If a fan were to look back at the 2001-02 Northern Sun Intercollegiate Conference Preseason Coaches Poll, BSU was picked to finish ninth. The Beavers surprised many critics by coming up one game short of winning the crown in a season-ending defeat to Winona State and instead tied for third in the league and going 17-11 overall. Head coach **Jeff Guiot**, in his second season at BSU and has brought Division I talent with him from his coaching stint at Southern Utah, does not express any concern when looking at the prospects for 2002-03.

"We have some pretty good talent here and now it is our job to make that all come together," said Guiot. "I think that we are good on paper but that doesn't mean anything. Last year, we were preseason picked ninth and if we won our last home game we would have won it. So preseason stuff doesn't mean too much."

### BACK COURT

Usually a squad's back court is where most of the leadership comes from in the form of point guards and BSU is no exception. Senior guards **Royce Bryan** (Haviland, Kan.) and **Stan Johnson** (Taylorsville, Utah) will be called upon to be the floor generals as they are also the 2002-03 team captains.

Guiot comments on their value to the Beaver squad.

"They are good players but they were chosen captains because of who they are and not necessarily because of their basketball talent. Their character, work ethic and demeanor is why they are captains. Both of them are great students; they are just the total package. I would go to war with any one of those guys and they are our most consistent players day in and day out of practice."

Bryan was the BSU playmaker last season as he led the league with 5.18 assists per contest and set the school's game (11) and single-season mark for assists (145). Johnson, who transferred from Division I Southern Utah, brings championship-caliber experience having appeared in SUU's national tournament game in 2000-01.

Returning seniors **Aaron Kallhoff** (Norfolk, Neb.) and **Jeff Lorenson** (Cannon Falls, Minn.) and sophomore **Luke Rasmus** (Bemidji, Minn.) will add to the game experience. Kallhoff saw action in all 28 games last season while Lorenson netted 10+ points on three occasions in his 27 appearances. Local product Rasmus got in 16 contests and Guiot feels "he may be the best pure shooter" on the roster.

Three more guards will be putting on a Beaver uniform for the first time in juniors **Jamal Clements** (Parkhill, Colo.), **Adam Daley** (Christian, Iowa) and freshman **Kenneth Pointer** (Killeen, Tex.). Clements brings a scorers' mentality as he totaled 413 points in his two-year career at Otero C.C. (Colo.), which is good for 34th in the school record books. Daley will bring some size to his position as he was part of a very successful tenure at Des Moines Area C.C. for the past two seasons (60-10). Finally, Pointer, who is one of three true freshmen on the team, averaged 24.7 points and 9.3 rebounds while at Ellison High School as well as being named to the all-district club.

### FRONT COURT

When looking at scoring, the Beavers will more than likely look to junior forward **Charles Hanks** (Chicago, Ill.). A first-team all-conference pick and Newcomer of the Year a season ago, Hanks was second in the NSIC in scoring at a 17.8 clip and seventh with 6.2 boards per game in his first season at BSU.

"Hanks is our most multi-dimensional player," said Guiot. "He can post guys up and step out and shoot the three and take guys off the dribble. He has improved and gotten stronger over the summer. I feel he causes a lot of people (match-up) problems."

Two other post players with size that Guiot has high expectations for are senior center **Ben Caron** (Bemidji, Minn.) and junior forward **Justin Bessler** (Laporte, Minn.). After a three-year hiatus from the competitive scene, Caron returns after playing three seasons as a Beaver from 1996-1999. He was a force in the post with a career scoring average of 11.6. He adds 4.5 rebounds per game and shot the ball at a .548 mark (340-620). Meanwhile, Bessler was a solid rebounder for two seasons at Hibbing Com-

**"My coaching philosophy is to make sure all the players reach their full potential, both as players and individuals. We want to have kids with good character because ones without character are not going to be playing together"**

- BSU Head Coach Jeff Guiot

munity College as he was 14th in NJCAA Div. III with 10.79 rebounds per game last season.

A guy coming in this season with Division I experience is 6-11 senior center **Chris Wallin** (Mesa, Ariz.). Wallin was part of a NCAA tournament team at Southern Utah University in 2000-01 with BSU teammate Stan Johnson as he was the team's field goal percentage leader (81.6%).

"Ben Caron is coming back and he is going to strengthen our rebounding," said Guiot. "Also, we picked up Bessler. He and Ben are two local kids and Wallin gives us some size. So we got more size this year and those three guys will give us not only rebounding, but the ability to score and get to the foul line more."

Two fresh recruits in forwards **Kevin Hill** (Chicago, Ill.) and **Marlon Walker** (Killeen, Tex.) and senior returnee **Jason Bonde** (Rochester, Minn.) will add some depth and athleticism to this talented group of forwards.

### THE SCHEDULE

Coach Guiot understands the Beavers will have a tough road immediately with the first five contests away from the BSU Gymnasium.

"Our first five games are on the road and we have a veteran ball club so we wanted to test ourselves early," said Guiot. "Hopefully our schedule is set up to get us prepared for conference play."

To add difficulty to the situation, the third game of the season against Bethel College (Minn.) (Nov. 26) and the fifth game at the South Dakota State Tournament (Nov. 30) vs. South Dakota State will deal with nationally-recognized opponents. Bethel was 24-10 a year ago and was the NAIA East Region Champion while SDSU was 17th in the final 2001-02 NABC/Division II Bulletin National Rankings as it won the rugged North Central Conference.

Two of the first four home games after the five-game road stint will be against opponents that each recorded 20+ wins last campaign. St. Cloud State (Dec. 5) finished the season 20-6 and fifth in the North Central Region while Michigan Tech (Dec. 14), at 27-3 and eighth in the national polls, lost in the second round of the Great Lakes Regional last season. From that point, BSU has the task of facing the top three teams in the NSIC (UM-Duluth, Northern State, Southwest State) from a year ago on the road before they come to Bemidji.

"We wanted to go out and play nationally-ranked caliber teams because that is what one day where we would like to be," said Guiot. "Looking at the conference, UM-Duluth is going to be the favorite I would say. They have got the MVP of the tournament last year and they signed some good kids. Also, I think Moorhead is going to be up there. They are vastly improved and they have almost all their guys back and they finished fifth in the conference. And Concordia-SP has really gotten better. So from top to bottom, the league is going to be much stronger this year, no doubt about that. It ought to be very exciting for the fans to watch because anything can happen on any given night."

### COMING UP...

Looking ahead to the first affair this season, BSU will battle with the Vikings from Valley City State on the road Nov. 22 at 8:00 p.m. The first glimpse that BSU fans will get of the Beavers at home will be against UW-Superior Dec. 2 at 7:00 p.m.

## Head Coach Jeff Guiot

One season is all head coach **Jeff Guiot** needed to put a successful product on the basketball court. In his inaugural year at BSU last season, Guiot guided the Beavers to their most conference wins in school history (13). In addition, the 17 overall wins is the most since the 1972-73 season (19) and the .607 winning percentage is the best mark since the

1973-74 season (.667) - a streak of 28 seasons. The campaign ended with BSU seeded third in the conference tournament.

Other honors under the tutelage of Guiot last year included the *NSIC Newcomer of the Year* in Charles Hanks as he joined Terrance Watkins on the first-team squad. Jon Szwaja was recognized on the academic all-conference team as well. Nationally speaking, BSU was 17th in Division II in hoisting up 8.8 three-point field goals a game. The frequency of long-range bombs seemed to fit into the coaching system of Guiot.

"Our style of play is pretty conducive to the kids playing hard on defense but also if you got the shot on offense, take the shot and don't look back. We want to dictate the tempo on both ends of the floor and be the aggressor."

That team success has translated into the respect of the league coaches this season. Bemidji State is picked to finish second in the 2002-03 NSIC preseason coaches poll.

"We have some pretty good talent here and now it is our job (as coaches) to make that all come together," said Guiot. "I think that we are good on paper but that doesn't mean anything. Last year, we were preseason picked ninth and if we won our last home game we would have won it. So preseason stuff doesn't mean too much."

The Chanute, Kan., product was previously the assistant coach at Southern Utah University in 2000-01. SUU enjoyed its best men's basketball season in history by winning the Mid-Continent Conference Championship and the Mid-Continent Conference Tournament title while earning the school's first-ever NCAA tournament bid.

Prior to joining the Southern Utah coaching staff in the fall of 2000, Guiot had served as the head coach at Neosho County Community College in Chanute, KS. In his seven years at Neosho, his teams compiled a 164-60 record, won four conference championships and made seven consecutive playoff appearances.

His records at NCCC include highest winning percentage (73 percent), most consecutive 20-win seasons (five), most wins at the school, and most post-season wins. Twice named

Jayhawk Conference Coach of the Year, Guiot coached three All-Americans and six Academic All-Americans at the school, which was the 2000 NJCAA National Academic Team of the Year.

On the high school level, Guiot served as the head coach at Inman (KS) High School where he compiled a 48-18 record; an assistant at Chanute (KS) High School where the team was 20-4; and head coach at Schell City (MO) High School where his one-year record was 15-8.

In his 12 years as a head coach on college and high school levels, he never had a losing season. Guiot received both his bachelor's and master's degrees from Pittsburg (KS) State University, where he was an All-American and all-conference player who led the nation in free throw percentage in 1986.

On the high school level, he was a Converse All-American, a McDonald's All-American Honorable Mention pick, and the Most Valuable Player in the Kansas Basketball Classic while playing for Chanute High School.

### Assistant Coach - Doug Peters

Doug Peters is in his seventh season as an assistant for Bemidji State following a stellar playing career for the Beavers. Peters, a native of Fort Lupton, Colorado, earned All-Northern Sun Intercollegiate Conference honors in both years he played at BSU (1994-96).

Before coming to Bemidji, Peters played for two seasons at Eastern Wyoming College. Peters played for one season under former head coach Karl Salscheider before Dave Gunther's arrival in 1995.

Peters has earned degrees in physical education and business management and his master's degree in physical education at Bemidji State.

Peters, wife Jennifer, and daughter Haley reside in Bemidji.

### Graduate Assistant - John Szwaja

After a two-year playing stint at Bemidji State, **John Szwaja** will transition over to coaching duties. Szwaja played two seasons as a Beaver and was an academic all-conference selection as a senior as well as averaging 21.7 minutes/game, 7.4 points/game and 3.9 rebounds/game. He stayed healthy as he appeared in 54 of the possible 58 contests in his two years. Szwaja recorded a career-high 24 points against Minnesota-Crookston and grabbed 12 rebounds against UM-Morris last season.

Over the past two years, Szwaja has been an instructor at area basketball clinics and taught physical education courses at middle and high schools. He will continue his teaching various physical education courses at BSU this academic year.

Szwaja lettered in baseball and basketball at Maranatha Christian Academy as he graduated in 1998 prior to a two-year playing career at Bethany Lutheran College (MN). The St. Paul, Minn., native earned his bachelor of science degree from BSU in May, 2002 and is currently studying for his master's degree.

### Q & A with BSU Head Coach Jeff Guiot

**What brought you to Minnesota and Bemidji State after growing up in Kansas and coaching both there and in Utah?**

"Just for the challenge of Division II basketball and coaching at a four-year school as a head coach. I have had some success at the junior college level and I am ready for a different challenge. I have built programs at the high school and junior college levels and I wanted to see if I could build one at the Division II level. Probably the biggest challenge is to see if I could get the job done."

**How would you sum up your coaching philosophy?**

"I think that we expect our kids to play extremely hard and play together. Those are the most important things. Only when kids are playing together are they going to have fun. On top of that, the only way that they are having fun is when they reach their full potential. So my coaching philosophy is to make sure all the players reach their full potential, both as players and individuals. We want to have kids with good character because ones without character are not going to be playing together."

**BSU finished 17-11 and tied for 2nd in the NSIC losing in the first round of the playoffs last season. What are your expectations for 2002-03?**

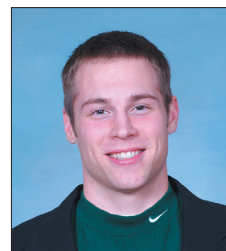

"I think that we can go out every night and compete with people. I am crazy enough to believe that we can win every game that we play. I believed that last year. I think that you have to and if you don't believe in yourself than no one else is going to. Our main thing is going to be how much we have improved during the course of the season. I think the most consistent team is going to win this thing. We are looking for consistency with our team. So on paper, we are pretty scary and I know that we are improved from last year but that doesn't mean that we are going to have a better record than last year. It just means that we have more talent and it is how we are going to come together. We are very excited about the season."

**Looking at the 15 current players and the fact that 10 of them played junior college or Division I ball somewhere prior to BSU. How do you attract these recruits to come play for you?**

"I have just had a real good relationship with them. I think that kids like playing for me. They know that I care about them and that I care about the game and want them to be successful. They also know that I am going to push them and most players that want to be pushed and want get better want to play for coaches that have a lot of demands on them. We have some good people in our organization and on our team. There is something about my time at Southern Utah that those kids felt attracted to me and wanted to come out here and play."

**Last season, BSU set single game and season records for three-pointers made and attempted. In addition, BSU scored 75+ points in 15 of the 28 games. What is your ingredient to this offensive success?**

"We want guys to play hard and be real intense on defense and then to be loose on the offensive end. If they have the shot, they have the freedom to shoot. Our style of play dictates that. We want to get after it and increase the tempo of the game. I think that as long as they are taking a good shot, we want them to take it. The players have a good understanding of what a good shot is to each of them. Our style of play is pretty conducive to the kids playing hard on defense but also if you get the shot, take the shot and don't look back. We want to dictate the tempo on both ends of the floor and be the aggressor."

# BEMIDJI STATE MEN'S BASKETBALL 2002-03

## Northern Sun Intercollegiate Conference

Founded in 1932, the **Northern Sun Intercollegiate Conference (NSIC)** has enjoyed a varied existence in the upper Midwest region that it claims as home. The league is currently made up of institutions from Minnesota, Nebraska and South Dakota. In the spring of 1992, the NSIC was formed from the merger of the Northern Intercollegiate Conference (NIC), which was the men's conference, and the Northern Sun Conference (NSC), which was the women's conference. In the 1999-2000 academic year, the NSIC became an expanded 10-team league from the previous seven-member conference.

Bemidji State University, Minnesota State University Moorhead and Winona State University are all charter members and have remained in the conference for its 70 years of existence. The University of Minnesota-Duluth is also an original member, but left the conference for nearly 30 years, then rejoining in 1976. Other current members have joined in later years: the University of Minnesota-Morris in 1966, Southwest State University in 1969, Northern State University in 1978, Wayne State College in 1998, while Concordia University-Saint Paul and the University of Minnesota-Crookston became members in 1999. Before the NSIC became eligible for National Collegiate Athletic Association (NCAA) championship competition in 1995, its member institutions had an extremely rich tradition in the National Association of Intercollegiate Athletics (NAIA). This past year on the field of play, the University of Minnesota-Duluth Athletic Department once again displayed its prowess en route to winning the 2001-2002 NSIC All-Sports Competition.

The 2002-2003 academic year will bring several premier events to the NSIC and its member schools. For example, each NSIC school will again compete at the NSIC/NCC Volleyball Challenge in early September. This year's event will be in Omaha, Neb. March Madness will be in full force for the fourth consecutive year as the NSIC men's and women's basketball tournament, which determines the league's automatic qualifiers for the NCAA tournament, will be at the beautiful Gangelhoff Center on the campus of Concordia University-Saint Paul. For the fourth year in a row, the conference will continue to market its member schools through radio and television productions. The Northern Sun Showcase television program (24 shows in the last 3 years) and the 2003 NSIC men's and women's basketball tournament championship games will all hit the airwaves again on Fox Sports Net. Also, the Northern Sun Spotlight radio show will air on several stations throughout the Midwest for another 20-plus weeks during 2002-2003 sports season. Over the years, the NSIC has provided extremely competitive intercollegiate athletic programs for its members and features schools of modest size with fairly restricted athletic budgets. Although the programs are not designed to be equal to Division I athletics, many former NSIC athletes have distinguished themselves in national and international competition. Each member school emphasizes the educational, entertainment, and unifying value of sports and points with pride to the many advantages to be gained by attending these colleges and universities.

# BEMIDJI STATE MEN'S BASKETBALL 2002-03

## Beaver Pride & All-Time NSIC Standings

### Beaver Pride

Beaver Pride is an organization of volunteers dedicated to supporting athletics at Bemidji State University through a variety of activities. Beaver Pride raises funds and scholarship monies, and works to increase fan interest and support. We seek to build spirit and pride in a manner that encourages good sportsmanship and a wholesome game atmosphere. Using a special account in the BSU Foundation under the control of the Beaver Pride Committee, Beaver Pride acts as an umbrella group for all athletic fund-raising.

#### MEMBERSHIP BENEFITS

At each level of support, every Beaver Pride member receives a season pass, newsletters, invitations to hospitality rooms, tailgate parties and monthly luncheons, and has the individual or business name printed on all game programs. Pride members at higher levels receive additional passes and other attractive benefits.

Bemidji State and its athletic programs are proud to be participating in the NCAA Division II, and the Northern Sun Intercollegiate Conference. The BSU ice hockey programs compete in the NCAA Division I with the women affiliated with the Western Collegiate Hockey Association and the men with College Hockey America.

Beaver athletic programs have embarked upon a new and

challenging era. Our Beaver athletes are dedicated to being fully competitive at the Division I (hockey) and Division II levels. They need our help so that they can be winners in their sport while preparing for successful careers.

Beaver Pride is based on the tradition of Beaver athletics and recognizes that volunteer support is needed to assure competitive teams. It is a long-term campaign and commitment designed to bring together under one organization all fans of Bemidji State athletics.

Whether you are a longtime Beaver sports booster, a new fan, a member of the community, a parent or one of the alumni, there is a Beaver Pride giving level for you!

### BSU Gymnasium

The BSU Gymnasium, which seats 2,200, was originally constructed in 1959. Almost a year of work came to fruition as the physical education complex, the all-encompassing building that houses the BSU Gymnasium, was dedicated on January 4, 1960 by Minnesota Governor Orville Freeman in front of a packed crowd. This large building contains the gym, a swimming pool, classrooms and faculty offices.

The BSU Gymnasium hosts all Bemidji State University volleyball matches, men's and women's basketball games, as well as area high school playoff games. In addition, there are events ranging from concerts and recitals to faculty meetings and commencement ceremonies that take place there.

Locker-room facilities accommodate the BSU athletic teams, as well as a designated area for faculty, staff, students and recreation center members.

As Governor Freeman once said on that day of commencement, "the one million dollars that the new Bemidji State College gymnasium cost is not a debt, but an investment," so the 2002-03 academic year proves that it has

more worth than that.

Not only does it house an array of activities, but perhaps more importantly it gives a distinct "home-court"

advantage for the athletic squads that use it. BSU fans and boosters of all ages are regularly seen sporting the green and white colors in peculiar styles.
