# UNIVERSITY PRESIDENT / VICE PRESIDENT / DIRECTOR OF ATHLETICS

## DR. LINDA LIVINGSTONE

UNIVERSITY PRESIDENT  
OKLAHOMA STATE, 1982

Dr. Linda A. Livingstone is the 15th president of Baylor University. She previously served as dean and professor of management at The George Washington University School of Business, as dean and professor of management at Pepperdine University's Graziadio School of Business and Management, and as a tenured faculty member and associate dean of graduate programs at Baylor's Hankamer School of Business.

As Baylor's president, Dr. Livingstone has overseen the development of Baylor's academic strategic plan, *Illuminate*, which details Baylor's pursuit of becoming a preeminent Christian research university, and the \$1.1 billion comprehensive campaign that undergirds *Illuminate*, called *Give Light*. She has also overseen the University's response to COVID-19 and the robust study of Baylor's full history through the Commission on Historic Campus Representations.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership, creativity, and university accreditation. She has been extensively published and cited in academic and professional outlets, including *American Business Review*, *Journal of Organizational Behavior*, *Journal of High Technology Management Research*, and the book *Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics and Trust*. She serves on a number of boards, councils, and task forces, including the boards of Baylor College of Medicine, Capital Southwest Industrials, Waco Industrial Foundation, and the Independent Colleges and Universities of Texas, Inc., the Taskforce on Higher Education and Opportunity, and the AGB Council of Presidents. In addition, she serves as the Vice Chair of the Big XII Conference Board of Directors, as the Secretary for the Board of Directors of the American Council on Education, on the NCAA Division I Board of Directors, and on the NCAA Board of Governors.

Dr. Livingstone was inducted into Oklahoma State University's Hall of Fame in 2019. She also is a member of the Spears School of Business Hall of Fame, was the first recipient of the Outstanding Ph.D. Alumnus Award, and was recognized in 2015 with the OSU Distinguished Alumni Award.

A native of Perkins, Oklahoma, Dr. Livingstone played varsity basketball at Oklahoma State University, where she earned a Bachelor of Science in economics and management, a Master of Business Administration, and a Doctor of Philosophy in management and organizational behavior. Her husband, Brad, a high school history teacher, also played basketball at Oklahoma State. They have one daughter, Shelby, a current student at Baylor's George W. Truett Theological Seminary.

## MACK RHOADES, IV

VICE PRESIDENT / DIRECTOR OF ATHLETICS  
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of *Preparing Champions for Life* has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

Over his five years in Waco, Baylor has won 21 Big 12 titles and six national championships.

For the second-consecutive full term (not including the COVID-shortened 2019-20 campaign), the Bears brought home multiple national championships. After acrobatics & tumbling won its fifth-straight title and women's basketball clinched their third national championship in 2019, A&T extended to six straight in 2020-21 and men's basketball claimed its first in program history.

In June 2021, Rhoades was selected as *Sports Business Journal's* 2021 Athletics Director of the Year, marking the second Athletics Director of the Year honor earned by Rhoades in as many years. He was chosen as 2019-20 NACDA Under Armour Athletics Director of the Year in March 2020.

The 2020-21 academic year, despite the ongoing COVID-19 pandemic, brought success for Baylor Athletics as the department combined to bring 20 trophies home to Waco. Men's basketball won its first Big 12 regular-season title and clinched its first conference title since 1950 en route to winning every NCAA tournament game by an average of 15.3 points to claim its first-ever national championship.

The Lady Bears brought home their 11th-straight, and 12th overall, Big 12 regular season championship in addition to their 11th Big 12 Championship title, marking the 10th time Baylor swept the regular-season and tournament titles. The women's basketball team advanced to the program's 10th Elite Eight, marking the sixth time in the last seven seasons the Lady Bears have been one of the final eight squads standing.

Baylor had 16 of 19 teams reach the postseason in 2020-21. Acrobatics & Tumbling brought home its sixth-straight national championship, and men's tennis advanced to the program's third national championship match and first since 2005. Equestrian upset top-ranked Auburn in the NCEA Championship and Track & Field had three individual national champions at the same NCAA meet (NCAA Indoor Championships) for the first time in program history.

Overall, Baylor's 11 head-to-head sports compiled a 208-86-3 record (.705 winning percentage) during the 2020-21 academic year as 10 of Baylor's 17 teams finished the term ranked, including six in the top 10. Baylor Athletics also brought home six Big 12 titles.

In the midst of the coronavirus pandemic, thanks in large part to the direction of Baylor's health & wellness staff, the Bears completed 93.3 percent of their scheduled contests.

Academically, Baylor set a school record with an overall score of 94 in Graduation Success Rate (GSR) that led the Big 12 for the seventh-straight year and was tops in the state of Texas in addition to ranking 10th nationally among Power Five schools. The Bears have had a 3.0 GPA or better term GPA for 26-straight semesters.

Rhoades also oversaw the Baylor Bear Foundation as it reported more than \$19.5 million in annual giving to Baylor Athletics in 2020, tied for the second-highest giving total in the foundation's 70-plus year history.

The 2018-19 academic year brought several strategic initiatives to the forefront of athletics beginning with December's unveiling of the "Baylor Built" character formation program. The holistic program encompasses character and leadership development, personal skills, social responsibility,

## VICE PRESIDENT / DIRECTOR OF ATHLETICS

community engagement and spiritual growth.

Rhoades, in a collective effort with a team assembled by Jovan Overshown, Senior Associate Athletics Director for External Affairs, launched – in association with NIKE – the “Baylor United” brand and visual identity for the department in April of 2019. The process produced a unified color palette, updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university’s \$1.1 billion “Give Light” campaign, Rhoades announced the department would build a new \$105 million basketball fieldhouse following the largest current gift in the university’s history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department’s national championship-winning basketball programs.

Rhoades has led national searches for four head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men’s Tennis) in 2018, Dave Aranda (Football) in 2020 and Nicki Collen (Women’s Basketball) in 2021. He also promoted Michael Woodson to head coach during the men’s tennis team’s postseason run to a national runner-up finish.

The Bears remain committed to giving back, with student-athletes volunteering more than 5,500 hours throughout the Waco community in the last three academic years. The football, men’s and women’s basketball teams each adopted local elementary schools during the school term where student-athletes would read to classes either virtually or in person.

While mission trips were put on hold for the 2020-21 term due to the pandemic, more than 100 student-athletes participated in spiritual growth opportunities on campus. Previously, Baylor’s Sports Ministry Team traveled to share the love of Christ internationally for 12 consecutive years.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers’ head football coach; wrestler J’den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers’ men’s swimming and diving team place a program-best eighth at the NCAA Championship and its women’s basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes—wrestling (sixth), men’s swimming and diving (eighth) and women’s swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors’ Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars’ entire program, hiring 14 new head coaches, including 2015 FWAAs First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA’s Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston’s football team appeared in four bowl games during Rhoades’ six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly \$100M and constructed \$160M in new facilities during his tenure, including a new on-campus football stadium, a men’s and women’s basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation’s top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics’ fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members

contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston’s first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston’s highest national finish in the Learfield Directors’ Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean’s List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades’ Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women’s golf program, three-time recognition for the department’s diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades’ tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet—as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men’s basketball, men’s golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor’s degree in health sciences from the University of Arizona (1993) and a master’s of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters – Nicolette (husband Christian Santillan), Natalie (husband, Andrew Charbine and son, Gerard) and Noelle (husband, Mason Schlotzhauer). They welcomed their first grandson in 2021.

## FACILITY: CLYDE HART TRACK AND FIELD STADIUM

The 2022 season will mark the eighth at Clyde Hart Track and Field Stadium on the Baylor campus.

Named for legendary Baylor track coach, Clyde Hart, the \$18.1 million facility was dedicated on Dec. 5, 2014. The stadium accommodates 5,000 spectators and participants with seating on the front and back stretches. It was designed by Kansas City-based Populous, which planned McLane Stadium, and built by Austin Commercial and Flintco, which also constructed the football stadium. In addition to a state-of-the-art track and outstanding venues for field events, Clyde Hart Track and Field Stadium offers a range of facilities and amenities including:

- The 13,500-square-foot Lewis A. and Mary Woodall Training Center, featuring an indoor practice facility;
- The Bob and Brenda Barkley Champions Plaza recognizing winners of Olympic and NCAA titles;
- A 6,000-square-foot team facility containing the Winston Wolfe Clubhouse; and
- A 10,300-square-foot team building containing hydrotherapy pools, a training room, offices and meeting rooms, and storage space.

The surface of the track is a full pour polyurethane surface done by Beynon Sports, using its revolutionary BSS 2000 system with embedded texture. The Olympic-caliber BSS 2000 system is IAAF certified and offers athletes the highest level of control and maximum energy return. The track is nine lanes affording a spectacular view of the Brazos River.

In its first five years, the facility hosted both the Baylor Invitational and the Michael Johnson Invitational with fans, coaches and athletes giving the venue rave reviews. The 2018 Big 12 Outdoor Championships were also hosted at Clyde Hart Track and Field Stadium.

Former track and field athletes and Baylor supporters rallied around the program's return to campus. During the 1920s, Baylor track and field teams competed at Carroll Field on the Baylor campus before moving off campus to Waco Stadium (later called Municipal Stadium) around 1940. In 1960, Baylor opened Baylor Track Stadium, later known as the Hart-Patterson Track and Field Complex, on Clay Avenue near Floyd Casey Stadium.

On Feb. 14, 2014, Baylor's Board of Regents approved naming the new facility in honor of Hart, a 1956 Baylor graduate who served 42 years as Baylor's head track and field coach before retiring in 2005 to become director of track and field. His five decades of leadership elevated Baylor track and field to monumental heights while earning a worldwide reputation as "Quarter-Miler U" and international exposure on the Olympic stage. One of the nation's most successful and prominent programs, Baylor's track and field teams have produced nine Olympic gold medals, 36 NCAA championships and more than 600 All-America performances.

The Clyde Hart Track and Field Stadium is located just next door to McLane Stadium at 1601 Martin Luther King Jr. Blvd.

## COACHING STAFF

**MICHAEL FORD****HEAD COACH****FIRST SEASON (21ST SEASON AT BU) • BAYLOR, 1997**

Michael Ford is in his first year as head coach at Baylor, and his 21st year in total with the Bears. Ford works primarily with sprints, short hurdles and relays.

Ford was promoted to head coach in the summer of 2021 after spending four years as associate head coach and 11 seasons as assistant coach.

Ford has mentored multiple All-Americans in over a decade coaching at his alma mater, most recently three-time All-Americans Howard Fields III and Matthew Moorner, two-time All-American Maxwell Willis and first-time All-American Ryan Croson. Ford has mentored several recent Baylor standouts, including four-time All-American Kiana Horton, two-time NCAA champion Trayvon Bromell and five-time All-American hurdler Tiffani McReynolds.

Horton closed her career with eight Big 12 Championships, the most in Baylor women's track & field history.

In 2021, Ford mentored Ackera Nugent in the 100-meter hurdles and the 4x100-meter relay squad of Kavia Francis, Arria Minor, Sydney Washington and Mariah Ayers at the 2021 NCAA Outdoor Championships. At the 2021 indoor championships, he guided Nugent to the national championship in the 60-meter hurdles and Francis, Minor, Miller and Lily Williams to All-America honors in the 4x400-meter relay.

Prior to his latest pupils, Ford guided Tiffany Townsend to the most All-America honors in program history. During her career, Townsend racked up a BU record 17 All-America honors.

Ford has been named the Midwest Region Assistant Coach of the Year on two occasions (2005, '06), as well as the South Central Region Assistant Coach of the Year twice (2009, '14) by the United States Track and Field and Cross Country Coaches Association.

In the shortened 2020 indoor season, Ford oversaw the men's 4x400-meter relay team of Ryan Croson, Howard Fields III, Matthew Moorner and Maxwell Willis to All-America status.

In 2019, Ford oversaw Horton winning her second consecutive Big 12 title in the indoor 400 meters as well as the 4x400-meter relay team taking the indoor conference title. The outdoor season saw Horton and the women's 4x400-meter relay team earn All-America honors at the NCAA Championships.

Ford coached Taylor Bennett to the Big 12 Championship in the 200 meters in 2018, and also saw his men's 4x100-meter relay team bring home the Big 12 Championship. The Bears' sprint crew combined for 14 individual All-Big 12 awards while the men's and women's 4x100-meter relay teams both earned All-Big 12 in the outdoor season, as well.

In 2017, Ford coached Maxwell Willis to Big 12 Freshman of the Year recognition in both indoor and outdoor seasons after he earned All-Big 12 honors in seven events, eventually earning his first career All-America honors in the 200-meters. He also saw Taylor Bennett run a school-record time of 22.47 in the 200-meters to win the Big 12 outdoor title, which was one of six All-Big 12 accolades for her sophomore season. Returning from injury, Kiana Horton recorded multiple All-Big 12 performances and earned All-America honors alongside Bennett, Kiana Hawn and Leticia De Souza after recording a school-best 3:30.60 time in the 4x400-meter relay at the NCAA Indoor Championships. For the second-straight year, Ford helped Rhys Phillips to an All-Big 12 finish during the indoor (60-meter hurdles) and outdoor seasons (110-meter hurdles).

In 2016, Ford mentored Taylor Bennett to Big 12 Freshman of the Year honors, after she earned All-Big 12 recognition in both the 60- and 200-meters and helped BU's 4x400-meter relay squad capture the title at the Big 12 Indoor Championships. Bennett went on to advance to the NCAA Indoor Championships in all three events. Ford had three other athletes earn indoor All-Big 12 honors in the sprints or hurdles, including Bryce Grace (60-meter hurdles), Rhys Phillips (60-meter hurdles) and Malik Wilson (200m). Meanwhile, Ford assisted the men's 4x400-meter squad as they won the indoor conference title and placed third at the NCAA Indoor meet. Outdoors with Bennett and fellow freshman Kiana Horton suffering

injuries, Ford still guided the women's 4x100-meter relay to All-Big 12 honors, while the men garnered the same recognition with Rhys Phillips (110-meter hurdles) and Malik Wilson (100-meters) earning individual All-Big 12 accolades. Following the collegiate season, Ford coached Bennett as she won a gold medal by running the second leg for Team USA's 4x100-meter relay at the IAAF World U20 Championships. Ford continued to serve as the personal coach of Bromell as the sprinting phenom won a gold medal at the 2016 IAAF World Indoor Track and Field Championships in the 60-meters. Ford was on hand as Bromell qualified for the 2016 Rio Olympics by placing second in the 100-meter dash at the U.S. Olympic Trials. Ford helped Bromell through an Achilles injury in Rio as he made the 100-meter final at the Olympics and then anchored the United States' 4x100-meter relay.

In 2015, Ford helped Bromell succeed at historic levels across the world sprinting stage. During the collegiate season, the sophomore won one NCAA title, three NCAA All-American honors, three Big 12 individual titles and five All-Big 12 accolades, while being named the Big 12 Performer of the Year as well as a Bowerman Award semifinalist. Ford traveled with Bromell as he became the youngest athlete to ever claim an IAAF World Championships medal by earning bronze in the 100-meters with time of 9.92 (-0.5m/s) at Beijing National Stadium in China. Bromell also became the first United States teenager to advance to the world championships by earning a silver medal in the 100-meters at the USA TF Outdoor Championships in June at Hayward Field in Eugene, Ore. Back in the collegiate season, Ford helped Bromell win BU's fourth NCAA Indoor 200-meter crown (the most of any program in the country) in a school-record time of 20.19 and the second-fastest time in collegiate history. Besides Bromell, Ford aided senior Tiffani McReynolds in nabbing her third Big 12 100-meter hurdle title. In the relays, Ford's 4x100-meter crews place second on the men's side and third on the women's side at the Big 12 meet with the men advancing to the NCAA Outdoor Championships, before placing 15th in qualifying action. The 4x400-meter men's unit tallied Big 12 titles at both the indoor and outdoor conference meets.

In 2014, Ford's sprint crew was highlighted by Bromell's phenomenal freshman season. Ford guided the first-year standout to the 100-meter title at the NCAA Championships in a World Junior record time of 9.97. Bromell went on to win the USA Junior Championships title and place second at the World Junior Championships. Under Ford, Bromell burst on to the scene by clocking a wind-legal, co-World Junior record of 10.01 in the 100-meters to win the Texas Relays and then a wind-aided 9.77 which is third-best in NCAA history regardless of wind to win the Big 12 title. Besides Bromell, Ford helped senior Everett Walker back from injury to earn outdoor All-America honors with a fifth place showing in the 200-meters. Ford's hurdler, Bryce Grace, advanced to the NCAA Championships as well, establishing a personal-best of 13.64 in 2014. Both Walker, 200-meters, and Grace, 110-meter hurdles, were second at the Big 12 meet. Overall on the year, Ford had athletes earn nine All-American honors and six Big 12 titles.

On the women's side, Ford helped McReynolds close out her illustrious indoor career with a second place finish in the 60-meter hurdles at the 2014 NCAA Championships in a school-record time of 7.93. McReynolds became the first BU athlete, male or female, to earn All-America honors in the same individual event at the indoor national meet for four-straight years. McReynolds had earlier in the year become the first Baylor athlete, male or female, to win the same event at the conference indoor meet in four-straight seasons as she took the 60-meter hurdle title in 8.10. She was only the second Big 12 athlete to accomplish the feat. McReynolds went on to capture the Big 12 Outdoor 100-meter hurdle title and was fourth at the NCAA Outdoor meet for another All-America honor. Ford helped Ashley Fields develop into an All-American as the sophomore was seventh in the outdoor 200-meter event. In the relays Ford's pupils really shined. The 4x100-meter men's team of Alex Reece, Blake Heriot, Walker and Bromell won the Big 12 title for the first time since 2010. Meanwhile, the 4x400-meter crews both won Big 12 titles, and the men's squad of Heriot, TJ Holmes, Drew Seale and George Caddick grabbed All-America honors by finishing seventh at the outdoor national meet. For his accomplishments, Ford was recognized as the South Central Regional Men's Assistant Coach of the Year by the U.S. Track and Field and Cross Country Coaches Association.

In 2013, Ford coached 10 All-American performances and eight Big 12 champions. Indoors, McReynolds notched her third-straight Big 12 title in the 60-meter hurdles, while Blake Heriot won the 200-meters, Joe Barb took the 600-yard crown and the 4x400-meter team of Isaiah Duke, Walker, Drew Seale and Richard Gary claimed the top spot at the conference meet. McReynolds and BU's 4x400-meter team went on to earn All-America honors

## COACHING STAFF

at the national meet under Ford's guidance. In the outdoor season, Christina Holland claimed the 400-meter hurdle title at the Big 12 Championships and went on to earn All-America honors at the distance as well. Meanwhile, BU's 4x400-meter relay team claimed sixth outdoors to garner All-America accolades.

In 2012, nine All-American honors were earned under Ford's watch as McReynolds finished fourth in 60-meter hurdles at the NCAA Indoor Championships and the 4x400-meter team of Zwede Hewitt, Justin Allen, Seale and Blake Heriot placed seventh. At the national outdoor meet, the sprint-relay team of Walker, Whitney Prevost, Woodrow Randall and Heriot finished fifth. Ford also helped Walker establish a new school record in the 100-meters with a time of 10.12 at the Big 12 Outdoor Championships. McReynolds also earned her second-straight Big 12 Indoor title in the 60-meter hurdles.

Ford's 2011 sprint crew used a mix of newcomers and veterans to earn 16 All-America honors, including three men's relays (4x100-meter, indoor and outdoor 4x400-meter) and national 60-meter hurdle runner-up freshman McReynolds. Along with the All-America honors indoors, McReynolds also claimed Big 12 high hurdle titles indoors and outdoors. Another newcomer, Randall, became a key member to Baylor's 4x100-meter relay, while also earning indoor 60-meter All-America honors with a fourth place finish and tying Michael Johnson's 100-meter BU record of 10.13. Tiffany Townsend earned All-America accolades under Ford's watch with a third place finish at the NCAA Indoor Championships in the 200-meters and a sixth place finish in the 60-meters, while setting school records in both events with times 22.90 and 7.23, respectively. Townsend was also third in the 200-meters (22.58) and eighth (11.09) in the 100-meters at the NCAA Outdoor Championships, while setting school records in both.

Despite battling through injuries to key relay members in 2010, Ford's sprints crew remained deep enough to earn 14 All-America awards and 27 All-Big 12 honors, including the Big 12 champion men's 4x100-meter relay and the All-American women's 4x100-meter relay. Townsend also earned All-America honors individually in the 100 and 200 meters and won the 200 and 4x100-meter relay at the NACAC Under 23 Championships.

In addition to his full-time duties for Baylor, Ford was also selected to coach the men's sprints, hurdles and relays for the 2010 USA Junior World Team. His teams won two gold medals at the Junior World Championships in the 4x100 and 4x400-meter relays. His 4x100-meter team ran the third-fastest time ever by a junior team.

In 2009, the Baylor 4x400-meter men's team put together one of the most impressive streaks in collegiate track and field history. The Bears took a streak of wins and national titles that began in 2007 to the finals of the 2009 NCAA Outdoor Championships. The 4x400-meter relay took the NCAA indoor crown, then continued a streak of 42 straight wins until a third place finish at the outdoor championships. Along with the indoor relay crown, Trey Harts also posted an impressive performance winning the 200-meter national title.

In 2008, the Bears captured two more national titles, winning the men's indoor and outdoor 4x400-meter relays for the second-straight year. The Bears' time of 3:00.22 at the NCAA Championships was the second-fastest in Baylor history and the fifth-fastest collegiate time ever. Baylor claimed the indoor and outdoor titles in the same season for the fifth time in school history and only the 11th time overall. Baylor again made history at the Drake Relays as the men's and women's teams combined for a record seven relay titles at the meet. The women claimed four relay titles, the most ever for a women's team, and moved into first place in all-time relay titles at Drake.

The Bears had solid showings at national meets as all four relays earned All-America honors outdoors. In addition, Harts and Townsend earned All-America honors in the indoor and outdoor 200 meters.

Townsend set a new school record in the 200 meters, clocking 22.75 at the Big 12 Outdoor Championships. In addition, the women's sprint relay set a new school mark, running 43.60 at the outdoor conference meet. During the summer, Townsend won the USA Junior Championship in the 200 meters, and later anchored the United States to a gold medal in the 4x100-meter relay at the 2008 IAAF World Junior Championships.

Also in 2008, Ford began his tenure coaching Jeremy Wariner, as well as other Olympians Darold Williamson, Reggie Witherspoon and Sanjay Ayre. Under Ford's leadership, Wariner claimed the silver medal in the 400 meters at the 2008 Olympic Games in Beijing and won a gold medal as the anchor leg on the 4x400-meter relay. Witherspoon also won a gold medal, running the third leg in the preliminaries of the 4x400-meter relay.

During the 2007 season, the Baylor men's 4x400-meter relay won the

indoor and outdoor NCAA titles, the fourth time in Baylor history and just the 10th time in collegiate history that feat had been accomplished. At the NCAA Outdoor Championships, the 4x400-meter relay set a new Baylor record of 3:00.04, breaking the 12-year-old school record that Ford helped set as the leadoff leg. Ford coached Witherspoon to Big 12 indoor titles in the 200 meter and 400 meters for the second-straight season. Witherspoon also captured the Big 12 title in the outdoor 200 meters, and was named High Point Performer for both conference championships. Also, the Bears claimed the Big 12 title in the men's 4x100-meter relay for the second -straight year, the first time Baylor history to win back-to-back conference championships in the sprint relay. Witherspoon and Harts also earned All-America honors in the indoor 200 meters. Baylor made history at the Drake Relays, winning all four sprint relays (4x100-meter, 4x200-meter, 4x400-meter and sprint medley), becoming the first school to accomplish the feat in 63 years.

Ford coached former Baylor All-American Williamson to the bronze medal at the 2007 USATF Indoor Championships. Williamson won gold as a member of the United States 4x400-meter relay team at the World Championships in Osaka, Japan. Ford also coaches Ayre, who won gold in the 400 meters at the Jamaica National Championships.

In 2006, freshman Jacob Norman captured the NCAA indoor title in the 60 meters with a school record time of 6.56. Norman also anchored the men's 4x100-meter relay to its first Big 12 title in the event since 2000. Both the men's and women's 4x400-meter relays swept the indoor and outdoor conference titles. Jerome Miller was the national runner-up in the 60-meter hurdles with a school record time of 7.66, and Witherspoon was an All-American in the indoor 200 meters.

In 2005, Ford guided the 4x100-meter relay to a school record and helped Elizabeth Wilson pull a stunning upset by winning the Big 12 indoor 200-meter title and set a new school record at 23.53. Carla Grace was one of the top freshmen in the Big 12 Conference, earning All-America honors on the Bears' indoor 4x400-meter relay and earning all-region and all-conference accolades in both the 100 and 200 meters. The 2005 edition of the men's 4x400-meter relay of Kevin Mutai, Mark Teter, Wil Fitts and Williamson earned All-America honors both indoors and outdoors, finishing second at the NCAA Indoor Championships.

Ford was heavily involved with the success of the 2004 men's 4x400-meter relay squads. The indoor team of Jamen Saziru, Teter, Wariner and Williamson set a new NCAA record with a time of 3:03.96 at the NCAA Indoor Championships, then Braelon Davis and Fitts joined Wariner and Williamson to claim the title at the NCAA Outdoor Championships in 3:01.03. Wariner, the Olympic gold medalist in the 400 meters, and Williamson went on to run the third and anchor legs, respectively, on the United States gold medal 4x400-meter relay team.

Ford was instrumental in the development of All-American sprinter LaKadron Ivery, who holds three school records and finished second in the 100 and 200 meters and the long jump, while running on the Bears' 4x100 and 4x400-meter relays at the 2005 Big 12 Outdoor Championships.

In 2004, Ivery won gold in the 200 meters competing for the United States at the North America, Central America and Caribbean Under-23 Championships in Sherbrooke, Canada.

Ford spent three years as an assistant coach at the University of Rochester, working with sprinters and 400-meter hurdlers under the direction of head coaches Tim Hale (1998) and Richard Mackenzie (1999-2000). In 1998, Ford helped guide the Yellow Jackets to indoor-outdoor Associate of American Universities titles. The AAU is a 61-member organization of the leading public and private research and graduate institutions in the nation. Rochester established eight school records in sprints and relays while Ford was a member of the coaching staff.

Like his fellow coaches, Ford enjoyed a stellar collegiate career at Baylor. The 1997 graduate was a two-time 4x400-meter relay national champion, running the first leg for both the 1995 team and the 1996 team. Both of those teams also won conference titles.

At Baylor, Ford collected six relay All-America honors. In 1996, the 4x400-meter relay team finished second at the NCAA Indoor Championships, after finishing first at the Southwest Conference Championships.

Ford was considered the nation's best 4x400-meter relay leadoff leg. In 1995, he sparked the Bears national title relay team to a school record time of 3:00.60, then the fifth-fastest outdoor time in NCAA history, during the preliminaries of the NCAA Championship meet. In that race, Ford ran a 45.51-second split. He also turned in second place finishes in the 400 meters at the 1993 Southwest Conference Indoor Championships and at the 1995 SWC Outdoor Championships.

Ford's relay success reached beyond his Baylor experience. In 1995, he

## COACHING STAFF

was a member of the bronze medal East 4x400-meter relay team at the U.S. Olympic Festival. While in high school, he won the 400 meters at the American Amateur Union Junior Olympics in record time. Ford also added New York State and Eastern States championship titles in the quarter-mile to his resume.

A native of Rochester, N.Y., Ford was inducted into the Section V Track & Field Hall of Fame in May 2003.

**STACEY SMITH**

**TRACK & FIELD ASSOCIATE WOMEN'S HEAD COACH**  
**19TH SEASON • BAYLOR, 2000**

Stacey Smith is in her 19th season as an assistant coach at Baylor working with the Bears' jumpers. The most decorated women's athlete in program history, the former Stacey Bowers currently holds the Baylor outdoor and indoor record in the triple jump while claiming the only individual national title in women's program history when she won the 1999 NCAA outdoor triple jump title.

Smith was promoted from assistant coach to associate women's track head coach during the summer of 2017.

In almost two decades of coaching at her alma mater, Smith has been able to translate her personal collegiate success into success for the student-athletes she has mentored. She coached Felix Obi as he became Baylor's first national champion in the triple jump in the 2014 indoor season.

She has coached 17 All-Americans during her time, including 13 on the women's side and four on the men's, along with eight Big 12 champions.

In 2021, she coached Alex Madlock to a career-best jump of 6.39m, which moves into the third position all-time at the school. Madlock finished at NAAs with a 14th-place finish.

In the 2020 season that abruptly ended before the NCAA Indoor Championships, Smith saw Alex Madlock earn his first career All-America honor in the triple jump.

The 2019 season saw Alex Madlock and Jalen Seals take the next step in their growth under Smith's guidance.

Madlock triple jumped 45-3 at the Texas Relays, moving to No. 4 on the school's all-time outdoor performances list (No. 2 all-time performer) behind three of Smith's jumps. Madlock earned All-Big 12 in both the triple jump and long jump outdoors.

Seals earned his first-ever spot at the NCAA national meet in the long jump, but was unable to compete due to injury. He earned three All-Big 12 awards, giving him five for his career.

Smith coached Madlock (triple jump) and Seals (long jump and triple jump) to All-Big 12 honors in the 2018 indoor season, as well.

In 2017, Smith guided three jumpers to the NCAA Outdoor Championships, all of which posted top 20 finishes in the final meets of their senior years. During the indoor season, Smith saw Brianna Richardson, Rachel Toliver and Alex Lord produce all-conference honors to help Baylor win its first-ever Big 12 women's indoor track and field championship.

During the 2016 season, Smith's athletes produced one Big 12 title and nine all-conference honors. Senior Felix Obi closed out his outdoor career with a second-straight Big 12 title in the triple jump with a school-record leap of 53-9.75 [16.40m]. Obi again advanced to the outdoor NCAA Championships, where he finished 10th for second consecutive year. At the conference level, Smith helped freshman high jumper Blaine Listach produce indoor and outdoor all-conference accolades. On the women's side, Smith coached four All-Big 12 indoor performers and two during the outdoor season.

In 2015, Smith's pupils, Obi and Richardson, swept both the indoor and outdoor Big 12 titles in the triple jump. After helping Richardson win the first Big 12 titles of her career, Smith coached the junior to All-American honors at the NCAA Indoor Championships by placing fifth. Richardson finished just outside of scoring at the national outdoor meet with a 10th-place showing. On the men's side, Smith guided Obi back from knee surgery as the junior won a third-straight Big 12 Indoor triple jump title and then captured the first outdoor title of his career. He missed out on All-America honors by placing 10th at the NCAA Outdoor Championships.

One of the highlights of Smith's coaching career came in 2014 as she guided sophomore Obi to the NCAA Indoor triple jump title. As Obi battled a knee injury, Smith helped him achieve a new school record of 54-5.25 [16.59m] on his third attempt of the meet to clinch BU's first NCAA indoor title since 2009. Just two weeks earlier, Smith aided Obi in becoming just the fourth Baylor male athlete to win a Big 12 indoor title in back-to-back seasons as he repeated as triple jump conference champion. Obi also earned All-Big 12 honors with a sixth-place long jump showing. On the

## COACHING STAFF

women's side under Smith's direction, sophomore Richardson earned NCAA Outdoor All-America honors by taking sixth in the triple jump. At the conference level, Smith coached Richardson to a runner-up triple jump finish. Richardson also made an appearance at the NCAA Indoor meet finishing 15th in the event.

In 2013, Smith quickly turned first-year athletes Obi and Richardson into the nation's best. In the indoor season with Smith's guidance, Obi became BU's first men's athlete to win the Big 12 triple jump crown. In the process of winning that title, Obi took down the school record for the third time. He followed that up with a sixth place finish at the NCAA meet to be an All-American. Outdoors, Obi established a school record [52-9.25 [16.08m] and won two triple jump meet titles at the Baylor Quad Invitational and the Florida Relays. Richardson took fourth at the Big 12 meet in the triple jump indoors, before placing third during the outdoor season. Outside the collegiate season, Smith helped Richardson win the triple jump title at the USA Junior Track and Field Championships, while Obi was the runner-up on the men's side. Both athletes went on to compete for Team USA at the Pan-American Junior Championships with Obi placing third and Richardson fourth under Smith's watch.

From 2010-12, Smith guided Jessica Ubanyionwu to new heights, as the triple jumper emerged as one of the nation's best, earning three All-America honors. Ubanyionwu, who earned All-Big 12 honors indoors and outdoors, moved into second place all-time on the BU record books in the triple jump. She set career-bests with an indoor leap of 43-6m in 2012 and an outdoor mark of 44-1.25m in 2011.

During 2008 and 2009, Smith guided sophomore DeAna Carson to back-to-back appearances in the NCAA Championships, culminating in an All-America performance in the long jump in 2009. Carson earned All-Big 12 honors indoors and outdoors, while breaking the BU indoor long jump record with a leap of 21-4.75m at the national meet.

In 2006, Chris Gillis emerged as a one of the nation's top long jumpers under Smith's guidance, finishing third at the 2006 NCAA Outdoor Championships. Gillis claimed the Big 12 title, finished second at the 2006 NCAA Midwest Regional and joined assistant head coach Danny Brabham as the only Baylor leapers to long jump more than 26 feet. Gillis first broke through with a second place finish at the 2004 Midwest Regional Championships and earned All-America honors by finishing eighth at the 2005 NCAA Outdoor Championships. Also in 2006, Queito Teasley earned indoor and outdoor All-Big 12 honors, finishing sixth at each conference meet.

Prior to her tutelage of Gillis, Smith helped April Holliness become a five-time All-American in the long jump and claim the 2004 NCAA Midwest Regional title. During her career, Holliness finished as high as third in the long jump at the NCAA Championships.

During her collegiate days, Smith became Baylor's first female individual NCAA national champion when she won the 1999 outdoor triple jump with a leap of 45-10m. She earned All-America honors nine times, including three on relays and six individually. Her nine overall and six individual All-American awards each rank second all-time in Baylor history.

Smith was Baylor's first female athlete to become a member of a U.S. National team, competing in the 1998 Goodwill Games. She continued her success as a member of the 1999 World Championship team. Smith was a force within the Big 12, sweeping the indoor and outdoor triple jump titles in 1998 and again in 1999. With four conference titles to her credit, she is tied for fourth all-time at Baylor. Smith also won the 1999 USA triple jump crown with a leap of 45-2.5m.

She is married to Rodney Smith, a former Baylor football and basketball player (1996-99) and the couple are the proud parents of two children, Sydney and London. A product of La Vega High School in Bellmead, Texas, Smith received her degree in education in 2000 and her master's degree in sport management from Baylor in May 2002. She was inducted into the Baylor Athletic Hall of Fame in 2009 and the Southwest Conference Hall of Fame in 2017.

**JEFF CHAKOUIAN**  
ASSISTANT COACH • FORTH SEASON  
KENTUCKY, 2005

Jeff Chakouian begins his forth season as a Baylor assistant track and field coach. Chakouian serves as the throwing and multi-events coach.

In 2021, Chakouian led Mikayla Deshazer to a 48-2 shot put performance, bringing her to the third-place spot at Baylor all-time. He also coached Cole Hardan to a 61-10.25 weight throw at Big 12s, putting Hardan No. 1 all-time at the school. Hardan also holds records one through nine for weight throw performances with the Bears.

In 2020, Chakouian guided Cole Hardan to improve upon his weight throw school record and move to the No. 2 spot all-time at Baylor in the indoor shot put. Hardan achieved All-Big 12 accolades in the shot put.

The 2019 campaign saw the emergence of freshmen Cole Hardan and Alyssa Miller under Chakouian's watch.

Hardan broke the school records in both the weight throw (indoor) and hammer throw (outdoor) and earned three All-Big 12 accolades. Miller was All-Big 12 indoors in the pentathlon and high jump.

Megan SaxvanderWeyden concluded her career with each of Baylor's all-time top-10 marks in the javelin and finished third at the 2019 Big 12 Outdoor Championships to earn her third consecutive all-conference award. K.C. Sullivan's All-Big 12 performance at the outdoor championships made it seven all-conference accolades for Chakouian's athletes in 2019.

In 2018, he coached SaxvanderWeyden and Ricky Sanchez to All-Big 12 outdoor honors in the javelin, and guided Luke Littlefield to All-Big 12 indoor accolades in the heptathlon. SaxvanderWeyden's throw of 166-4 [50.71m] at the Big 12 Championships flew past the previous school record of 154-8 (47.15m).

Chakouian spent the previous eight seasons coaching all field events at UCF in addition to serving as the recruiting coordinator.

In 2017, he helped coach UCF to an American Conference Indoor Track Championship and saw a hammer throw school record fall during the outdoor season. Chakouian coached three throwers to the NCAA Preliminary Rounds.

In his time in Orlando, he helped guide the team to five conference championships, claiming four outdoor titles in a row. During that span, he coached more than 15 NCAA qualifiers and all-conference performers in addition to helping student-athletes break over 20 school records in field events.

In 2013, Chakouian helped coach two student-athletes to top-five finishes at the NCAA Championships, picking up the first top-five finish at the outdoor championships by a non-BCS program since 2000.

Prior to UCF, Chakouian spent three seasons at Illinois State University where he coached a pair of Missouri Valley Champions and 13 all-conference standouts. He also had stints as a volunteer assistant coach at Kentucky and Brown, coaching six all-conference performers.

Chakouian was a six-time All-American in the shot put as a member of the Kentucky track and field team. During his time in Lexington, he was a five-time SEC champion and an eight-time All-SEC selection.

A Seekonk, Mass., native, Chakouian graduated from Kentucky with a bachelor's degree in kinesiology in 2005. Chakouian and his wife, Samantha, have two daughters, Mackenzie and Leota.

## COACHING STAFF

**BENJAMIN RICHARD DALTON**  
ASSISTANT COACH • SECOND SEASON  
UNIVERSITY OF BATH, 2009

Benjamin Richard Dalton was hired as assistant track & field coach/recruiting coordinator in July of 2019. He serves as assistant sprints and hurdles coach, with emphasis on hurdles and recruiting coordinator.

In 2021, Dalton coached Deshaun Jones and Elijah Morris as they made their way to the indoor all-time record list for the Bears. Jones sits sixth with a 7.86 time, while Morris eighth with 7.94. Both records were set at the Big 12 Championships.

In his first year on the Baylor staff, Dalton saw Elijah Morris earn All-Big 12 in the 60-meter hurdles to highlight the shortened 2020 campaign.

Dalton came to Baylor after one year at Texas A&M, working with sprints, hurdles, and relays for the 2018-19 season. Prior to his time in College Station, Dalton was an assistant coach at Texas in 2017-18 for sprints, hurdles, relays and multi-event athletes winning the 2018 Big 12 Women's Indoor Championship team title.

After two years as an assistant coach at the University of New Orleans, Dalton was promoted to the position of head coach for three seasons. While at New Orleans, Dalton had international coaching duties at the World University Games as sprint hurdle relay coach for USA as well as at the World Junior Championships with Barbados. Dalton coached three student-athletes to NCAA Championship appearances, guided Michael Nicholls to become a finalist in the 100-meter hurdles at the 2016 World Junior Championships, and oversaw Alexia Fortenberry as she competed in the 100-meter hurdles at the 2015 World University Games.

Dalton has proven himself as one of the best recruiters in the sport. He signed two No. 1-ranked World Junior student-athletes currently at Texas (Barbadian Jonathan Jones and American Kynneddy Flannel) and assisted Tonja Buford-Bailey in signing Jamaican Shiann Salmon. At New Orleans, he signed future Olympians and World Championship/NCAA competitors Karl Saluri, Michael Nicholls, and Constant Pretorius.

Before becoming a coach at UNO, Dalton was a volunteer assistant at Texas in 2012 helping with the men's sprints and hurdles. Dalton also served as a volunteer assistant at LSU from 2009-11 for the sprint and hurdle groups during which period he was a travel coach for Lolo Jones in 2010.

Dalton began his coaching career in England as a volunteer assistant to coach Malcolm Arnold with Olympians Dai Greene, Lawrence Clarke and Craig Pickering.

A native of England, Dalton earned his bachelor of science degree from the University of Bath with a double major in biomechanics and exercise physiology. He also studied abroad at the University of Florida. Dalton received his Master's degree in kinesiology specializing in Motor Control during his time at LSU. Upon receiving his Master's degree, Dalton spent time as a full-time instructor at LSU in the Kinesiology department.

**BRANDON RICHARDS**  
VOLUNTEER ASSISTANT COACH • EIGHTH SEASON  
BAYLOR, 1990

Brandon Richards enters his eighth season as a volunteer assistant coach for Baylor track & field, where he coaches the Bears' men's and women's pole vaulters.

During his time in Waco, Richards has seen six All-America honors in the pole vault. He coached Baylor legend Annie Rhodes to the All-America double in the 2017 indoor and outdoor seasons, and did the same for freshman phenom KC Lightfoot during the 2019 indoor and outdoor campaigns. Lightfoot repeated as indoor All-American in 2020, and Tuesday Tidwell achieved her first All-America award in the shortened 2020 season.

In the 2021 indoor season, Richards coached Lightfoot to a 6-0m jump, a Big 12 Championship and a NCAA Championship. Lightfoot left Baylor to professionally train and shortly after finished tied at fourth place in the 2020 Tokyo Olympics.

Richards' pupils have re-written the school record books, as his athletes hold three of the four Baylor pole vault records. Rhodes holds the women's outdoor school record (15-1.5), Tidwell has the women's indoor record (14-9), and Lightfoot holds the men's indoor record at 18-7.5.

Richards is responsible for the entire top-10 women's indoor marks (Rhodes and Tuesday Tidwell), eight of the top-10 men's indoor marks (Lightfoot), eight of the top-10 women's outdoor marks (Rhodes and Tidwell), and four of the top-10 men's outdoor marks (Lightfoot).

Richards' crew features several student-athletes on the Baylor all-time performers list, with Tidwell (No. 1 indoor, No. 2 outdoor) leading the way.

Richards and his wife, Tammy, reside in China Spring and have two children. Their son Riley is a pole vaulter at Baylor and their daughter Kendall graduated from China Spring High School.

## COACHING STAFF

### DAVID BARNETT

**HEAD CROSS COUNTRY/DISTANCE • FIRST SEASON  
AUBURN**

David Barnett enters his first season as head cross country and distance coach with the Bears.

Barnett comes to Baylor from Auburn University, where he served as cross country head coach since 2017. The Oneonta, Ala., native coached an NCAA Champion, three NCAA medalists (top-3 finishers), nine All Americans, 12 NCAA qualifiers and eight SEC medalists during his time at Auburn. Barnett's athletes combined to set 15 school records and were part of multiple top-10 and top-15 team finishes nationally.

Barnett coached the top female distance runner in Auburn history, Joyce Kimeli, to the 2021 NCAA National Championship in the 5,000 meters (indoor) and saw her become the SEC record holder in the steeplechase (9:31) and the SEC meet record holder in both the 3,000m and 5,000m. Barnett helped Kimeli set four school records - in the mile (4:38), 3,000m (8:56), 5,000m (15:37) and 3,000m steeplechase (9:31).

Prior to his time at Auburn, Barnett was the Head Cross Country Coach/Assistant Track and Field Coach at South Alabama from 2012-17.

At South Alabama, Barnett was honored as Sun Belt Cross Country Coach of the Year in both 2014 and 2015. He led the men's team to its first conference title in eight years in 2014, and in 2015 helped the women's team win its first league championship since 1993. Both the men's and women's championship teams earned the highest GPA in the Sun Belt during their respective seasons.

His distance runners at South Alabama combined for 39 all-conference honors and 15 conference championships, and five school records were established on the women's side in the 1,500m, mile, 3,000m and 5,000m.

Barnett joined South Alabama as an assistant coach in October 2011 before taking over the cross country program in December 2012. He served as the staff representative/huddle coach for the Fellowship of Christian Athletes (FCA) at South Alabama throughout his time there.

As a graduate assistant/intern for Auburn from 2009-2011, Barnett helped lead the men's team to back-to-back top-20 finishes at the NCAA Indoor Championships and the women's team to a top-10 finish at the 2010 NCAA Indoor Championships and a top-15 finish at the 2011 NCAA Indoor Championships.

Barnett earned a bachelor's degree in exercise science from Auburn, and has obtained USA Track & Field Level I and II Coaching Certification.

## ABOUT CLYDE HART TRACK & FIELD STADIUM

The 2022 season marks the eighth year with Clyde Hart Track and Field Stadium on the Baylor campus. Named for legendary Baylor track coach, Clyde Hart, the \$18.1 million facility was dedicated on Dec. 5, 2014. The stadium accommodates 5,000 spectators and participants with seating on the front and back stretches. It was designed by Kansas City-based Populous, which planned McLane Stadium, and built by Austin Commercial and Flintco, which also constructed the football stadium. The facility has hosted the Baylor Invitational, Michael Johnson Invitational and Big 12 Outdoor Track & Field Championships during the 2014-2021 seasons.
