BAYLOR UNIVERSITY MISSION STATEMENT

The mission of Baylor University is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community.

BAYLOR ATHLETICS MISSION STATEMENT

To support the overall mission of the University by providing a nationally competitive intercollegiate athletics program that attracts, nurtures and graduates student-athletes who, under the guidance of a high-quality staff, pursue excellence in their respective sports, while representing Baylor with character and integrity. Consistent with the Christian values of the University, the department will carry out this mission in a way that reflects fair and equitable opportunities for all student-athletes and staff.

Baylor University is an equal opportunity institution whose programs, services, activities and operations are without discrimination as to sex, color, or national origin, and are not opposed to qualified handicapped persons.

MEDIA INFORMATION

The Baylor Athletics Communications Office appreciates your interest in Baylor Softball and looks forward to assisting you during the 2021 season. Our offices are located on the second floor of the Simpson Athletics and Academic Center on South University Parks Drive.

To better assist in your coverage, please take time to read the information found on the ensuing pages in this almanac. These policies have been established in consideration of the media's needs, as well as those of Baylor's student-athletes and coaches to create a positive work environment for all concerned.

If additional information or assistance is required, please contact **Krista Pirtle**, Associate Director of Athletics Communications, or any other member of the Baylor Athletics Communications staff. We appreciate your coverage of Baylor Softball and look forward to working with you this season.

GENERAL INFORMATION

All requests for working media, radio, television or photo credentials should be made in writing by sports editors or sports directors of accredited media outlets. All requests should be made as early as possible and should be **limited to working media only**. Requests made within 24 hours of the game may not be considered. All credential requests should be sent via e-mail to the softball SID.

Credentials will be available for day-of-game pickup at the Gettnerman Stadium media will call (trailer or ticket office in the plaza outside between Gettnerman and Baylor Ballpark.)

There is no reserved media parking at Gettnerman Stadium and is available to the public on a first-come, first-serve basis.

Requests from individuals not employed by a media outlet will not be considered.

WEB-BASED MEDIA

Web-based media from sites affiliated with established, nationally recognized news-gathering organizations are eligible for media credentials. Online media with an emphasis on the recruitment of potential student-athletes (that meet the above qualification) can request one (1) credential for the sole purpose of writing a game/event recap.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling. Nor will credentials be granted to "fan-submitted" or unedited sites that are not affiliated with an established news-gathering organization and/or sites whose sole entity is fan-generated message boards that allow the posting of anonymous comments.

UNAUTHORIZED USE OF CREDENTIALS

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of Gettnerman Stadium as specified by the NCAA and Big 12 Conference.

No photographers will be permitted to shoot from the centerfield camera stand. All photographers must remain in the concourse area, without blocking spectator views, or select areas at field level, as approved by the softball SID.

Photo credentials are subject to revocation by the Baylor Athletics Communications Office at any time.

ADDITIONAL INTERVIEWS

Baylor players and coaches will be available for in-person or phone interviews, either before or after practice. Player interviews must be coordinated through the softball SID at least 24 hours in advance. If a telephone interview is desired, the player will be provided with the number and will telephone the interviewer at a time that does not interfere with the student-athlete's academic schedule. Student-athlete's personal numbers will not be given out under any circumstances.

PRACTICE COVERAGE

All Baylor Lady Bears practices are closed to the media and the public, unless otherwise authorized by Baylor Athletics Communications staff or the Baylor Softball staff.

POSTGAME INTERVIEWS

Baylor University is committed to a policy of equal access for both male and female reporters and photographers.

The Baylor locker room is closed to the media. Head coach **Glenn Moore** and requested players will be made available for interviews after the NCAA 10-minute cooling off period on the field at Gettnerman Stadium.

Media are asked to submit a list of player interview requests to the softball SID prior to the end of the game. The visiting SID will handle all requests for postgame media with the visiting team. If no visiting SID is available, media are asked to submit their request to the home softball SID.

PHOTOGRAPHY

Baylor follows NCAA and Big 12 Conference rules regarding media representatives photographing games.

Only properly credentialed photographers will be allowed in the designated photo areas of Gettnerman Stadium as specified by the NCAA and Big 12 Conference.

No flash photography is allowed during game action at Gettnerman Stadium. Photographers will be removed from the facility if not in compliance.

BAYLOR VIDEO HIGHLIGHTS FTP SITE

Baylor provides broadcast-quality video of home game postgame highlights via FTP download. Contact **Chris Humphreys** (254-710-8325, Chris_Humphreys@baylor.edu) for more information.

BAYLOR MEDIA SITE

An all-encompassing media page can be found on Baylor's website at www.BaylorBears.com. Among the information available at this site are links and PDFs of statistics, game notes, quick facts and directions as well as photo/logo downloads and video FTP information.

For access information, please contact **Kellen_Coleman@baylor.edu**.

SOCIAL MEDIA

In addition to following the most up-to-date information on Baylor's Official Athletics Site, www.BaylorBears.com, the Baylor Athletics Communications office runs the official Twitter, Facebook and Instagram accounts for Baylor Athletics (@BaylorAthletics), as well as Twitter, Facebook and Instagram accounts for Baylor Softball (@BaylorSoftball).

UNIVERSITY ADMINISTRATION

DR. LINDA A. LIVINGSTONE

UNIVERSITY PRESIDENT

OKLAHOMA STATE, 1982

Linda A. Livingstone, Ph.D., is the 15th president of Baylor University, having served in that capacity since 2017. During her tenure as president, Dr. Livingstone has overseen the development of Baylor's strategic plan, *Illuminate*, which provides a foundation for Baylor's aspiration to become a preeminent Christian research university. In addition, she has led Give Light, a \$1.1 billion comprehensive philanthropic campaign that undergirds *Illuminate*, reaching the campaign's fundraising goals well before its anticipated conclusion.

Enhancing the University's academic enterprise has been a key priority of Dr. Livingstone's leadership. She is animated by a desire to build upon Baylor's historic strengths and increase undergraduate and graduate educational opportunities while expanding the University's service to the surrounding world through research and scholarship. Through the philanthropic generosity of the Baylor Family, the University has added more than 30 new fully endowed chairs to the faculty since her arrival. In addition, 100 new faculty lines will be created over the course of five years in support of *Illuminate*'s goals.

As a result of Dr. Livingstone's dynamic and collaborative leadership, the Carnegie Classification of Institutions of Higher Education designated Baylor a Research 1 university in December 2021 – its highest classification – three years earlier than internal projections had anticipated.

During Dr. Livingstone's presidency, Baylor has responded to the need to cultivate an increasingly welcoming and nurturing community. Baylor is one of the country's top-10 Most Trusted Universities — including a No. 2 ranking by parents and employers — in a 2022 survey by national research firm Morning Consult. Dr. Livingstone also has led the implementation of recommendations from the Commission on Historic Campus Representations designed to create a physical environment on campus that tells the complete Baylor story and celebrates the diversity of the Baylor Family.

During Dr. Livingstone's tenure as president, Baylor has consistently been named one of the top two schools in the Big 12 Conference and one of the top five in Texas in U.S. News & World Report's annual college rankings. Baylor has also risen in such categories as First-year Experience, Best Undergraduate Teaching and Best Colleges for Veterans. As Baylor has continued to enjoy strong enrollments and expanding academic programs, the University also has undertaken renovations to historic academic buildings and residence halls while building new facilities — such as the Paul and Alejandra Foster Pavilion and the Mark and Paula Hurd Welcome Center — that are transforming the Baylor skyline.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership, and creativity. She has been extensively published and cited in academic and professional outlets. As Baylor's president, she has applied her faith commitment to all aspects of her leadership, drawing inspiration from the message of Romans 12:2: "Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is — his good, pleasing and perfect will." During her presidency, Baylor faculty and staff have initiated an unprecedented longitudinal study to track the long-term impact of a Baylor education on a person's faith and character.

The information collected each year, from the time students arrive at Baylor to a decade after graduation, has informed a number of changes on campus, including a redesign of our University Chapel course.

As an extension of her leadership on the Baylor campus, Dr. Livingstone has become a nationally recognized leader in the landscape of college athletics. She served on the NCAA Constitution Committee charged with developing a new, streamlined constitution for the NCAA, and she is a member of the Division I Transformation Committee. In June 2022, she was named one of nine members of the newly reorganized NCAA Board of Governors, which she now chairs. She is also vice-chair/chair-elect of the American Council on Education Board and vice-chair /chair-elect of the Big 12 Conference Board. Additionally, she serves on the Baylor College of Medicine Board of Trustees and the Board of Independent Colleges and Universities of Texas.

Dr. Livingstone previously served as dean and professor of management at The George Washington University School of Business, as dean and professor of management at Pepperdine University's Graziadio School of Business and Management and as a tenured faculty member and associate dean of graduate programs at Baylor's Hankamer School of Business.

Dr. Livingstone was inducted into Oklahoma State University's Hall of Fame in 2020. She is a member of the Spears School of Business Hall of Fame, was the first recipient of the Outstanding Ph.D. Alumnus Award and was recognized in 2015 with the OSU Distinguished Alumni Award.

A native of Perkins, Oklahoma, Dr. Livingstone played varsity basketball at Oklahoma State University, where she earned a Bachelor of Science in economics and management, a Master of Business Administration and a Doctor of Philosophy in management and organizational behavior. Her husband, Brad, a high school history teacher, also played basketball at Oklahoma State. They have one daughter, Shelby, a former volleyball student-athlete at Rice University and graduate of Baylor's George W. Truett Theological Seminary.

UNIVERSITY ADMINISTRATION

MACK B. RHOADES, IV
VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of Preparing Champions for Life has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

Over his eight years in Waco, Baylor has won 24 Big 12 titles and eight national championships. Since 2011, Baylor leads the nation in combined wins among football, and men's and women's basketball, sporting 46 more wins than the next closest.

Leading into the 2024-25 season, Rhoades has been added to the 2024 College Football Playoff Selection Committee and is set to serve a three-year term. The committee will feature a few friendly faces for Rhoades, including former Baylor head coach Jim Grobe, the head coach at Missouri when Rhoades was the AD, Gary Pinkel, and the former Deputy AD under Rhoades at Houston, Hunter Yurachek, now the AD at Arkansas.

The 2023-24 season saw Coach Fee Mulkey's Acrobatics & Tumbling team win its ninth-consecutive national championships. Softball won the NCAA Lafayette Regional and advanced to a Super Regional, men's tennis advanced to a 26th straight NCAA Tournament and the women's tennis team earned its 25th all-time NCAA appearance, and Volleyball advanced to its eighth straight NCAA Tournament.

Most notably, the 2023-24 athletic season marked the opening of the Paul & Alejandra Foster Pavilion, a \$212.6 million dollar jewel of Waco's revitalization of the Brazos River Front. The Baylor men's and women's basketball team played conference schedules at The Foster and moved into the Allison Development Center in July.

Baylor's student-athletes continued to shine academically and in the community, with a 3.32 departmental GPA marking a tie for the best academic year on record and 13 programs boasted a 3.2+ GPA. Baylor athletes participated in 138 character formation programs and events and 35 student-athletes graduated from the leadership institute.

Rhoades led a team in the Baylor Bear Foundation in 2023-24 that once again shattered departmental records, reporting \$25.6 million in total giving during the fiscal year.

In 2022-23, Baylor saw its Acrobatics & Tumbling team secure an eighth-straight national championship, while running its streak to 27 straight wins. New head coaches Mitch Thompson (baseball) and Michelle Lenard (soccer) debuted, all while the Bears found continued success in competition. Football advanced to a bowl game for the 11th time in 13 years, softball earned a 40-win season, men's and women's golf advanced to the NCAA Championship, men's tennis earned its 25th straight NCAA Tournament bid and women's tennis advanced to its 24th NCAA tournament appearance. Volleyball earned its seventh-straight NCAA Tournament appearance and advanced to the Sweet 16.

Off the field of competition, the Bears excelled again in 2022-23, earning a 3.28 departmental GPA with 11 teams sporting a combined GPA of over 3.2. The spring marked the 30th consecutive semester with a departmental wide GPA of at least 3.0 and over the fall and spring 535 student-athletes earned Academic Champion status, which equates to graduates, student-athletes with a 3.5 GPA or a personal best GPA. The Bears also boasted over 183 events through its Character Formation program, with 440 student-athletes participating in community volunteer activities, equaling to an economic impact of \$117,217. There were two mission trips, including 30 student-athletes and nine sports, and the Bears saw continued growth in iDisciple, chapel and team ministry programs.

The Baylor Bear Foundation had a banner year in 2022-23 under Rhoades, with the foundation exceeding budgeted goals in raising \$25.1 million in total gifts, the best annual giving campaign in school history, while raising an additional \$56 million beyond its annual fund contributions during the 2022-23 fiscal year.

Rhoades has been instrumental in securing the largest current gift in Baylor history, a \$100-million gift that will help to fund the new Paul and Alejandra Foster Basketball Pavilion. In addition to the state-of-the-art Foster Pavilion, set to open in January of 2024, Rhoades has also spearheaded the Fudge Development Center, a \$75-million facility that will house the daily operations of the football program and will open in the summer of 2024.

During 2021-22, Baylor had one of the best athletic seasons in collegiate history, earning Big 12 Championships in football, and men's and women's basketball, the only school in the 26-year history of the league to accomplish that feat. The Bears boasted a 74-8 record in football and men's and women's basketball, the best in the country. Football won the 2021 Sugar Bowl, while earning a No. 4 national ranking at the end of the season. Acrobatics & Tumbling claimed its seventh-straight NCAA Championship and men's tennis claimed the Big 12 Tournament title. A total of nine teams earned top-10 national rankings. The Bears were the only school in the nation to have multiple NFL, NBA and WNBA draft picks.

Off the field in 2021-22, the Bears had a 94-percent graduation success rate (GSR), the highest in the Big 12 Conference in the last eight years. BU had a combined 3.32 GPA across all sports and 10 of 17 sports owned at least a 3.3 GPA for the season. There were 163 events sponsored by Character Formation, with Spiritual Growth and the Baylor Built program excelling in its impact on BU student-athletes. BBF raised \$21.9 million in total giving during the fiscal year, a then-school record, while adding an additional \$33 million beyond annual fund contributions.

For the second-consecutive full term (not including the COVID-shortened 2019-20 campaign), the Bears brought home multiple national championships. After acrobatics & tumbling won its fifth-straight title and women's basketball clinched their third national championship in 2019, A&T extended to six straight in 2020-21 and men's basketball claimed its first in program history.

In June 2021, Rhoades was selected as Sports Business Journal's 2021 Athletics Director of the Year, marking the second Athletics Director of the Year honor earned by Rhoades in as many years. He was chosen as 2019-20 NACDA Under Armour Athletics Director of the Year in March 2020.

The 2020-21 academic year, despite the ongoing COVID-19 pandemic, brought success for Baylor Athletics as the department combined to bring 20 trophies home to Waco. Men's basketball won its first Big 12 regular-season title and clinched its first conference title since 1950 en route to winning every NCAA tournament game by an average of 15.3 points to claim its first-ever national championship.

The women's basketball program brought home its 11th-straight, and 12th overall, Big 12 regular season championship in addition to their 11th Big 12 Championship title, marking the 10th time Baylor swept the regular-season and tournament titles. The women's basketball team advanced to the program's 10th Elite Eight, marking the sixth time in the last seven seasons the Bears have been one of the final eight squads standing.

Baylor had 16 of 19 teams reach the postseason in 2020-21. Acrobatics & Tumbling brought home its sixth-straight national championship, and men's tennis advanced to the program's third national championship match and first since 2005. Equestrian upset top-ranked Auburn in the NCEA Championship and Track & Field had three individual national champions at the same NCAA meet (NCAA Indoor Championships) for the first time in program history.

Overall, Baylor's 11 head-to-head sports compiled a 208-86-3 record (.705 winning percentage) during the 2020-21 academic year as 10 of Baylor's 17 teams finished the term ranked, including six in the top 10. Baylor Athletics also brought home six Big 12 titles.

In the midst of the coronavirus pandemic, thanks in large part to the direction of Baylor's health & wellness staff, the Bears completed 93.3 percent of their scheduled contests.

Academically, Baylor set a school record with an overall score of 94 in Graduation Success Rate (GSR) that led the Big 12 for the seventh-straight year and was tops in the state of Texas in addition to ranking 10th nationally among Power Five schools. The Bears have had a 3.0 GPA or better term GPA for 26-straight semesters.

Rhoades also oversaw the Baylor Bear Foundation as it reported more than \$19.5 million in annual giving to Baylor Athletics in 2020, tied for the second-highest giving total in the foundation's 70-plus year history.

The 2018-19 academic year brought several strategic initiatives to the forefront of athletics beginning with December's unveiling of the "Baylor Built" character formation program. The holistic program encompasses character and leadership development, personal skills, social responsibility, community engagement and spiritual growth.

Rhoades, in a collective effort with a team assembled by Jovan Overshown, Senior Associate Athletics Director for External Affairs, launched – in association with NIKE – the "Baylor United" brand and visual identity for the department in April of 2019. The process produced a unified color palette, updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university's \$1.1 billion "Give Light" campaign, Rhoades announced the department would build a new \$105 million basketball fieldhouse following the largest current gift in the university's history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department's national championship-winning basketball programs.

Rhoades has led national searches for eight head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men's Tennis) in 2018, Dave Aranda (Football) in 2020, Nicki Collen (Women's Basketball) in 2021, Michelle Lenard (Soccer) in 2022 and Mitch Thompson (Baseball) in 2022. He also promoted Michael Woodson to head coach during the men's tennis team's postseason run to a national runner-up finish.

than 5,500 hours throughout the Waco community in the last three academic years. The football, men's and women's basketball teams each adopted local elementary schools during the school term where student-athletes would read to classes either virtually or in person.

While mission trips were put on hold for the 2020-21 term due to the pandemic, more than 100 student-athletes participated in spiritual growth opportunities on campus. Previously, Baylor's Sports Ministry Team traveled to share the love of Christ internationally for 12 consecutive years.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAA First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly \$100M and constructed \$160M in new facilities during his tenure, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short-game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades' tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet--as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters -- Nicolette (husband Christian Santillán), Natalie (husband, Andrew Charbine and children, Gerard and Gianna) and Noelle (husband, Mason Schlotzhauer).

HEAD COACH GLENN MOORE

GLENN MOORE

HEAD COACH • 25TH SEASON AT BAYLOR
NORTHWESTERN STATE, 1993

Glenn Moore is in his 25th season as head coach at Baylor and his 28th full season as a collegiate softball head coach. Moore, who was selected to guide the Bears' program in June 2000, begins the 2025 season with a career record of 1053-508, including an 914-466 record at Baylor. His teams have had a winning record in all but one season of his Division I coaching career and he is Baylor Athletics' active all-time wins leader across all sports. He has progressed up the active NCAA coaching ranks, now ranking No. 17 in total victories among active Division I head coaches.

During Moore's tenure, the Bears have received 17 CoSIDA Academic All-America honors, 15 National Fastpitch Coaches Association All-America Honors and 79 NFCA All-Region honors. In addition, Baylor players have earned 96 all-conference selections during his tenure, while numerous Bears have earned academic all-conference honors.

In 2024, Moore led the Bears their first Super Regional appearance since 2017 and a 36-23 overall record. BU finished fourth in the Big 12, slated to go to the Lafayette Regional as the No. 2 seed. Moore's team took down Regional host Louisiana-Lafayette to gain a trip to the Gainesville Super Regional to face the No. 4 overall seed. The Bears took the Gators down in game two to force a game three but fell short of making their seventh Women's College World Series appearance. Moore coached first-baseman Shaylon Govan to another All-American season, as she picked up unanimous NFCA first-team All-American honors, as she finished with a .444 batting average and a nation-leading .579 on base percentage.

In 2023, Moore led the Bears to their first 40-win season since 2017, including six wins over top-5 ranked programs. Those top-5 wins included a win over top-ranked Oklahoma, handing the national champions their only loss of the season, two wins over No. 4 Tennessee in Knoxville and a three-game sweep over No. 5 Texas. The Bears made it back to the NCAA postseason, making an appearance in the Salt Lake City Regional, picking up a win over Southern Illinois before falling to Ole Miss. The Bears finished the season ranked No. 22 in the final season rankings. Shaylon Govan was named the 14th All-American in Baylor history for her work in the 2023 season, in which she .369 with 11 home runs, nine doubles and 54 RBIs.

In 2022, Moore led the Bears to 32-win season and a postseason National Invitational Softball Championship. With the young squad, Baylor handed then No. 14 Texas their worst loss in program history, defeating the Longhorns 17-3 in Austin.

In 2021, Moore reached 800 wins at Baylor as he led the Bears back to the postseason at the Gainesville Regional.

In a shortened 2020 season due to the COVID-19 pandemic, Moore reached the 900-win milestone when the Bears topped Grand Canyon, 10-2 (5), in Waco. Baylor finished that season with a 19-5 record, surpassing its win total from the year prior.

In 2018, the Bears saw another historic output, both in the circle and at the plate. Senior outfielder Jessie Scroggins shattered the program's single-season batting average record, posting a .461 performance at the plate. Scroggins would go on to earn an NFCA All-America first team selection and was drafted No. 15 overall in the National Pro Fastpitch Collegiate Draft by the Chicago Bandits. She did not skip a beat at the next level, named the 2018 NPF Rookie of the Year.

For the third-straight season, Kyla Walker topped the previous year's record, finishing with a .433 average. Shelby Friundenberg capped off her Baylor career as the program's all-time record holder in home runs (49) and RBIs (194). Gia Rodoni finished the season with 268 strikeouts, the fifth-most in a single season in program history, and a 23-12 record.

After advancing to the Big 12 Softball Championship title for the first time in program history, the Bears would extend their program record with an eighth-straight appearance in the NCAA tournament, falling in the College Station Regional final to end the season with a 38-18 record, including a 12-6 Big 12 mark, good for second in the conference.

In 2017, the team fought its way through to the program's fourth Women's College World Series, going 48-15 overall with a 13-5 record in Big 12 play. BU's 27-2 (.931) record at Gettysman Stadium was the best-ever home win percentage for the Bears.

For the second-straight season, multiple hitting records fell, with the team setting a new high-mark for the program (.321), while Lindsey Cargill (.430) and Kyla Walker (.418) posted the first- and second-highest single-season batting averages by a Bear.

Additionally, Cargill closed out her time at Baylor as the program's career hits leader (253) and was rewarded by being named the program's ninth All-American with the 12th total selection. She excelled in the classroom as well, becoming the third Bear to earn both NFCA All-America and CoSIDA Academic All-America recognition in the same season.

Among a number of other accolades, the Bears stacked up six All-Big 12 selections, six NFCA All-Region honors, three Big 12 All-Freshman awards, six Academic All-Big 12 selections, and the Big 12 Defensive Player of the Year. Jessie Scroggins became the first Bear to

HEAD COACH GLENN MOORE

take home the conference's top defensive honors and the first outfielder selected in the award's history.

In 2016, the team extended its program record with six-straight NCAA Tournament berths, ending its season in the Eugene Regional final. The Bears finished the year with a 45-14 record, including a 13-4 record in Big 12 play, finishing second in the conference.

Led by what was then the most consistently successful senior class in program history, the four-member class of Heather Stearns, Linsey Hays, Sarah Smith, and Robin Landrith was the first to maintain a .700+ winning percentage over all four seasons of their time at Baylor.

Hays set new program records in both career and single-season doubles, while finishing alongside Smith in the Top 10 of nearly every offensive category in the Baylor record books.

Stearns closed a dominant career in the circle, finishing with her name in all 19 of the career pitching records at Baylor.

Freshman Kyla Walker set a new program record for single-season batting average, drilling out a .415 mark to top the previous record of .413 set by her older sister, Kayce, and former All-American, Ashley Monceaux.

In 2015, led by Stearns, Baylor finished the season 41-17, topping 40 wins for the third-consecutive season, another program first. Stearns led the Big 12 in strikeouts, marking the third overall and second-consecutive season a Baylor pitcher led the league.

Marked by the emergence of freshman phenom Shelby Friudenberg, the Bears saw multiple season and single-game records fall. Friudenberg became just the second freshman in BU history to earn NFCA All-America honors, shattering the program's freshman home run record with 18 (Brette Reagan, 12).

Moore led the Bears to their third Women's College World Series appearance in 2014 in record-breaking fashion. Baylor posted a 49-16 record, reached the WCWS semifinals for the second time, and tied for the second-best ranking in program history at No. 4 to close the season.

Whitney Canion became the first, first team All-American in BU history under Moore's watch in 2014. She was a first team selection by the NFCA capping an illustrious six-season career, leaving with virtually every pitching record in the Bears' record book. The nod earned her second All-America honor overall as she paced BU to Oklahoma City with a 31-12 record.

During its 2014 WCWS run, Baylor accomplished the largest comeback in WCWS history by erasing a 7-0 deficit through five innings to eventually beat Kentucky 8-7 in eight innings and avoid elimination. The win propelled the team to its second semifinals berth before the Bears fell to eventual national champion Florida, 6-3, to end the postseason run.

Moore picked up his 700th career victory May 17, 2014, in the NCAA Waco Regional with Baylor's 2-1 win over Tulsa at Gettman Stadium. The 2013 squad posted the sixth-highest win total in program history with 42, and three players earned NFCA All-Region honors on the way to Baylor's eighth NCAA Regional appearance under Moore.

Despite the loss of two opening day starters, including All-American pitcher Canion, Moore led the 2012 Baylor squad to its seventh NCAA Regional appearance in the last nine years and 10th of his coaching career. The Bears picked up crucial wins throughout the season, including wins over national runner-up Oklahoma and then-No. 5 Texas.

Moore guided Baylor to its best finish in program history, tying for third, after advancing to the semifinals of the 2011 Women's College World Series and a No. 4 final ranking. En route to the WCWS, the Bears captured their fourth Regional and second Super Regional titles, all occurring on the road. The 47-15 record included a program-best 14-game winning streak to start the year, marking his sixth 40-win season with BU. For the third time, Moore and his staff were named NFCA Division I Central Region Coaching Staff of the Year.

For the third time in program history, Baylor had two players named to the All-American squad, as Canion (second team) and Dani Leal (third team) each earned their first career honors in 2011. Additionally, the Bears had five players earn All-Big 12 honors and three All-Region picks.

Moore's emphasis on the classroom continued to be a staple, as BU placed a league-high eight student-athletes on the 2011 Academic All-Big 12 Conference first team and three more garnered CoSIDA Academic All-District.

Moore showed his knack for big-game coaching in 2010, defeating eventual national champion UCLA 7-5 on Feb. 27. The Bears also set a Big 12 Championship record with 15 runs in a 15-4 (5) win over Iowa State on May 15 in the event's opening round. His team was successful off the field as well, leading the conference in academic honors and adding two more Academic All-Americans (Tiffany and Nicole Wesley).

In 2009, Moore guided the Bears to their fifth 40-win season, third Regional title and third Super Regional, finishing 40-22 overall and 15th in the final poll. Moore collected his 500th win on April 22, 2009, with a 3-2 victory over No. 23 Texas, and for his efforts, he and his staff earned NFCA Central Regional Coaching Staff of the Year honors for the second time in three years. Moore helped guide five players to All-Big 12 seasons, including freshman Canion's campaign that saw her win both Freshman and Pitcher of the Year for the first time in Baylor history. The Bears were stellar in the classroom as well, with two players earning ESPN The Magazine Academic All-America honors.

The 2007 season was one for the ages, as Moore led Baylor to its fourth straight NCAA Tournament appearance and its first Women's College World Series berth. The Bears finished 51-16, tying the school record for wins, and ended the season ranked fifth nationally, their highest ranking in school history to that point. Moore also helped guide Baylor to the program's first Big 12 Conference regular season title after collecting 14 league wins, the most in BU history. During the 2007 season, Moore collected his 400th career win on Feb. 17 with a victory

over Iowa State, and also won his 300th game at Baylor on May 20 with a victory over Albany. Moore and his staff were recognized as the NFCA Division I Midwest Region Coaching Staff of the Year.

Power hitting and blazing speed were once again on display, as the 2007 Bears led the Big 12 with 142 stolen bases and finished second in the league with 62 home runs. For the second straight season a player broke the school single-season home run mark, as Ashley Monceaux blasted 20 home runs. Monceaux also broke the single-season records in batting average, hits, doubles, RBI, slugging and on-base percentage, while Tiffany Wesley tied a new season record with 36 stolen bases.

The 2007 Bears collected numerous postseason awards, as Monceaux and Brette Reagan were named NFCA All-Americans, the second-straight season that Baylor landed at least two players on the NFCA All-America squad. It was also the second-consecutive year that a Baylor player (Kirsten Shortridge) took home the Big 12 Conference Freshman of the Year award. In all, a school record six players earned 2007 All-Big 12 honors.

Baylor continued its excellence in the classroom, with five Bears earning Academic All-Big 12 accolades, while two players were named ESPN The Magazine All-District selections.

In 2006, Moore became the first coach to lead Baylor to three consecutive NCAA Tournament as the Bears finished 38-22 on the season and advanced to the NCAA Corvallis Regional final. Along the way, Baylor climbed as high as No. 10 in the national rankings and finished the season No. 20 in the polls.

The Bears stepped it up during the 2006 Big 12 Conference campaign under Moore as Baylor finished the season with a record of 12-6 in conference play, good for a third-place finish.

Hitting the long ball was the theme for Moore's 2006 team as Baylor led the Big 12 Conference and established a new school record with 68 home runs on the season. The Bears had four players hit at least 12 home runs as Chelsi Lake led the team with 18 during the 2006 campaign.

Under Moore, several players received national recognition for their play during the 2006 season. For the first time in school history, Baylor landed at least two players on the NFCA All-America squad. Brette Reagan picked up second team honors while Lake was a third team All-America selection. Reagan became the first player in school history to earn Big 12 Conference Freshman of the Year in a vote of league coaches.

In all, six players landed on the 2006 All-Big 12 Conference squad, while five players found their way onto the NFCA All-Midwest Region team.

The 2006 squad excelled in the classroom as well, as six players landed on the academic All-Big 12 Conference team with Lake and Kelly Osburn earning first-team ESPN The Magazine Academic All-District VI honors. Osburn became the fourth softball player in program history to be named to the ESPN The Magazine Academic All-America team. The softball squad finished the year with a 3.4 GPA, the nation's ninth-highest mark according to a list released by the NFCA.

Moore took the Baylor softball program to new heights in 2005. Baylor established a new school record at the time with 51 wins as the Bears claimed the school's first regional title, capturing the NCAA Auburn Regional crown and advancing to an NCAA Super Regional for the first time.

The program reached the highest ranking in school history to that point, climbing to No. 7 during the season. Under Moore's guidance, the 2005 Bears shattered nearly every team record, setting new marks in 15 hitting categories, including average (.318), runs (384), home runs (57), slugging percentage (.502) and on-base percentage (.380).

While the team excelled in 2005, a number of players earned significant individual accolades. For only the second time in school history, a Baylor player earned NFCA All-America honors as Harmony Schwethelm was selected to the squad following an outstanding season.

In addition to Schwethelm, Lake was named a finalist for ASA Softball National Player of the Year, while Tessa Lynam earned USA Softball National Player of the Week honors following her performance at the Crowne Plaza Classic. In all, four Baylor players were named NFCA All-Midwest Region, while five earned all-conference nods.

The Bears excelled in the classroom in 2005 as well as Kim Wilmoth became only the fourth student-athlete in Baylor history to be selected CoSIDA Academic All-America for three-consecutive seasons. Four Baylor players earned CoSIDA Academic All-District VI honors, while seven were selected to the academic all-conference squad as the Bears posted one of the nation's highest team GPAs.

Prior to the historic 2005 campaign, the 2004 Baylor softball season saw Moore guide the Bears to unprecedented success. For the first time in the program's history, Baylor was selected to participate in the NCAA Tournament and the Bears' home field, Gettman Stadium, was selected as one of eight NCAA host sites.

Moore's 2004 Bears established then-school records for wins (48), conference victories (11) and winning percentage (.814). In addition, Moore helped the Bears climb to their then-highest national ranking in school history, finishing the season ranked No. 19.

At one point during the season, Baylor won 27-of-28 games, including 14-straight. During the year, Baylor defeated seven teams ranked in the Top 25, including a series sweep of No. 9 Oklahoma, a team that advanced to the NCAA Women's College World Series.

The 2004 season also saw Baylor advance to the Big 12 Conference Championship semifinals for the first time ever. After finishing fourth in the conference during the regular season, tying Baylor's then-highest ever conference finish, the Bears advanced to the semifinals of the conference tournament before falling to Nebraska.

During Baylor's historic run at the conference tournament, the Bears helped Moore reach a

HEAD COACH GLENN MOORE

career milestone. Rallying to defeat rival Texas A&M, 2-1, in an elimination game, the Bears gave Moore his 300th career victory.

The 2004 season also saw numerous players receive recognition for their performances on the field. Baylor had four NFCA all-region selections, three all-conference selections, three all-conference tournament selections and two NCAA all-tournament selections.

Three times throughout the season Baylor pitchers were named Big 12 Conference Pitcher of the Week, the most in school history. Finally, Cristin Vitek, a first team all-conference selection, was chosen as one of 40 finalists for USA Softball Player of the Year honors.

Baylor players also saw success off the field under Moore in 2004. Six Baylor players were selected first team academic all-conference, the most selections of any league school.

In 2003, Moore led Baylor to its third-straight 30-win season. The year ended with a strong showing at the Big 12 Tournament, as the Bears were the first team in the program's history to win two games at the tournament. Baylor established a then-school record 29 home runs in a season, as eight different players had at least one home run for the first time in school history. The Bears also broke the school record for stolen bases with a conference-best 119, which was, at the time, the second-highest total in the Big 12's existence. Baylor finished fifth nationally in stolen bases and ninth nationally in steals per game.

Moore led the Bears to the best season in the program's history in 2002. Baylor finished 46-18 overall and 10-8 in the Big 12 Conference. Along with setting numerous team and individual school records, the Bears posted then-program-best marks for wins, winning percentage, Big 12 wins and highest Big 12 finish (fourth).

Known for his history of building strong pitching staffs, Moore's pitchers put together a dominant season in 2002. Baylor finished sixth in team ERA and was the only school in the nation with three pitchers ranked in the Top 40 in individual ERA. Cristin Vitek ranked 11th (0.89), Joni Miller was 30th (1.05) and Katie Decker was 35th (1.08).

Prior to Moore's arrival, the lowest team ERA in school history was 2.01. Baylor more than cut that in half in 2002, posting a 0.99 staff ERA. Under Moore, Baylor pitchers have posted the top eight ERAs in school history.

Baylor opened its 2002 season at 23-2 and reached the 20-win and 30-win plateaus faster than any team in the nation. Baylor had four winning streaks of five or more games in 2002 and lost consecutive games just five times, three two-game skids and one of four games.

Moore led the Bears to a pair of victories over Top 10 teams during the 2002 season, both coming on the opponents' home field. The first was a 2-1, eight-inning victory at No. 10 Fresno State in early March. Three weeks later, Baylor knocked off fourth-ranked Nebraska 1-0 on Danelle Arnold's second-inning solo homer. The victory over Nebraska propelled the Bears into the NFCA/USA TODAY Coaches Top 25, where they stayed until falling to the ranks of those receiving votes at season's end.

In their first season under Moore, the Bears improved by 11 wins. Baylor finished sixth in the Big 12 Conference and reached as high as No. 19 in the NFCA Coaches Top 25.

Moore wasted no time in directing the Baylor program to national prominence. Baylor cracked the NFCA Top 25 for just the second time in the program's history during the sixth week of the 2001 season. The Bears have been ranked nationally during each of Moore's 18 seasons at Baylor.

After starting the season 1-3, Baylor won 18 of its next 19 games in 2001. The 19-4 start was the best beginning to a season in the program's history. The stretch, which, at the time, ranked as the best 23-game run in school history, was started by a pair of wins over No. 20 Oregon.

Although the Bears cooled off in March and April, they still finished the season with a 38-22 record, tying then-school records for wins and highest winning percentage. Along the way, Baylor posted its first ever win over Texas, split with No. 22 Texas A&M and posted a 15-6 record at Gettman Stadium. Baylor committed just 63 errors and had a team fielding percentage of .963 during the 2001 season, both then-school records. The Bears also posted then-school marks with 24 home runs, a .329 team on base percentage, 17 shutouts, and seven saves. Baylor dropped its team ERA from 3.17 in 2000 to 2.52 in 2001. The Bears also more than doubled their stolen base production in their first season under Moore, going from 40 in 2000 to 81 in 2001.

Baylor also had several impressive individual performances during Moore's first campaign in Waco. As a result, four Bears earned NFCA All-Midwest Region honors. Baylor also placed four players on the All-Big 12 teams, and, academically, Baylor had three first team and three second team Academic All-Big 12 selections and two CoSIDA Academic All-America honorees.

Prior to coming to Baylor, Moore spent two-plus seasons as head coach at LSU and four years total with the Tigers' program. Moore led LSU to the Southeastern Conference championship in 1999 and 2000. While at LSU, Moore amassed a 117-25 (.820) record.

Moore was named LSU's head coach prior to the 1998 NCAA Regionals, where he led the Tigers to a 2-2 mark. His first full season as head coach, 1999, saw the Tigers go 56-10 and win both the SEC regular season and tournament titles. LSU repeated its regular-season crown in 2000, going 59-13 and setting a school record for wins, while advancing to within a game of the Women's College World Series. The Tigers finished eighth nationally in hitting (.310) and ninth in pitching (1.11) in 2000. LSU appeared in three-straight NCAA Regionals under Moore.

Before his stint at LSU, Moore spent one season as the head coach at William Carey College in Hattiesburg, Miss. Moore was 22-17 that season and guided William Carey to a second-place finish in the Gulf South Conference.

Moore has plenty of experience with coaching and playing softball, as well as several other sports. He played for the world famous "The King and His Court" fastpitch softball team. He was a pitcher for the team that traveled the globe showcasing its talents. He also played in the Mississippi Men's Fastpitch and McComb (Miss.) Men's Fall Fastpitch Softball leagues for 12 years.

Moore's own athletic career saw him play both football and baseball at Southwest Mississippi Community College before playing tight end at Northwestern (La.) State, where he graduated in 1993. He was inducted into Southwest Mississippi Community College's Hall of Fame in the fall of 2000.

While enrolled at Northwestern State, Moore was a volunteer assistant softball coach for two seasons before becoming a full-time assistant in 1992. After coaching football, baseball and basketball at Amite School Center in his hometown of Liberty, Miss., he left to coach at William Carey, where he started the softball program.

Moore is married to the former Janice Miller of Campti, La., who also made her mark on the Northwestern State campus. She is a former Southland Conference high jump champion and school record holder in the sport. The couple has two children, daughter, Jacey, and son, Ty.

ASSOCIATE HEAD COACH BRITNI NEWMAN

BRITNI SNEED NEWMAN

ASSOCIATE HEAD COACH • 22ND SEASON AT BAYLOR
LSU, 2002

Britni Sneed Newman is in her 22nd season as Baylor's pitching coach. She joined the Baylor staff in 2004 after spending one season as a student assistant at LSU.

Newman has developed some of the most prolific pitchers in Baylor history, several of which have been among the nation's best.

Newman was inducted into the Louisiana Sports Hall of Fame in the class of 2022, for her three-time All-American honors and illustrious career pitching at LSU.

In 2024, Newman coached Aliyah Binford and RyLee Crandall to carry most of the pitchers workload that led the Bears back to Super Regionals for the first time since 2017. Newman helped Binford back from injury the year prior, plus coached Dariana Orme through recovery as she took the season off.

During the 2023 season, Newman helped develop the Bears pitchers including NFCA All-Region honoree Dariana Orme. On the arms of primarily Orme, West and Crandall, Baylor put together its first 40-win season since 2017 and made a trip back to the NCAA postseason.

In 2022, Newman helped continue to develop Aliyah Binford and made her mark on transfer pitch, Dariana Orme. As the Bears top two arms on the mound, Binford and Orme combined for 281.2 innings pitched with 287 strikeouts. She also developed freshman Kaci West, who pitched the first perfect game in Baylor softball history on March 1, 2022.

In 2021, Newman saw Gia Rodoni leave her mark all over the record book at BU as the sixth-year senior finished her career among the top 10 in program history in numerous categories. Newman also worked with Aliyah Binford who became Baylor's No. 2 in the circle as the season progressed. Both Bears earned weekly Big 12 nods.

In 2018, Newman continued to develop Rodoni into one of the top aces in the program's storied history of pitching excellence. In her junior campaign, Rodoni finished the season with 268 strikeouts, the fifth-most in a single season in program history, and a 23-12 record. The highlight of her year was her third-career NCAA tournament no-hitter, a masterful 6-0 outing vs. McNeese State in the NCAA College Station Regional.

In 2017, Newman worked one of her best coaching efforts to date, helping turn Kelsee Selman's career around from a non-contributor with control issues in the previous year to an unlikely ace, an All-Big 12 first team selection, and one of the top pitchers in the country. Selman finished the year with a 24-9 record and 1.86 ERA, closing out her senior season ranked second in the Big 12 in wins (24), strikeouts (200) and shutouts (5).

The magic continued into postseason with Newman calling two no-hitters for All-Big 12 second teamer Gia Rodoni in back-to-back outings. In her sophomore season, Rodoni managed to spin no-hitters against Kent State and James Madison, which entered the weekend with the nation's top offense by average.

Rodoni became the eighth player in NCAA history to pitch multiple no-hitters in a single NCAA Tournament, joining the likes of Monica Abbott, Cat Osterman and Lisa Fernandez.

In 2016, she helped coach senior ace Heather Stearns to the conclusion of her remarkable career at Baylor, while coaching up the next group of pitching talent for the program. Stearns topped the Big 12 in strikeouts in 2015, marking the second consecutive year that a BU pitcher led the league.

In 2014, she saw the book closed on the illustrious career of Whitney Canion who was a member of the BU softball program for six years due to two medical redshirts. Newman saw Canion leave BU with virtually every career pitching record available and helped guide Canion's last season where she tied her own single-season wins total in 2014 with 31, and witnessed her become the first, first-team All-American in program history.

In 2013, Baylor's pitching staff was third in the Big 12 in ERA at 2.76 under Newman's leadership. She saw Canion earn first team All-Big 12 honors and a second team All-Central Region selection by the NFCA.

After the loss of Canion just 14 games into the 2012 season, Newman mentored a pitching staff that finished 22nd in the country with a 1.91 ERA behind the effort of Liz Paul (1.93) and Courtney Repka (1.97). Her coaching in conference play guided the staff to finish fourth in ERA in conference games and earning a trip to the NCAA Lafayette Regional.

After winning the award three times as a student-athlete, Newman tutored her first All-American as a coach in 2011, as Canion earned second team honors. Under Newman's tutelage, Canion needed less than two seasons to become Baylor's all-time strikeouts leader, while also ranking in the Top 5 of nearly every pitching category. As a staff, the pitchers combined for a 1.52 ERA, third-lowest in program history. After helping take the Bears to their second trip to the WCWS, Newman was part of a staff that was named the 2011 NFCA Division I Central Region Coaching Staff of the Year for the third time.

In 2010, Newman lost Canion for the final two months of the season with an arm injury and tutored a staff of just one scholarship pitcher, true freshman Repka, who became the ninth player in school history to record at least 20 wins in a season.

Newman helped guide the freshman, Canion, to the greatest season in program history in

2009. Canion broke single-season records in innings pitched (291.1), strikeouts (415) and 10-plus strikeout games (10). Under Newman's tutelage, Canion became the first Baylor player to win Big 12 Freshman and Big 12 Pitcher of the Year. As part of a staff that led the Bears to a regional title, she was named to the 2009 NFCA Division I Central Region Coaching Staff of the Year.

Newman, who was a member of the Baylor staff that was recognized as the 2007 NFCA Division I Midwest Region Coaching Staff of the Year, orchestrated a pitching staff that helped lead the Bears to one of the greatest seasons in program history. Baylor finished with a 2.09 ERA as opponents hit just .216 against them.

Lisa Ferguson was the ace of Newman's staff, compiling a 26-8 record and a 1.99 ERA, while earning All-Big 12 honors. Under Newman's guidance, Ferguson became Baylor's career leader in appearances, wins, saves and left as one of only three players up to that point to record over 600 career strikeouts.

Facing the toughest schedule in school history, Baylor continued its success under Newman in 2006 as the Bears finished fourth in the Big 12 Conference with a .231 batting average against and a 2.46 ERA. Once again, the bullpen was a strength for the Bears as Baylor led the league with seven saves in 2006.

Ferguson led the way for Newman's staff during the 2006 season, as the junior hurler posted 20 wins on the season and earned All-Big 12 Conference and NFCA All-Midwest Region honors.

The success for the Baylor hurlers continued in 2005 as the pitching staff established a new school record for wins and helped Baylor claim its first regional title in school history. Once again, control was the focus of her pitching staff as Baylor led the Big 12 Conference in fewest walks per game with 1.45. In addition, Baylor led the league in saves for the second straight season, recording nine, as Tessa Lynam finished the year ranked 19th nationally with four saves.

Newman's first season (2004) at Baylor saw her guide the Bear pitchers to one of the most impressive seasons for a BU pitching staff in school history. Under her guidance, the Baylor pitchers established several school records on their way to qualifying for the NCAA Tournament for the first time in school history.

In 2004, her pitching staff earned numerous honors as Ferguson was named Big 12 Conference Pitcher of the Week following her no-hitter against Auburn, while Cristin Vitek was an all-conference selection as well as a finalist for USA Softball Player of the Year.

One of the greatest pitching performances in NCAA history came under Newman's guidance as Vitek established single-game NCAA, NCAA Tournament and Big 12 Conference records with 28 strikeouts against North Carolina to open the 2004 NCAA Softball Championships.

Prior to coaching, Newman was a three-time first team All-American, beginning her playing career at LSU under Moore. In those two years, she posted a 50-12 record in the circle with 482 strikeouts in just over 400 innings pitched.

In 2002, Newman was named NCAA Woman of the Year for the state of Louisiana. Twice during her career, she was a finalist for USA Softball Player of the Year.

Newman established LSU and Southeastern Conference single-season records for strikeouts in each of her final three seasons with the Tigers. She ranked second nationally in strikeouts per game as a senior, and her career strikeout total of 1,370 ranked second in NCAA history at the time she left the program.

Newman was named 2002 Southeastern Conference Pitcher of the Year after going 34-7 with a 0.75 ERA and 478 strikeouts in 281.0 innings. She earned Louisiana Player of the Year and SEC all-tournament honors twice.

For her career, Newman was 120-25 with an ERA of 0.89. She tossed 106 complete games with 55 shutouts and six no-hitters. Sneed allowed just 489 hits and 184 walks in 976.1 career innings pitched. On Oct. 29, 2008, Newman was elected to the LSU Athletics Hall of Fame.

A native of Houston, Texas, Newman was a high school All-American at Cypress-Fair High School and was inducted into the school's hall of fame. She holds SEC career records for wins, ERA, opponent batting average (.147), shutouts, strikeouts and strikeouts per seven innings (9.82).

The former Britni Sneed married Josh Newman and the couple has two sons, Bowen and Brooks.

ASSISTANT COACH STEVE "HOOT" JOHNNIGAN

STEVE "HOOT" JOHNNIGAN

ASSISTANT COACH • 5TH SEASON AT BAYLOR
TEXAS A&M, 1989

Steve "Hoot" Johnigan is in his fifth season as a coach with the Baylor softball program. Johnigan, who served as an assistant coach on Baylor's baseball team for 20 years, has spent the last five years as Associate Director of Athletic Facilities and Operations in addition to serving as the color analyst for Baylor baseball broadcasts.

Johnigan is no stranger to the softball program as he filled in as the hitting coach during the 2019 season when associate head coach Mark Lumley suffered a hip injury.

During the 2024 season, Johnigan continued to work primarily with the hitters and outfielders, cultivating them as one of the top offenses in the country. Johnigan helped Shaylon Govan to unanimous first-team All-American honors, while almost doubling the power hitting from the previous season.

During the 2023 season, Johnigan primarily worked as the hitting coach, where he helped first-baseman Shaylon Govan to be named the 14th All-American in school history. Govan hit .369 with 11 home runs, nine doubles and 54 RBIs. BU had three hitters hit above .300 on the season. He also helped the Bears to their first 40-win season since 2017 and a trip to the NCAA postseason.

In 2022, Johnigan continued as the hitting coach and helped lead transfer McKenzie Wilson to set a Baylor single-season record with a .530 on base percentage and helped her claim on of the top spots in the Big 12 as Baylor's leadoff hitter.

In the 2021 season, Johnigan served as the hitting coach and worked with the catchers. He helped Lou Gilbert lead the team and land as one of the tops in the Big 12 as Baylor's leadoff hitter. The third-year sophomore earned All-Region honors in addition to a second-team nod from the Big 12.

During his time with Baylor Baseball, Johnigan served as the primary hitting coach, coordinated the Bears' offense and baserunning and worked specifically with the infielders and catchers. Johnigan helped lead the Baylor offense to record seasons for runs scored and stolen bases in 1999 in addition to establishing BU as one of the nation's leaders in development of catchers.

Before coming to Baylor, Johnigan spent four seasons at Mississippi State, where his primary responsibilities were coaching catchers, outfielders and hitters. In addition to his on-field duties, he also coordinated travel and umpire assignments.

As a student assistant coach in 1988 and 1989, Johnigan worked with then-graduate assistant and former Baylor Baseball head coach Steve Smith. While at A&M, Johnigan worked with the Aggie infielders, catchers and hitters. He received a master's degree in education from Mississippi State in 1991.

A walk-on catcher, Johnigan became a two-year starter (1984-85) at Texas A&M. His career batting average of .352 ranks among the best in Aggie history. In his junior season, Johnigan received the Wally Moon Award, given to the team's most improved player. Johnigan was the squad's captain in 1985 and was selected to the Southwest Conference all-tournament team that same year. For his efforts, he was awarded with the Marion Pugh Spirit Award for his "never say die" attitude.

After finishing his senior year at Texas A&M, Johnigan signed a professional baseball contract with the Cleveland Indians. He continued in the Cleveland organization through the 1987 season as both a player and assistant coach on two league-champion teams. Johnigan was catcher on the 1986 Midwest League championship team in Waterloo, Iowa. He also served as pitching coach for the 1989 Appalachian League champion Kinston Indians in Kinston, N.C.

A native of Bryan, Texas, Johnigan was a two-time all-district shortstop and pitcher at Bryan High School. He went on to Bee County Junior College in Beeville (1982-83), where he was team captain and all-conference catcher in 1983.

DIRECTOR OF OPERATIONS • 5TH SEASON AT BAYLOR
MCNEESE STATE (2013)

Dani Price returned to Baylor to serve as Director of Softball Operations in July 2021 and is in her fifth season with the Bears.

Price spent four seasons with the Baylor Softball program as she served as a manager in 2014 before stepping into the volunteer assistant role from 2015-17. During her time in Waco, the Lady Bears appeared in four NCAA Regional Tournaments and advanced to the Women's College World Series in 2014 and 2017.

Most recently, Price spent two seasons as an assistant coach for Georgia Southern where she worked with the pitching staff. In 2020, the Eagles sported the top ERA in the NCAA after the first two weeks of the season as the squad finished the shortened season with a 2.93 team ERA, the lowest for Georgia Southern in the Sun Belt era.

Prior to Georgia Southern, Price served as an assistant coach at her alma mater, McNeese State, where she worked with hitters and pitchers.

A four-year standout at McNeese State, Price played for the Cowgirls from 2008-12. She finished her career with eight home runs and 89 RBI. Price was named to the Southland Conference Commissioner's Honor Roll four times, was a 2010 All-Southland Conference honorable mention selection and was named to the 2010 Southland Conference All-Academic Team.

Price graduated with her Bachelor of Science degree in health and human performance in 2013 from McNeese State and received her Master of Divinity degree in 2017 from Truett Seminary at Baylor.

REMEMBERING MARK LUMLEY

In Memory Mark Lumley 1955-2020

Mark Lumley, who helped Baylor softball make 13 NCAA regionals and four trips to the Women's College World Series in 20 years as an assistant coach, died at 1:45 a.m. Sunday, Dec. 27, after his fourth bout with cancer.

The 65-year-old Lumley had his prostate removed in 2007, went through chemo treatments in 2015 when cancer was found in his lymph nodes and then had surgery in November 2018 for colorectal cancer. Back on the field coaching full-time during a 2020 season cut short by COVID-19, Lumley found out that cancer had spread to his vertebrae in March.

"That's when they found the cancer in the bone," said Stacey Lumley, Mark's wife of eight years. "Being in the bone, it's horrific. It's just overwhelming, because I hate to see him hurt like that."

Officially retiring from coaching on September 30, Lumley stayed on staff as assistant director of operations for the Lady Bear softball team.

"He was out here at times when he shouldn't have been here, when he should have been taking care of himself," said head coach Glenn Moore, who had Lumley by his side for the last 22 years, first at LSU and then the last 20 at Baylor. "That's who he is. He has always put others ahead of himself. I admire him for how he's been driven by doing that."

A native of Tucson, Ariz., Lumley graduated from the University of Arizona in 1985. As head softball coach at Flowing Wells High School, he led the team to a No. 5 national ranking by USA Today, earned Coach of the Year honors from the Arizona Coaches Association in 1998 and from the Daily Star-Tucson Citizen in 1993 and '97.

Well-respected in the Arizona softball circle, Lumley was inducted into the Flowing Wells High School Athletic Hall of Fame in 2014 with former Baylor All-American Ashley Monceaux.

Longtime University of Arizona coach Mike Candrea, whose team lost to the Lady Bears in the 2017 Super Regional in Tucson, said Lumley "is one of the finest human beings I have ever known."

In Lumley's two years as the hitting coach at LSU with Moore, the Tigers won back-to-back SEC championships and came within one win of reaching the World Series in 2000. That year, LSU finished eighth nationally in batting average (.310), 13th in slugging percentage (.430) and 20th in scoring (5.07 runs per game).

"He taught me so much about life," said Baylor associate head coach Britni Newman, an All-American pitcher at LSU. "He taught me so much about my faith, based on his actions and how he lived his life. And he was very talented as a coach. That's been his calling in life, and he definitely fulfilled it."

Following Moore to Baylor in 2000, Lumley's success elevated to an even higher level in 20 years with the Lady Bears, coaching multiple All-American hitters.

After winning the Big 12 championship and making it to the program's first World Series in 2007, Lumley, Moore and pitching coach Britni Sneed Newman were named the Division I Midwest Region Coaching Staff of the Year by the National Fastpitch Coaches Association.

The Lady Bears went back to the WCWS in Oklahoma City in 2011, 2014 and 2017, with Lumley helping Moore become Baylor's all-time winningest coach across all sports with a record of 775-377.

Moore said Lumley was "closer to me than my brothers, and I have a close relationship with them."

"He's just been by my side for so long now," Moore said. "I have to say, he's the best man I've ever met in my life. I've never seen someone so unselfish and giving and loyal. He just has a heart for people and, in particular, for the players we coach."

Mark is survived by his wife, Stacey, stepsons, Trey, Mason and D.J., and a Baylor Softball family that will forever cherish the memories they shared over the last 20 years.

GETTERMAN STADIUM

At the beginning of the 2000 softball season the Baylor Athletic Department named Baylor's new softball stadium after Ted and Sue Gettermann. Gettermann Stadium, the nation's premier collegiate softball stadium, recognizes the largest single donation ever to Baylor women's athletics.

The Gettermann's are lifelong residents of Waco and originally met as students at Baylor. Ted Gettermann was a former Waco mayor.

Gettermann Stadium features 430 chairback seats and 800 bleacher seats, most of which are covered. The stadium also boasts a state-of-the-art press box. The press box is fully air conditioned and carpeted, has two radio booths (one for home and one for visitors), a control room for public address and scoreboard, a VIP booth with theatre seating, a two-level press room and two restrooms. In addition, a concession area and novelty store are located on the lower level.

In 2002, the Baylor Softball and Tennis Clubhouse opened adjacent to Gettermann Stadium, featuring locker, team, training and equipment rooms, and office suites for the softball staff. In 2003, Gettermann Stadium became the nation's first collegiate softball facility to sport a video board. All of which makes Gettermann Stadium the nation's premier collegiate softball facility.

When President George W. Bush visited the Western White House during the summer months, members of his staff and Secret Service agents often used Gettermann Stadium for pick-up games.

"This is truly an amazing stadium, and it speaks to the advances in women's athletics," Bush said of Gettermann Stadium during a fall 2002 visit.

In the fall of 2010, the Gettermann Indoor Hitting Facility was finished. The state-of-the-art building is a 10,000 square foot, climate controlled indoor hitting/fielding facility located off the first base line. With a floor made entirely of New Turf, the Lady Bears can take a full infield with bases and pitching circle at regulation. In addition, a video system allows for swing-by-swing analysis that can be played on a full size video screen.

Prior to the 2015 season, Baylor turfed (Hellas) the halo and the baselines all the way to the outfield grass, which remained natural.

Prior to the 2019 season, Geo-Surfaces provided a complete install of world-class GeoGreen® Artificial Turf to the outfield grass, ensuring a safe and dependable playing

surface to help avoid weather delays and cancellations. Geo-Surfaces also installed state-of-the-art LED lighting, more than doubling the output and clarity for evening games under the lights.

Prior to the 2020 season, BU worked with Daktronics to install a new video board. The old scoreboard was replaced with LED panels that forms a board that measures 48 feet by 12 feet. Above the video board is metal work with letters that read Gettermann Stadium, similar to McLane Stadium.

In 2012, Baylor established program records for total home attendance (31,434) en route to a 26-8 mark on its home turf. Baylor had four top 20 crowds in 2013 including a then-school record 1,501 fans March 23 when Baylor played host to Texas.

In 2017, Baylor posted the best home winning percentage in program history, notching a 27-2 record, including a three-game sweep of the Waco Regional.

Gettermann Stadium has been host to numerous marquee events, including serving as host for games during the 2004, 2005, 2007, 2009, 2014 and 2017 NCAA Softball Championships.

* Min. 2.0 AB per game with 75 percent team game participation; for averages, must have played in more than one season.

** Bri Chambliss played only two games in the 2000 season. In accordance with the NCAA Statistics Bureau, an athlete must have at least 2.0 at bats per game her team plays during her career for all categories containing averages. Therefore, her career numbers for such categories reflect her statistics through the 1998 season and do not include statistics from the 2000 season.
