UNIVERSITY ADMINISTRATION

DR. LINDA LIVINGSTONE

UNIVERSITY PRESIDENT
OKLAHOMA STATE, 1982

Dr. Linda A. Livingstone is the 15th president of Baylor University. She previously served as dean and professor of management at The George Washington University School of Business, as dean and professor of management at Pepperdine University's Graziadio School of Business and Management, and as a tenured faculty member and associate dean of graduate programs at Baylor's Hankamer School of Business.

As Baylor's president, Dr. Livingstone has overseen the development of Baylor's academic strategic plan, *Illuminate*, which details Baylor's pursuit of becoming a preeminent Christian research university, and the \$1.1 billion comprehensive campaign that undergirds *Illuminate*, called *Give Light*. She has also overseen the University's response to COVID-19 and the robust study of Baylor's full history through the Commission on Historic Campus Representations.

In August of 2022, it was announced that Dr. Livingstone was elected as the board chair of the NCAA Board of Governors. As the rare Division 1 student-athlete-turned-university-president, President Livingstone was appointed in June to the NCAA Board of Governors as one of just nine voting members – and one of only two Power 5 university presidents – helping lead college athletics during a season of fast-moving changes. She is the current vice chair of the Big 12 Conference Board of Directors, while preparing to assume the role of chair next year. She also was appointed as a member of the NCAA's initial Constitution and Transformation committees. In addition, she is chair-elect for the American Council on Education (ACE) board, which represents more than 1,700 colleges and universities on effective public policy and innovative, high-quality practice. She will become chair of the ACE board in March 2023.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership, creativity, and university accreditation. She has been extensively published and cited in academic and professional outlets, including *American Business Review*, *Journal of Organizational Behavior*, *Journal of High Technology Management Research*, and the book *Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics and Trust*. She serves on a number of boards, councils, and task forces, including the boards of Baylor College of Medicine, Capital Southwest Industrials, Waco Industrial Foundation, and the Independent Colleges and Universities of Texas, Inc., the Taskforce on Higher Education and Opportunity, and the AGB Council of Presidents.

Dr. Livingstone was inducted into Oklahoma State University's Hall of Fame in 2019. She also is a member of the Spears School of Business Hall of Fame, was the first recipient of the Outstanding Ph.D. Alumnus Award, and was recognized in 2015 with the OSU Distinguished Alumni Award.

A native of Perkins, Oklahoma, Dr. Livingstone played varsity basketball at Oklahoma State University, where she earned a Bachelor of Science in economics and management, a Master of Business Administration, and a Doctor of Philosophy in management and organizational behavior. Her husband, Brad, a high school history teacher, also played basketball at Oklahoma State. They have one daughter, Shelby, a graduate of Baylor's George W. Truett Theological Seminary, who is now an assistant volleyball coach at Liberty University.

MACK RHOADES

VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of *Preparing Champions for Life* has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

Over his seven years in Waco, Baylor has won 24 Big 12 titles and seven national championships. Since 2011, Baylor leads the nation in combined wins among football, and men's and women's basketball, sporting 58 more wins than the next closest, Notre Dame, and 174 more wins than the next closest in the Big 12, Texas, which ranks No. 22 nationally.

In 2022-23, Baylor saw its Acrobatics & Tumbling team secure an eighth-straight national championship, while running its streak to 27 straight wins. New head coaches Mitch Thompson (baseball) and Michelle Lenard (soccer) debuted, all while the Bears found continued success in competition. Football advanced to a bowl game for the 11th time in 13 years, softball earned a 40-win season, men's and women's golf advanced to the NCAA Championship, men's tennis earned its 25th-straight NCAA Tournament bid and women's tennis advanced to its 24th NCAA tourney appearance. Volleyball earned its seventh-straight NCAA Tournament appearance and advanced to the Sweet 16.

Off the field of competition, the Bears excelled again, earning a 3.28 departmental GPA with 11 teams sporting a combined GPA of over 3.2. The spring marked the 30th-consecutive semester with a departmental-wide GPA of at least 3.0 and over the fall and spring 535 student-athletes earned Academic Champion status, which equates to graduates, student-athletes with a 3.5 GPA or a personal-best GPA. The Bears also boasted over 183 events through its Character Formation program, with 440 student-athletes participating in community volunteer activities, equaling to an economic impact of \$117,217. There were two mission trips, including 30 student-athletes and nine sports, and the Bears saw continued growth in iDisciple, chapel and team ministry programs.

The Baylor Bear Foundation had a banner year in 2022-23 under Rhoades, with the foundation exceeding budgeted goals in raising \$25.1 million in total gifts, the best annual giving campaign in school history, while raising an additional \$56 million beyond its annual fund contributions during the 2022-23 fiscal year.

Rhoades has been instrumental in securing the largest current gift in Baylor history, a \$100-million gift that will help to fund the new Paul and Alejandra Foster Basketball Pavilion. In addition to the state-of-the-art Foster Pavilion, set to open in January of 2024, Rhoades has also spearheaded the Fudge Development Center, a \$75-million facility that will house the daily operations of the football program and will open in the summer of 2024.

During 2021-22, Baylor had one of the best athletic seasons in collegiate history, earning Big 12 Championships in football, and men's and women's basketball, the only school in the 26-year history of the league to accomplish that feat. The Bears boasted a 74-8 record in football and men's and women's basketball, the best in the country. Football won the 2022 Sugar Bowl, while earning a No. 4 national ranking at the end of the season. Acrobatics & Tumbling claimed its seventh-straight NCAA Championship and men's tennis claimed the Big 12 Tournament title. A total of nine teams earned top-10 national rankings. The Bears were the only school in the nation to have multiple NFL, NBA and WNBA draft picks.

Off the field in 2021-22, the Bears had a 94-percent graduation success rate (GSR), the highest in the Big 12 Conference in the last eight years. BU had a combined 3.32 GPA across all sports and 10 of 17 sports owned at least a 3.3 GPA for the season. There were 163 events sponsored by Character Formation, with

Spiritual Growth and the Baylor Built program excelling in its impact on BU student-athletes. BBF raised \$21.9 million in total giving during the fiscal year, a then-school record, while adding an additional \$33 million beyond annual fund contributions.

For the second-consecutive full term (not including the COVID-shortened 2019-20 campaign), the Bears brought home multiple national championships. After acrobatics & tumbling won its fifth-straight title and women's basketball clinched their third national championship in 2019, A&T extended to six straight in 2020-21 and men's basketball claimed its first in program history.

In June 2021, Rhoades was selected as Sports Business Journal's 2021 Athletics Director of the Year, marking the second Athletics Director of the Year honor earned by Rhoades in as many years. He was chosen as 2019-20 NACDA Under Armour Athletics Director of the Year in March 2020.

The 2020-21 academic year, despite the ongoing COVID-19 pandemic, brought success for Baylor Athletics as the department combined to bring 20 trophies home to Waco. Men's basketball won its first Big 12 regular-season title and clinched its first conference title since 1950 en route to winning every NCAA tournament game by an average of 15.3 points to claim its first-ever national championship.

The women's basketball program brought home its 11th-straight and 12th overall Big 12 regular season championship in addition to its 11th Big 12 Championship title, marking the 10th time Baylor swept the regular-season and tournament titles. The women's basketball team advanced to the program's 10th Elite Eight, marking the sixth time in the last seven seasons the Bears have been one of the final eight squads standing.

Baylor had 16 of 19 teams reach the postseason in 2020-21. Acrobatics & Tumbling brought home its sixth-straight national championship, and men's tennis advanced to the program's third national championship match and first since 2005. Equestrian upset top-ranked Auburn in the NCEA Championship and Track & Field had three individual national champions at the same NCAA meet (NCAA Indoor Championships) for the first time in program history.

Overall, Baylor's 11 head-to-head sports compiled a 208-86-3 record (.705 winning percentage) during the 2020-21 academic year as 10 of Baylor's 17 teams finished the term ranked, including six in the top 10. Baylor Athletics also brought home six Big 12 titles.

In the midst of the coronavirus pandemic, thanks in large part to the direction of Baylor's health & wellness staff, the Bears completed 93.3 percent of their scheduled contests.

Academically, Baylor set a school record with an overall score of 94 in Graduation Success Rate (GSR) that led the Big 12 for the seventh-straight year and was tops in the state of Texas in addition to ranking 10th nationally among Power Five schools. The Bears have had a 3.0 GPA or better term GPA for 26-straight semesters.

Rhoades also oversaw the Baylor Bear Foundation as it reported more than \$19.5 million in annual giving to Baylor Athletics in 2020, tied for the second-highest giving total in the foundation's 70-plus year history.

The 2018-19 academic year brought several strategic initiatives to the forefront of athletics, beginning with December's unveiling of the "Baylor Built" character formation program. The holistic program encompasses character and leadership development, personal skills, social responsibility, community engagement and spiritual growth.

Rhoades, in a collective effort with a team assembled by Jovan Overshown, Senior Associate Athletics Director for External Affairs, launched - in association with NIKE - the "Baylor United" brand and visual identity for the department in April of 2019. The process produced a unified color palette, updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university's \$1.1 billion "Give Light" campaign, Rhoades announced the department would build a new \$105 million basketball fieldhouse following the largest current gift in the university's history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department's national championship-winning basketball programs.

Rhoades has led national searches for eight head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men's Tennis) in 2018, Dave Aranda (Football) in 2020, Nicki Collen (Women's Basketball) in 2021, Michelle Lenard (Soccer) in 2022 and Mitch Thompson (Baseball) in 2022. He also promoted Michael Woodson to head coach during the men's tennis team's postseason run to a national runner-up finish.

The Bears remain committed to giving back, with student-athletes volunteering more than 5,500 hours throughout the Waco community in the last

three academic years. The football, men's and women's basketball teams each adopted local elementary schools during the school term where student-athletes would read to classes either virtually or in person.

While mission trips were put on hold for the 2020-21 term due to the pandemic, more than 100 student-athletes participated in spiritual growth opportunities on campus. Previously, Baylor's Sports Ministry Team traveled to share the love of Christ internationally for 12 consecutive years.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship; and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top-11 NCAA finishes - wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th) - Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed 5 ½ rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAA First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Rhoades, known as an outstanding fundraiser, raised nearly \$100M and constructed \$160M in new facilities during his tenure at Houston, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short-game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

UNIVERSITY ADMINISTRATION

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back to the community during Rhoades' tenure, providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet - as well as its Administrative Committee - and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners' Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters - Nicolette (husband Christian Santillán), Natalie (husband, Andrew Charbine and children, Gerard and Gianna) and Noelle (husband, Mason Schlotzhauer).

HEAD COACH JAY GOBLE

JAY GOBLE
HEAD COACH • 13TH SEASON
UNC CHARLOTTE, 2000

Jay Goble enters his 13th season as head coach of the Baylor women's golf program in 2023-24. Goble has built Baylor into one of the nation's top programs, leading the Bears to unprecedented heights over his first decade in Waco.

Goble has coached the only 10 All-Americans in program history to 24 different All-America honors. He led Baylor to its first conference championship, first NCAA Regional title, first No. 1 national ranking, and the only three top-10 NCAA Championship finishes in program history. He's led the Bears to 21 team tournament championships and 19 individual tournament titles over his first 12 seasons.

Eight of Goble's teams have advanced to the NCAA Championship including five of the last six that have been played (2020 was canceled because of COVID-19). All told, Baylor has advanced to 10 of 11 possible NCAA Regionals and eight of 12 possible NCAA Championships during Goble's tenure.

Additionally, Goble has coached 22 different players to 32 total Big 12 All-Tournament Team honors and 15 different players to a total of 26 All-Big 12 team selections. He coached the program's first Big 12 Player of the Year and twice guided BU players to Big 12 Freshman of the Year recognition. Twelve Baylor players have won 15 total Big 12 Golfer of the Month awards during his tenure. He's had 33 different players named to the Academic All-Big 12 Team a total of 65 times with at least five honorees 11 of his 12 seasons, and 16 different players have earned WGCA All-American Scholar Team recognition a total of 34 times. At least one Bear has been named a WGCA All-American Scholar in each of Goble's first 12 seasons, including multiple selections in each of the last nine years.

Baylor has played in six-straight NCAA Regionals advancing to the NCAA Championship in five of those seasons, while also finishing runner-up finish in 2015. Goble has led BU to the only three top-10 NCAA Championship finishes in program history.

The 2022-23 season was another filled with impressive performances for both the team and individual players. Rosie Belsham (WGCA), Sera Hasegawa (WGCA, GW) and Silje Ohma (GW) claimed All-America honors, marking the first time in program history in which BU boasted three different All-Americans in the same season. That same trio landed on the All-Big 12 team giving the Bears multiple representatives on the all-conference team for the third-straight season. The year also included multiple Big 12 Golfers of the Month, as Sera Hasegawa claimed the award in October of 2022 and Rosie Belsham nabbed it February of 2023. It was the fourth time in program history that multiple players won Big 12 monthly awards, all four times happening under Goble's direction.

The year began with a bang as freshman Silje Ohma tied a program record with a final-round 65 at the Schooner Fall Classic helping the Bears to a fifth-place finish in Norman. Another newcomer Sera Hasegawa showed her potential with a pair of top-10 finishes (t-7th at the Stanford Intercollegiate and t-6th at the Battle at the Beach) to carry the Bears into the winter break.

After a solid showing to open the spring at the Match in the Desert, the Bears put together an impressive performance south of the border at the Collegiate Invitational with a 10-shot win over Florida State at Guadalajara Country Club. With the win, Goble led the team to victory for a fifth-straight season and a 10th time in 12 seasons. Baylor followed up the win with a solid performance at the T. Hession Regional Challenge, which set up for a solid finish to the regular season. The Bears tallied a fifth-straight top-three finish at the Big 12 Tournament (2nd) landing Silje Ohma and Hannah Karg on the All-Tournament team, the third-straight year with multiple all-tournament team representatives.

Sent to the great Northwest and Pullman, Washington, BU advanced to its fifth NCAA Championship in six years with a fourth-place finish at Palouse Ridge Golf Club. The Bears became one of just eight schools to participate in five of the previous six NCAA Championships. In the

third and final year at Grayhawk Golf Club, the Bears missed the fourth-round cut by two shots and carded a 17th place finish. In his eight NCAA Championship appearances under Goble, the Bears have never finished lower than 18th.

BU notched another strong year under Goble in 2021-22, resulting in a sixth NCAA Championship appearance on the strength of a 14-shot win in the NCAA Stillwater Regional at Karsten Creek. The win was the second regional title in Goble's tenure, BU's fourth-straight win by 12-plus shots. The No. 3 seed Bears shot a 54-hole total of 865, the second-best postseason score in program history. Gurleen Kaur, Rosie Belsham and Britta Snyder all tied for second with 2-under 214's.

The Bears opened the postseason with a tie for second at the Big 12 Championship, with Addie Baggaly and Rosie Belsham securing All-Tournament Team honors with a second and seventh place finish, respectively. The tie for second was BU's fourth-straight top-three finish at the Big 12 Championship.

Baylor closed the regular season with a 12-shot win at the Bruzzy Challenge at Waterchase Golf Club. The Bears led the field with seven eagles en route to a 21-under 843, the seventh-best score relative to par in program history.

BU blew away the field in its first win of the season, a 30-shot victory at the Rainbow Wahine Invitational. The Bears swept the top-three spots, and Kaur set a program record with her fourth career win.

Kaur was named to the Golfweek and WGCA All-America Second Team, becoming the first player in program history to win All-America honors in four seasons. Kaur was one of three players to make the All-Big 12 team, joining Belsham and Snyder, the most All-Big 12 selections in a single season in program history.

In 2020-21 BU rose to No. 1 in the country for the first time in program history on the strength of five-straight wins part of a school-record six wins on the season. The Bears set two tournament scoring records in 2020-21. They shot a seven-under 833 to open the season at the Schooner Fall Classic. They bested that mark a couple months later with a 38-under par 826 at the Lone Star Invitational.

Gurleen Kaur was named a Golfweek All-American becoming just the second three-time All-American in program history. Kaur was also named to the All-Big 12 Team, joining freshman Britta Snyder on the 2021 team.

Goble's 2019-20 squad was ranked No. 20 nationally and on its way to a likely fourth consecutive NCAA Regional appearance when the season was cut short on March 13 due to the COVID-19 pandemic. The Bears finished in the top-half of the field in all eight tournaments, including a title at the SMU/DAC Invitational, where Diane Baillieux won her career-first medalist honor.

Kaur and Elodie Chapelet earned honorable mention All-America honors, marking the third time Goble has coached multiple players to All-America recognition in the same season. Chapelet became Baylor's seventh All-American in program history, and Kaur joined Hayley Davis as the only Bears to earn the recognition in multiple seasons.

The 2018-19 Bears extended Baylor's streak to three consecutive NCAA Regional appearances by earning the No. 8 seed at the East Lansing Regional. Baylor recorded a trio of top-three finishes during the season, including a third-place result at the Betsy Rawls Invitational, a tournament title at the Bruzzy Challenge and a second-place finish at the Big 12 Championship. Kaur won her career-first medalist honor by tying for the individual title at the Bruzzy Challenge.

Baylor's 2017-18 squad earned the fifth NCAA Championship berth in program history and finished tied for eighth in stroke play before falling to the eventual national champions in a playoff for the final match play berth. BU earned its 2018 NCAA Championship berth by finishing in a tie for third place at the NCAA Austin Regional, including a dramatic push through a team-wide stomach virus in the final round that forced one BU player to withdraw midway through the round.

Goble helped early-enrollee freshman Kaur become the fifth All-American in program history when she was tabbed as an honorable mention choice by Golfweek despite playing only 19 rounds. Three BU players earned Big 12 All-Tournament Team recognition, with Kaur joined by junior Maria Vesga and freshman Baillieux.

The 2016-17 Baylor squad returned to the NCAA Championship for the fourth time in program history and advanced to the match play quarterfinals, becoming one of five teams nationally to make match play twice between 2015 and 2017. BU took fourth place at the NCAA Athens

Regional and seventh place in NCAA Championship stroke play. Baylor faced Stanford in a rematch of the 2015 national title match, and the Bears again fell in the quarterfinal match, 3-2.

Goble guided junior Amy Lee to a program-record 72.17 stroke average in 2016-17, helping her become Baylor's first Big 12 Player of the Year and the fifth All-American in program history. Sophomore Dylan Kim won the Big 12 Championship individual title, and freshman Fiona Liddell joined Kim on the Big 12 All-Tournament Team. The success carried over into the classroom, where for a fourth consecutive season the Bears had at least three players named WGCA All-American Scholars – Maggie Beth Byers, Kim and Liddell.

Baylor's 2015-16 team played one of the nation's toughest schedules and narrowly missed earning an NCAA Tournament berth for an eighth consecutive season. Laura Lonardi posted a 72.39 stroke average, which was second-best in a season in school history, helping her become the fourth Baylor player to earn All-America honors. Lonardi competed as an individual and took fifth place in the NCAA Bryan Regional, making her the first player in program history to advance through NCAA Regionals to the NCAA Championship while competing as an individual.

A school-record five players picked up 2016 WGCA All-America Scholar recognition, with Byers, Lonardi, Giovana Maymon, Natalia Perez and Lauren Whyte all recognized. Additionally, Lonardi repeated as the Big 12 Scholar-Athlete of the Year for a second straight season.

Goble's 2014-15 squad easily claimed the title of best team in program history. In addition to claiming three tournament titles – Northrup Grumman Regional Challenge, Big 12 Championship and NCAA San Antonio Regional – the team also finished as the national runner-up after falling to Stanford in a sudden death playoff during the NCAA Championship title match.

For his efforts, Goble was named 2015 Big 12 Conference Coach of the Year and WGCA Central Region Coach of the Year. The 2014-15 squad was led by a pair of All-Americans and All-Big 12 selections in Hayley Davis and Kim, with Davis picking up her third career All-America honor and becoming the first player in program history named to the All-America first team. Davis and Kim were joined by Lonardi to give the Bears three Big 12 All-Tournament Team honorees, and Kim was selected Big 12 Freshman of the Year.

In his third year, Goble led Baylor to a tournament title at the 2014 Dallas Athletic Club Invitational, and the Bears finished in third place at the Big 12 Championship. Following the season, BU had three players named WGCA All-American Scholars – Lonardi, Byers and Perez.

Goble led the 2013-14 team to within two strokes of another championship berth with a 10th-place finish at the 2014 NCAA East Regional in Tallahassee, Fla.

The 2012-13 team took first at the Hurricane Invitational and placed second at four more tournaments (Ptarmigan Ram Fall Classic, Tar Heel Invitational, Rebel Intercollegiate and Big 12 Conference Championship). The second-place finish at the Big 12 Championship was the best in program history at the time.

Goble guided freshman Lauren Taylor to the conference's Freshman of the Year award, All-America honorable mention and two Big 12 Golfer of the Month selections. Davis repeated as an All-American, and she joined Taylor in earning All-Big 12 recognition, and Perez was named a WGCA All-American Scholar.

Goble led the Bears within a stroke of earning an NCAA Championship berth after a ninth-place finish at the 2013 NCAA West Regional in Stanford, Calif.

In his first year in Waco, Goble led the Lady Bears to what was then the best season in program history and coached the program's first All-American, Davis.

Goble's first BU squad tied for 16th at the 2012 NCAA Championship in Franklin, Tenn., topping the previous best finish in program history. The 2011-12 team also earned three tournament wins -- the Dick McGuire Invitational, Price's "Give `Em Five" Intercollegiate and the Rebel Intercollegiate -- and had three more top-three finishes. Additionally, two Baylor golfers earned All-Big 12 honors (Chelsey Cothran, Davis), two garnered NGCA All-West Region accolades (Davis, Jaclyn Jansen) and two were named Big 12 Golfers of the Month (Davis, Jansen).

After finishing third at the 2012 Big 12 Championship (matching then-best in program history), Baylor broke school NCAA Regional records for 18-, 36- and 54-hole lows on its way to tying for fifth at the NCAA West Regional in Erie, Colo. The regional performance was enough to earn the

second NCAA Championship berth in program history.

Goble arrived in Waco after three seasons as the assistant coach at Southeastern Conference power Florida. Goble also previously served as an instructor at the prestigious IMG David Leadbetter Golf Academy in Bradenton, Fla.

Prior to coming to Baylor, Goble helped Florida to a 10th-place (tie) finish at the 2011 NCAA Women's Golf Championships in College Station, Texas. It marked the program's 18th top 10 national finish all-time, its highest since a ninth-place showing in 2008, and allowed the tradition-rich program a return to the national spotlight after missing the NCAA field the previous two seasons. Florida finished among the top 10 at nine of 12 tournaments it competed in during the 2010-11 season, including four top-10 finishes and a victory in its own 17-team SunTrust Gator Women's Golf Invitational.

The 2009-10 UF women's golf team claimed five top-five finishes and only finished outside of the top 10 in two of its 12 tournaments, thanks in part to Goble's coaching. The Gators claimed the team title at the Central District Invitational, marking their first tournament win in over a year, and posted a team stroke average of 75.7.

Goble's tenure at the David Leadbetter Golf Academy proved to be a valuable asset to the Florida program in recruiting, as five members of the Gators' 2010-11 roster attended the Academy. He mentored All-American and All-SEC selection Jessica Yadloczky and All-SEC freshman team member Evan Jensen.

In addition to his UF coaching duties, Goble served as the Junior Golf Academy Director for the Gators' program. In this role, he helped make the junior golf academies among the nation's finest.

Goble, who worked at Leadbetter from 2004 until joining the UF staff on July 1, 2008, has also served as Golf Professional at The Club at Olde Cypress in Naples, Fla., and The Preserve Golf Club in Bradenton, Fla.

A four-year scholarship player at the University of North Carolina at Charlotte from 1996 to 2000, Goble played on numerous professional tours throughout the Southeast United States as well as U.S. Open qualifiers. In 2003, Goble claimed a 72-stroke scoring average in the Southwest Florida chapter of the PGA.

The Charlotte, N.C., native is married to the former Jamie Lowe, and they have a son, Gannon.

ASSOCIATE HEAD COACH CARLY LUDWIG

CARLY LUDWIG
ASSOCIATE HEAD COACH • SIXTH SEASON
CAL STATE SAN MARCOS, 2008

Associate Head Coach Carly Ludwig is in her sixth season with the Baylor women's golf program in 2023-24. She was hired by head coach Jay Goble on June 29, 2018.

Ludwig joined the Baylor staff after spending the previous three years as an assistant coach at San Diego State from 2016 through 2018. Prior to joining the SDSU program, she gained four years of experience as a head coach at Central Connecticut State from 2012 through 2015.

Over her first five seasons, Ludwig has helped the team to 12 wins, including ten in the past three seasons, which is the best stretch in program history. The former Symetra Tour player has coached an individual champion in each of her five seasons, including multiple individual medalists in two of the last three seasons. She has helped Elodie Chapelet and Gurleen Kaur garner a combined six All-America honors in her time with the Bears. Kaur became the first player in program history to be named an All-American in four seasons. Under Ludwig's guidance, three BU players have been selected to six All-Big 12 Teams, and seven different players have made the All-Big 12 Tournament Team.

Baylor made its fourth-straight regional since Ludwig's arrival in 2022-23 with its selection to the Pullman Regional. BU captured the Guadalajara Invitational, its fifth-straight season with a team victory, meaning they have won at least one event every season since Ludwig's arrival. The Bears finished second at the Big 12 Championship, marking four-straight seasons with a top-three finish since Ludwig's got to Waco. Hannah Karg (t-6th) and Silje Ohma (t-9th) made the Big 12 All-Tournament Team, becoming the sixth and seventh players to garner that honor under Ludwig. The Bears finished the regular season ranked 12th in the GolfStat.com national rankings, and had an average finish of 4.11, the highest average finish in program history.

BU improved its wins per event for a second-straight season in 2021-22 and made the NCAA Championship for the second-straight season and the third time in four possible tournaments since Ludwig arrived in Waco. The Bears left no doubt they belonged in the NCAA Championship with a 14-shot win in the Stillwater Regional at the challenging Karsten Creek Golf Club. The win in Stillwater was the 11th in Ludwig's tenure with the Bears and was a fourth-straight win by 12 shots or more. The No. 3 seed Bears shot a 54-hole total of 865, the second-best postseason score in program history. Gurleen Kaur, Rosie Belsham and Britta Snyder all tied for second with 2-under 214's.

Baylor closed the regular season with a 12-shot win at the Bruzzy Challenge at Waterchase Golf Club. The Bears led the field with seven eagles en route to a 21-under 843, the seventh-best score relative to par in program history.

BU blew away the field in its first win of the season, a 30-shot victory at the Rainbow Wahine Invitational. The Bears swept the top-three spots, and Kaur set a program record with her fourth career win.

During the 2020-21 season Ludwig helped the Bears to a Big 12-record five-straight team titles to open their season. On the strength of that torrid start, the Bears rose to No. 1 for the first time in program history. She also helped Kaur earn All-America honors for a third time in her career which made her just the second three-time All-American in program history. Kaur also joined Freshman Britta Snyder on the 2021 All-Big 12 team.

Under her guidance, the Bears set multiple school records in 2020-21 including two of the lowest tournament scores in program history. They first set the mark with a seven-under 833 at the Schooner Fall Classic, only to best that mark by seven shots in a 33-stroke victory over SMU at the Lone Star Invitational during the spring.

In her second season at Baylor, Ludwig helped lead Kaur and Chapelet to All-America honors, with Chapelet becoming the seventh All-America in program history and Kaur becoming the second Bear to earn All-America recognition in multiple seasons.

The 2019-20 Bears were ranked No. 20 nationally and had finished in the top-half of all eight tournament fields when the season was cut short

due to the COVID-19 pandemic. BU won the SMU/DAC Invitational for the second tournament title in as many years with Ludwig as an assistant coach. Fiona Liddell and Kaur were tabbed as WGCA All-America Scholars and six Bears were named to Academic All-Big 12 teams.

In her first season at Baylor, Ludwig helped the Bears to a tie for eighth place at the 2019 NCAA East Lansing Regional. Kaur was named to the All-Big 12 team, and Diane Baillieux earned Big 12 All-Tournament team honors. Five Bears were named Academic All-Big 12, and Liddell and Jordan Shackelford were tabbed as WGCA All-American Scholars.

A Brownsburg, Ind., native, Ludwig helped lead San Diego State to NCAA Regional appearances in all three years as an assistant coach, and the Aztecs improved each season. SDSU finished in 12th place at the 2016 Stanford Regional, 11th place at the 2017 Lubbock Regional and seventh place at the 2018 San Francisco Regional.

The Aztecs' 2018 seventh-place finish was the best in program history and fell one stroke shy of earning the program's first NCAA Championship berth. After entering the final round in 11th place, SDSU carded a 1-under 287 to break the school record for best NCAA Tournament round and climb four spots into a tie for seventh place.

Ludwig was named 2013 Northeast Conference Coach of the Year after leading Central Connecticut State to a second-place finish at the NEC championship in her second season as head coach.

She also served as acting head coach of the CCSU men's golf team during the 2014-15 season, helping the Blue Devils to a fifth-place finish at the NEC Championship.

As a player, Ludwig was a three-year letterwinner and All-American on the Cal State San Marcos women's golf team. She earned first-team All-America honors as a senior after placing sixth at the 2008 NAIA Championships. A two-time team captain, Ludwig also earned NAIA Region II Player of the Year recognition after winning medalist honors at the regional tournament.

She received a Bachelor's degree in Kinesiology from Cal State San Marcos in 2008. Following graduation, Ludwig spent three years on the staff at the Santaluz Club in San Diego, where she gained experience as a golf instructor on both the adult and junior levels, and she managed the course's tournament operations. Ludwig also competed professionally for two years on the Symetra Tour (formerly the LPGA Futures Tour) from 2009 through 2011.

Ludwig developed and directed a free golf clinic for children with type 1 diabetes in Cromell, Conn., partnering with First Tee of Connecticut and Connecticut Children's Medical Center in May 2015.
