BEAVERS IN THE NHL

Hockey tradition at Bemidji State University reaches beyond the scope of the collegiate ranks. In addition to supplying the U.S. National and Olympic Teams with several players over its 56-year existence, the BSU hockey program has produced seven players that have gone on to skate on hockey's grandest stage--the NHL. Not only that, Joel Otto, a 1984 member of the Beavers' 1984 NCAA Division II national Championship team, reached the pinnacle of professional hockey in 1988-89 when we had his name engraved on the Stanley Cup as a member of the World Champion Calgary Flames.

A first-round playoff sweep at University of Nebraska-Omaha to earn a berth in the Western Collegiate Hockey Association Red Baron Final Five, a quarterfinal victory versus eventual National Champion University of Minnesota Duluth in overtime, opening one of the finest hockey facilities in college hockey with following that ranked 17th in the country in attendance at more than 3,876 per home game, what can fans of the Bemidji State University hockey expect for an encore? Head coach Tom Serratore couldn't put his finger on a prediction, but was quick to point out the coaching staff and team are much more comfortable in their surroundings and look to build on the foundation set in 2010-11 as they prepare for 2011-12.

"Last year everything seemed rushed. We were practicing at the city rink. We didn't move into our building until early October then we had North Dakota right away. I felt early in the year we were on a little bit of a roller coaster because of it. Finally in the second half of the year, we felt more at ease and had more success. Now we are acclimated to the day-in-day-out grind of the WCHA and I think that helps.

"We are comfortable in the Sanford Center. It's been a smoother transition this year. Coaches can come into their own offices in the morning. The guys have their set up in the weight room and the locker room. We are really in a more balanced routine this year."

Success has become the routine of a BSU hockey program that is as rich in winning tradition as any in college hockey. Since its inception in 1947, BSU has found itself among the nation's finest. In 55 years of play, BSU has won 13 small college national titles, 21 conference championships and made itself a regular in postseason play.

"Anytime you have success, you draw back on it and you aim to duplicate it and build upon those successes the following year."

Success in a premier conference such as the WCHA is not something Serratore takes lightly. With four teams ranked among the top 10 in both major preseason polls and reigning national champion, the meat grinder that is the WCHA is evident every night.

"The WCHA is a very difficult schedule week in and week out. You have 28 league games so you have to be playing your best hockey all the time. In this league you can play very good hockey and lose any night."

With a WCHA season behind them, what is the key to proving yourself among the teams in the WCHA and gain a shot at postseason play? Simply put: Scoring.

"We need to find more offense. If you can't score three goals a game, you are putting pressure on yourself to win 2-1. That is very difficult to do. Last year we weren't able to come up with much scoring and survived, but every game was a nail-bitter.

Finding offense on a team that lost nearly 37 percent of its scoring and two-thirds of its top scoring line will be a challenge.

"You just don't replace Matt Read and Ian Lowe. There is no question that Matt Read is the best player we have had at the Division I level. So it is going to be very interesting to see who can pick up the slack."

FORWARDS

Jordan George put up 17 goals and 19 assists for a career-high 36 points to lead the Beavers in scoring as a sophomore and with the departure of linemates Read and Lowe, the junior will be looked at even more to shoulder the scoring load 2011-12.

"There is no question. Jordan George is going to

CAPTAINS

junior	senior	junior
Ben	Brad	Jake
KINNE	HUNT	ARESHENKO

The 2011-12 Bemidji State men's hockey team will be captained by the trio of Ben Kinne, Brad Hunt and Jake Areshenko. While Kinne has been tabbed to wear the "C," Hunt and Areshenko will serve as alternate captains.

"These three players are well-deserving of this honor. They do the right things on and off the ice," said BSU head coach Tom Serratore. "They are coachable, they have great practice habits, they compete hard and they are great students."

"We are fortunate to have them in position to lead our team this year."

Although the three are veterans of the Beaver Hockey program and have proven themselves as leaders, each will be in his first season in the official capacity of a captain.

"This is a tremendous honor for me. After not playing last year, to have the guys in that locker room select me as a captain is special," said Kinne. "I am ready for the season to start and am excited to have the opportunity to lead the team with Brad and Jake."

The trio have not only proven themselves as role models by their performances on the ice, they have also been recognized for their hard work and dedication in off-the-ice training as well as in the classroom as all three have been honored with either *CHA All-Academic* or *Academic All-WCHA* awards.

"It's an honor to be named as a captain of any team and it's no different with our program. When you look at the history and the tradition of Bemidji State hockey and the captains and the leaders that we've had, it's a tremendous honor for these players to be named among that group." Serratore added, "With that said, you don't necessarily have to wear a letter in order to be a leader. We call on all of our upper classmen to help ingrain the traditions and values of Beaver hockey into our younger players."

be our marquee player up front. He has an electrifying combination of skill and speed that make him a very dangerous player."

In addition to George, Serratore retains the services of a solid group of veterans, the return of captain **Ben Kinne** after sitting out last season, the debut of transfer **David Boehm** on top of five talented newcomers that Serratore, who is in his 11th year at the helm of the BSU hockey program, looks at to generate scoring from the forward lines.

"We are going to have some other guys pick up the slack and hopefully have some scoring by committee."

"We are looking to guys like **Jamie MacQueen** and **Shea Walters** to step up and surprise us offensively. If we can get that, then we will be OK. If not, then we will put ourselves in a position to have to win a lot of 2-1 games and that's a lot of pressure to put on your defense."

Walters and MacQueen return for their senior seasons after finishing fifth and eighth, respectively, on BSU's scoring list last season.

Walters posted 1-13=14 points in 2010-11 matching Read for fourth on the team in assist scoring. The Hibbing, Minn. native may have scored just one goal, but he picked a good time for it. Locked in a 2-2 tie after 60 minutes of play versus Minnesota Duluth in the Final Five quarterfinal game, Walters potted a power-play goal from the point to secure the overtime victory for the Beavers.

MacQueen recorded 7-4=11 points and finished the season fourth on the team in goal scoring, which included two game-winners and the first goal ever scored at Sanford Center 1:52 into the opening game.

Kinne returns to the line up after sitting out for the entire 2010-11 season after suffering a stroke during the offseason. During his first two seasons of college hockey, Kinne established himself as a multitasking player scoring 18-21=39 points and finding a regular spot on the power-play.

Another addition that is no stranger to BSU hockey is Boehm. A transfer from UMass, Boehm had to sit

out last year after transferring, but like Kinne was able to practice with the team and is hungry for live game competition.

"Ben and Dave bring a wealth of experience," commented Serratore. "They've played a lot of college hockey. It is a boost for us to realize that we may have lost a couple forwards, but we are replacing them with experience. Plus those guys have a lot of talent."

"Dave is going to bring tremendous speed to our line up and Ben has been a solid player for us. We are going to be leaning on those guys quite hard."

Seniors **Drew Fisher** (1-2=3) and **Darcy Findlay** (0-4=4) bring a physical style of play to BSU's forward lines. **Aaron McLeod** (5-4=9) and **Radoslav Illo** (4-2=6) each saw significant time last season and figure to be a big part of the scoring in 2011-12. Junior **Brance Orban** (1-2=3) and sophomore **Jeff Jubinville** (2-0=2) got their feet wet last season and look to be contributors for the Beavers in 2011-12.

New additions to the BSU forward lines are: **Sean Rudy**, **Cody Strang**, **Danny Mattson**, **Tyler Tosunian** and **Mitch Cain**. Each has proven himself as a scoring threat through hockey's junior levels, but according to Serratore, there really is no expectation of them as freshman.

"We don't rely heavily on our freshman. I just think that is a lot of undue pressure on those guys. In our program we have always looked to the upper classmen. If our freshman forwards can help us offensively, that is a huge added bonus."

Serratore added, "We have some talented players coming in, but it is a huge jump and a huge transition to college hockey. It will just take them some time to get acclimated. Hopefully we will get some surprises."

DEFENSEMEN

The Bemidji State defensive corps will have to fill a void due to the loss of Ryan Adams to graduation, but with a solid group of blueliners back and the added

Above: **Brad Hunt** will again play a vital role on the Beavers power-play unit. The senior has 14-38=52 power-play points during his first three seasons.

size of the team's freshman class, there is potential for the Beavers' defense to again be solid in 2011-12.

"Our defensive corps is going to be very interesting. We feel we have a pretty good balance of skill and guys who defend very well."

Headlining that group is senior alternate captain **Brad Hunt**. A proven scorer and power-play threat, Hunt has delivered 19-67=86 points in his first three seasons in the green and white and has been an anchor on the BSU power-play unit.

Also out of the offensive defenseman mold, **Sam Rendle** is a very different player, but found a way to put up 3-8=11 points as a freshman and became a regular among BSU's defensive pairs.

Alternate captain **Jake Areshenko** (1-7=8) and fellow junior **Matt Carlson** (2-2=4) are BSU's stoppers, both are proven defenders that are tough on opposing forwards and will log a lot of ice time this season. Both are also very good bets to play significant roles on the Beaver's penalty kill.

Standing six-foot-four **Sam Windle** and six-foot-one **Matt Prapavessis** join the BSU blueline as freshmen. Both bring tremendous size to the unit, while their games are very different.

"Sam Windle can defend well. He is a very good skater, is very agile for a guy his size and he is a guy that is going to eat up a lot of minutes for us down the road. His best hockey is ahead of him," commented Serratore. "Matt Prapavessis brings skill to our blue line. He has patience with the puck, is going to grow in a very good offensive defenseman and give us that added dimension of power-play skill."

GOALTENDERS

If there is anything that is certain regarding the 2011-12 campaign, it is that Serratore knows exactly what to expect out of his goaltenders. Bemidji State returns both of its goaltenders from a year ago in **Dan Bakala** and **Mathieu Dugas**, setting up healthy competition for playing time in 2011-12. Bakala, a senior, served as the Beavers' primary goaltender a year ago and piled up a 14-13-4 record, 2.47 GAA, .919 save percentage and three shutouts en route to leading BSU into the WCHA postseason. Meanwhile, Dugas made the most of his eight games played as a

sophomore posting a 2.59 GAA, a save percentage of .899 and posting a 1-5-1 record with one shutout.

Andrew Walsh joins the duo after playing last season at Dawson Creek of the NAHL.

"I can't say enough about Danny Bakala. A lot of the success we had last year was due to his play in net. He was consistent through the year. To be honest, he might have been the MVP of our team at the end of the year. He was the main reason that our goals-against average was down and he really won some big games for us down the stretch."

"We are confident in our goaltending corps. We think there is really good competition back there."

2011-12 SCHEDULE

Eighteen regular-season home contests and its first meeting with Bowling Green State University highlight Bemidji State University's 36-game 2011-12 men's ice hockey schedule.

In addition to the Beavers' 28-game Western Collegiate Hockey Association (WCHA) slate, BSU has eight nonconference contests which include a home series versus long-time rival University of Alabama Huntsville and an exhibition game.

"With a schedule primarily made up of conference games there isn't a lot of room for variety from year to year, but I think we've put together a nice nonconference schedule," said Serratore. "In addition to continuing our rivalry with Alabama-Huntsville, we've got a strong representation from the CCHA. We will be playing Bowling Green for the first time in the history of the program and in addition to Lake Superior State, we've begun to develop a nice rivalry with Miami after playing in two of the last three seasons."

Serratore added, "From a WCHA standpoint, since it is only our second year in the league, we will be bringing in teams like Wisconsin and Denver into our building for the first time and I think that will be exciting for our fans."

In 2011-12, Bemidji State will play 18 games versus 2011 NCAA Tournament participants, including a two-game set at 2011 National Champion University of Minnesota Duluth.

"Typically, we've played a competitive and demanding schedule at Bemidji State, now as members of the

WCHA that will be no different," said Serratore. "With six teams on our 2011-12 schedule that were in the NCAA tournament this spring, it is going to be a challenge."

The Beavers lift the lid on their 56th season of play Oct. 2 as they host an exhibition game versus University of Regina. The exhibition comes just one day after the Beavers officially kick off the season with their first practice and marks the first time BSU has hosted the Cougars since the 2006-07 campaign.

The team then makes its first trip to Oxford, Ohio Oct. 7-8 to open the regular-season with a rematch of the Beavers' 2009 Frozen Four semifinal, as the Beavers will meet Miami University in a nonconference series at the RedHawks' new Steve Cady Arena.

Bemidji State draws the curtain on the 2011-12 WCHA slate and kicks off a string of six league games Oct. 14-15 as it meets Colorado College in Colorado Springs, Colo. The road trip west marks the first of two treks to Colorado in 2011-12. The Beavers will also travel to Denver to meet University of Denver Jan. 13-14.

BSU returns home Oct. 21-22 to host Michigan Tech University's inaugural visit to Sanford Center before hitting the road for the second of two four-game road swings of the season.

The Beavers' road stint begins with a trip east on Highway 2 to Duluth, Minn. for BSU's first appearance in Minnesota Duluth's new AMSOIL Arena Oct. 28-29. The WCHA series extends a string of 13 consecutive seasons that the teams have met and as always, the coveted "Babe the Blue Ox" traveling trophy will be on the line Saturday evening. The Beavers will then swing around to the east shore of Lake Superior to Sault Sainte Marie, Mich. where BSU will face Lake Superior State University Nov. 4-5. In a series that dates back to 1966-67, BSU and the Lakers have met on 39 occasions with LSSU holding a 21-16-2 edge over the Beavers.

Bemidji State jumps back into WCHA play Nov. 11-12 when it returns to Sanford Center to open a four-game homestand, beginning with University of Nebraska Omaha followed by the University of North Dakota Nov. 19-20 in a rare, Saturday/Sunday series. The two-game set versus the defending WCHA regular

season and Final Five Champion Fighting Sioux will get underway at 7:07 p.m. Saturday, with the series finale set for a 5:07 p.m. opening faceoff.

December brings a quick trip to St. Cloud State University (Dec. 2-3) before the Beavers open the season's longest homestand. December 9-10, BSU welcomes Denver to Bemidji, Minn. for the front half of a four-game regular-season series. The homestand continues Dec. 16-17 when Alabama-Huntsville returns to Bemidji, Minn. for the first time since a 2009 College Hockey America series (Nov. 20-21) played in the John S. Glas Fieldhouse. After the holidays, BSU wraps up the homestand with its first meeting versus Bowling Green. The Beavers and Falcons will ring in the new year with games set for Dec. 30 and 31.

Following an idle weekend and BSU's second trip to the Rocky Mountains to complete the four-game season series with Denver (Jan. 13-14), the Beavers finish the season playing three of the final six weekends at home. Minnesota State University, Mankato makes its first trip to Sanford Center Jan. 27-28, Colorado College makes an appearance in Bemidji, Minn. for the second consecutive season Feb. 10-11 and the Beavers close out the home portion of their 2011-12 schedule Feb. 24-25 versus University of Wisconsin.

On the flip side, BSU is on the road for three of the final six weekends of the season. Feb. 3-4 the team travels to Omaha, Neb. to wrap up the season series with Nebraska Omaha. The Beavers make their first appearance at Mariucci Arena as members of the WCHA Feb. 17-18 when BSU will face intrastate rival University of Minnesota and the team makes its first visit to the Land of the Midnight Sun Mar. 2-3 when the Beavers conclude their regular-season schedule with a league series at University of Alaska-Anchorage.

The Beavers jump right into the WCHA playoffs the following weekend. The league's top six teams will host best-of-three opening-round series March 9, 10 and the 11, if necessary.

The 2012 Red Baron WCHA Final Five awaits Bemidji State March 17-19 if it escapes the first round. The tournament is again set for Xcel Energy Center in St. Paul, Minn. The Final Five champion will again earn an automatic bid to the 2012 NCAA Men's Ice Hockey Tournament.

Running down a list of Tom Serratore's list of achievements as head men's ice hockey coach at Bemidji State, one might think he has assembled a lengthy and respected career. After all, Serratore has only:

- Led BSU to College Hockey America regular-season championships in 2004, 2005, 2008, 2009 and 2010, the 17th, 18th, 19th, 20th and 21st conference titles, respectively, in BSU's storied men's ice hockey history but its first at the NCAA Division I level.
- Guided BSU to its first NCAA Division I Tournament win over No. 2 Notre Dame Mar. 28, 2009.
- Led the Beavers to their first appearance in the Frozen Four to cap the 2009 campaign.
- Directed BSU to championship-game appearances in the CHA Tournament in a league-record four consecutive seasons (2003-06).
- Led BSU to the CHA Tournament championship in 2005, 2006 and 2009, becoming the first CHA program to garner back-to-back appearances in the NCAA Tournament.
- Directed BSU to a record of .500 or better during eight of the last nine seasons.
- Helped BSU earn its first Division I-era invitation to the NCAA Tournament on the strength of its 2005 CHA Tournament win and the program's first at-large bid in 2010.
- Oversaw the first Division I-era BSU program to be nationally-ranked in the USA Today poll, when the Beavers earned a nod at No. 15 on Oct. 17, 2005.
- Is a five-time College Hockey America Coach of the Year (2004, 2005, 2008, 2009).
- Has been named a finalist for the Spencer Penrose Award, awarded to the National Coach of the Year, six times and was runner up for the national award in 2009.
- Guided BSU into the premier hockey conference in the country--the WCHA--in 2010-11 and to a first-round

sweep of University of Nebraska-Omaha and upset of eventual NCAA Division I champion University of Minnesota Duluth in the WCHA Final Five quarterfinals.

As for Serratore's career... Respected? Without question. Lengthy? Anything but. Serratore has led Bemidji State's remarkable rise from a floundering Division I neophyte to national heights and back-to-back appearances in the NCAA Tournament after just 10 short seasons.

The legacy Serratore was asked to continue when named the seventh head coach at Bemidji State in 2001 was one of the finest in all of college athletics. Serratore was hand-selected to succeed future Hockey Hall of Fame member R.H. "Bob" Peters, who won 702 games and 13 national championships at Bemidji State while carving out one of the true dynasties in the history of athletics at any level.

"I can't approximate what Coach Peters did at BSU. No coach can," Serratore said.

Conventional sports wisdom has long contended it is never wise to follow a legend, but Serratore has never been one to shy away from a challenge.

His remarkable resume and the arrival of Bemidji State as a legitimate Division I program proves Serratore is more than comfortable following a legend, and his achievements over the last seven years have him well on the path to a legend of his own.

BSU has continued to build success during each year of the Serratore era improving from 12 victories during his inaugural 2001-02 season to 14-14-8, then to 20-13-3 in 2003-04 to 23-13-1 in 2005-06 and ultimately to 20-15-1 in 2009 en route to the school's first appearance in the Frozen Four.

The Beavers finished 4-26-4 in 2000-01, the year before Serratore took over, giving the Beavers an 18-game improvement under his guidance. And Serratore is already just the second coach in BSU history to coach in more than 250 games, while his 178 career wins rank him second all-time at the school.

CHAMPIONSHIP RUN FOR THE AGES

Bemidji State's 2008-09 season was one not even a Caldecott Medal-winning author would have dreamed of penning.

After dropping their first four games by a total score of 21-6 and wrapping up the first month of competition just 5-1, the defending regular-season College Hockey America champions seemed to be in a tail spin. After a one-week hiatus, the Beavers traveled to longtime rival Ala.-Huntsville. Bemidji State was uncharacteristically held to just 15 shots on goal in a 4-2 loss, but the following evening BSU's **Matt Read** would net a third-period goal to knot the game at 1-1 and **Brandon Marino** powered the Beavers to their first CHA victory, 2-1. The triumph kick started a run of seven games during which BSU won six, including a sweep of the WCHA's Michigan Tech.

Serratore's Beavers hit a funk to open 2009. BSU dropped its next six games including back-to-back, one-goal losses to perennial powerhouse North Dakota.

During the final week of January, Serratore regrouped his team to split with Niagara at the John S. Glas Fieldhouse. The win over the bitter CHA rival again sparked a BSU winning streak, this time extending over five games and two conference series sweeps. It was at that point that the Beavers began to realize their potential and convince their faithful fans to believe.

Bemidji State would finish the season posting an 8-2-1 record down the stretch to capture its fifth CHA title with a win over Robert Morris in the final game of the regular season to secure the top seed in the 2009 conference tournament.

For the first time in the 10-year history of the league, the CHA Tournament was held at The Glas--a venue as rich in championship tradition as any--but little did anyone know that the final collegiate tournament game ever played in the hallowed barn, may have been its finest.

The Beavers would coast through their semifinal contest versus Ala.-Huntsville leaving them just 60 minutes from their third NCAA Tournament berth. Scorned by a near miss in the 2008 tournament, the green and white were determined to make a run and the big dance.

Tyler Scofield potted his team-leading 18th goal of the season to get the Beavers on the board early, but before the first period would expire, Robert Morris evened the score. Read opened the second stanza with a goal only to be matched by RMU's Chris Margott just three minutes later.

The scoreboard remained locked at 2-2 through the final 20 minutes of play setting up a sudden-death situation. With a capacity crowd on the edges of their seats in anticipation, Read would send the BSU faithful into a frenzy 8:05 into the extra frame firing a rebound into the back of the net. Read would be named as the tournament MVP for his efforts.

The storybook season continued to Grand Rapids, Mich. where BSU, the unranked 16th seed, was pitted against Notre Dame--the No. 2 team in the land. It would take BSU just 1:42 to find the scoreboard and the team would build a 2-0 advantage heading into the first intermission. With 40 minutes gone, BSU led 3-0, then 4-0 in the opening minute of the third. A stunned Fighting Irish team and college hockey world was beginning to take notice. BSU won the game 5-1.

After their first NCAA Division I Tournament win, the Beavers continued to ride a wave of momentum into the Midwest Regional Championship game versus No. 9 Cornell. The Big Red scored first, but BSU would answer with four consecutive goals to secure its second straight win over a top 10 team and a most unlikely spot in the 2009 Frozen Four in Washington, D.C.

The Beavers' once-in-a-lifetime ride would come to an end at the hand of Miami (Ohio) in the national semifinal, but not before the Beavers, the first 16th-seed to ever win its way into the Frozen Four, turned the hockey world on its ear, putting Bemidji State University and Bemidji, Minn. on the map in the process.

BSU had six players garner recognition in the CHA's season-ending awards. **Matt Read** and **Brad Hunt** were selected *First-team All-CHA*, while **Tyler Scofield** and **Matt Dalton** pulled down second-team laurels. In addition, Hunt was picked as the league's *Rookie of the Year* and both he and **Ben Kinne** earned spots on the *CHA All-Rookie Team*.

Academically, it was business as usual for BSU. For the seventh consecutive season, the Beavers led all conference institutions with 15 Academic All-CHA performers as the team logged a 3.5 overall GPA.

In addition to Serratore garnering his fourth CHA Coach of the Year award, he was also a finalist for the *Spencer Penrose Award*, the American Hockey Coaches' Association's National Coach of the Year award, where he would take runner up honors.

BACK-TO-BACK NCAA TOURNAMENT BERTHS

Bemidji State's 2005-06 season seemed neatly divided into three distinct and radically different thirds - two highly successful, and one much less so. The Beavers garnered national recognition and charged into the Top 15 of the USA Today / USA Hockey Magazine poll for the first time as a Division I program after a record-setting start, suffered through a difficult stretch in December and January, then closed with a rally which saw BSU capture a share of second place in the CHA regular-season race on the season's final day and win a second consecutive CHA Tournament.

Serratore's Beavers opened the season in historic fashion, opening 4-0-0 on the strengths of back-to-back sweeps of Western Collegiate Hockey Association programs. BSU posted its first-ever sweep of Minn.-Duluth on the road to open, then picked up its first sweep of Minnesota State since 1994 in its home-opening series. The four-game sweep propelled BSU into the national polls.

BSU pushed that start to 8-2-0, the team's best 10-game start as

a Division I program. The Beaver schedule became more difficult from there, however, and a 4-3 loss to Niagara opened an 11-game stretch which saw them go 2-6-3. A road sweep at the hands of Ala.-Huntsville saw BSU at 13-10-3, but from there the Beavers rallied and won seven of their final 11 games. The Beavers retaliated for the road sweep at Huntsville by sweeping the Chargers, 3-1 and 5-0, on the final weekend of the regular season to erase a four-point deficit and tie for second in the CHA regular season standings. BSU continued that hot streak by again defeating Ala.-Huntsville, this time rallying from 3-1 down in the third to post a 4-3 overtime win in the CHA Tournament semifinals. A 4-2 win over CHA regular-season champion Niagara in the CHA Tournament championship game gave BSU a second consecutive tourney crown and made it the CHA's first repeat visitor to the NCAA Tournament.

There, BSU again squared off with a team eventually crowned national champion in the first round, as the Beavers were bested by Wisconsin.

BSU placed two skaters on the All-CHA first team for the fourth consecutive year as **Luke Erickson** and **Andrew Martens** were honored for their efforts on the ice. Tyler Scofield and Cody Bostock earned spots on the All-Rookie Team.

Academically, it was business as usual for Serratore's Beavers. BSU tied its own conference single-season record by placing 16 players on the Academic All-CHA Team, extending its streak of consecutive seasons leading CHA in all-academic picks to four. Lou Garritan, Jean-Guy Gervais and Ryan Huddy brought BSU's all-time number of three-time All-CHA selections to 11. The record-tying group of honorees brought BSU's all-time total to 76 Academic All-CHA picks, and its 69 picks in five seasons under Serratore is far and away most in the league. Niagara is a distant second with 55 selections.

BSU'S FIRST NCAA APPEARANCE

Serratore helped lead Bemidji State to its most-successful Division I season in 2004-05, finishing with a 23-13-1 record, setting a school Division I-era record for wins in a season and posting the second-most wins in a season by any team in the six-year history of College Hockey America, and tying its own CHA single-season record with 16 wins in league play.

BSU became just the third College Hockey America program to capture both the R.H. "Bob" Peters Cup,

awarded to the CHA regular-season champions, and the Bruce McLeod Cup, awarded to the CHA Tournament champions, in the same season. As the CHA Tournament champions, BSU earned its first berth in the NCAA Tournament since making the jump to Division I in 1999. There, the Beavers garnered national attention for taking No. 1 Denver into overtime before falling, 4-3, in the semifinals of the Northeast Regional.

Four Beavers earned All-College Hockey America honors, and for the third consecutive season two BSU skaters were named First Team All-CHA. Senior captain Andrew Murray was one of two unanimous First-Team All-CHA selections and became the first skater in league history to capture both CHA Player of the Year and CHA Student-Athlete of the Year honors in the same season. Senior defenseman Peter Jonsson joined Murray on the All-CHA First Team; senior wing Brendan Cook was named Second-Team All-CHA and freshman goalie Matt Climie, the CHA Tournament MVP, was named to the CHA All-Rookie Team.

BSU continued its recent domination of the Academic All-CHA Team. BSU led the league in Academic All-CHA picks with 14, seven of which were repeat selections from 2004. Brendan Cook, Peter Jonsson and Andrew Murray became BSU's sixth, seventh and eighth three-time Academic All-CHA picks.

For the third time in four seasons at BSU, Serratore's achievements were recognized nationally as he was named a finalist for the Spencer Penrose Award, given annually to the National Coach of the Year by the American Hockey Coaches Association.

BSU GARNERS FIRST CHA TITLE

Serratore, the 2004 College Hockey America Coach of the Year, helped lead Bemidji State to a 20-13-3 finish, marking the program's first 20-win season since making the jump to Division I in 1999. BSU also captured the R.H. "Bob" Peters Cup, awarded to the CHA regular-season champions. The regular-season title was the first conference championship in BSU's Division I era.

En route to the title, Bemidji State set a school record for points in CHA play (33) and set a conference record with 16 victories in CHA play. The Beavers finished with a five-point cushion over second-place Niagara, the largest margin by any winner of the six Division I men's hockey conferences.

The Beavers led CHA in scoring and scoring

HEAD COACH TOM SERRATORE

defense, finished with the second-best power-play percentage in CHA games in league history, and were just the sixth team in league history to post a power-play efficiency of .200 or better.

But again, BSU's ultimate goal of an NCAA Tournament berth was just out of reach. For the second consecutive season, BSU was defeated by a single goal in the championship game of the CHA Tournament.

During the season, BSU defeated eventual Frozen Four participant Minnesota-Duluth, posted four-game season sweeps of three CHA opponents, including its first-ever road sweeps at Findlay and Wayne State, snapped an eight-game road losing streak at Ala.-Huntsville, shut out NCAA Tournament participant Niagara, and won at Niagara for the first time.

Serratore's 2004 Bemidji State team tied a school record with six All-CHA honorees, including a second consecutive season with two First-Team All-CHA picks. Junior forward Brendan Cook and senior defenseman Bryce Methven were named to the All-CHA first team, while junior forward Riley Riddell, senior defenseman Anders Olsson and senior goaltender Grady Hunt were named to the second team. Freshman wing Luke Erickson earned CHA Rookie of the Year honors, becoming the second BSU player under Serratore's watch to be so honored.

THE BEAVERS' RETURN TO CONTENTION

Bemidji State entered the 2002-03 campaign with one goal in mind - win the College Hockey America post-season tournament and earn the league's first-ever automatic qualifier to the NCAA Championships.

The Beavers fell just one goal shy of that lofty achievement, dropping a 3-2 decision to Wayne State (Mich.) in the championship game of the CHA Tournament. Still, the 2002-03 campaign continued the evolution of the Bemidji State program into a legitimate Division I presence and the team set several Division I-era team standards.

Serratore led BSU to a .500 finish for the first time as a Division I program and assembled a Division I-era record seven-game unbeaten streak (6-0-1), which was snapped in their CHA championship-game loss.

The team's run to the CHA Tournament championship was remarkable on a number of fronts. Entering the fray as the fourth seed after a 10-6-4, 24-point regular-season campaign, Serratore's Beavers became the lowest seed to advance to the title game in the four-year history of the Tournament, and also became the first team to knock the tournament's No. 1 seed out of the field before the title game.

Serratore's Beavers also gained notoriety for playing an NCAA single-season record 15 overtime contests, including a school-record five in a row to open the season. Along the way, BSU set school records for ties in a season (eight, tied for fifth-most in NCAA history) and overtime wins in a season (four).

Key to the team's historic success in 2002-'03 was its play on defense. In front of junior goaltender Grady Hunt, the Beavers assembled one of the program's finest defensive performances in decades. BSU led College Hockey America and tied for 16th in the nation by allowing just 2.72 goals per game.

Offensively, senior Marty Goulet became the program's first Division I-era player to score 100 career points, and he also became the first-ever repeat First-Team All-CHA pick. Defenseman Bryce Methven also earned First-Team All-CHA honors, making BSU the third program in CHA history to have three players named First-Team All-Conference the same season.

SERRATORE'S STRONG DEBUT

A stellar debut campaign in 2001-'02 left little doubt that Serratore would rekindle BSU's past hockey glory. In his rookie season as BSU's head coach, the Beavers dramatically improved as a team in their third

year of life as an NCAA Division I program. BSU's 12-18-5 record in 2001-02 marked an eight and one-half game improvement from a 4-26-4 finish in 2000-01.

In addition, BSU's 12 regular-season wins tied the 1999-00 team for most by a Beaver team in a Division I season (since broken). From Jan. 26-Feb. 9, 2002, the Beavers put together a five-game unbeaten streak which tied the school Division I-era record (since broken).

Serratore led the Beavers on an impressive run through College Hockey America. The Beavers enjoyed a 21-day run tied atop the CHA standings, the first time BSU had been in first place in the conference since Jan. 1, 2000. BSU eventually finished second in the league and earned a first-round bye in the CHA Tournament. BSU also posted the program's third-best single season with 22 points in CHA play, surpassed only by a 23-point (8-8-1) season in 1999-2000, the league's inaugural season, and a record 24-point campaign in 2002-03.

Under Serratore's guidance, right wing Marty Goulet was named First-Team All-CHA while center Riley Riddell earned CHA Rookie of the Year and Second-Team All-CHA honors. Goaltender Grady Hunt, a four-time CHA Defensive Player of the Week winner during the 2001-02 season, also earned Second-Team All-CHA honors. In addition, three Beavers - Riddell, center Andrew Murray and defenseman Anders Olsson - were named to the CHA All-Rookie Team.

Serratore was eventually named a finalist for the Spencer Penrose Award, given annually to the national coach of the year as voted by the American Hockey Coaches Association.

Serratore took over the reigns for BSU after having spent the previous three seasons as the associate head coach for R.H. "Bob" Peters. Brought on board in August 1998, Serratore helped Peters oversee the transition of the BSU program from a small-college dynasty to the ranks of Division I.

PRIOR TO BSU

Serratore came to the Beaver hockey program after spending five years as the recruiting coordinator for Western Collegiate Hockey Association member St. Cloud State University. He helped the Huskies to a 96-84-15 record, including three 20-win seasons and four WCHA Final Five berths during his tenure.

Serratore recruited several National Hockey League draft selections while at St. Cloud State, including Matt Cullen, Mark Parrish and Josh DeWolf. He also was an assistant coach for the 1998 WCHA All-Star Team which participated in the Kolin Cup in Zug, Switzerland.

Serratore began his coaching career as an assistant at Brainerd (Minn.) High School (1987-'91). He took his first head job at Henry Sibley High School (1991-'93), leading Henry Sibley to a Class A third-place finish at the state tournament.

An active member of USA Hockey for the past eight years, Serratore coached the USA Hockey Select 17 camp in 1994.

PLAYING CAREER

Serratore knows first-hand the tradition of BSU men's hockey, having played two years under Peters in the mid-1980s. He was a two-year letterwinner at forward for BSU from 1985-'87 and played in two NCAA Division III Tournaments. Serratore was a member of BSU's 1986 NCAA Division III national championship team and captained the 1986-'87 team. He averaged 1.03 points per game in his BSU career (1986-'20-23=43 points, 1987-'12-27=39 points) and led the 1986-87 team with four game-winning goals.

Serratore began his playing career at Mankato State, scoring 31-28-59 points in two seasons for the Mavericks before transferring to BSU. For his

TED BELISLE

Assistant Coach / Recruiting Coordinator
Bemidji State 2001
Ninth Season at Bemidji State

Ted Belisle is entering his ninth season on the coaching staff at his Alma mater. Belisle was a captain on BSU's 2000-2001 team, the program's second year at the Division I level and its final season under legendary head coach R.H. "Bob" Peters.

Belisle serves as Bemidji State's recruiting coordinator, oversees the program's forwards and assists in the day-to-day operations of the team monitoring academics, strength and conditioning programs and video.

Belisle came to BSU for the 2003-04 season and has helped the team to its first three 20-win seasons in BSU's Division I era (2003-04, 2004-05, 2005-06) and to the championship game of the CHA Tournament in five of six years with back-to-back championships in 2005 and 2006. He was on the bench when BSU captured its first Division I-era conference title with a 2005 CHA regular-season crown and helped guide the first CHA program to make consecutive trips to the NCAA Tournament (2005, 2006) and to the Frozen Four in 2009.

Belisle has recruited or helped recruit BSU standouts such as Matt Climie, BSU's career leader in goals against average, shutouts, a two-time First-Team All-CHA pick and the 2005 CHA Pre-Season Player of the Year, as well as Tyler Scofield, Cody Bostock, Matt Read and First-Team All-CHA selection Brad Hunt.

Belisle joined Tom Serratore's staff after a two-year stint as a scout and assistant coach in the United States Hockey League. After serving one year on the scouting staff for the Sioux City Musketeers, Belisle spent the 2002-03 season as an assistant with the Sioux Falls Stampede. There, he oversaw recruiting, coached the team's defensive corps and was involved in budget management and day-to-day team operations.

Belisle served as interim head coach for the Stampede for the last eight games of the 2002-03 season. He took over for Tony Gasparini, who left his position as head coach in March 2003 in a mutual agreement with the franchise. The Stampede went 3-5 under his guidance.

Belisle played four years at Bemidji State from 1997-2001, during the program's transitional era into Division I. He played 90 games at forward during his career, scoring 10-12=22 points.

BERT GILLING

Assistant Coach
Minnesota Duluth 1999
13th Season at Bemidji State

Bert Gilling is in his 11th season as assistant coach at Bemidji State and his 13th year overall as a member of the program's coaching staff.

Gilling holds responsibilities overseeing the defensive corps and serves as the program's academic advisor and strength and conditioning coach.

As academic advisor, Gilling has helped raise BSU's team overall GPA to 3.5. Under his guidance, BSU annually led the CHA Academic All-CHA selections and that tradition has continued in the team's first season in the WCHA. In 2010-11, 21 Beavers were named Academic All-WCHA and 11 earned the proteges WCHA Scholar Athlete award. Additionally, BSU has had 14 Academic All-District honorees and in 2005 Peter Jonsson was named First-Team Academic All-America.

Gilling joined Serratore's staff after having served as a graduate assistant under R.H. "Bob" Peters from 1999 until Peters' retirement in 2001. Under Peters, Gilling held responsibilities for game-plan preparation, practice sessions, video breakdown and also served as the team's bench and defensive coach.

During the summer of 2010, Gilling was invited to assist the Romanian Hockey Federation grow the game of hockey world-wide as an instructor for its International Coaching Seminar and Developmental Camp.

As a player, Gilling was a four-year letterwinner, senior captain and member of the 1998-99 Captain's Committee at Minnesota Duluth. There, he built a reputation as one of the finest defensemen in the Western Collegiate Hockey Association. He was nominated for WCHA Defensive Player of the Year in 1997-98 and was a member of the 1998 WCHA All-Star Team which played in Zug, Switzerland. He won awards as Duluth's top freshman and won the team's Bob Junkert Plus/Minus Award in 1995-96.

A native of Alexander, Manitoba, Gilling played with the Estevan Bruins of the Saskatchewan Junior Hockey League from 1992-95. During his career, he won two team MVP (1994, 1995) and two team Most Valuable Defenseman (1994, 1995) awards, was the Most Valuable Rookie during 1992-93 and won the inaugural Bill Shinske Ethics Award in 1995.

Gilling has also compiled an impressive academic resume. In 1999, Gilling was a nominee for the College Hockey Humanitarian Award and WCHA Student Athlete of the Year, and was named Rasmussen Male Scholar-Athlete of the Year at Duluth. Gilling was a three-time Academic All-WCHA honoree, a member of the Dean's List and received the Top Scholastic Player award from his junior club in 1993. He began graduate work at BSU in 1999 and in 2000 won a Beck Scholarship.

DANNY MacKINNON

Graduate Assistant Coach
Acadia 2010
Second Season at Bemidji State

Danny MacKinnon is in his second season on the Bemidji State coaching staff, serving as the team's graduate assistant coach. He brings leadership honed as both an instructor/coach and a player.

While attending Acadia University, MacKinnon was a member of the Axemen's varsity hockey club where he was a three-time Academic All-Canadian selection (2008-10). In addition, he served as an instructor at the Acadia Hockey School, where he instructed young players in fundamentals such as skating, stick-handling, passing and shooting, while teaching tools for tactical, physical and psychological preparation.

During the same time, MacKinnon was also an Under-14 Team Leader for Hockey Nova Scotia. As a team leader, it was his responsibility to plan and coordinate all activities, practices and off-ice sessions. During competition, he assembled line combinations and player rotations, while managing the bench and providing player evaluation.

Prior to collegiate career, MacKinnon assembled an impressive playing career. With Pictou County Weeks Crushers Junior 'A' Hockey Club, he earned the team's 2004 Rookie of the Year award, was an assistant captain, captain for the 2006-07 season and garnered the team's MVP award at the conclusion of the 2005-06 campaign. He also played major junior hockey for the Moncton Wildcats and was a member of the Dartmouth Subways major midget hockey squad.

MacKinnon has attained a Level 1 Coaching Certificate.

A 2010 graduate of Acadia University in Wolfville, Nova Scotia, MacKinnon earned a Bachelor's degree in kinesiology.

MacKinnon is pursuing a Master's degree in sports studies at Bemidji State.

Final appearance on the ice for BSU March 5, 2011 against Minnesota.

Prior to BSU

Brodie, a former defenseman for the Wenatchee Wild of the North American Hockey League (NAHL), joins the Beavers for their inaugural season in the WCHA. While with the Wild, he played in 50 of 58 contests for a team that tied for a league-low in goals allowed (125), led the NAHL in wins and clinched a division title with a 45-10-3 record. Brodie finished fifth on his team and is third among all NAHL blueliners in scoring with

13-25-38 points, which includes five goals and 14 helpers on the power play. He recorded a +29 plus/minus rating to pace the Wild and sit third among NAHL defensemen.

Brodie opened the 2009-10 season with a five-game scoring streak and netted at least a point in eight of the Wild's first nine games posting a goal and 10 assists during that span. He led the Wild to a 4-2 victory over Wichita Falls Oct. 31 registering a season-high three points on a 2009-10 best two goals and an assist.

The only native of Colorado on BSU's 2010-11 roster, Brodie is thought to be just the second student-athlete in the history of the BSU men's hockey program to hail from the Rocky Mountain State.

DANNY MATTSON

FORWARD

Freshman • 5-10 • 180
Minneapolis, Minn.
USHL - Youngstown

16

Prior to BSU

A two-year veteran forward of the USHL, seeing time with Omaha, Chicago and Youngstown, Danny Mattson split the 2010-11 campaign between Chicago and Youngstown, netting 5-7-12 points in the 'The Windy City' during the first 23 games of the season before playing the final 23 games with the Phantoms, where he finished third on the team in points per game (0.74) posting 4-13=17 points. A power-play cog, 11 (3-8=11) of his 29 points came on the man advantage.

Mattson capped 2010-11 scoring in 12 of 23 appearances, which included 15 points (4-11=15) in the final 15 contests. He registered six multi-point efforts and posted a season-high 1-3=4 points in a 8-2 victory over Chicago, April 9.

A native of Minneapolis, Minn., Mattson played high school hockey at Academy of Holy Angels,

where he led the Stars with 25-51=76 points in 27 games in 2008-09. The 2009 Minnesota Mr. Hockey finalist paced Class AA in scoring, while his +49 plus/minus rating was tops in the Minnesota State High School League as a senior. He completed his prep career with a school-record 89 goals, 163 assists for 252 points, shattering the mark previously held by Jay Barriball, who went on to play at Minnesota and was an NHL draft pick.

Mattson's commitment to the Beavers follows a path his father took more than 20 years ago. Terry Mattson played 93 games for BSU (1985-88) posting 25-81--106 points and earned All-America honors in 1987.

Personal

BEMIDJI, Minn. -- (Bemidji Regional Event Center) -- The outcome was not quite as planned, but for the capacity crowd of 4,373 at the Bemidji Regional Event Center, Oct. 15, 2010 will go down as a dream come true. Friday the Bemidji State University men's ice hockey opened its new hockey home on the south shore of Lake Bemidji after years of dreaming, planning and building.

No. 2 University of North Dakota may have gained a 5-2 victory over the Beavers in the teams' Western Collegiate Hockey Association (WCHA) 2010-11 opener, but the true stars of show were the state-of-the-art building and the celebration of the tradition-rich program it houses, leaving those in attendance buzzing with excitement.

More than 300 alumni traveled back to Bemidji from all corners of the earth to help BSU and the City of Bemidji initiate the building. After a brief introduction of many of the players who served as building blocks during the first five decades of the program, a torch passing ceremony, and ceremonial puck drop dedicating the Robert H. Peters Rink, the teams took the ice and the puck dropped on a new era in Beaver Hockey.

Jamie MacQueen christened the building just 1:52 into the game, becoming the first male to net a goal in the new facility. **Ryan Cramer**, owner of the final goal in the John S. Glas Fieldhouse, BSU hockey home from 1967-2010, etched his name in the annals of BSU hockey yet again assisting on the historic marker.

However, the lead would last just over 17 minutes, when Matt Frattin would score in the final seconds of UND's third power play of the evening, sending the teams into the first intermission locked in a 1-1 tie.

The second period was all North Dakota. Jason Gregoire sparked a string a three goals in a span of 9:29 when he potted an even-strength goal 5:06 into the stanza. Frattin added his second power-play marker of the evening 5:05 later (10:11) and Gregoire gave the Fighting Sioux a three-goal cushion heading into the third period at the 14:37 mark.

Midway through the third period, the Beavers seemed to get a second wind.

Sophomore **Jordan George** was the benefactor of a hard-nosed play by **Jake Areshenko**, who wrestled the puck from a UND player on the corner. **Matt Read** fed the puck up the ice to the speedy **Ian Lowe**, who then hit George on the doorstep for a nifty backhand over the shoulder of the North Dakota goaltender Brad Eidsness.

But the Fighting Sioux slammed the door on any comeback attempt and reclaimed their three-goal lead when Frattin completed a hat trick at the 18:13 mark. The empty-net goal came with help from Evan Trupp.

In addition to out shooting the Beavers 38-14 on the evening, UND also held an edge on special teams. The Sioux were 2-of-5 on the power-play, while holding Bemidji State scoreless on four man-advantage opportunities.

BEMIDJI, Minn. -- (Bemidji Regional Event Center) -- **Matt Read** and the Bemidji State University men's ice hockey team gave No. 2 University of North Dakota all it could handle in front of a capacity crowd Saturday at the Bemidji Regional Event Center, but the battle tested Fighting Sioux outlasted the Beavers to gain a 5-2 victory and complete the series sweep.

Despite allowing UND to light the scoreboard first, Bemidji State posted a pair of power-play goals to erase a deficit and build a 2-1 lead early in the second period. However, UND caught the Beavers on their heels late in the period to skate into the third owning a 3-2 lead.

A pair of empty-net goals late in the game stretched the UND advantage to three goals, cementing the victory for the Sioux.

North Dakota got its power-play unit clicking early. Chay Genoway scored his first goal of the season 8:43 into the game, capitalizing on UND's second man advantage opportunity.

BSU would answer, tying the score at 1-1 before the end of the period as **Jordan George** netted his second goal in as many games with help from **Ian Lowe** and **Brad Hunt**.

Just 5:46 into the second frame, Read posted the Beavers' second power-play goal of the evening to put BSU up 2-1, but the advantage would be short-lived. UND got and got goals from Derek Rodwell and Evan Trupp, to take the lead for good.

"Nobody likes to lose so if you go in the locker room right now, the guys are disappointed," said Bemidji State Head Coach **Tom Serratore**. "They are competitive and wanted to win a hockey game. They feel they can win a hockey game. I don't think they look at moral victories, but as a coach I want to make sure we are getting better."

"We are a better hockey team right now than we were last night at this time and that is one thing I am happy with right now."

"[Last night] we had no jump, no energy and we didn't take care of the puck very well. I think our guys recognized that. Serratore added, "We had a lot of energy tonight, we fore checked well and we moved the puck around on the power-play so our special teams were a factor."

The Beavers finished the game 2-for-6 on the power-play, while holding a potent Fighting Sioux unit to a goal on six opportunities.

Crediting a good morning video session and the opportunity to get on the ice and compete in live game situations Friday, Serratore displayed a sense of satisfaction in the way his team performed in the back end of its inaugural Western Collegiate Hockey Association (WCHA) series.

"I am never happy with a loss, but I am happy with the progress we made."

Another bright spot for the Beavers was the play of Read.

"This was the best game Matt Read has played for us," said Serratore. "I thought tonight Matt was the best player on the ice tonight. He had great depth to his game and played great defensively. The goal he got was a big time goal. He played well on both ends of the ice and he was great on face offs," added the coach. "All that came against the best team in the country."

On the wrong end of back-to-back 5-2 contests, North Dakota swept the Beavers league series for the first time since Feb. 9-10, 2007 when former College Hockey America (CHA) rival downed the Beavers in consecutive games.

BEMIDJI, Minn. (Bemidji Regional Event Center) -- The Bemidji State University men's ice hockey team battled nationally-ranked University of Minnesota Duluth to overtime and after several legitimate opportunities to earn their first victory at the Bemidji Regional Event Center, seemed poised to escape with at least its first Western Collegiate Hockey Association (WCHA) point, but the No. 3 Bulldogs got a goal to steal the game in the waning moments of overtime.

"I was very proud of the resiliency our team showed," commented BSU head coach **Tom Serratore**. "I thought the first 10 minutes was an extremely one-sided affair. We rebounded, got a couple goals to tie it up and the momentum came back. I thought it was a good toe-to-toe in second period and in the third period I thought we actually carried play."

"Good players make good play and Oleksuk had a heck of a nice tip there from Olson on that third goal."

The Beavers were sluggish out of the gates, stymied by a penalty to **Jake Areshenko** just 27 seconds after the drop of the puck. That's all that one of the nation's most potent line ups would need to get on the scoreboard. Mike Connolly scored his seventh goal of the season just 19 seconds later to put UMD up 1-0.

For the next eight to nine minutes, the Bulldogs had their way with the Beavers, opening a 14-3 lead in shots on goal and dominating all aspects of play.

A **Shea Walters** five-minute major penalty for contact to the head, opened the door for Minnesota Duluth to build a 2-0 lead. J.T. Brown scored the Bulldogs' second power-play goal of the night at the 10:03 mark, but until Oleksuk found the back of the net in overtime, the goal would serve as the high point of the game for UMD.

Momentum began to build for the Beavers as they killed off the rest of the major. Less than two minutes later (15:19) senior captain **Matt Read** cleaned up a rebound off the power-play shot of **Ian Lowe** cut the deficit in half, 2-1. **Jordan George** knotted the game at 2-2 at the 16:59 mark on a nifty pass from Lowe to the right post.

An evenly played second period was followed by a third period that featured inspired, aggressive play by the Beavers in which they posted a 11-4 edge in shots on goal. Despite multiple legitimate scoring opportunities, the Beavers were unable to convert before the end of the stanza forcing the first overtime period of 2010-11 for either team.

BSU again came out as the aggressor in overtime, but when the Bulldog attack breached the BSU defense, **Brad Hunt** was forced to make a play from behind to prevent a clean break away attempt. The junior was whistled for tripping on the play, forcing the Beavers to play a man short for the remainder of the game. Although BSU successfully killed 1:51 of the penalty, Oleksuk redirected a shot from Dylan Olson into the net with just 7.9 seconds remaining in extra time to keep the Bulldogs unbeaten (6-0-1; 3-0-0 WCHA).

Aaron Crandall won the goaltender showdown posting 26 saves, while allowing two goals in the win. BSU's **Dan Bakala** was tagged with the loss despite turning away a season-high 31 shots.

The win gives the Bulldogs a 19-9-0 advantage in the all-time series, while it stands as the first over BSU on the Beavers' home ice since Feb. 26, 2005.

BEMIDJI, Minn. -- (Bemidji Regional Event Center) -- No. 3 University of Minnesota Duluth and its goaltender Kenny Reiter kept the Bemidji State University men's ice hockey team scoreless for over 58 minutes Saturday, but a late goal from **Emil Billberg** (Sr., F, Stockholm, Sweden) was all it would take to push the game to overtime and garner the Beavers' first point as a member of the Western Collegiate Hockey Association.

"To me, tonight was a very good tie," commented Bemidji State head coach **Tom Serratore**. "I thought our guys had a gutty, three-minute span from about the seven-minute mark to about the four-minute mark of the third period where we finally applied some sustained pressure and Emil popped that one. So I am very proud of the resiliency of our guys."

Billberg's goal came at the 58:29 mark of the third period when **Drew Fisher** (Jr., F, International Falls, Minn.) won a battle on the boards and chipped the puck out to **Dan MacIntyre** (Sr., D, Fort Frances, Ontario) who found the native of Sweden streaking towards the net.

The Beavers and Bulldogs went toe to toe in a first period that saw UMD post a 10-9 edge in shots on goal, but each goaltender rose to the occasion stopping shot after shot, setting the stage for the remainder of the evening.

The Bulldogs caught the first break of the game at the 6:08 mark of the second period when Bemidji State's Fisher and **Brady Wacker** (So., D, Jensen, Saskatchewan), who was also issued a 10-minute unsportsmanlike conduct penalty, were each set to the penalty box after being whistled for cross-checking, setting a full two-minute 5-on-3 opportunity for the visitors.

Not only did the BSU penalty-kill unit successfully snuff out the UMD power-play opportunity, it also held the Bulldogs without a single shot on next during the span.

After 40 minutes of scoreless, well-played hockey, it was the felling of the BSU coaching staff that one goal was all it would take to win the game. So when Justin Faulk scored on the power play to put UMD up 1-0 just 3:51 mark of the third period, the Beavers could have thrown in the towel, but instead, the tally served as a wake up call. The Beavers turned up the intensity and began to generate offense by tightening their defensive pressure. Ultimately, BSU's hard-nosed play resulted in a change of possession and Billberg gave the Beavers the break they needed beating Reiter high on a one-timer from the right faceoff dot.

In overtime, BSU went on the power-play just 43 second in, but it was UMD that recorded the best scoring opportunities putting two shots on net. Just as in regulation, **Mathieu Dugas** (So., G, L'Assomption, Quebec) was steady between the pipes for Bemidji State, and would turn away both chances and the teams would settle for the tie.

In his first start of the season, Dugas piled up 28 saves, including 10 stops in both the first and the second period, allowing just the third-period power-play goal in 65:00 minutes of play. He moves to 4-2-2 in his career. His counterpart, Reiter, turned away 19 BSU shots and moves to 3-0-2 on the season.

ST. CLOUD, Minn. (National Hockey Center) -- Sophomore forward **Jordan George** recorded a goal and two helpers, while senior captain **Matt Read** added a goal and assisted on another, but the Bemidji State University men's ice hockey team's first road trip of 2010-11 didn't get off to the start the team anticipated. Despite climbing to within a goal of the hosting Huskies midway through the third period, 4-3, SCSU added two goals late to separate itself from the Beavers and claim a 6-3 Western Collegiate Hockey Association victory Friday at the National Hockey Center in St. Cloud, Minn.

Read put the Beavers up early, taking passes from **Jake Areshenko**, who logged his first point of the season with an assist on the play, and George before beating the SCSU goaltender, Mike Lee, just 3:11 into the game. But the lead would be short-lived. At the 12:04 mark of the period, Drew LeBlanc ignited a run of four consecutive goals by the Huskies, stretching to the 8:33 mark of the second period, when he scored his second power-play goal of the season. Ben Hanowski gave the Huskies their first lead of the night just three minutes later (15:13) sending SCSU to the first intermission owning a 2-1 lead.

The Huskies capitalized with BSU in the penalty box during the second period netting a pair of goals to extend their lead to three goals heading into the final stanza.

Hanowski netted his second goal of the night, this time on the power-play, at the 6:08 mark of the second and Garrett Roe put St. Cloud State up 4-1 just 2:25 later.

Sparked by a power-play goal by George in the opening minutes of the third period, his team-leading fourth marker of the season, the Beavers rebounded to within two goals of the Huskies. **Ian Lowe** continued the BSU comeback with an even-strength marker with 10 minutes to play, pushing the score to 4-3, but the Huskies got a goal from Aaron Marvin 1:24 later to snuff out any hope of a BSU rally. SCSU extended its lead to 6-3 in the closing moments of the game when Hanowski completed his hat trick with an empty-net goal.

Out shooting the Beavers 33-26 in the game, St. Cloud State earned the victory with superior special teams play. The Huskies converted three of seven power-play opportunities into goals, while their penalty-kill unit stymied three of four Beaver power-play chances.

Lee piled up 23 saves in 60:00 minutes gaining the win between the pipes for the Huskies. His counterpart, BSU's **Mathieu Dugas** recorded 27 saves, but allowed five goals and was tagged with the loss (0-1-1).

ST. CLOUD, Minn. -- (National Hockey Center) Held winless though the first five games of the 2010-11 season (0-4-1), a team with the proud history and tradition of Bemidji State University was due for a victory. Saturday at the National Hockey Center in St. Cloud, Minn., it may have taken extra time, but the Beavers got it done earning their first victory as a member of the WCHA 3-2, over St. Cloud State University. The victory came in typical Beaver Hockey fashion: Hard-nosed play, a stellar effort by the penalty-kill unit and an opportunistic offensive attack.

"I told the guys in the locker room this was the best regular-season win in the history of this program," commented BSU Head Coach **Tom Serratore** after the game. "It was the way we did it. We flat out earned this victory. Period."

It was the Beavers' top line of **Jordan George**, **Matt Read** and **Ian Lowe** that wilted the team a win. After Lowe netted the game-tying goal with less than three minutes to play in regulation, the trio again combined to generate the game-winner just 46 seconds into overtime.

For the second consecutive night, George, led the team with three points. Saturday, he had a hand in each of the Beavers' goals posting three assists. The Madison, Wis. native finished the weekend leading the team with 4-5=9 points. Two of his assists came on goals scored by Lowe, which included the game-winner. Read was also credited with a helper on the game's final goal.

BSU was the first to light the scoreboard and Saturday it took just 44 seconds. With Chris Hepp headed to the penalty box for tripping, BSU senior **Emil Billberg** recorded his second tally of the season on the delayed penalty. But the lead would be snatched away as quickly as it was grabbed. Twenty-nine seconds into the Beavers' first power play (1:11), St. Cloud State's Nick Jensen netted a short-handed goal.

After seeing a goal scored for each team during the first 71 seconds of play, the teams played the remainder of the period without a goal and skated into the first intermission tied at 1-1.

The Huskies jumped out to a quick 2-1 lead 1:18 into the second period on a goal from Aaron Marvin. The even-strength marker would stand as the only goal of the second period putting the Huskies 20 minutes from what looked like a series sweep.

Midway through the third period, BSU was whistled for a minor penalties followed 31 seconds later by another setting the stage for a 5-on-3 opportunity for SCSU. But the BSU penalty-kill unit was water-tight killing the penalties and setting the tone for the remainder of the game.

At the 15:32 mark, the Beavers got the break they needed. SCSU's was whistled for a minor penalty putting the Beavers on the power-play. Forty-seven seconds later, Lowe scored the equalizer with 3:41 left on the clock to set up Bemidji State's third overtime game of the season.

Just 46 seconds after the puck was dropped in extra time, Lowe put a shot past the SCSU goaltender to give BSU the victory.

BSU won the special teams battle Saturday and earned the victory because of it. The Beavers were just 1-0-5 on the power-play, but got the goal they needed when it mattered. On the flip side, the Bemidji State penalty-kill was lights out, backstopped by junior goaltender Dan Bakala. The unit stymied all eight SCSU power-play opportunities, including four in the third period alone.

Bakala totaled 19 saves in the 60:43 victory allowing two St. Cloud State goals. He improved to 1-3-1 on the season.

BEMIDJI, Minn. (Bemidji Regional Event Center) -- The Bemidji State University men's ice hockey team scored twice in the first 45 seconds to grab an early 2-0 lead in its first ever meeting with the University of Alaska Anchorage, but the Seawolves rallied for a pair of third-period markers to edge the Beavers, 5-4, Friday at the Sanford Center.

Matt Read (Sr., F, Ilderton, Ontario) scored two goals, including his team-leading fifth of the season to give the Beavers a 3-2 lead midway through the second frame, but UAA responded with three consecutive goals put the Seawolves up 5-3 with 4:40 to play. Despite a goal by Radoslaw Illo (Fr., F, Bystrica, Slovakia) late in the period, a comeback was not in the cards for the Beavers and UAA skated off with the one-goal Western Collegiate Hockey Association victory.

"It's a different type of game when you have all that scoring in the first minute and a half," said Head Coach Tom Serratore. "We had a two goal lead early, but gave one up 45 seconds later and the momentum changed from there."

"Ultimately, the difference in the game was that they out special teamed us 2-1."

The Beavers potted a power-play goal for the third consecutive game, finishing 1-for-4 on the man advantage, but allowed the Seawolves to score on 2-of-4 power-play opportunities, marking the fourth game in 2010-11 that BSU has allowed multiple special teams goals.

Just 27 seconds into the game, BSU's Sam Rendle (Fr., D, Grand Rapids, Minn.) opened the scoring by garnering the first goal of his collegiate career dribbling a rebound off a UAA defender and across the goal line. Fifteen seconds later, Rendle found the back of the net with help from Jordan George (So., F, Madison, Wis.) and Brad Hunt (Jr., D, Ridge Meadows, British Columbia) to put BSU up 2-0 after just 42 seconds of play.

The Seawolves bounced back with a goal at the 1:27 mark when Daniel Naslund pushed the puck five hole on BSU goaltender Dan Bakala (Jr., Calgary, Alberta), but the Beavers would cruise into the first intermission owning a 2-1 lead.

Alaska Anchorage got its second power-play opportunity of the night at the 2:23 mark of the second period and would need just 55 seconds to capitalize. After an initial save, Matt Bailey stuffed the first of his two power-play tallies on the night across the line at the 3:18 mark knotting the score at 2-2. After a Read goal on the man advantage put the Beavers up 3-2, Sean Wiles tied the game, 3-3, on an even-strength goal with 4:49 left in the frame.

The Seawolves opened the third period on the man advantage and turned the special teams chance into a goal just 26 seconds in on Bailey's second marker. Fifteen minutes later, UAA would get the eventual game-winner off the stick of Brett Cameron (15:20).

Illo's goal at the 15:46 mark, the freshman's first point in the green and white, rejuvenated the Sanford Center crowd and BSU bench, but the big, physical Seawolves packed in their defensive effort in the game's final minutes and the Beavers' rally fell short.

UAA's Rob Gunderson posted 26 saves in 59:52 between the pipes, allowing four goals in the victory, while Bakala was tagged with the loss after turning away 18 Alaska Anchorage shots conceding all five UAA goals.

BEMIDJI, Minn. (Bemidji Regional Event Center) -- Buoyed by a three-point night from senior captain Matt Read (F, Ilderton, Ontario) and a 16-save shutout by sophomore goaltender Mathieu Dugas (L'Assomption, Quebec), the Bemidji State University men's ice hockey team gained a 4-0 victory over University of Alaska Anchorage Saturday at the Bemidji Regional Event Center.

The win not only allowed the Beavers to salvage a Western Collegiate Hockey Association series split, it also stood as BSU's first win over the Seawolves and the inaugural victory in its new hockey home.

"This was a good win for us," commented BSU Head Coach Tom Serratore. "We really needed a win." He continued, "I am happy for our fans and I am happy for our guys."

"I thought this was the best game we've played this year," said Read. "Words can't describe the feeling of finally winning a game after struggling here for the first couple weeks. Knowing that you've just out played a team for the whole 60 minutes, playing a great game. Now we know we can do it and want to keep that momentum rolling."

For the second consecutive evening, the Beavers jumped to an early two-goal lead.

Read got Bemidji State on the board just 17 seconds into the game. A pair of nifty passes from Jake Areshenko (So., D, Port Coquitlan, British Columbia) and Jordan George (So., F, Madison, Wis.) set Read up with the puck behind the UAA defense and the Ilderton, Ontario native beat the Seawolves' goaltender Rob Gunderson high from the left face off dot on a tremendous individual effort.

Midway through the period (11:19) Jamie MacQueen (Jr., F, St. Thomas, Ontario) put Bemidji State up 2-0 when he redirected a Brad Hunt (Jr., D, Ridge Meadows, British Columbia) from the point past Gunderson and into the back of the net.

After a scoreless second period of play, BSU caught a break in the third when UAA was whistled for a pair of minor penalties just 28 seconds apart (12:27). The Beavers capitalized scoring 1:11 into the 5-on-3 power-play. Ian Lowe (Sr., F, Bradwardine, Manitoba) was the beneficiary of quick perimeter passing by the Beavers as Read and Hunt found the senior in the high slot for a one-timer and Lowe connected for his fourth goal of the season.

As the visiting Seawolves pressed to make up some of the deficit, UAA pulled their goalie en leu of an extra attacker, but Read stepped in front of an Alaska Anchorage shot and posted his second marker of the evening to stretch the Beavers' lead to 4-0 with 3:32 to play.

The lead would hold as Dugas denied all eight of UAA's third period scoring opportunities to preserve the victory and collect the second shutout of his collegiate career.

The Beavers finished the night scoring on one of three power-play opportunities, while their penalty-kill unit held the Seawolves scoreless on five chances on the man advantage.

DENVER (Magness Arena) -- Despite a stout defensive effort, solid goaltending an early goal by freshman defenseman Sam Rendle (Grand Rapids, Minn.), the Bemidji State University men's ice hockey team was unable to hold on for a victory Friday at the University of Denver.

The Beavers allowed an even-strength goal each period, which included an empty-net marker late, dropping the Western Collegiate Hockey Association series opener, 3-1, at Magness Arena in Denver.

For the sixth time in nine outings, BSU was the first to light the scoreboard and tonight it was Rendle who drew first blood. Senior forward Ryan Cramer (International Falls, Minn.) turned a DU attempted line change into a 3-on-1 opportunity for the Beavers. Jamie MacQueen (Jr., F, St. Thomas, Ontario) rang a shot of the pipe to cap the rush and the freshman defender corralled the rebound in the slot and netted his second goal of the season to put BSU up 1-0 at the 7:54 mark.

Despite outplaying the Pioneers and controlling the puck for a majority of the first period, DU out shot the Beavers 7-2 and at the 16:25 mark, Matt Donovan evened the score. David Makowski found the blueliner with a drop pass in the high slot and Donovan fired a seeing-eye shot through traffic that snuck past BSU's goaltender Mathieu Dugas (So., G, L'Assomption, Quebec).

After skating through most of the second period locked in the 1-1 tie, Jason Zucker scored giving the Pioneers their first lead of the evening at the 17:05 mark. Drew Shore got the play started winning a face off in the Pioneers' offensive zone. He then dug the puck out of a scrum on the boards and found Donovan. The blueliner fired a shot on net and Zucker tipped, what would stand as the eventual game-winner, passed Dugas for his team-leading eighth goal of 2010-11.

Opening the third frame trailing by one, 2-1, the Bemidji State penalty-kill unit was tested early and often. BSU was whistled for three penalties setting the Pioneers up with six minutes of 5-on-4 play, but for the second consecutive game, and the third time in four outings, BSU held its opponent scoreless on the man advantage not only snuffing out all three of DU's third period opportunities, but finishing the game 5-for-5 on the penalty-kill.

The Beavers had a flurry of scoring opportunities in the third period despite being out shot 12-5 in the frame.

Running out of time, the Beavers got the break they needed when DU's John Ryder was sent to the penalty box for holding, setting the Beavers up with their second power-play opportunity of the contest with 3:24 on the clock. The Beavers lost the ensuing face off and struggled to gain control of the puck for the first half of the power-play chance, but during the last 40 seconds, had the Pioneers scrambling and racked up four quality scoring opportunities.

With 1:30 to go, BSU pulled its goaltender to get an extra attacker on the ice, but with 27 seconds to go, Denver would put the game away on a Luke Salazar empty-net goal.

BSU's Dugas was tagged with the loss, conceding two goals, while turning away 26 Pioneer shots in 58:57 between the pipes. His 2010-11 record falls to 1-2-1.

DENVER (Magness Arena) -- The Bemidji State University men's ice hockey team battled back from an early 1-0 deficit to hold a one-goal lead at the conclusion of the first period, but a pair of rebound goals by No. 14 University of Denver vaulted the Pioneers past BSU, 4-2, Saturday at Magness Arena in Denver, Colo.

After a 3-1 victory Friday, the win allowed DU to complete the series sweep of the Beavers marking the first time BSU has been swept in a road series since Jan. 16-17, 2009 at the University of Minnesota Duluth.

"Tonight was very disappointing," commented head coach **Tom Serratore**. "They are a good hockey team, we all know that, but we had a 2-1 lead and we let it get away."

Denver got the scoring started at the 4:59 mark of the first period.

With defenseman **Dan MacIntyre** (Fort Frances, Ontario) in the penalty box for tripping, DU's David Makowski made the Beavers pay on the Pioneers' first power-play opportunity of the game. With assists from Luke Salazar and Drew Shore, Makowski fired a shot from the point that found its way into the back of the net to put DU up 1-0.

But Bemidji State got the spark it needed with just under three minutes left in the first, when Chris Knowlton was called for elbowing. Serratore pulled goaltender **Mathieu Dugas** (L'Assomption, Quebec) for an extra attacker and the move paid off. At the 17:47 mark **Sam Rendle** (Fr., D, Grand Rapids, Minn.) took a centering pass from **Shea Walters** (Jr., F, Hibbing, Minn.) and scored an extra attacker goal from the slot. Senior captain and BSU's leading scorer **Matt Read** (Iderton, Ontario) was also credited with an assist on the play.

Although the Beavers evened the score at 1-1, the penalty on Knowlton set BSU up for a power-play with 2:13 left in the frame. It would take just 41 seconds for the Beavers to grab their first lead of the evening. On a tremendous display of passing and patience, Bemidji State got a pass from **Emil Billberg** (Sr., F, Stockholm, Sweden) out of the corner that was centered by **Jordan George** (So., F, Madison, Wis.) and **Ian Lowe** (Sr., F, Bradwardine, Manitoba) connected one-timer from the top of the crease to account for a BSU power-play goal.

In a second period that saw each team go on the man advantage on two occasions, the only goal of the game came with 1:23 remaining and both teams at full strength. DU's Paul Phillips fired a shot on goal that was initially turned away by Dugas, but the BSU goaltender lost the puck and the rebound was flipped over his shoulder for Nick Shore's first goal of the season.

The tally knotted the score at 2-2 setting up a third period, 20-minute chase for the win.

Anthony Maiani put the Pioneers up 3-2 at the 7:10 mark of the third cornering a rebound off the shot of Nick Shore and putting it past Dugas.

The goal would stand as the game winner.

With 1:18 left in the game, Bemidji State again pulled its goaltender for an extra attacker. The Beavers got a couple good looks at the net, but in an effort to clear the puck out of the zone, DU's Jason Zucker fired the puck the length of the ice and buried an empty-net goal to solidify the 4-2 win and complete the series sweep.

With the win, Denver extends its lead in the series to 7-0-0 and is a perfect 6-0-0 when hosting the Beavers.

BEMIDJI, Minn. (Bemidji Regional Event Center) -- The Bemidji State University men's ice hockey team opened nonconference play Friday hosting Northern Michigan University at the Bemidji Regional Event Center. The Wildcats (6-6-2) stymied the Beavers' offensive attack as goaltender Reid Ellingson turned away 37 shots to lead NMU to a 4-0 victory over the Beavers.

Tied 0-0 through 17:30 of play, the Wildcats' C.J. Ludwig was whistled for cross-checking penalty to set the Beavers up with their second power-play opportunity of the evening, but instead of giving BSU the spark it needed to take a lead into the first intermission, Bemidji State failed to record a shot on net and NMU took advantage of getting their skater back on the ice as Nicholas Kosinski took a pass from Ludwig and scored 12 seconds after the penalty had expired.

"This was a disappointing loss. We gave up the first two goals and that made it tough," said BSU head coach **Tom Serratore**. "We had a few defensive breakdowns and one at the end of the power-play [in the first period] where our defenseman got trapped and we gave up a 2-on-1. You just can't give up a goal with 18 seconds to go in a period. If you go into the locker room 0-0 it's a just totally different game and the mind set is totally different."

NMU built a 2-0 lead with an even-strength marker at the 3:41 mark of the second period. Justin Florek led a 2-on-3 rush and fired a slapshot from the top of the left face off circle. While BSU goaltender **Mathieu Dugas** (So., L'Assomption, Quebec) kicked the attempt aside, the puck went right onto the stick of Phil Fox in the slot and he buried a wristshot.

Entering the third trailing the visiting Wildcats by two goals, the Beavers needed to generate offense early jump back into the game and get the 3,505 back on their side. Instead, NMU's lead would grow to 3-0 just 2:11 into the frame. Erik Higby corralled a rebound off a Stephan Vigier shot and potted his second goal of the season.

Serratore pulled Dugas with just under three minutes to play in an attempt to shrink the deficit, but when Mike Maltese tipped a BSU pass out of the zone, NMU's top scorer Tyler Gron won a footrace to the puck and got an empty-net tally with 1:34 to play to erase any BSU thoughts of a comeback.

Special teams play was a non-factor in the game. NMU snuffed out all three of BSU's power-play chances, while the BSU penalty-kill unit not only held the Wildcats scoreless on three opportunities, it allowed just one shot on net in six minutes of penalty time.

Falling to 1-4-1 on the season, Dugas finished with 21 saves in 58:52 between the pipes.

The win marks the first time Northern Michigan's first versus the Beavers and evens the series at 1-1-1.

The shutout not only stands as the first time the Beavers have been blanked this season, it is the first time the team has been held scoreless at home since Minnesota State University earned a 1-0 victory over the Beavers at the John S. Glas Fieldhouse Dec. 15, 2007.

BEMIDJI, Minn. (Bemidji Regional Event Center) -- Goaltender **Dan Bakala** (Jr., Calgary, Alberta) collected 17 saves and senior forwards **Emil Billberg** (Stockholm, Sweden) and **Ian Lowe** (Bradwardine, Manitoba) each posted a goal and an assist as the Bemidji State University men's ice hockey team blanked Northern Michigan University, 4-0, to salvage a nonconference series split at the Bemidji Regional Event Center Saturday.

"I thought tonight was a 60-minute effort for our team," said BSU Head Coach **Tom Serratore**. "I was very proud of the way the guys came out on the first two shifts. I think we had a lot of energy and that set the tone for the whole game."

Although the Beavers failed to record a goal during the opening 20 minutes of the contest, they enforced a fast-paced, physical style of play that would wear the Wildcats down as the game progressed.

Bemidji State began to reap the benefits of its high-motor play in the second period. The Beavers out shot NMU 19-3 in the stanza, had three power-play opportunities and exited the frame with a 2-0 lead.

Billberg, who was inserted on the wing of BSU's top line Saturday, got the Beavers on the board just 94 seconds into the period. Alternate captain **Ryan Adams** (Sr., D, Deloraine, Manitoba) won a battle in the corner and made a pass out of the Wildcats' zone to Lowe. The senior forward skated the puck into the offensive zone and fired a shot from right face-off circle that was kicked out by NMU goaltender Reid Ellingson directly to Billberg who was on the doorstep and deposited the puck into a virtually open net.

The goal, which would stand as the game-winner, was all the offense the Beavers would need as Bakala and BSU's team defense shut down Northern Michigan. In addition to Bakala's 17 saves, BSU limited the Wildcats' offensive chances will good puck pressure and blocked 10 shots.

Midway through the period, the Beavers' would see their lead swell to 2-0 as BSU would capitalize on its second power-play opportunity of the evening.

With C.J. Ludwig in the penalty box for tripping, Scott Macaulay was booked for high sticking at the 12:33 setting up a 57-second 5-on-3 chance. **Jordan George** (So., F, Madison, Wis.) and the Beavers' power-play unit would need just 24 seconds to see their lead swell to 2-0. **Brad Hunt** (Jr., D, Ridge Meadows, British Columbia) and Billberg were credited with assists on the play as Hunt unleashed a shot from the point that deflected off Billberg onto the stick of George who potted his fifth goal of the season.

Lowe added an insurance goal, 3-0, with just 46 seconds to play in the game when he picked up an errant pass in the neutral zone and made NMU pay for pulling their goaltender.

Holding the Wildcats scoreless on both power-play opportunities, the Beavers' penalty-kill unit completed the weekend snuffing out all six of their power-play chances, while the team's power-play crew was 1-for-5 Saturday and 1-for-8 on the weekend.

Bakala, improved to 2-4-0 posting the fourth shutout of his career.

Ellingson made 34 saves in 58:53 between the pipes for NMU. He falls to 4-5-1 in 2010-11.

BEMIDJI, Minn. (Sanford Center) -- The Bemidji State University men's ice hockey team got a 25-save shutout from goaltender **Dan Bakala**, while sophomore **Jake Areshenko** netted his first collegiate goal to push the Beavers past No. 4 University of Nebraska Omaha Friday at the Sanford Center.

BSU got scoring contributions from nine players, while solid team defense, good puck pressure and a water-tight penalty-kill unit held Mavericks offense, averaging over 4.5 goals per game scoreless on six power-play opportunities.

"This was the best game we've played this year," said BSU head coach **Tom Serratore**. "We played 60 minutes, we played very well defensively and we had our share of offense so overall I could not be happier."

Bemidji State set the tone early getting an extra-attacker goal by Areshenko. When UNO's Pasko Skarica got caught holding a BSU skater midway through the first period, the Beavers saw a chance to get an extra skater on the ice. Brad Hunt dug the puck out of the corner and got it to **Jamie MacQueen** who circled the zone before firing on net. Areshenko tipped the puck through goaltender John Faulkner's five hole from his post just outside the crease.

The goal turned out to be all the offense BSU would need as the BSU defense blocked 18 shots limiting UNO's quality opportunities and as the Beavers' last line of defense, Bakala was flawless.

"[Bakala] stood on his head tonight," added Areshenko. "Even in the third period he was flying all over the net making saves. It was big time."

Bakala's 25-save night was highlighted by a third period in which the junior faced a flurry of UNO shots, piling up 12 stops in the final frame alone to post his fifth career shutout.

After blanking opponents in his last two starts, Bakala has not allowed a goal in his last 124:40 between the pipes dating back to Nov. 12. He improves to 3-4-0 on the season.

Leading 1-0, the Beavers were tested early in the second. Just 18 seconds into the frame, BSU lost its top defenseman in Hunt. The junior was assessed a five-minute major penalty and game misconduct for checking from behind, to put the Mavericks on the power-play for the second time. But it would get worst for BSU. Struggling to kill off the major, **Matt Read** was sent to the box for hooking, serving up the UNO power-play unit with more than 60 seconds of 5-on-3. But the BSU penalty-killers would stand tall igniting the 3,291 in attendance and fueling a second BSU goal.

Love accounted for his seventh goal of the season at the 6:25 mark of the second stanza. The senior displayed tremendous drive as he was denied on his first shot from the slot before crashing the net and stuffing the puck past the UNO goaltender.

The Beavers' lead grew to 3-0 at the 8:32 mark of the third period when **Emil Billberg** scored his fourth goal of the season to put the game out of reach.

The solid play of BSU's special teams gave the Beavers boost again tonight. In addition to posting a power-play goal in the second period, the BSU penalty-kill unit allowed just three shots on six UNO man advantage opportunities.

Despite taking the loss, UNO continues to hold an edge in the all-time series 5-2-0.

BEMIDJI, Minn. (Sanford Center) -- Down 1-0 to No. 4 University of Nebraska Omaha after nearly two periods of play, the Bemidji State University men's ice hockey team used a power-play goal by **Ian Lowe** with 0:7 left in the second as a springboard to a 3-1 victory and its first Western Collegiate Hockey Association series sweep Saturday at the Sanford Center.

"It definitely feels great," commented sophomore forward **Aaron McLeod**, who was responsible for the game-winning goal. "Nebraska Omaha is one of the top teams in the nation right now so it's definitely good to get two wins off of them." He added, "I thought we executed well in the last 10 minutes of the second period and then going into the third period we continued to skate and we got the win which was huge."

"We needed to start establishing ourselves at home. We really dug a hole for ourselves at home during the first half of the year," said BSU head coach **Tom Serratore**. "We weren't necessarily coming into the weekend looking to sweep, we just wanted to play good hockey. That is what it is all about."

The fans saw 120 minutes of not only great Beaver hockey, but exciting hockey this weekend. It was WCHA hockey at its finest."

The Mavericks drew first blood when Johnnie Searfoss fired an odd-angle shot from the goal line extend and the puck bounced off BSU goaltender **Dan Bakala**'s right shoulder before finding the back of the net. The goal snapped a streak of 134:14 flawless play between the pipes for Bakala, stretching back to Nov. 12, but that was all the Mavericks' top-ranked offensive attack would manage as the junior netminder buckled down and turned away 39 UNO shots in 60:00 minutes of play to even his record at 4-4-0 on the season.

Bemidji State played from behind for most of the second period and had a pair of unsuccessful power-play opportunities early, but when UNO's Eric Olimb was whistled for high-sticking with just 1:14 left in the frame, it would provide the Beavers with the spark they needed to jump back into the game. BSU's leading scorer **Jordan George** skated the puck into the zone with just seconds to go, he centered the puck to **Matt Read** in the slot who redirected the pass to Lowe who was on the doorstep to tap the puck into the net with less than a second remaining in the stanza to send the Beavers to the locker room with the score knotted 1-1.

Sophomore forward **Aaron McLeod** scored the go ahead goal in the third after he intercepted a outlet pass from a UNO defender in the near corner and fired a shot from the left face off dot for his first goal of the season.

BSU would manufacture another goal with just over four minutes to play (15:31) and the Beavers would ride the momentum and the emotion of the 3,737 in attendance to the two-goal victory.

BSU's special teams play was on target again. In addition to the power-play goal, BSU's penalty-kill unit held the Mavericks scoreless on three man advantage opportunities. Bemidji State has not allowed a power-play goal in seven of its last nine games and is riding a streak of 33:33 of penalty time without allowing a goal.

Although the Beavers earned the sweep, UNO continues to hold an edge in the all-time series 5-3-0, but the Beavers have gained victories in three of the last four meetings with the Mavericks.

MADISON, Wis. (Kohl Center) -- Up 2-0 after just 2:30 of play Friday at the Kohl Center in Madison, Wis., the Bemidji State University men's ice hockey team saw the University of Wisconsin score three unanswered goals, one in each period, to gain a 3-2 victory and snap the team's winning streak at three games.

The Beavers jumped out to a lead just 2:01 after the drop of the puck. UW's Jordy Murray was called for interference, but before the Badgers could gain control of the puck, BSU skated an extra attacker onto the ice and **Radoslav Ilo** took passes from **Dan MacIntyre** and **Shea Walters** and flipped a backhand over the Wisconsin goaltender Scott Gudmandson and into the net.

With Murray in the penalty box it took the Beavers just 29 seconds to build a two-goal lead, 2-0. In his first collegiate visit to his hometown, **Jordan George** got his friends and family on their feet when he netted a power-play goal from **Ian Lowe** and the Beavers' Division I-era all-time leading scorer **Matt Read**, who pulled ahead of Luke Erickson (2003-07) with the helper.

But the celebration was short-lived. The Badgers cut the lead in half, 2-1, before the end of the first period. Craig Smith capitalized on a penalty to Read at the 12:16 mark as he netted the first power-play goal allowed by BSU in 37:46 of penalty time--a streak stretching 20 opponent opportunities in six games since Nov. 20.

Despite being out played for most of the second period, and out shot 7-1 in the first 10 minutes of the frame, the Badgers got the only goal of the session setting up a 20 minute race to the victory.

Podge Turnbull knotted the game at 2-2 with an even-strength marker on a wrist shot from the blue line that went off the fingertips of BSU netminder **Dan Bakala** at the 12:12 mark.

The goal would stand as the fulcrum point of the game as momentum would swing in favor of Wisconsin.

The Badgers caught a break with 2:32 to play in the period when Walters was whistled for a five-minute checking from behind penalty, serving the nation's second-ranked power-play up with a five-minute man advantage. BSU snuffed out the first 2:33 of penalty-time before the end of the second, but the Badgers still have over two minutes on the man advantage to open the third period.

The Beavers would kill off the rest of major, but before the BSU player escape the box and get back into play, and with **Brad Hunt** just 30 seconds into interference penalty, Smith would net his second power-play goal of the night to give the Badgers a 3-2 lead.

From that point, UW packed it in limiting Bemidji State's quality looks. Gudmandson and the Badgers held off a late BSU charge as the Beavers elected to pull Bakala late, but Bemidji State was unable to find the net and dropped the first half of the series by one goal, 3-2.

Wisconsin tallied a pair of goals on five (2-5) power-play opportunities, while it held BSU to one marker on three (1-3) chances on the man advantage.

Gudmandson turned away 25 BSU shots and allowed two goals in 60 minutes between the pipes to improve to 6-5-1 on the season, while Bakala made 25 saves in 58:39 in net, but conceded three goals, saw his personal three-game winning streak in net come to an end and fell to 4-5-0 in 2010-11.

MADISON, Wis. (Kohl Center) -- After scoring two goals in the first 2:30 of the series, the Bemidji State University men's ice hockey team was held without a goal for the remaining 117:30 of its time in Madison, Wis., which included a 2-0 shutout loss to the University of Wisconsin Saturday at the Kohl Center.

The Badgers used an even-strength goal in the final seconds of the first period to gain firm control of the momentum and would ride it into the third frame where it added an insurance goal to complete the series sweep and send Beavers to the holiday break with a 5-10-1 record overall and a 4-9-1 record in Western Collegiate Hockey Association (WCHA) play.

Wisconsin gained the first lead of the game late in the first period. A BSU turnover on the blue line resulted in a 3-on-2 situation for the Badgers as they took advantage of the situation. In the end the trailer, Justin Schultz, found Michael Mersch on the right post with a back door pass and Mersch tapped his seventh goal of the season into the virtually open net.

The teams would play through the second period without managing to change the score although Wisconsin held a 17-12 edge on the shot board through two periods.

Leading 1-0 midway through the third (13:08), the Badgers got the benefit of a bouncing puck from Podge Turnbull to take a 2-0 lead and change the complexion of the game.

BSU pulled goaltender Dan Bakala (Jr., Calgary, Alberta) with just under three minutes to go, but was unable to hold the puck in their offensive zone long enough to benefit from the extra attacker or generate any serious scoring opportunities.

A night after power-play goals were the difference, special teams play did not play a role in tonight's contest. The BSU penalty-kill unit held UW scoreless on three man advantage opportunities, while BSU failed to convert on its two power-play chances.

Bakala was tagged with the loss after allowing two Badger goals. He junior turned away 23 shots in 57:51 of play and falls to 4-6-0 on the season.

Wisconsin netminder Scott Gudmundson piled up 21 saves en route to posting the second shutout of BSU this season. He improves to 7-5-1.

The win gives the Badgers a 3-0-0 edge in the all-time series and a 2-0-0 edge in games played in Madison, Wis. In the three games BSU has now logged versus the Badgers, they have managed just two goal and both came in the span of 29 seconds of last night's series-opener.

MINNEAPOLIS, Minn. (Mariucci Arena) -- Dan Bakala was nearly flawless, making 35 saves on 37 shots, and saw teammates Matt Carlson and Drew Fisher net the first goal of their respective collegiate careers as the Bemidji State University men's ice hockey team opened the Mariucci Classic with a 3-2 victory over Ferris State University (9-8-3) Friday afternoon.

Returning from a two week layoff, the Beavers showed no signs of rust, getting a great goaltending effort and a nice wave of secondary scoring to earn the one-goal, non-conference win on the Olympic ice of Mariucci Arena in Minneapolis, Minn.

BSU struck first. Carlson, who was trailing on the play, crashed the net from the point, took a wide shot off the end boards and slid it past an out of position goaltender for his first collegiate goal. After a second look by the officiating crew, the sophomore was awarded the tally and assists were credited to Emil Billberg and Ian Lowe on the play.

The marker stood as the first since for BSU since the first period of the Dec. 10 contest at University of Wisconsin--snapping a scoreless streak stretching 127:14. Bemidji State took the 1-0 lead into the first intermission.

With the teams playing 4-on-4 midway through the second period (10:32), the Beavers' lead grew to 2-0 on a tremendous display of individual skill by Jordan George. The sophomore took a pass from Brad Hunt, shook a pair of Bulldog defenseman and got a shot on goal from the slot. Taylor Nelson kicked the initial attempt away, but directed it right to the tape of George who would not be denied again and buried a backhand for his team-leading eighth goal of the year.

After being out shot 9-4 in the first period, the Beavers turned the tables on FSU in the second out shooting the Bulldogs 13-9 to trail 18-17 on the shot board, but lead 2-0 where it mattered--on the scoreboard--after 40 minutes of play.

Ferris State came out of the second intermission with something to prove. The Bulldogs recorded the first five shots of the period and got a deflection off the stick of Aaron Schmit at the 1:44 mark to cut the Beavers' lead in half, 2-1.

Bemidji State bounced back to reclaim a two-goal cushion just 63 seconds later (2:47). Darcy Findlay dug the puck out from behind the Beavers' goal and stretched a pass across the rink, off the boards ahead to Brance Orban. Orban found Fisher in front of the net and the International Falls, Minn. native's first collegiate goal would stand as the eventual game-winner.

Dominating play in the third period, out shooting BSU 19-5 in the frame, the Bulldogs made it interesting getting an extra-attacker goal with 1:01 left in the game. Jordie Johnston got a shot off through traffic that hit Bakala's shoulder and rolled over into the net, but that was all FSU would manage as BSU regrouped and weathered the last 60 seconds to claim the victory.

Bakala's 35-save, 60-minute performance, which included 17 stops in the third period alone, was good enough to lift his 2010-11 record to 5-6-0 on the season.

Despite each team being whistled for three penalties, each team was 0-for-1 on the power-play and special teams figured little into the final outcome.

Despite taking the loss, the Bulldogs own a 5-4-0 advantage in the all-time series with BSU, but the Beavers have now won four of the last six meetings between the teams.

MINNEAPOLIS, Minn. (Mariucci Arena) -- Matt Read scored two goals, while Dan Bakala turned away 30 of 31 shots to lead the Bemidji State University men's ice hockey team to a 3-1 victory over No. 14 Union College Saturday at Mariucci Arena in Minneapolis, Minn. The victory came on the heels of a 3-2 win over Ferris State University Friday and earned the Beavers the 2010-11 Mariucci Classic title.

"It's always nice to win a championship and get some hardware," said BSU Head Coach Tom Serratore. "We played a good third period and I guess that was the most gratifying thing to me."

Just 24 hours removed from allowing its first round opponent, Ferris State University, a pair of third period goals and let a 2-0 lead slip to 3-2 3-2 lead with just 61 seconds to play, Bemidji State buckled down in the final frame this afternoon. The team killed two penalties late and defended an extended extra attacker situation to protect a 3-1 lead and escape with a two goal victory.

For the 11th time in Bemidji State's 18 games of 2010-11, the Beavers were first to score and for the sixth time this season, BSU has scored on its first shot on net.

Just 5:27 after the opening face off, Read gathered the puck behind the net, skated around the left circle and fired a shot from the high slot to put the Beavers up 1-0. Ian Lowe and Sam Rendle were credited with assists on the senior's eighth goal of the season.

But an offense averaging 3.72 goals per game can only be held at bay for so long and the Dutchmen bounced back to even the score, 1-1, before the first period concluded. Daniel Carr flipped an unassisted shot over the shoulder of Bakala with just 11 seconds remaining on UC's second power-play opportunity of the game.

Despite being out shot 20-11 after 40 minutes of play, BSU took a 2-1 lead into the locker rooms at the second intermission.

Rendle recorded the first multi-point effort of his collegiate career as he contributed to the Beavers' second goal of the afternoon. The freshman defender stepped in front of a Union centering pass before starting the scoring play with a rink-wide pass to George. The Madison, Wis. native then carried the puck into the zone, skated to a stop in the slot and deposited a shot low on the stick-side of the net.

The Beavers dominated play to open the third period and lit the lamp at the 1:58 mark to stretch their lead to 3-1.

A Union penalty just 1:21 into the frame served up a man advantage opportunity for Read and a BSU power-play unit seeking its first special teams marker in more than 10 periods of play. BSU's captain took advantage threatening a short-side shot high past Keith Kinkaid for his second goal of the game. In addition to providing BSU with some insurance, the marker gave Read his team-high third multi-goal game of the season.

For the second straight game, Bakala made 30-or-more saves and improved to 6-6-0 with the victory. In 60 minutes between the pipes, the junior turned away 30-of-31 Dutchmen attempts and backstopped a penalty-kill unit that snuffed out 4-of-5 power-play chances of a special teams unit that came into the game leading the nation by scoring on 34 percent of its opportunities.

The win is the first for BSU over Union in six all-time meetings, while Union continues to own a 2-1-3 advantage in the series that got its start during the 2000-01 campaign.

HUNTSVILLE, Ala. (Von Braun Center) -- The Bemidji State University men's ice hockey team got two goals from **Matt Read** for the second straight game and freshman **Kyle Brodie** netted his first collegiate goal as the Beavers saw their current winning streak grow to three Friday with a 3-1 victory over the University of Alabama-Huntsville at Von Braun Arena.

Trailing for more than 30 minutes and tied into the final five minutes of the game, the Beavers had their hands full from the opening face off to the final horn, but with just over four minutes to go, Brodie's weak side goal that made the difference for the Beavers and allowed the team to improve to 8-10-1 on the season.

Despite leading the Chargers 9-4 in shots on goal in the first period, the Beavers trailed UAH 1-0 after 20 minutes of play.

Joey Koudys scored his third goal of the season at the 6:30 mark directly off a face-off win by Jamie Easton, who was credited with the assist. But as time expired on the frame, Easton was whistled for an elbowing penalty giving the Beavers a one-man advantage as the second period got underway. But the Beavers were unable to capitalize on their first power-play opportunity of the evening.

Bemidji State opened the second period on a flurry of unanswered shots and with 8:36 left, Read broke the seal on the goal and evened the score at 1-1 with a low, glove-side shot from the face-off circle. **Jordan George** and **Brad Hunt**, who lead the team with 12 assists a piece, contributed to the scoring with assists on the play.

BSU continued to control play to open the third, but when the Beavers would come up dry on a pair of power-play opportunities, it looked as though it would not be their night. However, a Chargers' turnover picked up by **Shea Walters** would spark a play in the Beavers' offensive end that reversed BSU's fortune. **Aaron McLeod** and **Radoslav Illo** found Brodie, who was playing in just his second game of the season, on the weak side for the game-changing goal at the 15:20 mark.

Although they owned a 2-1 lead, things got interesting for the Beavers down the stretch.

With just 1:20 left on the clock, senior forward **Emil Billberg** put UAH on the power play for the remainder of the game when he was sent to the penalty box for holding, but Read would come through with the Beavers' first short-handed goal of the season to ice the game, 3-1, at the 19:35 mark.

BSU goaltender **Dan Bakala** improved to 7-6-0 on the season allowing just one goal, while turning aside 16 UAH shots in 59:44 of action. In addition, the goaltender was credited with his second assist of the season on Read's goal late. Bakala has now won his last three starts and is 6-2-0 with a 1.26 goals against average and a .952 save percentage since Nov. 27.

Unbeaten by the Chargers in 13 games (12-0-1), the win gives the Beavers a 36-27-4 advantage in the all-time series.

HUNTSVILLE, Ala. -- (Von Braun Center) -- Matt Baxter scored twice to lead a trio of Chargers with three points as the University of Alabama-Huntsville men's ice hockey team defeated Bemidji State University, 4-3, Saturday at the Von Braun Center in Huntsville, Ala. The one-goal victory not only earned a non-conference split for UAH, it marked the first time the Chargers have posted a win over the Beavers since Nov. 7, 2008.

A BSU penalty-kill unit that had allowed just four power-play goals in its last 12 games (4-of-47), conceded three to the Chargers Saturday. Ala.-Huntsville capitalized on its first two man advantage opportunities of the evening to take a 2-0 lead less than 15 minutes into the game and the Beavers would never recover.

Baxter opened the scoring at the 9:06 mark, just 52 seconds into UAH's first man advantage chance of the evening and would never relinquish the lead. Mac Roy and Jamie Easton were credited with assists on the play.

Six minutes later, the Chargers' lead swelled to 2-0 when Roy converted a BSU penalty into a power-play goal just six seconds after senior **Ryan Adams** was escorted to the penalty box for interference.

With 20 minutes of play in the books, the Chargers owned a 14-9 advantage in shots on goal and were up 2-0.

BSU cut their deficit in half, scoring the only goal of the second frame. **Emil Billberg** potted his career-high fifth goal of the season at the 16:29 mark with help from **Brady Wacker** and linemate **Matt Read**.

The Beavers opened the third with Ala.-Huntsville well within reach, but by the eight-minute mark, UAH scored twice to open up a three-goal lead, 4-1. In addition, to Baxter's second power-play tally of the afternoon just 50 seconds into the stanza, Keenan Desmet posted Ala.-Huntsville's only six-on-six goal at the 7:37 mark.

Aaron McLeod trimmed UAH's lead to two goals, 4-2, ten seconds later.

With under five minutes to play, Read scored his second short-handed goal of the season, but that was close as BSU would come as time would run out on the Beavers' comeback despite peppering the Chargers' goaltender with 15 shots in the final 20 minutes.

Special teams play was the difference in the one-goal game. UAH finished scoring on 3-of-5 power-play chances, while despite netting a short-handed goal for the second straight night, the Beavers' special teams units failed to net a goal on two man advantage opportunities.

Clark Sanders collected 32 saves in net for the Chargers and allowed three goals, while picking up his third win of the season. On the other end of the ice, **Mathieu Dugas**, who made his first start since Nov. 26, turned away 21 shots and fell to 1-4-1 on the season after allowing four UAH goals.

Despite taking the loss, the Beavers continue to hold a 36-28-4 advantage in the all-time series and since Mar. 3, 2006, BSU is a dominant 23-3-2.

OMAHA, Neb. (Quest Center Omaha) -- Senior **Ryan Cramer** recorded his first goal of the season along with an assist to figure in on both BSU goals as the Bemidji State University men's ice hockey team battled back to gain a 2-2 tie versus No. 10 University Nebraska Omaha Friday at the Quest Center Omaha. Cramer's goal with 3:58 left in the second period erased a BSU deficit and put the Beavers in position to gain a WCHA point.

The Beavers were first to light the scoreboard, taking a 1-0 lead just 6:14 into the game.

Cramer started the play with a backhanded centering pass from deep in the zone. The pass ended up on the stick of rookie **Radoslav Illo**, who tucked the shot passed the Maverick goaltender John Falkner.

UNO battled back to knot the score at 1-1 before the period expired.

With 6:18 left in the frame, UNO's leading scorer Matt Ambroz took advantage of a Rich Purslow rebound kicked aside by **Dan Bakala**. The senior collected the puck on the right post and as he was being pushed beyond the goal line, he flicked a shot back towards the crease and deflected off Bakala and into the back of the net. Eric Olimb was also credited with an assist on the play.

With 3:29 left in the frame, Tony Turgeon was whistled for contact to the head, took and early exit and set the Beavers up with a power-play opportunity for the remainder of the first and the first 91 seconds of the second period.

The Mavericks' penalty-kill stood tall on the major penalty killing all five minutes to keep the score 1-1.

An **Emil Billberg** hooking infraction at the 6:40 mark of the second gave UNO its fourth chance on the man advantage and the Mavericks converted. Just 15 seconds into the penalty, the trio of Ambroz, Purslow and Olimb combined for a power-play goal to give the home team the lead, 2-1.

The Beavers were out played for a large portion of the second period and were out shot 8-4 in the stanza, but BSU made good on one of four shots on net to keep the score even after 40 minutes of play.

The Beavers came back to tie the game, 2-2 just over 16 minutes into the second stanza. **Aaron McLeod** started the play by corraling the puck behind the Beavers' goal before hitting Cramer with a long pass up the center of the rink. Cramer then got a step on the UNO defensive pair and flipped a backhand top shelf for his first goal since Mar. 13, 2010.

Each team bucked down in the third period and despite a total of 20 shots on net, 10 for each team, the score remained locked 2-2 and for the fourth time of the 2010-11 season the Beavers needed extra time to decide the game.

BSU failed to record a shot on net in the overtime period, but Bakala turned away both Maverick attempts to come out of the game with a 2-2 tie and a point in the WCHA standings.

Bakala finished the game with 30 saves, while conceding both UNO goals in 65:00 minutes. His record moves to 7-6-1 on the season, while he has been unbeaten in seven of his last nine starts (6-2-1). Falkner, now 12-6-2, stopped 24 shots in the tie.

For the third straight game, the BSU power-play unit was held scoreless (0-for-2), while its penalty-kill unit allowed a UNO goal on five man advantage opportunities.

OMAHA, Neb. (Quest Center Omaha) -- The Bemidji State University men's ice hockey team needed extra time for the second consecutive night, but a **Matt Read** goal 52 seconds into the extra frame spared the Beavers from back-to-back stalemates with No. 10 University of Nebraska Omaha. The senior's second goal of the evening gave BSU a 3-2 victory over the Mavericks at Quest Center Omaha, where UNO was 7-1-0 coming into the series, and allowed the Beavers to escape holding three of four points from the Western Collegiate Hockey Association (WCHA) series.

Read scored twice and **Jordan George** added a pair of assists to propel BSU to its fourth victory over a nationally-ranked opponent this season (4-5-2) as the Beavers improved to 9-11-2 overall and 5-9-2 in the WCHA.

The Beavers, who put UNO on the power-play four times and were out shot 14-8, including the first eight shots of the game, in the first period, were lucky to escape the frame trailing just 1-0. Solid penalty-kill play and sharp goaltending by **Dan Bakala** kept the sluggish Beavers in the game during the first 20 minutes.

UNO's Matt Ambroz accounted for the only score of the first period, netting a man advantage marker, his third of the series, at the 6:14 mark.

However, the tide would turn for Bemidji State in the second period. Midway through the stanza (10:16), Read took a pass from fellow senior **Emil Billberg** and George at the bottom of the left circle and evened the score, 1-1, with a power-play marker of his own.

Less than three minutes later (13:12), the Beavers' would take their first lead of the game when **Matt Carlson** pocketed the second goal of his career. Trailing the play, the junior carried a rebound from a George shot in the slot and fired a rocket passed John Falkner.

Taking a 2-1 lead into the third period, Bemidji State saw its lead vanish at the 4:46 mark. Ryan Walters put an unassisted shot in the back of the net to set up the teams' second consecutive overtime contest.

The Mavericks took it to the Beavers to begin the sudden death overtime, but a BSU rush by the line of Read, **Ian Lowe** and Billberg ended the game, 3-2, as Read found a Lowe rebound, skated down the slot and lifted a shot over the shoulder of Falkner.

Bakala collected 36 saves, while allowing just two goals in 60:49 between the pipes. Unbeaten in seven of his last 10 starts (7-2-1), Bakala improved to 8-6-1 on the season. Falkner falls to 12-7-2 after allowing conceding all three BSU goals, while making 28 saves.

Read's first goal of the evening stood as the Beavers' first power-play goal in nearly four games. The Beavers power-play unit finished scoring on one of four man advantage opportunities.

After allowing a power-play goal in the first period, BSU's penalty-kill unit snuffed out the Mavericks' last final three opportunities to finish holding UNO scoreless on four of five power-play chances.

BSU is now 2-1-2 in overtime this season.

Despite going winless versus BSU this weekend, the Mavericks continue to cling to a 5-4-2 record versus the Beavers all-time, while Bemidji State is unbeaten in five of the last six games between the teams (4-1-1) and are 3-0-1 versus UNO as WCHA foes.

BEMIDJI, Minn. (Sanford Center) -- St. Cloud State University stole a 2-1 overtime victory and two points in the Western Collegiate Hockey Association (WCHA) standings from the Bemidji State University men's ice hockey team Friday in front of a capacity crowd of 4,373 at the Sanford Center. Nic Dowd flipped in the game-winning goal with just 28.5 seconds remaining in the extra frame to end the game after the teams played 52:08 with the score tied.

The Huskies took a 1-0 lead in a well-played, evenly-matched WCHA contest 6:37 into the second period when Nick Jensen scored with help from Garrett Roe and Cam Reid.

Bemidji State looked to have tied the game on a **Jake Areshenko** goal poked through a scrum in front of the net at the 13:15 mark, but after a review of the scoring play, the officials determined that a BSU player contacted the SCSU goaltender and the crew waved the goal off.

But the Beavers bounced back to get the goal they needed with 1:15 left in the second period and headed into the second intermission with the score even, 1-1. Senior **Matt Read** netted his team-leading 15th goal of the season to set up a 20-minute race for the victory. The team captain took a pass from **Brad Hunt** in the high slot and patiently waited for a clear shot before firing a wrist shot through heavy traffic in front of the crease and past SCSU's Mike Lee. **Jordan George** was also credited with an assist on the power-play goal.

A scoreless third period set the Beavers up with overtime for the third consecutive game and the sixth time this season. BSU entered the game 1-1-2 in extra time to this point in 2010-11 and had not lost an overtime contest since Oct. 29 when University of Minnesota Duluth's Travis Oleksuk scored a power-play goal with seven seconds left in the extra frame--a streak spanning four overtime games. So when the score was still 1-1 with the clock ticking below a minute, it looked as if BSU would salvage a tie, but Jensen would have a say in that.

A narrowly missed scoring opportunity by BSU's **Dan MacIntyre** was followed by a rush into the Huskies' offensive zone. Jared Fessler got the puck on net and after a rebound shot was blocked by BSU's goaltender **Dan Bakala**, Dowd collected the puck in the slot, lifted it up and over a pair of BSU defenders and past the Beavers' netminder to allow SCSU to escape with the win and extend its winning streak to five games.

Solid defensively through the game, the Beavers piled up 19 blocked shots in front of Bakala's 21-save night. Bemidji State's penalty-kill unit was flawless snuffing out all five of SCSU's power-play opportunities, which included a five-minute major early in the second period.

With five man advantage opportunities, Read potted BSU's only power-play goal of the evening.

Despite being handed a disappointing loss Friday, the Beavers maintain a handle on the all-time series with the Huskies. BSU owns a 44-38-3 mark versus St. Cloud State since 1948.

BEMIDJI, Minn. (Sanford Center) -- This wasn't how they planned their return to Sanford Center after an absence of nearly six months.

Just one week removed from a three-point weekend versus nationally-ranked University of Nebraska Omaha team in Omaha, Neb. to wrap up an eight game road swing, the Bemidji State University men's ice hockey team returned to the Robert H. Peters Rink Jan. 21-22 only to be swept by St. Cloud State University (11-11-2; 7-8-1 WCHA). The Huskies capped the Western Collegiate Hockey Association (WCHA) series by pinning a disappointing 5-1 loss on Beavers to extend their winning streak to six games Saturday.

St. Cloud State scored on three of their first seven shots on goal, building a 3-0 lead during the first 10:03 that would prove to be insurmountable for a shell-shocked Bemidji State team playing in front of a stunned capacity crowd of 4,373.

"You want a better start than that," said BSU head coach **Tom Serratore**. "It just didn't happen. You are down 3-0 ten minutes into the game and you're obviously dug a pretty big hole for yourself."

"St. Cloud State has a ton of skill. If you give up out numbered rushes, they will obviously convert every one of them."

SCSU sophomore David Eddy scored a pair of goals and assisted on another to lead the Huskies, while Garrett Roe and Cam Reid each contributed a goal and posted two assists as St. Cloud State handed the Beavers their worst loss of the season.

The 5-1 loss marked the first time BSU has dropped a game by four goals or more since Mar. 27, 2010 when University of Michigan defeated the Beavers by the same score in the 2010 NCAA Tournament's Midwest Regional Semifinal in Fort Wayne, Ind.

"They all sting," commented Serratore about the loss. "They never feel good. You just have to try to block these out. Hopefully this will serve as a wake up call. You just have to try to learn from this type of game."

Trailing 3-0 to open the second stanza, the Beavers played with a bit more urgency and finished the frame out shooting the Huskies 16-10, but St. Cloud State would make it 5-0, on a Jordy Christian tally at the 8:11 mark and Eddy's second goal of the game just over four minutes later (12:35), before the Beavers would find the scoreboard.

After a pair of near misses early in the second, including a point-blank shot that rang off the near post, junior **Jamie MacQueen** made good on a power-play attempt from the right face-off circle. **Shea Walters** and **Sam Rendle** were credited with assists on the play as the Beavers cycled the puck around the top of the zone to MacQueen for the open look.

Down 5-1 after 40 minutes of play, the Beavers opted for a goaltending switch putting sophomore **Mathieu Dugas** between the pipes. The sophomore held SCSU without a goal for the remainder of the game, but the change didn't translate into the same offensive spark as the Beavers were also held scoreless in the final 20 minutes of play.

Dan Bakala posted 15 saves before being pulled from the game. He falls to 8-8-1 on the season. Dugas turned away 10 shots in relief.

Each team finished with a power-play goal. BSU's penalty-kill unit allowed a SCSU special teams goal on five man advantage opportunities, while BSU converted one of its three power-play chances.

MANKATO, Minn. (Verizon Wireless Center)-- Bemidji State University goaltender **Dan Bakala** stopped a career-high 41 shots and **Jordan George** potted his 10th goal of the season to match Minnesota State University, Mankato, 1-1, with just over two minutes to play, but Bemidji, Minn. native Channing Boe netted a blast 2:32 into overtime to give MSU the win, 2-1.

On a night that the Beavers struggled to generate offensive opportunities, defense, goaltending and special teams play gave the team a chance for a victory as BSU and MSU opened a WCHA series at Verizon Wireless Center in Mankato, Minn. In addition to Bakala's career night between the pipes, the BSU penalty-kill unit held MSU scoreless on all four of its power-play opportunities and the Beavers blocked seven shots in front of their goaltender.

The Mavericks dominated play in the first period and found scoreboard first. Peppering Bakala with a steady stream of shots during the first 20 minutes, MSU owned a 16-2 advantage in goals on goal and one, at the 13:14 mark, found the back of the net.

A turnover in the Beavers' offensive zone sparked a four-on-two rush by the hosts resulting in a pass from Tyler Elbrecht to Ben Youds on left post. Youds put a shot on net that trickled through the legs of Bakala for a goal.

The Beavers came out of the first intermission down 1-0, but established a physical presence and to gain momentum in the game. Although the team was held scoreless in the period, BSU recorded several solid scoring chances. On the other end of the ice, Bakala proved to be on his game stopping all 14 of the Mavericks' 14 shots in the second stanza.

The third period belonged to the BSU penalty-killers.

With 12:28 left in the game, the Beavers' blueliner **Matt Carlson** was tagged for checking from behind along with a game misconduct, leaving the BSU defense short-handed for the remainder of the game and setting the Mavericks up with a five-minute power-play.

Already 0-for-2 in the game on the man advantage, the MSU power-play was again held at bay as the BSU penalty-kill unit seldom allowed a shot during the major penalty to stay within a goal.

Seventy-seven seconds later, the Beavers again found themselves short-handed when **Darcy Findlay** was whistled for boarding. But the BSU penalty-kill again stood tall giving the Beavers just over four minutes to mount a comeback.

With less than three minutes to go in regulation, Bemidji State got the break it needed. Senior forward **Emil Billberg** came up with a loose puck following a collision by a pair of MSU players at the blue line. The forward skated the puck into the zone and fired a shot that Maverick netminder Phil Cookkicked aside but was unable to collect. George was on the doorstep to deposit the backhand into the back of the net with 2:15 left in the game.

BSU followed the goal with a flurry of shots, but Cook was up to the challenge and sent the game to overtime with a handful game-saving stops.

Midway through the extra frame (2:32), deep in the Maverick zone, Boe stepped in front of a BSU attempt to clear the puck and fired a bullet from the left point that snuck past Bakala to steal the game 2-1 and garner two points in the WCHA standings.

MANKATO, Minn. (Verizon Wireless Center) -- Sophomore **Jordan George** recorded two goals and **Matt Read** added three helpers to power the Bemidji State men's ice hockey team to a 4-1 victory over Minnesota State at the Verizon Wireless Center Saturday.

The win not only ended the Beavers' three game losing skid and helped BSU salvage a series split, it also snapped a seven-game losing streak to the Mavericks dating back to Dec. 14, 2007.

One night removed from the BSU penalty-kill unit snuffing out all four of the Mavericks' power-play opportunities, the unit again achieved perfection holding Minnesota State scoreless on six power-play opportunities, which included 70 seconds of 5-on-3 early in the second period, while its power-play unit scored a pair of man advantage markers.

For the second time in as many games, the Mavericks scored first.

BSU's **Drew Fisher** came up with the puck following a face-off deep in the zone, but turned it over in front of the Beavers' net and Michael Dorr made the Beavers pay. He collected the puck and put it past **Dan Bakala** at the 14:06 mark to send the Mavericks into the intermission holding a 1-0 lead.

As the second period got underway, the Beavers were thrown into the fire. BSU spent 4:51 of the first 5:24 of the period on the penalty kill. Bemidji State opened the frame a man short and 51 in, **Dan MacIntyre** joined **Ryan Adams** in the penalty box supplying the Mavericks with a 1:10 5-on-3 opportunity.

The BSU penalty-kill had the answer.

Just 33 seconds later, Bakala and the penalty-kill unit was again called upon again when **Drew Fisher** was whistled for tripping, but Minnesota State again came up dry.

BSU's solid defensive effort provided the bench with a spark. At the 8:16 mark, the Beavers, who were on a power-play of their own, cycled the puck to **Brad Hunt**. Hunt fired a rocket though traffic from the point and the puck found the back of the net to tie the game with his first goal first since Jan. 22, 2011--a streak spanning 40 games.

Just 1:26 later, Read picked up a loose puck and found George in front of the net with a nifty pass and the sophomore tapped it in to give BSU its first lead of the series.

BSU skated its power-play unit for the first 1:38 of the third period and capitalized. Again it was Read that served as the playmaker. With just seconds left in the penalty, he corralled a blocked shot, skated around a Maverick and fired a shot that was redirected in front of the MSU goaltender by George.

George's second marker of the evening and 11th of the season, put the Beavers up 3-1 with 10:18 to play.

Ian Lowe put the game on ice with an unassisted goal at the 17:09 mark of the third.

Holding MSU scoreless on six power-play opportunities, the Beavers finished the series a perfect 10-of-10 on the penalty-kill. Conversely, a night after misfiring on both of its man advantage chances, BSU made good on 2-of-4.

Bakala was the game's unsung hero posting his second straight 40-plus-save performance, while backstopping the flawless penalty-kill. He allowed just one goal in the 60-minute win, evening his record to 9-9-1 on the season.

HOUGHTON, Mich. (John MacInnes Student Ice Arena) -- A hard luck Michigan Tech team took advantage of a pair of Bemidji State University miscues to earn a 2-2 tie with BSU and snap an 18-game Western Collegiate Hockey Association losing streak Friday at John MacInnes Student Ice Arena in Houghton, Mich.

After taking an early lead on a goal from **Ian Lowe**, the Beavers needed an **Aaron McLeod** marker with just over nine minutes to go to erase a 2-1 deficit and push the game to overtime for the fifth time in seven games. The teams played the five-minute extra frame without a goal and settled for a tie and a point in the standings.

"We'll take it," commented BSU Head Coach **Tom Serratore**. "We got our point. Now lets worry about tomorrow. If we can take care of tomorrow, we will end up with a productive weekend."

In a high-tempo, evenly-played first period, Michigan Tech may have out shot BSU 10-7, but it was the Beavers that accounted for the only goal. Lowe netted his 10th lampighter of the season at the 16:24 mark after **Jake Areshenko** hit fellow sophomore **Jordan George** with an outlet pass. George skated the puck into the zone before finding Lowe on the post and his senior linemate took care of the rest.

The Huskies caught their first break at the 8:42 mark of the second period. Patrick McCadden potted his second goal of the season in a virtually empty net. BSU goaltender **Dan Bakala** left the crease to play the puck and fire it up the ice, but hit one of his own defenders in the process. The puck fell to the skates of McCadden and he tied the game 1-1.

With the score even at 1-1 after 40 minutes of play, the Huskies again capitalized on a BSU miscue to brake the deadlock at the 7:13 mark of the third period. BSU misplayed the puck behind Bakala. Jacob Johnstone collected the loose puck and found MTU's leading scorer **Milos Gordic** in front of the net for the freshman's team-leading 13th of the season.

McLeod and the Beavers bounced back 1:24 later. After a nifty display of stick handling to cut through the MTU defense, the sophomore buried his third goal of 2010-11 high on the glove side of the net evening the score at 2-2. The play was started by the defensive pair of **Dan MacIntyre** and **Matt Carlson**.

Despite a penalty to MacIntyre that put the Huskies on the power-play for the final 1:03 of regulation, the score remained locked at 2-2 necessitating overtime. BSU opened the extra frame short one man for 53 seconds, but its penalty-kill unit stood tall holding MTU scoreless to complete the night a perfect 5-for-5.

The Beavers out shot Michigan Tech 5-2 in overtime, to grab a 34-29 lead on shots goal to out shoot opponent for the first time in its last seven games, but were unable to find the back of the net in overtime and settled for the tie.

The stalemate leaves the Bemidji State-Michigan Tech series even at 2-2-1. Although the Beavers salvaged a point in the tie, in the five-game history of the rivalry, no road team has ever won a game.

Bakala turned away 27 shots, while allowing two goals in 65:00 minutes of play. The tie pushed his record to 9-9-3.

Special teams did not figure into the game's scoring. In addition to the BSU penalty-kill unit snuffing out all five of Michigan Tech's power-plays, the Beavers were 0-for-3 on the man advantage.

HOUGHTON, Mich. (John MacInnes Student Ice Arena) -- Bemidji State University and Michigan Tech played more than 58 minutes without a goal Saturday, but with 1:33 left in regulation, BSU sophomore **Jordan George** scored an unassisted goal to break the scoreless tie and propel the Beavers to a three-point Western Collegiate Hockey Association (WCHA) weekend and the 2011 Winter Carnival Championship at John MacInnes Student Ice Arena in Houghton, Mich.

"I thought it was a great hockey games both ways," said BSU head coach **Tom Serratore**. "I thought we played very well for 60 minutes. I was pretty happy with our energy and I thought we had several quality scoring chances."

"This was a critical two points if we are going to stay in the hunt and try to advance in the standings," Serratore added. "It is still going to be awful tough, but we had to win."

George's 13th goal of the season stood as the only point of the game and earned the BSU forward the Winter Carnival Most Valuable Player Award.

With just under two minutes to play, George put his body in the line of fire to block a Michigan Tech shot from the point. The Madison, Wis. native then corralled the loose puck and took it to the other end before he finished the break-away by flipping a backhand over the glove-hand shoulder of MTU goaltender Kevin Genoe.

"It's amazing that at the end of the shift [Jordan] George can find legs," commented Serratore. "He is deadly on those breakaways."

BSU goaltender **Dan Bakala** turned away 23 of 23 shots for his sixth collegiate shutout and served as the last line of defense for a penalty-kill unit that held the Huskies scoreless on all three of their power-play opportunities to improve to 10-9-2 on the season.

On the other end, Genoe made 31 saves and took his own shutout bid inside the game's final two minutes. Tagged with the loss, he falls to 2-13-2 on the season.

For the second consecutive night, special team's play didn't impact the scoreboard. While BSU held the Huskies scoreless on three power-play chances, the Beavers came up dry on both man advantage opportunities.

The 1-0 triumph marks just the fifth time in the history of Beaver hockey that a BSU team has earned a 1-0 win and the first since Bemidji State defeated Wayne State University with the games' only goal Dec. 1, 2006.

Saturday's win not only gave the Beavers a 3-2-3 advantage in the all-time series with Michigan Tech and made BSU undefeated in the last four games versus MTU (3-0-1), it also stands as the first victory by the road team in the history of the rivalry.

BEMIDJI, Minn. (Sanford Center) -- The Bemidji State University men's ice hockey team trailed No. 18 Colorado College on four different occasions Friday, but used a season-high scoring output to earn a 5-5 overtime tie with the Tigers.

Senior **Ian Lowe**, who recorded a goal and two assists, led a contingent of nine BSU players that contributed scoring. **Jordan George** added the game-tying goal and was one of three BSU players with two points and **Jeff Jubinville** recorded his first collegiate lampighter in stalemate.

The Tiger's first visit to Bemidji, Minn. opened with a flurry. After just 10 minutes of play, the game was tied 2-2.

CC opened a 1-0 lead 2:29 in on a Tyler Johnson goal.

The Beavers mounted their first comeback 90 seconds later when **Sam Rendle** intercepted a cross-ice pass in the neutral zone and found **Jamie MacQueen** streaking into the zone. The junior fired a shot from the right face off circle and tied the game, 1-1.

Bemidji State got its first power-play opportunity of the game at the 8:07 mark, but the Tigers spoiled the man advantage turning a BSU turnover into a 2-on-1 opportunity and Tim Hall would pot CC's second goal of the game. Before the penalty expired, BSU again evened the score when Lowe got a shot on net that the Tiger goaltender, Joe Howe, could not handle and **Matt Read** buried the rebound for his team-leading 16th goal of the season.

Hall scored his second goal of the evening at the 14:59 mark to send the Tigers to the locker room after 20 minutes owning a 3-2 lead.

After combining for five goals during the first 15 minutes of play, BSU and CC would play the first 15 minutes of the second without a goal. Nick Dineen would change that at 15:02 mark of the period, making good on the only power-play opportunity of the second. The goal put Colorado College up two goals, 4-2.

The resilient Beavers bounced back yet again with a pair of goals during the final three minutes of the second period to tie the game 4-4.

Jubinville cut the deficit to a goal when **Brad Hunt** found him in the slot with a pass from behind the goal. Ninety-four seconds later, Read started a scoring play by digging the puck out of the corner and finding George with a pass behind the net. After shaking a defender with a nifty display of stick work, George found Lowe in the high slot and the senior banked a one-timer off the right post for his 11th goal of 2010-11.

After missing 15 games due to injury, CC's Jaden Schwartz pushed the Tigers back into the lead in the opening moments of the third period (1:09) deflecting a shot past BSU's **Dan Bakala**.

Down a goal, 5-4, with time ticking away, the Beavers climbed on the back of their leading scorer for one final comeback. George, who finished the game with 31 points (14-17-31), potted his 14th goal of the season with 2:55 left in the game. Lowe and Hunt were each credited with their second assist of the game on the play.

Each team was held scoreless during the remainder of regulation and for the entire five-minute overtime period. The teams settled for the tie and each garnered a point the WCHA standings.

Bakala turned away 16 shots for BSU, while allowing five goals in 65 minutes between the pipes. With the tie, he extended his unbeaten streak to four games, while his record moved to 10-9-3 on the season.

BEMIDJI, Minn. (Sanford Center) -- Entering its series finale with Colorado College owning the Western Collegiate Hockey Association's most efficient power play, the Bemidji State men's ice hockey team reinforced its top-billing Saturday riding a strong special teams effort to a 2-1 victory over the Tigers at Sanford Center.

The Beavers got goals from **Brance Orban** and **Jamie MacQueen**, while **Shea Walters** and **Ryan Cramer** each added pair of assists as the Beavers completed the home series by claiming three of four points in the WCHA standings.

Colorado college broke the ice getting power-play goal from Stephen Schultz 57 seconds into a penalty on BSU defenseman **Brad Hunt**. The goal came with just 1:37 left in the first period and sent the Tigers to the locker room for the first intermission with a 1-0 lead in their possession.

The Beavers, who are now unbeaten in their last five games (3-0-2), bounced back in the second to claim the lead on a pair of power-play markers.

Orban evened the score, 1-1, midway (11:19) the period with his first goal of the season. As the Beavers past the puck around the perimeter, Cramer found Walters on the point and the junior fired a shot through traffic that was deflected by Orban at the top of the crease and into the back of the net. Three minutes later, Bemidji State's second power-play goal of the evening came on a bullet off the tape MacQueen's stick from the top of the left face-off circle.

Leading 2-1 after 40 minutes of play, the Beavers rode a strong defensive effort in the third period, sparked by the play of goaltender **Dan Bakala**. Bakala made 10 saves during the final 20 minutes of play, which included a point-blank kick save that closed the door on CC's fifth power-play of the game.

Bakala finished the night with 34 saves, while allowing one goal in the win. He improved to 11-9-3 on the season and is unbeaten in his last five starts (3-0-2).

In addition to generating a pair of goals with its special teams play, the Beavers held the Tigers scoreless on four of five power-play opportunities.

The win over Colorado College is the first for Bemidji State since a 3-2 triumph over the Tigers in Colorado Springs, Colo. Dec. 29, 2006. However, CC still holds a slight edge in the series 3-2-1.

GRAND FORKS, N.D. (Ralph Engelstad Arena) -- Top-ranked University of North Dakota potted three power-play goals en route to a 5-2 victory over Bemidji State University to open the Western Collegiate Hockey Association series Saturday at Ralph Engelstad Arena.

Ryan Cramer and Matt Read scored for the Beavers, but it was not enough as Jason Gregoire and Matt Frattin each collected two goals in the UND victory.

The Fighting Sioux made good on their first power-play opportunity of the afternoon to break the scoreless tie 9:14 into the first period. With Dan MacIntyre in the penalty box for boarding, Brett Hextall fired a pass deep into the zone that found Brock Nelson behind the net. Nelson sent the puck to the top of the crease where Jason Gregoire tapped it past BSU goaltender Dan Bakala.

UND stretched its lead to 2-0 at the 17:10 mark. Mario Lamoureux took the puck off the right side boards and made a cross-ice pass to Derrick LaPoint. LaPoint unleashed a slap shot from the top of the left face-off circle that Brent Davidson redirected in front of the net to send the Fighting Sioux to the locker room with a two-goal lead at the first intermission.

In a lopsided first period, the Sioux established the tempo out shooting BSU 10-2. North Dakota would add to its lead in the opening moments of the second period. Just 55 seconds into its third power-play chance of the afternoon, Matt Frattin fired a bullet from the point that found the back of the net. Evan Trupp and Corban Knight were credited with assists on the play.

Cramer got the Beavers back into the game at the 6:11 mark of the second. The senior forward picked the pocket of a UND defenseman on the red line skated into the zone and let a wristed fly from the top of the left face-off dot for his second lamplighter of the season.

The goal was just the Beavers' fifth shot on net in the game.

As quickly as Bemidji State started to gain momentum, North Dakota caught a break and quickly stole it away.

With 2:43 left in the second frame, BSU was whistled for a cross-checking penalty, setting UND up with its fourth power-play opportunity and UND's lethal power-play unit responded with its third goal on the man advantage. Hextall took a shot from the point and Frattin deflected it into the back of the net.

Trailing 4-1 with 20 minutes to play, the Beavers held the Sioux at bay for the first 10 minutes of the third period, but when the UND attack squeezed past the Bemidji State defense, Trupp found Gregoire on the door step to put UND up 5-1.

The Beavers responded with another goal late (19:40) to bring the score to its final resting place. While attempting to kill UND's sixth power-play opportunity of the game, Ian Lowe got a shot off from the point. A UND defenseman blocked the attempt, but Read picked up the loose puck, skated to the left post and beat the UND goaltender for his team-leading third short-handed tally of the season.

In a game where special teams made the difference, the BSU power-play was 0-for-3 on the man advantage, while UND finished the game 3-for-6.

Bakala was tagged with the loss after conceding all five of UND's goals. He made 28 saves in the game, including 11 in the third period alone. He falls to 11-10-3 on the season.

GRAND FORKS, N.D. (Ralph Engelstad Arena) -- No. 1 University of North Dakota used a four-goal second period to drop Bemidji State University, 5-1, Sunday at Ralph Engelstad Arena and completed the Western Collegiate Hockey Association season series sweep.

For the second straight afternoon, the Fighting Sioux potted three power-play goals as special teams play again proved to be the difference in the game.

After a lackluster series-opener, BSU jumped out to an early lead Sunday. Sparked by a trio of power-play opportunities, the Beavers drew first blood taking advantage of a Fighting Sioux penalty for the first time in the series. Brad Hunt and Matt Read found Jordan George in the right face-off circle. George waited, picked his spot and sniped his 15th goal of the season to give the Beavers a 1-0 lead 7:06 into the game.

Bemidji State had a tremendous opportunity to build on its lead late in the period. With UND's Andrew MacWilliam already in the penalty box, Radoslav Illo drew a hooking penalty to give BSU a 5-on-3 advantage for 21 seconds. BSU managed two shots on the power-play opportunity, but the best team could muster was a high slot shot from Hunt that rung off right post.

Dan Bakala stood tall for BSU in during the first 20 minutes turning away nine UND shots to protect the team's 1-0 lead.

UND played the second as the clear aggressors and by the end of the period had four goals and the lead to show for it.

Opening the second period on the penalty kill for the first 1:30, the Beavers protected their lead for UND's first power-play, but 67 seconds later, BSU was again forced to play a man down when Ian Lowe was whistled for interference. It took the lethal UND power-play unit just five seconds to even the score at 1-1. Brad Malone was credited with the goal, while Matt Frattin and Dillon Simpson earned the assists.

Midway through the second, the Fighting Sioux power-play was at it again, this time needing just 1:49 to take their first lead of the game, 2-1.

The goal came when goaltender Aaron Dell chipped the puck up the ice to Corban Knight on the right side boards. Knight skated the puck into the zone and found Jake Marto in the high slot and the senior flipped a backhand over Bakala's glove hand and into the back of the net.

With the Beavers on their heels, UND got even-strength goals from Frattin and Jason Gregoire in the final 4:01 of the second to take a 4-1 lead into the locker room for the second intermission.

UND added a third power-play goal at the 13:20 mark of the final period to bring its lead to 5-1. Knight started the play from behind the net finding Malone in the left face-off circle. Malone slid a back door pass across the crease to Evan Trupp who tapped in his 14th goal of the season.

Bakala, who was tagged with the loss after conceding all five of UND's goals, saw his record fall to 11-11-3. He made 24 saves in the game.

UND's Dell turned away 15 shots and allowed just one goal in the win stretching his record to 23-6-2 on the season.

North Dakota's win marks its 12th consecutive versus the Beavers, while it improves its grip on the all-time series to 21-1-1.

BEMIDJI, Minn. (Sanford Center) -- Brad Hunt netted the game-tying goal with 19 seconds remaining in the third period to help the Bemidji State University men's ice hockey team force a tie versus the University of Minnesota 3-3 Friday night at Sanford Center.

Falling behind with just 3:40 to play, the Beavers drew a hooking penalty on Nick Bjugstad at the 19:20 mark. Already on the man advantage, the Beavers pulled goaltender Dan Bakala for an extra attacker and Hunt fired a wrist from the point that found the back of the net 21 seconds later. Ian Lowe and Ryan Cramer were credited with assists on the lamplighter.

The teams played a clean overtime period and settled for the tie and a point in the standings.

The Golden Gophers were the first to strike, effectively taking the sold out Sanford Center crowd out of the game 1:34 after the opening face-off.

Deep in the Minnesota zone, Patrick White took the puck off the side boards, flung the it on net and deflected the unassisted goal off the skate of a BSU defenseman in front of the crease.

BSU bounced back with a pair of goals before the period ended to take a 2-1 lead into the locker room after 20 minutes to play.

Senior Matt Read got the Beavers on the board at the 5:58 mark when he tipped in his team-leading 18th goal of the season on pass from Ryan Adams. Less than six minutes later (12:28), Bemidji State took their first lead of the game when Aaron McLeod collected a rebound off of his own shot and found the back of the net for the fourth time of the season.

The BSU lead would stick for the first 10 minutes of the second period, but when Lowe was whistled for high-sticking, with Cramer already in the box for interference, it provided Minnesota with a 15-second 5-on-3 advantage. It would take the Gophers' power-play just nine seconds to convert on the opportunity. Bjugstad was credited with the goal.

Minnesota would regain its lead, 3-2, late in the third period.

Jay Barribal made a quick pass across the front of the crease to White and the senior from Grand Rapids, Minn. potted his second goal of the night in from the right post at the 16:20 mark.

The lead lasted 3:21, before Hunt threaded his shot through traffic and into the net to force the Beavers' 10th overtime contest of the season.

Bakala made 27 saves and allowed three goals to stretch his record to 11-10-4 on the season. His counterpart, Kent Patterson, turned away 33 shots in 65 minutes of play. He is now 13-7-6 in 2010-11.

The Beavers converted their final power-play opportunity of the evening to finish 1-for-4 (.250), while Minnesota completed the night scoring on 1-of-3 power-play opportunities.

The Gophers continue to hold a 7-1-1 advantage in the all-time series, but the Beavers are unbeaten in the last two meetings between the teams (1-0-1).

Prior to the start of the game, the Beavers Hockey program will take a moment to honor its senior class. The class is made up of Ryan Adams, Emil Billberg, Ryan Cramer, Ian Lowe, Dan MacIntyre and Matt Read.

BEMIDJI, Minn. (Sanford Center) -- Nick Bjugstad scored just 20 seconds into overtime to lift University of Minnesota over Bemidji State University in Saturday's regular-season ice hockey finale at Sanford Center. The overtime-winner capped a two goal night for Bjugstad and a three-goal comeback for the Golden Gophers.

The Beavers built a 2-0 lead late in the second period and would take a 2-1 advantage into the third, but for the first time since Jan. 18, 2008, BSU was defeated when the team took a lead into the final 20 minutes to play. Minnesota would battle back to even the score late in the final frame and went on to capture the overtime win.

Bemidji State got goals from Jeff Jubinville and Aaron McLeod, while junior goaltender Dan Bakala posted a career-high 44 saves in the loss.

In a fast-paced first period that saw a total of 27 shots on goal, 14 for Minnesota and 13 for BSU, Jubinville got the Beavers to the locker room at the first intermission with a one-goal lead. The freshman put BSU up 1-0 with the second goal of his career at 14:40, capping a set of nifty passes from Darcy Findlay and Drew Fisher with a wrist shot from the top of the crease that snuck past the outstretched glove Minnesota's goaltender Kent Patterson.

Bemidji State extended its lead to two goals at the 14:41 mark of the second period on a home-ice bounce.

A Gopher defenseman attempted to pass the puck behind his own net sending the Beavers retreating on defense. The puck was deflected to the slot after hitting a discarded stick and McLeod made a nice move to beat Patterson. He placed his fifth goal of the season just inside the left post.

Minnesota cut the Beavers' lead to one on a goal from Nick Bjugstad with 2:08 left in the second period.

As the third period got underway, the Gophers established the tempo and had the Beavers on their heels. Minnesota out shot BSU 16-7 in the stanza and Mike Hoeffel slipped the puck past Bakala to tie the game at 2-2 with 5:19 left on the clock.

The teams matched blow-for-blow in the final minutes of the period, but were held scoreless forcing the Beavers to overtime for second consecutive night and 11th occasion of the season.

Just seconds into the extra frame, Bjugstad fired the puck on the BSU goal from the left face off circle. Bakala got a piece of it and fell on it and into the net. The goal was reviewed, but was awarded to Minnesota as the Golden Gopher bench cleared in celebration.

Minnesota left Bemidji, Minn. owning an 8-1-1 advantage in the all-time series with the Beavers.

Bemidji State finished its inaugural season as members of the Western Collegiate Hockey Association in 10th place with a record of 12-17-5 overall and a 8-15-5 mark in league play.

The team will wait to learn is postseason fate as the rest of games around the league play out.

OMAHA, Neb. (Quest Center Omaha) -- Locked in a 2-2 tie late Friday, Bemidji State got a game-winning goal from Jamie MacQueen with 1:53 to play to down No. 12 University of Nebraska Omaha 4-2 in the first game of a best-of-three WCHA playoff series at Quest Center in Omaha, Neb.

Out shot 48-17 in the game, the Beavers leaned heavily on goaltender Dan Bakala and just as he has so often down the stretch, the junior single-handedly kept BSU in the game turning away a career-high 46 shots.

Offensively, the Beavers were opportunistic netting four even-strength goals.

The first period set the stage for the night as the goaltenders shared the spotlight. Nebraska Omaha set the tempo early building a 15-8 advantage in shots on goal, but it was the Beavers that had the best scoring opportunity. Matt Read took a pass through the neutral zone on stride and dished the puck across the top of the crease to Ian Lowe. The Beavers looked to have UNO goaltender John Falkner beat, but the sophomore recovered to glove Lowe's one-timer to keep the Beavers off the scoreboard.

On the other end, the Mavericks kept Bakala occupied. Coming off a career-best 44-save effort last Saturday night, Bakala turned away 15 shots during the first 20 minutes to send the teams to the locker rooms tied 0-0.

The Beavers took the first lead of the game at the 4:53 mark of the second on an unassisted goal by sophomore Jordan George. The Beavers' leading scorer picked up a loose puck at the top of the right circle cut hard toward the net and lifted a backhand over the left shoulder of Falkner.

Lowe added to the BSU lead at the 10:50 mark. The senior picked off a UNO pass in the neutral zone, skated around a Maverick defender and potted a wrist shot from the slot despite Falkner getting a piece of the shot.

Although the scoreboard didn't show it, Nebraska Omaha again out played the Beavers for large stretches of the second period. Aided by three penalties called on MacQueen, Mavericks controlled play peppering Bakala with 21 shots on net in, while Bemidji State managed just six.

After killing the first two UNO power-play opportunities, the Beavers put the Mavericks back on the man advantage at the 13:21 mark of the second. UNO very nearly got on the scoreboard when a shot from the point was tipped in front of the net. The puck rattled through Bakala's pads and dribbled into the crease before BSU blueliner Ryan Adams swiped the puck off the right post to preserve the two-goal lead. But before the power-play was over, Ryan Walters scored to draw the hosts to within one, 2-1.

Seven minutes into the third period, the hard-luck Mavericks got their first break of the evening. Terry Broadhurst fired a shot on goal that was deflected by Bakala, but would squirt through the netminder's legs and across the goal line off the his heel to knot the game at 2-2.

The game remained tied in the final two minutes of regulation, when MacQueen took a pass from Ryan Cramer and scored to put the Beavers back on top. BSU's lead would swell to two goals just 21 seconds later as Read potted his team-leading 19th goal of the season from the right face-off circle.

Bakala earned the win allowing two goals on a season-high 48 UNO shots.

With just one power-play opportunity, BSU was unable to convert, while its penalty-kill unit snuffed out four of the Mavericks' five power-play chances.

OMAHA, Neb. (Quest Center Omaha) -- Buoyed by a 41-save performance by junior goaltender Dan Bakala, the 10-seeded Bemidji State University men's ice hockey team used a pair of goals by Matt Read and another from Jamie MacQueen to down three-seeded University of Nebraska-Omaha, 3-1, and advance to the Red Baron WCHA Final Five at Xcel Energy Center in St. Paul, Minn. March 17-19.

Out shot by a significant margin for the second straight night, 43-20, the opportunistic Beavers scored one goal each period to defeat the nationally-ranked Mavericks on their own ice in consecutive games and earn an opening round win in the best-of-three series.

The Mavericks took an early lead capping an up-and-down first 10 minutes of play when Alex Hudson fired a shot off Bakala and onto the stick of Rich Purslow, who tapped it in at the 9:32 mark.

The Beavers used their power-play to even the score two minutes later (11:34). The first of Read's two goals found its way through traffic from the point. The senior was assisted by MacQueen and Radoslav Illo on the play as the Beavers' scored on the power play for the first time since their March 4 game versus Minnesota.

Despite trailing UNO 16-3 in shots on goal in the first period, BSU's goaltender played a big role in that. Bakala's final save of the period capped a flurry of shots with traffic in front. The junior made a save on the left post, but failed to coral the rebound. A shot was fired towards a virtually open net from the slot but Bakala dove back and used his outstretched stick to stop the puck just short of the goal line.

MacQueen put the Beavers up 2-1 at the 8:15 mark of the period on a pass across the slot from Shea Walters. Senior Ryan Cramer was also credited with an assist.

With one-goal lead in hand, Read lit the lamp for the second time of the evening finishing a breakaway with a nice move to beat the UNO goaltender John Falkner. The senior's career-high, and team-leading 21st goal of the season turned out to be a necessity down the stretch.

UNO would make things interesting in the game's final moments. The hosts pulled their goaltender with just over 90 seconds left to get an extra attacker on the ice. The move paid off as Ryan Walters pushed the puck into the net from a scrum in front of the crease with just 8.4 seconds remaining. But the Beavers would rise to the occasion as Read won the ensuing face-off into BSU's offensive zone and the final horn sounded effectively ending the Maverick rally and the UNO 2010-11 campaign at 21-15-2.

Bakala earned the win improving to 13-12-4 in the season, allowing two goals while turning away 41 UNO shots. He finished the weekend with 87 saves. His counterpart, John Falkner, conceded three goals and made 17 saves in the loss. He falls to 20-14-2.

Special teams was key to the Beavers' win. BSU was 1-of-2 on the man advantage, but more importantly, held UNO scoreless on all four of their power-play chances.

Bemidji State, now unbeaten in six games versus UNO this season (5-0-1), takes a 6-5-1 lead in the all-time series and improves to 4-5-1 in games played in Omaha, Neb. all-time.

ST. PAUL, Minn. (Xcel Energy Center) -- The Bemidji State hockey team needed overtime and a little St. Patrick's Day luck-of-the-Irish, but 6:12 into the extra frame, **Shea Walters** scored on the power play to defeat the No. 3 seed University of Minnesota Duluth 3-2 and propel the sixth-seeded Beavers to the 2011 Red Baron WCHA Final Five semifinals.

In a game of ups and downs, the Beavers used a goal by senior **Matt Read** in the opening minute of the third period to bounce back from a lackluster second, push the game to overtime and earn a victory in their conference tournament debut. Minnesota Duluth's leading scorer Jack Connolly gave the Bulldogs' a lead just 6:05 into the first period on a deflection in front of the crease.

The Beavers bounded back at the 13:37 mark on **Brad Hunt's** third goal of the season. **Darcy Findlay** was credited with an assist after digging the puck out of the corner and passing to Hunt on the blue line. From there, the junior defenseman skated into the slot and fired a wrist shot that found the back of the net.

Already owning momentum, Bemidji State looked to get the break it needed to open up the game. With 6:00 on the clock, UMD's Trent Palm was booked for interference providing BSU with its second power-play opportunity, but instead it was the Bulldogs that used the opportunity to grab the lead.

Shorthanded, UMD chipped the puck out of the zone to Justin Fontaine on the left sideboards. The forward used his speed to get behind the pinching Beavers' back line and found linemate Mike Connolly. The Bulldogs' leading goal scorer beat Bakala to give the Bulldogs a 2-1 lead heading into the first intermission.

The score would carry into the third period as Bakala turned away all six of UMD's shots on net and on the other end Reiter held BSU scoreless on five shots.

Moments after the face-off to open the period, **Ian Lowe** won a battle for the puck on the wall deep in UMD's zone and got a pass to **Jordan George** on the goal line extended. The playmaker made a nifty move to get the UMD goaltender out of position and slipped the puck to Read in the slot. Read converted his team-leading and career-high 22nd goal of the season just 28 seconds into the period.

The remainder of the period was defined by solid goaltending and missed opportunities as the Beavers used Read's goal to regain control of play.

Bakala, who improved to 14-12-4 on the season in the 20-save effort, made a flurry of stops to end the period and get BSU to overtime for the 12th time of the season, the third time versus UMD, but the highlight was a rare penalty shot. With 4:29 left, **Jamie MacQueen** was swept off his feet in front of the crease. The BSU coaching staff elected for a penalty shot, but Reiter kicked MacQueen's shot to the right and wide of the net to save and effectively pushed the game to overtime.

The teams played tentatively in the opening minutes of the 20-minute, sudden-death overtime period. At the 5:53 mark, UMD's Brady Lamb was whistled for high-sticking in an attempt to corral George. The Beavers would need just 19 seconds of time on the man advantage for Walters to get the period's first shot on goal past Reiter and claim the win.

The goal was Walter's first of the season and stood as the first time he has scored since March 12, 2010 in the Beavers' College Hockey America Tournament semifinal game at Niagara University.

The Beavers finished 1-for-3 on the power-play and snuffed out the Bulldogs' only chance on the man advantage.

ST. PAUL, Minn. (Xcel Energy Center) -- The Bemidji State University men's ice hockey team's inaugural season in the Western Collegiate Hockey Association came to an abrupt end Friday at the Xcel Energy Center in St. Paul, Minn. The University of Denver scored four unanswered goals in the third period to down the Beavers 6-2 in the first semifinal game of the 2011 Red Baron WCHA Final Five.

The Beavers and Pioneers exchanged blows for 40 minutes, but when BSU was unable to take advantage of a 31-seconds 5-on-3 opportunity to open the third period tied 2-2, the Pioneers found Bemidji State on its heels with an even-strength goal at the 2:56 mark and momentum spun completely in favor of DU.

The Pioneers drew the first penalty of the game, when **Ryan Adams** was whistled for high sticking and DU made the Beavers pay. Just 35 seconds (6:15) into the man advantage, Kyle Ostrow tipped in a goal in from the top of the crease to give Denver a 1-0 lead at the 6:15 mark.

The Beavers returned the favor on their first power-play chance of the afternoon just three minutes later (9:12). **Jordan George** took a pass from **Brad Hunt**, skated into the zone and lifted a backhand over Sam Brittain to even the score.

The goal served as a spark for Bemidji State as the team turned up the speed and intensity and took a lead into the first intermission because of it.

Radoslav Ilo put the Beavers up 2-1 at the 15:55 mark exhibiting the never-say-die mentality that has become synonymous with Beaver hockey. **Dan MacIntyre** attempted a shot from the left circle that was deflected to **Aaron McLeod**. McLeod unleashed a shot from the top of the right face-off circle that was kicked to the top of the crease by Brittain. Ilo busted down the slot and buried a one-timer.

With the teams playing 4-on-4 due to a pair of unrelated penalties, Drew Shore took advantage of the extra space on the ice snipping a shot from the left face-of-circle. BSU's goaltender **Dan Bakala** couldn't get enough of the puck to keep it out of the net and Pioneers tied the score 2-2 at the 4:15 mark.

The score remained 2-2 through the remainder of the period, but the Beavers closed play in the second knowing they had a tremendous opportunity to score early in the third and gain control of the game. The Beavers failed to capitalize on the opportunity leaving the door open for the nationally-ranked Pioneers.

After N. Shore's 23rd goal of the season put Denver up 3-2, the Pioneer's lead swelled to two when Jarrod Mermis lit the lamp at the 8:17 mark. Luke Salazar added a goal at the 15:46 mark and Kyle Ostrow brought the DU scoring to an end with an empty-net goal with 76 seconds to go, 6-2.

Denver finished the game 2-for-3 on the man advantage and held BSU scoreless on 4-of-5 five power-play opportunities.

Bakala turned away 26 shots in the game, but allowed five goals and was tagged with the loss. He falls to 14-13-4 on the season.

On the other end of the ice, Brittain improved to 18-7-5, making 36 saves in the win.

Bemidji State capped the season 15-18-5 with a 8-15-5 mark in conference play.

TRADITION AND SUCCESS

Founded in 1951, college hockey's most historic conference – the Western Collegiate Hockey Association – proudly celebrates its 60th season of competition in 2011-12. And three overriding characteristics that have continued to define this Association throughout its seven decades of play are history, tradition and success. Simply put, the WCHA has both developed and maintained a tradition of excellence that is second to none.

NATIONAL CHAMPIONSHIPS

No collegiate conference – in any sport – can top the impressive list of national scale accomplishments of the WCHA and its member teams. Since 1951, teams representing the men's WCHA have earned a record 37 NCAA Frozen Four (national) championships, finished as the runner-up another 27 times, and qualified for at least one berth in the Men's Frozen Four in 55 of 59 seasons overall.

FIRST-CLASS EDUCATIONS

The 12 universities and colleges that make up the WCHA family are among the finest institutions of higher learning in the country. They offer the very best in both educational and athletic environments for the more than 300 student-athletes who compete annually in the league.

The members of the men's WCHA, with student enrollments, are: University of Alaska Anchorage (20,242), Bemidji State University (5,171), Colorado College (2,034), University of Denver (11,644), Michigan Technological University (7,031), University of Minnesota (51,659), University of Minnesota Duluth (11,800), Minnesota State University (14,028), University of Nebraska at Omaha (15,200), University of North Dakota (13,172), St. Cloud State University (17,686) and University of Wisconsin (42,099).

COLLEGE HOCKEY'S BIGGEST CROWDS

WCHA home attendance reached a record 1,734,275 in 2010-11, surpassing the 1.5 million mark for a record ninth straight season. The average attendance per home game at the league's 12-member team arenas was 6,937. In addition, seven WCHA member teams ranked among the nation's top 10 hockey schools in average home attendance in 2010-11, including Wisconsin at No. 1 with 13,226 per game, North Dakota was No. 3 at 11,756 per game, Minnesota was No. 4 at 9,544 per game and Nebraska-Omaha was No. 5 at 7,994 per game.

THE RED BARON™ WCHA FINAL FIVE

The conference's annual playoff championship, known as the Red Baron™ WCHA Final Five, continues to be among the most successful collegiate tournaments in the country.

Held at Xcel Energy Center in St. Paul, Minn., the Red Baron™ WCHA Final Five has drawn in excess of 1.43 million fans and averaged more than 13,000 fans per game since its inception in 1987-88 – including a record 88,900 in 2007. In 2010, the league unveiled an all-new Broadmoor Trophy, which along with an automatic berth into the national tournament, goes to the championship team.

The 2012 Red Baron™ WCHA Final Five, which will feature six teams in its traditional five-game format, is set for March 15-17 at Xcel Energy Center. There will be two games played on Thursday featuring the No.5 seeded team vs the No. 4 seeded team and the No. 6 seed vs the No. 3 seed. The No. 1 and No. 2 seeded teams for the Final Five will receive byes. On Friday there will be two semi-final matchups, followed by the Broadmoor Trophy championship contest on Saturday evening.

THE HOBEBY BAKER MEMORIAL AWARD

Since it's inception for the 1980-81 season, a record

total of 14 Western Collegiate Hockey Association member team players have earned college hockey's top individual award – the Hobey Baker Memorial Award. This includes the league's most recent winner in 2010 in Wisconsin's Blake Geoffrion.

All-Americans, Scholar-Athletes. On the ice, over 330 WCHA players have earned All-America honors over the past 59 years, including more than 40 over the past seven seasons alone.

Off the ice, and in the most recent season of 2009-10 alone, a record total of 140 players, representing all 12 teams, earned recognition to the men's All-WCHA Academic Team while another 55 earned the most prestigious WCHA Scholar-Athlete Award. WCHA Scholar-Athlete award honorees must have a grade-point average of at least 3.50 (4.0 scale) for the previous two semesters or three quarters, or an overall GPA of at least 3.50.

THE WCHA, THE NHL AND INTERNATIONAL HOCKEY

Since it's founding in 1951, the WCHA has been a leader in producing both professional skaters and players for international teams. Just a few of the more than 400 past and present NHLers who have roots in the WCHA include the likes of Tony Esposito, Bill 'Red' Hay, Eddio Mio, Glenn 'Chico' Resch, Red Berenson, Bill Masterton, Lou Nanne, Curt Giles, Bill Masterton, Mark Johnson, James Patrick, Mike Richter and Brett Hull.

In the most recently completed NHL season of 2010-11, a total of 93 WCHA alums saw on-ice action in hockey's top professional league, including the likes of Jonathan Toews, Dany Heatley, Zach Parise, Thomas Vanek, Ryan Malone, Jordan Leopold, Matt Niskanen, Phil Kessel and David Backes.

The WCHA also owns an enviable reputation for providing top-notch international playing and coaching opportunities for its member student-athletes and coaches. More than 110 WCHA alumni have Olympic playing experience with teams from the United States, Canada, Italy, Norway, Austria, Germany, Sweden, Finland and France, and conference-member teams and players have also received additional international exposure on a regular basis since 1951. The WCHA has hosted touring teams from the USSR, Canada, Sweden, Czechoslovakia, Latvia, Germany, Italy, Finland, Norway, Switzerland, England and France and the league has sent men's WCHA All-Star Teams to Europe in both 1998 (Switzerland) and 2000 (Norway). In the summer of 2010, league-member Michigan Tech traveled to Germany for a series of games.

EXPOSURE

In terms of exposure, more than 200 WCHA men's games are televised annually, including all five games live from the annual Red Baron™ WCHA Final Five by Fox Sports North.

'This Week in the WCHA,' the league's unique weekly radio show, marks its 15th season in 2011-12. The five to seven-minute show, broadcast throughout the conference's five time zones by member team flagship stations, features audio game highlights, interviews and misc. league-related items.

The league's official website – wcha.com – was been completely re-designed and re-launched for the 2010-11 campaign and includes such new features as live web and mobile scoreboards, a full-line of automated team and individual statistics, standings, box scores, rosters, and team and league schedules.

THE TRADITION CONTINUES

Under the guidance of long-time Commissioner Bruce M. McLeod, the WCHA continues to stand atop the college hockey world. With a great brand, history, tradition, a great product, great fans and great rivalries, the Association clearly stands second to none.

31-0-0: PERFECTION

Bemidji State's 1983-84 season saw the Beavers not only bring home their eighth national championship - and first at the Division II level - the program also set a still-standing collegiate hockey record for most victories in an unbeaten season with 31 (31-0-0). Those 31 wins helped BSU assemble a 42-game winning streak, also a collegiate hockey record.

"Every so often in all athletics there's just a gathering of athletes who are just excellent," then-head coach R.H. "Bob" Peters said of the

1983-84 squad. "They're excellent athletes and excellent people. There are other variables, too - experience, depth, injuries, leadership. All those things kind of came together for us, but it all begins with the gathering together of an outstanding group of athletes. It happens. Not often, though.

"Personally speaking, I am very grateful for it. I feel very fortunate to know first-hand what goes into such a streak."

Bemidji State's 1983-84 squad stands as one of six teams in college hockey history to post an undefeated season and one of only five to finish a season unbeaten and untied. Following is the exclusive list of those unbeaten clubs.

COLLEGE HOCKEY'S UNBEATEN TEAMS

1983-84	BEMIDJI STATE	31-0-0
1969-70	Cornell (N.Y.)	29-0-0
1995-96	Ala.-Huntsville	26-0-3
1955-56	Clarkson (N.Y.)	23-0-0

PERFECTION TURNS 20

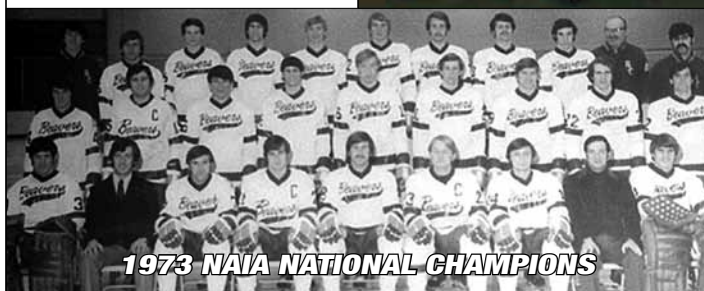

On Oct. 17, 2003, prior to Bemidji State's home contest against Clarkson, the BSU athletics community celebrated the 20th anniversary of the perfect 1983-84 Division II National Championship team, honoring members of that team and retiring the #24 jersey worn by its captain,

Joel Otto. Otto, the 1984 Division II Hobey Baker Award winner, a 1998 Olympian and 1989 Stanley Cup Champion with the Calgary Flames, became the first player in BSU history to have his jersey retired.

Left:

Ryan Huddy, who wore Otto's #24 before the number was retired; R.H. "Bob" Peters; Joel Otto; and BSU President Jon Quistgaard at the ceremony retiring Otto's jersey on Oct. 17, 2003.

DIVISION I-ERA EXHIBITION GAMES

In the program's Division I era, the first opportunity for the Bemidji State faithful to get a look at the Beavers in game action has typically come in exhibition fashion. BSU has squared off against Canadian programs 12 times since its inaugural Division I season in 1999-2000, opening a season with a foreign exhibition tilt five times.

BSU has posted a .625 record in its international exhibitions, going 7-4-1 record in its seven Division I-era games.

Eight of BSU's 12 international exhibitions have come against the University of Manitoba, with BSU leading the series 5-2-1. The Beavers tied the Bisons, 3-3, in the first meeting on Oct. 14, 2000, then defeated the Bisons twice during the 2002 season - a 4-2 win in a pre-season exhibition and a 10-4 blowout win in the first round at North Dakota's Subway Holiday Classic. Manitoba won two meetings, 5-3 in 2004 and 5-2 in 2005, before dropping the most recent three contest to the Beavers.

Of BSU's four other international exhibitions, the Beavers are 1-2 against Regina, and earned a 7-1 victory in their only meeting versus Concordia-Montreal in 2003.

Bemidji State has also hosted the U.S. National Under-18 Team on five occasions. BSU dropped a 2002 exhibition, 4-3, and has won four straight (6-2, 3-2) in 2007 and (3-1, 6-3)

NCAA TOURNAMENT NORTHEAST REGIONAL

#1 Denver 4, Bemidji State 3 (OT)

AMHERST, Mass. - Bemidji State nearly became the first No. 4 seed in an NCAA Tournament regional to topple the region's No. 1 seed in the first round, falling to eventual national champion Denver, 4-3 in overtime.

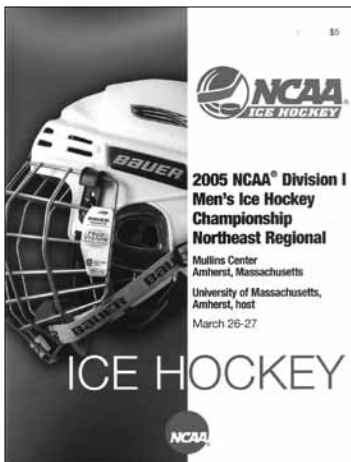

Kevin Ulanski scored the game-winner for the Pioneers 2:36 into the extra period. Brett Skinner fired a puck on goal, and it deflected off of Ulanski's leg and past BSU goaltender **Matt Climie** to propel the Pioneers into the regional final.

Bemidji State came out strong, and despite being out-shot 18-6, held two one-goal leads in the first period.

Brendan Cook became the first 40-point scorer in BSU's Division I era and drew the Beavers even just 2:17 into the third period. The goal was his 10th power-play goal of the season, tying his own BSU Division I-era single-season record.

Climie saved a career-high 45 shots for BSU. He set a career high for saves in a period with 16 in the first, then turned aside 14 shots in the second, 11 in the third and four in overtime. His 45 saves tied BSU's single-game season high, but he saw a streak of 15 consecutive appearances allowing three goals or less come to an end. He took the loss and ends his freshman season at 12-5-1.

NOTES: No. 1 seeds remained undefeated in the NCAA Tournament since the field expanded to 16 teams in 2003... BSU falls to 0-1 all-time in the NCAA Tournament... CHA programs fall to 1-4 all-time in the NCAA Tournament... BSU and Denver played the 61st overtime game in NCAA Tournament history... **Shane Holman** scored BSU's first NCAA Tournament goal at 1:40 of the first period... **John Haider's** assist on Holman's goal gives him an eight-game post-season scoring streak (seven games in the CHA Tournament and one game in the NCAA Tournament)... Denver's goal at 5:35 of the first period snapped **Matt Climie's** streak of consecutive scoreless minutes in goal at 177:41.

NCAA TOURNAMENT MIDWEST REGIONAL

#2 Wisconsin 4, Bemidji State 0

GREEN BAY, Wis. - For the second consecutive season, Bemidji State was knocked out of the NCAA Tournament by the eventual national champion as Wisconsin's Joe Pavelski recorded a hat trick to help propel the Badgers to a 4-0 victory in the semifinals of the 2006 NCAA Tournament Midwest Regional.

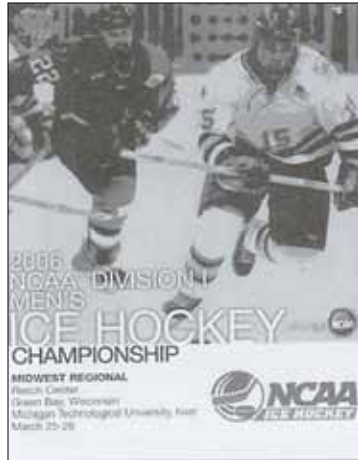

The Beavers had a five-minute power play following a major penalty and subsequent game misconduct for checking from behind to Wisconsin forward Ryan MacMurchy at 11:13 of the first. BSU did not garner a shot, and the Badgers successfully killed the penalty when **Jean-Guy Gervais** was called for tripping at 15:31. The major expired at 16:13, and with six seconds remaining in the ensuing power play Wisconsin forward Joe Pavelski scored his 21st goal of the season to give the Badgers a 1-0 lead.

The Badgers pushed their lead to 2-0 just 26 seconds into the second period. Pavelski won a draw with Gervais at the right dot, picked up the puck and beat BSU goaltender **Layne Sedevie**, unassisted, for his second marker of the night.

Wisconsin extended its lead to 3-0 in the final minutes of the second. Adam Burish picked up a loose puck behind the goal line and fed linemate Jake Dowell below the left circle, and Dowell slid a shot between Sedevie's skates. The assist was the second of the night for Burish, and the two-goal outburst capped a dominant period for the Badgers, who out-shot BSU 23-4 in the frame.

The 3-0 lead for Wisconsin held until late in the third period, until Pavelski completed his hat trick at 6:39 of the third on a power-play opportunity to wrap up the game's scoring. Gervais picked up his second penalty of the night for high sticking-contact to the head at 5:05, and Pavelski's third marker came 1:33 later.

The 4-0 shutout snapped BSU's Division I-era record streak of 69 consecutive games with a goal scored dating back to Nov. 12, 2004. The shutout is also just the third in NCAA Tournament play for BSU.

NCAA TOURNAMENT MIDWEST REGIONAL

Bemidji State 5, #2 Notre Dame 1

GRAND RAPIDS, Mich. -- There may not have been many who gave Bemidji State men's ice hockey team a chance to be in the 2009 NCAA Tournament, let alone to compete with a nationally-ranked Notre Dame team in the Midwest Regional semifinals, but with a convincing 5-1 victory over the Fighting Irish at Van Andel Arena in Grand Rapids, Mich., the Beavers proved that they belonged.

BSU caught a bounce, struck in the game's opening moments, and would not look back, scooting out to a 4-0 lead before the Fighting Irish were able to break the seal on the BSU net.

The Beavers added an empty-net marker in the game's final minutes to solidify their place in Sunday's regional final.

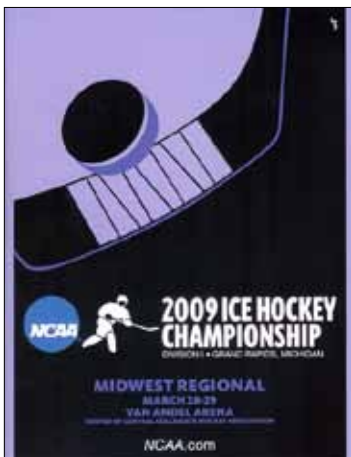

It took the underdog Beavers just 1:42 to light their half of the scoreboard. Notre Dame goaltender Jordan Pearce went behind the net, misplayed the puck and stumbled as he attempted to get back in goal. BSU's Chris McKelvie was in the right place at the right time and pushed the puck across the goal line. The unassisted goal was his third of the season and just a sign of things to come.

The Beavers extended their lead nine minutes later. Notre Dame's Ian Cole was sent to the box for hooking at the 9:48 mark to set up BSU's first power-play of the tournament. Matt Read found Brad Hunt on the point for a shot. Hunt's attempt was tipped in by Tyler Scofield for the Beavers' second goal, which would stand as the senior's team-leading fourth game-winning goal of 2008-09.

The BSU lead swelled to 3-0 at the 13:19 mark of the second period when a Notre Dame defender deflected a Ben Kinne shot past Pearce.

A man short for the first 1:58 of the third, the opening moments served as a fulcrum for the Beavers. Not only did the BSU penalty-kill squash the Notre Dame power-play attempt, but Read netted his third short-handed goal of the season to put BSU up 4-0 just 49 seconds into the period.

Notre Dame responded with a goal to cut the deficit to 4-1, but it was too little to late and the Beavers would go on to claim their first NCAA Division I Tournament victory.

NCAA TOURNAMENT MIDWEST REGIONAL

Bemidji State 4, #9 Cornell 1

GRAND RAPIDS, Mich. -- With the score knotted at 1-1 after two periods, Bemidji State and No. 9 Cornell, took the ice in Van Andel Arena, with 20 minutes to decide the fourth and final spot in the 2009 Men's Frozen Four in Washington D.C.

A three goal final frame and a stout defensive performance vaulted the underdog Beavers into a 4-1 victory over the Big Red.

They may not have garnered much attention heading into the 2009 Division I Men's Ice Hockey Championship as the only qualifying team left out of the pairwise rankings, but there is no doubt the hockey world took notice. The Beavers punched their ticket to perform on college hockey's grandest stage.

Bemidji State, the first 16-seed to ever reach the Frozen Four, joined Boston University, University of Vermont, and Miami (Ohio) University as the final four teams left vying for a national championship.

The Beavers escaped the first period of a back-and-forth tussle unscathed despite being whistled for three penalties. In addition to Matt Dalton's six saves in the period, the Beavers blocked an additional seven shots to fight off the Big Red attack and skate to the break with the score locked at 0-0.

Cornell broke the scoreless tie at 12:35 of the second period. Sean Collins bounced the puck over Dalton's right shoulder after the initial shot from the point was taken by defenseman Keir Ross.

BSU's Ryan Adams evened the score less than two minutes later with a seeing-eye shot that made its way through traffic and past CU goalie (14:25). Tyler Scofield was credited with the only assist on the play as Adams logged his first goal as a Beaver.

The Beavers struck first in the third, and it all began with Matt Read. He snapped off a wrist shot that found the twine to give the Beavers a 2-1 advantage with 15:55 to play. Junior defenseman Kyle Hardwick (Warroad, Minn.) began the play with a pass to Read and was credited for his first point of the season.

Matt Francis gave the Beavers a two-goal cushion when he banked the puck off the inside of Scrivens' right leg into the back of the net with 10:30 left in the game.

The final few minutes of the win were nearly identical to the 5-1 victory over Notre Dame the night before. In both cases, the trailing team pulled its netminder, and both times Scofield posted an empty-net goal.

His second-straight two-goal performance was capped off with the final marker of the contest, 16:37 in.

Scofield put together two of the greatest games of his career in the Midwest Regional, and for his efforts he was named MVP of the tournament regional.

He recorded two goals and one assist in both wins, giving him four goals and two assists for an unreal six points in the two tournament wins. He also scored both game-winners. Read, Scofield, Dalton, Adams and Brad Hunt were named to the six-man All-Region tournament team. Joining the plethora of Beavers on the team was Cornell forward Evan Barlow.

NCAA FROZEN FOUR

#12 Bemidji State 1, #4 Miami (Ohio) 4

WASHINGTON, D.C. (Verizon Center) -- The 12th-ranked Bemidji State men's ice hockey team's improbable run to the 2009 Frozen Four ended with a 4-1 loss in the national semifinal to No. 4 Miami (Ohio) University April 9.

"We got beat by a better team tonight," coach **Tom Serratore** said. "They were strong, they were quick, and they reacted well. Every facet of their game was very good, and we couldn't get on track."

Scoring chances were hard to come by early in the game as the two teams tried to settle into a rhythm, and nobody was able to crack either team's defenses.

An evenly played first period between the Midwest Regional Champion Beavers and the West Regional Champion Redhawks saw the two teams take 12 shots each with no goals to show for their efforts.

Miami came into the game sporting a 20-1-2 record when scoring first this season, and the white and red squad took advantage of a power-play opportunity early in the second period when Tommy Wingels found the back of the cage.

Andy Miele had the puck along the halfwall to the left of BSU goaltender **Matt Dalton**. He threw the puck up to the point to Matt Tomassoni, who passed it along to the top of the right faceoff circle to Wingels. He saw some daylight and rifled a slapshot past a screened Dalton on the right side to give the Redhawks the 1-0 lead.

Alden Hirschfeld added a second marker 8:35 into the second when he tapped in a shot after receiving a pass from Wingels. Wingels carried the puck into the zone on the right of Dalton and went straight for the end line. Carter Camper, the team's leading scorer, was also credited with an assist on the play.

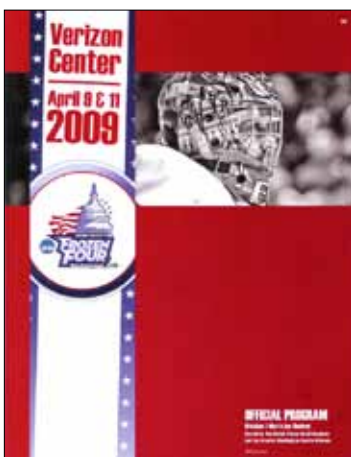

It took eight minutes for the Beavers to manage a shot attempt in the second, but after that initial shot it didn't take long for the boys in the forest green sweaters to light the lamp.

Bemidji State got a power-play opportunity after falling behind 2-0, and the top line of **Matt Read**, **Matt Francis** and **Tyler Scofield** hooked up one final time 9:46 into the second.

Unfortunately for the Beavers, it took just a minute after the Read goal for Miami to respond. Will Weber had the puck at the top right of the zone, and he fired a shot that deflected wide off Dalton. Bill Loupee was there to clean up the rebound, and he put the puck off the side of Dalton and into the net.

Two Redhawks entered the box later in the frame, but Bemidji State couldn't capitalize the 3-1 margin would be the score heading into the third.

Try as they may, the Beavers couldn't find a way to break down the Miami defense throughout the entire third period. Time was winding down and the score was still 3-1, so Dalton was pulled for an extra attacker. The Redhawks took advantage when Wingels scored an unassisted empty net goal with 2:08 to play to complete the scoring.

NCAA TOURNAMENT MIDWEST REGIONAL

#11 Michigan 5, #9 Bemidji State 1

FORT WAYNE, Ind. - In the first at-large bid to the NCAA Div. I Men's Ice Hockey Tournament, the Bemidji State University men's hockey team dropped its opening round game of the Midwest Regional to the University of Michigan by a score of 5-1 Saturday night at the Allen County War Memorial Coliseum in Fort Wayne, Ind.

In its 20th straight trip to the national tournament, Michigan, one of the most distinguished programs in men's hockey, owns the record for the most NCAA Div. I championships with nine.

Dan MacIntyre was called for a checking from behind penalty at 4:10 of the first period. BSU killed off the penalty, but as MacIntyre was returning to the ice the Wolverines jumped onto the scoreboard. With Michigan's Luke Glendening parked in front of the net, Chad Langlais took a slap shot from the point and Glendening tipped the puck out of midair, redirecting it past BSU goalie **Dan Bakala**.

BSU walked away from the first period down 1-0, which didn't bode well for the Beavers as Michigan's record when leading after first period was 18-1-1.

At the 17:18 mark of the second period Bemidji State got called for its second penalty of the game. Under two minutes later, Michigan's Brandon Burlon was called for tripping after making an open-ice hit on **Tyler Lehrke**. Seconds later **Chris Peluso** was tagged for holding the stick, which resulted in 23 seconds of four-on-three action for the Wolverines.

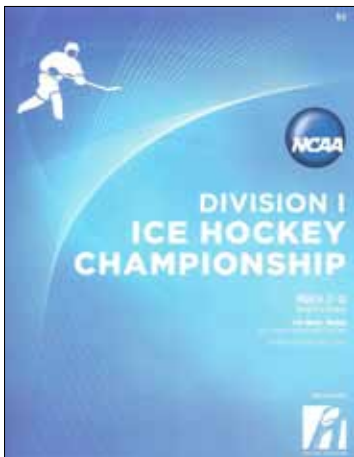

After the first Bemidji State penalty expired, creating four-on-four hockey, UM's Louie Caporusso received a pass from Brown and beat Bakala over the glove from the right face-off circle. Just like the first goal, the Wolverines scored with a Bemidji State player returning from the penalty box.

BSU would leave the second period with a two-goal deficit, 2-0.

Looking to finally break the shutout streak in the third, the Beavers finally answered on the special teams as **Ian Lowe** scored on a one timer from **Matt Read** at the 11:24 mark of the third period.

However, just over two minutes later Michigan scored on a two-on-one allowing the Wolverines to regain their two-goal lead.

The dagger-through-the-heart for the Beavers came as Hagelin scored on a shorthanded breakaway goal in the final four minutes of the game. It was the fifth shorthanded goal in the year for the Wolverines. Brian Lebler then capped the Michigan victory scoring on the empty net making the score 5-1.

On, April 3, 2009, representatives of Bemidji State University and dignitaries from the City of Bemidji and the state of Minnesota gathered on the south shore of scenic Lake Bemidji to break ground for the \$90 million South Shore development project--the centerpiece of which was Sanford Center.

The celebration was the culmination of years of legwork and deliberation from numerous people throughout the region.

The ceremonial ground breaking not only signified the beginning of one of the greatest building projects in Bemidji history, it also signaled the future of Bemidji State University hockey. With the impending demise of College Hockey America, the conference home to the BSU men's ice hockey program, Sanford Center was the first step towards securing league membership and ensuring one of the most tradition-rich programs in collegiate hockey will live on.

Completed in October of 2010, the Bemidji State men's and women's hockey programs vacated the John S. Glas Fieldhouse, BSU's home venue for the previous 43 years, to move

into the \$60 million Sanford Center arena for the 2010-11 season. The \$5 million, 20-year lease with the City of Bemidji secured the Beavers' new home through 2031.

Within the 193,000 square-foot facility featuring a 4,373-seat arena with 25 private luxury suites and first-class club room area, is the 32,300-square foot "Home of the Beavers." Incorporated into this hockey-specific area are: BSU hockey coaching and support staff offices and meeting rooms, athletic training room facilities, state-of-the-art locker rooms, team lounges and a top-of-the-line weight room and training facility for exclusive use by the Bemidji State men's and women's ice hockey teams.

In addition to hockey, Sanford Center a site for numerous community events and trade shows with room for visitors to browse up to 160 booths. The versatile facility has already been home to Concerts and shows such as Blake Shelton, Styx and Larry the Cable Guy, the Harlem Globetrotters and Elmo's Healthy Heros in addition small business meetings, to large banquets BSU and Bemidji High School graduation ceremonies.

BEMIDJI REGIONAL EVENTS CENTER FUN FACTS

► In all, 12,000 cubic yards of concrete was used in the project (site and building)

► 240 tons of rebar was placed within the concrete

► end-to-end, the bricks used in the project stretched nearly 25 miles

► 1,600 tons or 3.2 million pounds of steel was used in the project

► the hockey arena capacity is 4,373

► the ice sheet measures 200' x 85'

► it would take 742,533,408 official hockey pucks to fill the arena portion of the building

► 25 private luxury suites ring the arena

► 26 points of sale for concessions are located within the concourse

► in all, 70 women's rest room stalls are located within the building

► the two 267-foot steel super trusses that line the length of the arena each weigh 200 tons

► 14,000 bolts were used to assemble the steel super trusses

► there is 32,300 square feet of hockey-specific space in the facility including, state-of-the-art locker rooms, office space, training room, weight room, academic area and the arena.

► 200-250 full and part-time jobs were created to complete the project

CONSTRUCTION NEARING COMPLETION/GRAND OPENING

Progress on the south shore of beautiful Lake Bemidji and the Bemidji Regional Events Center since the ground breaking April 3, 2009 has been significant.

After several weeks of site survey and preparation, cement work began for building footings and ground-level flooring in May.

In early June 2009, steel was delivered to the building site and the beginnings of walls became visible from the Bemidji State University campus across the lake due to the placement of the vertical beams standing in excess of 80 feet.

By the beginning of September brickwork began on the exterior of the Bemidji State hockey operations area and super trusses were set in place.

With the building enclosed work took place inside over the winter months and construction is on pace to open Oct. 15, 2010 as the Bemidji State men's team hosts the University of North Dakota and the women's team welcomes Mercyhurst College.

PREVIOUS BSU RINKS

The Bemidji State hockey team, referred to at times as the "Hard Luck Boys" in its early days, tried out several hockey rinks before finding a home in 1967 at the John S. Glas Fieldhouse.

1947-50 / BEMIDJI SPORTS ARENA

Not originally intended to be a hockey facility, the Bemidji Sports Arena was plagued with a number of problems from the start... Poor sight lines and seating along with an undersized ice surface were only a few of the arena's more-obvious drawbacks... At 2:20 p.m., January 4, 1949, the arena's roof collapsed due to structural failure... Several children were skating directly under the caved-in section of the roof, but miraculously escaped the falling beams and timbers.

The team continued to use the facility for another season, but after an attempt at Lake Bemidji for a home venue, the Beaver program would cease for a nine-year period... The first BSU game played at the Bemidji Sports Arena is believed to be a 12-1 loss to the Grand Rapids Raiders on Feb. 16, 1947.

BSU posted a 14-10-0 (.583) record at the Bemidji Sports Arena.

1959-60 / 17TH STREET RINK

Located at the Bemidji High School athletic field, the Beavers found a new outdoor home rink... The new facility was underwritten with a \$1,000 donation from the Beaver Union Board... However, the site would be temporary; after just two games the site was moved to the college campus... 200 fans were on hand to witness the return of Beaver hockey at Bemidji State Feb. 13, 1960 after a nine-year absence... The Beavers fell to St. Cloud State 4-2 in their return engagement... Referee Dick Kroll was injured at 3:21 of the third period, bringing a halt to the opening game of the season.... BSU posted a 1-1-0 record in two games at the 17th Street Rink.

1960-67 / COLLEGE RINK

Often referred to as the 19th Street Rink, the facility was located just south of the physical education building and gymnasium... The Beavers played seven seasons here before moving to the John S. Glas Fieldhouse. The first game played at the College Rink took place Jan. 5, 1961 when the Beavers defeated St. John's 3-1 under balmy temperatures and on melting ice... The Beavers would close out their last game at the College Rink Feb. 4, 1967 with an 8-1 win over Wisconsin-Superior... Bemidji State won its final 17 games played at the College Rink before moving into the newly-constructed John S. Glas Fieldhouse for the 1967-68 season.... BSU posted a 35-8-1 (.807) record at College Rink.

The 2009-10 campaign marked the Bemidji State University men's and women's ice hockey programs' 43rd and final season in the John S. Glas Fieldhouse, a storied and revered barn which has established its legacy as one of the iconic arenas in all of college hockey. The home of BSU men's hockey from 1967-2010 and BSU women's ice hockey since 1998-2010, "The Glas" debuted as the Fieldhouse Expansion to the BSU Physical Education Complex when the Beavers played host to the Minnesota Nationals on Nov. 17, 1967.

Final plans for the \$970,000 Fieldhouse expansion were laid in the mid-1960s under the direction of then-BSU President Dr. Harry Bangsberg and athletics director Dr. Vic Weber. The Minnesota legislature granted authority to build the expansion in 1965, and the fieldhouse expansion was dedicated on Feb. 10, 1968.

In 43 seasons, the Bemidji State men's hockey program has established one of the true home-ice advantages in all of college hockey as it was nothing less than dominant in the building. The Beavers posted a 502-145-41 record in 688 games played at John Glas Fieldhouse, and had a losing home-ice record just once during the life of the arena. Eleven times in its history BSU assembled unbeaten streaks of 10 or more games in the building, while averaging nearly 5.6 goals per game. In total, BSU has out-scored its opposition by more than 1,700 goals at "The Glas."

Bemidji State posted an 8-3-3 record on its home ice in 2004, and set a school single-season record for fewest goals allowed in a season at home by surrendering just 28 in 14 games. That season helped kick-start a four-year stretch which has seen BSU post a 47-20-8 record on its home ice with 11 shutouts, including a school-record five in 2007-08, and outscore its opposition by a combined margin of 262-169. BSU's 10 victories at the Glas in 2005-06, coupled with a 12-win season in 2004-05, gave BSU back-to-back 10-win seasons on its home ice for the first time as a Division I program. It marked the program's first such streak since a four-year streak of seasons with 10 or more home wins from 1996-2000.

In addition to its role as BSU's home facility for both men's and women's ice hockey, the Glas Fieldhouse also played a prominent role in a variety of events for the BSU and Bemidji area communities. High school contests and area youth figure skating shows occurred while the ice was in place, while when the ice was removed the building played host to events varying from the annual Jaycees Home, Sport and Travel Show to BSU's commencement ceremonies.

CHAMPIONSHIP TRADITION

Only adding to Bemidji State's already-stellar winning tradition at John Glas Fieldhouse were the five national championships BSU won on its home ice. The Beavers competed for a national title six times at The Glas, bringing home an NAIA Championship in 1971 and four NCAA Division II Championships in 1984, 1986, 1993 and 1997. In 2009, BSU wrote a new chapter winning the College Hockey America tournament it hosted, clinching an automatic berth into the NCAA Tournament to kickstart its historic run to the Frozen Four.

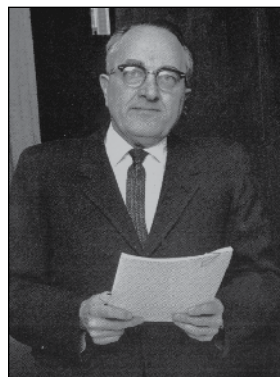

In total, BSU posted a 17-2-0 record on its home ice in postseason play.

JOHN S. GLAS

From the time of its completion until Oct. 1, 1975, BSU's hockey facility held the name of BSU Fieldhouse. But it was renamed in honor of the retiring John S. Glas (right), the acting president of Bemidji State University at the time of the arena's completion. Glas arrived in Bemidji in 1939 to serve as business manager under then-BSU President Charles R. Sattgast and would remain with BSU for 36 years. When Glas arrived, the campus consisted of just two buildings - Deputy and Sanford Halls - which served as the educational environment for the institution's 340 students.

In 1957, Glas was appointed Assistant to the President, and in 1968 he was elevated to Vice President for Administrative Affairs and later earned the title Vice President Emeritus.

The decision to rename the Fieldhouse was recommended by the Men's Physical Education Department. The Long Range Planning Committee endorsed the change, and President Dr. R.D. Decker submitted a request to the State University Board that it officially name the fieldhouse for Glas, "in recognition of his long and dedicated service to Bemidji State University."

TRUE HOME-ICE ADVANTAGE

Serving as Bemidji State's home arena from 1967-2010, the Beavers built one of college hockey's strongest home-ice advantages at John S. Glas Fieldhouse. In 688 games played over 43 full seasons at the Glas, BSU posted a remarkable 502-145-41 record on its home ice (.759).

In addition, BSU posted 56 shutouts at the Glas all-time and out-scored its opposition by an average of nearly three goals per game.

BSU went 3-3-0 in its first six games played at the Glas, but from there won 13 in a row and 32 of the next 33 games played in its new facility. The run set the tone for home-ice dominance which would become a storied part the BSU tradition.

In 2003-04, BSU set two school scoring records on its home ice. BSU's 42 goals scored at the Glas were its fewest ever, but the Beavers also set a record for fewest goals allowed at home, with opponents lighting the lamps just 28 times in 14 games.

- The Beavers set a school record with five ties at the Glas in 2002-03.

- BSU's 68 goals scored at home in 2004-05 were a Division I-era record and most for the program since 1997-98.

- BSU went 10-3-2 at the Glas in 2006, giving it back-to-back 10-win seasons on its home ice for the first time since the program moved to Division I in 1999.

- BSU posted 15 shutouts at The Glas after the start of the 2001 season, matching its total for the previous 19 seasons combined (15).

While the early building blocks were already in place, it was not until R.H. "Bob" Peters took the reins as the program's fifth head coach in 1966 that Bemidji State University hockey began to take shape as a recognizable masterpiece. Although Peters himself would not claim to be an artist, he constructed a dynasty in Bemidji, Minn. which remains unparalleled in the world of collegiate athletics.

Peters entered the college hockey head coaching ranks in 1964 as bench boss at the University of North Dakota. During his initial campaign, Peters, the eventual Western Collegiate Hockey Association Coach of the Year, led the Fighting Sioux to a WCHA title and a third-place finish at the NCAA Championships. He coached in Grand Forks for two seasons, leading the Sioux to a 42-20-1 mark before making a career decision that would change the face of collegiate hockey.

Peters left the Division I powerhouse in 1966 and took over a small-college program in the early stages of its existence - at Bemidji State University. Within two seasons Peters led BSU to its first national championship and set the foundation for what would become one of the most dominant programs in college hockey.

Thirty-five years later, Peters retired from coaching with one of the most impressive lists of achievements in the history of collegiate sports - 744 victories as a head coach, 702 coming at Bemidji State alone to make Peters the first coach to win 700 or more games at a single school, 13 small-college national championships, and still-standing national collegiate records for most wins in an unbeaten season (31-0-0 in 1983-'84) and longest unbeaten streak (43 games from Nov. 8, 1983 to Jan. 1, 1985). Today, only one coach in the sport - Michigan State's Ron Mason - has won more games at the collegiate level.

Peters, the only coach to lead a team to a national championship game in three divisions of college hockey and the only coach to reach the Final Four in all four divisions (Division I, III, III and NAIA), developed five NHL players and numerous Olympians and All-Americans.

A 1960 graduate of the University of North Dakota, Peters spent his collegiate days at goaltender for the Fighting Sioux. He coached at the high school level for one season before rejoining the UND staff as an assistant coach.

Retired from coaching, Peters remains heavily involved in the sport of college hockey. From April of 2001 to July of 2008 Peters was the commissioner of College

Hockey America conference.

College Hockey America is the third conference Peters was involved with as a founding member, and with more than four decades of experience in college hockey Peters' leadership was invaluable as the CHA evolved.

The original concept for the CHA began with Air Force head coach Frank Seratore and then-BSU head coach Peters at the 1998 hockey meetings in Florida. The conference sprang forth the following year with a full league schedule in the 1999-2000 season. Then in the fall of 2001, under the guidance of Peters, the CHA gained an automatic bid for its tournament champion in the 2003 NCAA Tournament.

In addition to appointing Peters CHA Commissioner, in 2001 the athletic directors of the league's member institutions approved the recommendation by the coaches to name the regular-season championship trophy in honor of Peters as the R.H. "Bob" Peters Cup—an appropriate honor capping an illustrious coaching career.

Peters' influence on college hockey also has stretched outside the arena. He has proven his administrative skills at Bemidji State by serving as athletic director and head hockey coach, and he lent service to several committees. Under Peters' guidance, BSU hockey progressed from NAIA to NCAA Division III to NCAA Division II, and in 1999, BSU elevated its hockey program to Division I. He served on championship committees for the NAIA and NCAA for over 20 years, and in 2001 was named a Hobey Baker Legend of Hockey.

Peters continues to provide support to the Bemidji State athletic department. He announced his retirement from the BSU faculty in 2003 but remains with the University in an outreach role with the BSU Foundation.

R.H. Peters is carried off the ice by the Bemidji State team following his final game as head coach of the Beavers on March 3, 2001.

MEMORABLE MOMENTS IN THE BOB PETERS ERA

• April, 1966- R.H. "Bob" Peters becomes the fifth Beaver hockey head coach after a two-year stint as head coach for the University of North Dakota.

• March 9, 1968- Bemidji State captures the school's first national championship in any sport, winning the first-ever NAIA National Tournament with a 5-4 overtime victory over Lake Superior State. Over the next 12 seasons, the Beavers would capture six more NAIA national crowns.

• March 10, 1968- The first Bemidji State All-Americans are named--Terry Bergstrom, Terry Burns, Barry Dillon, Bryan Grand and Jim McElmury. The Beavers would produce over 80 All-America selections through the years.

• Winter, 1970- Jim McElmury, Charlie Brown and Bryan Grand help the U.S. National Team to the World B Championship while still remaining active members of the BSU roster.

• Winter, 1972- Jim McElmury and Charlie Brown help carry the USA to the silver medal at the Olympics in Sapporo, Japan.

• March 3, 1973- Bemidji State wins its fifth NAIA national title with a 3-2 overtime win at Lakehead.

• Feb. 25, 1979- BSU wins its sixth NAIA championship with a 5-1 win over Concordia-Moorhead.

• March 2, 1980- Bemidji State wins its seventh NAIA national title with a 4-3 win over Michigan-Dearborn.

• Nov. 8, 1983- Bemidji State begins 31-0 season march with a 9-1 win over Winnipeg. The Beavers would capture the school's first NCAA Division II national title with an 8-1 win over Merrimack March 18. BSU would continue its win streak to an NCAA-record 43 straight games.

• March 21, 1986- Bemidji State picks up a game-tying goal at 19:56 of the third period versus RIT, and moves on for the 5-4 overtime win en route to its first NCAA Division III national championship. The Beavers beat Plattsburgh State 8-5 to cap the tournament run, winning the school's ninth title.

• March 19, 1993- Bemidji State welcomes back the NCAA II National Championship series with a two-game sweep of Mercyhurst to win the school's 10th national title. In addition to the 1993 national title, the Beavers would win NCAA Division II crowns in 1994, '95 and '97 to bring the total to 13 national titles in the program's 42-year history.

• May 26, 1998- Bemidji State announces that it will move the men's hockey program to NCAA Division I status beginning with the 1998-99 season.

• Feb. 9, 2001- Peters leads Bemidji State to a 6-2 win over Niagara, his 700th victory as BSU's head coach. Peters was the first college hockey coach to lead one school to 700 victories.

REMEMBERING GALEN NAGLE

Bemidji State University and the Galen Nagle Memorial Fund Committee have established a memorial scholarship fund in honor of the former Beaver hockey standout, designed to support the Bemidji State hockey program.

Galen W. Nagle was a goaltender for the Beaver hockey team from 1980-'84, and served as a coach and teacher in the state of Minnesota for several years before losing his life to cancer Oct. 18, 1996 at the age of 34.

"Galen exemplified Beaver hockey," said former Bemidji State coach R.H. "Bob" Peters. "Hard work, dedication and loyalty were inherent to his character, and through his efforts, he became a vital part of our team."

Nagle and the 1984 Beaver hockey team made college hockey history with a perfect 31-0-0 season en route to the school's first NCAA Division II National Championship. An All-Tournament selection from the 1984 Division II Championship, Nagle completed his Bemidji State hockey goaltending career with an 8-1 victory in the title game.

Initially a walk-on at Bemidji State, Nagle's determination and willingness to give forged a special bond with teammates and coaches. He never lost a game in goal for Bemidji State, posting a 22-0-0 career record with three shutouts. He allowed just 37 goals in his career, leaving Bemidji State as the program's all-time leader in save percentage (.9308) and goals-against average (2.039) - career records which still stand today for players with at least 1,000 minutes in goal.

"Galen considered it a privilege and an honor to be a part of the team, and conversely, we valued his contribution to the team," Peters said. "He has had a lasting impact on the lives of the people he touched, and we will always remember him."

A 1984 graduate of Bemidji State, Nagle taught industrial arts at Scott Highlands Middle School in Apple Valley for several years and coached in hockey programs at Rosemount, Academy Holy Angels, Richfield, Bloomington, Wayzata and Thief River Falls. He also served as the chief goalie instructor for Coach Peters' Bemidji International Hockey Camp at BSU.

Nagle was born to Richard and Marlys June 18, 1962 in Baudette, Minn. He and his family moved to Bemidji in 1979, and he graduated from Bemidji High School in 1980. An annual golf tournament was inaugurated in his honor Aug. 7, 1998.

JOEL OTTO: 1984 HOBEY BAKER AWARD

Joel Otto spent four seasons making his mark in the Beavers hockey program under coach R.H. "Bob" Peters. The three-time All-America selection helped the 1984 BSU squad make history en route to the school's first NCAA Division II national championship and only the second perfect season in NCAA hockey history at 31-0-0. BSU set a college hockey record for most wins in an undefeated season and remain one of just five unbeaten, untied teams in the history of the sport. The perfect season helped BSU build a 42-game winning streak, another still-standing collegiate record.

Otto captained BSU's 1983-84 national champions, scoring 32-43=75 points and leading the team in assists, scoring and short-handed goals (4). Otto earned Division II All-America honors for his efforts.

In addition, Otto was the 1984 recipient of college hockey's most prestigious honor, the Hobey Baker Memorial Award (Division II).

Otto departed Bemidji State in 1984 and went on to a lengthy career in the NHL. He played 14 seasons for the Calgary Flames (1984-'95) and Philadelphia Flyers (1995-'98), finishing his career with 195-313=508 points in 943 games played.

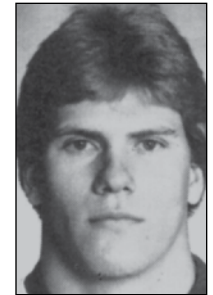

Otto exemplified sportsmanship, perseverance and dedication. His playing style earned a host of accolades in the NHL, including nominations for the Frank J. Selke Trophy, awarded to the best defensive forward, and the Bill Masterton Memorial Trophy, awarded to the league's top player representing dedication and sportsmanship.

Drafted by Calgary in 1984, Otto's game-winning goal in Game Seven of the 1989 Smythe Division Finals served as the impetus for the Flames' Stanley Cup Championship run later that year.

In 2005, Otto was named one of the 25 greatest players in the history of the Calgary franchise.

Otto would later earn another memorable title. In 1996, he helped drive Team USA to the World Cup of Hockey championship as an alternate captain.

On Oct. 17, 2003, Otto became the first player in Bemidji State history to have his jersey number retired.

BEMIDJI STATE'S 50 LEGENDS FOR 50 YEARS

In 2005-06, Bemidji State University and the BSU Athletics Department came together to celebrate the 50th season of competition for one of the most celebrated collegiate men's ice hockey programs in the history of the sport. The 2005-06 season represented the 50th season of intercollegiate competition for the Beaver men's ice hockey program, which played its first game on January 18, 1948.

Throughout the season, Bemidji State athletics paid special tribute to the men who helped establish the Beaver program over the previous 49 seasons. To celebrate this historic anniversary BSU assembled the 50 Legends for 50 Years Team, established to recognize the top 50 players in the history of the program.

Collegiate hockey coaching legend R.H. "Bob" Peters, who won 702 games and 13 national championships at the NAIA, NCAA Division III and NCAA Division II levels during a remarkable coaching tenure at Bemidji State, was named head coach of the 50 Legends for 50 Years Team.

The season-long celebration culminated with a special ceremony prior to Bemidji State's Feb. 18, 2006 contest against Robert Morris. Forty-four of the 50 members of the 50 Legends for 50 Years team were on-hand.

BRYAN GRAND

Bryan Grand's #10 jersey was retired in conjunction with Bemidji State's Feb. 18, 2006 ceremony to recognize the 50 greatest players in school history, the 50 Legends for 50 Years team, which was selected during a year-long celebration of BSU's 50th season of intercollegiate competition.

In three years at Bemidji State, Grand helped the Beavers to three consecutive NAIA national championships and served as a captain in his final two seasons.

One of five three-time All-America selections in BSU history, Grand is the 14th-leading scorer in Bemidji State history with 42-112=151 total points in just 59 games. His career scoring average of 2.61 points per game is nearly three-quarters of a point better than any other skater in BSU history.

Grand led BSU in assists during both his junior and senior seasons, and his 112 career assists rank fourth all-time at BSU.

During his tenure at BSU, the Beavers posted a record of 63-13-0.

JOEL OTTO

Joel Otto's jersey became the first number in the history of Bemidji State hockey to be retired, as his #24 made its way into the rafters following a ceremony to recognize BSU's 1984 undefeated, untied NCAA Division II national championship team on October 18, 2003. As part of the ceremony, BSU sophomore Ryan Huddy - who had been wearing #24 - presented his jersey to Otto, switching to #26 while Otto's banner was raised into the John Glas Fieldhouse rafters by his children.

Perhaps the most-decorated athlete in Bemidji State history, Otto was a three-time All-America selection, a Northern Collegiate Hockey Association Player of the Year, a Hobey Baker Award winner, a U.S. Olympian and a Stanley Cup champion.

Otto captained BSU's undefeated, untied 1984 national champions, scoring 32-43=75 points and leading the team in assists, scoring and short-handed goals (4). Otto earned Division II All-America honors for his efforts.

In addition, Otto was the 1984 recipient of college hockey's most prestigious honor, the Hobey Baker Memorial Award (Division II).

Otto departed Bemidji State in 1984 and went on to a lengthy career in the NHL. He played 14 seasons for the Calgary Flames (1984-'95) and Philadelphia Flyers (1995-'98), finishing his career with 195-313=508 points in 943 games.

► Player returning for 2010-11 season

As Bemidji State has made inroads in its development as a Division I program, its progress in the classroom has been remarkable. In its 11th year under head coach Tom Serratore, the BSU program has become an academic juggernaut, annually dominating the Academic All-College Hockey America honor roll through the 2009-10 season and continuing the trend as members of the Western Collegiate Hockey Association.

In addition, BSU has had 14 ESPN the Magazine / College Sports Information Directors of America Academic All-District V selections since 2004 and has passed the NCAA's Academic Progress Rate performance checks with flying colors. Overall, BSU men's ice hockey carries a cumulative GPA of 3.5.

CHA STUDENT-ATHLETE OF THE YEAR

Bemidji State's **Andrew Murray** became the first player in College Hockey America history to be named Player of the Year and Student-Athlete of the Year in the same season, picking up the historic sweep at the 2005 CHA awards banquet.

Murray, a unanimous First-Team All-CHA pick, became the first BSU skater to be named CHA Student-Athlete of the Year.

In 2010, Kyle Hardwick was selected as the CHA Student-Athlete of the Year, an award which will stand as the last in CHA history.

ACADEMIC ALL-DISTRICT V

Over the last nine years, eight Bemidji State skaters have earned 14 positions on the ESPN the Magazine / College Sports Information Directors of America Academic All-District V At-Large Team.

Ryan Adams kept the streak alive in 2011, and in 2005 Peter Jonsson became just the second BSU men's hockey player to be named Academic All-America. He was the only men's hockey player in the nation to earn First-Team Academic All-America laurels in 2005. He was a two-time Academic All-District V selection, so honored in 2004 and 2005.

BSU's other Academic All-District picks include Cody Bostock (2009), Kyle Hardwick (2010), Andrew Murray (2005), Bill Methven (2003), Bryce Methven (2003-04), Riley Weselowski (2006-07-08) and Travis Winter (2008-09).

COSIDA ACADEMIC ALL-AMERICA

Peter Jonsson (Astor, Sweden) was named to the ESPN the Magazine Academic All-America University Division Men's At-Large First Team, as announced by the College Sports Information Directors of America (CoSIDA), in 2005.

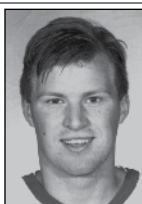

Jonsson was the only men's ice hockey player in the nation to earn First-Team Academic All-America laurels. Colorado College's Brett Sterling was named to the second team, while Harvard's Dov Grumet-Morris and Dartmouth's Lee Stempniak were honored on the third team.

Jonsson never missed a game at BSU, playing in 107 consecutive contests during his three-year career. He ended his BSU career as the program's all-time Division I-era assist leader for defensemen (45) and with 7-45=52 career points is tied for 32nd on BSU's career defenseman scoring charts. Jonsson also was a two-time Academic All-CHA selection.

Jonsson was named First-Team Academic All-District V. It

marked his second consecutive All-District laurel; he was a second-team selection in 2004. Jonsson joined former BSU defenseman Bryce Methven as the only two skaters in BSU men's ice hockey history to twice be named Academic All-District V.

Jonsson joined **Jim Karner** as one of only two BSU men's ice hockey players to earn Academic All-America honors. Karner was honored on the College Division All-America Team in 1994.

The Academic All-America Teams are selected by a vote of the 2,000-member CoSIDA. To be eligible, an athlete must be a varsity starter or key reserve and maintain a cumulative GPA of at least 3.20 on a scale of 4.00. Sports information directors nominate eligible athletes from their schools, who are then voted onto the all-district teams. First-Team All-District honorees advance to the All-America ballot. The program honors 816 student-athletes nationwide each year.

ACADEMIC ALL-CONFERENCE

Since 1987, 78 Bemidji State men's ice hockey players have earned a total of 188 Academic All-Conference honors, starting during BSU's small-college era in the Northern Collegiate Hockey Association and continuing in the Division I era as a member of College Hockey America and the Western Collegiate Hockey Association.

THE SCHOOL COLORS

In February, 1920, an assembly hour was set aside for the selection of school colors. After the balloting on colors had resulted in a deadlock, Cyrillus Freeman, a student from Minneapolis, rose and commanded attention.

"As we sat here discussing this question," she said, "I happened to glance out the window. The sight that met my eyes was fresh, green pines silhouetted against pure white snow. What could be more appropriate than green and white?"

This idea was accepted unanimously.

THE NAMING OF THE BEAVERS

As President Deputy reviewed football practice one evening in May, 1932, he called the team into a huddle and raising his hands above their heads declared, "I christen this team the Beavers."

The name "Beavers" is symbolic of the silent, hard-working teams representing Bemidji State University.

FIGHT SONG

"Go Bemidji Beavers
Go you green and white
Go Bemidji Beavers
Fight with all your might!
Rah! Rah! Rah!
We are here to cheer you
We are out to bring you fame
So go Bemidji Beavers
Fight and win this game!"

RED-LINE SWINGERS

The World Famous Red Line Swingers pep band has provided music, entertainment and excitement for Bemidji State hockey for three decades. Open to all Bemidji State undergraduates and alumni, the Red Line Swingers accommodate 15-25 members annually.

Formed in 1974 by then-head coach R.H. "Bob" Peters, the band is currently under the direction of Dr. Erika Svanoe.

THE BSU LOGO

During the fall semester of 1998, campus-wide discussions were held on the need for new marks to represent the University as well as BSU athletics. The University marks at the time had been in place since 1974, with minor revisions in 1987, while no official athletic mascot, logo or image had been adopted for University use.

A committee was formed and for the next academic year an audit and review were conducted on the school logo and athletics imagery to determine what images were being used to represent the institution.

During the spring and summer of 1999, requests for proposals (RFP) were sought from outside firms to assist the university in this historic undertaking.

The BSU coaching staffs took great interest in the efforts to produce the new Beaver logo. They desired an image that would represent pride and confidence while being gender-neutral and not appearing cartoonish in nature.

The public relations firm of Russell & Herder of Brainerd was awarded the RFP for the logo project during the summer of 2000. For the remainder of 2000 and through early 2001, Russell & Herder helped oversee focus groups and surveys regarding the logo change.

In Dec. 2000, preliminary logo designs were presented to the committee, and revisions were made until the time the new marks were formally adopted and officially unveiled March 28, 2001 at a ceremony on campus.

BEAVER HOCKEY ALUMNI

Bemidji State's storied hockey legacy has led numerous BSU players to advance to the next level of hockey, representing the Beavers at the professional level or the United States in international competition.

Bemidji State has produced seven NHL players, including Joel Otto who won a Stanley Cup with the Calgary Flames in 1989.

- Named a top-tier Midwest university for 2009, 2010 and 2011 academic years by U.S. News and World Report.

- A wooded, lakeside campus offering arts, sciences, and select professional programs in a personal learning atmosphere focused on the environment, civic engagement, and the global family.

- Location: In the heart of northern Minnesota's lakes and forest region. Four hours northwest of St. Paul-Minneapolis; two hours northeast of Fargo, ND.

- Approximately 5,200 undergraduate and about over 300 graduate students.

- Faculty research and expertise include: bioremediation, child development, women in the workplace, emergency responders and stress, poetry and creative writing, e-learning, digital literacy and computer-mediated communication, business in the Middle East, the internet in business, the therapy of sex offenders and sexual abuse within families, women and the criminal justice system, Minnesota environmental and economics issues, the Ojibwe language, and Native American culture.

- 89-acre campus and 240-acre private forest.

- The nationally-recognized Outdoor Program Center has a lakeside facility for offering educational programs and renting kayaks, canoes, pontoons, sailboats, mountain bikes, and camping equipment. Weekend trips and semester break trips are available at student-discounted prices. The center also rents winter recreational equipment at the University's recreational center.

- BSU recreation center offers 6 basketball courts, 8 outdoor tennis courts, 4 indoor tennis courts, 5 racquetball courts, 200-meter indoor track, 8-lane outside track, 6-lane 25-yard pool, 3 baseball and softball fields, 4 indoor volleyball courts, 2 sand volleyball courts, free and fixed weights, 13 cardio machines, and a state-of-the-art rock climbing wall; the center is located near the residence halls.

- Men's hockey: winner of 13 national championships, 21 conference championships and, with an all-time winning percentage of .664, has the highest winning percentage of any NCAA Division I team.

- A total of 107 BSU athletes earned academic achievement recognition in 2010-11.

Paul Bunyan and his Blue Ox Babe stand along the shore of Lake Bemidji near the Tourist Information Center. Built in 1937 for the Winter Water Carnival, the Eastman Kodak company recognized Paul & Babe as the second most photographed icon in the nation.

The Bemidji area is home to a population of more than 30,000 and includes the Leech Lake, White Earth, and Red Lake Indian Reservations, and Lake Itasca, the headwaters to the Mississippi River. The City of Bemidji provides a focus for educational, business, and medical services. Recreational and cultural activities reflect a multicultural heritage that includes American Indian, European and Canadian influences.

Bemidji is a "golden city" along the river's bank, only miles from where the mighty Mississippi River begins its 2,552 mile journey to New Orleans and the Gulf of Mexico, a city at the center of the legends of Paul Bunyan and Babe the Blue Ox.

Bemidji's natural beauty and bounty as a meeting or group tour destination is also enhanced with historic character. From world renown statues and architecture listed on the National Register of Historic Places, to ancient earth mounds and burial grounds, the past takes an interesting turn in Bemidji.

Bemidji's waterfront is home to the world-famous statues of Paul Bunyan and Babe the Blue Ox listed in the National Register of Historic Places. Nearby is Bemidji's Tourist Information Center. In addition to Paul Bunyan memorabilia, The Bunyan House features the Fireplace of States built with stones from every state in the U.S. and Canadian provinces.

To the north, you'll encounter Library Park and the statue of Bemidji's founding Chief Bemidji, as well as the Community Arts Center in the Carnegie Building, also on the National Register.

At the south end of Lake Bemidji is the former site of the Crookston Lumber Co. The burning of the mill in 1924 marked the end of the county's logging era.

On the way into Bemidji, you may cross over the historic Mississippi River Bridge, built in 1916. This structure is listed on the National Register as one of the earliest examples of a steel-reinforced concrete bridge. At the southern end

of Minnesota Avenue lies the Great Northern Depot, completed in 1913. On the Historic Register, the Depot is the last early 20th century railroad building left in its original condition.

The Commercial Building on Third Street, built in 1910, is cited in the Architecture of Minnesota Guide as a successful prairie-style solution for a single-story building.

Other examples of historic architecture include the Beltrami County Courthouse built in 1902. Across the street you'll find the 1917 Colonial Revival-style former Post Office.

Perhaps Bemidji's best-known historic district is the eight-block section of Lake Boulevard. Once known as Bemidji's "Gold Coast," among the many venerable homes to be viewed is the Dr. Johnson House built in 1910 with a showcase garden.

The Bacon House was also built in 1910, later used for a Catholic convent. An unusual log structure, the Fisk House was reconstructed log-by-log at the present site. Judge Fisk enjoyed entertaining many distinguished guests, including writer F. Scott Fitzgerald. Further along you'll find Warfield House, the 1912 home of the man who built Bemidji's electric light plant.

Two lady teachers resided at the 1930s Parker & Mangelsdorf House, also known for its large, informal gardens.

Birchmont Drive displays two art deco classics built in 1937, one with a semicircular glass projection, is located at Bemidji State University, the only lakeshore campus in the state with architecture dating back to 1919.

Located about midway between Minneapolis/St. Paul to the south and Winnipeg, Canada to the north, Bemidji has easy access by air, motor carrier, and automobile to metropolitan areas and international airports.

BEMIDJI STATE ATHLETIC FACILITIES

Chet Anderson Stadium is home to BSU's football program. It is one of just three collegiate football stadiums in the nation with a lakeside setting.

BSU Baseball Field plays host to the Beaver baseball program in the spring. The stadium grandstand was completed for the 2002 season and the facility underwent a \$170,000 renovation project including the installation of new dugouts and a Fair-Play electronic LED scoreboard in 2007.

Bemidji State's softball program plays its home contests at the BSU Softball Field, adjacent to the baseball field. In the spring of 2008, the school unveiled a new permanent scoreboard to the facility.

BSU Gymnasium is the home of BSU's men's and women's basketball and volleyball programs. BSU's men and women each won a home-court first-round NSIC playoff game in 2004.

Built in 1996, the BSU Soccer Complex is the home to the BSU women's soccer team. In 2006 a state of the art irrigation system was put in place, allowing the field to remain green throughout the year.

The BSU indoor track and tennis teams make their home in the Gillett Recreation/Fitness Center. One of the finest indoor facilities in the region, the center also serves as the campus recreational center.

MEDIA SERVICES

Bemidji State provides extensive Internet information resources for those covering BSU ice men's hockey and its other athletics programs.

The BSU athletic media relations website contains schedules, rosters, updated statistics, videos and historical information from previous seasons. Print-quality photos of BSU players and coaches are also available for download.

BSU's weekly game-notes package is completed and made available on-line during the season, and are typically available Wednesday afternoon. BSU's game notes are in Adobe PDF format and will be distributed via electronic means only (e-mail or Web). Due to the size of the release, it will not be regularly distributed via fax.

Information on Bemidji State men's ice hockey is available on other reputable web sites which cover college hockey:

- <http://www.wcha.com>
- <http://www.collegehockeystats.net>
- <http://www.uscho.com>

Official BSU athletics web site:

- <http://www.bsubeavers.com>

Game-Day Services

Gameday packages containing programs, line charts, game notes and other information will be available in the Sanford Center press box prior to all home contests.

Final statistics include an official NCAA box score and per-period shot charts. Game notes and quotes from coaches and selected players will also be available. Telephone, copier and Internet services are available on a first-come, first-served basis.

There is wireless Internet service in Sanford Center. In addition, media requiring post-game Internet access are welcome to use the media workroom located near the loading dock entrance to the facility.

Credentials / Pass List

Season credentials will be issued to all media covering the Beavers on a regular basis.

For single-game passes and credentials, contact the BSU office of athletic media relations no less than 24 hours before the scheduled starting time of the event.

Credentials will be issued only to representatives of an accredited media outlet who will be working in an official capacity to cover a BSU athletic event. No credentials will be issued to friends, spouses, children or other family members.

Credentials remain the property of Bemidji State University and may be revoked at any time.

Professional Scouts

By NCAA regulation, persons in attendance at a Bemidji State hockey contest for the purpose of scouting players for professional leagues or franchises must purchase a ticket in order to gain access to the contest.

Scouts will be provided with a pass which will give them access to the press box for the purpose of obtaining line charts and statistics. **Requests for these passes must be made through Director of Athletic Media Relations Brad Folkestad.**

Practice

Bemidji State's daily practice sessions are open to the media. Please contact Brad Folkestad if you wish to attend.

Interview Policies

All player interviews outside of post-game and practice time must be arranged through the BSU office of athletic media relations. Player interviews are typically arranged during early-afternoon hours before the team has its afternoon practice.

For interviews with coaches, contact the athletic media relations office at (218) 755-4603.

By NCAA rule, no player interviews will be available on gameday until the conclusion of that day's contest. Contact the office of athletic media relations with questions or for assistance.

Directions to Sanford Center

Highway 2 passes through Bemidji east-west, and Highway 71 is the main north-south thoroughfare. Each leads to Bemidji Avenue/Paul Bunyan Drive. Follow Bemidji Avenue / Paul Bunyan to First Street. Head west on First Street 1/2 mile. Sanford Center will be on your left. Use Gate 1, park and walk around to entrance 10 on the back side of the building near the loading dock.

WHO ARE BOOSTERS?

You are considered a booster or a representative of Bemidji State University Athletics interests if you:

- Participated in or are currently a member of any athletics department booster group, including Beaver Pride
- Have made a donation to the athletic program
- Have assisted or been asked to assist with recruiting of prospective student athletes
- Have assisted in providing benefits to enrolled student athletes or families
- Have helped to promote BSU athletics or BSU athletic interests in any way

Once a person has become identified as a booster to BSU they retain that identity indefinitely even if they no longer support the athletics program.

WHO ARE PROSPECTIVE STUDENT-ATHLETES?

The NCAA defines a "prospect" as anyone who has started classes for the ninth grade.

In addition, a student who has not started classes for the ninth grade becomes a prospect if the institution provides any financial assistance or other benefits not provided to any prospective student.

WHAT ARE PERMISSIBLE ACTIVITIES BY BOOSTERS?

The following are activities that BSU boosters can participate in:

- May attend events such as contests or banquets where prospects are present so long as the booster is there on their own initiative. Boosters are **NOT** able to contact prospects or prospect's relatives at such events.
- Boosters **CAN** inform BSU coaches of prospects in their area by contacting the BSU staff and/or sending newspaper clippings about the prospect.
- Boosters may arrange employment for prospects. Prospects may not start the job until after completion of their senior year in high school, and compensation must be based on actual work performed at a normal rate.
- Boosters can continue to establish family relationships with friends and neighbors. Contacts with prospects are permitted as long as they are NOT for recruiting purposes and are NOT initiated by BSU staff members.

WHAT IS A CONTACT?

WHAT IS CONSIDERED RECRUITING?

Contact is any face-to-face encounter between a prospect or their parents/guardians and a BSU staff member or athletics representative (booster) during which dialogue occurs in excess of a greeting.

Recruiting is any solicitation of a prospect or the prospect's relatives by a BSU staff member or athletics representative (booster) for the purpose of securing the prospect's enrollment and eventual participation in the BSU intercollegiate athletics program.

RADIO R.P. BROADCASTING, INC.

R. P. Broadcasting of Bemidji has been only flagship radio home Bemidji State University athletics has known, serving as BSU's radio outlet since 1999.

Since the beginning of 2006-07, Bemidji State men's ice hockey has made its home on MIX 103.7 FM, giving the Beavers unprecedented coverage north-central Minnesota.

Additionally, all game broadcasts will be streamed live over the Internet at www.beaverradionetwork.com. Broadcasts are available by using any mp3 player.

Voice of the Beavers **Brian Schultz** enters his eighth year behind the mic and **Brian Bissonnette** provides color commentary for BSU all home and most road games.

Radio and Internet coverage of BSU men's ice hockey begins 40 minutes prior to the drop of the puck with a comprehensive pregame show, featuring interviews with BSU players, coaches and others involved with the school's athletics programs, as well as analysis and insights on the coming game.

LAKELAND PUBLIC TELEVISION

Since 2003, Bemidji State athletics has a television presence partnering first with Charter Communications and then Midcontinent Communications to provide live coverage for BSU home athletics events each year exclusively to Bemidji-area customers on local cable systems channel 17. In 2010, the Beavers entered into a new era of television coverage by partnering with Lakeland Public Television for Men's Hockey. Blanketing most of Minnesota, North Dakota and portions of Wisconsin on cable systems, dish systems and over the air, Lakeland's BSU men's hockey coverage is unparalleled in the Upper Midwest.

In addition to the full home schedule of BSU men's hockey, KBSU, Bemidji State's campus television station, will also produce BSU's full schedule of home football games and a selection of men's and women's basketball contests in 2010-11. In total, Lakeland and KBSU have nearly 50-game scheduled for broadcast.

Local radio personality **Scott Williams**, recognized as one of the region's preeminent on-air talents, returns for his 12th season to handle play-by-play duties for all KBSU-produced football, basketball and Lakeland produced men's hockey television broadcasts. Former BSU captain **Eric Monsrud** provides expert commentary for men's ice hockey.

DR. RICHARD HANSON

President, Bemidji State University
North Dakota State University (1971)

The tenth president of Bemidji State University, Dr. Richard Hanson, took office officially on July 12, 2010. He also serves as president of Northwest Technical College.

The Minnesota State Colleges and Universities Board of Trustees announced Hanson's appointment on May 19, with Chancellor James McCormick formally presenting the president-elect to the faculty and staff of both campuses the following day.

Hanson, 60, had been interim president of North Dakota State University since Dec. 1, 2009. Previously,

he served as president of Waldorf College; professor of sociology, vice president for academic affairs and dean of the college, all at Augustana College; associate vice president for academic affairs, associate director of human development in the Extension Service and director of the Family Studies Institute, all at North Dakota State University; and chair of the Department of Home Economics at California State University, Chico.

Hanson also has held interim positions at North Dakota State University that included vice president for academic affairs and dean of the College of University Studies. Hanson earned his bachelor's degree in sociology and his master's in child development and family relations, both from North Dakota State University, and a doctorate in applied behavioral science from the University of California-Davis.

DR. RICK GOEB

Director of Athletics

North Dakota State University (1989)

A new era in Bemidji State University athletics began July 13, 2001 when Dr. Rick Goeb was named BSU's first full-time director of intercollegiate athletics.

Goeb directs a 15-sport varsity athletics program at BSU with NCAA Division I men's and women's ice hockey and 13 Division II sports.

Beaver athletics has undergone dramatic changes in Goeb's tenure, having seen more than a dozen positions created or filled with new hires - including head coaches for women's hockey, men's and women's basketball, soccer, softball, baseball, women's golf, tennis and volleyball - and the hiring of BSU's first full-time athletics fundraiser.

In Goeb's 10 years overseeing BSU athletics, the program has entered one of the best all-around eras in the program's history. Men's ice hockey has won three College Hockey America regular-season titles, two tournament titles and made a magical run to the NCAA Frozen Four; men's basketball won its first NSIC Championship in decades, advanced to its first-ever NCAA Tournament; women's basketball hosted and won its first-ever NSIC playoff game; indoor track won its first-ever NSIC Championship; football won the NSIC crown in 2006 and men's and women's golf have made NCAA regional appearances with both full teams and individual performers.

BSU athletics has also assembled a strong academic reputation under Goeb's leadership. Men's hockey has set a CHA single-season record for number of Academic All-CHA performers three times and produced the 2005 and 2010 CHA Student-Athlete of the Year; women's ice hockey posted three consecutive WCHA Student-Athletes of the Year from 2002-04; and more than two dozen BSU student-athletes have been recognized on the CoSIDA/ESPN The Magazine Academic All-District V Team with five Academic All-America honorees.

Goeb came to Bemidji State after six years as senior associate athletics director at the University of Alaska-Fairbanks. At Fairbanks, Goeb served as NCAA compliance officer, monitored academic eligibility and acted as the liaison for booster clubs.

Prior to his position at Fairbanks, Goeb spent two years as an administrator at North Dakota. Goeb also served as the head wrestling coach at St. Cloud State from 1990-93 when he was an instructor in physical education and a facility coordinator; was the strength and conditioning coach at Northern Colorado from 1989-'90; and served as an assistant wrestling coach at North Dakota State from 1988-'89.

Originally from Anoka, Minn., Goeb received his undergraduate degree at North Dakota State, where he was also a Division II national wrestling champion and was inducted into the NDSU Athletic Hall of Fame in 2010. Goeb earned his master's from Northern Colorado and doctorate from North Dakota. He and his wife Carol have two daughters, Amber and Anne and a son, Jordan.

BRAD FOLKESTAD

Director of Athletic Media Relations

Bemidji State University (2001)

Brad Folkestad is in his ninth year in the Office of Athletic Media Relations at Bemidji State. As Director, he oversees all publicity and media relations operations for BSU's 15-sport athletics department, and directly handles communications for the university's men's hockey, golf cross country, soccer and track and field programs.

Entering his 11th year in the athletic media relations field, Folkestad was promoted to the Director post in the spring of 2007.

Folkestad has spent eight years of professional career at BSU. Starting with a two-year stint as a graduate assistant in 2002, he returned as the Assistant SID in the fall of 2004 after a one-year assignment in the same capacity at the University of Minnesota Duluth.

In addition to serving as the men's and women's basketball contact during each of the first four years in the business, Folkestad's interests and experience in collegiate basketball run deep. He has volunteered at numerous conference, regional and national tournaments including the 2003 and 2006 NCAA Division I Men's Midwest Regional Tournament in Minneapolis, Minn., the 2005 NCAA Division II Elite Eight in Grand Forks, N.D. at the 2003 NCAA Division II Women's Frozen Four. He's also staffed

He is an active member of the College Sports Information Directors of America and has been recognized for excellence in publications on a number of occasions including a Ninth in the Nation finish for his 2005 BSU Volleyball Media Guide.

Folkestad, 32, received his bachelor's degree in communication from BSU in 2001 and continues to work toward a master's degree in sports studies. He resides in Bemidji, Minn. with his wife Lisa and their five children Tim, Nicole, Carly, Mackenna and Baylor.
