MEDIA INFORMATION

The Baylor Athletics Communications Office appreciates your interest in Baylor Basketball and looks forward to assisting you during the 2023-24 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media's needs, as well as those of Baylor's student-athletes and coaches to create a positive work environment for all concerned.

If additional information or assistance is required, please contact **Matt Roberts**, Associate Director for Athletic Communications, or any other member of the Baylor Athletics Communications staff. We appreciate your coverage of Baylor Basketball and look forward to working with you this season.

MEDIA INFORMATION

Baylor Athletics Communications has created a Box folder to house all media materials for the 2023-24 season – http://baylorbea.rs/MediaMBB

Subfolders are located inside the MBB Media Materials link that house downloadable photos, videos, media almanacs, statistics and more. Additional subfolders will be created for each game to house game-specific media materials (game notes, box scores, highlights, photos, etc.).

MEDIA CREDENTIALS

Requests for working media, radio, video or photo credentials should be made by sports editors or sports directors of accredited media outlets via www.BaylorBears.com/credentials. All requests should be made as early as possible and are **limited to working media only**.

Requests made within 24 hours of the game may not be considered. *Requests from individuals not employed by a nationally-recognized media outlet will not be considered.*

Credentials will only be available for day-of-game pickup at the Ferrell Center's media will call table, located inside the Stone Room media entrance.

UNAUTHORIZED CREDENTIAL USE

Credentials will be issued to working media only. Media credentials are not transferable and use by anyone other than members of the working media is unauthorized. News organizations allowing unauthorized individuals to use credentials will have their credentials revoked.

Individuals requesting autographs or photographs with student-athletes or coaches while using their credentials to gain access will have their credentials immediately revoked.

FERRELL CENTER MEDIA WORKROOM

The Ferrell Center media workroom opens three hours prior to game time. Meals will be served from 60 minutes before game time until tipoff. Media credentials are required for admittance to the media work room and for meals.

Statistics, game notes, flip cards, almanacs and media guides are provided to all media members prior to the game. Play-by-play and box scores (halftime and final) and postgame notes are also provided.

Ethernet lines are available on a first-come, first-served basis in the media workroom and complimentary wireless internet is also available. On game day, Baylor ITS representatives will be on hand to troubleshoot any issues.

WEB-BASED MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualification) can request one (1) credential for the sole purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to "fan-submitted" or un-edited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

BASELINE PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of the Ferrell Center or Foster Pavilion as specified by the NCAA and Big 12 Conference. Credentialed photographers will only be able to shoot from the designated baseline areas while on the court. Photo credentials are subject to revocation by the Baylor Athletics Communications Office at any time.

POSTGAME INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Coach Drew and player interviews will be in the Ferrell Center media workroom following the NCAA 10-minute cooling off period.

Media are asked to submit player interview requests to Matt Roberts prior to the under-four media timeout in the second half. We will attempt to accommodate requests, but a request does not guarantee availability. The visiting team will host their own postgame press conference, either via Zoom video conference or in the media workroom. Please contact the visiting team's SID for access.

BIG 12 TELECONFERENCE

In conjunction with the Big 12 Conference, Baylor head coach Scott Drew will participate in all of the league's scheduled teleconferences during the season. Dates and times will be announced by the league office at a later date.

Media representatives wishing to participate in the teleconference should contact the league communications staff for further details.

A live audio stream of the teleconference can be heard at www.Big12Sports.com.

BAYLOR SOCIAL MEDIA

In addition to following the most up-to-date information on Baylor's Official Athletics Site, www.BaylorBears.com, the Baylor Athletics Communication office runs the Official Twitter, Facebook and Instagram accounts for Baylor Athletics (@BaylorAthletics), as well as Twitter, Facebook and Instagram for Baylor Basketball (@BaylorMBB).

VIDEOGRAPHER POOL FEED

Videographers will have access to a pool feed to record the game and postgame press conferences. Due to space limitations, videographers will not be able to shoot the game from court level.

BAYLOR MEDIA PAGE

An all-encompassing media page can be found on Baylor's website at: http://www.baylorbears.com/media. In addition to links to credential applications for all sports, the page also features links and PDFs of statistics, game notes, quick facts and logo downloads.

MEDIA PARKING

A limited number of assigned media parking spots are available in Lot B, to the right when entering through the La Salle Ave. entrance. Media members without an assigned parking pass can also park in complimentary general public parking. Upon request, printable parking passes can be e-mailed to those picking up credentials at media will call.

MEDIA ENTRANCE / MEDIA WILL CALL

Media will enter the Ferrell Center to the left of the main entrance on the north side of the arena, via the Stone Room. Assigned media seating is in section 104, and media can take the Stone Room elevator or stairs down to court level to access the media workroom.

PRACTICE COVERAGE

All Baylor Bears basketball practices are closed to the media and the public.

UNIVERSITY ADMINISTRATION

DR. LINDA A. LIVINGSTONE

UNIVERSITY PRESIDENT
OKLAHOMA STATE, 1982

Dr. Linda A. Livingstone is the 15th president of Baylor University. She previously served as dean and professor of management at The George Washington University School of Business, as dean and professor of management at Pepperdine University's Graziadio School of Business and Management, and as a tenured faculty member and associate dean of graduate programs at Baylor's Hankamer School of Business.

As Baylor's president, Dr. Livingstone has overseen the development of Baylor's academic strategic plan, Illuminate, which details Baylor's pursuit of becoming a preeminent Christian research university, and the $1.1 billion comprehensive campaign that undergirds Illuminate, called Give Light. She has also overseen the University's response to COVID-19 and the robust study of Baylor's full history through the Commission on Historic Campus Representations.

In August of 2022, it was announced that Dr. Livingstone was elected as the board chair of the NCAA Board of Governors. As the rare Division 1 student-athlete-turned-university-president, President Livingstone was appointed in June to the NCAA Board of Governors as one of just nine voting members – and one of only two Power 5 university presidents – helping lead college athletics during a season of fast-moving changes. She is the current vice chair of the Big 12 Conference Board of Directors, while preparing to assume the role of chair next year. She also was appointed as a member of the NCAA's initial Constitution and Transformation committees. In addition, she is chair-elect for the American Council on Education (ACE) board, which represents more than 1,700 colleges and universities on effective public policy and innovative, high-quality practice. She will become chair of the ACE board in March 2023.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership, creativity, and university accreditation. She has been extensively published and cited in academic and professional outlets, including American Business Review, Journal of Organizational Behavior, Journal of High Technology Management Research, and the book Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics and Trust. She serves on a number of boards, councils, and task forces, including the boards of Baylor College of Medicine, Capital Southwest Industrials, Waco Industrial Foundation, and the Independent Colleges and Universities of Texas, Inc., the Taskforce on Higher Education and Opportunity, and the AGB Council of Presidents.

Dr. Livingstone was inducted into Oklahoma State University's Hall of Fame in 2019. She also is a member of the Spears School of Business Hall of Fame, was the first recipient of the Outstanding Ph.D. Alumnus Award, and was recognized in 2015 with the OSU Distinguished Alumni Award.

A native of Perkins, Oklahoma, Dr. Livingstone played varsity basketball at Oklahoma State University, where she earned a Bachelor of Science in economics and management, a Master of Business Administration, and a Doctor of Philosophy in management and organizational behavior. Her husband, Brad, a high school history teacher, also played basketball at Oklahoma State. They have one daughter, Shelby, a graduate of Baylor's George W. Truett Theological Seminary, who is now an assistant volleyball coach at Liberty University.

MACK B. RHOADES, IV

VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of Preparing Champions for Life has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

Over his five years in Waco, Baylor has won 21 Big 12 titles and six national championships.

For the second-consecutive full term (not including the COVID-shortened 2019-20 campaign), the Bears brought home multiple national championships. After acrobatics & tumbling won its fifth-straight title and women's basketball clinched their third overall national championship in 2019, A&T went for six straight in 2020-21 and men's basketball claimed its first in program history.

In June 2021, Rhoades was selected as Sports Business Journal's 2021 Athletics Director of the Year, marking the second Athletics Director of the Year honor earned by Rhoades in as many years. He was chosen as 2019-20 NACDA Under Armour Athletics Director of the Year in March 2020.

The 2020-21 academic year, despite the ongoing COVID-19 pandemic, brought success for Baylor Athletics as the department combined to bring 20 trophies home to Waco. Men's basketball won its first Big 12 regular-season title and clinched its first conference title since 1950 en route to winning every NCAA tournament game by an average of 15.3 points to claim its first-ever national championship.

The Lady Bears brought home their 11th-straight, and 12th overall, Big 12 regular season championship in addition to their 11th Big 12 Championship title, marking the 10th time Baylor swept the regular-season and tournament titles. The women's basketball team advanced to the program's 10th Elite Eight, marking the sixth time in the last seven seasons the Lady Bears have been one of the final eight squads standing.

Baylor had 16 of 19 teams reach the postseason in 2020-21. Acrobatics & tumbling brought home its sixth-straight national championship, and men's tennis advanced to the program's third national championship match and first since 2005. Equestrian upset top-ranked Auburn in the NCEA National Championship and Track and Field had three individual national champions at the same NCAA meet (NCAA Indoor Championships) for the first time in program history.

Overall, Baylor's 11 head-to-head sports compiled a 208-86-3 record (.705 winning percentage) during the 2020-21 academic year as 10 of Baylor's 17 teams finished the term ranked, including six in the top 10. Baylor athletics also brought home six Big 12 titles.

In the midst of the coronavirus pandemic, thanks in large part to the direction of Baylor's athletic medicine staff, the Bears completed 93.3 percent of their scheduled contests.

Academically, Baylor set a school record with an overall score of 94 in Graduation Success Rate (GSR) that led the Big 12 for the seventh-straight year and was tops in the state of Texas in addition to ranking 10th nationally among Power Five schools. The Bears have had a 3.0 term GPA or better for 26-straight semesters.

Rhoades also oversaw the Baylor Bear Foundation as it reported more than $19.5 million in annual giving to Baylor Athletics in 2020, tied for the second-highest giving total in the foundation's 70-plus year history.

The 2018-19 academic year brought several strategic initiatives to the forefront of athletics beginning with December's unveiling of the "Baylor Built" character formation program. The holistic program encompasses character and leadership development, personal skills, social responsibility, community engagement and spiritual growth.

Rhoades, in a collective effort with a team assembled by Jovan Overshown, Senior Associate Athletics Director for External Affairs, launched – in association with NIKE – the "Baylor United" brand and visual identity for the department

UNIVERSITY ADMINISTRATION

in April of 2019. The process produced a unified color palette, updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university's $1.1 billion "Give Light" campaign, Rhoades announced the department would build a new $105 million basketball fieldhouse following the largest current gift in the university's history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department's highly successful basketball programs.

Rhoades has led national searches for four head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men's Tennis) in 2018, Dave Aranda (Football) in 2020 and Nicki Collen (Women's Basketball) in 2021. He also promoted Michael Woodson to head coach during the men's tennis team's postseason run to a national runner-up finish.

The Bears remain committed to giving back, with student-athletes volunteering more than 5,500 hours throughout the Waco community in the last three academic years. The football, men's and women's basketball teams each adopted local elementary schools during the school term where student-athletes would read to classes either virtually or in person.

While mission trips were put on hold for the 2020-21 term due to the pandemic, more than 100 student-athletes participated in spiritual growth opportunities on campus. Previously, Baylor's Sports Ministry Team traveled to share the love of Christ internationally for 12 consecutive years.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAA First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly $100M and constructed $160M in new facilities during his tenure, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed $4.5M to eclipse the previous mark of $3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a $61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades' tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet--as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters – Nicolette (husband Christian Santillán), Natalie (husband, Andrew Charbine and son, Gerard) and Noelle (husband, Mason Schlotzhauer).

PRESEASON NOTES

A POSTSEASON STAPLE

The Bears are one of just three teams to earn a top-three seed in the NCAA Tournament in each of the last three years, joining Kansas and Gonzaga. BU is one of just four teams to win at least one game in each of the last four NCAA Tournaments played dating back to 2018-19, joining Gonzaga, Kansas and Houston.

PICKED FOURTH IN BIG 12 PRESEASON COACHES POLL

Baylor was picked fourth in the 2023-24 Big 12 Preseason Coaches' Poll. This marks the 13th time in the last 16 seasons that BU has been picked to finish in the top half of the league. The Bears were picked in the lower half of the league in each of the conference's first 12 seasons.

Kansas was picked as the preseason favorite with 168 points, and 12 first-place votes, followed by Houston (153), Texas (143), Baylor (137), TCU (113), Kansas State (106), Iowa State (95), Texas Tech (80), West Virginia (70), Oklahoma State (57), Cincinnati (55), Oklahoma (54), BYU (29) and UCF (14).

BEARS RECEIVE PRESEASON HONORS

Baylor's Ja'Kobe Walter was named Baylor's third-straight Preseason Big 12 Freshman of the Year. The Bears and Kansas Jayhawks are the only teams in league history to have the preseason conference freshman of the year in three consecutive seasons. BU is the first team in Big 12 history to have three straight solo honorees, as KU's Cliff Alexander shared the award with Texas' Myles Turner in 2014-15.

Walter was joined on the All-Big 12 Honorable Mention squad by his teammates Jalen Bridges and RayJ Dennis

STRONG ASSOCIATION WITH THE ASSOCIATION

The Bears have had 18 players sign NBA contracts in the last 13 seasons – Quincy Acy, Kendall Brown, Jared Butler, Adam Flagler, Freddie Gillespie, Keyonte George, Pierre Jackson, Cory Jefferson, Perry Jones III, Quincy Miller, Davion Mitchell, Johnathan Motley, Nuni Omot, Royce O'Neale, Taurean Prince, Jeremy Sochan, Ekpe Udoh and Ish Wainright. Six of those players – Brown (Indiana Pacers), O'Neale (Brooklyn Nets), Prince (Minnesota Timberwolves), Mitchell (Sacramento Kings), Jeremy Sochan (San Antonio Spurs) and Wainright (Phoenix Suns) – played during the 2022-23 NBA season.

DREW ENTERING 21ST SEASON AT BAYLOR

Head coach Scott Drew enters his 21st season at Baylor in 2023-24. He holds a 440-244 career record over 21 years as a Division I coach, including a 420-233 mark at BU. Drew's teams have combined to post a 265-109 record over the last 11 seasons, winning at least 19 games in every year and averaging over 24 wins per season.

Drew joins Kansas' Bill Self as the longest-tenured Big 12 coaches and has notched a school-record 420 wins in his first 20 years, including a 29-12 postseason record since 2009.

ONE OF THE BEST IN THE BIZ

In addition to a strong history of team trophies and accolades, Scott Drew has coached 13 players to All-America recognition in the last 16 seasons, including the first consensus first-team All-American in program history. His efforts have led to numerous coaching awards, including being named the 2017 Basketball Times National Coach of the Year and 2020 NBC Sports National Coach of the Year, as well as the Big 12 Conference Coach of the Year in three of the last four seasons. Drew joined Gene Keady (Purdue) and Jay Wright (Villanova) as the only high-major coaches to win three-straight conference coach of the year honors.

WINNING IT ALL ... IN BOTH TOURNAMENTS

Drew is one of eight coaches in NCAA history, and the only one since 1990, to have won an NCAA Championship and an NIT Championship with the same school. He is one of two active coaches (John Calapari) to have won both, but the only active coach to have won both at the same school.

11 CONSECUTIVE POSTSEASON APPEARANCES

Baylor is on a school-record streak of 11-consecutive postseason appearances. The Bears have gone to nine NCAA Tournaments and two National Invitation Tournaments since 2012.

Baylor has appeared in every postseason since 2012, tied as the nation's fifth-longest active streak. The only schools to appear in all 11 postseasons since 2012 are Baylor (11), Gonzaga (24), Iona (11), Kansas (33), Michigan State (25), Oregon (11), Saint Mary's (12) and Virginia (11).

PLENTY OF FRESH FACES

Baylor welcomes seven new faces to the 2023-24 squad, aiming to replace four of their five starters off of last year's team. RayJ Dennis (2022-23 MAC Player of the Year), Miro Little (Youngest Player to ever play for the Finnish National Team), Yves Missi (4-Star Prospect), Jayden Nunn (VCU Transfer & former A-10 All-Rookie Performer) and Ja'Kobe Walter (projected 2024 NBA Lottery Pick), are a few of the players tasked with replacing 68% of the scoring production lost off last year's squad.

ONE OF NATION'S MOST CONSISTENT PROGRAMS

Baylor has become one of the nation's most consistent programs since breaking through to reach the NCAA Tournament for the first time in 20 years back in 2008. Baylor has reached the 25-win milestone in three of the last four seasons and in 7 of the last 14 years. Prior to that, BU reached 25 wins just once in the program's first 103 years (25-5 in 1945-46). BU's 42-8 Big 12 record over the last 3 seasons is the best of any Power-5 team.

STIFF NON-CONFERENCE CHALLENGES

Putting themselves squarely in the conversation with the 'blue bloods' of college basketball, BU will see a steady stream of traditional basketball powers with games against Michigan State in Detroit (Dec. 16) and Duke in New York (Dec. 20). In addition to the season-opener against Auburn in Sioux Falls (Nov. 7), Baylor will see three teams in non-conference that have been in the Final Four since 2019.

Additionally Baylor has four regular-season games scheduled for NBA Arenas (Barclays Center, Brooklyn N.Y.; Little Caesars Arena, Detroit, Mich.; Madison Square Garden, New York, N.Y.), which is the most of any regular season in program history.

UP FOR THE CHALLENGE

Baylor has notched some impressive wins against the nation's-best over the last four seasons. In 2023-24 The Bears notched wins over No. 8 UCLA, No. 9 Kansas and No. 12 Gonzaga running their record to 27-11 against ranked teams over the last four seasons, including a 16-5 mark away from home. Additionally, the Bears are 13-3 in the last 16 games against AP Top-10 teams, beating Nos. 5, 9, 6, 6, 10, 6, 1, 6, 8, 5, 8, 9 and 8.

FINAL SEASON AT THE FERRELL

Baylor will play it's non-conference home games at the Ferrell Center, before moving to the brand new 212.6 million dollar Paul & Alejandra Foster Pavilion in January of 2024.

The Ferrell Center opened in 1988 and entering its final season Baylor, holds 394-169 record with over 3.2 million men's basketball fans coming through the turn styles in the building's 35-year history.

2022-23 set a record for average attendance (9,473).

Entering his 21st season in 2023-24, Scott Drew is tied as the Big 12's longest-tenured head coach and has notched a school-record 420 victories in his first 20 years, including a 29-11 postseason record since 2009.

Over the past 16 seasons, Drew has led Baylor to 11 NCAA Tournament appearances, five Sweet 16 berths, three trips to the Elite Eight, the 2021 National Championship, the program's first No. 1 national ranking in 2017, a Big 12 Conference-record 23-game winning streak in 2019-20, a five-week streak at No. 1 in 2020, and an entire season ranked in the nation's top-3 in 2021 and another five-week streak at No. 1 in 2022.

Baylor joins Gonzaga as the only programs ranked No. 1 nationally in three of the last four seasons and is one of four programs to earn No. 1 national rankings in four of the last seven seasons, joining Duke, Gonzaga and Kansas. Baylor has averaged 24 wins per season since the first year Drew led BU to the NCAA Tournament in 2008, becoming one of the nation's most consistent programs with active streaks of 16 straight seasons with at least 18 wins and 11 straight postseason appearances.

Drew has coached 14 players to All-America recognition in the last 16 seasons, including the first consensus first-team All-American in program history. His efforts have led to numerous coaching awards, including being named the 2017 Basketball Times National Coach of the Year, 2020 NBC Sports National Coach of the Year and 2023 John Wooden "Keys to Life" Award winner, as well as the Big 12 Conference Coach of the Year in three of the last four seasons. Drew joined Gene Keady (Purdue) and Jay Wright (Villanova) as the only high-major coaches to win three-straight conference coach of the year honors from 2020-22.

Baylor joins Kansas as the only Power-5 conference programs to record 18+ wins in every season since 2008. The Bears have made 11 consecutive postseason appearances, which is tied for the nation's fifth-longest active streak and fourth-longest streak among Power-5 conference teams.

The Bears have been ranked in 15 of the last 16 seasons and reached No. 1 for the first time in program history after starting 15-0 in 2016-17. That year's Bears became the fastest team in AP poll history to go from unranked in week 1 to No. 1 in week 9 and one of only four teams to go from preseason unranked to No. 1. That historic team featured only one senior and no top-50 national recruits according to 247Sports rankings.

Drew has led the Bears to marquee wins against some of the nation's most successful programs over the last six seasons. The 2022-23 Bears beat back No. 8 UCLA in the Continental Tire Main Event, then followed that up with a 64-63 win over Gonzaga in the inaugural Peacock Classic, as well as wins over Big 12 foes, Kansas and Texas. The 2021-22 team posted a 17-point victory over Michigan State in the Battle 4 Atlantis title game, then followed with a dominating 57-36 victory over No. 6 Villanova, holding the Wildcats to their fewest points in the 21-year Jay Wright era. Baylor's 2020-21 national title team went 7-0 against AP Top 10 teams, including wins over No. 5 Illinois, No. 9 Kansas, at No. 6 Texas, at No. 6 West Virginia, vs. No. 10 Arkansas, vs. No. 6 Houston and vs. No. 1 Gonzaga. The 2019-20 Bears defeated Villanova to win the Myrtle Beach Invitational title and notched non-conference wins over Arizona and Butler. BU's 2018-19 squad ended Arizona's 52-game non-conference home winning streak, out-rebounding the Wildcats 51-19, and went on to defeat Syracuse in the 2019 NCAA Tournament. The 2017-18 Bears defeated Wisconsin and Creighton to win the Hall of Fame Classic. Baylor's 2016-17 squad recorded wins over Louisville and Michigan State to win the Battle 4 Atlantis and defeated Xavier and Oregon as part of its four wins against top 10-ranked teams. Additionally, BU ended Kentucky's 55-game home winning streak in 2012-13 and knocked off No. 3-ranked Kentucky in a rematch at AT&T Stadium a year later.

The Bears have reached the 20-win mark in 14 of the last 16 seasons since Drew engineered one of the greatest rebuilds in NCAA history. After he became Baylor's head coach on Aug. 22, 2003, Drew spent the first four seasons establishing the program's foundation. The Bears broke through in year five of the Drew era by winning 21 games and earning the program's first NCAA Tournament berth in 20 seasons.

In addition to the 2021 National Championship, which included Baylor's first Final Four appearance in 71 years, the Bears advanced to the NCAA Tournament Elite Eight in 2010, 2012 and 2021, made the NCAA Sweet 16 in 2010, 2012, 2014, 2017 and 2021, won the 2013 NIT championship and advanced to the 2009 NIT championship game. BU also played in the 2008 NCAA Tournament, marking its first NCAA Tournament appearance since 1988, and the Bears went to the NCAA Tournament in four consecutive seasons from 2014-17, marking the first consecutive NCAA Tournament appearances in program history. Baylor was on track to earn the first NCAA Tournament No. 1 seed in program history with a 26-4 mark in 2019-20 before the postseason was canceled due to the COVID-19 pandemic, but the Bears have since earned No. 1 seeds in two of the last three NCAA Tournaments. Had the 2020 tournament not been canceled, Baylor likely would have become the 11th team all-time to earn three-straight NCAA Tournament No. 1 seeds.

Baylor's 29-11 postseason record over the last 15 seasons is the nation's fourth-best among teams with at least four NCAA Tournament appearances, trailing only North Carolina, Kentucky and Duke. The Bears posted a 6-0 record with three wins over AP Top 10 teams on their way to the 2021 National Championship. BU had 3-1 records on its way to the 2010 and 2012 NCAA Tournament Elite Eight. Baylor went 2-1 to advance to the 2014 and 2017 Sweet 16, posted a 4-1 mark en route to the 2009 NIT title game and went 5-0 to claim the 2013 NIT title. The Bears also went 1-1 in the 2019, 2022 and 2023 NCAA Tournaments and the 2018 NIT. Baylor's 29 postseason wins since 2009 rank sixth nationally behind only North Carolina (39), Kentucky (34), Kansas (34), Duke (33) and Gonzaga (32).

Drew is the youngest of eight coaches nationally to lead his current team to five Sweet 16s since 2010. He is responsible for 29 of the program's 31 all-time postseason wins. Baylor's 29 postseason wins in the last 13 postseasons are more than twice as many as any other Texas program, with Texas Tech (13) the only other Lone Star State program with double-digit postseason wins.

Drew's teams have posted 16 consecutive winning campaigns, averaging 25 wins per season during that stretch. He has a 440-244 head coaching record, including a 420-233 mark in 20 seasons at Baylor.

Baylor has also had 11 NBA Draft picks since 2012, which ranks second in the Big 12 and 12th nationally. BU has also accounted for 11 of the 33 NBA Draft picks from Texas colleges in the last 11 seasons – the only other Texas programs with multiple draftees in that span are Texas (seven), Houston (four), SMU (three), Texas Tech (three), and Texas A&M (two).

The Utah Jazz selected Baylor guard Keyonte George with the 16th overall pick in the first round of the 2023 NBA Draft, making Baylor the only program to have a top-16 pick in the 2021, 2022 and 2023 NBA Drafts. Duke is the only other program with a top-20 pick in each draft during that same span..

Jeremy Sochan gave the Bears back-to-back years with top-10 picks and became the fourth lottery pick in program history when he was selected No. 9 overall by the San Antonio Spurs in the 2022 NBA Draft. He was joined by Kendall Brown, who was selected at No. 48 overall by the Indiana Pacers via a trade with the Minnesota Timberwolves, giving Baylor its first consecutive drafts with multiple players chosen.

Davion Mitchell was drafted No. 9 overall by the Sacramento Kings in the 2021 NBA Draft, becoming the third lottery pick in program history. He combined with Jared Butler, who was chosen No. 40 overall by the Utah Jazz through a trade with the New Orleans Pelicans, to give the Bears multiple draft picks for the third time in program history.

Taurean Prince became the third-highest draft pick in program history when he was selected 12th overall by the Atlanta Hawks, through a trade with the Utah Jazz in the 2016 NBA Draft. Prince came to Baylor as an unranked recruit in the 2012 class, and he developed into the second lottery pick in program history. After averaging just 6.4 minutes per game as a freshman, Prince blossomed into a two-time All-Big 12 selection, played in three consecutive NCAA Tournaments and graduated in four years.

A program-record three players were selected in the 2012 NBA Draft, as Perry Jones III, Quincy Acy and Quincy Miller were all chosen. Pierre Jackson was selected by the Philadelphia 76ers in 2013, and Cory Jefferson was picked by the Brooklyn Nets in 2014, giving the Bears five draftees over a three-year span. Additionally, Isaiah Austin was projected as a 2014 first-round pick before a pre-draft evaluation diagnosed him with

HEAD COACH SCOTT DREW

Marfan's Syndrome, a career-ending medical condition.

Drew made history earning his third-straight Big 12 Coach of the Year award as the Bears overcame numerous significant injuries to win their second-straight Big 12 title in 2021-22. Despite six of nine rotation players missing multiple conference games due to injury, including two season-ending injuries, the Bears recorded a 27-7 record and went 14-4 in Big 12 play to tie Kansas atop the league standings. The Bears started the season 15-0, becoming the first team since Syracuse in 2011-12 to begin consecutive seasons with 15-straight wins, and BU tied a school-record with five-straight weeks ranked No. 1 nationally. Baylor was ranked in the top-10 for the entire season, extending the school record to 49-straight polls top-10 ranked dating back to Dec. 16, 2019.

Baylor earned its second-straight NCAA Tournament No. 1 seed in 2022. After rolling to a first-round win over Norfolk State, the Bears found themselves in a 25-point hole with 11 minutes remaining against North Carolina, before mounting a miraculous comeback to force overtime. With three players from the injury-depleted seven-man rotation fouling out, the Bears ran out of gas in OT and fell to the eventual national runner-up.

James Akinjo was named a third-team All-American, Jonathan Tchamwa Tchatchoua earned Big 12 Defensive Player of the Year, despite missing the final nine games after suffering a season-ending injury and Sochan was named Big 12 Sixth Man Award winner.

Drew picked up his second-consecutive Big 12 Coach of the Year award as Baylor posted a 28-2 record on its way to a National Championship in 2020-21. The Bears recorded a school-record 11 wins against AP Top 25 teams and a perfect 7-0 mark against top-10 teams. BU won its first National Championship, advanced to the third Final Four in program history and won its first conference title in 71 years. The Bears also posted the second-longest winning streak in program history and got off to the best start in school history with an 18-0 mark. A school-record three players earned All-America honors, as Jared Butler became the program's first consensus first-team All-American, while Davion Mitchell and MaCio Teague earned third-team All-America recognition. Mitchell was also named National Defensive Player of the Year by both the Naismith Trophy and NABC.

Baylor won each of its first 17 games by at least eight points, becoming the first team since 1990-91 UNLV to accomplish the feat. BU then had a three-week COVID pause, and the Bears took weeks to regain their championship form. In its first game back, Baylor overcame a 17-point deficit to come back to defeat Iowa State, but the Bears suffered their first loss in the following game at Kansas. BU bounced back with an overtime win at No. 6 West Virginia, clinching the program's first Big 12 title. After three more wins, the Bears took their only other loss of the season against No. 12 Oklahoma State in the Big 12 Championship semifinal.

Baylor began its national title run with a 79-55 win over Hartford, then punched its ticket to the Sweet 16 with a 76-63 win over Wisconsin at famed Hinkle Fieldhouse. BU's smothering defense helped it overcome a 7-point halftime deficit in the 62-51 Sweet 16 win over No. 18 Villanova, and the Bears earned their first Final Four trip in 71 season win an 81-72 victory over No. 10 Arkansas. Baylor took a commanding 45-20 halftime lead in the Final Four game against No. 6 Houston, punctuated with Mitchell's 3-pointer at the halftime buzzer, and the Bears rolled into the national title game with a 78-59 win. In the long-anticipated showdown with No. 1 Gonzaga, Baylor jumped out to a 9-0 lead and led by at least nine points for the game's final 36 minutes in a dominating 86-70 victory. Butler led the way with 22 points, seven assists and no turnovers on his way to earning Final Four Most Outstanding Player honors, while Teague added 19 points, Mitchell had 15 points and five assists and Adam Flagler added 13 points.

The 2019-20 Baylor team was likely the best in program history at the time, but its hopes of winning a national title were ended when the COVID-19 pandemic led to the postseason being canceled while teams were at their conference tournament sites. Baylor finished the regular season with a 26-4 record, including a 23-game winning streak, which remains the longest by any team in the Big 12 Conference's 25-year history. The Bears won a school-record 15 conference games, finished 15-3 in Big 12 play, and BU recorded its first win at Kansas, which was also the program's first road win over a top-5 ranked opponent. Baylor spent five consecutive weeks ranked No. 1 nationally, which was the longest streak by any team since Kentucky in 2015.

Drew was named 2020 Big 12 Coach of the Year and 2020 USBWA District VII Coach of the Year, and he was tabbed as 2020 National Coach of the Year by NBC Sports. The 2019-20 Bears raked in conference awards, becoming the first team in Big 12 history to have all five starters earn All-Big 12 honors, Devonte Bandoo was named Big 12 Sixth Man Award winner and Mitchell was selected as Big 12 Newcomer of the Year. Additionally, Butler was a consensus third-team All-American, becoming the first BU underclassman to earn All-America status since Terry Teagle in 1980.

Baylor extended its school-record streak to eight consecutive postseason appearances and finished 20-14 in 2018-19. The Bears went from being picked ninth in the Big 12 preseason poll to finishing fourth in the league despite losing four projected starters to injuries throughout the year. BU was two games into Big 12 play when leading scorer Tristan Clark went down with a season-ending injury. After switching to a three-guard lineup, BU went on a six-game winning streak and earned a No. 9 seed in the NCAA Tournament, where the Bears knocked off Syracuse in the first round before falling against No. 1 seed Gonzaga.

Baylor advanced to a seventh consecutive postseason appearance and finished with a 19-15 mark in 2017-18. The Bears advanced to the NIT second round before falling on a buzzer-beater against Mississippi State. Baylor was ranked as high as No. 16 nationally, extending a streak to 11 consecutive seasons ranked, the ninth-longest streak nationally at the time. After a slew of injuries led to a 2-7 start to conference play, Baylor rebounded with a five-game winning streak that included wins over No. 10 Kansas and No. 7 Texas Tech and a double-overtime win at Texas.

BU climbed to unprecedented heights during the 2016-17 season, achieving the program's first-ever No. 1 national ranking on Jan. 9, 2017 after starting the year 15-0. BU entered the season unranked and receiving no votes, but nine weeks later the Bears achieved the fastest climb from unranked to No. 1 in AP Top 25 history. Johnathan Motley picked up MVP honors after leading Baylor to a comeback from 22 points down in the Battle 4 Atlantis title game win over Louisville, and he went on to become the first consensus All-American in program history.

Baylor knocked off four top-10 ranked opponents on its way to matching the school record with 25 regular season wins. BU also tied a school record with 13 consecutive weeks ranked in the nation's top 10 and matched the best Big 12 finish in program history with a 12-6 record and a tie for second place. The Bears knocked off New Mexico State and USC to earn a trip to Madison Square Garden for their fourth Sweet 16 appearance since 2010. Drew's squad finished the 2016-17 season ranked No. 12 nationally with a 27-8 record.

Baylor's 2015-16 squad finished 22-12 for a school-record fifth consecutive 20-win season, and the Bears earned a No. 5 seed in the NCAA Tournament, marking a school-record third consecutive NCAA Tournament berth. BU finished the season ranked No. 21 in the AP poll, the fourth-highest final ranking in program history, and Baylor was one of 13 teams to remain ranked in the coaches' poll throughout the entire season, climbing as high as No. 13 nationally.

The 2014-15 BU team went 24-10 and tied the highest NCAA Tournament seed in program history when it was awarded the No. 3 seed in the West Region. The tournament berth gave Baylor its first-ever back-to-back NCAA Tournament appearances.

After entering the season unranked, the Bears climbed as high as No. 14 in the AP poll and were ranked for the season's final 13 weeks. BU finished the season ranked 16th by the AP, which trailed only the No. 9 ranking in 2012 as the best final AP ranking in program history.

In 2013-14, Drew became Baylor's all-time wins leader by earning his 202nd career victory with an 86-69 win against Texas in the Big 12 Championship semifinals. He led the Bears to dominating NCAA Tournament wins against No. 3 seed Creighton and No. 11 seed Nebraska, en route to a Sweet 16 berth for the third time in five seasons.

The 2013-14 team finished 26-12, including three straight Big 12 Championship wins to advance to the tournament title game for the third time in program history, and a win against No. 3-ranked Kentucky at Cowboys Stadium.

Drew led the 2012-13 Bears to 23 wins and the program's first-ever postseason tournament title when they won five consecutive games to claim the 2013 NIT championship. Baylor also won at No. 8 Kentucky, snapping the Wildcats' 55-game home winning streak, and BU handed Kansas a 23-point defeat, becoming the only team in NCAA history to beat Kentucky at Rupp Arena and defeat Kansas in the same season.

Baylor posted a school-record 30 wins and advanced to the NCAA Tournament South Regional final in 2011-12 -- making the Bears one of

only six programs nationally with two Elite Eight appearances in the three-year span from 2010 to 2012. For the first time in program history, the Bears were ranked throughout the 2011-12 season, climbing as high as No. 3 and never dropping lower than 14th in the AP or coaches polls.

JOINING THE NATION'S ELITE

Drew's program reached new heights in 2011-12, when the Bears advanced to their second Elite Eight in a three-season span and had a program-record three players selected in the 2012 NBA Draft. The trio of seniors on that team left as the winningest class in program history, as Fred Ellis, Acy and Anthony Jones led Baylor to 100 wins in their four seasons together. The 2011-12 Bears established school records for overall (30) and Big 12 Conference (12) wins, and they were ranked as high as No. 3 nationally after sprinting to the best start in school history (17-0).

Headlined by Jones III, Baylor's 2010 recruiting class ranked No. 22 nationally by ESPN. PJ3 earned multiple freshman All-American honors, leading the Bears to an 18-13 mark. Baylor's consensus top-20 recruiting class of 2011 featured high school teammates Miller and Deuce Bello, and Drew's 2012 class, which featured three top-75 national recruits including consensus top-5 Austin, was ranked No. 4 nationally.

In 2010-11, senior LaceDarius Dunn became only the third player in program history to earn first-team All-Big 12 honors after becoming the Baylor and Big 12 all-time leading scorer. Dunn finished his stellar college career with 2,285 points and 388 3-point field goals.

Drew's task of rebuilding the Baylor men's basketball program reached a historic milestone during the 2009-10 season as the Bears advanced to the Elite Eight for the first time in the NCAA Tournament's modern era. Entering the season, the Bears were picked 10th in the Big 12 Preseason Coaches' Poll after a trip to the 2009 NIT championship game. Behind All-Americans Tweety Carter, Dunn and Ekpe Udoh, Baylor won a then-school-record 28 games, including a school-best 11 Big 12 games. The Bears tied for second in the Big 12 standings - their best conference finish since 1988.

Baylor was ranked in the AP Top 25 poll for a then-school-record 10 consecutive weeks and concluded the 2009-10 season ranked 10th in the final ESPN/USA TODAY Coaches poll and 19th in the final AP Top 25 -- marking the first time Baylor was ranked in either season-ending poll.

Dunn shattered both Baylor's single-season and career marks for 3-point field goals made. Udoh, the Big 12 Newcomer of the Year, annihilated both the Baylor and Big 12 single-season blocked shots record with 133 rejections. Udoh became the first NBA lottery pick in Baylor history when he was selected sixth overall by the Golden State Warriors in the 2010 NBA Draft. He also became only the fourth first-round NBA draft pick in program history and the first since Brian Skinner in 1998.

Drew was named the 2010 Division I Men's Coach of the Year in the state of Texas by the Texas Association of Basketball Coaches (TABC).

PROGRAM'S CORNERSTONE CLASS LEAVES INDELIBLE MARK

Baylor's fourth 20-win campaign in 2007-08 brought plenty of momentum, and the Bears became a national media staple during the 2008-09 season as the program set several school records. Baylor posted back-to-back 20-win seasons for the first time in school history, while advancing to its first Big 12 Championship title game, only to fall to Missouri. During its improbable postseason run, Baylor became the first No. 9 seed to advance to the Big 12 Championship title game.

Drew's 2008-09 squad did something the 2007-08 Bears were unable to accomplish -- win a postseason game. The Bears notched the program's first postseason victory since 1950 when they defeated Georgetown, 74-72, in the first round of the National Invitation Tournament in front of a raucous Ferrell Center crowd. However, Baylor's postseason run did not stop there as the Bears snagged road wins at a pair of hostile arenas -- Virginia Tech and Auburn -- to advance to the National Invitation Tournament Final Four in New York City. Baylor reached the NIT championship game with a semifinal win over San Diego State at Madison Square Garden before falling to Penn State in the title game.

Baylor's four postseason wins tied for the most in school history at the time. Seniors Curtis Jerrells, Henry Dugat, Mamadou Diene and Kevin Rogers departed Baylor as the winningest class in school history with 64 wins, helping Baylor to the second-most wins in school history (24). In addition, Jerrells, Dugat and Rogers combined to score 4,420 career points in 119 games, accounting for 49.3 percent of Baylor's offense in four seasons.

Baylor played a school-record 39 games, including a school-record 34 on television. Nineteen of those 34 games were televised nationally -- 18 on the ESPN family of networks. Prior to the 2008-09 season, Baylor had played just 14 games on the ESPN family of networks in the previous 11 seasons.

During the 2008-09 season, Baylor was ranked in the AP Top 25 for a then-school-record seven consecutive weeks and peaked at No. 19, one spot short of its highest ranking (No. 18 in 1969). The Bears were also ranked simultaneously in the AP and ESPN/USA TODAY Top 25 polls for the first time in school history.

NATIONAL ATTENTION

In his fifth season in Waco, Drew and the Baylor program turned the corner, posting just the fourth 20-win season in school history en route to its first NCAA Tournament bid since 1987-88.

The Bears' success in 2007-08 brought national exposure to the reclamation project orchestrated by Drew and his staff. Media outlets praised the efforts of Drew and he was named the Big 12 Coach of the Year by Rivals.com and the District VII Coach of the Year by the United States Basketball Writers Association (USBWA).

Despite being picked to finish ninth in the Big 12 by the league's coaches, the Bears raced to a 12-2 non-conference record (including a Paradise Jam championship) and opened conference play 4-0. The 16-2 start was Baylor's best since 1946 and resulted in the school's first national ranking since 1969. The Bears finished with a 21-11 overall record and earned the school's best-ever Big 12 finish with a fourth-place tie at 9-7.

Not to be outdone, Jerrells became just the second first-team All-Big 12 selection in Baylor history as he was named to the top squad by both the league's coaches and The Associated Press. Baylor had three players named to the 2007-08 All-Big 12 team, tying the school record which was set during the inaugural Big 12 season in 1996-97. In May 2008, Diene became the first men's basketball player and only second Baylor student-athlete to be named the Big 12's Sportsperson of the Year.

In September 2008, the Dallas All Sports Association presented Drew with The Don Nelson Award for great achievement both on and off the court of play in the spirit of NBA player and coach Don Nelson.

Baylor's place in the national men's hoops spotlight carried over to 2008-09 as the Bears were featured on ESPN.com's Preseason Top 25 by Andy Katz in June. Katz was just the beginning of the high projections for Baylor. Blue Ribbon picked the Bears No. 16 in its Preseason Top 25 poll, while CollegeHoops.net listed the Bears No. 17 overall and a possible Sweet 16 participant. Drew's squad also garnered preseason top 30 consideration from Athlon (No. 19) and Rivals.com (No. 28).

THE PROGRAM'S FOUNDATION

Drew began his overhaul in 2003 when he took over a program decimated by tragedy, player departures, a depleted roster and NCAA restrictions. He slowly and methodically turned the program around by recruiting a solid foundation of talented high school players that, after earning valuable playing experience early in their careers, brought wins to Baylor as upperclassmen under Drew.

Drew's recruiting success (three of his first four classes were rated among the top 20 nationally), particularly under less-than-ideal circumstances, stocked the program with top-100 national prospects and provided optimism to Bears fans.

Long considered a top-level national recruiter, Drew's reputation was upheld immediately upon his arrival in Waco when his first three Baylor recruiting classes were rated 10th, 11th and 17th, respectively, in the nation -- widely considered Baylor's top consecutive recruiting classes to that point. The three-player 2007 class, while not ranked among the nation's top 20, did include the school's highest-ranked recruit in memory -- Dunn, ranked 24th nationally by Scout.com.

In his first season in 2003-04, Drew inherited a team with half the allotted scholarship players and he added a handful of walk-ons. The team -- which was summarily dismissed by all preseason prognosticators as having no chance to be competitive and perhaps finish winless -- surprised everyone by winning eight games, including three Big 12 Conference contests.

Drew and his overachieving Bears finished the season 8-21 and won over Baylor fans and basketball fans alike with their scrappy play and no-quit attitudes. The team exceeded all expectations and Drew was praised for his efforts and mentioned in Big 12 Coach of the Year discussions.

In his second season, Drew took the court with the nation's most inexperienced team (one returning scholarship player). The 2004-05

HEAD COACH SCOTT DREW

Bears fought their way to a better record than the previous season, 9-19, including an impressive 73-72 road win at Purdue.

In his third season, Drew's 2005-06 Bears overcame perhaps their biggest challenge to date, when despite being banned from playing any non-conference games (due to violations of the previous coaching staff), Drew's very young Baylor squad defied the odds and won four Big 12 games (matching its conference win total from the previous two seasons) and finished the abbreviated season 4-13. The Bears played through the early season handicap and made news in the latter half of the season with noticeably improved play, evidenced by wins in two of the final four games (two losses by a combined seven points) and wins in four of their final five home contests.

Drew's 2006-07 squad showed glimpses of the success to come, when a team loaded with freshmen and sophomores played a full schedule and with a full allotment of scholarships for the first time in four seasons and posted a 15-16 record -- Baylor's most wins in six years. The Bears finished the season with three wins in their final six games, including the school's first victory in a Big 12 Championship game since 2001.

PRIOR TO BAYLOR

Success in the basketball world runs strong in the Drew family -- from Scott and brother Bryce (former NBA player and current Grand Canyon head coach) to father Homer (former head coach at Valpo).

Drew came to Baylor after a decade of coaching at Valparaiso, the final year as head coach. He led the 2002-03 Crusaders to a 20-11 record and into the NIT. Valpo earned the Mid-Continent Conference regular season championship with a 12-2 league record.

The previous nine seasons, Drew served as an assistant at Valpo under his father, the legendary Homer Drew. He was promoted to associate head coach for the 2001-02 season. Drew coached his father's 200th win at Valpo (against Oakland on Jan. 27, 2001) when Homer was ill.

In 10 seasons at Valpo, Scott Drew helped lead the program to six NCAA Tournament berths, including the magical 1997-98 squad that shocked the nation by advancing to the Sweet 16. Valpo made five straight NCAA appearances from 1996 to 2000. The younger Drew was responsible for three national top-20 recruiting classes during his last five years at Valpo.

Drew was named the 1998-99 National Recruiter of the Year by Court Vision and helped produce what HoopScoop.com named the nation's sixth-best recruiting class in 2001 (per average talent), the 13th-best in 1999 (per average talent) and the 27th-best in 2003 (per average talent), a class that included three top 100 national recruits.

Drew was part of the coaching staff that led Valpo to nine straight Mid-Con championships, including dual regular season and tournament titles in 1994-95, 1995-96, 1996-97, 1997-98, 1998-99 and 2001-02. The Crusaders were regular season champs in 2000-01 and 2002-03, and won the conference tournament in 2000.

Drew was the driving force behind Valpo's international pipeline that produced more than 10 players from Europe, Africa and South America from 1995 to 2003. He has European coaching experience, having served as head coach of the Athletes In Action team which toured Croatia and Bosnia in the summer of 1997. In August 1995, Drew assisted the AIA team that traveled to Germany, Macedonia, Bulgaria and Greece.

ASSOCIATE HEAD COACH ALVIN BROOKS III

ALVIN BROOKS III

ASSOCIATE HEAD COACH • EIGHTH SEASON
IDAHO STATE, 2002

Alvin Brooks III enters his eighth season as an assistant coach at Baylor in 2023-24. He joined the BU staff on April 8, 2016, after spending the previous four seasons as an assistant coach at Kansas State.

Baylor has combined to go 170-61 during Brooks' tenure, including a 93-32 record in Big 12 Conference play, 11-4 in NCAA Tournament games and 20-12 against top-10 ranked opponents. The Bears have been ranked No. 1 nationally in four of Brooks' seven seasons on staff, joining Duke, Gonzaga and Kansas as the only teams ranked No. 1 four times since 2016-17.

With Brooks' assistance, the Bears have had five selections in the NBA Draft, including three-straight lottery picks (Davion Mitchell —9th, Jeremy Sochan —9th and Keyonte George — 16th). The Bears are the only program with three players picked in the top 16 over the last three seasons. BU's five selections since 2017 are the second most in the State of Texas during that span.

Brooks helped the Bears become just the third team in Big 12 history to win back-to-back Big 12 Championships with a 14-4 mark in the league in 2021-22, earning BU a second-straight No. 1 seed.

Brooks helped the Bears to the best two-year run in program history in 2019-20 and 2020-21, winning 90 percent of their games with a combined 54-6 mark, including a 17-3 record against ranked opponents, and culminating with the first National Championship and Big 12 title in program history in 2021. The Bears were top-5 ranked for 29-consecutive AP Top 25 polls and finished the 2020-21 season with the nation's third-longest active streak of 37-straight weeks ranked.

A Houston native, Brooks has 19 years of experience as an assistant coach at numerous collegiate levels. He began his coaching career at the junior college level, spending two years as an assistant coach at Arkansas-Fort Smith (2004-06), where he helped lead the Lions to the 2006 NJCAA Division I championship. He then spent one season on former Baylor assistant coach Grant McCasland's staff at Midland College (2006-07), where he again won the NJCAA Division I championship.

Brooks then moved to the NCAA Division I level, where he has 14 years of experience. He spent three years as assistant coach and recruiting coordinator at Bradley (2007-10), and then returned to his home state for two years as an assistant coach at Sam Houston State (2010-12). Brooks was on Bruce Weber's staff at Kansas State for four seasons (2012-16), and he was hired to Scott Drew's Baylor staff prior to the 2016-17 season.

Brooks helped Baylor to what was then the best season in program history in 2019-20, as the Bears finished 26-4 and were projected to earn an NCAA Tournament No. 1 seed before the postseason was canceled due to the COVID-19 pandemic. BU reeled off a Big 12 Conference record 23 consecutive wins and spent five weeks ranked No. 1 nationally, the longest streak by any team since Kentucky in 2015.

The Bears got their NCAA Tournament No. 1 seed the following season and took advantage of it, winning six straight games to claim the program's first national title. BU finished the season 28-2, including a 14-1 mark in Big 12 Conference play, a school-record 11 wins over ranked opponents and a perfect 7-0 mark against AP top-10 teams. Three Baylor players were named All-Americans, including Jared Butler as the first consensus first-team All-American in program history, along with Davion Mitchell and MaCio Teague as third-team All-Americans. Additionally, Mitchell swept National Defensive Player of the Year awards.

That success on the court translated to the recruiting trail, where Brooks helped the Bears sign the highest-rated class in program history for 2021. Baylor's three-member class of Kendall Brown, Langston Love and Jeremy Sochan was ranked No. 4 nationally by ESPN.

Brooks helped the Bears to a remarkable turnaround in his third season, as BU finished 20-14 and advanced to the second round of the NCAA Tournament. BU was picked to finish ninth out of 10 Big 12 teams, and the Bears lost their leading scorer to a season-ending injury two games into conference play. Despite injuries to three additional starters, Baylor rallied to finish fourth in the Big 12 and secured a No. 9 seed in the NCAA Tournament, where they knocked off Syracuse in the first round.

With its 2019 NCAA Tournament berth, Baylor extended its school-record to eight consecutive postseason appearances, making the Bears one of 14 teams to appear in every postseason since 2012.

In Brooks' second season, Baylor made its seventh consecutive postseason appearance and finished with a 19-15 mark in 2017-18. The Bears advanced to the NIT second round before falling on a buzzer-beater against Mississippi State. Baylor was ranked as high as No. 16 nationally, extending a streak to 11 consecutive seasons ranked. After a slew of injuries led to a 2-7 start to conference play, Baylor rebounded with a five-game winning streak that included wins over No. 10 Kansas and No. 7 Texas Tech and a double-overtime win at Texas.

Brooks helped the Bears reach unprecedented heights in his first year with the program, earning the program's first-ever No. 1 national ranking and a school-record fourth consecutive NCAA Tournament appearance in 2016-17. BU began the season with 15 consecutive wins, climbing from unranked to No. 1 nationally in an eight-week span. Baylor recorded wins over top-10 opponents three times in its first eight games, with victories over No. 4 Oregon, No. 7 Xavier and No. 10 Louisville, the last of which secured the 2016 Battle 4 Atlantis title. BU also defeated No. 10 West Virginia for a school-record fourth top-10 win.

The 2016-17 Bears tied a school-record with 12 Big 12 victories and earned a No. 3 seed in the NCAA Tournament. BU defeated New Mexico State and USC to advance to the Sweet 16, and the Bears finished the season 27-8 and ranked No. 12 nationally.

At Kansas State, Brooks helped the Wildcats to one of the best stretches in school history with 79 wins and NCAA Tournament appearances in two of the last four seasons. He also played a major role in K-State's first-ever Big 12 regular-season title in 2012-13, which included the second-most wins (27) and a tie for the most conference victories (14) in school history. Additionally, Brooks helped coach 10 players named to All-Big 12 teams while at K-State.

Brooks played the 1998-99 and 1999-2000 seasons at Midland College before transferring to Idaho State. He was named Academic All-Big Sky as a senior on the Idaho State basketball team in 2002. He graduated with a bachelor's degree in finance in 2002 and a master's in athletics administration in 2003.

PERSONAL

Brooks married the former Tiffany Wafer in August 2012. The couple has two children -- Alvin Joseph Brooks IV -- born on July 10, 2014 and Austin Jay Brooks -- born on Oct. 26, 2015.

Brooks is the son of Lamar head coach Alvin Brooks II, who has been a college basketball coach for over 30 years. The father-son duo faced each other in the 2021 Final Four, when the elder Brooks was an assistant coach at Houston. Brooks II was previously the Cougars' first African-American head coach, leading the school to 54 wins from 1993-98. After stints with Billy Gillispie at UTEP, Texas A&M and Kentucky, Brooks II returned to Houston in 2010 to serve as associate head coach under former Texas Tech head coach James Dickey and remained on staff with the hiring of Kelvin Sampson. A 2019 inductee into the Lamar Cardinal Hall of Fame, Brooks II returned to his alma mater as head coach on April 1, 2021.

ASSOCIATE HEAD COACH JOHN JAKUS

JOHN JAKUS

ASSOCIATE HEAD COACH • SEVENTH SEASON
TRINITY INTERNATIONAL, 1999

John Jakus enters his seventh season as a Baylor men's basketball assistant coach in 2023-24. Jakus joined the Baylor staff on May 19, 2017, after spending the previous three seasons as director of operations at Gonzaga. Prior to his time at Gonzaga, he was on the staff at Baylor as a graduate assistant during the 2012-13 and 2013-14 seasons.

Jakus has helped lead Baylor to a 143-53 record in his six seasons as an assistant coach, including a 71-33 mark in Big 12 Conference play. He was previously on the Baylor staff as a graduate assistant in 2012-13 and 2013-14, and he spent three seasons as Director of Operations at Gonzaga. In 11 seasons as a member of Division I coaching staffs, Jakus has helped teams post a combined 292-88 record, including a 26-8 postseason mark with five Sweet 16 berths, three Elite Eights, two Final Fours and one National Championship.

Entering 2023-24, with Jakus' assistance, BU has had guards win All-America honors in four-straight seasons (Jared Butler '20 & '21, Davion Mitchell '21, James Akinjo '22 and Adam Flagler '23).

Additionally, since his arrival at Baylor, the Bears have had five selections in the NBA Draft including three-straight lottery picks (Davion Mitchell —9th in 2021, Jeremy Sochan —9th in 2022 and Keyonte George — 16th in 2023). The Bears are the only program with three players picked in the top-16 over the last three seasons. BU's five selections since 2017 are the second most in the State of Texas during that span.

During the 2021-22 season, Jakus helped the Bears become just the third team in Big 12 history to win back-to-back Big 12 Championships with a 14-4 mark in the league, earning BU a second-straight No. 1 seed.

Over the three NCAA tournaments the Bears have earned a top-3 seed, becoming one of just four programs to earn that distinction. With a win over UC Santa Barbara in the opening round of the 2023 NCAA Tournament, BU became one of just four schools to win an NCAA Tournament game in each of the last four tournaments played.

Baylor won its first National Championship and first Big 12 Conference title in 2020-21, going 28-2 overall and 14-1 in conference play. The Bears posted a school-record 11 wins against ranked opponents, including a perfect 7-0 mark against top-10 teams. BU was top-5 ranked for 29-consecutive AP Top 25 polls and finished the 2020-21 season with the nation's third-longest active streak of 37-straight weeks ranked.

Three BU guards picked up 2021 All-America honors, with Jared Butler becoming the first consensus first-team All-American in program history and earning Final Four Most Outstanding Player honors. Davion Mitchell and MaCio Teague were named third-team All-Americans, and Mitchell swept the National Defensive Player of the Year awards.

Jakus helped the Bears to what was then the greatest season in program history in 2019-20, as Baylor posted a 26-4 record and was projected to earn an NCAA Tournament No. 1 seed before the postseason was canceled due to the COVID-19 pandemic. The Bears won a Big 12 Conference record 23 consecutive games and spent five weeks ranked No. 1 nationally, the longest streak by any team since Kentucky in 2015.

Baylor's success on the court carried over into the offseason on the recruiting trail, as the Bears signed the highest-rated class in program history for 2021. Kendall Brown, Langston Love and Jeremy Sochan all inked with the Bears in the early signing period, and the Bears' three-man class was ranked No. 4 nationally by ESPN.

In Jakus' second year with the program, Baylor extended its school-record streak to eight consecutive postseason appearances and finished 20-14 in 2018-19. BU went from being picked ninth in the Big 12 preseason poll to finishing fourth in the league despite losing four projected starters to injuries throughout the year. Baylor was two games into Big 12 play when leading scorer Tristan Clark went down with a season-ending injury. After switching to a three-guard lineup, BU went on a six-game winning streak and earned a No. 9 seed in the NCAA Tournament, where the Bears knocked off Syracuse in the first round before falling against No. 1 seed Gonzaga.

Jakus helped the Bears post a 19-15 mark and advance to the NIT second round during his first year at BU in 2017-18. Baylor was ranked as high as No. 16 nationally, extending a streak to 11 consecutive seasons ranked, which was the ninth-longest streak nationally at the time. After a slew of injuries led to a 2-7 start to conference play, Baylor rebounded with a five-game winning streak that included wins over No. 10 Kansas and No. 7 Texas Tech and a double-overtime win at Texas.

Jakus was on Mark Few's staff as director of operations at Gonzaga for the three seasons prior to joining the Baylor staff. He assisted the coaching staff with scouting using both film and advanced analytics, and he helped establish a series of cultural beliefs that allowed both the offensive and defensive efficiencies to improve. He also acted as the program's liaison to the athletics department in the areas of game scheduling, recruiting, on-campus visits, travel, fundraising, sports information and marketing.

Jakus gained experience evaluating and recruiting during the July 2015 live period while Few was coaching USA Basketball. Additionally, he oversaw and established the use of analytics, working with the video coordinators to establish in-house editing to produce postgame and season-long analysis.

Gonzaga reached its first Final Four in 2017, and the Zags defeated South Carolina to advance to the national title game against North Carolina. In addition to finishing as national runner-up in 2017, Gonzaga earned an Elite Eight berth in 2015 and advanced to the Sweet 16 as a No. 11 seed in 2016. The program went a combined 100-13 during Jakus' three seasons on staff, including a 9-3 NCAA Tournament record.

Prior to his three seasons at Gonzaga, Jakus spent two years as a graduate assistant coach at Baylor. The Bears advanced to the 2014 NCAA Tournament Sweet 16 and won the 2013 NIT title during his tenure. He worked with video operations, including film breakdown and evaluation video for Baylor players. He also assisted the coaching staff in limited on-court activities during practices, advance scouting, offensive and defensive strategies and on-campus recruiting.

Jakus gained extensive experience as a professional coach in Europe prior to joining the Baylor staff in 2012. He was head coach and assistant general manager of ABA Strumica in Macedonia (2010-11) and head coach and chaplain for Agape Bulgaria (2007-09). He also worked with Athletes in Action as volunteer head coach for both NCAA and professional basketball trips (2005-08) and as international basketball head coach and director (2008-14).

PERSONAL

A Chicago native, Jakus graduated from Trinity International University with a Bachelor of Science in religious studies in 1999. He earned a master's degree in sport management from Baylor in 2014. Jakus and his wife, Sara, have three children -- sons Brady and Cal and daughter Harper.

1926-27

THE IMMORTAL TEN

Jan. 22, 1927. Among Baylor's rich traditions is an event that has had a lasting impact on the University and its athletic department — the story of the Immortal Ten, one of America's first sports tragedies. Coach Ralph Wolf was taking his first Baylor basketball team to play Texas in Austin.

In Round Rock, Texas, just miles from the team's arrival in Austin, a speeding train from the I&GA Railroad Company rammed into the side of the bus at a railway crossing near the center of the city. Ten of the 21 players, coaches and fans in the Baylor party that traveled on the bus that day were killed. For more information on "The Immortal Ten," please see page 126 in this media almanac.

1929-30

BAYLOR WINS FIRST OVERTIME GAME

1931-32

BAYLOR'S FIRST CONFERENCE CHAMPIONSHIP

Five seasons after the tragedy of "The Immortal Ten," Wolf's Baylor Bears claim the school's first conference title, winning the Southwest Conference with a 10-2 league record. It would be Wolf's only conference title and Baylor's last for 14 years.

1944-45

RETURN OF THE OLD GUARD

Bill Henderson returns for his second stint as Baylor's head coach after serving in World War II. Henderson takes over for Van Sweet during the 1944-45 season after the Bears started 0-11; the Bears finished 1944-45 with an 0-17 mark.

1945-46

BAYLOR 'GOES DANCING' FOR THE FIRST TIME

Under Henderson's tutelage, the Baylor men's basketball program sees tremendous growth, beginning with the 1945-46 season. Baylor starts the season 9-0 and would win a then-school-record 25 games en route to the first NCAA Tournament appearance in school history.

The Bears won their second Southwest Conference title and first of four on Henderson's watch. Baylor advanced to the NCAA Western Regional in Kansas City, Mo., where it lost to future Big 12 rival Oklahoma State (then Oklahoma A&M) and Colorado.

This time, Baylor advances to the first of two NCAA Final Fours and made it to the national championship game against Adolph Rupp's Kentucky Wildcats at New York's Madison Square Garden.

Despite a valiant effort, the Bears finish as the 1948 national runner-up, falling 58-42 to Kentucky.

Baylor won 23-straight games from Nov. 15 until the streak was snapped on Feb. 22. That 23-game winning streak was the longest in the Big 12's 24-year history, topping Kansas' 22-game streak in 1996-97. It also marked the longest winning streak in program history (previously 17 in 2011-12). The streak included six wins vs. ranked opponents, nine road games and three neutral-site games.

2020-21

BEST START IN PROGRAM HISTORY

Baylor won each of its first 17 games by at least eight points, becoming the first team since 1990-91 UNLV to accomplish the feat.

Baylor became just the second men's basketball team from Texas to win a national championship and the first since Texas Western (now UTEP) in 1966. It was Baylor's fifth NCAA national championship overall and the first in a men's sport since tennis won the school's first national title in 2004. Baylor women's basketball won the other three titles in 2005, 20212 and 2019.

CONTINUED DOMINANCE

BEATING THE BEST

BU has made a habit of toppling college basketball powers, which continued in 2021-22. The Bears notched marquee wins against some of the nation's most successful programs. The 2021-22 team posted a 17-point victory over Michigan State in the Battle 4 Atlantis title game, then followed with a dominating 57-36 victory over No. 6 Villanova, holding the Wildcats to their fewest points in the 21-year Jay Wright era.

SECOND-STRAIGHT BIG 12 TITLE

After waiting 25 years to win their first Big 12 championship a year ago – and first conference title, period, since three-straight in the old Southwest Conference more than 50 years ago (1948-50) – the Bears won their second in a little over a year thanks to a 75-68 win over Iowa State on March 5, 2022. After winning the 2020-21 Big 12 title with plenty of room to spare, Baylor had to share this one with sixth-ranked Kansas.

ANOTHER RECORD-SETTING RUN

BU won a school-record 26 regular-season games and finished with its 2nd-most conference wins (14). The Bears reached the 25-win milestone in each of the last 3 seasons and in seven of the last 13 years. Prior to that, BU reached 25 wins just once in the program's first 103 years (25-5 in 1945-46). Baylor is 22-6 against ranked teams over the last 3 seasons, including a 13-4 mark away from home. Baylor's 42-8 Big 12 record over the last 3 seasons is the best of any Power-5 team.

1948 NCAA TOURNAMENT

Baylor's first appearance in the Final Four came in 1948 when head coach **Bill Henderson** took a young Bears team to the championship game to face the Kentucky Wildcats and legendary coach **Adolph Rupp**.

Kentucky proved to be too much for the Bears, rolling to a 58-42 win. The Wildcats, who repeated as national champions the following year, won 36 games during the 1947-48 season, more than any other NCAA champion in history. **Bill Johnson** led the way for the Bears, scoring 10 points.

The Bears knocked off Kansas State, 60-52, in the semifinal to gain a shot at the national title. Kentucky defeated Holy Cross, 60-52, to gain its first berth in an NCAA championship game.

The Bears finished the 1947-48 season as national runner-up, with a Southwest Conference title and a 24-8 record.

1950 NCAA TOURNAMENT

Baylor made its second Final Four appearance in 1950 as head coach **Bill Henderson's** three-time Southwest Conference champion Bears lost to national runner-up Bradley 68-66 in the semifinal game. City College of New York won the national championship.

A crowd of 10,700 crammed into Kansas City's Municipal Auditorium to see a nip-and-tuck affair that had eight ties in the first half and a 35-32 Bradley lead at halftime.

Bradley, which entered the game as a 14-point favorite, pulled away in the closing minutes to go ahead by eight, 63-55, with 3:30 left in the game.

Baylor rallied and had a shot fall short at the buzzer to be eliminated. **Don Heathington** scored 26 points for Baylor.

The Bears ended the season with a national fourth-place finish after losing, 53-41, to North Carolina State in the consolation game.

NCAA TOURNAMENT HISTORY

2012 NCAA TOURNAMENT

Baylor earned the No. 3 seed in the South Regional of the 2012 NCAA Tournament, which was the ninth overall seed. The Bears won three games to advance to the Elite Eight for the second time in three seasons, making Baylor one of only six programs nationally to accompish the feat. 2021 NCAA TOURNAMENT

BU denied top-ranked Gonzaga's bid for the first undefeated season in 45 years, jumping out to a double-digit lead in the first four minutes and never looking back, blowing out the Bulldogs, 86-70, at Lucas Oil Stadium to win the first national championship in program history. Baylor became just the second men's basketball team from Texas to win a national championship and the first since Texas Western (now UTEP) in 1966. It was Baylor's fifth NCAA national championship overall and the first in a men's sport since tennis won the school's first national title in 2004. Baylor women's basketball won the other three titles in 2005, 20212 and 2019.

Baylor extended a school record by making its seventh consecutive postseason appearance with the 2018 NIT. The Bears received an automatic No. 1 seed after being announced as one of the first four out of the NCAA Tournament, and they hosted Wagner and Mississippi State. Baylor's run ended when a buzzer-beating 3-pointer bounced high off the front rim and fell in to give Mississippi State a 1-point win.

ALL-CENTENNIAL TEAM

Vinnie "The Microwave" Johnson and **Terry Teagle** headlined the 17-man Baylor All-Centennial Basketball Team selected in 2006.

The squad, made up of the greatest Bears basketball players of all-time, was selected by a combination of fan voting and an expert panel and announced Feb. 25, 2006, during a halftime ceremony of the school's 91-73 win over Iowa State at the Ferrell Center.

The team, which included the late **Bill Henderson** as its honorary coach, also consisted of **Terry Black**, **Aaron Bruce**, **William Chatmon**, **Pete Creasey**, **Carroll Dawson**, **Larry Gatewood**, **Darrell Hardy**, **the late Don Heathington**, **the late Hubert Kirkpatrick**, **Jerry Mallet**, **Darryl Middleton**, **Jack Robinson**, **Brian Skinner**, **David Wesley** and **Micheal Williams.**

"On behalf of the Baylor basketball family we are extremely proud and privileged to have these terrific basketball players, and more importantly good people, represent our program," Baylor head coach Scott Drew said. "They stand for a century's worth of athletic achievement at this university."

The announcement of the All-Centennial Team was the highlight of Centennial Weekend, in which 100-plus basketball lettermen returned to campus. All former players and coaches were recognized during a pregame ceremony at the Ferrell Center. The weekend's activities also included a Friday night dinner as well as a Saturday brunch for the lettermen and coaches.

Among Baylor's many rich traditions is an event that had a lasting impact on the University and its athletic department; the story of the Immortal Ten, one of America's first sports tragedies.

On Jan. 22, 1927, coach Ralph Wolf was taking his first Baylor basketball team to play a game in Austin against the University of Texas.

Rain hampered the vision of the chartered bus driver as debris from the road sprayed the windshield of the bus. In Round Rock, Texas, just miles from the team's arrival in Austin, a speeding train from the I&GA Railroad Company rammed into the side of the bus at a railway crossing near the center of the city. Ten of the 21 players, coaches and fans in the Baylor party that traveled on the bus that day were killed.

The Immortal Ten are honored each year during Homecoming, when freshman hear the tragic story and participate in a candlelight remembrance ceremony.

On June 22, 2007, a monument was erected on campus in the new Traditions Square to honor the Immortal Ten.

There was a hero of the accident, Jame Clyde "Abe" Kelly. Kelly, who was captain-elect of the 1927 football team, saw the train just before impact and pushed his roommate, Weir Washman, out of the bus' window. Kelly, credited with saving the life of his best friend at the greatest expense to himself, was one of the 10 who died in the collision.

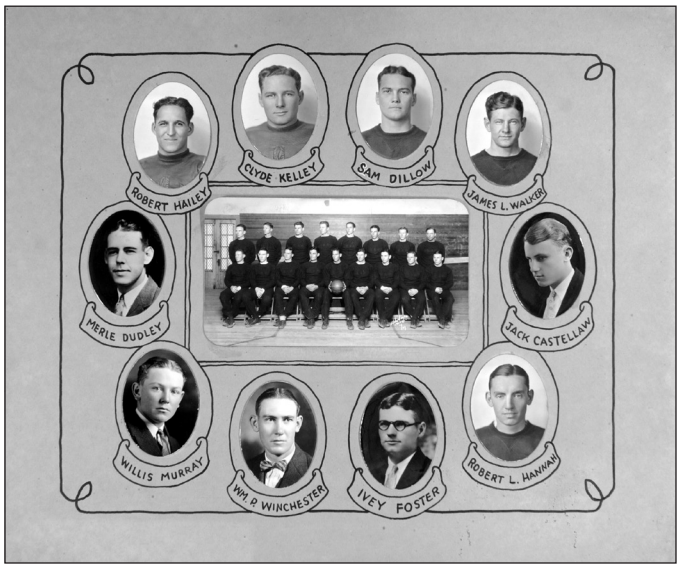

Others who did not survive the wreck were William Winchester, W.E. Murray, Merle Dudley, Sam Dillow, Jack Castellaw, L.R. "Ivey" Foster, Bob Hailey, R.L. Hannah and James Walker.

Wesley Bradshaw, who remained in the top 10 on the Baylor football career scoring list until 2015, was seriously hurt. Gordon Barry, Joe Potter, Edgar Gooch, C.S. Bean, Keifer Strickland (an All-SWC selection), John Kane, Dave Cheavers (former Baylor journalism department chair) and coach Wolf were slightly injured. Washman and Louis Slade were unhurt.

As a result of the tragedy, the remainder of the 1927 season was canceled, and the first overpass in Texas was constructed in Round Rock.

FACTS ABOUT THE IMMORTAL TEN MONUMENT

• Four of the men are depicted in freestanding statues. The other six are represented in a bas-relief panel. James Clyde "Abe" Kelley stands at the forefront of the memorial, holding a basketball. Kelley, who died in the wreck, sacrificed his life to save that of teammate Weir Washam, whom he pushed to safety through the window of the bus. The other nine victims include William Winchester, Willis Murray, Merle Dudley, Sam Dillow, Jack Castellaw, L.R. "Ivey" Foster, Bob Hailey, R. L. Hannah and James Walker.
• The bricks rimming the steps of the memorial are from Brooks Hall, which was home to several of the students who died that day.
• The memorial is the result of more than 10 years of fundraising from the senior classes of 1995-2001, Baylor Alumni Association, Baylor "B" Association, Baylor Chamber of Commerce, Baylor University Student Life Fund, Baylor Yell Leaders, the Traditions Fund and other individuals.
• Baylor commissioned renowned western sculptor Bruce Greene to create the monument.

FERRELL CENTER

The Ferrell Center, home to Baylor's basketball and volleyball programs for more than 30 years, continues to undergo upgrades to maintain its standard as one of the region's finest facilities. The improvements have given the Bears the type of arena necessary to compete in the Big 12 Conference.

The most recent upgrade to the Ferrell Center was a new hardwood floor installed prior to the 2014-15 season. Baylor also added a state-of-the-art, center-hung video board built by Mitsubishi in October 2010. The video board includes four LED screens, each measuring 8.53 feet by 16.01 feet. The lower LED ring is 2.93 feet by 15.96 feet and the upper LED ring is 2.13 feet by 25.82 feet. Weighing in at nearly 22,000 pounds, the total project cost $3.2 million. In addition to the center-hung video board, Baylor also installed four upper corner boards that have video capability; those boards display in-game individual and team statistics. Four floor-level boards were installed as well as 12 upper arena ribbon boards located at each of the arena entrances.

Another major upgrade was the construction of the Lt. Jack Whetsel Jr. Practice Facility. The 42,990 square-foot addition includes the Hawkins practice courts, the Getterman Office Suites for the coaching staffs, and Gray's Gym, named by R.T. Gray in memory of his son, R.B. Gray. Other improvements include the Hall of Honor entry, the Stone Reception Room VIP area, as well as upgrades to the training room, media room and visiting locker room. The $8 million Whetsel Practice Facility was dedicated on September 8, 2006. Previous upgrades to the Ferrell Center have included: new state-of-the-art locker rooms in 2004.

Built in 1988 at a cost of $12.5 million, the gold-domed Ferrell Center is located on a 14-acre tract on the corner of University Parks Drive and Texas Highway 6 (LaSalle Avenue).

Capacity for basketball events is 10,284 and 6,000 for volleyball matches, while conventions, concerts, graduation exercises and convocations can seat 12,000.

The Ferrell Center is named in memory of Charles Robert Ferrell, who died in 1967 during his sophomore year at Baylor. The arena is named in honor of Paul J. Meyer Sr., of Waco.

A major portion of the construction cost was provided by the estate of the late Mr. and Mrs. Monroe Ferrell of Houston, in memory of their son. Monroe Ferrell, a 1938 graduate of Baylor, operated a concrete pipe business in Houston until his death in December 1981, seven years after the death of his wife.

Other significant contributions came from Paul J. Meyer Sr., Emil H. Meyerhoff and the late J.E. and L.E. Mabee Foundation of Tulsa, Okla. Meyer is founder and chairman of the board of Success Motivation International, Inc., and of the Eureka Corporation. The Meyerhoff estate, through the auspices of executor Bill Patterson of McAllen, provided the University with a large gift.

Groundbreaking for the Ferrell Center was held July 1, 1987, and a women's basketball game between Baylor and Texas State on Nov. 25, 1988, was the first sporting event held. The first men's basketball game was Nov. 29, 1988, a loss to San Diego State.

The height of the facility is 111 feet, and the dome covers three acres and weighs 175 tons. Lighting capacity on the floor is 150-foot candles. The arena is designed with 42-tiered levels of seats, including nine rows of retractable seats at courtside. Banquet accommodations can be arranged for 1,000 people on the main floor.

The lower level of the building houses some of the finest basketball locker rooms in the country. Customized wooden cabinet lockers have been built for both the men's and women's locker rooms. Also, on the lower level are visiting team locker rooms, coaches' and officials dressing rooms, a warming kitchen, media room, interview room and general storage.

The Ferrell Center has been the site of Dallas Mavericks exhibition games, and the facility has also hosted the Mavericks' and Phoenix Suns' training camps. Former President Ronald Reagan spoke to a Republican political rally in the first event held under the golden dome in 1988.
