program that was 7-20 in the year prior to her arrival and had registered 13 losing seasons in the 17 previous years, Mulkey has transformed the Lady Bears into a national power. The former Olympic Gold medalist has twice guided the Lady Bear basketball program to the pinnacle of women's basketball, 2005 and 2012 NCAA Championships, 17 NCAA Tournament appearances, 18 20-win seasons, 16 25-win efforts, nine 30-win campaigns and an NCAA record 40 victories and a perfect season in 2011-12. In addition, Mulkey has led the Lady Bears to three Final Four appearances (2005, 2010, 2012) and a record 18 Big 12 Conference titles.

The 2005 NCAA title was Baylor's first for a women's team sport, and just the second in school history overall. In winning the 2005 championship, Mulkey became the first person, man or woman, to win a basketball national championship as a student-athlete, assistant coach and head coach.

En route to the 2005 NCAA Championship, the Lady Bears won their first Big 12 Conference championship and followed with the conference tournament championship for the first of eight title sweeps.

The Lady Bears added to the trophy case with another Big 12 Tournament crown in 2009, claimed both the regular season and tournament crowns in 2011 and captured the regular season title by a record seven games over second place Oklahoma and Texas A&M and went on to earn the tournament crown in 2012. Baylor swept the Big 12 title race, winning both crowns in 2013 to become the first team to win three consecutive conference tournament titles. The Lady Bears continued to be dominant in the league, claiming both regular season and tournament titles in 2014, 2015 and 2016 to total an unprecedented six-straight regular season and six-straight tournament titles. In 2017, Baylor claimed its seventh regular season Big 12 championship in a row and advanced to the tournament title game for the seventh consecutive season before falling in the final. The Lady Bears returned to their seeing ways in 2018, claiming the program's eighth regular season title in a row with a perfect 18-0 mark and the Big 12 Championship title.

In 2004, the Lady Bears made their first trip to the NCAA Sweet 16. In 2001, Sheila Lambert was a Kodak All-American and was awarded the Frances Pomeroy Naismith Award, which recognized the nation's best player 5-8 or shorter. Odyssey Sims won the award in 2014, and Mulkey was the inaugural award winner in 1984.

Under Mulkey's tutelage, Sophia Young became the program's first two-time Kodak All-American and also the school's first AP All-American, Brittney Griner garnered the program's first national Freshman of the Year honor (2010) and National Player of the Year kudos (2012 and 2013), and Sims followed in 2011. Griner also earned the program's first Honda Cup award. Griner and Sims were both winners of the prestigious Wade Trophy.

Baylor has had a total of 13 players drafted to the WNBA, all under the direction of Mulkey. In 2002, Sheila Lambert and Danielle Crockrom were selected in the first round by the Charlotte Sting (seventh pick) and the Utah Starzz (11th pick), respectively. Steffanie Blackmon was chosen in the third round with the 38th pick by the Seattle Storm in 2005, while Sophia Young became the program's third first rounder in 2006 when the San Antonio Silver Stars chose her fourth overall. Bernice Mosby followed as the sixth overall pick by the Washington Mystics in 2007 to become the fourth first round selection all-time. Angela Tisdale and Jessica Morrow were selected in the third round in 2008 by the Chicago Sky and 2009 by the Atlanta Dream, respectively.

In 2013, Brittney Griner became Baylor's first No. 1 WNBA Draft selection when the Phoenix Mercury chose her to lead the class. Brooklyn Pope was taken in the third round by the Chicago Sky with the 28th overall pick to give Baylor its second two-player draft class all-time. Odyssey Sims was the sixth Lady Bear to be selected in the first round of the WNBA Draft, as the Tulsa Shock picked her second overall in 2014. In 2016, Niya Johnson was selected by the Atlanta Dream with the 28th overall pick in the third round. In 2017, and for the third time in program history, two players were selected in the same draft class as Alexis Jones and Alexis Prince were selected by the Minnesota Lynx and the Phoenix Mercury, respectively. Jones became the seventh first round draft pick, as she went 12th overall, while Prince was chosen in the third round with the 29th overall pick. Kristy Wallace was selected as the fourth choice in the second round of the 2018 WNBA Draft by the Atlanta Dream.

Not only has Baylor's progress registered on the national level, but local fans have taken notice as well. The Lady Bears continue to break all-time attendance records and annually rank among the nation's Top 25 in NCAA women's basketball attendance, including eight Top 10 finishes, ranking a program-high No. 4 in 2012-13, No. 7 in 2016-17, No. 8 four times (2005-06, 2009-10, 2013-14 and 2014-15), No. 9 in 2017-18, and No. 6 twice (2010-11 and 2011-12). For the past 13 seasons the Lady Bears have eclipsed the 100,000 fan mark at home. In 2011-12, Baylor drew a Ferrell Center record-breaking 166,593 fans and in 2012-13 set an average attendance record of 9,160 fans per game. Since Mulkey's arrival, more than two million fans have come through the Ferrell Center doors.

In her first season as a head coach, Mulkey returned the Lady Bear program to the national spotlight. She took a team that was 7-20 in 1999-2000 and 12th in the Big 12 with a 2-12 mark, and molded it into a cohesive and confident unit that finished sixth in the Big 12 with a 9-7 record and earned the program's first NCAA Tournament berth. Baylor, along with four other schools, posted the biggest turnaround in NCAA Division I with a 14-game improvement that year, going from 7-20 to 21-9. In addition, the Baylor squad was ranked in the AP top 25 poll for six weeks, climbing as high as No. 20 and closing the season ranked No. 23.

Baylor's second season under Mulkey produced even better results. The team finished the year with a 27-6 record and a No. 7 ranking in the Associated Press final poll. For the first time in program history, the Lady Bears were selected to host NCAA Tournament games. Baylor hosted first and second round games and set a Lady Bear attendance record when 10,074 fans packed the Ferrell Center for its second round game against Drake. In fact, the Waco first and second rounds ranked second nationally in attendance compared to other sites that year.

Her third season proved to be her most challenging. Working with a 2002-03 team that returned only one starter and listed just three upper-classmen on its roster, Mulkey guided her young squad to a 24-11 record. After being snubbed by the NCAA selection committee, the Lady Bears advanced to the WNIT final. In the championship game, Auburn narrowly defeated the Lady Bears, 64-63.

Year four yielded even more success for Baylor women's basketball. Mulkey guided the Lady Bears to the program's first-ever NCAA Sweet 16, where they lost to tradition-rich Tennessee, 71-69, on a controversial last-second call. Baylor finished the season at 26-9, was ranked No. 15 in the AP's final poll and achieved its then-highest finish ever in the coaches' poll at No. 11.

The 2004-05 season proved to be Mulkey's breakthrough year. The squad posted a 33-3 record and claimed the Big 12 Conference title with a 14-2 mark. En route to the program's first NCAA Championship, the Lady Bears defeated three No. 1 seeds. Blackmon and Young were both named All-Americans with Young becoming Baylor's third WBCA All-American. In addition to earning Big 12 Coach of the Year honors, Mulkey received the New York Athletic Club's prestigious Winged Foot Award.

COACHING STAFF

After losing two starters from the 2005 NCAA Championship squad, Mulkey guided the 2005-06 Lady Bears to a 26-7 record and a 12-4 Big 12 mark for a second place league finish. Baylor completed the year at No. 10 in the final AP poll. Year six under Mulkey also produced the program's first two-time WBCA All-American and Big 12 Player of the Year in Young.

Fielding a team that featured eight underclassmen on the 11-member roster, the 2006-07 team's 26-7 record was an impressive achievement. Led by Bernice Mosby, the Lady Bears were selected to the NCAA Tournament and finished third in the perennially tough Big 12 Conference with an 11-5 mark. As a team, the Lady Bears led the nation in blocked shots, averaging 7.2 blocks per contest. Baylor finished the year ranked No. 19 in the AP poll and No. 20 in the coaches' poll.

Facing the 2007-08 season without a dominant scorer and rebounder returning for the first time, Mulkey guided the squad to an impressive 25-7 mark, a second place Big 12 Conference finish and another NCAA Tournament berth. The team featured a balanced offensive attack with five players averaging double-digit scoring. The Lady Bears were led by All-American and All-Big 12 performers Angela Tisdale and Rachel Allison.

Mulkey's ninth season along the sideline was highlighted by another trip to the NCAA's Sweet 16 and a Big 12 Conference Tournament title. The Lady Bears posted a 29-6 record, a final AP ranking of No. 5 and a 12-4 Big 12 record to finish in second place.

Entering the 2009-10 season with just one senior and one returning starter, Mulkey was tasked with molding a cohesive unit out of a roster filled with nine underclassmen, five of which were freshmen. By season's end, Mulkey had accomplished her goal. The Lady Bears advanced through the NCAA Tournament to the Final Four in San Antonio before losing to the eventual NCAA Champion and undefeated Connecticut Huskies. The Lady Bears ended the season with a 27-10 record overall and were ranked No. 14 in AP and No. 4 in coaches poll final releases. Freshman sensation, Brittney Griner garnered several post-season awards including, National and Big 12 Conference Freshman of the Year, AP All-American second team, All-Big 12 first team and Big 12 Co-Defensive Player of the Year. Griner set an NCAA single-season block record with 223 rejections and Baylor led the nation in blocks per game.

After a Final Four appearance and the loss of only one player, expectations were high for the 2010-11 squad. Despite a couple of early setbacks, the loss of two returning starters and a late season injury to Melissa Jones, the Lady Bears persevered. The Lady Bears posted a 34-3 record, advanced to the NCAA Championship Elite Eight, swept both the Big 12 regular season and postseason tournament titles for the second time in program history and were ranked No. 1 nationally for a school record seven weeks. Brittney Griner was named to every All-American team and was a finalist for the Wade Trophy, Wooden and Naismith awards. Freshman Odyssey Sims was the USBWA National Freshman of the Year and earned the same honor from the Big 12. Mulkey was the USBWA's National Coach of the Year and received Big 12 Coach of the Year honors.

The 2011-12 Lady Bear season was as perfect as it could be. En route to claiming its second NCAA Championship in seven years, Baylor ran the table, posting an unprecedented 40-0 mark and claiming both Big 12 Conference crowns. Brittney Griner and Mulkey swept player of the year and coach of the year honors, earning WBCA, USBWA, Associated Press, Naismith and Big 12 Conference recognition. Baylor was ranked No. 1 wire-to-wire in both polls and raced through conference play with a Big 12-record 18-0 mark. Griner and Odyssey Sims were named consensus All-Americans, while Destiny Williams was a WBCA All-America honorable mention honoree. Griner and Sims were both named to the All-Big 12 first team and the league's All-Defensive team, while Williams was a second-team selection. In addition, Kimetria Hayden was an honorable mention league pick.

After winning its third straight Big 12 regular season and tournament crowns, Baylor's 2012-13 squad fell short of NCAA Tournament expectations, bowing out of the tourney in the Sweet 16. Brittney Griner was again the consensus national player of the year. She and Sims were named consensus All-Americans, to the All-Big 12 first team and the league's All-Defensive team, while Mulkey again snagged coach of the year honors.

The 2013-14 campaign saw the Lady Bears return to the NCAA Championship Elite Eight and win their fourth straight Big 12 Conference regular season and tournament crowns. Odyssey Sims, who averaged 28.5

points per game, won the Wade Trophy and received Big 12 player and defensive player of the year recognition.

Another NCAA Championship Elite Eight, coupled with their fifth consecutive Big 12 Conference regular season and tournament crowns resulted in a 33-4 season for the Lady Bears in 2014-15. Nina Davis was a consensus All-American and finalist for most national awards. Davis was also named the Big 12 Player of the Year, while Mulkey was the league's Coach of the Year. Senior guard Niya Johnson was an All-Big 12 first team selection, senior post Sune Agbuke was named to the Big 12's All-Defense team and sophomore post Khadijah Cave earned the league's Sixth Man Award. The Lady Bears finished the season ranked No. 5 in both polls.

The 2015-16 season resulted in another NCAA Championship Elite Eight appearance and Baylor's sixth-straight sweep of Big 12 Conference regular season and tournament titles. The Lady Bears finished the season with a 36-2 mark and a 17-1 Big 12 record, including a perfect 20-0 mark inside the Ferrell Center. For the second-straight season, junior Nina Davis was named an USBWA, USBWA and Wooden Award All-American. Along with Davis, senior guard Niya Johnson and junior guard Alexis Jones were All-Big 12 first team selections, while sophomore guard Kristy Wallace picked up honorable mention honors. Johnson was also selected to the conference's All-Defensive team, while Jones picked up Newcomer of the Year accolades. Baylor closed the season ranked No. 4 in both the AP and coaches' final polls.

In 2016-17, Baylor advanced to its fourth consecutive NCAA Championship Elite Eight. The Lady Bears won their seventh consecutive Big 12 regular season title with a 17-1 mark and advanced to the tournament championship game before falling in the final. On the season, Baylor posted a 33-4 record for its eighth 30-win campaign under Mulkey. Senior forward Nina Davis became the only player in Big 12 history to earn four career All-Big 12 Tournament Team nods. Sophomore post Kalani Brown and redshirt senior guard Alexis Jones were unanimous selections to the All-Big 12 first team, and freshman Lauren Cox became the fourth player in program history to receive the league's Sixth Man Award.

Baylor overcame adversity to achieve success in 2017-18. With a roster of less than 10 healthy players and just three upperclassmen, Mulkey mentored the Lady Bears to their eighth-straight Big 12 regular season title with a perfect 18-0 mark for the third time in program history. The team continued its conference dominance in the postseason, earning its ninth Big 12 Championship crown. As a No. 2 seed in the NCAA Tournament, Baylor advanced to the Sweet 16 and finished the season with a 33-2 record overall. Kalani Brown earned six more All-America awards, while Lauren Cox secured the first two of her career and Kristy Wallace picked up her first. Brown, the unanimous Big 12 Player of the Year and Most Outstanding Player of the Big 12 Championship, was named to the All-Big 12 first team along with Cox and Wallace. Cox was named Big 12 Defensive Player of the Year and was joined by Wallace on the Big 12 All-Defensive Team.

Mulkey, a 2000 inductee into the Women's Basketball Hall of Fame, came to Baylor from Louisiana Tech where she spent 19 years as either a student-athlete or coach in the legendary Lady Techster program. During her tenure in Ruston, Mulkey was associated with 11 Final Four squads and three national championship teams. She has either played or coached in the national championship game on eight occasions.

Over her 15-year stint as an assistant and associate head coach at her alma mater, Louisiana Tech posted a 430-68 (.864) record and advanced to seven Final Fours. Mulkey held the title of associate head coach for her final four seasons. Her responsibilities at Tech included coordinating recruiting, tutoring Lady Techster guards, overseeing the players' academic progress and running the summer camps. Because of her diligence, no Lady Techster was ever declared academically ineligible.

As a player, Mulkey led the Lady Techsters to a 130-6 (.956) record, two national titles and four Final Fours from 1980-84. During that time the 5-foot-4 playmaker, known for her spectacular passes and French braids, also led Louisiana Tech to its first two national championships (1981 and 1982) and was a part of the USA's Gold medal-winning team at both the 1984 Olympics and the 1983 Pan American Games.

Mulkey averaged 6.38 assists and 1.56 steals per game and currently ranks second on Tech's all-time list in assists and 12th in steals.

In addition, the summa cum laude scholar was a two-time Academic All-American as a business major. In recognition of her success in the classroom and on the basketball court, Mulkey was inducted into the

COACHING STAFF

College Sports Information Directors of America (CoSIDA) Academic All-America Hall of Fame in June 2003.

Her athletic career began at an early age. Mulkey, a native of Hammond, La., played Dixie Youth baseball as a 12 year old as well as two years of Pony League baseball and made the all-star team two of the three years. At Hammond High School, she led the basketball team to four-straight state championships, posted a 136-5 record and finished her career with a then-national record 4,075 points. She earned all-district, all-state and All-America honors each of her four years at Hammond High. She also graduated as her class' valedictorian with a perfect 4.0 grade point average. Mulkey has a street named after her in her hometown of Tickfaw, La.

Mulkey is a member of the National High School Hall of Fame, the Louisiana High School Hall of Fame, Louisiana Sports Hall of Fame and Louisiana Tech Athletics Hall of Fame. In 1999, she was the lone female named among the Louisiana Sports Writers top 25 athletes of the 20th century and was listed by Sports Illustrated as one of the top 50 sports figures of Louisiana for the 20th century. In June of 2000, she was inducted into the Women's Basketball Hall of Fame located in Knoxville, Tenn. Additionally, Mulkey was inducted into the Baylor Athletics Hall of Fame in 2007 and entered the Texas Sports Hall of Fame in 2010. Born May 17, 1962, in Santa Ana, Calif., Mulkey has two children, daughter Makenzie (27) and son Kramer (24).

Makenzie (Robertson) Fuller serves as associate director of basketball operations for the Lady Bears. She was a four-year letterwinner on Baylor's basketball team, and during her career the Lady Bears posted an impressive 140-10 record, which included eight Big 12 crowns and an NCAA national championship (2012).

Fuller, a three-time Academic All-Big 12 honoree, was named to both Baylor's Dean's List and the Big 12 Commissioner's Honor Roll numerous times. She earned both a bachelor and master's degree from Baylor and married former Baylor football and professional baseball player Clay Fuller in 2015.

Kramer attended LSU, where he played for the highly touted Tiger baseball team. He was a first team All-SEC shortstop and second team Louisville Slugger All-American in 2016, and garnered third team Collegiate Baseball All-American, honorable mention Perfect Game All-American and second team All-SEC accolades in 2017. After leading LSU back to the College World Series in 2017, which resulted in a runner-up finish, Kramer was selected in the fourth round of the MLB Draft by the St. Louis Cardinals. He plays shortstop for the Palm Beach Cardinals, the club's High-A affiliate.

Mulkey's autobiography, "Won't Back Down" with Peter May, a retired Boston Globe senior sportswriter, appeared in bookstores Nov. 5, 2007, and the paperback edition became available Sept. 8, 2008.

BILL BROCK

ASSOCIATE HEAD COACH • 16TH SEASON
SOUTHEASTER OKLAHOMA, 1976

Bill Brock begins his 16th season at Baylor in 2018-19, serving two years as assistant coach and 14 years as associate head coach. Brock works with the Lady Bear post players, spearheads the staff's scouting efforts and makes in-game player defensive assignments.

After six years at Baylor, from 2000-06, Brock coached at Texas Tech for three years and immediately helped orchestrate a Top 10 recruiting class. His efforts helped prepare the foundation for a team that received its first NCAA Tournament bid in six seasons.

Brock played an instrumental role in the Lady Bears winning both the 2005 and 2012 NCAA championships, reaching the 2010 Final Four, five Elite Eight appearances and winning 18 Big 12 Conference titles (nine regular season and nine tournament).

Brock has helped land some of the nation's best recruiting classes including the nation's No. 1 recruiting class in 2015-16 and again in 2017-18, according to ESPN HoopGurlz and All Star Girls Report, and also in 2005-06, according to All Star Girls Report. He also developed the Lady Bears' inside game to one of elite status, led by All-Americans Brittney Griner, Destiny Williams, Sophia Young, Stefanie Blackmon, Kalani Brown and Lauren Cox.

Before arriving in Waco in 2000, Brock spent 13 seasons as the head coach at Grayson County (Texas) College, establishing that program as one of the best in the junior college ranks.

During his first year at Grayson in 1987-88, Brock led the Lady Vikings to their first-ever Northern Texas Conference title and a top 25 national ranking. Grayson continued that success by winning 10 conference championships, two regional titles and two national tournament berths (1996, 2000). During his tenure, the Lady Vikings were a mainstay in the top 10 national poll. His career ended at Grayson with a 371-50 record that was highlighted by a 36-1 season and a third-place finish at the 2000 NJCAA National Tournament. He also coached 10 Northern Texas Conference Most Valuable Players and nine All-Americans.

Brock's efforts were honored by his peers, as he was voted conference Coach of the Year nine times and regional Coach of the Year twice. He was also recognized in 1996 as the National Junior College Coach of the Year by the Women's Basketball Coaches Association.

Brock's on-court success also carried over into the classroom. With his emphasis on academics and graduation of players, over 60 GCC student-athletes received scholarships and continued their basketball careers at four-year institutions.

Prior to his stint at Grayson, Brock was an assistant coach for the men's basketball team at East Central University (Okla.) from 1985-87. He got his start in coaching as the head boys coach at Durant High School (Okla.) from 1982-85.

The Oklahoma native graduated from Southeastern Oklahoma State in 1976 and received his master's degree from there in 1981.

He and his wife, Janice, have two daughters, Danika and Whitney, both Texas Tech graduates, and six grandsons. Danika is married to Mark Morefield and they are the parents of two sons, Harrison and Ryan. Whitney is married to Patrick Uptmore, they have four sons, Brock, twins Clayton and Kylan, and Karson.
