THE 2011 SEASON

Despite losing key leaders on both offense and defense, the Bemidji State football team is confident about the upcoming season due to the amount of chemistry on the 2011 roster. The Beavers welcome back 16 starters from last season's roster and nine all-conference performers, but more important than returning all-conference players is how well this team gets along.

"I think we will have a good football team, it's as tight knit and cohesive a group that we haven't had in a long time," Tesch said. "It's a special group of guys. I think we have great leadership and it's a senior class that is very eager to go out winners. I'm excited about that chemistry part of the team too."

Back at the helm for his 16th season, head coach Jeff Tesch is coming off his 12th winning campaign. This season Tesch and his staff have their work cut out for them, as two key areas need to be addressed.

"Between how the D-Line and quarterback play goes, that could determine how the season goes," Tesch said. "We are excited about the young kids as replacements on the defensive line. They are kids who will play with a lot of enthusiasm and who will make up for their lack of game experience. Offensively we have a ton of players back, probably the concern there is replacing a quarterback who almost holds all the records here."

The 2010 team finished 7-4 overall and 6-4 in the Northern Sun Intercollegiate Conference, finishing tied for fifth overall and third in the NSIC North. All four losses came at the hands of postseason participants, including a loss to the national champion University of Minnesota Duluth.

"We are certainly going to try and win them all," Tesch said about his expectations for the season. "We are trying to get back to a bowl game or postseason play. I've always had and always will have a goal to win the conference."

OFFENSE

Quarterback

It's Lance Rongstad's turn now. After two seasons and a redshirt year of watching Derek Edholm throw and rush his way to the record books, Rongstad will take the reins of the BSU offense and show what he can do through the air. He has proven his abilities on the ground, but now it's going to be about his arm. In two seasons he is 18-for-30 with two touchdowns and one interception.

"We are excited for Lance Rongstad and all the things he can bring athletically, but he hasn't played a lot at QB the last couple years," Tesch said. "He needs some work, but we all know what a good athlete he is."

Rongstad's back-up will be sophomore Alex Haas, who saw very limited game action and hasn't attempted a pass as a collegiate quarterback.

"Hass had a very nice spring," Tesch said. "He got better and better and he impresses us with his athletic ability, plus he's got a strong arm," Tesch said.

Keeping Rongstad healthy will be a concern for the BSU coaching staff, as he hasn't had a complete season yet after suffering ankle and knee injuries to keep him out of the line-up in the second half of each of the last two seasons.

Running Back

Dustin Kroeplin returns after another successful season that garnered him all-conference honors (second team). Now a junior, Kroeplin is poised to be a first team and all-region back, providing the running game with a hard-nosed starter that can find a hole, break tackles and make the big run. Last season he netted 802 yards on the ground, scoring nine touchdowns. He added 65 receiving yards and one touchdown.

"It could be a deeper group of guys again. We are excited about Dustin Kroeplin being the returning starter. He provides a lot of durability and power and that's the type of runner he is. We also have Brandon Miles back who has played a lot. He got caught up in the numbers game last year, but Brandon can do some nice things out there."

Miles is back for BSU after playing a full season last year after missing all of 2009 due to injury. He carried the ball 46 times for 232 yards last season, averaging 5.0 yards per carry and 23.2 per game. Brad Hemling returns for his junior season and will be in the mix as well after rushing 25 times for 149 yards. Redshirt freshman Jared Flaata had a good spring and could be in the mix this season.

"Another kid that is finally healthy is Brad Hemling," Tesch said. "He is probably the best pass blocker of all those guys, works his tail off. With him back and healthy and joining Brandon and Dustin, we have some depth back there. We can't rely on just one guy."

Receivers

The Beavers welcome back most of their receiving core from last season, but the team did lose a 1,000-yard career receiver in Andrew Schultz, who earned *All-NSIC First Team and Second Team* all-region honors last season. Replacing a receiver like that is tough, but Tesch is excited about his options

"One of the challenges is to replace Schultz, a 1,000-yard receiver. But the kid that is replacing him, Matt Gandrud, has been patient, waiting his time. He's a big, strong and fast kid that has good hands and we are looking for him to jump right in," Tesch said.

Gandrud, a junior, will look to fill that role after serving mostly as a special teams player the last two seasons. In addition to Gandrud, BSU has a strong group of seniors and experienced juniors coming back to hopefully stretch the defense with their talent. Seniors Jody Henningson and Cameron Abram look to lead the way after finishing last season third and fourth, respectively, in receiving yards. Henningson caught 21

passes for 251 yards and Abram brought in 17 passes for 174 yards.

Juniors Justin Lee and Christian Metz are back and are ready to contribute. Lee caught 11 passes for 155 yards for a team-best five touchdowns. He also found the end zone on the ground and through the air. Metz recorded 45 yards on seven receptions for a score.

"Justin Lee has been a kid who's been hurt on and off, but he got back on the field last year and started to show signs of what he really can do and that is be one of the quick game breakers in the conference," Tesch said. Cameron Abram, our deep threat, struggled last year a little bit, but came back and had a nice spring and worked really hard this summer. Jody is a good solid football player and Christian is a guy we've been waiting to emerge," Tesch said.

Tight End

Brian Leonhardt continues to prove himself as one of the best tight ends in the league and in the region. Last season he brought in 28 receptions for 351 yards and three touchdowns. His efforts earned him first team laurels from the NSIC and he was named *Consensus Draft Services 2011 Preseason All-America Honorable Mention* in July. His abilities on the offensive line, off the line, and on special teams makes him a weapon for the Beavers.

"Brian is a heck of a football player. I don't know if there's a better blocker in the league," Tesch said. "He's improving on his routes and catching and he's only a junior. He's bigger and stronger than a year ago, so we certainly have to find way to get him the ball more than we ever had."

Troy Dale will see time at tight end and fullback this season after playing in nine games in 2010.

"Troy Dale is a guy that has been a part-time fullback, part-time tight end. He had a great summer, so we are excited to see what he brings," Tesch said.

Fullback

The Beavers lost Nate Solors at the fullback position after he performed at an all-conference level. His back-up last season, sophomore Brent Kondziolka, is now the number one guy at the fullback position. Last season he rushed eight times for 28 yards, but more importantly led the way for Kroeplin as he rumbled for more than 800 yards and nine touchdowns.

"It's a tough spot to lose, Nate Solors was a very good football player," Tesch said. "We are going to miss him, but a guy that we are very excited about is Brent Kondziolka, who has a lot of those same traits that Nate did, but he's actually bigger, stronger and faster, but he just lacks a little game experience."

Offensive Line

They are the ones that get overlooked when it comes to statistics, but they can't be missed. The offensive line makes the offense go and the Beavers are pleased to get most of their O-line back in 2011.

"The O-line is one of the strengths of the team without a doubt," Tesch said. Cory Immerman is a kid that has played for three straight years who shows durable, great leadership and plays when he is hurt - all the traits you need for a good lineman," Tesch said.

Two-time *All-NSIC Second Team* member and *Consensus Draft Services 2011 Preseason All-America Honorable Mention* Immerman will center the line for his senior season. Also a two-time all-conference selection, senior Davis Mickelson returns to the line after starting all 11 games for BSU last season. Brett DeLange was all-conference honorable mention last season and will have a spot on the starting line. Also returning is senior Jordan Anderson and junior Alonzo Melton. Anderson started the first four games, but injuries kept him out of the starting line-up as he played in eight games. He will replace the person that took his spot when injured, Chris Parrish, who graduated last spring. Melton has proven himself time and time again and will be a starter again this season after playing in all 11 games last season.

"Davis Mickelson has the same traits as Cory, both have started since they were redshirt freshmen. We feel great about having a senior all-conference player at left tackle. Brett DeLange is extremely fast, strong, quick, one of the strongest players on the team. He's the one that really pops the holes open. He's our best running lineman without a doubt," Tesch said.

"Melton is back at one of the tackles and a player pushing him for a starting spot is Jordan Oin. He's got a ton of talent, is extremely strong and fast and is one of those kids that will be the swing tackle and probably play other spots. At right guard will be Jordan Anderson, who has been a starter on and off, but injuries have shorted his last two seasons. He's as healthy as he has ever been, we are looking for him to have a great senior year."

Oin saw the field in four games last season, while junior Steve Pappas played in six games last season and will see time this season.

DEFENSE

Defensive Line

The defensive line is the biggest question mark for the Beavers this season. BSU lost three all-conference performers from last season, including Rob Wills, who was named to the All-NSIC First Team and all-region teams by two different publications.

Slated to start at the ends is senior Josh Beste and junior Bryan Syrstad. Beste competed in nine games and recorded 20 tackles (8 solo-12 assisted) with two sacks for a loss of 20 yards, two pass break-ups and two forced fumbles. Syrstad played in seven games and recorded three assisted tackles. At nose, the Beavers will start with Matt Shaver, who played in eight games and posted eight tackles, one solo.

Also in the mix for BSU will be freshmen redshirts J.J. Reinke and Dan Kiebler.

"The guy with the most game experience is Josh Beste. We are looking for Josh to have a good senior year, he is a leader," Tesch said. "The other guy that emerged and had a heck of a spring and really worked his way up the ladder is Bryan Syrstad. He has earned his time to play. At nose, out of spring the top player was Shaver, he's very smart and has a low center of gravity."

Linebackers

There will be a lot of talent and experience battling for playing time at the linebacker position this season, which will breed competition in practice and bring the best options to the playing field.

BSU lost all-conference linebacker Andrew Eagan, but welcomes back *All-NSIC Second Team* member Cory Crosby and honorable mention Buckley Wright. Crosby led the team and finished second in the NSIC in tackles, racking up 92 tackles (37s-55a) and added 6.5 tackles for loss (-22 yards), two sacks and an interception for his first-collegiate touchdown. Wright emerged as an all-conference player late in the season, getting quality starts due to his quality of play and other player's injuries.

"Cory Crosby is a durable, steady, solid football player," Tesch said. "You wish you had a dozen of him on the team out there. Buckley Wright had a fantastic spring, we are looking forward to him out there."

Other preseason starters include Blake Sczepanski and Jason Bromm. Sczepanski finished fifth on the squad in tackles with 41 (19s-22a), 3.5 tackles for loss (-24 yards), two pass break-ups and a forced fumble. Bromm sat out the season as a redshirt but is expected to jump right into the starting line-up.

"Blake is another experienced guy and we have been really high on Jason Bromm's ability," Tesch said.

Outside those four players the Beavers have options that own a lot of experience. Senior Alex Mock played in eight games last season and tallied 14 tackles. Junior Luke Knutson played in seven and started four games before suffering a season-ending injury. He totaled 21 tackles (11s-10a), 5.5 tackles for loss (-23 yards), and a 67-yard fumble recovery for a touchdown. Junior Dan Christensen is also in the mix after playing in 10 games, starting two, and posting 26 tackles (7s-19a), two tackles for loss (-15 yards), 1.5 sacks and an interception.

The Beavers lose George Percak-Dennett on the field due to injuries, but retain him on the sidelines as a student assistant coach. He recorded 21 tackles in seven games last season.

Defensive Backs

The defensive back position will be young in 2011, but that doesn't mean it won't be a solid piece to the Gang Green defense. Junior Charles Hrdlicka is the top returner to the position after playing and starting every game last season and recording 25 tackles (17s-8a) and a team-best six pass break-ups.

"Last year Charlie took a nice jump from his first year and did a good job of covering guys," Tesch said. "We are excited about him and the season and spring he had."

A true athlete, Larry Miller was moved from quarterback to defensive back last season to fill some holes and proved himself at the position. He picked up six tackles (2s-4a) in 10 games played. Also in the mix this season will be true freshman Dylan Valentine. He is expected to forego his redshirt season and immediately make an impact in the defensive backfield.

"Larry had a very good spring and summer of working out. We just really think he is the kind of kid you need in there to have a successful corner," Tesch said. "Our one freshman that we will count on playing is Valentine. He will be the alternate at the safety position. He is college football ready. Even if we were solid at defensive backs, his ability, how well he played on film and how he tested, proves to us he could beat out some upperclassmen.

Safeties

The safety position is strong entering the 2011 campaign, welcoming back all-conference performer Brody Scheff and Dusty Sluzewicz. Scheff is second among returners in tackles after posting 72 (32s-40a) in 2010. He also added three tackles for loss (-7 yards), five break-ups and one fumble recovery. Sluzewicz played in seven games before suffering a season-ending injury, but not before recording 14 tackles (2s-12a), three pass break-ups and tying for a team-

best with two interceptions.

"The big excitement is the quality of our safeties," Tesch said. "We have an all-region player in Brody Scheff, who's a great leader, good football player and always there. We are excited about getting Dusty Sluzewicz back after missing the last half of the year. With those two we have as good a pair of safeties as the rest of the conference. Then one of our captains who will rotate in with those guys is Jake Schmidt. Jake is a kid who has evolved into a good football player through his work ethic."

Schmidt played in all 11 games and started three to record his biggest season as a Beaver. His 35 tackles (12s-23a) ranked sixth on the team, while he added 2.0 tackles for loss (-5 yards).

SPECIAL TEAMS

BSU will see some new faces at some important roles on special teams this season. Not new to the fold is *Second Team All-NSIC* punter/kicker Jesse Sundby. But the loss of the holder, long snapper, and punt returners are up in the air to start the season.

Sundby finished the season with 53 punts, logging 1,869 yards and averaging 35.3 yards per punt, with 11 punts falling inside the 20 and recording four touchbacks. He was 30-for-32 on point after attempts and was 6-for-7 in field goals. Zach Pulkinen handled the kickoff duties last season, averaging 60.3 yards per attempt and recording four touchbacks. With his big boot, he could take some field goal responsibilities from Sundby this season.

"We have Jesse Sundby back, who has won some accolades for his punting and kicking in the past, so we have that kind of experience," Tesch said. "Zach Pulkinen is another one of the most improved kids on the team. We saw last year he has an extremely strong leg. He is just thumping the ball at camps this summer. We may do something we have never done before, but maybe Zach is a long field goal guy and Jesse is a short field goal guy."

Gandrud is the top player for the long snapper job that was held by Jordan Lardinois for the past four seasons. The holder job is also up in the air, but right now Beau Wakefield is the top candidate for the job. Rongstad and Metz could also see some time at the important spot.

"It kind of worries us if he [Gandrud] can go run a 40-yard bomb and then hustle back and snap, but he wants to do it. He is on a mission to help contribute to the team in as many ways as he can," Tesch said. "We have a couple guys experimenting at holder. Beau did a good job this spring."

The kick return game is something that the coaching staff would like to improve this season. The squad loses Schultz as the primary punt returner and hopes freshman redshirt Alex Lepp and J. Lee can step in and provide some big runs. Heading into the season Metz and Hrdlicka own the kick return responsibilities.

"Lepp can really run, he's quick and has some wiggle," Tesch said. "We are trying to get a little bit better punt return and kick returns. Any yards we can get in those spots, just try and upgrade."

SCHEDULE

This season's schedule may seem familiar to some. The reason for that is it's the same as last season with only the home and away games switching. The schedule may look the same, but the Beavers will host some important games in 2011.

"There are top echelon teams that we haven't been able to beat yet, so we are excited about having St. Cloud State and Minnesota Duluth at home this season," Tesch said. "We are excited to get them off their turf and get them here. If you are going to win the championship, you certainly have to knock one of those guys off. The Augustana game will be crucial as well. If you are going to win a championship or make the playoffs, you also have to win big games on the road."

For the 13th time Bemidji State will play Minot State University in the 'Beaver Bash'. The game against MSU will open the season in Bemidji, Minn. Aug. 25 at 7 p.m. BSU then travels to NCAA Tournament participant Augustana College Sept. 10 to open Northern Sun Intercollegiate Conference play and will be looking for some revenge from an embarrassing 10-0 loss last season at home. The Beavers host the next two contests, which are slated for 6 p.m. starts, making three night home games in the season's first four games. First up is Southwest Minnesota State University Sept. 17, which will also serve as the annual Shrine Game. Next the Beavers welcome 2010 NCAA Division II Champions University of Minnesota Duluth Sept. 24 to open NSIC North play.

BSU travels to Upper Iowa University Oct. 1 before returning home to take on Concordia University, St. Paul Oct. 8 to close games outside the NSIC North. Last season the Golden Bears downed BSU 20-14, thwarting off a late surge by BSU. The CU victory helped guide them to an appearance at the Mineral Water Bowl. The Beavers stay at home to Minnesota State University Moorhead Oct. 15 for the annual Battle for the Axe and Lion's Vision Awareness Game. BSU hits the road for its only back-to-back road games of the season as it travels to University of Mary Oct. 22 and Northern State University Oct. 29. Hoping to still be in the hunt for postseason play, the Beavers host St. Cloud State Nov. 5. The Huskies were an NCAA Tournament participant and were one of the four losses BSU suffered in 2010. The game against SCSU is the final home game of the slate and will serve as senior day. The regular season comes to a close at University of Minnesota, Crookston on Nov. 12. The game against the Golden Eagles will be the Battle for the Hubcap.

HOME COOKIN'

As Bemidji State has developed into a year-in, year-out title contender in the Northern Sun Intercollegiate Conference, the Beavers have also established one of the true home-field advantages in the region.

Since 1996, when Jeff Tesch took the reigns of the BSU program, the Beavers have posted a 48-20 record at Chet Anderson Stadium (.706) which includes a seven-game home winning streak that stretched from Sept. 27, 2008 to Sept. 19, 2009.

BSU has won eight of its last 10 games played at Chet Anderson Stadium dating back to an Sept. 27, 2008 win over Northern State, with the only two losses in that span coming to defending NCAA Division II Champion Minnesota Duluth and long-time regional powerhouse St. Cloud State University.

Perhaps the most exciting game in BSU history came on the turf at Chet Anderson Stadium on Oct, 7, 2000, in a Homecoming contest against Southwest State. In that game, BSU prevailed 65-63 in a four-overtime marathon, with the Beavers pulling out the win on a successful two-point conversion at the end of the fourth extra period.

More recently, the Bemidji State faithful were treated to a dramatic fourth quarter comeback by the 2009 Beavers versus nationally-ranked University of Minnesota Duluth. Down 28-14 after three quarters, BSU, under the direction of All-NSIC quarterback Derek Edholm, managed three scoring drives of over 60 yards during the final stanza, including a 32-yard touchdown strike to Jody Henningson as time expired, to come within a point of the No. 7 Bulldogs, 35-34. Despite a valiant effort, a failed extra point attempt allowed visiting UMD to escape with the one-point victory.

As the Bemidji State Teachers College continued to increase its enrollment from just 130 students when it opened its doors on June 23, 1919 to 160 in 1923, the need for more space and facilities became apparent.

Mr. A.P White, a member of the Bemidji community and the Normal School Board, stated "now is the time for us to get our campus developed."

At that time the east side of campus along the lakeshore was still wilderness. Mr. White's suggestion was carried out and the grounds for tennis courts and a football field were leveled and surfaced in 1923.

The football field was located just east of the current student union along the shore of Lake Bemidji, just a few feet south from the current location of the stadium. The field ran north-south with sidelines running along the lakeshore.

In 1926, R.E. Mendenhall, BSU's first staff member to hold a PhD who taught history and physical education, organized the college's first football team. The team played four games that fall against local high schools. The first game played on the Bemidji State field (often referred to as Diamond Point Field) was held Oct. 27, 1926 against Cass Lake High School. Bemidji was victorious, winning the battle 13-0. The team ended the first season in Bemidji State history with a record of 1-2-1.

In August of 1935, with sponsorship by local organizations, citizens of Bemidji and the faculty, a $2,400 lighting system was installed in time for the upcoming season. Forty lights, mounted on eight 60-foot poles, illuminated the field brilliantly for the 1935 home opener Sept. 13 against Itasca Junior College. This would be the first night game to be played in Bemidji State history. The dedication for the new lighting system took place during halftime with a crowd of 1,500 in attendance. Bemidji State president M.W. Deputy, Mr. F.J McPartlin and Mr. H.Z. Mitchell spoke at the dedication ceremony and the game was preceded by a torchlight parade through the business section of the city.

A practice field was built in 1938. The field was built extending from the already-existing field west to Birchmont Road. A concrete building was also constructed at the southwest corner of the playing field to house football equipment.

In 1939, BSU received a $172,000 federal grant provided for sports fields, and all but a small portion was used to upgrade BSU's athletics facilities. The projects included two new football fields and relocation of the existing fields, as well as a track, softball and baseball diamonds, soccer field, tennis courts and a general playing court. Concrete bleachers for the football field were included in the improvement plans. One of the new fields would be used as a practice field for football, while the game field was built inside the round cinder track. The location of the new field constructed as part of that project is the exact location of today's field.

Throughout spring and summer of 1940, work continued on the new sports fields as well as the concrete bleachers. The 1940 football season opened on the newly constructed field as BSU played host to Concordia College on Sept. 27. But the $25,000 bleachers would not be complete until the 1941 season.

In 1941 the bleachers, one on each side of the field, were completed. The newly constructed bleachers housed two rest rooms, two shower rooms, a refreshment stand, two first-aid rooms, two ticket booths and offices for the coaches. The inside passageway of the bleachers was home to a 160 foot long and 11 foot wide cinder track used by the track team for training during inclement weather. The bleachers were made of reinforced concrete and were 180 feet long and 40 feet wide. The seats consisted of 15 rows of redwood benches set atop steel straps and would seat an estimated 1,500 people.

An enclosed sports booth, six feet wide and 14 feet long, occupied the position above and in the center of the north side bleachers. A glass front was installed to protect sports writers from inclement weather. With both bleachers completed the estimated capacity of the stadium was 3,500.

The present-day stadium and field has undergone modifications throughout the years, but the main structures are the same today as 60 years ago. A new press box was added to the south side bleachers as well as additional seating, bringing the estimated capacity to 5,000.

In 1989, a new scoreboard and new playing surface were installed.

The facility was named the Chet Anderson Stadium on Oct. 5, 1996, in honor of former head coach Chester A. Anderson (1955-1965).

Bemidji State Football

The School Colors

In Feb., 1920, an assembly hour was set aside for the selection of school colors. After the balloting on colors had resulted in a deadlock, Cyrillus Freeman, a student from Minneapolis, rose and commanded attention.

"As we sat here discussing this question," she said, "I happened to glance out the window. The sight that met my eyes was fresh, green pines silhouetted against pure white snow. What could be more appropriate than green and white?"

This idea was accepted unanimously.

The Naming of the Beavers

As President Deputy reviewed football practice one evening in May, 1932, he called the team into a huddle and raising his hands above their heads declared, "I christen this team the Beavers."

The name "Beavers" is symbolic of the silent, hard-working teams representing Bemidji State University.

Fight Song

"Go Bemidji Beavers
Go you green and white
Go Bemidji Beavers
Fight with all your might!
Rah! Rah! Rah!
We are here to cheer you
We are out to bring you fame
So go Bemidji Beavers
Fight and win this game!"

Homecoming

The first homecoming at Bemidji Teachers College was held Oct. 6, 1927. Until 1931 Homecoming was a biennial affair. In that year the demands of the alumni, eager for this season of reunion, changed it to an annual celebration with all the traditional dinners, teas, parades, dances, bonfires and football games.

Recently, BSU has been celebrating victories in its annual Homecoming football game with a post-game celebration in the waters of Lake Bemidji which borders Chet Anderson Stadium on the east.

The BSU Logo

During the fall semester of 1998, campus-wide discussions were held on the need for new marks to represent the University as well as BSU athletics. The University marks at the time had been in place since 1974, with minor revisions in 1987, while no official athletic mascot, logo or image had been adopted for University use.

A committee was formed and for the next academic year an audit and review were conducted on the school logo and athletics imagery to determine what images were being used to represent the institution.

During the spring and summer of 1999, requests for proposals (RFP) were sought from outside firms to assist the university in this historic undertaking.

The BSU coaching staffs took great interest in the efforts to produce the new Beaver logo. They desired an image that would represent pride and confidence while being gender-neutral and not appearing cartoonish in nature.

The public relations firm of Russell & Herder of Brainerd was awarded the RFP for the logo project during the summer of 2000. For the remainder of 2000 and through early 2001, Russell & Herder helped oversee focus groups and surveys regarding the logo change.

In Dec. 2000, preliminary logo designs were presented to the committee, and revisions were made until the time the new marks were formally adopted and officially unveiled March 28, 2001, at a ceremony on campus.

THE WAR YEARS

Bemidji State holds a proud distinction of being the only Minnesota Teachers College to continue its football program through World War II, when other teams across the state temporarily suspended their teams due to a lack of available men on campus to fill out their rosters. "Jolly" Erickson, BSU's head coach at the time, simply felt it foolish not to continue.

BSU finished 4-0 with its depleted 1944 squad, one of just 15 undefeated teams in the nation that year. It remains the only unbeaten, untied team in BSU history.

Following is a story from the Sep. 27, 1944 edition of *The Northern Student* which recounts BSU's decision to carry on.

BSTC Carries On in Football
Only State Peds
With Uninterrupted Program

Bemidji State Teachers College is still having football! So far this northern Minnesota college, although severely handicapped by lack of men, has carried on every year in a wartime football program. It is the only one of the State Teachers Colleges in Minnesota to do so.

Coach "Jolly" Erickson says, "I think it is foolish to quit just because there aren't 30 or 40 men around the campus. Ten boys out for the sport will get just as much out of it as a larger squad." Coach Erickson went on to say that as long as the school has the equipment to fit out a team, every effort should be made to schedule games. Two home games are being planned this year instead of one. Eau Claire Teachers college of Wisconsin will send their team to Bemidji on October 13. The two teams should be of about the same ability as both have all-civilian teams. However, Eau Claire will have about twice as many men on the campus as Bemidji.

"I would like to see the game with Eau Claire on October 13 be our annual homecoming game with all of the festivities included," said "Jolly," "and we hope that the fans will come out and help us carry out our plans."

Carl Knutson is the only returning major letter winner. He is a sophomore from Benson, Minnesota. LeRoy Voxland from Fosston won a minor letter last year. "Any able-bodied or slightly disabled man is welcome to join the squad." So said Mr. Erickson.

Other members of the team were recently announced by Jolly. They are Ralph Magnuson, Shevlin, Minn.; Louis Marchand and Robert Liapis, Bemidji, Minn.; Clarence Sohlin and Gerald Haring, St. Paul, Minn.; LaVerne Harvey, Hibbing, Minn.; and Donald Letendre, Cass Lake, Minn. Ralph Magnuson and LaVerne Harvey have both had experience as gridders before. Magnuson bucked the line for BSTC in 1938 and Harvey fought with Hibbing High School. Four or five men are expected to report in the near future. Magnuson is the only man on this season's team with a wife and family, so here's hoping the Eau Claire boys won't be too rough with him.

The 1948 Bemidji State College football homecoming committee decided that something symbolic was needed to add color to the festivities. Publicity stunts that year included dropping leaflets, which included game admissions among them, from an airplane.

Homecoming committee chairman Ron Smith and others decided that an axe, then in possession of Smith, would serve as a suitable trophy to mark the hotly-contested annual Beaver-Dragon gridiron clash. The axe would be awarded to the university president representing the victor of the contest.

Smith's axe originated in the native village of Mount Hagon, New Guinea. The axe is hand made and was polished underwater by its maker. Two types of axe are produced by natives in the Mount Hagon area, one with a blade of black stone for work and one of gray stone for ceremonies. Smith procured the gray trophy axe through a series of shrewd trades with the natives.

In 1948 the teams fought to the bitter end for possession of the weapon in the inaugural Battle for the Axe, with Moorhead State winning 13-6. Despite a loss in the first battle, Bemidji State dominated the early history of the trophy series posting a 10-3-1 record in its first 14 games. BSU won five consecutive meetings in the series from 1957-'61 and was unbeaten in seven consecutive meetings from 1955-'61.

The tide turned in 1962, with the Dragons taking control of the series for the next few decades. In 21 games played from 1962 to 1982, the Beavers brought home the battle axe just twice - after a 28-12 win in Bemidji in 1969 and a 24-22 win in Moorhead in 1976. The Beavers broke through with two wins in four games from 1983-'86, but would then win just once - a 28-27 win in Bemidji in 1992 - in 11 games from 1987-'97.

But the tide has once again turned in BSU's favor, as the Beavers have captured 10 of the last 11 battles for the axe - which included a series-long streak of eight consecutive wins from 2000-2007.

From the Sep. 29, 1948 edition of The Northern Student:

"Bemidji Presents Trophy to MSTC

Today a Homecoming committee journeyed to Moorhead State Teachers college for a special pepe convocation. At this time invitations were extended to the faculty, student body, band and queen to come to BSTC where they will be given an active part in the Homecoming activities. At the convocation Ron Smith presented the New Guinea "Battle Ax" which is the new trophy between BSTC and MSTC."

JEFF TESCH | Head Coach

- **Moorhead State (Minn.) '78**
- **16th season at Bemidji State**
- **98-64 (.605) overall record**
- **BSU career leader in coaching victories**
- **1998 & 2006 NSIC Coach of the Year**

It begins in late August with the summer months coming to a close and the University buzzing with excitement for the new academic year. Students, proud alumni and families from surrounding communities file into a small, picturesque stadium by the lake with fevered expectations for the battles to come. Through the autumn combat, those watchful souls have been blessed to witness an unprecedented era of success. All-America honorees. School records falling by the wayside with an almost dazzling regularity. A stadium where victories occurred with the frequency of a bigfoot sighting just a few short years ago now hosts men with annual dreams of championship and glory.

It's an era of success and excitement that once might have seemed akin to the Christmas fantasies of youth. But under the masterful guidance of 16th-year head coach **Jeff Tesch**, the Bemidji State football program has undergone a remarkable metamorphosis and gone from annual doormat to title contender.

Tesch has posted a 98-64 record at BSU and led the Beavers to a school-record streak of 10 consecutive winning seasons stretching from 1998-2007. During that historic streak his teams posted four of the six eight-win seasons for a program now in its 85th season of competition. He is the only coach in Bemidji State history to oversee back-to-back eight-win seasons, and his 2000 and 2006 teams set matching school records of nine wins.

Tesch's success at BSU has been remarkable. Upon being named BSU's 15th field general in May 1996, he inherited a program which had won just 16 games in its previous eight seasons, suffering losing streaks of nine, 11 and 18 games in that time. Today, his 98 wins represent more than 30 percent of the program's all-time victories. He has averaged six wins a season at a program which in 70 years prior to his arrival averaged barely three victories each fall. In fact, Tesch's 98 wins in 15 years are more than the number of victories garnered by the Bemidji State program in the 32 full seasons prior to his arrival — 94.

Tesch has further cemented his legendary status by becoming Bemidji State's all-time leader in coaching victories. He posted his 53rd win at BSU with a 28-20 victory over Minnesota Crookston on Oct. 16, 2004, moving him past H. "Jolly" Erickson, who won 52 games during a 17-year career at BSU from 1938-54.

Tesch's growing list of achievements at Bemidji State has him among the Northern Sun Intercollegiate Conference's coaching deans as well. Now entering his 16th season at the Bemidji State helm, Tesch and Winona State's Tom Sawyer who enters his 16th year with the Warriors are the longest tenured coaches in the NSIC.

Growing Pains

Tesch's rebuilding efforts came about slowly, as BSU finished 2-8 in each of his first two seasons. His inaugural 1996 squad closed out an eight-game losing skid dating back to the 1995 season before Tesch picked up his first win as a head coach in a 19-15 win against Minn.-Morris. The Beavers would later close 1996 with a 28-14 win over Southwest State in the Metrodome Classic, BSU's first win in the 'Dome since downing Augsburg, 23-7, in 1983. That victory capped a 2-8 campaign and helped set the table for the turnaround to come.

BSU built upon the momentum of its season-ending win in 1996, picking up a 25-21 win over St. John's (Minn.) in its 1997 opener. That win, highlighted by "The Catch" – a 47-yard Hail Mary from Pat O'Connor to Ty Houglum as time expired – gave the Beavers back-to-back wins for just the second time in the 1990s and marked the team's first win in a season opener since 1990. BSU would later pick up a 25-22 home win over NSIC rival Northern State before dropping its final two contests to finish the 1997 season at 2-8.

BSU Turns the Corner

Tesch's resurrection of the BSU program began in earnest in 1998, as he led it to a 6-4 overall record and a third-place finish in the NSIC. BSU won three consecutive games after a season-opening loss, marking just the team's second three-game winning streak since 1985. The Beavers later posted a 48-13 over Minn.-Morris and a 48-18 win over Minn.-Duluth to mark their first 40-point scoring contests since 1991.

BSU's six wins not only helped elevate Tesch to NSIC Coach of the Year honors, they marked the most wins for the program since John Peterson's 1986 squad finished 6-4-1. BSU finished 4-2 against the NSIC, marking the first time since Peterson's 1984 team (4-2) the Beavers won as many as four league games.

The Arrival

The Beavers opened strong in 1999, serving notice that the successes of 1998 would not be a one-season flash-in-the-pan. BSU won its first three games, its best start since also opening 3-0 in 1985, en route to what would become just the second eight-win season in school history.

BSU set a school record in 1999 with three 50-point scoring games. The first of BSU's three half-century efforts came in a 52-38 win over Wayne State,

BSU's first 50-point game since 1986. BSU would top the 50-point barrier twice more in '99 with a 54-7 win over Concordia-St. Paul and a 53-20 win over Minn.-Morris.

Then in 2000, a record-setting offense helped propel BSU to arguably the finest single-season performance in school history. Tesch's 2000 squad became just the third team in school history - and first since 1944 - to open a season 4-0. The hot start propelled the Beavers to a school-record nine-win season, breaking the previous mark of eight wins set in 1984 and equalled in 1999.

Behind first-team All-NSIC and honorable mention All-America running back Eddie Acosta and honorable mention all-league quarterback Geoff Martinson, the BSU offense established 10 school season records and set its single-game scoring mark in a 70-0 blitzkrieg over Minn.-Morris. The 70-point effort tied for the fifth-highest scoring performance in all of Division II and joined with an historic 65-63, quadruple-overtime Homecoming win over Southwest State, BSU joined Northwest Missouri State as the only Division II programs to top 65 points twice in 2000. BSU also closed strong, becoming one of just six teams in school history, and first in 36 years, to finish with three consecutive wins.

BSU's achievements did not go unnoticed on the national scene. The Beavers finished ninth in the NCAA Midwest Regional Poll, used to select participants in the 16-team Division II national playoffs, and were 28th in the final AFCA Coaches Poll.

Championship Expectations

The 2000 season set the stage for a 21st century Bemidji State program which has established itself as a legitimate annual contender for the NSIC title, a crown the Beavers have not worn since 1959.

BSU's breakout 2000 season sent it into 2001 as a favorite for the NSIC championship, and with expectations also came national attention. The Beavers were ranked 23rd in Lindy's pre-season Division II national poll, and running back Eddie Acosta was named NSIC Pre-Season Offensive Player of the Year.

While the 2001 edition of the Beavers may not have lived up to the pre-season expectations, BSU finished 7-4 and led the NSIC in both total offense and passing offense. Along the way, BSU shattered 16 team single-season records while 13 individual season records and more than two dozen career marks fell by the wayside.

When it was all said and done, BSU had seven players named First-Team All-NSIC—the largest group in school history and equal to BSU's total of First-Team All-NSIC players in 1999 and 2000. Acosta was named NSIC Offensive Player of the Year, and Jason Leden earned a school-record fifth All-NSIC honor.

An 0-3 start and a season-ending injury to Acosta, a consensus pre-season All-America pick, derailed BSU's plans for the 2002 season early on, but Tesch rallied the troops with perhaps his finest coaching job since coming to Bemidji. No longer chasing conference titles or post-season glory, BSU instead looked inward and chose to play for the pride of the program. The Beavers rallied to go 6-2 in their final eight games and finished the season with sole possession of fourth place in the NSIC.

WR Ryan Welle was named First-Team All-NSIC, leading BSU's largest group of All-Conference selections since 1998, and also earned a spot on an All-Midwest Region team. LB Jon Aamot earned second-team league honors and was named to two post-season All-Midwest Region teams.

Tesch

BSU opened the 2003 season 2-0, including a season-opening win over Minn. State-Mankato which marked its first victory over a North Central Conference opponent since 1976. But three losses in four games again would make the team's quest for an NSIC championship an uphill battle. The Beavers rebounded and won four times in their final five starts. BSU's late-season surge also included a thrilling 48-42 win at Northern State which saw BSU rally from a 21-point first-quarter deficit.

BSU had three First-Team All-NSIC picks in 2003, most since 2001, and in total had nine players named to the All-Conference team.

Tesch's successes at Bemidji State continued in 2004, as he led the team to the third eight-win season under his watch and the fourth in school history. BSU tied for second in the NSIC standings, its highest finish since 2000, and went into the final weekend of the season in position to earn the first post-season berth in school history.

BSU grabbed national attention by scoring 40 or more points in each of its first five games, running its streak of 40-point scoring games to seven dating back to the 2003 season.

The Beaver offense was back in form, breaking school season records for scoring (422), rushing yardage (2,519) and rushing touchdowns (33) while becoming just the second team in school history to average better than 440 yards of offense per game.

At season's end, nine Beavers earned All-NSIC honors, OT Blaine Thomas was named All-Northwest Region and WR/KR Michael Nordyke received an invitation to a free-agent minicamp tryout with the Minnesota Vikings.

The Beavers erupted to a 3-0 start in 2005, highlighted by a 42-17 win at Minot State which saw quarterback Nathan Sannes set a school record with six touchdown passes and a 28-23 home victory over Minnesota State. In Week 4, BSU set a school record for combined points scored in regulation (96) in a 55-48 single-overtime loss at Concordia-St. Paul, and from that point forward injuries to key players on both sides of the ball would hamper BSU's efforts the remainder of the season.

That loss and a setback at Winona State two weeks later left the Beavers at 1-2 in NSIC play and out of title contention. However, the Beaver rallied to win their next three starts following the loss to Winona State, including a 45-33 win over Northern State and the program's school-record sixth consecutive victory over MSU-Moorhead in the "Battle for the Axe" rivalry series.

Tesch led the Beavers to a 9-3 finish in 2006, extending his school-record streak of consecutive winning seasons to nine, en route to the school's first outright conference title and first in more than 40 years. He also led the team to its first ever post season appearance as the Beavers drew Pittsburg

State in the Mineral Water Bowl. For his successes, Tesch was voted as the 2006 NSIC Coach of the Year while a school-record 16 players earned some form of All-NSIC honor. John Keaveny and Justin Guy paced a group of five first-team selections as the offensive linemates also garnered all-region accolades.

The Beavers posted a 7-4 record after the championship season, finishing fourth in the NSIC with a 6-3 mark. BSU had 11 players appear on an all-conference team, led by the NSIC Defensive Player of the Year, Zach Stafford. Kicker/punter Paul Potemra and kick returner/wide receiver Anthony Schreiber were second-team all-Northwest Region, while Schreiber was invited to Minnesota Vikings mini-camp.

BSU posted a 5-6 record in 2008, but continued its strong tradition of protecting home field by posting a 4-1 record. Ten Beavers were named to the all-conference squad, while Terrell Phelps picked-up first-team honors, en route to being named all-region in two different publications, including first-time laurels from Daktronics, Inc. He also was named an honorable mention All-America selection, becoming the 19th BSU football player to be honored as an All-America.

The 2009 season marked the fifth time under Tesch the Beavers surpassed the eight-win plateau. BSU posted a 7-3 record in NSIC play, finishing third. BSU played four nationally-ranked opponents, going 2-2 while losing a heartbreaker to then-No. 7 and defending national champion Minnesota Duluth 35-34 at Chet Anderson Stadium. The Beavers were the least-penalized team, while leading the conference in time of possession. Thirteen student-athletes were named to the all-conference teams, including a group of five players earning first-team nods. Jake Anderson highlighted the first-team selections and went on to earn All-America honors from both Don Hansen's Football Gazette and Daktronics, Inc. He became the 19th All-America from Bemidji Stat and fifth under Tesch.

The Beavers went 7-4 overall and 6-4 in the NSIC for the 12th above .500 season under Tesch. All four BSU losses came to postseason participants, including the eventual national champion University of Minnesota Duluth. Sixteen Beavers were named to the all-conference team, with three student-athletes earning first team nods, including Rob Wills who earned all-region accolades from two different publications.

Chart-Topping Career

Tesch's 15-year run at Bemidji State has him at or near the top in nearly every category for coaching achievement.

Despite a slow start, victories have come quickly. He won 30 games at BSU in 57 career starts, reaching the plateau two games faster than Chet Anderson (59), and he won his 40th game in year six. The other men to reach that plateau at BSU did so in careers of 10 and 17 years. And when Tesch became BSU's all-time winningest head coach in 2004, his ninth year at the helm, he reached the 53-win plateau eight years faster than Erickson.

In addition, Tesch's 2006 squad established a school single-season record for conference wins with just the sixth perfect season in NSIC history at 8-0. His 1999, 2000 and 2002 teams held the previous program mark as each piled up six wins. Prior to Tesch's arrival, no BSU team had ever won more than five conference games.

In 2002, Tesch toppled two significant coaching milestones at Bemidji State, becoming just the third BSU mentor to win 40 career games and becoming the program's all-time leader in victories over conference opponents.

Prior to Bemidji State

Before being named Bemidji State's 15th head coach, Tesch spent 11 years as an assistant for annual NCAA Division II playoff contender North Dakota. There, he assumed assistant head coaching duties in 1995. The Fighting Sioux captured at least a share of the North Central Conference championship three consecutive seasons before Tesch's departure in 1996. In addition to coaching duties, Tesch helped the Sioux achieve a 92 percent graduation rate while serving as academic advisor.

Prior to his UND appointment, Tesch spent one year as an assistant at Montana State, followed by a two-year stint as offensive coordinator at Central Missouri State. A graduate of Moorhead State (Minn.) University who was a free-agent signee with the Atlanta Falcons, Tesch was inducted into the MSU Hall of Fame in the spring of 1998. In 1977, Tesch was the NCAA Division II receiving champion and still holds Dragon single-game and single-season records for receptions.

In 28 years of coaching, Tesch has produced 15 All-America selections and five NFL draft picks.

Tesch is active with the Fellowship of Christian Athletes (FCA) , serving as a faculty advisor at Bemidji State

Jeff and his wife Susan have two children — daughter Tara and son Vincent.

RICH JAHNER | Associate Head Coach

Defensive Coordinator / Safeties
Minot (N.D.) State 1986
16th season at Bemidji State

Jahner

An original member of **Jeff Tesch's** coaching staff, **Rich Jahner** enters his 16th season as Bemidji State's defensive coordinator and recruiting coordinator and his ninth season with the title of Associate Head Coach.

Jahner's defense has produced two All-America picks in the last three seasons in Jake Anderson (LB, 2009) and Terrell Phelps (CB, 2008), while placing six players on the all-conference first team in the same amount of time.

Under Jahner's watch, the BSU defense has consistently ranked among the NSIC elite units, while making regular appearances in the NCAA rankings and establishing program-highs.

In past five seasons, BSU has proven it is one of the best defenses in the nation, especially against the run. The banner defensive seasons in the entire existence of the program came in 2006 and 2007.

En route to its first conference championship in over 40 years, the 2006 edition of the BSU Gang Green led the nation in defense against the run allowing just over 50 yards per contest, establishing a BSU record, including holding the then-No. 18 Winona State Warriors to an unbelievable -37 yards rushing. Seven times it held its opponents to less than 25 yards on the ground giving up its only individual 100-yard game to Germane Race of Pittsburgh State in the 2006 Mineral Water Bowl. The 2006 edition was also ranked top 20 in four other national categories, sacks (3rd, 3.3 s/g), interceptions (8th, 22), total defense (16th, 251 yds/g) and turnovers (19th, 20).

In 2007, the Beavers led the NSIC against the run for the second consecutive season, allowing an average of just over 70 yards per game. Five times BSU held opponents to less than 40 yards on the ground. The Beavers finished second in the NSIC giving up just over 300 yards of total offense per game while opponents scored just 17.2 points per contest against Jahner's stingy defense--a BSU Tesch-Era record and a mark that sat 12th in the nation.

The 2009 squad finished second in the NSIC and seventh in the nation in rush defense, allowing 81 yards per game. The defense held its opponent under 70 yards four times, including a shut-down performance against MSU Moorhead that saw the Dragons go backwards on the ground with -11 yards rushing. BSU was also ranked 14th in the nation in total defense, allowing 277 yards per contest. Six BSU defenders earned All-NSIC honors in 2009.

The 2010 team ranked in the top 20 nationally in pass defense (15th, 158.8 yards per game), scoring defense (16th, 16.9 points per game) and total defense (18th, 279.9 yards per game). Seven BSU defenders earned All-NSIC nods in 2010, giving BSU a total of 66 All-NSIC picks on defense under Jahner. Fifty-one of those picks have come in the last nine years.

The Beavers paced the NSIC in 2005 piling up 13 fumble recoveries and finished third in the league with 27 total takeaways while the crew limited two opponents to less than 200 yards of total offense.

In 2004, Jahner's Gang Green defense assembled its best season, statistically, in nearly 20 years. BSU finished second in the NSIC, allowing just 22.0 points per game -- the lowest by a BSU defense since 1986. BSU also led the NSIC in takeaways with 32, and in league games only led the conference in scoring defense (18.4), takeaways (21) and turnover margin (+1.14).

The Beavers closed the 2004 season with back-to-back shutouts, blanking MSU-Moorhead and Wayne State to record the program's first consecutive shutouts since 1985.

In 2003, the Beavers finished third in the NSIC (all games) in total defense and scoring defense, placing five defenders on the All-NSIC squad. The 2002 Beaver defense led the NSIC (league games only) in both passing defense (165.4 yards per game) and pass efficiency defense (108.1). The squad held Wayne State to just 147 total yards in a 38-2 victory, and shut out Southwest State, 37-0.

In 2001, LB Pat Engleright and DE Wallie Kuchinski earned First-Team All-NSIC honors to mark the first time since 1998 two BSU defenders were named to the first team.

BRENT BOLTE | Co-Defensive Coordinator

- **Co-Defensive Coordinator**
- **Cornell College (Iowa) '98**
- **12th season at Bemidji State**

Bolte

Brent Bolte enters his 12th season on the Bemidji State coaching staff and his ninth as a full-time assistant coach. Bolte spent the 2002 season as an adjunct coach overseeing linebackers, and the previous two seasons was in charge of BSU's receiving corps. Bolte received his promotion to full-time assistant coach in August, 2003 and was named Co-Defensive Coordinator in 2005.

Since being named Co-Defensive Coordinator, the Beavers have proven they are one of the best in the nation, finishing in the top seven in the NCAA rankings in rush defense three times, including leading the country in 2006. The 2009 edition was ranked 14th in the nation in total defense (277 yds allowed/g), while the 2006 squad was ranked 16th in the same category.

In 2010 the Beavers finished 18th in the nation in total defense, allowing 279.9 yards per game. Linebackers Cory Crosby and Andrew Eagan were the team's top two tacklers and both earned second team conference honors, while Crosby's 92 total tackles (55 assisted, 37 solo) led the team and finished second in the NSIC. Freshman linebacker Buckley Wright was named to the conference honorable mention team.

During his nine years as linebacker coach, Bolte developed a First- or Second-Team All-NSIC selection each year. He upped the anti in 2009 when Jake Anderson earned *First-Team All-NSIC* accolades, followed by first-team all-region honors that led to a spot on two different All-America teams (Daktronics and Don Hansen's Football Gazette). The heart and soul of the BSU defensive unit for two seasons, Anderson paced the team in tackles for loss and sacks, leading the NSIC in sacks in 2009.

Anderson is just the most recent example of the type of player Bolte has consistently turned out. He's also helped mold the careers of players like Zach Christ, a 2006 and 2007 All-NSIC pick who finished his career ranked eighth on the BSU assisted tackles list with 168 while piling up 241 career stops and Jon Aamot, who was named Second-Team All-NSIC in 2003. He finished as BSU's career leader in solo tackles (157) and finished second in total tackles (362).

In 2002, Bolte helped continue BSU's tradition of strong play at the linebacker position. Aamot finished second in the NSIC in tackles per game and became BSU's most-decorated player in 2002. He was named Second-Team All-NSIC, Second-Team All-Region by Daktronics, Inc. and Third-Team All-Region by Don Hansen's Gazette. His 115 total tackles and 52 solo tackles were among the 10-best single-season efforts on record at BSU.

Bolte spent the 2000 and 2001 seasons as BSU's wide receivers coach, where he helped develop one of the NSIC's best receiving corps. He coached a First-Team All-NSIC pick during both of his seasons at the position; Jason Leden in 2000 and Ryan Welle in 2001. Under Bolte's tutelage, Leden left BSU as the program's career leader in catches, receiving yards and receiving touchdowns (records since tied or broken), and in 2001 Welle set a school single-season record for receiving yardage.

Before joining the BSU staff, Bolte spent 1999 coaching wide receivers and quarterbacks at Loras College in Dubuque, Iowa. Bolte started and lettered four years as a linebacker at Cornell College in Mt. Vernon, Iowa. He helped the program capture the 1995 Midwest Athletics Conference championship and the 1996 Southern Division crown. He received All-MAC honors and left as the school's career leader in tackles (since broken). He graduated in 1998 with a double major in psychology and physical education.

Bolte and his wife Kim have a son, Caden and daughter, Beth. They reside in Bemidji.

- **Minnesota Morris 1989**
- **13th season at Bemidji State**

Dr. Ken Traxler is in his 13th year on the BSU coaching staff, and his eighth as an assistant coach after spending the previous three campaigns as a volunteer assistant.

Traxler helped BSU produce an All-Conference performer at defensive tackle from 2002-2005. Then when taking over coaching duties for the linebackers, guided two second-team performers in 2006, into first-team players in 2007. Now in his third season overseeing the offensive linemen, Traxler has coached three players to all-conference status. In 2009, the Beavers had three different players contribute to eight 100-plus yard games, while the O-line protected a first team all-conference quarterback.

Traxler brings a 14-year coaching resume to the Bemidji staff, including stints as a defensive coach at the University of Minnesota, Morris and at Gustavus Adolphus College.

Traxler played linebacker at the University of Minnesota Morris, where he received his bachelor's degree in chemistry in 1989. He earned a doctorate in chemistry from the University of Denver in 1994.

In addition to his coaching duties, Traxler is a professor and chair in the BSU Department of Chemistry, which he joined in 1997.

Bemidji State Football

From its modest origin as a six-team alliance nearly eight decades ago, the Northern Sun Intercollegiate Conference has matured into a 14-team union of upper Midwest colleges and universities to form arguably the strongest affiliation in NCAA Division II. The NSIC can trace its roots to 1932 when six schools, including Bemidji State University, Minnesota State University, Mankato, Minnesota State University Moorhead, St. Cloud State University, University of Minnesota Duluth and Winona State University signed on as charter members. All remain active subscribers of the league today.

Southwest Minnesota State University was added in 1969, followed by Northern State University in 1978, Wayne State College (NE) in 1998, Concordia University-St. Paul and the University of Minnesota, Crookston in 1999, the University of Mary and Upper Iowa University in 2006, and Augustana College, in 2008.

Minnesota State, St. Cloud State and Minnesota Duluth later left the league to join the North Central Conference but returned to the NSIC in 2008. University of Minnesota, Morris and Michigan Tech University were once part of the NSIC family as well. In July of 2012, the NSIC will again expand with the addition of Minot State University and the University of Sioux Falls, bring the league to 16 members for the 2012-13 academic season.

In 1992 the NSIC became a true athletic showcase for both men and women with the merger of the traditional Northern Intercollegiate Conference (NIC) and the Northern Sun Conference (NSC), the home of women's athletics since 1979.

Before NSIC affiliates became certified for championship competition in the National Collegiate Athletic Association in 1995, its member institutions filled prominent roles in the National Association of Intercollegiate Athletics (NAIA). NIC and NSC clubs annually dispatched qualified student-athletes to national tournaments and captured several NAIA teams and individual championships.

The NSIC celebrates its 80th season this year and clearly continues to make a major imprint nationally, winning nine national titles in the last six years. Winona State men claimed NCAA II Basketball Championships in 2006 and 2008 and narrowly missed a third crown, falling in a last second shot in 2007. In addition, the Warriors established a NCAA II record of 57 consecutive victories.

Concordia University launched an ongoing streak of four consecutive NCAA II Volleyball Championships in 2007. In 2008 the Golden Bears won 37 straight matches after a season opening loss on their way to a second consecutive title and scripted a marvelous encore in 2009 with a perfect 37-0 finish, a third straight national crown and a winning streak of 74 straight matches. In 2010 the Golden Bear extended that win streak to 75 before dropping their second match of the season. They started 2010 with a 10-4 record before ripping off 22 straight wins on their way to their fourth straight national title.

In a most surprising run, Minnesota Duluth completed a perfect 15-0 season by winning the 2008 NCAA Division II Football Championship. The Bulldogs, limited to only 24 scholarships by league rule, swept a field of fully-funded teams, including top ranked Grand Valley State and number three Northwest Missouri State. Two years later in 2010 the Bulldogs repeated that feat, going 15-0 again to win the national championship. The Bulldogs became the first NCAA DII football squad to win two national championships with undefeated records.

Minnesota State added more luster to the league by finishing 32-2 and claiming the 2008-09 NCAA II Women's Basketball Championship. The Mavericks rolled to a wild 103-94 victory over Franklin Pierce to set a NCAA record for total points in the title game. Since 2000, the NSIC has also participated in Mineral Water Bowl. Hosted by the Quarterback Club of Excelsior Springs, Mo., the Mineral Water Bowl matches the highest-finishing teams from the NSIC and the Mid-America Intercollegiate Athletics Association (MIAA) not selected for the NCAA Division II football playoffs. Winona State defeated Missouri Western State, 43-41, in triple overtime, the Warriors, first-ever NCAA II post-season win in 2000.

In addition, NSIC student-athletes have made a major splash nationally as well, collecting a batch of individual titles. Concordia setter Maggie McNamara was honored as the NCAA Division II Honda Women's Athlete of the Year, the latest NSIC representative decorated with national Player of the Year honors. The NSIC has also had three athletes awarded with the NCAA Elite 88 Award, which is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA's 88 championships. Earning the award were Kendra Huettl (Minnesota State, Softball, 2011), Matt Braithwaite (Augustana College, Cross Country, 2010) and Lauren Brown (Winona State, Outdoor Track and Field, 2010).

Member schools continue to emphasize the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. The NSIC is committed to providing rewarding experiences for its student-athletes, and while the challenges that loom are sizable, indeed, the NSIC is surely well positioned for the future.

Paul Bunyan and his Blue Ox Babe stand along the shore of Lake Bemidji near the Tourist Information Center. Built in 1937 for the Winter Water Carnival, the Eastman Kodak company recognized Paul & Babe as the second most photographed icon in the nation.

Bemidji State Football

The Bemidji area is home to a population of more than 30,000 and includes the Leech Lake, White Earth, and Red Lake Indian Reservations, and Lake Itasca, the headwaters to the Mississippi River. The City of Bemidji provides a focus for educational, business, and medical services. Recreational and cultural activities reflect a multicultural heritage that includes American Indian, European and Canadian influences.

Bemidji is a "golden city" along the river's bank, only miles from where the mighty Mississippi River begins its 2,552 mile journey to New Orleans and the Gulf of Mexico, a city at the center of the legends of Paul Bunyan and Babe the Blue Ox.

Bemidji's natural beauty and bounty as a meeting or group tour destination is also enhanced with historic character. From world renown statues and architecture listed on the National Register of Historic Places, to ancient earth mounds and burial grounds, the past takes an interesting turn in Bemidji.

Bemidji's waterfront is home to the world-famous statues of Paul Bunyan and Babe the Blue Ox listed in the National Register of Historic Places. Nearby is Bemidji's Tourist Information Center. In addition to Paul Bunyan memorabilia, The Bunyan House features the Fireplace of States built with stones from every state in the U.S. and Canadian provinces.

To the north, you'll encounter Library Park and the statue of Bemidji's founding Chief Bemidji, as well as the Community Arts Center in the Carnegie Building, also on the National Register.

At the south end of Lake Bemidji is Nymore Beach, site of the Crookston Lumber Co. The burning of the mill in 1924 marked the end of the county's logging era.

On the way into Bemidji, you may cross over the historic Mississippi River Bridge, built in 1916. This structure is listed on the National Register as one of the earliest examples of a steel-reinforced concrete bridge. At the southern end of Minnesota Avenue lies the Great Northern Depot, completed in 1913. On the Historic Register, the Depot is the last early 20th century railroad building left in its original condition.

The Commercial Building on Third Street, built in 1910, is cited in the Architecture of Minnesota Guide as a successful prairie-style solution for a single-story building.

Other examples of historic architecture include the Beltrami County Courthouse built in 1902. Across the street you'll find the 1917 Colonial Revival-style former Post Office.

Perhaps Bemidji's best-known historic district is the eight-block section of Lake Boulevard. Once known as Bemidji's "Gold Coast," among the many venerable homes to be viewed is the Dr. Johnson House built in 1910 with a showcase garden.

The Bacon House was also built in 1910, later used for a Catholic convent. An unusual log structure, the Fisk House was reconstructed log-by-log at the present site. Judge Fisk enjoyed entertaining many distinguished guests, including writer F. Scott Fitzgerald. Further along you'll find Warfield House, the 1912 home of the man who built Bemidji's electric light plant.

Two lady teachers resided at the 1930s Parker & Mangelsdorf House, also known for its large, informal gardens.

Birchmont Drive displays two art deco classics built in 1937, one with a semicircular glass projection, is located at Bemidji State University, the only lakeshore campus in the state with architecture dating back to 1919.

Located about midway between Minneapolis/St. Paul to the south and Winnipeg, Canada to the north, Bemidji has easy access by air, motor carrier, and automobile to metropolitan areas and international airports.

The ninth hole at the Bemidji Town and Country Club offers a breath-taking view of Lake Bemidji and the surrounding area.

Chet Anderson Stadium is home to BSU's football program. It is one of just three collegiate football stadiums in the nation with a lakeside setting.

BSU Baseball Field plays host to the Beaver baseball program in the spring. The stadium grandstand was completed for the 2002 season and the facility underwent a $170,000 renovation project including the installation of new dugouts and a Fair-Play electronic LED scoreboard in 2007.

Bemidji State's softball program plays its home contests at the BSU Softball Field, adjacent to the baseball field. In the spring of 2008, the school unveiled a new permanent scoreboard to the facility.

The Bemidji Regional Event Center is a state-of-the-art multi-million dollar facility that opened in Oct. of 2010, becoming the new home of men's and women's hockey at BSU.

Built in 1996, the BSU Soccer Complex is the home to the BSU women's soccer team. In 2006 a state of the art irrigation system was put in place, allowing the field to remain green throughout the year.

The BSU indoor track and tennis teams make their home in the Gillett Recreation/Fitness Center. One of the finest indoor facilities in the region, the center also serves as the campus recreational center.

Who Are Boosters?

You are considered a booster or a representative of Bemidji State University Athletics interests if you:

- Participated in or are currently a member of any athletics department booster group, including Beaver Pride
- Have made a donation to the athletic program
- Have assisted or been asked to assist with recruiting of prospective student athletes
- Have assisted in providing benefits to enrolled student athletes or families
- Have helped to promote BSU athletics or BSU athletic interests in any way

Once a person has become identified as a booster to BSU they retain that identity indefinitely even if they no longer support the athletics program.

Who Are Prospective Student-Athletes?

The NCAA defines a "prospect" as anyone who has started classes for the ninth grade.

In addition, a student who has not started classes for the ninth grade becomes a prospect if the institution provides any financial assistance or other benefits not provided to any prospective student.

What Are Permissible Activities by Boosters?

The following are activities that BSU boosters can participate in:

- May attend events such as contests or banquets where prospects are present so long as the booster is there on their own initiative. Boosters are NOT able to contact prospects or prospect's relatives at such events.
- Boosters CAN inform BSU coaches of prospects in their area by contacting the BSU staff and/or sending newspaper clippings about the prospect.
- Boosters may arrange employment for prospects. Prospects may not start the job until after completion of their senior year in high school, and compensation must be based on actual work performed at a normal rate.
- Boosters can continue to establish family relationships with friends and neighbors. Contacts with prospects are permitted as long as they are NOT for recruiting purposes and are NOT initiated by BSU staff members.

What is a Contact? What is Considered Recruiting?

Contact is any face-to-face encounter between a prospect or their parents/guardians and a BSU staff member or athletics representative (booster) during which dialogue occurs in excess of a greeting.

Recruiting is any solicitation of a prospect or the prospect's relatives by a BSU staff member or athletics representative (booster) for the purpose of securing the prospect's enrollment and eventual participation in the BSU intercollegiate athletics program.

Local radio personality **Scott Williams**, recognized as one of the region's pre-eminant on-air talents, handles play-by-play duties for all KBSU-produced television broadcasts, getting color commentary from local business man **Brett Leach** and BSU students interested in pursuing degrees in the broadcasting field.

Dr. Richard Hanson

President, Bemidji State University
North Dakota State University (1971)

The tenth president of Bemidji State University, Dr. Richard Hanson, took office officially on July 12, 2010. He also serves as president of Northwest Technical College.

The Minnesota State Colleges and Universities Board of Trustees announced Hanson's appointment on May 19, with Chancellor James McCormick formally presenting the president-elect to the faculty and staff of both campuses the following day.

Hanson, 61, had been interim president of North Dakota State University since Dec. 1, 2009. Previously, he served as president of Waldorf College; professor of sociology, vice president for academic affairs and dean of the college, all at Augustana College; associate vice president for academic affairs, associate director of human development in the Extension Service and director of the Family Studies Institute, all at North Dakota State University; and chair of the Department of Home Economics at California State University, Chico.

Hanson also has held interim positions at North Dakota State University that included vice president for academic affairs and dean of the College of University Studies. Hanson earned his bachelor's degree in sociology and his master's in child development and family relations, both from North Dakota State University, and a doctorate in applied behavioral science from the University of California-Davis.

Dr. Rick Goeb

Director of Athletics
North Dakota State University (1989)

A new era in Bemidji State University athletics began July 13, 2001 when Dr. Rick Goeb was named BSU's first full-time director of intercollegiate athletics.

Goeb directs a 15-sport varsity athletics program at BSU with NCAA Division I men's and women's ice hockey and 13 Division II sports.

Beaver athletics has undergone dramatic changes in Goeb's tenure, having seen more than a dozen positions created or filled with new hires - including head coaches for women's hockey, men's and women's basketball, soccer, softball, baseball, women's golf, tennis and volleyball - and the hiring of BSU's first full-time athletics fundraiser.

In Goeb's 10 years overseeing BSU athletics, the program has entered one of the best all-around eras in the program's history. Men's ice hockey has won two College Hockey America regular-season titles, two tournament titles and made three Division I NCAA Tournament appearances; men's basketball won its first NSIC Championship in decades, advanced to its first-ever NCAA Tournament and hosted first-round NSIC playoff games four years straight; women's basketball hosted and won its first-ever NSIC playoff game; indoor track won its first-ever NSIC Championship; men's and women's golf have made NCAA regional appearances with both full teams and individual performers.

BSU athletics has also assembled a strong academic reputation under Goeb's leadership. Men's hockey has set a CHA single-season record for number of Academic All-CHA performers three times and produced the 2005 CHA Student-Athlete of the Year; women's ice hockey posted three consecutive WCHA Student-Athletes of the Year from 2002-04; and nearly two dozen BSU student-athletes have been recognized on the CoSIDA/ESPN The Magazine Academic All-District V Team with four Academic All-America honorees.

Goeb came to Bemidji State after six years as senior associate athletics director at the University of Alaska-Fairbanks. At Fairbanks, Goeb served as NCAA compliance officer, monitored academic eligibility and acted as the liaison for booster clubs.

Prior to his position at Fairbanks, Goeb spent two years as an administrator at North Dakota. Goeb also served as the head wrestling coach at St. Cloud State from 1990-93 when he was an instructor in physical education and a facility coordinator; was the strength and conditioning coach at Northern Colorado from 1989-'90; and served as an assistant wrestling coach at North Dakota State from 1988-'89.

Originally from Anoka, Minn., Goeb received his undergraduate degree at North Dakota State, where he was also a Division II national wrestling champion. He was inducted into the Bison Hall of Fame in 2009. Goeb earned his master's from Northern Colorado and doctorate from North Dakota. He and his wife Carol have two daughters, Amber and Anne and a son, Jordan.

Brad Folkestad

Director of Athletic Media Relations
Bemidji State University (2001)

Brad Folkestad is in his ninth year in the Office of Athletic Media Relations at Bemidji State. As Director, he oversees all publicity and media relations operations for BSU's 15-sport athletics department, and directly handles communications for the university's cross country, men's hockey, golf and track and field programs.

Entering his 11th year in the athletic media relations field, Folkestad was promoted to the Director post in the spring of 2007.

Folkestad has spent seven years of professional career at BSU. Starting with a two-year stint as a graduate assistant in 2002, he returned as the Assistant SID in the fall of 2004 after a one-year assignment in the same capacity at the University of Minnesota Duluth.

In addition to serving as the men's and women's basketball contact during each of the first four years in the business, Folkestad's interests and experience in collegiate basketball run deep. He has volunteered at numerous conference, regional and national tournaments including the 2003 and 2006 NCAA Division I Men's Midwest Regional Tournament in Minneapolis, Minn., the 2005 NCAA Division II Elite Eight in Grand Forks, N.D. at the 2003 NCAA Division II Women's Frozen Four.

He is an active member of the College Sports Information Directors of America and has been recognized for excellence in publications on a number of occasions including a Ninth in the Nation finish for his 2005 BSU Volleyball Media Guide.

Folkestad, 33, received his bachelor's degree in communication from BSU in 2001 and continues to work toward a master's degree in sports studies. He resides in Bemidji, Minn. with his wife Lisa and their five children Tim, Nicole, Carly, Mackenna and Baylor.
