Editors Note: The records in this book are based on available archives.

2003-04 OUTLOOK

2003-04 Outlook

Get ready for some high-scoring men's basketball games at Bemidji State for the 2003-04 season. Last year's club set a season-best with 2,508 points and it's 86.5 points per game was the 12th-highest average in NCAA Division II.

The Beavers lose *All-Northern Sun Intercollegiate Conference First Team* honoree **Royce Bryan** and honorable mention selection **Stan Johnson** due to graduation, but welcome back the *2003-04 Street & Smith's Preseason Honorable Mention All-American* selection, senior forward **Charles Hanks**. Out of the total points, 55 percent (1,380 points) are wiped out with the players lost. So, one would ask why the offensive firepower is still going to be there this campaign.

"Last year's team had a lot of heart but limited talent," said head coach **Jeff Guiot**. "If this team has as much heart as last year, look out - good things should happen to us."

"We have more athletes this season than we have had in a long time at BSU. We are about as deep as we have ever have been. The hardest decision will be who is going to start - although that is a good problem to have."

After finishing 17-12 overall last year, 12-6 in the NSIC, the Beavers may have felt a bit of disappointment losing in the semifinal round of the NSIC Tournament. They took third-place after a bizarre finish. A freakish buzzer-beater was the difference in the overtime semifinal game to MSU-Moorhead, Mar. 8, 2003. There is a bit of "unfinished business" that the coaching staff and players feel they need to deal with in 2003-04.

"I thought last year, anything less than winning the league or tournament was going to be disappointing," said Guiot. "The way we lost and ended last season is still kind of fresh in a lot of player's minds."

"The one goal going into this year is to win it all and bring home an NSIC Championship to Bemidji."

The Players

Returning for the Beavers is preseason All-American **Charles Hanks** (Chicago, Ill.) at the forward position. Hanks is believed to be the first Bemidji State men's basketball player to receive such an honor. The two-time *All-NSIC First Team* selection and *2001-02 NSIC Newcomer of the Year* brings career averages of 17.5 points per game, 6.5 rebounds per game and a 52.8% shooting clip to the fray.

"Buster" Hanks holds the BSU single-game scoring high with 44 points against Winona State, Mar. 1, 2003 and has been in the top 30 in the league in points, rebounds, field goal percentage, blocks and steal in his two seasons at Bemidji State.

"Buster has put on some weight in the off season and gotten bigger and stronger," said Guiot. "He comes in and just does his job. He is very consistent."

"His greatest asset is that he doesn't force things: he is very team-oriented. We have more athletes around him this year to take some of the load away from him."

In the back court, senior **Adam Daley** (Des Moines, Iowa) and sophomore **Kenneth Pointer** (Chicago, Ill.) bring a year's worth of much-needed experience. Daley was first on the club last season with 73 three-pointers and a 46.5% clip from three-point range - that percentage was fourth in NCAA Division II. His 73 treys also set a school record and he is the club's second leading returning scorer at 10.3 ppg.

"Daley is obviously one of the better shooters in the league," said Guiot. "He will keep teams honest in guarding him and the perimeter. He has made a concentrated effort to contribute in other areas of the game."

Pointer appeared in 26 of the possible 29 games in 2002-03. He was second among the reserves in field goal percentage (.519) and fourth in scoring (4.5 ppg). Pointer saved his best for the end of the season, averaging 12.0 points in his final four games, including a career-best 20 points in the NSIC Tournament Quarterfinal win over Winona State (3/5/03).

"The best thing about Pointer is that he is a sophomore and has a year under his belt," said Guiot. "He finished last year very strong and has gotten bigger and stronger over the summer."

Another returner to keep an eye on is senior **Jamal Clements** (Parkhill, Colo.). Clements went for double-digit point totals in the last five contests as a junior with averages of 15.0 points and 5.2 rebounds during that stretch. He was first among the reserves in three-pointers (37), scoring (6.8 ppg) and second in assists (41) and rebounding (2.9 rpg).

"Clements sat out three seasons prior to his junior year here," said Guiot. "He realizes the only thing that will keep him off the court is his defense. But, we

"If this team has as much heart as last year, look out - good things should happen to us."

- head coach Jeff Guiot

need him on the court and if he plays defense like he is capable of doing, good things are going to happen for us."

A player that sat on the bench and redshirted last year is freshman **Marlon Walker**. Guiot likes his size and control around the low blocks.

"Walker was voted on by the team as team captain (shared with Hanks) and for a first-year player, that is pretty special," said Guiot. "It says a lot about how hard he has worked. He is a relentless warrior in rebounding and defense and has a real good work ethic."

Key newcomers to watch out for include junior forward **Ian Atkins** (Henderson, Nev.), junior guard **Shaw Bellmon** (Barnwell, S.C.), junior guard **James Roberson** (Chicago, Ill.) and freshman guard **Martez Young** (Killeen, Tex.).

Atkins, who was the Player of the Year his senior season in high school, and Young, who was a three-sport athlete at Killeen High, bring tremendous athleticism to the club.

"Atkins, at 6-7, is a long and athletic player that we haven't had in a while," said Guiot. "Young is the best athlete on the team, by far. He can jump, block shots, shoot. He high jumped 6-10 in high school."

Bellmon, who attended Dixie State last season, was a member of the all-defensive conference squad. Meanwhile, Roberson contributed averages of 11.5 points, 4.5 rebounds, 4.0 assists and 1.1 steals for Lincoln C.C. in 2001-02. Both players were members of their respective national tournament teams.

"Bellmon is a great defensive player and was known for that at Dixie State," said Guiot. "Johnson played in the toughest junior college conference in the country. Both players will add a lot to our team."

The Schedule

Bemidji State, which was the only club to sweep league champion Northern State last season in the NSIC, faces the prospect of dealing with four of the top seven regional programs while taking on one of the fiercest leagues in the country for the 2003-04 season. To make matters more difficult, 11 of the first 13 contests are on the road - nine of those being against .500+ teams, seven with 20 or more victories a year ago.

"We have a tough schedule," said Guiot. "In order to be the best, you have to play the best. We couldn't get people to play us here so we have gone with the motto, 'anytime, anyplace, anywhere.'"

"We are on the road against some traditionally strong teams. We are not going to dodge playing anyone."

St. Cloud State (second), South Dakota State (fourth), North Dakota (fifth) and South Dakota (seventh) are all on the docket and each was recognized in the final 2002-2003 North Central Region poll. On top of that, SDSU is fifth and USD eighth in the 2003-04 preseason national poll.

The Beavers will host the top two NSIC teams from a year ago (Northern State, Southwest State) in the first half of the league slate. That will be part of a season-long five game home stand. MSU-Moorhead, which ended BSU's run in the semifinals of the conference tournament, is in the mix there as well. Four of the final five regular season games are on the road as all the teams finished sixth-place or better.

"Obviously, there is much more parity in the league," said Guiot. "Now you have the top six teams and then you drop off. I think that Winona State, Northern State, Duluth, Southwest State and MSU-Moorhead will all be very good."

Preseason All-American Charles Hanks returns to a squad that has totaled 34 victories in two seasons and hosted a first-round league contest in 2002-03.

Entering his third season, head coach **Jeff Guiot**, who stands ninth on the BSU wins list (34), needs just eight more victories to move past Harry Fritz (42) into eighth place on the all-time coaching chart. Guiot has guided the Beavers into an incredible turnaround in his two years. After a 10-17 mark in 2000-01, Guiot came on board and led the 2001-02 team to its first ever conference tournament appearance, claiming a 17-11 mark.

Guiot guided that squad to its most conference wins in school history (13). In addition, the 17 overall wins was the most since the 1972-73 season (19) and the .607 winning percentage was

the best mark since the 1973-74 season (.667) - a streak of 28 seasons. The campaign ended with BSU seeded third in the conference tournament and hosting a playoff game for the first time in school history.

As an encore last season, Guiot equaled the wins (17) and, after hosting Winona State in the first round of the NSIC Tournament, engineered his team to its first tourney semifinal appearance ever. The 34 victories in the past two seasons is the most since the 1972 through 1974 campaigns.

Bemidji State honors under the tutelage of Guiot include the *Street & Smith's 2003-04 Preseason Honorable Mention All-American* and *2001-02 NSIC Newcomer of the Year* in **Charles Hanks** as he joined **Terrance Watkins** on the first-team squad two years ago. John Szwaja was recognized on the academic all-conference team in 2001-02 as well. **Royce Bryan** was honored on the *2002-03 All-NSIC First Team* while **Stan Johnson** was an honorable-mention selection and all-tournament member.

Last season, BSU led the country in three-pointers per game (11.7) and since 1987, finished with the sixth-highest season total (338) of treys in NCAA Division II. With topping the century mark seven times - a BSU record - Bemidji State was 12th in the country with 86.1 points per game. There were a total of 24 records broken by the Beavers, which included school, Northern Sun Intercollegiate Conference and NSIC Tournament marks. Bemidji State has hit from three-point range in 174 straight contests.

"Our style of play is pretty conducive to the kids playing hard on defense but also if you got the shot on offense, take the shot and don't look back. We want to dictate the tempo on both ends of the floor and be the aggressor."

The Chanute, Kan., product was previously the assistant coach at Southern Utah University in 2000-01. SUU enjoyed its best men's basketball season in history by winning the Mid-Continent Conference Championship and the Mid-Continent Conference Tournament title while earning the school's first-ever NCAA tournament bid.

Prior to joining the Southern Utah coaching staff in the fall of 2000, Guiot had served as the head coach at Neosho County Community College in Chanute, KS. In his seven years at Neosho, his teams compiled a 164-60 record, won four conference championships and made seven consecutive playoff appearances.

His records at NCCC include highest winning percentage (73 percent), most consecutive 20-win seasons (five), most wins at the school, and most post-season wins. Twice named Jayhawk Conference Coach of the Year, Guiot coached three All-Americans and six Academic All-Americans at the school, which was the 2000 NJCAA National Academic Team of the Year.

Coaching at the high school level, Guiot served as the head coach at Inman (KS) High School where he compiled a 48-18 record; an assistant at Chanute (KS) High School where the team was 20-4; and head coach at Schell City (MO) High School where his one-year record was 15-8.

In his 12 years as a head coach on college and high school levels, he never had a losing season. Guiot received both his bachelor's and master's degrees from Pittsburg (KS) State University, where he was an All-American and all-conference player who led the nation in free throw percentage in 1986.

On the high school level, he was a Converse All-American, a McDonald's All-American Honorable Mention pick, and the Most Valuable Player in the Kansas Basketball Classic while playing for Chanute High School.

Here is the inside look at Guiot:

→**Career Record:** 34-23 (.596) - Entering 3rd season

→**Career Record (including junior college):** 198-83 (.705) - Entering 10th season

BEMIDJI STATE MEN'S BASKETBALL

2003-04

COACHING STAFF & ROSTER

Assistant Coach Stan Johnson

On July 17, 2003, **Stan Johnson** became the first full-time assistant for the men's basketball program. Johnson brings sound first-hand knowledge of the game after a very successful Division I and II playing career. Johnson played three years at Southern Utah University before playing his final season at BSU.

Johnson might be best remembered in his Bemidji State career for his seven three-pointers in the Northern Sun Intercollegiate Conference semifinals. His tournament record for treys came in a crushing 79-78 overtime loss to MSU-Moorhead,

March 8, 2003. Johnson finished with a game-high 24 points with 21 of them coming in the final 20 minutes. The transfer from Division I member Southern Utah University received 2003 NSIC All-Tournament Team honors for that performance - the first Beaver to be recognized in that capacity.

The Salk Lake City, Utah native enjoyed a very successful season in 2002-03 - his only year as a Beaver. Johnson came out on fire in his debut against Valley City State (11/22/02) as he notched a game-high 23 points. An honoree on the 2002-03 All-NSIC Honorable Mention squad, Johnson set a career-best with 25 points on 8 of 16 shooting against Bethel (11/26/02). Overall, Johnson was first on the club in minutes per game (30.7) and total assists (114), second in total steals (46), three-point percentage (.425) and scoring (13.5) and third in three-pointers (54) and rebounding (3.2). The assists total placed him fifth in the school annals. His season was capped off with recognition All-NSIC Honorable Mention team.

"Coaching is something I have always envisioned myself doing, but I didn't think it would happen this soon," said Johnson. "Whenever coach Guiot gives you an opportunity like this, it would be dumb not to do it."

Johnson will be handling recruiting and scheduling duties in addition to overseeing academic progress of the student-athletes.

Johnson took over for Doug Peters, a seven-year veteran of the staff, who became the Executive Director of Athletic Fundraising the summer of 2003.

Graduate Assistant John Szwaja

Joining the club for his second season as a coach is **John Szwaja**. Szwaja played two seasons as a Beaver and was an academic all-conference selection as a senior as well as averaging 21.7 minutes/game, 7.4 points/game and 3.9 rebounds/game. He stayed healthy as he appeared in 54 of the possible 58 contests in his two years. Szwaja recorded a career-high 24 points against Minnesota-Crookston and grabbed 12 rebounds against UM-Morris in 2001-02.

Over the past three years, Szwaja has been an instructor at area basketball clinics and taught physical education courses at middle and high schools. He will continue his teaching various physical education courses at BSU this academic year.

Szwaja lettered in baseball and basketball at Maranatha Christian Academy as he graduated in 1998 prior to a two-year playing career at Bethany Lutheran College (MN). The St. Paul, Minn., native earned his bachelor of science degree from BSU in May, 2002 and is currently studying for his master's degree.

2002-03 Season Recap

Bemidji State finished 17-12 overall last year, 12-6 in the NSIC, and has totaled 34 victories in the past two seasons - the most since the 1972-74 seasons. With topping the century mark seven times - a BSU record - Bemidji State was 12th in the country with 86.1 points per game. After starting 4-7 in November and December, BSU finished the season 13-5 in January, February and March. There were a total of 24 records broken by the Beavers, which included school, Northern Sun Intercollegiate Conference and NSIC Tournament marks.

The Beavers enjoyed the long-range bomb and have been very successful at shooting it. The club led the country in three-pointers made per game (11.7) and since 1987, finished with the sixth-highest season total (338) of treys in NCAA Division II. Also, BSU liked to begin the game from behind the arc - it was 10-4 on the season when making its first field goal from long-range. Dating back to the 1996-97 season, the green and white has hit from three-point range in 174 straight contests. The Beavers finished 2002-03 with a 12-2 record when dishing out 20 or more assists and were 15-5 when connecting on 10+ treys.

Individually speaking, **Adam Daley** set a school record in season treys (73) while **Jeff Lorenson** shattered the season three-point field goal attempt mark with 160. In almost singlehandedly bringing BSU back from an early deficit, **Stan Johnson** connected on seven tri-fectas against MSU-Moorhead (3/8/03) in the NSIC Semifinal Game - he broke the old record of six three-pointers. **Charles Hanks**, who holds the single game scoring mark with 44 points against Winona State (3/1/03), and **Royce Bryan** were honored on the 2002-03 All-NSIC First Team while Johnson was an honorable-mention selection and all-tournament member.

BSU Gymnasium

The BSU Gymnasium, which seats 2,200, was originally constructed in 1959. Almost a year of work came to fruition as the physical education complex, the all-encompassing building that houses the BSU Gymnasium, was dedicated on January 4, 1960 by Minnesota Governor Orville Freeman in front of a packed crowd. This large building contains the gym, a swimming pool, classrooms and faculty offices.

The BSU Gymnasium hosts all Bemidji State University volleyball matches, men's and women's basketball games, as well as area high school playoff games. In addition, there are events ranging from concerts and recitals to faculty meetings and commencement ceremonies that take place there.

Locker-room facilities accommodate the BSU athletic teams, as well as a designated area for faculty, staff, students and recreation center members.

As Governor Freeman once said on that day of commencement, "the one million dollars that the new Bemidji State College gymnasium cost is not a debt, but an investment," so the 2002-03 academic year proves that it has more worth than that.

Not only does it house an array of activities, but perhaps more importantly it gives a distinct "home-court" advantage for the athletic squads that use it. BSU fans and boosters of all ages are regularly seen sporting the green and white colors in peculiar styles.

The BSU Gymnasium has been to the Beavers favor as they have gone 19-9 in the past two seasons. Currently, Bemidji State is riding a four-game winning streak going into 2003-04. This raucous crowd came on to cheer BSU in the 2001-02 final game against Winona State, Feb. 27, 2002. The Beavers won, 70-69 to advance to the NSIC Tournament for the first time in school history.

*School Record

Senior guard **Adam Daley** returns as the season record holder in season three-pointers (73), set last year. Daley, who shot 47 percent from three-point land, brings a 10.3 points per game average from 2002-03.

2003-04 BEMIDJI STATE MEN'S BASKETBALL

NORTHERN SUN INTERCOLLEGIATE CONFERENCE

Founded in 1932, the Northern Intercollegiate Conference (NIC) has enjoyed a varied existence in the upper Midwest region that it claims as home. In the spring of 1992 the **Northern Sun Intercollegiate Conference (NSIC)** was formed from the merger of the NIC - the men's conference, and the Northern Sun Conference (NSC), which was the women's conference. The NSC had existed since 1979. The NSIC is currently made up of institutions from Minnesota, Nebraska and South Dakota. In the 1999-2000 academic year, the NSIC became an expanded 10-team league from a previous seven-member conference. The conference will boast nine members in 2003-2004.

Since 1932, various institutions have competed in the NSIC. Bemidji State University, Minnesota State University Moorhead and Winona State University are all charter members and have remained in the conference for its 71 years of existence. The University of Minnesota-Duluth is also an original member, but left the conference for nearly 30 years, then rejoining in 1976. Other current members have joined in later years: Southwest Minnesota State University in 1969, Northern State University in 1978, Wayne State College (NE) in 1998, while Concordia University-Saint Paul and the University of Minnesota-Crookston became members in 1999. The University of Minnesota-Morris became a league member in 1966, however, the Cougars have opted for the NCAA Division III ranks, beginning in 2003-2004.

Before the NSIC became eligible for National Collegiate Athletic Association (NCAA) championship competition in 1995, its member institutions had an extremely rich tradition in the National Association of Intercollegiate Athletics (NAIA). The NIC's and NSC's tenure in the NAIA included several national championship teams and individuals as well as many national qualifiers.

This past year on the field of play, the University of Minnesota-Duluth displayed its athletic dominance en route to winning the 2002-2003 NSIC All-Sports Competition. The Bulldogs used top finishes (co or outright) in 12-of-14 NSIC sports to take first place in the final league standings. In women's sports, UMD was a perfect 8-for-8, taking home NSIC regular season or tournament championships in basketball, cross country, soccer, softball, tennis, indoor and outdoor track & field and volleyball. UMD men's athletic teams also fared extremely well, winning NSIC titles in cross country, football and men's indoor and outdoor track & field.

The 2003-2004 academic year will be another exciting one, as the NSIC and its member institutions will host several premier events. For example, each NSIC school will again compete at the NCC/NSIC Volleyball Challenge in early September. This event will be in Omaha, Neb. for the second year in a row. March Madness will be in full force for the fifth consecutive year as the NSIC men's and women's basketball tournament, which determines the league's automatic qualifiers for the NCAA tournament, will be at the beautiful Gangelhoff Center on the campus of Concordia University-Saint Paul. For the fifth year in a row, the conference will continue to market its member schools through radio and television productions.

The Northern Sun Showcase television program (32 shows in last four years) and the 2004 NSIC men's and women's basketball tournament championship games will all hit the airwaves again on Fox Sports Net. Also, the Northern Sun Spotlight radio show (over 80 shows the past four academic seasons) will air on several stations throughout the Midwest for another 20-week flight during 2003-2004 sports season.

Over the years, the NSIC has provided extremely competitive intercollegiate athletic programs for its members and features schools of modest size with fairly restricted athletic budgets. Although the programs are not designed to be equal to Division I athletics, many former NSIC athletes have distinguished themselves in national and international competition. Each member school emphasizes the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. As some affiliated with the conference have coined, the NSIC quite possibly is, "the most competitive conference in NCAA Division II."

Beaver Pride

Beaver Pride is an organization of volunteers dedicated to supporting athletics at Bemidji State University through a variety of activities. Beaver Pride raises funds and scholarship monies, and works to increase fan interest and support. We seek to build spirit and pride in a manner that encourages good sportsmanship and a wholesome game atmosphere.

Membership Benefits

At each level of support, every Beaver Pride member receives a season pass, newsletters, invitations to hospitality rooms, tailgate parties and monthly luncheons, and has the individual or business name printed on all game programs. Pride members at higher levels receive additional passes and other attractive benefits.

Bemidji State and its athletic programs are proud to be participating in the NCAA Division II, and the Northern Sun Intercollegiate Conference. The BSU ice hockey programs compete in the NCAA Division I with the women affiliated with the Western Collegiate Hockey Association and the men with College Hockey America.

Beaver athletic programs have embarked upon a new and challenging era. Our Beaver athletes are dedicated to being fully competitive at the Division I (hockey) and Division II levels. They need our help so that they can be winners in their sport while preparing for successful careers.

Beaver Pride is based on the tradition of Beaver athletics and recognizes that volunteer support is needed to assure competitive teams. It is a long-term campaign and commitment designed to bring together under one organization all fans of Bemidji State athletics. For information, please call (218) 755-4145 or email at beaverpride@bemidjistate.edu

*School Record

^2 Overtimes

The Beavers have hit for 100 points 50 times in their 83-year history. In this picture, BSU went over the century mark in the NSIC quarterfinal win against Winona State, March 5, 2003. It was the seventh time on the season, which was a school record.

Gameday Services

Game programs and game notes will be available to accredited members of the media prior to all home volleyball events. Final statistics include an official NCAA box score, game summary, individual and team statistics. Quotes from coaches and selected players will be available as well as telephone, copier and fax services when arranged with a member of the BSU Sports Information staff at 218-755-2763.

Credentials

For single-game credentials and parking passes, contact the BSU Sports Information Office no less than 24 hours before the scheduled time of the event. Credentials will be issued only to representatives of an accredited media outlet who will be working in an official capacity to cover a BSU athletic event. No credentials will be issued to friends, spouses, children, or other family members. Updated stats, notes, and player information can be obtained via the world-wide internet at:
<http://info.bemidjistate.edu/sports/index.html>

Interviews

All player interviews must be arranged through the BSU Sports Information Office. If you wish to reach head coach Jeff Guiot, he is available in the office at 218-755-2774 in the mornings during the week.

THE BEMIDJI COMMUNITY

The City of Bemidji

The Bemidji area is home to a population of more than 30,000 and includes the Leech Lake, White Earth, and Red Lake Indian Reservations, and Lake Itasca, the headwaters to the Mississippi River. The City of Bemidji provides a focus for educational, business, and medical services. Recreational and cultural activities reflect a multicultural heritage that includes American Indian, Scandinavian, European, and Canadian influences.

Bemidji is a "golden city" along the river's bank, only miles from where the mighty Mississippi River begins its 2,552 mile journey to New Orleans and the Gulf of Mexico, a city at the center of the legends of Paul Bunyan and Babe the Blue Ox.

Bemidji's natural beauty and bounty as a meeting or group tour destination is also enhanced with historic character. From world renowned statues and architecture listed on the National Register of Historic Places, to ancient earth mounds and burial grounds, the past takes an interesting turn in Bemidji.

Bemidji's waterfront is home to the world-famous statues of Paul Bunyan and Babe the Blue Ox listed in the National Register of Historic Places. Nearby is Bemidji's Tourist Information Center. In addition to Paul Bunyan memorabilia, The Bunyan House features the Fireplace of States built with stones from every state in the U.S. and Canadian provinces. To the north, you'll encounter Library Park and the statue of Bemidji's founding Chief Bemidji, as well as the Community Arts Center in the Carnegie Building, also on the National Register. At the south end of Lake Bemidji is Nymore Beach, site of the Crookston Lumber Co. The burning of the mill in 1924

marked the end of the county's logging era.

On the way into Bemidji, you may cross over the historic Mississippi River Bridge, built in 1916. This structure is listed on the National Register as one of the earliest examples of a steel-reinforced concrete bridge. At the southern end of Minnesota Avenue lies the Great Northern Depot, completed in 1913. On the Historic Register, the Depot is the last early 20th century railroad building left in its original condition.

The Commercial Building at 403 Third Street is a 1910 structure cited in the Architecture of Minnesota Guide as a successful prairie-style solution for a single-story building. Other examples of historic architecture include the Beltrami County Courthouse built in 1902. Across the street you'll find the 1917 Colonial Revival-style former Post Office.

Perhaps Bemidji's best-known historic district is the eight-block section of Lake Boulevard. Once known as Bemidji's "Gold Coast," among the many venerable domiciles to be viewed is the Dr. Johnson House built in 1910 with a showcase garden. The Bacon House was also built in 1910, later used for a Catholic convent. An unusual log structure, the Fisk House was reconstructed log-by-log at the present site. Judge Fisk enjoyed entertaining many distinguished guests, including writer F. Scott Fitzgerald. Further along you'll find Warfield House, the 1912 home of the man who built Bemidji's electric light plant. Two lady teachers resided at the 1930s Parker & Mangelsdorf House, also known for its large, informal gardens.

Birchmont Avenue displays two art deco classics built in 1937, one with a semicircular glass projection, is located at Bemidji State University, the only lakeshore campus in the state with architecture dating back to 1919.

Located about equal distance between Minneapolis/St. Paul to the south and Winnipeg, Canada to the north, Bemidji has easy access by air, motor carrier, and automobile to metropolitan services and international airports.
