JESSALYN DEVENY '05

2013

Jessalyn Deveny was a member of the first Boston College class to appear in an NCAA Tournament in each of her four years. She finished her career with 1,496 points, tied for seventh on the all-time scorers list. A native of Westford, Massachusetts, Deveny suffered a season-ending injury her senior season but she managed to averaged 17.2 points and 5.2 rebounds in 17 games. As a junior, Deveny was named the Most Outstanding Player Performer in the Eagles first-ever Big East Tournament Championship. All-Big East first-team honoree as a junior, Deveny played in 102 games and started 79 for the Eagles. In her sophomore season, Deveny was the Big East's Most Improved Player and earned a spot on the All Big East second team. She graduated with a degree in human development in 2005 and went on to earn her master's degree from The Heights.

CATHY INGLESE - HEAD COACH

2014

Cathy Inglese remains the winningest coach in women's basketball history at Boston College. In 15 years, Inglese amassed a record of 273-179 and posted eight 20-win seasons. Among the highlights was the Big East championship in 2004. Inglese's fifth-seeded Eagles won four games in four nights at the Hartford Civic Center, including a 51-48 semifinal conquest of nemesis Connecticut. Inglese's teams advanced to seven NCAA Tournament bids, including three times to the Sweet 16. In 2005-06, the first year in the ACC, the Eagles qualified for the NAAs and defeated Notre Dame, then top-seeded Ohio State, to once again make the round of 16. Seven of her players have been inducted into the BC Hall of Fame, while eight players were either drafted or signed as a free agent in the WNBA and 11 competed professionally overseas. Inglese passed away in a tragically in July of 2019.

ALISSA MURPHY '00

2015

While at The Heights, Alissa Murphy Richardson helped the women's basketball program make history as she was on the first two teams that qualified for the NCAA Tournament. Murphy Richardson, a native of San Diego, California, led BC to its first NCAA Tournament victory in 1999 when she scored 22 points vs. Ohio State in 1999. A versatile player, Murphy Richardson played in 121 games, and is 11th on the all-time scoring list (1,361 points) and 14th in rebounds (585). She holds the program record for most points in an NCAA game when she scored 26 points vs. Nebraska in 2000. Murphy Richardson was the Big East Most Improved Player in 1999, followed by All-Big East third-team selection in 2000. She was a three-time Big East Academic All-Star.

CLARE DROESCH '05

2016

One of the most dynamic players in BC women's basketball history, Clare Droesch was one of two players in the program to appear in four consecutive NCAA Tournaments. She was also a member of the 2004 Big East Championship team, when the Eagles won four consecutive games, including a three-point semifinal win over host UConn and the final game vs. Rutgers on the way to the title. A member of the prestigious 1,000-point, 500-rebound club, Droesch is 12th in scoring with 1,136 points, fourth in three-pointers made with 158 and sixth in assists with 314. She played in 126 games and averaged 10.2 points and 4.3 rebounds. She was a Big East All-Rookie team selection and earned all-conference honors in her senior season. Droesch, who passed away after a long battle with cancer in 2018, was an assistant coach at her alma mater, Christ the King, and involved in numerous charitable causes, including fundraising for victims of Hurricane Sandy and W.I.S.H., a local group that assists neighbors in times of need.

DONLON SPECIAL ACHIEVEMENT AWARD

MARGO PLOTZKE - HEAD COACH

1999

In 1999, the Varsity Club established the Rev. William J. Donlon Special Achievement Award, to be bestowed from time to time on those individuals who have demonstrated unflinching dedication and have contributed the highest level of service to Boston College Athletics. In 2004, Margo Plotzke became the fifth recipient. Plotzke was the first full-time head coach of women's basketball at Boston College, serving The Heights for 13 years (1980-1993). During her time, she compiled a record of 177-178 and had winning seasons during eight of those 13 years.

More than records on the court, Plotzke touched the hearts of all her players and worked tirelessly to improve the status of the women's basketball program. BC women's basketball began competing in the Big East in 1982-83 and, despite not having a full complement of scholarships, put forth seven winning seasons. In addition, Plotzke worked to secure a sponsorship and created the first Boston College Nike Christmas Classic.

Plotzke's philosophy of giving back to the community was sent far-reaching to all of her players. She was proud to begin a relationship with the Campus School that would spawn a benefit game as well as a Thanksgiving Play Day that became a long-honored tradition with the women's basketball team.

The fifth overall recipient and first female recipient of the Donlon Award, Plotzke and her contributions to the Boston College women's basketball team and BC community will not long be forgotten.

RETIRED JERSEY

SARAH BEHN

2003

During the 2002-03 season, an important milestone in Boston College sports history was reached. For the first time, a jersey was retired and raised to the rafters of Conte Forum in honor of a BC women's basketball player. There was none more fitting to receive that honor than Sarah Behn, the all-time leading female scorer in Boston College and Big East basketball history.

Behn's mark in Massachusetts basketball history can be traced back to her days at Foxborough High School. She graduated from Foxborough High in 1989 after scoring an impressive 2,562 points. She continued her benchmark performances at BC where, in four years as an Eagle, she grabbed 682 rebounds, dished out 250 assists, shot 46 percent from the field and scored an amazing 2,523 points. In addition to points scored, Behn holds Boston College and Big East career records in field goals made with 867, field goals attempted with 1,859 and free throws made with 683.

Behn received numerous honors in her four-year playing career, including Kodak All-District and Honorable Mention All-America, Big East Rookie of the Year, and first-team All-Big East.

Behn became the 19th student-athlete in Boston College history to have his or her jersey retired and the first female basketball player. BC has retired seven football jerseys, three men's basketball jerseys and eight men's ice hockey jerseys for a total of 18. In addition, the school has retired three numbers (two football and one men's ice hockey). After graduating from BC, Behn played in a European pro league where she led the entire league in scoring, averaging 35 points per game in 1993. Since then, she has served as the head coach at North Attleboro High School, Framingham State and Franklin Pierce colleges, and in her current position as head coach at Franklin High School. Without doubt, Behn has influenced Massachusetts basketball at every level of the game. Setting a standard to which scorers of today aspire, Behn is a trend-setter in the game of women's basketball. Long after her collegiate career is over, she continues to set trends, becoming the first BC women's basketball player to have her jersey retired.

SILVIO O. CONTE FORUM

In October 1988, Boston College proudly opened one of the most innovative and technologically advanced athletic and convocation centers in the nation — the Silvio O. Conte Forum.

Conte Forum is the home to the women's basketball office suite, locker room, strength and conditioning, and sports medicine facilities. The forum includes a main arena that can accommodate 8,606 spectators for basketball and 7,884 for ice hockey. The facility also houses the 950-seat Power Gymnasium for basketball practices and Olympic-sport competitions; offices for the Athletics Association staff and coaches; film and conference areas; a state-of-the-art weight room and adjacent sports medicine facility for varsity athletes; locker and equipment rooms; indoor practice cages for the baseball and golf teams; function and meeting rooms; luxury boxes that overlook both the football stadium and the basketball/hockey arena and practice and storage rooms for the Boston College band.

Attached to Alumni Stadium, the university's football facility, Conte Forum rises to the equivalent of 11 stories above field level. The east side of the building also serves as an upper deck grandstand for the football field and includes a two-level football press box facility. The hockey press box is located on the south side of Conte Forum with a center-ice location, and houses the print, radio and television media.

Conte Forum is pre-wired for television broadcast of virtually any sport, lecture, musical or liturgical event. The lighting systems — both in the arena and Alumni Stadium — meet national network specifications. Since its opening in 1988, Conte Forum has undergone several updates to keep pace with the ever-evolving world of college athletics. High-definition Daktronics scoreboards have been installed on the east and west ends of Conte Forum, coupled with a complete overhaul of video control room to support the evolving landscape of live streaming on the ACC Network Extra and ESPN3.

The Boston College men's basketball team began its 1988-89 Big East Conference schedule on Dec. 7 on ESPN, the first nationally televised event from the forum. The building was formally dedicated prior to the nationally televised Boston College-Georgetown basketball game on Feb. 18, 1989.

The forum hosted its first concert (Elvis Costello) and the Rev. Jesse Jackson spoke to a crowd of more than 4,000 in April 1989. In May 1990, more than 5,000 people attended a Baccalaureate Mass, which was followed one week later by the Carroll School of Management graduation ceremony.

The hockey rink in the multi-purpose facility was dedicated in memory of longtime ice hockey coach John A. "Snooks" Kelley, who in 36 years at the Heights became the first collegiate coach in his sport to win more than 500 games. The auxiliary gymnasium was dedicated in memory of Frank Power, the longtime freshman and assistant varsity basketball coach. The function room in the forum, located on the third floor, was dedicated in memory of the Rev. Joseph Shea, S.J., who served as Boston College's longtime university representative to athletics.

The \$25-million Conte Forum was designed by the architectural firm of Sasaki Associates of Watertown, Mass. Construction, which began during the summer of 1986 and was completed in 1988, was by Richard White Sons of Auburndale, Mass.
