From Hunter to Hunted

Bemidji State finds itself in a position it has not experienced since the mid-1990s and its days in NCAA Division II - entering a season as a defending conference champion. Wielding what promises to be one of the most-explosive offenses in collegiate hockey, the Beavers enter 2004-05 in strong position to defend that conference crown.

The Beavers will not only look to defend their 2005 College Hockey America regular-season championship, but also to reach a dangled carrot of an NCAA Tournament berth which has been but a single goal beyond their reach each of the last two seasons. Bemidji State has two key ingredients in place for a repeat run as CHA regular-season titleists - experience and offensive firepower. But they will need to replace three senior defensemen and arguably the finest four-year goaltender in College Hockey America history to solidify their chances.

Bemidji State enters the 2004-05 campaign looking to improve on the program's finest season since making the jump to the NCAA Division I ranks in 1999-2000. BSU finished 20-13-3, marking the program's first 20-win season since making the jump to Division I in 1999, and won the R.H. "Bob" Peters Cup, awarded to the CHA regular-season champions.

Bemidji State set school records for Division I-era victories (20) and points in CHA play (33), and also set a conference record with 16 victories in CHA play. The Beavers finished with a five-point cushion over second-place Niagara, the largest margin by any winner of the six Division I men's hockey conferences. It was the first conference title in BSU's Division I era.

The Beavers led CHA in scoring and scoring defense, finished with the second-best power-play percentage in CHA games in league history, and were just the sixth CHA team to post a power-play efficiency of .200 or better for the season.

The performance helped make head coach **Tom Serratore** the College Hockey America Coach of the Year, and earned him a spot as a finalist for the Spencer Penrose Award, given to the national coach of the year, for the second time in the first three years of his career.

Under Serratore's guidance, the 2004 Bemidji State team tied a school record with six All-CHA honorees last season, including a second consecutive season with two First-Team All-CHA picks. Junior forward **Brendan Cook** and senior defenseman Bryce Methven were named to the All-CHA first team, while junior forward Riley Riddell, senior defenseman Anders Olsson and senior goaltender Grady Hunt were named to the second team. Freshman wing **Luke Erickson** earned CHA Rookie of the Year honors, becoming the second BSU player under Serratore's watch to be so honored. Riddell won the award in 2001.

The individual successes helped the team post several notable victories during the 203-04 campaign. BSU defeated 2004 Final Four participant Minnesota-Duluth, posted four-game season sweeps of three CHA opponents, including its first road sweeps at Findlay and Wayne State, snapped an eight-game road losing streak at Ala.-Huntsville, shut out NCAA Tournament participant Niagara, and posted its first win at Niagara.

BSU has increased its win total during each year of the Serratore era, from 12 during his inaugural 2001-02 season to 14-14-8 to 20-13-3 a year ago. The Beavers finished 4-26-4 in 2000-01, the year before Serratore took over, giving the Beavers a 15 1/2-game improvement in its record the last three seasons.

*Senior forward **Brendan Cook (right)** scored 23-16=39 points for BSU a year ago. Only one collegiate player in the nation returning for 2004-05 scored more goals per game than Cook last year.*

Continuing that annual improvement will be difficult. Serratore has again assembled a challenging schedule, and the team will have holes to fill on defense and in goal from a unit which led CHA in scoring defense both in all games (2.61 goals/game) and league-only games (2.40).

The forward positions were thought to be locked, with the team's top three lines returning intact from a unit which led CHA and finished fifth nationally in goal scoring at 3.64 goals per game a year ago. But the off-season loss of would-be senior and second-line center Riley Riddell will leave the BSU coaches facing some early-season experimentation to reassess their combinations beyond the first line.

2004-05 Outlook

Bemidji State was a heavily senior-driven team in 2003-04 on defense and in goal, with a young group of forwards. BSU will remain a veteran-oriented program this season, with seniors playing key roles at every position but goaltender, but will have more youth contributing on a given shift.

BSU's first line will be driven by seniors Brendan Cook and Andrew Murray, but beyond that stellar duo the Beavers will likely have just one senior - wing Myles Kuharski - on the line chart at forward.

The forwards should have the firepower to again be one of the nation's highest-scoring units. After finishing last in CHA in goal scoring in 2002-03, the Beavers rebounded last year behind Cook's record-setting campaign and finished as one of the nation's most-productive units.

John Haider and Peter Jonsson make up the senior leadership on defense, and with junior Andrew Martens the Beavers should have just three upper-classmen in its six defensive positions on the line chart.

That trio will look to lead a Beaver defense which last year led CHA in scoring defense in all games and in league games only.

Unlike last year, however, that defensive unit will not have the luxury of playing in front of a four-year veteran in goal. The nets will be fully minded by underclassmen, spearheaded by sophomore Layne Sedevie. Sedevie enters the season as the No. 1 goalie, but will be pressed by a pair of talented freshmen.

"We have an outstanding senior class with Murray and Cook," Serratore said. "They should be right there with the top offensive guys in the conference, with guys like Jared Ross and Barret Ehgoetz. They're going to be the leaders of our team offensively. We also have outstanding senior defensemen. We need to make sure our best players have big years.

"We'll need all of our experience," Serratore said. "Our competition is going to be very stiff this year. The CHA this year will be the best it's been since its inception. Winning this conference will be no easy task, but we're looking forward to the task of repeating as champions."

Forwards

The lynchpins of the Beaver offense will be senior wing **Brendan Cook** and senior center **Andrew Murray**, who will be leading pre-season candidates for College Hockey America Player of the Year honors. Cook was a First-Team All-CHA pick in 2004 after finishing third in CHA in scoring, and Murray enters the 2004-05 campaign as a two-time pre-season First-Team All-CHA pick by the league's coaches.

Cook turned in a dominant campaign last year, shattering numerous BSU Division I era records with a 23-16=39-point campaign. His 39 points tied BSU's Division I-era season mark, his 23 goals set a school D-I-era record and he toppled the previous school records for points in CHA play (18-12=30) and goals in CHA play (18). Cook also assembled a BSU Division I-era record nine-game scoring streak, tied CHA single-season records with seven game winning goals and five short-handed goals.

Murray, the team's captain for 2004-05, missed 11 games with an ankle injury which required surgery in December, but still finished with 6-14=20 points in 25 games played. He enters the 2004-05 season needing 23 points to become just the second player in BSU's Division I era to score 100 points in a career.

Behind Cook and Murray, BSU returns a wealth of talent at forward.

"We have depth up front," Serratore said. "We have some decisions to make on second-line center behind Murray; we may try out a younger player there, or move somebody from wing.

"We'll have two lines, maybe three, that will be able to score," he added. "If we can score three, three-and-a-half goals a game, we're going to win some hockey games.

"If we don't, we'll have to rely on our defense."

Leading the strong group of returnees is sophomore wing **Luke Erickson**, the 2004 CHA Rookie of the Year. Erickson was just the sixth freshman in league history to top 30 points in his debut campaign.

"Luke had a tremendous year last year," Serratore said. "He's a talented kid and shoots the puck extremely well. He has a quick release and knows where to put the puck. He's always had a history of scoring goals, and we hope it continues into his sophomore campaign."

Junior **Ryan Huddy** and sophomore **Rob Sirianni** should also be critical contributors for BSU this season. Huddy set a BSU Division I era record by notching an assist in eight consecutive games last year en route to a 27-point year, and Sirianni came on strong in the latter half of the season to make a late-season run at the CHA All-Rookie Team.

Huddy was third in CHA with 21 assists a year ago and will again be an important playmaker, likely on the second line.

"This could be a big year for Ryan," Serratore said. "Each year he has improved his workouts and his strength. He has tremendous offensive ability. We're hoping he'll bring leadership to the line he's on from a production standpoint, but also defensively."

Sirianni played in just 10 of BSU's first 17 games as a rookie, but after notching an assist in BSU's Jan. 3 win

over Air Force was in the lineup for the team's last 19 games. Sixteen of his 18 points on the season came during his 19-game run as a full-timer on the line chart.

"The first half of last year, Rob was finding himself as a college hockey player," Serratore said. "He really came on strong in the second half. He picked up the tempo of his game and gained some confidence. We are hoping that carries over into this year as his role on the ice is expanded."

BSU also returns a pair of veterans, junior **Jean-Guy Gervais** and senior **Myles Kuharski**, who exploded for the Beavers in the last quarter of the season and became a duo which scored critical points for the team in nearly every game, and sophomore center **Ryan Miller** who teamed with Gervais and Kuharski to form a lethal defensive line late in the season..

*Senior center **Andrew Murray (below)** was a pre-season First-Team All-CHA pick by the league's coaches. He will serve as BSU's captain in 2004-05*

Gervais enters the season riding a career-high seven-game scoring streak in which he has scored 5-5=10 points. To put that production into perspective, Gervais had managed 2-5=9 points in 61 career games played prior to his current streak.

"Jean-Guy came on the second half of last year, not only offensively, but in terms of his leadership," Serratore said. "He had a role on the ice and he took a lot of pride in it. We put him, Miller and Kuharski against the top offensive lines of our opponents, and they not only shut those lines down but they had success offensively.

"Wearing a [captain's] letter, being a junior, we want Jean-Guy to take it upon himself to show pride and passion in his role as a checker."

Kuharski has been a split personality for the Beavers during his two years with the program, turning in relatively meager numbers during the first half of the season and then exploding after Valentine's Day.

Kuharski scored just seven points in BSU's first 25 games last year, but after being benched in Game 1 of BSU's series at Ala.-Huntsville blew up for 10 points in BSU's last seven games, and from Feb. 14-March 13 put together a career-best seven-game scoring streak.

"Myles might be the most skilled person on this team," Serratore said. "The biggest thing for him is to gain consistency. He's had very productive second halves, but we need him to be productive the entire season.

"When Myles works hard, when he competes hard, he tends to be a lot more involved in the game."

Miller was another freshman last year who played sparingly early in the season and earned his way into an every-night role with the team. He played in just four of the team's first 10 games, but was on the ice for each of the last 26 games. Miller played five games at first-line center after Murray's injury, and BSU was 5-0-0 in those contests.

"Ryan is a tremendous hockey player," Serratore said. "He'll take on any task or role we put on him. He's great on faceoffs, he makes plays and he's a tireless worker. He became a big part of our team last year."

Junior **Lou Garritan** was an important reserve for BSU a year ago, and was able to respond when the team needed him. He was propelled into first-line wing duty for six games after Murray's injury, and he responded to his increased role with four points in 11 games.

"Lou has been our top guy in fitness testing in pre-season workouts," Serratore said. "We hope that carries over onto the ice. Lou is well-conditioned, skates well and is a competitive player."

Four newcomers and one familiar face make up BSU's corps of incoming forwards for 2004-05.

Sophomore **Shane Holman**, who played for BSU as a defenseman in 2002-03 before departing to spend a year in junior hockey, returns and will provide depth at forward. Freshmen **Brendan McIntyre, Matt Pope, Blaine Jarvis** and **Garrett Roth** round out BSU's group of newcomers.

"McIntyre is extremely skilled," Serratore said. "He has great puck skills and great hockey sense. Eventually we think he'll be a top player for us. He's the style of player we like to have here - a skilled guy who can make plays and get up and down the ice."

Jarvis inked with BSU in 2002 and has spent the last two seasons as one of the leading scorers for Salmon Arm in the British Columbia

Below: senior forward Myles Kuharski (left); junior forward Jean-Guy Gervais (right)

League. Pope piled up 71 points for Langley in the BCHL and led the squad with 44 assists.

"Both of those guys bring some size to the table," Serratore said of Jarvis and Pope. "The last few years we've been a little small, and maybe we still are. But these two bring us size for the future, and we'll need them to be a physical presence when they're on the ice. It's nice to get some guys in the 6-0, 6-1 mold.

"They also have had a good history of scoring goals."

Holman and Roth are both described as wild-cards by Serratore.

"Shane has put on 15 pounds since he left here two years ago," Serratore said. "He had a good experience in juniors last year and gained some confidence out there. He'll bring quality depth to the position.

"Garrett was the MVP of the America West League, and it'll be interesting to see how he responds after being out of the game for a year."

"We'll be doing some experimenting and are hoping a freshman will jump up," Serratore said. "We want Murray and Cook to play together. After that, we'll be doing some experimenting to look for our best line combos. The first few games are good for that. We'll find some guys who develop good continuity, and we'll go with it."

Defensemen

At first glance, Bemidji State does not appear to lose much in terms of numbers on its defensive corps with only three players departing from a unit which in 2003-04 helped the Beavers lead College Hockey America in scoring defense.

But the three departing players included two full-time starters including three-year captain Bryce Methven. Methven departs the program as the sixth-leading scorer amongst defensemen in College Hockey America history and tied for 29th on BSU's career scoring list by blue-liners, and has been the on-ice leader of the program during its development as a Division I contender.

BSU will also look to replace Anders Olsson, a three-year mainstay, and Jesse Balsimo who appeared in 20 games on the third line last year.

However, BSU returns two All-Conference-caliber senior defensemen who will be looked upon to mentor a younger defensive corps, as Methven and Olsson mentored them. **Peter Jonsson** and **John Haider** bring a wealth of experience, and hardware from 2003-04, into the season and will be the new leaders on the blue line. Jonsson earned Second-Team All-CHA honors a year ago, while Haider was named to the All-CHA Tournament team after a scintillating offensive performance in BSU's second consecutive run to the championship game.

"Peter and John have a wealth of experience and have been productive offensively," Serratore said. "We'll be relying on them to help mentor a younger defensive corps; they'll play a lot of minutes."

Both Jonsson and Haider have shown an ability to be productive offensively and will end their careers amongst the Top 50 defenseman scorers in BSU history. Haider enters the 2004-05 season 46th on BSU's career list with 15-21=36 points, while Jonsson will enter the Top 50 with his first point of the season.

Behind the seniors BSU has a young, but talented, defensive corps. The BSU coaches are high on junior **An-**

drew Martens, and sophomore **Nathan Schwartzbauer** was a frequent contributor on the third line last year. The Beavers also return sophomore Chris Nathe, who played sparingly a year ago and appeared in seven games.

Martens sat out the 2002-03 season at BSU for playing major-junior hockey, and returned from his one-year layoff to have a solid debut campaign. He appeared in just 12 of BSU's first 20 games, but was in the lineup for each of the team's last 16 starts and 18 of its last 19. For the season, he scored four goals on just 22 shots on net.

"Andrew got progressively better every game," Serratore said. "With more ice time this year, we're looking for big things from him."

At 6-4 and 215 pounds, Schwartzbauer gives BSU one of the biggest defensemen in the nation. He played sparingly early last season, but came on in mid-season and played in 11 of 13 games at one stretch.

"Nathan has a big body and skates very well," Serratore said. "His key is to make sure he makes a good first pass and that he's accountable defensively. He uses that big reach to his advantage. When he keeps the game simple he's a very effective player."

Nathe scored a goal in his brief play last year, and like all on the defensive corps this season will have his opportunities to earn more ice time.

"Chris has tremendous offensive ability," Serratore said. "We need him to be more accountable defensively. If he is, he'll get more ice time and it'll help him offensively as well."

The Beavers recruited heavily on defense in the off-season and bring in several players who could make an immediate impact. Leading that group will be **David Deterding**, a freshman who helped lead Sioux Falls to a USHL championship two years ago.

"David is in the Bryce Methven mold," Serratore said. "He has tremendous leadership ability and would do anything to prevent a goal. He's a defensive defenseman. He'll stay in the middle of the ice, he'll make a first pass; he's extremely tough. As time goes on, he'll be out there when we're up a goal with 45 seconds to play."

Freshmen **Niko Suoraniemi** and **Riley Weselowski** round out BSU's additions on the blue line.

Suoraniemi has played for numerous teams in Sweden and Finland and was a member of the Finnish National Under 20 Team.

"Niko has a history of being a pretty good player," Serratore said. "He has good pucks skills and is a good skater. We will want to see how he adjusts his game to North American hockey. He's an intellectual kid, and that will help his transition."

Weselowski put up 60 points for Neepawa of the Manitoba Junior League and was amongst the finalists for that league's MVP award.

"Riley has a lot of skill and offensively is a top-end talent on the back line," Serratore said. "He shoots the puck well. In the future he may be a buy you see out there running a power play for us."

Overall, even with BSU's losses Serratore is pleased with what he has returning on the blue line for the upcoming campaign.

"We like our depth at defense," Serratore said. "If you look at the freshmen we brought in, we have a variety of guys - we have some savvy on offense and guys who are tough defensively. We have some diversity on the back line. Hopefully we'll have situations where we can utilize different guys in different situations depending on who we're playing."

Goaltenders

For the first time in four years, Bemidji State enters a season without a full-time goaltender from the previous season on its roster. BSU will look to replace the departed Grady Hunt, a three-time All-College Hockey America selection who finished a remarkable four-year career as the program's career leader in minutes played and games played by a goaltender, second in saves, ninth in goals against average, 10th in save percentage, and tied for ninth in all-time victories in goal.

BSU also lost capable backup netminder Dannie Morgan, who leaves the program with the 10th-lowest career goals against average in school history. Morgan set a school record for consecutive shutout minutes against CHA foes last season, and closed BSU's 2004-05 regular-season campaign with a 5-0 shutout of Niagara.

Planning for the departure of Hunt and Morgan, BSU imported USHL goaltender **Layne Sedevie** a year ago. Sedevie responded remarkably, posting a 6-4-3 record with a 2.70 goals-against average and .900 save percentage in 13 appearances.

Sedevie was unbeaten in seven starts against CHA opposition, posting a 6-0-1 record, and his six wins on the season were most by a freshman goaltender since Bob Tallarico went 7-11-0 in 1999-2000. Sedevie also became the first freshman goaltender at BSU since 1996-97 to win consecutive road starts, knocking off Alabama-Huntsville, Wayne State and Niagara in succession. Sedevie's win in Huntsville snapped an eight-game BSU road losing streak in that series; the Wayne State win helped BSU complete its first-ever season sweep in that series; and the win at Niagara was the program's first-ever road win in the series.

"Grady was a tough guy for us to lose, but Sedevie is the heir apparent," Serratore said. "Layne played very well last year and gained valuable experience with a good chunk of ice time."

Behind Sedevie, BSU will field a pair of freshman goaltenders, Orlando Alamano and Matt Climie.

Climie comes to BSU after two years as a dominant goaltender for the Truro Bearcats in the Maritime Junior A Hockey League. In 2003-04, he posted a 30-10-5 record and led the MJAHL with a 2.61 goals-against average. He rolled up 1,377 saves in 2,724 minutes played last year, saving at a .920 clip.

Climie's 30 wins in 2003-04 tied for sixth in the Canadian Junior A Hockey League, and he was fourth with a .921 save percentage. The CJAHL comprises 137 teams in 10 member leagues.

"We've always wanted a big goalie," Serratore said of Climie. "At 6-3, he covers a lot of net. We wanted variety in our goaltenders, and we're excited to see what he brings to the table."

Alamano posted a 23-18-4 record for Swan Valley Stampeders of the Manitoba Junior Hockey League in 2003-04. He played 50 games for the Stampeders and posted a 3.35 goals-against average with a .902 save percentage. He is Swan Valley's

career goals-against average leader (3.11), is second all-time in victories in goal (38) and third all-time in games played in goal (75).

"Orlando looks a lot like Grady in the net," Serratore said. "He's a reactionary goaltender. He's very quick and relies on his reflexes."

"With Orlando and Matt, we have good competition back there," Serratore said. "Whoever plays well in practice, and whoever plays well when they get their shot in games, those guys will get more ice time.

"These guys have to treat practices as games," Serratore said. "They have to compete on every shot and make sure they save pucks in practice.

"We feel we have three pretty good goalies. Now we need to hope someone comes out of that trio as a legitimate major-college goaltender."

2004-05 Schedule

Bemidji State continues its trend of tackling all comers when assembling its 2004-05 schedule, again lining up one a schedule which should rank as one of the nation's most-challenging.

BSU will tackle two teams which participated in the 2004 NCAA Tournament, including Frozen Four participant Minnesota-Duluth, and play its first Division I-era games against three different opponents as part of a 34-game schedule which features 14 non-conference contests and a 20-game College Hockey America schedule.

Highlighting BSU's 2004-05 non-conference slate will be four games against 2004 NCAA Tournament foes, including a home-and-home with the Frozen Four participant Bulldogs. BSU travels to Duluth on Feb. 25, 2005 and hosts the Bulldogs Feb. 26 in a renewal of the Battle for the Blue Ox traveling trophy, which made its debut last year. The Beavers travel west to tackle West Regional Finalist North Dakota, Jan. 28-29.

BSU will play its first Division I-era games against Bentley (Nov. 12-13) and Western Michigan (Dec. 17-18), and will host both opponents at the John Glas Fieldhouse. BSU will also play its first games against Robert Morris, which is adding Division I men's ice hockey for 2004-05 and will join the Beavers in College Hockey America.

The Beavers also renew a traditional rivalry with Lake Superior State. The Beavers and Lakers squared off 29 times during their respective small-college eras, including four meetings for the NAIA National Championship. BSU beat Lake Superior State in the national championship game three consecutive seasons from 1968-70, and the Lakers got their revenge with a title-game win over the Beavers in 1974. The Beavers and Lakers have met just once as Division I opponents, with the Lakers taking a 4-2 win in Minneapolis on Dec. 29, 2000.

"I'd love to have Lake Superior on our schedule on a regular basis," Serratore said. "It's a renewal of a great rivalry from our NAIA days."

BSU's non-conference slate includes a record six games against the Central Collegiate Hockey Association, six against the Western Collegiate Hockey Association and two against Atlantic Hockey.

"Our schedule this year has a definite CCHA flavor, and we'll have our hands full with the WCHA teams," Serratore said. "They will be a good gauge to see where we are at. We feel confident we can play with those teams. We've had the luxury of beating a couple of them the last few years, and we hope it happens again.

"But you'd better play your best hockey when you face them."

BSU's lineup of College Hockey America opponents remains mostly familiar, with the exception of Robert Morris which replaces the now-defunct Findlay Oilers. The Beavers will play a traditional 20-game CHA slate, opening with a two-game series against defending CHA Tournament champion Niagara on Nov. 19-20. BSU travels to Wayne State (Mich.), Nov. 22-23, then plays its next six CHA games on home ice starting with Niagara on Dec. 10-11. Air Force (Jan. 7-8) and Robert Morris (Jan. 14-15) wrap up the league home stand.

Following the regular season, Bemidji State will host the 2005 College Hockey America Tournament in conjunction with the city of Grand Rapids, Minn. The 2005 Tournament, which will determine the league's automatic qualifier for the 2005 NCAA Championships, will be held at the ICA Civic Center, March 11-13, 2005. BSU has reached the championship game of the CHA Tournament each of the last two years.

Tom Serratore

Bemidji State '87 • fourth season at Bemidji State • 46-45-16 overall record

The 2004 College Hockey America regular-season championship... 2004 CHA Coach of the Year and two-time Spencer Penrose Award finalist... One goal away from an NCAA Tournament berth each of the last two years...

Conventional sports wisdom has long contended it is never wise to follow a legend. But with a remarkable laundry-list of achievements in his three years as head coach at Bemidji State, it appears **Tom Serratore** is more than comfortable in the role. In 2003-04, he led the Beavers to their first 20-win season and first conference title as a Division I program, and has had the team but a single goal away from an NCAA Tournament berth each of the last two years.

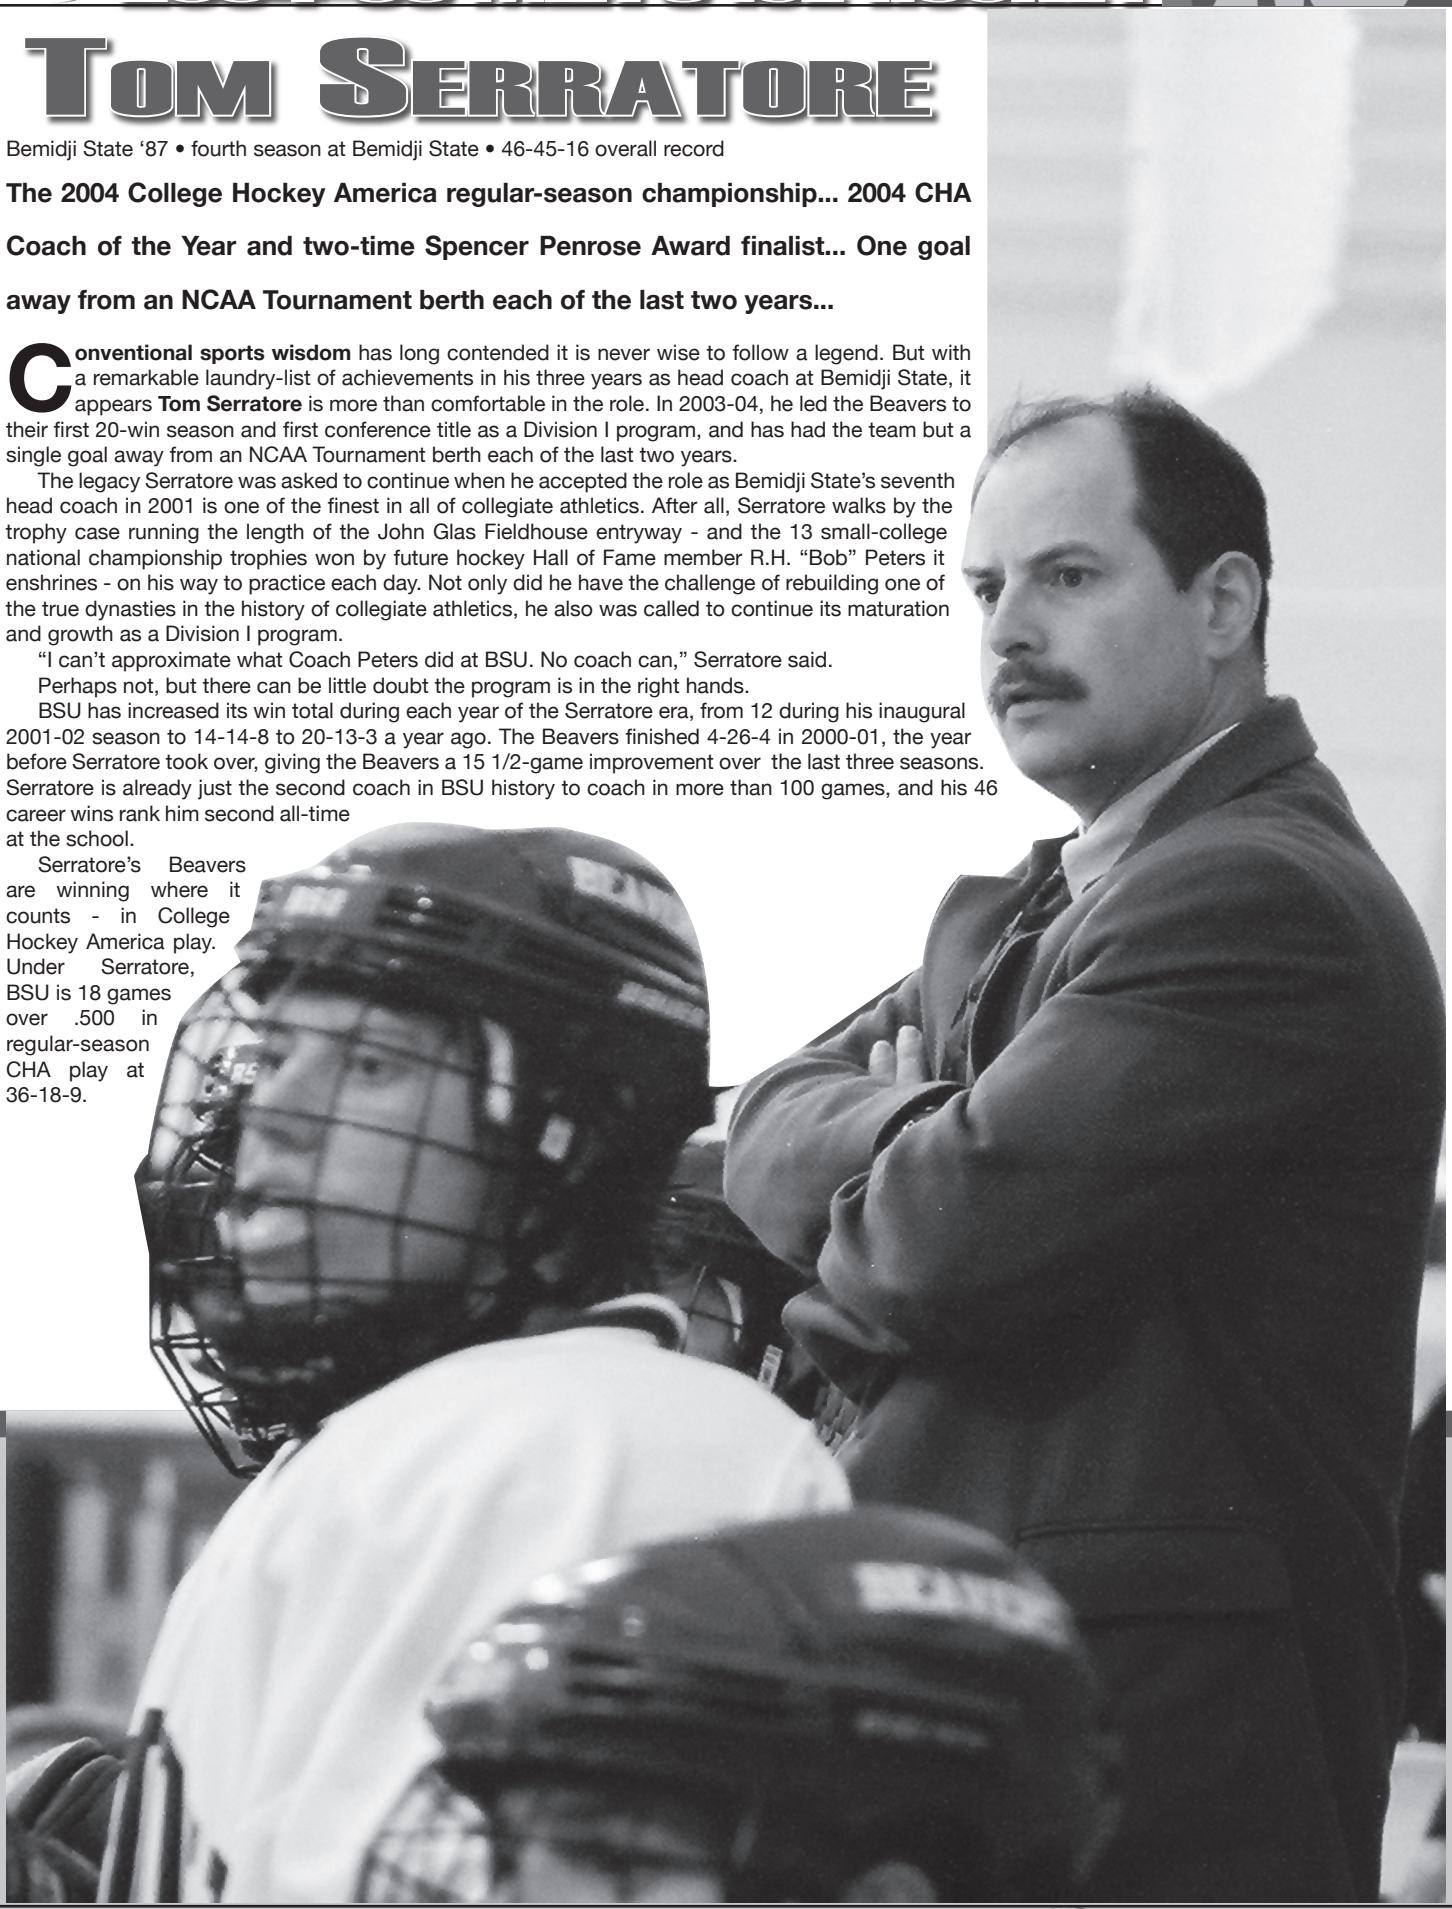
The legacy Serratore was asked to continue when he accepted the role as Bemidji State's seventh head coach in 2001 is one of the finest in all of collegiate athletics. After all, Serratore walks by the trophy case running the length of the John Glas Fieldhouse entryway - and the 13 small-college national championship trophies won by future hockey Hall of Fame member R.H. "Bob" Peters it enshrines - on his way to practice each day. Not only did he have the challenge of rebuilding one of the true dynasties in the history of collegiate athletics, he also was called to continue its maturation and growth as a Division I program.

"I can't approximate what Coach Peters did at BSU. No coach can," Serratore said.

Perhaps not, but there can be little doubt the program is in the right hands.

BSU has increased its win total during each year of the Serratore era, from 12 during his inaugural 2001-02 season to 14-14-8 to 20-13-3 a year ago. The Beavers finished 4-26-4 in 2000-01, the year before Serratore took over, giving the Beavers a 15 1/2-game improvement over the last three seasons. Serratore is already just the second coach in BSU history to coach in more than 100 games, and his 46 career wins rank him second all-time at the school.

Serratore's Beavers are winning where it counts - in College Hockey America play. Under Serratore, BSU is 18 games over .500 in regular-season CHA play at 36-18-9.



Bemidji State Wins CHA Regular-Season Title

Serratore, the 2004 College Hockey America Coach of the Year, helped lead Bemidji State to its most-successful Division I season in 2003-04. The Beavers finished with a 20-13-3 record, marking the program's first 20-win season since making the jump to Division I in 1999, and won the R.H. "Bob" Peters Cup, awarded to the CHA regular-season champions. The regular-season title was the first conference championship in BSU's Division I era, and marked the 18th conference title won by the Beavers in the storied history of the program.

En route to the title, Bemidji State set school records for Division I-era victories (20) and points in CHA play (33), and also set a conference record with 16 victories in CHA play. The Beavers finished with a five-point cushion over second-place Niagara, the largest margin by any winner of the six Division I men's hockey conferences.

The Beavers led CHA in scoring and scoring defense, finished with the second-best power-play percentage in CHA games in league history, and were just the sixth team in league history to post a power-play efficiency of .200 or better.

But again, BSU's ultimate goal of an NCAA Tournament berth was just out of reach. For the second consecutive season, BSU was defeated by a single goal in the championship game of the CHA Tournament. This time, Niagara outlasted BSU 4-3 in a 73:27-minute marathon which became the longest game in College Hockey America history.

During the season, BSU defeated eventual Frozen Four participant Minnesota-Duluth, posted four-game season sweeps of three CHA opponents, including its first-ever road sweeps at Findlay and Wayne State, snapped an eight-game road losing streak at Ala.-Huntsville, shut out NCAA Tournament participant Niagara, and won at Niagara for the first time.

Serratore's 2004 Bemidji State team tied a school record with six All-CHA honorees, including a second consecutive season with two First-Team All-CHA picks. Junior forward **Brendan Cook** and senior defenseman **Bryce Methven** were named to the All-CHA first team, while junior forward **Riley Riddell**, senior defenseman **Anders Olsson** and senior goaltender **Grady Hunt** were named to the second team. Freshman wing **Luke Erickson** earned CHA Rookie of the Year honors, becoming the second BSU player under Serratore's watch to be so honored.

Serratore's Beavers also continued their recent domination of the Academic All-CHA Team. Of the 32 players league-wide honored for their academic performance this season, 16 wore a BSU sweater - tying BSU's own CHA record set last season for most players honored in one year. Eleven of BSU's 16 selections were repeat winners from 2003, and **Travis Barnes, Bill and Bryce Methven** and **Dannie Morgan** join Jeff McGill as the only three-time Academic All-College Hockey America picks in school history.

Following the season, Serratore was named a finalist for the Spencer Penrose Award, given annually to the national coach of the year as selected by the American Hockey Coaches Association. It was the second time in his three years as a head coach Serratore had been a finalist for the award.

Bemidji State's Return to Contention

Bemidji State entered the 2002-'03 campaign with one goal in mind - win the College Hockey America post-season tournament and earn the league's first-ever automatic qualifier to the NCAA Championships.

The Beavers fell just one goal shy of that lofty achievement, dropping a 3-2 decision to Wayne State (Mich.) in the championship game of the CHA Tournament. Still, the 2002-'03 campaign continued the evolution of the Bemidji State program into a legitimate Division I presence and the team set several Division I-era team standards.

Serratore led BSU to a .500 finish for the first time as a Division I program and helped the program set a Division I-era record with 14 victories. He also led the Beavers to a Division I-era record seven-game unbeaten streak (6-0-1), which was snapped in their CHA championship-game loss.

Serratore

The team's run to the CHA Tournament championship was remarkable on a number of fronts. Entering the fray as the fourth seed after a 10-6-4, 24-point regular-season campaign, Serratore's Beavers became the lowest seed to advance to the title game in the four-year history of the Tournament, and also became the first team to knock the tournament's No. 1 seed out of the field before the championship game.

Serratore's Beavers also gained notoriety for playing an NCAA single-season record 15 overtime contests, including a school-record five in a row to open the season. Along the way, BSU set school records for ties in a season (eight, tied for fifth-most in NCAA history) and overtime wins in a season (four).

Key to the team's historic success in 2002-'03 was its play on defense. In front of junior goaltender **Grady Hunt**, the Beavers assembled one of the program's finest defensive performances in decades. BSU led College Hockey America and tied for 16th in the nation by allowing just 2.72 goals per game.

Offensively, senior **Marty Goulet** became the program's first Division I-era player to score 100 career points, and he also became the first-ever repeat First-Team All-CHA pick. Defenseman **Bryce Methven** also earned First-Team All-CHA honors, making BSU the third program in CHA history to have three players named First-Team All-Conference the same season.

Serratore's Strong Debut

A stellar debut campaign in 2001-'02 left little doubt that Serratore would rekindle BSU's past hockey glory. In his rookie season as BSU's head coach, the Beavers dramatically improved as a team in their third year of life as an NCAA Division I program. BSU's 12-18-5 record in 2001-02 marked an eight and one-half game improvement from 2000-01, when the Beavers finished 4-26-4.

In addition, BSU's 12 regular-season wins tied the 1999-00 team for most by a Beaver team in a Division I season (since broken). From Jan. 26-Feb. 9, 2002, the Beavers put together a five-game unbeaten streak

which tied the school record in its Division I era (since broken).

Serratore led the Beavers on an impressive run through College Hockey America. The Beavers enjoyed a 21-day run tied atop the CHA standings, the first time BSU had been in first place in the conference since Jan. 1, 2000. BSU eventually finished second in the league race and earned a first-round bye in the CHA Tournament. BSU also posted the program's third-best single season with 22 points in CHA play, surpassed only by a 23-point (8-8-1) season in 1999-2000, the league's inaugural season, and a record 24-point campaign in 2002-03.

After just three seasons, Tom Serratore already sits second on BSU's career coaching victories charts, and only R.H. "Bob" Peters has coached more games for the Green and White.

Under Serratore's guidance, right wing **Marty Goulet** was named First-Team All-CHA while center **Riley Riddell** earned CHA Rookie of the Year and Second-Team All-CHA honors. Goaltender **Grady Hunt**, a four-time CHA Defensive Player of the Week winner during the 2001-02 season, also earned Second-Team All-CHA honors. In addition, three Beavers - Riddell, center **Andrew Murray** and defenseman **Anders Olsson** - were named to the CHA All-Rookie Team.

Serratore was eventually named a finalist for the **Spencer Penrose Award**, given annually to the national coach of the year as voted by the American Hockey Coaches Association.

Serratore took over the reigns for BSU after having spent the previous three seasons as the associate head coach for R.H. "Bob" Peters. Brought on board in August 1998, Serratore helped Peters oversee the transition of the BSU program from a small-college dynasty to the ranks of Division I.

Prior to BSU...

Serratore came to the Beaver hockey program after spending five years as the recruiting coordinator for Western Collegiate Hockey Association member St. Cloud State University. He helped the Huskies to a 96-84-15 record, including three 20-win seasons and four WCHA Final Five berths during his tenure. Serratore recruited several National Hockey League draft selections while at St. Cloud State, including Matt Cullen, Mark Parrish and Josh DeWolf. He also was an assistant coach for the 1998 WCHA All-Star Team which participated in the Kolin Cup in Zug, Switzerland.

Serratore began his coaching career as an assistant coach at Brainerd (Minn.) High School (1987-'91), and took his first head coaching job at Henry Sibley High School (1991-'93), leading Henry Sibley to a Class A third-place finish at the State Tournament. An active member of USA Hockey for the past eight years, Serratore coached the USA Hockey Select 17 camp in 1994.

Playing Career

Serratore knows first-hand the tradition of BSU men's hockey, having played two years under Peters in the mid-1980s. He was a two-year letterwinner at forward for BSU from 1985-'87 and played in two NCAA Division III Tournaments. Serratore was a member of BSU's 1986 NCAA Division III national championship team and captained the 1986-'87 team. He averaged 1.03 points per game in his BSU career (1986--20-23=43 points, 1987--12-27=39 points) and led the 1986-87 team with four game-winning goals.

Serratore began his playing career at Mankato State, scoring 31-28-59 points in two seasons for the Mavericks before transferring to BSU. For his collegiate career, Serratore scored 63-78=141 points.

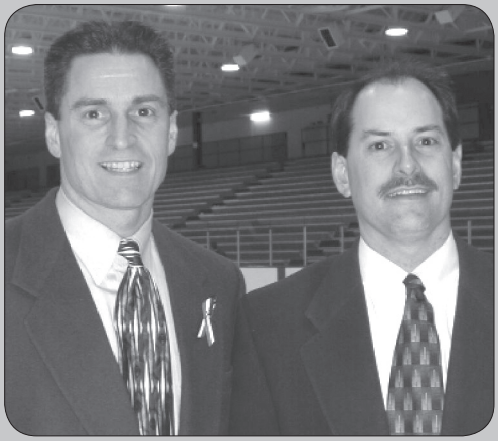
Tom Serratore (right) and his older brother **Frank Serratore (left)**, the head coach at CHA member Air Force, are part of an exclusive club as one of just two combinations in Division I (any sport) where family members coach against each other in the same conference in the same sport.

The only other such combination currently active is Bobby Bowden (Florida State) and his son Tommy (Clemson) in ACC football.

The youngest Serratore holds bragging rights with his elder brother in the family showdown, as BSU has controlled Air Force, 10-0-1. However, the lone tie with Air Force helped knock the Beavers out of first place in the CHA during the 2001-'02 season.

Frank Serratore was a goaltender at Bemidji State during the 1980-'81 season. He posted a 6-0-0 record with one shutout in 10 games played.



ass't coach Ted Belisle

Bemidji State '01 • second season at Bemidji State

Belisle

Ted Belisle, a former captain at Bemidji State, returned to his alma mater as a member of Tom Serratore's coaching staff for the 2003-'04 season. Belisle is a 2001 graduate of Bemidji State and spent two seasons coaching in the United States Hockey League before joining Serratore's staff.

Belisle came to BSU after a two-year stint as a scout and assistant coach in the USHL. After serving one year on the scouting staff for the Sioux City Musketeers, Belisle spent the 2002-'03 season as an assistant coach with the Sioux Falls Stampede. There, he oversaw recruiting, coached the team's defensive corps, was involved in budget management and day-to-day team operations.

Belisle served as interim head coach for the Stampede for the last eight games of the 2002-'03 season. He took over for Gino Gasparini, who left his position as head coach in March 2003 in a mutual agreement with the franchise. The Stampede went 3-5 under Belisle's guidance.

Belisle played four years at Bemidji State from 1997-2001, during the program's transitional era into Division I. He played 90 games at forward during his career, scoring 10-12=22 points. He served as team captain for the 2000-'01 season with **Mark Phenow**.

"Ted knows the culture of our program and I'm glad to have him back," Serratore said. "He was a captain and played under me, and he knows and understands my coaching style. I feel he'll be a great compliment to our staff."

Belisle will serve as BSU's recruiting coordinator, will work with BSU's forwards and assist in the day-to-day operations of the team monitoring academics, weight programs and video breakdown.

"I'm honored to come back to the alma mater," Belisle said. "I know all the history there and know what it takes to be a Beaver. I'm proud to come back and work for Coach Serratore. It's an exciting position on an outstanding staff. The school is responsible for where I am today; why not come back and return the favor to young players coming up now?"

Prior to joining the BSU coaching staff, Belisle spent time in Phoenix assisting at the Select 16 camp for the USA Developmental Program's Rocky Mountain District. His evaluations played a part in the selection of the Select 16 team, and he worked on-ice sessions to evaluate players with 1987 birthdates.

ass't coach Bert Gilling

Minnesota-Duluth '99 • sixth season at Bemidji State

Gilling

Bert Gilling is entering his fourth season as assistant coach Bemidji State and his sixth year with the program.

Gilling holds responsibilites as BSU's academic advisor and strength coach. As academic advisor, Gilling has helped raise BSU's team overall GPA to 3.29. Each of the last two seasons, Gilling has helped BSU place a College Hockey America record 16 players on the Academic All-CHA Team. On the ice, he oversees BSU's defensive corps.

Gilling joined Serratore's staff as an assistant after having served as an assistant under former BSU coach R.H. "Bob" Peters from 1999 until Peters' retirement in spring 2001. Under Peters, Gilling held responsibilities for game-plan preparation, practice sessions, video breakdown and also served as the team's bench and core defense coach. In addition, Gilling held numerous other responsibilities within the BSU program ranging from recruiting to academic advising to strength-and-conditioning programs.

As a player, Gilling was a four-year letterwinner, senior captain and member of the 1998-99 Captain's Committee at Minnesota-Duluth. There, he built a reputation as one of the finest defensemen in the Western Collegiate Hockey Association. He was nominated for the 1997-98 WCHA Defensive Player of the Year award and was a member of the 1998 WCHA All-Star team which participated in tournament in Zug, Switzerland. He won school awards as Duluth's top freshman in 1995-96 and won the Bob Junkert Plus/Minus Award in 1995-96.

A native of Alexander, Manitoba, Gilling played junior hockey with the Estevan Bruins of the Saskatchewan Junior Hockey league from 1992-95. During his junior career, he won two team MVP (1994, 1995) and two team Most Valuable Defenseman (1994, 1995) awards, was the Most Valuable Rookie during the 1992-93 campaign and won the inaugural Bill Shinske Ethics Award in 1995.

In addition to his playing laurels, Gilling has also compiled an impressive academic resume. In 1999, Gilling was a nominee for the College Hockey Humanitarian Award, was nominated for WCHA Student Athlete of the Year and was named the Rasmussen Male Scholar-Athlete of the Year at Duluth. Gilling was a three-time Academic All-WCHA honoree, a member of the Dean's List and received the Top Scholastic Player award from his junior club in 1993. He began graduate work at BSU in 1999 and in 2000 was named a Beck Scholarship award winner.

2003-04 (Fr): **Quickly**: Only freshman goaltender in BSU's Division I era to win consecutive road starts (12/13 at Ala.-Huntsville; 1/10 at Niagara; 1/24 at Wayne State)... First BSU freshman goalie to win consecutive road starts since 1996-97; Adam Pavlatos won four consecutive road starts that season... Earned the decision in all three BSU ties this season... **Undefeated (6-0-1) in seven starts vs College Hockey America foes**... Sedevie's six wins were second-most by a freshman goaltender in BSU's Division I era; Bob Tallarico went 7-11-0 as a freshman in BSU's inaugural 1999-2000 Division I season... Scored two assists, most by a BSU goaltender since Neil Cooper (2, 1996-97)... **6-1-1 in last eight starts**.

Assembled a three-start road winning streak from 12/13 at Ala.-Huntsville to 1/24 at Wayne State; his win in Huntsville snapped an eight-game BSU road losing streak in that series; his win at Niagara (1/10) was BSU's first-ever road win in that series; win at Wayne State (1/24) helped BSU complete a four-game season sweep in that series; 6 GA, 56 saves in those three victories.

Made collegiate debut as replacement goaltender vs Clarkson (10/18); replaced Dannie Morgan in pre-arranged move to have each goaltender play half the game; saved all 17 shots faced to earn the tie for first collegiate decision... Made first career start vs Minnesota State (10/25); saved 24 of 26 shots faced (.923) in complete-game overtime draw.

Allowed just three goals, saved BSU season-high 33 shots in loss at Minn.-Duluth (11/15) in just second career start; held Bulldogs scoreless for final 34:38 of game as BSU made a comeback; UMD 0-for-4 on power-play... Suffered second consecutive one-goal loss at Merrimack (11/23); saved 14 of 17 shots in 60:30.

Saved 18 of 21 shots faced in 59:45 of work to earn **first collegiate victory** at Ala.-Huntsville (12/13); win snapped eight-game BSU losing streak at Huntsville.

▶ **CHA Defensive Player of the Week** for performance at Niagara (1/9-10); 2.25 GAA/.915 save percentage for the weekend; took loss in relief in Game 1, playing 46:51 after starter Grady Hunt was chased just 11 minutes into the game; complete-game win in Game 2 with 17 saves, was BSU's first-ever road win at Niagara.

Started Game 2 at Wayne State (1/24), allowed just one goal against 23 saves to help BSU complete a four-game regular-season sweep of the Warriors; saved all 16 shots faced after first intermission and picked up his third win in his last three road starts... Picked up his fourth win in four starts with a 5-3 win over Findlay (1/31); saved 22 of 25 shots faced, allowed just one goal in game's final 50:24... Improved to 4-0-0 in four starts against league opponents, ran winning streak to four consecutive starts.

Saved 37 of 42 shots faced, both season-highs by a BSU goaltender, at No. 5 Minnesota (2/7); allowed just one even-strength goal in first two periods of play; put on a goaltending highlight show in the second period making numerous spectacular saves to keep BSU in the game... Made a kick-save with his skate straight in the air while laying on the ice which FOX SportsNet commentator and former Minnesota head coach **Doug Woog** said may have been *"the most spectacular save ever at Mariucci Arena..."* Allowed more than three goals in an appearance for the first time in his career and saw a four-start winning streak come to an end... Did not play in St. Cloud State series (2/13-14) after taking a knee in the forehead late in Game 2 of Minnesota series (2/7); first series since Wayne State (12/5-6) without an appearance.

▶ **CHA Rookie of the Week** after posting a win and a tie in Ala.-Huntsville series (2/20-21); improved to 5-0-1 in six starts against CHA foes; first series this season starting both games; allowed just one even-strength goal for the weekend; saved 27 of 30 shots faced in Game 1 draw (2/20); 14 saves, two goals allowed in Game 2 win (2/21); 2-0-1 in three starts against Ala.-Huntsville this year.

Started at Air Force (2/27) and earned the win, but was lifted after allowing fourth goal in 45:50, most goals allowed to a CHA foe this year; saved 21 of 25 shots faced, improved to 6-1-1 against CHA.

Prior to BSU: One of three Topeka Scarecrows players from 2002-03 on the BSU roster this year (Luke Erickson, Ryan Miller)... Named Goalie's World Magazine/USHL Goaltender of the Month for Dec. 2002; 6-2 record for the month with a .928 save percentage and 1.88 GAA... Was leading the USHL with 22 wins in goal before suffering a season-ending neck injury against Lincoln, Feb. 11, 2003... 22-10-3 record in 36 starts for Topeka with a 2.62 goals-against average and a .896 save percentage... Three of 10 losses came in overtime... Also had two assists.

Spent 2001-02 season with Sioux Falls Stampede... AWHL Rookie of the Year and Goaltender of the Year for Billings Bulls in 2000-01.

2003-04 Season Recap

Bemidji State wins College Hockey America regular-season championship

From the moment the 2002-03 season came to a close, conventional wisdom pointed squarely in the direction of two teams - Bemidji State and Niagara - as favorites for the 2004 College Hockey America title.

BSU won the first battle, as **College Hockey America Coach of the Year Tom Serratore** helped lead the Beavers to a CHA regular-season championship. BSU won the league by five points over second-place Niagara, the largest margin of victory by any winner of the six Division I hockey conferences. It was the first league title in Bemidji State's Division I era, and placed in Bemidji the **R.H. "Bob" Peters Cup** awarded to the CHA regular-season titleholder.

However, Niagara ultimately would win the war and send BSU down to its second consecutive one-goal defeat in the CHA Tournament championship game. The Purple Eagles triumphed, 4-3, the longest game in CHA history, a 72:37 marathon which was decided on Joe Tallari's lamp-lighter 13:27 into extra hockey.

Despite the bitter disappointment of seeing its season end in an instant for the second consecutive year, BSU's 2003-04 campaign was littered with historic milestones for the program and remarkable individual achievements.

The Beavers continued an impressive run at the annual CHA awards banquet, tying their own conference record by having 16 players named to the 2004 Academic All-CHA Team.

The Beavers also had six skaters earn All-CHA honors, including first-team members **Brendan Cook** at wing and **Bryce Methven** at defense. It marked the second consecutive season BSU had multiple First-Team All-CHA picks, and Methven became one of just three repeat First-Team selections in league history.

Some of BSU's notable team accomplishments from the 2003-04 season:

▶ BSU set a Division I-era record for wins (20), set a CHA record for wins in CHA play (16) and set a school record for points in CHA play (33).
▶ BSU's CHA regular-season title was the 18th conference crown in school history.
▶ BSU defeated then-No. 14 Minn.-Duluth on Nov. 14, 2003. It was BSU's first Division I-era win over a ranked opponent and its first win over an eventual Frozen Four team.

BSU Wins CHA Regular-Season Title

Bemidji State entered the 2003-04 season as the odds-on favorite to win the College Hockey America championship, and would live up to that billing by winning the league's regular-season title. The Beavers captured the 2004 CHA regular-season crown on Feb. 28, 2004 after a 9-1 road demolition of Air Force in conjunction with a Niagara loss at Findlay.

BSU's CHA regular-season championship is the first in the program's Division I era, but is the 18th conference title in the storied history of the program. Fittingly, the CHA regular-season champion is awarded the **R.H. "Bob" Peters Cup**, named for the man who coached the Beavers to 13 small-college national titles and was instrumental in the founding of College Hockey America as a Division I conference.

Beavers Snap Eight-Year Title Drought

The 2004 CHA title brought a conference championship to Bemidji for the first since a 1995 Division II Northern Collegiate Hockey Association crown. The eight-year drought without a conference title was the school's longest since joining the International Collegiate Hockey Association in 1966. BSU had never previously gone more than three consecutive seasons without winning a conference title.

CHA Win Largest by Any League Winner

Bemidji State five-point margin of victory over second-place Niagara for the College Hockey America regular-season title was the largest margin by any winner of the six NCAA Division I men's ice hockey conferences.

Atlantic Hockey winner Holy Cross posted a four-point cushion over second-place Mercyhurst (37 points to 33) and WCHA titlist North Dakota downed Minn.-Duluth, 43-40.

The CCHA, ECAC and Hockey East saw their respective regular-season titlists win their leagues by a single point. Michigan edged Miami (Ohio) (38-37) to win the CCHA; Colgate toppled Brown, 30-29, to win the ECAC; and Boston College had 37 points to Maine's 36 to win Hockey East.

Record Six Beavers Earn All-CHA Honors

Junior forward **Brendan Cook** and senior defenseman **Bryce Methven** were named First-Team All-College Hockey America, headlining a school record-tying group of six Bemidji State skaters to earn All-CHA honors in 2004. Cook was a unanimous First-Team selection, appearing on all eligible ballots.

Joining Cook and Methven were three Second-Team All-CHA picks: junior center **Riley Riddell**, junior defenseman **Peter Jonsson** and senior goaltender **Grady Hunt**.Wing **Luke Erickson** was named CHA Rookie of the Year.

Cook and Methven brought BSU's all-time number of First-Team All-CHA honorees to seven; BSU's three Second-Team picks were one shy of the program's total from the league's first four years of existence (4), and Erickson was BSU's 10th All-Rookie Team pick.

Methven Joins Elite All-CHA Club

Senior defenseman **Bryce Methven** joined a rare club when he earned his second consecutive First-Team All-CHA honor in 2004. He became just the third player in league history to earn First-Team all-conference honors in consecutive seasons, joining former teammate Marty Goulet (2002-03) and Ala.-Huntsville's Jared Ross (2003-04).

Hunt Dominates Career Leaderboards

Senior goaltender **Grady Hunt** ended his stellar career at Bemidji State tied for ninth all-time in BSU history in victories (39), set a school career record for minutes played in goal (6,002) and finished second all-time in saves (2,717).

The Birth of a Conference

College ice hockey's continuing development and expansion received another boost during the summer of 1999 with the formation of College Hockey America. The seven charter members of College Hockey America were the United States Air Force Academy (Colorado), University of Alabama-Huntsville, United States Military Academy (Army-New York), Bemidji State University (Minnesota), University of Findlay (Ohio), Niagara University (New York), and Wayne State University (Michigan).

"Hockey at all levels is experiencing unprecedented growth and popularity," said CHA Commissioner R.H. "Bob" Peters. "The advent of College Hockey America is a monumental and historic event evidencing this growth at the collegiate level. To quote the late Bob Johnson, legendary college, Olympic and National Hockey League coach, 'It's a great day for hockey'."

Leadership

In its inaugural season, the CHA coaches brought a collective 95 years of coaching experience, 1,754 wins and 33 postseason appearances to the conference. R.H. "Bob" Peters, who accepted the role of CHA Commissioner after retiring from coaching, was the dean of CHA coaches with more than 740 wins. The CHA was fortunate to have the guidance and leadership of WCHA commissioner Bruce McLeod for its first two years. McLeod worked with the seven league coaches and was instrumental in establishing the conference in 1999.

Something Old, Something New

The CHA encompasses programs steeped in tradition, such as Bemidji State and Air Force and former Division II power Alabama-Huntsville, to up and coming programs Niagara and Wayne State, to college hockey newcomers Robert Morris.

Bemidji State and Alabama-Huntsville competed for the Division II national championship six times in the 1990's with the Beavers winning four and the Chargers winning two, and the two teams have now carried that rivalry to Division I. Bemidji State, which began playing hockey in 1948, had won a total of 13 national championships at the small college level before making the jump to Division I.

Bemidji State (.678) and Alabama-Huntsville (.677) have the two highest all-time winning percentages amongst the 58 teams which currently comprise Division I hockey.

Air Force began its program in 1968 and under the direction of fifth-year head coach Frank Serratore, the Falcons have experienced a new level of success, earning there consecutive trips to the postseason.

Niagara began its Division I hockey program in 1996 and posted a winning season each of its first four years, culminating in NCAA Tournament berths in 2000 and 2004. Wayne State's program was started in 1999-2000. The Warriors won three consecutive CHA Tournaments from 2001-03, and in 2003 made the NCAA Tournament field in just their fourth season of existence.

Robert Morris begins its first season of college hockey competition in 2004-05, and replaces Findlay in the CHA ranks. Findlay folded its ice hockey programs in 2004.

CHA Championship

In addition to a challenging non-conference schedule and 56-game conference slate, College Hockey America will conduct a postseason championship tournament for the sixth consecutive year. This year's tournament will take place March 12-14, 2004 in Grand Rapids, Minn.

The CHA Tournament champion receives an automatic bid to the NCAA Championships.

NCAA Tournament History

Niagara earned an at-large bid to the 2000 NCAA Championship after the CHA's inaugural season. Niagara stunned New Hampshire 4-1 in Minneapolis, Minn, then fell to eventual national champion North Dakota, 4-1.

Wayne State fell to Colorado College, 4-2, in the first round of the 2003 Midwest Regional.

Niagara made its second NCAA trip in 2004, falling in the first round, 5-2, to Boston College.

Methven Becomes CHA's Third Repeat All-CHA 1st Teamer

Bemidji State defenseman Bryce Methven became just the third player in College Hockey America history to be twice named First Team All-CHA. Methven earned the honor in both 2003 and 2004 to cap a career which saw him finish sixth in CHA history in career scoring by a defenseman (55).

Methven joins former Beaver Marty Goulet (2002-03) and Ala.-Huntsville's Jared Ross (2003-04) as the only repeat First-Team All-CHA picks in league history.

BSU ties CHA record with 16 All-Academians

For the second consecutive year, Bemidji State had a league-record 16 skaters named to the 2004 College Hockey America All-Academic Team. BSU's 2004 class of 16 honorees represented a league high, and were nearly one-third of the 49 student athletes honored league-wide.

BSU's group of 16 tied the previous CHA single-season record, which BSU itself established in 2002-03. Wayne State, in 2000-01, had 15 All-Academic honorees to hold the previous record.

In five years of CHA play, BSU has 46 Academic All-CHA honorees and has 39 honorees in the last three seasons alone, most in the CHA.

BSU in Exhibition Play

In the program's Division I era, the first opportunity for the Bemidji State faithful to get a look at the Beavers in game action has typically come in exhibition fashion. BSU has squared off against Canadian programs five times since its inaugural Division I season in 1999-2000, opening a season with a foreign exhibition tilt four times. BSU also tackled the U.S. National Under-18 Team in 2002, falling 4-3.

BSU has been successful in international exhibitions, posting a 3-1-1 record in its five Division I-era games. BSU dropped Concordia-Montreal, 7-1, to open the 2003-04 season, won two games from Manitoba in 2002-03 and dropped a 2-1 overtime decision to Regina in an exhibition to open the 2001-02 campaign. BSU skated to a 3-3 tie with Manitoba in 2000.

In 2002-03, BSU defeated Manitoba twice in exhibition play. The Beavers triumphed, 4-2, in a pre-season exhibition, then faced the Bison again in the first round at North Dakota's Subway Holiday Classic where they posted a 10-4 blowout win in exhibition play.

BSU's 1983-84 Season

Bemidji State's 1983-84 season saw the Beavers not only bring home their eighth national championship - and first at the Division II level - the program also set a still-standing collegiate hockey record for most victories in an unbeaten season with 31 (31-0-0).

Those 31 wins helped BSU assemble a 42-game winning streak, also a collegiate hockey record.

Bemidji State became the sixth school in college hockey history to post an undefeated season and just the fifth to finish a season unbeaten and untied. Following is the exclusive list of those unbeaten clubs.

"Every so often in all athletics there's just a gathering of athletes who are just excellent," then-head coach **R.H. "Bob" Peters** said of the 1983-84 squad. "They're excellent athletes and excellent people. There are other variables, too - experience, depth, injuries, leadership. All those things kind of came together for us, but it all begins with the gathering together of an outstanding group of athletes. It happens. Not often, though. Personally speaking, I am very grateful for it. I feel very fortunate to know first-hand what goes into such a streak."

BSU's Home-Ice Advantage

John S. Glas Fieldhouse

The venerable John S. Glas Fieldhouse has been home of Bemidji State ice hockey for 37 years. During a tenure which will reach 600 games in 2004-05, the old barn has given BSU one of the strongest home-ice advantages in the history of college hockey.

Bemidji State hockey debuted its fourth home on Nov. 17, 1967 with the introduction of the Fieldhouse Expansion to the BSU Physical Education Complex. In the 35 seasons since, BSU has developed one of the most-secure home-ice advantages in college hockey.

Simply put, BSU has dominated on its home ice. The Beavers have posted a 440-121-36 record in 597 games played at John Glas Fieldhouse, and have had a losing home-ice record just once during the life of the arena. Eleven times in its history BSU has assembled unbeaten streaks of 10 or more games in the building, while averaging nearly six goals per game. In total, BSU has outscored its opposition by more than 1,600 goals at "The Glas." BSU's Nov. 12, 2004 home game against Bentley will be the program's 600th game played at John Glas Fieldhouse.

Bemidji State posted an 8-3-3 record on its home ice in 2004, and set a school single-season record for fewest goals allowed in a seaon at home by surrendering just 28 in 14 games.

Final plans for the $970,000 Fieldhouse expansion were laid in the mid-1960s under the direction of then-BSU President Dr. Harry Bangsberg and athletics director Dr. Vic Weber. The Minnesota legislature granted authority to built the expansion in 1965, and the fieldhouse expansion was dedicated on Feb. 10, 1968.

In addition to its role as BSU's home facility for both men's and women's ice hockey, the Glas Fieldhouse also plays a promient role in a variety of events for the BSU and Bemidji communities. High school contests and area youth figure skating shows occur while the ice is in place, while when the ice is removed the building plays host to events varying from the annual Jaycees Home, Sport and Travel Show to BSU's commencement ceremonies.

Championship Tradition

Only adding to Bemidji State's already-stellar winning tradition at John Glas Fieldhouse are the five national championships BSU has won on its home ice. The Beavers have competed for a national title six times on its home ice, bringing home an NAIA Championship in 1971 and four NCAA Division II Championships in 1984, 1986, 1993 and 1997.

In total, BSU has posted a 15-2-0 record on its home ice in national tournament play.

John Glas

From the time of its completion until Oct. 1, 1975, BSU's hockey facility held the name of BSU Fieldhouse. But it was renamed in honor of the retiring John S. Glas (right), the acting president of Bemidji State University at the time of the arena's completion. Glas arrived in Bemidji in 1939 to serve as business manager under then-BSU President Charles R. Sattgast and would remain with BSU for 36 years. When Glas arrived, the campus consisted of just two buildings - Deputy and Stanford halls - which served as the educational environment for the institution's 340 students.

In 1957, Glas was appointed Assistant to the President, and in 1968 he was elevated to Vice President for Administrative Affairs and later earned the title Vice President Emeritus.

The decision to rename the Fieldhouse was recommended by the Men's Physical Education Department. The Long Range Planning Committee endorsed the change, and President Dr. R.D. Decker submitted a request to the State Uniersity Board that it officially name the fieldhouse for Glas, "in recognition of his long and dedicated service to Bemidji State University."

Since its debut as Bemidji State's home arena for the 1967-68 season, the Beavers have built one of college hockey's strongest home-ice advantages at John Glas Fieldhouse. In 583 games played over 36 full seasons at the Glas, BSU has posted a remarkable 432-118-33 record on its home ice (.769).

In addition, BSU has posted 44 shutouts at the Glas and out-scored its opposition by an average of nearly three goals per game.

Bemidji State went 3-3-0 in its first six games played at the Glas, but from there won 13 in a row and 32 of the next 33 games played in its new facility to set the tone for the level of home-ice dominance which would become a storied part of BSU's hockey tradition.

In 2002-03, BSU set a school record for fewest goals scored on its home ice, lighting the lamp just 45 times in 15 games. But behind a stellar defensive corps which ranked as one of the best in school history, the Beavers allowed just 44 home-ice goals - the fewest in its Division I era and 13th-fewest in school history. The Beavers also set a school record with five ties at the Glas in 2002-03.

Previous BSU Arenas

The Bemidji State hockey team, referred to at times as the "Hard Luck Boys" in its early history, tried out several hockey rinks before finding a home in 1967 at the John S. Glas Fieldhouse.

1947-50 / Bemidji Sports Arena

Not originally intended to be a hockey facility, the Bemidji Sports Arena was plagued with a number of problems from the start... Poor sight lines and seating along with an undersized ice surface were only a few of the arena's more-obvious drawbacks... At 2:20 p.m., January 4, 1949, the arena's roof collapsed due to structural failure... Several children were skating directly under the caved-in section of the roof, but miraculously escaped the falling beams and timbers.

The team continued to use the facility for another season, but after an attempt at Lake Bemidji for a home venue, the Beaver program would cease for a nine-year period... The first BSU game played at the Bemidji Sports Arena is believed to be a 12-1 loss to the Grand Rapids Raiders on Feb. 16, 1947.

• record at Bemidji Sports Arena: 14-10-0 (.583)

1959-60 / 17th Street Rink

Located at the Bemidji High School athletic field, the Beavers found a new outdoor home rink... The new facility was underwritten with a $1,000 donation from the Beaver Union Board... However, the site would be temporary; after just two games the site was moved to the college campus... 200 fans were on hand to witness the return of Beaver hockey at Bemidji State Feb. 13, 1960 after a nine-year absence... The Beavers fell to St. Cloud State 4-2 in their return engagement... Referee Dick Kroll was injured at 3:21 of the third period, bringing a halt to the opening game of the season.

• record at 17th Street Rink: 1-1-0 (.500)

1960-67 / College Rink

Often referred to as the 19th Street Rink, the facility was located just south of the physical education building and gymnasium... The Beavers played seven seasons here before moving to the John S. Glas Fieldhouse. The first game played at the College Rink took place Jan. 5, 1961 when the Beavers defeated St. John's 3-1 under balmy temperatures and on melting ice... The Beavers would close out their last game at the College Rink Feb. 4, 1967 with an 8-1 win over Wisconsin-Superior... Bemidji State won its final 17 games played at the College Rink before moving into the newly-constructed John S. Glas Fieldhouse for the 1967-68 season.

• record at College Rink: 35-8-1 (.807)

Nat'l Playoffs at the Glas

Bemidji State has won more than a third of its 13 national championships on its home ice, bringing home the title five times in six championship series at John Glas Fieldhouse. BSU won national titles in front of the home-crowd faithful in 1971, '84, '86, '93 and '97.

BSU's only failed opportunity to win a national title on its home ice came in 1974, when Lake Superior State celebrated a national title with a 4-1 win over the host Beavers.

In all, BSU is 14-2-0 with one mini-game win in national playoff action at the Glas.

R.H. "Bob" Peters

A true legend in the sport of hockey, R.H. Peters assembled one of the most-dominant dynasties in the history of college athletics. During an incredible 35-year career, Peters led Bemidji State to more than 700 wins and 13 national championships.

While the early building blocks were already in place, it was not until Peters took the reigns as the program's fifth head coach in 1966 that Bemidji State University hockey began to take shape as a recognizable masterpiece. And although Peters himself would not claim to be an artist, he constructed a dynasty in Bemidji, Minn. which remains unparalleled in the world of collegiate athletics.

Peters entered the college hockey head coaching ranks in 1964 as bench boss at the University of North Dakota. During his initial campaign, Peters, the eventual Western Collegiate Hockey Association Coach of the Year, led the Fighting Sioux to a WCHA title and a third-place finish at the NCAA Championships. He coached in Grand Forks for two seasons, leading the Sioux to a 42-20-1 mark before making a career decision that would change the face of collegiate hockey.

Peters left the Division I powerhouse in 1966 and took over a small-college program in the early stages of its existence - at Bemidji State University. Within two seasons Peters led BSU to its first national championship and set the foundation for what would become one of the most dominant programs in college hockey.

Thirty-five years later, Peters retired from coaching with one of the most impressive lists of achievements in the history of collegiate sports - 744 victories as a head coach, 702 coming at Bemidji State alone to make Peters the first coach to win 700 or more games at a single school, 13 small-college national championships, and still-standing national collegiate records for most wins in an unbeaten season (31-0-0 in 1983-'84) and longest unbeaten streak (43 games from Nov. 8, 1983 to Jan. 1, 1985). Today, only one coach in the sport - Michigan State's Ron Mason - has won more games at the collegiate level.

Peters, the only coach to lead a team to a national championship game in three divisions of college hockey and the only coach to reach the Final Four in all four divisions (Division I, III, III and NAIA), developed five NHL players and numerous Olympians and All-Americans.

A 1960 graduate of the University of North Dakota, Peters spent his collegiate days at goaltender for the Fighting Sioux. He coached at the high school level for one season before rejoining the UND staff as an assistant coach.

Although now retired from coaching, Peters remains heavily involved in the sport of college hockey. His latest challenge is overseeing the continued growth of the fledgeling College Hockey America conference, having been named the league's commissioner on April 27, 2001.

"It is with great enthusiasm that I look forward to extending my commitment to the growth and development of collegiate hockey," Peters said.

College Hockey America is the third conference Peters has been involved with as a founding member, and with more than four decades of experience in college hockey Peters' leadership will prove invaluable as the CHA evolves.

"I am extremely enthusiastic about this new aspect of my college hockey career," Peters said. "We have a committed membership group with tremendous vision and a very strong understanding of Division I hockey."

The original concept for the CHA began with Air Force head coach Frank Serratore and then-BSU head coach Peters at the 1998 hockey meetings in Florida. The conference sprang forth the following year with a full league schedule in the 1999-2000 season. Then in the fall of 2001, under the guidance of Peters, the CHA gained an automatic bid for its tournament champion in the 2003 NCAA Tournament.

In addition to appointing Peters CHA Commissioner, the athletic directors of the league's member institutions approved the recommendation by the coaches to name the regular-season championship trophy in honor of Peters as the *R.H. "Bob" Peters Cup*—an appropriate honor capping an illustrious coaching career.

Peters' influence on college hockey also has stretched outside the arena. He has proven his administrative skills at Bemidji State by serving as athletic director and head hockey coach, and he lent service to several committees. Under Peters' guidance, BSU hockey progressed from NAIA to NCAA Division III to NCAA Division II, and in 1999, BSU elevated its hockey program to Division I. He served on championship committees for the NAIA and NCAA for over 20 years, and in 2001 was named a Hobey Baker Legend of Hockey.

Peters continues to provide support to the Bemidji State athletic department in addition to his role as CHA commissioner. He announced his retirement from the BSU faculty in 2003 but remains with the University in an outreach role with the BSU Foundation.

Memorable Moments in the Peters era

• **April, 1966**- R.H. "Bob" Peters becomes the fifth Beaver hockey head coach after a two-year stint as head coach for the University of North Dakota.

• **March 9, 1968**- Bemidji State captures the school's first national championship in any sport, winning the first-ever NAIA National Tournament with a 5-4 overtime victory over Lake Superior State. Over the next 12 seasons, the Beavers would capture six more NAIA national crowns.

• **March 10, 1968**- The first Bemidji State All-Americans are named--Terry Bergstrom, Terry Burns, Barry Dillon, Bryan Grand and Jim McElmury. Beavers would produce over 80 All-America selections through the years.

• **Winter, 1970**- Jim McElmury, Charlie Brown and Bryan Grand help the U.S. National Team to the World B Championship while still remaining active members of the BSU roster.

• **Winter, 1972**- Jim McElmury and Charlie Brown help carry the USA to the silver medal at the Olympics in Saporo, Japan.

• **March 3, 1973**- Bemidji State wins its fifth NAIA national title with a 3-2 overtime win at Lakehead.

• **Feb. 25, 1979**- BSU wins its sixth NAIA championship with a 5-1 win over Concordia-Moorhead.

• **March 2, 1980**- Bemidji State wins its seventh NAIA national title with a 4-3 win over Michigan-Dearborn.

• **Nov. 8, 1983**- Bemidji State begins 31-0 season march with a 9-1 win over Winnipeg. The Beavers would capture the school's first NCAA Division II national title with an 8-1 win over Merrimack March 18. BSU would continue its win streak to an NCAA-record 43 straight games.

• **March 21, 1986**- Bemidji State picks up a game-tying goal at 19:56 of the third period versus RIT, and moves on for the 5-4 overtime win en route to its first NCAA Division III national championship. The Beavers beat Plattsburgh State 8-5 to cap the tournament run, winning the school's ninth title.

• **March 19, 1993**- Bemidji State welcomes back the NCAA II National Championship series with a two-game sweep of Mercyhurst to win the school's 10th national title. In addition to the 1993 national title, the Beavers would win NCAA Division II crowns in 1994, '95 and '97 to bring the total to 13 national titles in the program's 42-year history.

• **May 26, 1998**- Bemidji State announces that it will move the men's hockey program to NCAA Division I status beginning with the 1998-99 season.

• **Feb. 9, 2001**- Peters leads Bemidji State to a 6-2 win over Niagara, his 700th victory as BSU's head coach. Peters was the first college hockey coach to lead one school to 700 victories.

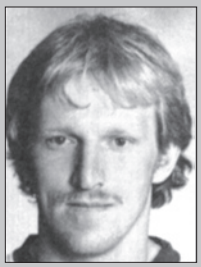
In Memoriam: Galen Nagle



Bemidji State University and the Galen Nagle Memorial Fund Committee have established a memorial scholarship fund in honor of the former Beaver hockey standout, designed to support the Bemidji State hockey program.

Galen W. Nagle was a goaltender for the Beaver hockey team from 1980-'84, and served as a coach and teacher in the state of Minnesota for several years before losing his life to cancer Oct. 18, 1996 at the age of 34.

"Galen exemplified Beaver hockey," said former Bemidji State coach R.H. "Bob" Peters. "Hard work, dedication and loyalty were inherent to his character, and through his efforts, he became a vital part of our team."

Nagle and the 1984 Beaver hockey team made college hockey history with a perfect 31-0-0 season en route to the school's first NCAA Division II National Championship. An All-Tournament selection from the 1984 Division II Championship, Nagle completed his Bemidji State hockey goaltending career with an 8-1 victory in the title game.

Initially a walk-on at Bemidji State, Nagle's determination and willingness to give forged a special bond with teammates and coaches. He never lost a game in goal for Bemidji State, posting a 22-0-0 career record with three shutouts. He allowed just 37 goals in his career, leaving Bemidji State as the program's all-time leader in save percentage (.9308) and goals-against average (2.039) - career records which still stand today for players with at least 1,000 minutes in goal.

"Galen considered it a privilege and an honor to be a part of the team, and conversely, we valued his contribution to the team," Peters said. "He has had a lasting impact on the lives of the people he touched, and we will always remember him."

A 1984 graduate of Bemidji State, Nagle taught industrial arts at Scotts-Highland Middle School in Apple Valley for several years and coached in hockey programs at Rosemount, Holy Angels Academy, Richfield, Bloomington, Wayzata and Thief River Falls. He also served as the chief goalie instructor for Coach Peters' Bemidji International Hockey Camp at BSU.

Nagle was born to Richard and Marlys June 18, 1962 in Baudette, Minn. He and his family moved to Bemidji in 1979, and he graduated from Bemidji High School in 1980. An annual golf tournament was inaugurated in his honor Aug. 7, 1998.

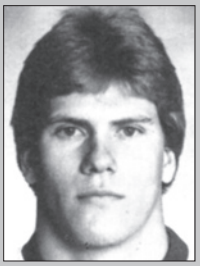
Joel Otto: 1984 Hobey Baker Award winner



A 1984 graduate of Bemidji State, **Joel Otto** spent four seasons making his mark in the Beavers hockey program under coach R.H. "Bob" Peters. The three-time All-America selection helped the 1984 BSU squad make history en route to the school's first NCAA Division II National Championship and only the second perfect season in NCAA hockey history at 31-0-0. BSU set a college hockey record for most wins in an undefeated season and remain one of just five unbeaten, untied teams in the history of the sport. The perfect season helped BSU build a 42-game winning streak, another still-standing collegiate record.

Otto captained BSU's 1983-84 national champions, scoring 32-43=75 points and leading the team in assists, scoring and short-handed goals (4). Otto earned Division II All-America honors for his efforts.

In addition, Otto was the 1984 recepient of college hockey's most prestigious honor, the **Hobey Baker Memorial Award** (Division II).

Otto departed Bemidji State in 1984 and went on to a lengthy career in the NHL. He played 14 seasons in the NHL for the Calgary Flames (1984-'95) and Philadelphia Flyers (1995-'98), finishing his career with 195-313=508 points in 943 games played.

Otto exemplified sportsmanship, perseverence and dedication on the ice. His playing style earned a host of accolades in the NHL, including nominations for the Frank J. Selke Trophy, awarded to the best defensive forward, and the Bill Masterton Memorial Trophy, awarded to the league's top player representing dedication and sportsmanship.

Drafted by Calgary in 1984, Otto's game-winning goal in Game Seven of the 1989 Smythe Division Finals served as the impetus for the Flames' Stanley Cup Championship run later that year.

Otto would earn another memorable championship in 1996, driving Team USA to the World Cup of Hockey Championship as an alternate captain.

Traditions

The School Colors

In Feb., 1920, an assembly hour was set aside for the selection of school colors. After the balloting on colors had resulted in a deadlock, Cyrillus Freeman, a student from Minneapolis, rose and commanded attention.

"As we sat here discussing this question," she said, "I happened to glance out the window. The sight that met my eyes was fresh, green pines silhouetted against pure white snow. What could be more appropriate than green and white?"

This idea was accepted unanimously.

The Naming of the Beavers

As President Deputy reviewed football practice one evening in May, 1932, he called the team into a huddle and raising his hands above their heads declared, "I christen this team the Beavers."

The name "Beavers" is symbolic of the silent, hard-working teams representing Bemidji State University.

Fight Song

"Go Bemidji Beavers
Go you green and white
Go Bemidji Beavers
Fight with all your might!
Rah! Rah! Rah!
We are here to cheer you
We are out to bring you fame
So go Bemidji Beavers
Fight and win this game!"

Red-Line Swingers

The World Famous Red Line Swingers pep band has provided music, entertainment and excitement for Bemidji State hockey for three decades. Open to all Bemidji State undergraduates and alumni, the Red Line Swingers accommodate 15-25 members annually.

Formed in 1974 by then-head coach R.H. "Bob" Peters, the band is currently under the direction of faculty advisor Del Lyren.

The BSU Logo

During the fall semester of 1998, campus-wide discussions were held on the need for new marks to represent the University as well as BSU athletics. The University marks at the time had been in place since 1974, with minor revisions in 1987, while no official athletic mascot, logo or image had been adopted for University use.

A committee was formed and for the next academic year an audit and review were conducted on the school logo and athletics imagery to determine what images were being used to represent the institution.

During the spring and summer of 1999, requests for proposals (RFP) were sought from outside firms to assist the university in this historic undertaking.

The BSU coaching staffs took great interest in the efforts to produce the new Beaver logo. They desired an image that would represent pride and confidence while being gender-neutral and not appearing cartoonish in nature.

The public relations firm of Russell & Herder of Brainerd was awarded the RFP for the logo project during the summer of 2000. For the remainder of 2000 and through early 2001, Russell & Herder helped oversee focus groups and surveys regarding the logo change.

In Dec. 2000, preliminary logo designs were presented to the committee, and revisions were made until the time the new marks were formally adopted and officially unveiled March 28, 2001 at a ceremony on campus.

Bemidji, Minnesota
First City on the Mississippi

The Bemidji area is home to a population of more that 30,000 and includes the Leech Lake, White Earth, and Red Lake Indian Reservations, and Lake Itasca, the headwaters to the Mississippi River. The City of Bemidji provides a focus for educational, business, and medical services. Recreational and cultural activities reflect a multicultural heritage that includes American Indian, European and Canadian influences.

Bemidji is a "golden city" along the river's bank, only miles from where the mighty Mississippi River begins its 2,552 mile journey to New Orleans and the Gulf of Mexico, a city at the center of the legends of Paul Bunyan and Babe the Blue Ox.

Bemidji's natural beauty and bounty as a meeting or group tour destination is also enhanced with historic character. From world renown statues and architecture listed on the National Register of Historic Places, to ancient earth mounds and burial grounds, the past takes an interesting turn in Bemidji.

Bemidji's waterfront is home to the world-famous statues of Paul Bunyan and Babe the Blue Ox listed in the National Register of Historic Places. Nearby is Bemidji's Tourist Information Center. In addition to Paul Bunyan memorabilia, The Bunyan House features the Fireplace of States built with stones from every state in the U.S. and Canadian provinces.

To the north, you'll encounter Library Park and the statue of Bemidji's founding Chief Bemidji, as well as the Community Arts Center in the Carnegie Building, also on the National Register.

At the south end of Lake Bemidji is Nymore Beach, site of the Crookston Lumber Co. The burning of the mill in 1924 marked the end of the county's logging era.

On the way into Bemidji, you may cross over the historic Mississippi River Bridge, built in 1916. This structure is listed on the National Register as one of the earliest examples of a steel-reinforced concrete bridge. At the southern end of Minnesota Avenue lies the Great Northern Depot, completed in 1913. On the Historic Register, the Depot is the last early 20th century railroad building left in its original condition.

The Commercial Building on Third Street, built in 1910, is cited in the Architecture of Minnesota Guide as a successful prairie-style solution for a single-story building.

Other examples of historic architecture include the Beltrami County Courthouse built in 1902. Across the street you'll find the 1917 Colonial Revival-style former Post Office.

Perhaps Bemidji's best-known historic district is the eight-block section of Lake Boulevard. Once known as Bemidji's "Gold Coast," among the many venerable homes to be viewed is the Dr. Johnson House built in 1910 with a showcase garden.

The Bacon House was also built in 1910, later used for a Catholic convent. An unusual log structure, the Fisk House was reconstructed log-by-log at the present site. Judge Fisk enjoyed entertaining many distinguished guests, including writer F. Scott Fitzgerald. Further along you'll find Warfield House, the 1912 home of the man who built Bemidji's electric light plant.

Two lady teachers resided at the 1930s Parker & Mangelsdorf House, also known for its large, informal gardens.

Birchmont Avenue displays two art deco classics built in 1937, one with a semicircular glass projection, is located at Bemidji State University, the only lakeshore campus in the state with architecture dating back to 1919.

Located about midway between Minneapolis/St. Paul to the south and Winnipeg, Canada to the north, Bemidji has easy access by air, motor carrier, and automobile to metropolitan areas and international airports.

Bemidji State University UNIVERSITY PROFILE

Goals
Bemidji State approaches the 21st century with a deep sense of commitment to its region, a national reputation for quality programming and an international perspective for its 4,800 students. Founded on a sound liberal education, University programs are designed to educate students so that they may live as responsible, productive and free citizens in a global society.

History
Bemidji State began as a state Normal school in 1919, became a leading teachers' college in the region, and achieved University status in 1975. Currently, BSU recognizes over 28,000 alumni.

Academic Program
The only baccalaureate institution in northern Minnesota, Bemidji State offers over 70 major fields of study housed in one of three major colleges: Arts and Letters, Social and Natural Sciences, and Professional Studies. Quality education is a priority at BSU, as many programs have earned national acclaim. The accounting program ranks among the nation's Top 10 in preparing students for the CPA examination, and scientific research has gained national exposure in a variety of fields.

Students / Faculty
Nearly 70 percent of Bemidji State students come from northern Minnesota, but the University broadens its services to attract students and faculty from diverse backgrounds and aspirations. Through teaching and and informed attention to the educational needs of students, the University seeks to instill the spark of openness and commitment for lifelong learning. In fact, many BSU faculty members continue to pursue knowledge as specialists and educators in their fields.

Location
Bemidji State University lies in the heart of the city of Bemidji, midway between Minneapolis/St. Paul and Winnipeg, deep within Minnesota's lakes and forest region. With stands of pine, oak and birch reflecting the nearby presence of the northern woods, the east side of campus lines the shores of Lake Bemidji. The city of Bemidji, which serves a population of approximately 40,000, provides a regional focus for educational, business and medical services. Entertainment and activities include lively downtown Bemidji, shopping malls, theatre, art, downhill and cross country skiing and various forms of water recreation.

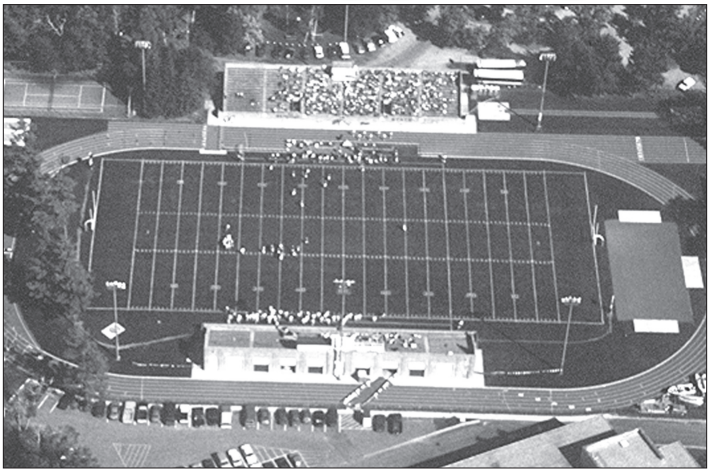
Facilities
The modern campus spans 89 acres on the shores of Lake Bemidji, including the recently-renovated Physical Education Complex which houses the John S. Glas Fieldhouse, host to several NCAA Championships. The BSU Gymnasium hosts the basketball and volleyball events, and a 3,000 square foot weight room, human performance labaratory, indoor track, and tennis, racquetball and swimming areas complete the complex.

Football fans can catch a spectacular view of Lake Bemidji through the east end zone of Chet Anderson Stadium.

Financial Aid / Scholarships
Eighty-two percent of students at Bemidji State receive some form of financial assistance. Over $16 million was awarded last year to students, including $6 million in grants and scholarships.

Internships
Each year, students complete internships with the NASA space program in Houston, Tex., Disneyland, Compaq, Rubbermaid and a host of architectural firms.

Bemidji State University ATHLETICS FACILITIES

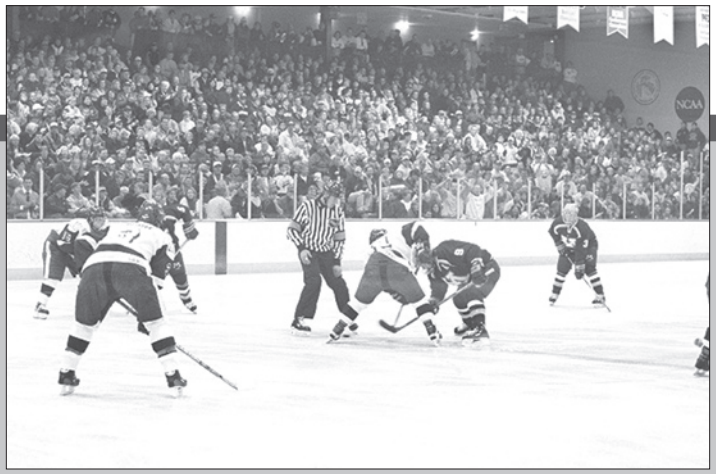


Chet Anderson Stadium is home to BSU's football and outdoor track and field programs. It is one of just three collegiate football stadiums in the nation with a lakeside setting.

BSU Baseball Field plays host to the Beaver baseball program in the spring. The stadium grandstand is BSU's newest athletics facility, completed for the 2002 season.

BSU Gymnasium is the home of BSU's men's and women's basketball and volleyball programs. BSU's men and women each won a home-court first-round NSIC playoff game in 2004.

Bemidji State's softball program plays its home contests at the **BSU Softball Field**, adjacent to the baseball field.



John S. Glas Fieldhouse is the legendary home of BSU's men's and women's ice hockey programs. BSU's men have won five national championships in the building.

The BSU indoor track and tennis teams make their home in the **Gillette Rec Center**. One of the finest indoor facilities in the region, the center also serves as the campus recreational center.

Internet Services

Bemidji State provides extensive Internet information resources for those covering BSU ice hockey and its other athletics programs.

The BSU athletics web site contains schedules, rosters, updated statistics and some historical information from previous seasons. Print-quality photos of BSU players and coaches are also available for download.

BSU's weekly game-notes package is completed and made available on-line **Monday evenings** during the season. BSU's game notes are in Adobe PDF format and will be distributed via *electronic means only* (e-mail or web). Due to the size of the release, it will not be regularly distributed via fax.

Official BSU athletics web site:
• http://info.bemidjistate.edu/sports
Additionally, information on Bemidji State football is available on other reputable web sites which cover college hockey:
• http://www.collegehockeystats.com
• http://www.uscho.com

Game-Day Services

Gameday packages containing programs, game notes and other information will be available in the press box prior to all home contests.

Final statistics include an official NCAA box score, game summary, individual and team statistics. Game notes and quotes from coaches and selected players will also be available. Telephone, copier and fax services are available on a first-come, first-served basis.

Credentials / Pass List

Season credentials will be issued to all media covering the Beavers on a regular basis.

For single-game passes and credentials, contact the BSU sports information office no less than 24 hours before the scheduled starting time of the event. Credential requests must be submitted via fax on official letterhead.

Credentials will be issued only to representatives of an accredited media outlet who will be working in an official capacity to cover a BSU athletic event. No credentials will be issued to friends, spouses, children or other family members.

Credentials remain the property of Bemidji State University and may be revoked at any time.

Interview Policies

All player interviews outside of post-game and practice time must be arranged through the BSU sports information office. For interviews with coaches, contact the sports information office at (218) 755-2763.

By NCAA rule, no player interviews will be available on gameday until the conclusion of that day's contest. Contact sports information with questions or for assistance.

Directions

Highway 2 passes through Bemidji east-west, and Highway 71 is the main north-south thoroughfare. Each leads to Bemidji Avenue/Paul Bunyan Drive. Follow Bemidji Avenue / Paul Bunyan Drive to 19th Street and follow to Birchmont Drive. Turn right; Chet Anderson Stadium is on the left, two blocks ahead.

Who Are Boosters?

You are considered a booster or a representative of Bemidji State University Athletics interests if you:

• Participated in or are currently a member of any athletics department booster group, including Beaver Pride
• Have made a donation to the athletic program
• Have assisted or been asked to assist with recruiting of prospective student athletes
• Have assisted in providing benefits to enrolled-student athletes or families
• Have helped to promote BSU athletics or BSU athletic interests in any way

Once a person has become identified as a booster to BSU they retain that identity indefinitely even if they no longer support the athletics program.

Who Are Prospective Student-Athletes?

The NCAA defines a "prospect" as anyone who has started classes for the ninth grade.

In addition, a student who has not started classes for the ninth grade becomes a prospect, if the institution provides any financial assistance or other benefits not provided to any prospective student

What Are Permissible Activities by Boosters?

The following are activities that BSU boosters can participate in:

• May attend events such as contests or banquets where prospects are present so long as the booster is there on their own initiative. Boosters are NOT able to contact prospects or prospect's relatives at such events.

• Boosters can inform BSU coaches of prospects in their area by contacting the BSU staff and/or sending newspaper clippings about the prospect.

• Boosters may arrange employment for prospects. Prospects may not start the job until after completion of their senior year in high school, and compensation must be based on actual work performed at a normal rate.

• Boosters can continue to establish family relationships with friends and neighbors. Contacts with prospects are permitted as long as they are NOT for recruiting purposes and are NOT initiated by BSU staff members.

What is a Contact and what is Considered Recruiting?

A **contact** is any face-to-face encounter between a prospect or their parents/guardians and a BSU staff member or athletics representative (booster) during which dialogue occurs in excess of a greeting.

Recruiting is any solicitation of a prospect or the prospect's relatives by a BSU staff member or athletics representative (booster) for the purpose of securing the prospect's enrolment and eventual participation in the BSU intercollegiate athletics program.

Bemidji State Men's Ice Hockey: Unparalleled Local Media Coverage

Radio: KKBJ 1360 a.m.

Voice of the Beavers **Brian Schultz** joins KKBJ for his first year behind the mic as Bemidji State continues its broadcast agreement with R.P. Broadcasting of Bemidji. **Brian Bisonette** provides expert analysis and color commentary for BSU home games.

KKBJ's coverage of BSU football begins 30 minutes prior to opening kickoff with a comprehensive pre-game show, featuring interviews with BSU players, coaches and others involved with the school's athletics programs, as well as analysis and insights on the coming game.

Additionally, all game broadcasts will be streamed live over the Internet via KKBJ's web site (http://www.kkbj.com/sports.html). Broadcasts are available to Windows, Macintosh and UNIX computer users and are distributed in RealAudio format (requires RealOne player, available as a free download at http://www.real.com).

Television: Charter Communications and KBSU TV 17

In 2003, Bemidji State athletics entered a new era of media coverage, partnering with Charter Communications to provide live coverage for up to 50 BSU sporting events each year exclusively to Bemidji-area customers on Charter cable systems.

KBSU, Bemidji State's campus television station, will continue its long-standing tradition of producing BSU athletics events. In addition to the full home schedule of BSU men's hockey, KBSU will also produce BSU's full schedule of home football games, most home women's hockey games and a selection of men's and women's basketball games. In total, KBSU and Charter have a 48-game schedule on tap for 2004-05, giving Bemidji State unparalleled media coverage for its intercollegiate programs.

Local radio personality **Scott Williams**, recognized as one of the region's pre-eminant on-air talents, handles play-by-play duties for all KBSU-produced television broadcasts.

Bemidji State University ADMINISTRATION

Dr. Jon E. Quistgaard

President, Bemidji State University
Arizona '70

Dr. Jon E. Quistgaard became the ninth president of Bemidji State University in August, 2001. The Minnesota State Colleges and Universities Board of Trustees named him to the position in late May, 2001 following a national search.

A member of the BSU community for 22 years, he had served since 1997 as the vice president for academic and student affairs. As the chief academic officer of the institution, he was responsible for academic programming in three colleges, integrative studies, distance learning, academic services, international student services, counseling, career services, the American Indian Resource Center, and student development programs.

Quistgaard began his association with BSU in 1979 as an admissions representative. He became the director of admissions and advising in 1980; was named the dean of undergraduate admissions and graduate studies in 1988; served as acting vice president for academic and student affairs from 1993-94; and was the associate vice president for academic affairs and dean of academic services from 1994-1997.

Quistgaard is an active presenter on the national level in the areas of continuous quality improvement, challenges in higher education, planning, assessment models, and transforming higher education. He received a doctorate in political science from the University of Arizona, where he also earned his master's and bachelor's degrees in government.

Dr. Rick Goeb

Director of Athletics
North Dakota State '89

A new era in Bemidji State University athletics began July 13, 2001 when Dr. Rick Goeb was named BSU's first full-time director of intercollegiate athletics.

Goeb directs a 17-sport varsity athletics program at BSU with NCAA Division I men's and women's ice hockey and 15 Division II sports.

Beaver athletics has undergone dramatic changes in Goeb's three years at the helm, having seen more than a dozen positions created or filled with new hires - including head coaches for women's hockey, men's and women's basketball, soccer, softball, baseball, women's golf and volleyball - and the hiring of the institution's first full-time athletics fundraiser.

The 2003-04 season may have been BSU's best ever. Men's hockey won College Hockey America and reached the title game of the CHA Tournament for the second consecutive season, men's basketball won the NSIC regular-season title reached the NCAA Tournament for the first time in its history and women's basketball hosted and won its first-ever NSIC playoff game.

In 2002-03, women's ice hockey turned in its finest season at the Division I level, men's and women's golf each had NCAA regional participants, and outdoor track had two individuals at the NCAA Championships. Additionally, nearly one in four BSU student-athletes earned Academic All-Conference honors including two Academic All-America selections.

BSU's 2001-02 competition season, Goeb's first at the helm, was one of its most successful ever. Men's basketball hosted its first-ever NSIC playoff game; Jeanne Larson was selected to compete in the NCAA women's golf championship; Aaron Feia earned NSIC Athlete of the Year for the indoor track season and helped lead the BSU track teams to six individual NSIC crowns and baseball had its best season since 1997 and hosted the NSIC Tournament.

Goeb came to Bemidji State after six years as senior associate athletics director at the University of Alaska-Fairbanks. At Fairbanks, Goeb served as NCAA compliance officer, monitored academic eligibility and acted as the liaison for booster clubs.

Prior to his position at Fairbanks, Goeb spent two years as an administrator at North Dakota. Goeb also served as the head wrestling coach at St. Cloud State from 1990-93 when he was an instructor in physical education and a facility coordinator; was the strength and conditioning coach at Northern Colorado from 1989-'90; and served as an assistant wresting coach at North Dakota State from 1988-'89.

Originally from Anoka, Minn., Goeb received his undergraduate degree at North Dakota State, where he was also a national wrestling champion. Goeb earned his master's from Northern Colorado and doctorate from North Dakota. He and his wife Carol have two daughters, Amber and Anne and one son, Jordan.

Sports Information Staff

Andy Bartlett

Sports Information Director
Kansas State '95

Andy Bartlett is in his fourth year as Sports Information Director at Bemidji State. He directs all publicity and media relations operations for BSU's 17-sport athletics department, and directly handles the university's football, men's hockey and baseball programs.

Bartlett, 31, joined the BSU staff in May, 2001 after spending the previous eight years in the sports information office at Big 12 Conference power Kansas State.

Bartlett was a volunteer on the media services staff for the 2003 NCAA Division I Men's Basketball Final Four in New Orleans, and has volunteered at numerous other Division I conference- and national-level post-season events.

He is an active member of College Sports Information Directors of America (CoSIDA). He is in his fifth year serving on the organization's Computer Committee and has been twice published in *CoSIDA Digest*.

In addition, he has won three CoSIDA awards for excellence in publications including a Fifth in the Nation finish for his 2002 BSU Football Media Guide. It is thought to be the first national publications award won at BSU.

Bartlett

Bartlett earned his bachelor of science degree in mass communication from Kansas State in 1995. Bartlett is married to the former Melissa Vene, a 1999 graduate of Bemidji State. He has a daughter, Megan (6).
