Women's Hockey 2005-06

2005-06 OUTLOOK

The 2004-05 season is one the Bemidji State women's hockey team would like to forget, finishing the season with a 9-24-2 overall record and a 5-22-1 mark in the Western Collegiate Hockey Association put them at the bottom of the WCHA for the second straight season.

Head coach Bruce Olson is hoping that experience and strength will help his squad improve their marks from a year ago.

"I am hoping that the past few years of experience will start paying off, and help us win the close games," Olson said. "We have twenty letterwinners returning this season and hopefully that will be the difference this season."

Along with the twenty letterwinners there are eight newcomers joining a squad that retains 92% of its scoring (62/84) from a year ago. With two new comers having played in the 2005 under 18 national championships and two playing on the National Championship team at Shattock St. Mary's there is reason to be optimistic about the up coming season.

"We have six true freshman coming in on scholarship and we need three or four of those freshman to step up and play for us right away" said coach Olson. "I am expecting the freshman to push for spots with the Juniors and Seniors."

Forwards

BSU's forwards returns all but one letterwinner; as they lose **Nicky Kluck** to graduation. Bemidji State will have to improve its scoring output from a year ago. BSU netted sixty nine goals last season which was good for sixth in the conference. Improved scoring output will be necessary for BSU to improve in the conference this season.

"As a team we need to put up better numbers than we did last year, we need to put the puck in the net when we get the opportunities," said Olson. "We need kids to step up and score consistently for us and we need them to improve their numbers every year."

BSU returns its three leading scorers in **Kelly Hart, Nikki Eckebrecht,** and **Tara Hiscock.**

"We need these three girls to be in the 30-40 point range and we need them to continue to establish themselves as go-to players," said Olson. "In order for us to be successful this season we need more offensive production from several players."

After leading the team in scoring for the second straight season with 27 points (7-20) in 2004-05, Kelly Hart will be looked upon to lead the offensive charge for the Beavers. Hart was the only Beaver to score at least two points in five games last season.

Nikki Echebrecht and Tara Hiscock tied for second on the team in points with 22. Both of these players will be looked at as go to players in the close games.

Echebrecht is a more physical offensive threat for the beavers ending the season with ten goals and twelve assists in 2004-05. She lead the team in penalty minutes with 61 and was one of two players to score a hat trick last season.

Hiscock had a good freshman campaign leading the team in power play goals with six. Hiscock ended her 2004-05 campaign with nine goals and thirteen assists. Hiscock solidified herself as an offensive threat in the WCHA in 2004-05 and is expected to continue to be a offensive leader for the Beavers.

Olson is expecting to play three or four lines this season. "I like to play young kids hoping that experience will pay off down the road."

Coach Olson is expecting incoming freshman to step up and produce right away. "We need three or four girls to come in and have an impact right away," said Olson.

Defensemen

The defense is also an area that needs some improvement from a year ago. Although, BSU improved by 18 goals from 2003-04 they still need to improve these statistics. The Beavers let in 121 goals in 2004-05, which amounted to 3.5 goals per game.

"In order for us to be successful this season we need to tighten up on the blue line and take some pride in stopping opposing offenses," said Olson. "We need to improve upon how many goals we gave up a year ago."

The Beavers lose two of its top defensemen to graduation in **Ashley Medori** and **Jeny Schnickel.** Schnickel was the Beavers top leading scorer for defensemen a year ago with 11 points (6-5). Losing two captains and leaders will be tough for BSU to replace.

With five defensemen returning from last years squad and adding three newcomers to the team should add a lot of competition for playing time this season. "Every player will be battling for a line up spot every weekend," said Olson. "Competition among teammates is a good thing because then nobody gets to comfortable and the players know they need to perform in order to get a spot for the weekend."

Senior captain **Mandy Bambrough** will be looked upon as a key ingredient to spark the defensive play for the Beavers this season.

Bambrough in her Junior season scored the third most points among defensemen with five (1-4). Bambrough finished behind Jeny Schnickel and Senior **Sarah Zuelke** for points by defensemen. She played in 34 of 35 games in 2004-05.

Sophomore **Haley Balcom** (1-3=4) was the only freshman defender to appear in all 35 games last season. Junior **Nina Ziegenhals** (0-2=2) will be expected to bring experience and leadership to the blue line. Seniors **Laura Lankton** (0-2=2) and **Sarah Zuelke** (2-5=7) will also be called upon to supply leadership and a strong defensive presence to the defensive core.

Bemidji State welcomes three freshman defenders in **Brooke Collins** (Pilot Mound, Manitoba)**, Ashley Leopold** (Afton, Minn.)**, and Whitney Sears** (Nanton, Alberta)**.** Collins played for Shattuck St. Mary's last season were she was part of a National Championship team that finished with a record of 51-3-8. Sears competed in the under 18 Canadian National Championships in January 2005. Leopold was a five year letter winner at Stillwater Area High School.

Goaltending

Goaltending should be solid for Bemidji State as they return two experienced goaltenders in senior **Jill Luebke** sophomore **Emily Brookshaw.**

"We have two solid goaltenders, which is a nice combination to have," said Olson. "It will be nice to reliey on our veteran leadership in those close games."

Luebke appeared in 20 games as a junior, while starting 17 of those games. She compiled a overall recored of 3-11-1 through out the 2004-05 season. She earned a 4.05 goals against average and a .878 save percentage. Luebke was also named WCHA defensive player of the week twice last season.

Brookshaw, WCHA rookie of the year goaltender, played in 23 games last season as a freshman, while starting 18 of those games. She earned an overall record of 6-12-1, while recording three shutouts during her freshman campaign. She earned a 2.67 goals against average and she had a .912 save percentage. Brookshaw earned WCHA defensive player of the week twice last season.

"It is nice to have two solid goaltenders that we can reliey on," said Olson. "I am hoping that our experience in the net will give us the upper hand in those close games."

Sophomore **Mellisa Smith** will also be fighting for playing time this season.

The Schedule

BSU will open up the season on Oct. 7-8 when they will host Wayne State at the John S. Glas Fieldhouse. They will open the Western Collegiate Hockey Association conference at home on Oct. 14-15 against defending national champioins Minnesota.

Bemidji State will go on the road Oct. 21-22 to square off against St. Cloud State to wrap up October play.

Bemidji State will then return home on Nov. 4-5 against Minnesota State and on Nov. 11-12 they will face off against Mercyhurst for a weekend series.

Bemidji State opens up its season with eight of its first ten games at home. "Hopefully this will help us get off to a good start to the season," said Olson. "It is always nice to play at home, and getting to play eight of our first ten games at home will be nice."

In addition to Wayne State and Mercyhurst, Bemidji State will play a total of six non-conference games with a two-game home series on Dec. 30-31 against Cornell.

Fourteen of Bemidji State's 35 games will be against nationaly ranked opponents, in Minnesota, Minnesota-Duluth, Wisconsin and Mercyhurst.

Bemidji State will wrap up its regular season on Feb. 24-25 as they will face-off against St. Cloud State.

Bruce Olson enters his fourth season at Bemidji State with a 23-68-11 overall record and an 13-55-8 mark in Western Collegiate Hockey Association play. Olson will try to avenge a disappointing 2004-2005 season in which the Beavers finished 9-24-2 and 5-22-1 in WHCA play.

The task of putting last season behind them will be made easier with 20 letterwinners returning and 8 newcomers joining a squad that also retains 92% of its scoring from a year ago. Juniors Kelly Hart and Nikki Eckebrecht will lead the offensive charge for the Beavers. Hart lead the team in scoring during the 2004-05 season with 27 points (7-20) and Eckebrecht tallied 22 points (10-12) for second best on the team.

In the first three years of Olson's tenure at Bemidji State, he has coached the program's first All-WCHA pick, Amber Fryklund, who ended her playing days as the lone 100-point scorer (122) in school history. Meanwhile, former players Anik Côté and Guylaine Haché were each named *WCHA Student Ahtlete of the Year*, Côté in 2003 and Haché in 2002. Additionally, Côté became just the second athlete in school history to be recognized on the *Verizon Academic All-American Team* in consecutive seasons, as she was a second team honoree both years.

Olson came to Bemidji State after a highly-successful career at the high school level which has spanned more than two decades. After a four-year playing career at Minnesota, Duluth from 1975-79, Olson took over the boy's program at Minot High School in Minot, N.D. He directed Minot High to a pair of North Dakota state runner-up finishes in 1985 and 1987, and in '87 was named North Dakota Hockey Coach of the Year.

In 1991, Olson left Minot to take over the varsity boy's program at Roseau High. During his run at Roseau, Olson earned Minnesota 8AA Coach of the Year honors twice (1995-96 and 1998-99), was named State Coach of the Year in 1998-99 and led Roseau to the 1999 state championship. Olson's 1999 state championship team was the sixth state champion in Roseau history. In addition, Olson's 1999 team won state Academic Champion honors.

Olson took a one-year leave of absence from Roseau in 1999-00, spending that year working on a master's degree in educational leadership at the University of North Dakota. During that year, Olson also took over head coaching duties for the UND women's ice hockey club team. He helped set the stage for the elevation of the North Dakota club program to NCAA varsity status; the Sioux make their debut at the Division I level this fall.

During his coaching career, Olson has directed 15 players who have gone on to Division I playing careers, nine of which played for North Dakota. That group includes current Minnesota-Duluth goaltender Maghan Grahn, who competed for the Roseau boy's team during her high school career. Grahn posted an 0.66 goals-against average in five appearances for the repeat national champion Bulldogs a year ago, allowing just one goal in 90 minutes of work.

Olson was a four-year letterwinner for the Minnesota-Duluth Bulldogs from 1975-79. He played 137 games at left wing for the Bulldogs, tallying 93 points (35 goals, 58 assists) in his career.

ASSISTANT COACHES

Jim Ingman

Wisconsin-Stevens Point '01
Fifth Year at Bemidji State

Jim Ingman enters his fifth season behind the bench for the Beavers bringing stability and a keen eye to recruit with the best. Ingman was part of the most successful season in the history of the Division I program (12-13-8 overall and 7-11-6) in 2001-02.

Ingman coaches the goaltenders and several of the netminders he has coached have made their mark in the record books at Bemidji State. Outgoing goalkeeper Anik Côté ended her career as the school's all-time leader in goals against average (3.50) and save percentage (.893), while senior Jill Luebke currently sits fourth all-time in goals against average (4.11) and save percentage (.868). Ingman also coached sophomore Emily Brookshaw in 2004-05 who ended her freshman campaign with a (2.67) goals against average and a save percentage of (.912). Brookshaw was named to the WCHA all rookie team in 2004-05.

Before joining the staff at Bemidji State, Ingman helped former BSU coach Jason Lesteberg build the Wisconsin-Stevens Point program.

Ingman developed the Stevens Point club program, organizing the club in 1998 and helping prepare it for its eventual rise to varsity status. Ingman's first team finished 3-17, but improved to 22-3 in 1999 in its final season as a club program. The club team was elevated to NCAA Division III status for the 2000-01 season.

Ingman handed head coaching reigns of the Stevens Point program over to Lesteberg upon its NCAA elevation, but stayed on staff as an assistant coach. Ingman and Lesteberg guided Stevens Point to a 13-13-1 record, including a 10-0-0 mark against other first-year programs. Ingman held responsibilities for goaltenders, helping develop eventual First-Team All-Northern Collegiate Hockey Association goalie Diane Sawyer.

Ingman played on the USA Developmental Team in 1997. An injury to his left ankle ended his college playing career.

Ingman received a bachelor of science degree in soil and waste resources with an environmental law emphasis in May, 2001.

A LOOK BACK AT 2004-05

BSU Finishes Eighth in WCHA

Bemidji State ended the 2004-05 campaign with an overall record of 9-23-2, tying the most wins during the Bruce Olson era. The Beavers finished in eighth place in the Western Collegiate Hockey Association standings amassing just 11 points.

Playing the Elite

BSU once again played against the toughest competition in Division I college hockey, competing against four of the top-10 teams in the nation. The Beavers played 15 games against the four top-10s going 1-14. Out of the WCHA alone came the top three teams in the nation, Minnesota (1), Minnesota Duluth (2) and Wisconsin (3). The Beavers beat seventh-ranked Mercyhurst (then #8) 2-1 in the first game of the regular season. The rankings are according to the March 14, 2005 poll.

The Hart of the Scoring List

Junior Kelly Hart led the Beavers in scoring for the second consecutive season. The offensive-minded Hart posted seven goals, and 20 assists good for 29 points. She ended the season in 17th on WCHA scoring list and 12th among WCHA players in assists.

Surging Sophomores

Last year's six-member sophomore class totaled 32 goals and 49 assists good for 81 points to lead any class on BSU's roster. The scoring was an improvement of 21 points over the 60 that this class posted as freshman.

Rewriting Record Books

Freshman Emily Brookshaw made her mark on the all-time BSU netminding records. The rookie's records include consecutive shutouts by a single goalie (2), shutouts in a season (3), and longest shutout sequence (122:58)

Schnickel going out on top

Jenny Schnickel led the Beavers in scoring by a defensemen in 2004-05 with eleven points (6-5). The captain increased her point total by two from the 2003-04 season and ended her career with 29 points (12-17).

Six Earn WCHA Academic Honors

BSU had six players honored at the 2004-05 WCHA annual awards banquet on the campus of the University of Minnesota. Jill Luebke, Lara Lankton, Ashley Medori, Kate Robinson, Jenny Schnickel, and Nina Ziegenhals were each named to the WCHA All-Academic Team.

WCHA Weekly Honors Handed Out

Sophomore Goaltender Emily Brookshaw was awarded defensive player of the week in the WCHA twice last season for her outstanding performance. On Feb. 11-12 she shut out the St. Cloud St. Huskies both nights to earn this honor and then on Feb. 25-26 she received defensive player of the week for her performance against the University of North Dakota. Senior goaltender Jill Luebke was also awarded defensive player of the week twice last season. She received this award on Oct. 9-10 for her performance at Mercyhurst and once again for her 39 save performance on Jan. 7 against the University of Minnesota. Luebke was also named USCHO National Defensive player of the week on these two weekends.

Hat Tricks

Two players for the Beavers produced two hat tricks last season. Senior Carly Napier recorded a hat trick at Minnesota State on Feb. 11, 2005 and Junior Nikki Eckebrecht recorded her hat trick on November 6, 2004 at the University of North Dakota.

Freshmen Production

Tara Hiscock led the freshmen production with an outstanding freshman campaign producing 22 points which tied her for second on the team. She led the team with six power play goals and was second on the team in goals with nine. Goaltender Emily Brookshaw lead the team in wins with (6). At the end of the season she had a 2.67 goals against average and had a save percentage of .912. Jessica Pullar also produced for the Beavers tallying six points, four goals and two assists.

Sophomore Surge

Kelly Hart, Nikki Eckebrecht and Kate Robinson achieved several milestones in their sophomore seasons. Hart improved her scoring production by seven points from a year ago scoring seven goals and 20 assists last season, Hart led the team in scoring last season.

Nikki Eckebrecht more than doubled her point total from a year ago tallying ten goals and twelve assist. Eckebrecht tied for the lead in goals with teammate Kate Robinson and Junior Carly Napier. Eckebrecht tied with Tara Hiscock for second on the team in scoring.

Kate Robinson also improved her scoring output from a year ago scoring ten goals and recording 6 assists. Robinson was also productive on the power play scoring 5 power play goals which was good for second on the team.

International Flavor

Junior forward Helena Tageson and junior defensemen Nina Ziegenhals are the first and only two European players to put on a Beaver uniform. Tageson hails from Malmo, Sweden, while Ziegenhals is from Sankt Augustin, Germany. Both players participated on the national team for their respective countries and Zieganhals was a member of three German Championship teams. Tageson notched 12 points (5-7) in thirty-one games her sophomore season and Ziegenhals tallied two points (0-2) in twenty-seven games during her sophomore seasons.

Saturday afternoon started out much the same for the Beavers as Jenny Schnickel scored the only first period goal for either time on with a helper from Nikki Eckebrecht. Bemidji State couldn't contain the Buckeye offense in period two. Ohio State lit the scoreboard three times in the period with Meaghan Mulvaney notching two of the goals. The 3-1 Ohio State lead only made it 5:22 into the third period before the Beavers scored the second of their two third period goals with came within a span of 65 seconds. An unassisted slapshot by Carly Napier on a breakaway and a feed from Kelly Hart to Nikki Eckebrecht brought the score to 3-3. However, an unassisted goal by the Buckeyes' Amber Bowman with just 4:01 to play sealed the game 4-3

Friday night's game was highlighted by two superior performances from the Beavers. While gaining her second shutout of the season freshman Emily Brookshaw turned aside all 16 Maverick shots on goal and got offensive help from junior Carly Napier who scored all three goals in the 3-0 Beaver victory to gain the first hat trick of her career. Napier's goal in the first period would be the only scoring for either team in each of the first two periods. Defenseman Sarah Zuelke and freshman Tara Hiscock gathered the assists. Two late, third period goals, including an empty netter by Napier, more than sealed the deal for the Beavers as Brookshaw continued to stonewall Minnesota State.

A defensive battle started from the get-go Saturday. Netminders Emily Brookshaw for the Beavers and Meghan Horras for the Badgers were on top of their games for the afternoon. The first period saw Wisconsin out-shoot the Beavers 15-5, but the scored remained 0-0 into the first intermission. Just 2:15 into the second period the Badgers would solve Brookshaw for the only goal of the game, by either team. A feed from Sharon Cole to Sara Bauer gave the Badgers a 1-0 lead. Brookshaw would put the clamps down for the rest of the game, but was unable to get any offensive help as the Beavers were again out-shot, 15-7 in period two and 11-3 in the third period. The Badger's Horras stopped all 15 shots she faced to pick up the win and gain her second straight shutout. Brookshaw picked up the loss for the Beavers despite stopping 40 of the 41 shots she was bombarded with.

After a scoreless first period Friday Night, the Beavers put on a charge in the second period taking a commanding 3-1 lead behind two goals from sophomore forward Nikki Eckebrecht. Kelly Hart notched two of her game-high three points with an assist on each of the Eckebrecht scores. With helpers from Mandy Bambrough and Tara Hiscock, Carly Napier also picked up a goal in the period. After giving up just one UND goal in the second period freshman goaltender Emily Brookshaw and the Beaver defense put the clamps down on the Fighting Sioux for the third period. Two more Beaver goals, this time by Jenny Schnickel and Kate Robinson, gave BSU a healthy 5-1 win.

Saturday afternoon, Bemidji State came sprinting out of the gates and gave themselves a one goal lead just 60 seconds into the first period. Freshman Jessica Pullar took a beautiful centering pass from Kate Robinson and quickly put the puck home for a 1-0 lead. UND netminder Amber Hasbargen, however, would not let the Beavers light the lamp again. A second period goal from UND's Cara Wooster tied the score at 1-1. The score would remain until Wooster found the net once again on the power play with just two seconds remaining. BSU goalie Emily Brookshaw stopped 29 shots in the loss.

The Western Collegiate Hockey Association Women's League looks to continue the success it had the previous five seasons, as the league has amassed five national championships. In its in first year of existence, Minnesota took home the 2000 AWCHA Championship, while Minnesota-Duluth captured the 2001, 2002 and 2003 NCAA Championships. Minnesota solidified the league's fifth national title in 2004 by beating Harvard 6-2 in Providence, R.I.

The WCHA is the oldest of the Division I college hockey leagues recognized by the NCAA. It was formed in 1959 as an outgrowth of two earlier western college associations, the Midwest Intercollegiate Hockey League and the Western Intercollegiate Hockey League.

It is not only the oldest league, but most successful as well. In the league's 44-year history, member schools have claimed 29 NCAA Championships.

The WCHA Women's League began for the 1999-2000 season with seven charter members: Bemidji State University; University of Minnesota; University of Minnesota-Duluth; Minnesota State University; Ohio State University; St. Cloud State University and University of Wisconsin.

Three of the schools, Minnesota-Duluth, Ohio State and Wisconsin, are in just the sixth year of their programs while programs at Bemidji State, Minnesota State and St. Cloud State are beginning their seventh year of existence. Minnesota started its program in 1997-98 and is the first of the league's teams to reach the seventh season. The WCHA welcomes its eighth member, the University of North Dakota, for the 2004-2005 season.

The WCAHA took its first step towards creating a women's league at its annual meeting in Marco Island, Fla., April 29, 1999. The unanimous vote followed a year-long planning process. On June 29, 1999, the WCHA announced the hiring of Sara Martin as associate commissioner with primary responsibilities for the Women's League.

The WHCA followed up on that commitment in 1999-00. In its first year, the league race came down to the wire as Minnesota-Duluth edged Minnesota by one point for the league title. The two teams met for the league championship March 4, 2000, in Bloomington, Minn. as the Bulldogs claimed the title in a 2-0 victory.

Minnesota would rebound from its narrow second-place regular-season finish in 1999-00, turning the tables and topping Minnesota-Duluth by four points for the 2000-2001 regular-season crown. The Golden Gophers would be upset by Ohio State in the second round of the WCHA Tournament, which UMD would go on to win with a 3-0 win over Ohio State before advancing to the NCAA Championship.

Minnesota claimed both the regular-season and WCHA Tournament titles in 2001-02, but again the Bulldogs from Minnesota-Duluth finished as the national champion by defeating Brown 3-2. The Bulldogs earned a triple crown of sorts in the 2002-03 season, as UMD earned the WCHA regular-season title, the WCHA Tournament title and their third consecutive national title with a 4-3 overtime triumph over Harvard.

The Minnnesota Golden Gophers finally broke Minnesota-Duluth's reign atop the Division I women's hockey world last season, as UM compiled a 30-4-2 overall record and a 19-3-2 conference record enroute to its third WCHA regular-season title. The Golden Gophers used a home-ice advantage at Ridder Arena to win the WCHA Final Five Championship 4-2 over Minnesota-Duluth. Minnesota then took home the biggest prize, the 2003-04 NCAA National Championship.

The Minnesota Golden Gophers make it a clean sweep in 2004-05 as they won the WCHA regular season title, conference tournament title and the Division I National Championship. The Gophers compiled a overall record of 36-2-2 and a conference record of 25-1-2. It was the gophers fourth WCHA regular-season title. The gophers won back to back national titles and they look to make it a hat trick in 2005-06.

The WCHA tournament will be held at Ridder Arena on March 11 and 12 in Minneapolis, Minn.

BEMIDJI STATE
Women's Hockey 2005-06
JOHN S. GLAS FIELDHOUSE

The John S. Glas Fieldhouse debuted as the fourth home of the Bemidji State men's ice hockey program on Nov. 17, 1967 with the introduction of the Fieldhouse Expansion to the BSU Physical Education Complex. In the 35 seasons since, the BSU men developed one of the most-secure home-ice advantages in college hockey playing at the Glas, and in 1998 the storied Fieldhouse became the home of BSU's women's ice hockey program.

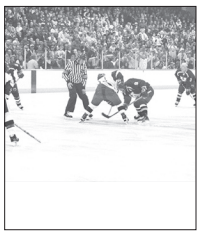

The Bemidji State women have posted a 16-34-8 record all-time in their home arena, including a school-record 8-7-2 home-ice campaign in 1999-00. BSU finished 4-7-5 at home in 2001-02, but that record came against a brutal schedule which saw the Beavers play 12 of 16 home games against teams ranked or receiving votes in the coaches poll.

Perhaps BSU's most-dramatic home weekend came Jan. 12-13, 2002 against then No. 2-ranked Minnesota. BSU skated to a 2-2 draw in Game 1 of that series, and saw a 2-0 lead evaporate and lose a tough 3-2 overtime decision in Game 2. At one stretch in the series, BSU goaltender Anik Cote held the Gophers without a goal for a span of 82:00.

Final plans for the $970,000 Fieldhouse expansion were laid in the mid-1960s under the direction of then-BSU President Dr. Harry Bangsberg and athletics director Dr. Vic Weber. The Minnesota legislature granted authority to built the expansion in 1965, and the fieldhouse expansion was dedicated on Feb. 10, 1968.

In addition to its role as BSU's home facility for both men's and women's ice hockey, the Glas Fieldhouse also plays a promient role in a variety of events for the BSU and Bemidji communities. High school contests and area youth figure skating shows occur while the ice is in place, while when the ice is removed the building plays host to events varying from the annual Jaycees Home, Sport and Travel Show to BSU's commencement ceremonies.

John S. Glas

From the time of its completion until Oct. 1, 1975, BSU's hockey facility held the name of BSU Fieldhouse. But it was renamed in honor of the retiring John S. Glas (right), the acting president of Bemidji State University at the time of the arena's completion. Glas arrived in Bemidji in 1939 to serve as business manager under then-BSU President Charles R. Sattgast and would remain with BSU for 36 years. When Glas arrived, the campus consisted of just two buildings - Deputy and Stanford halls - which served as the educational environment for the institution's 340 students.

In 1957, Glas was appointed Assistant to the President, and in 1968 he was elevated to Vice President for Administrative Affairs and later earned the title Vice President Emeritus.

The decision to rename the Fieldhouse was recommended by the Men's Physical Education Department. The Long Range Planning Committee endorsed the change, and President Dr. R.D. Decker submitted a request to the State Uniersity Board that it officially name the fieldhouse for Glas, "in recognition of his long and dedicated service to Bemidji State University."

BSU at the Glas

Since making its debut as a varsity program in 1998-99, Bemidji State's women's ice hockey program has steadily developed a solid home-ice reputation.

In 1999-00, when the program won a school-record eight games on its home ice, the BSU women put together a school-record eight-game home unbeaten streak. The team went 7-0-1 during that streak, which started with a 7-1 win over Wayne State (Mich.) on Oct. 29, 1999 and ended with a tight 4-2 loss to sixth-ranked Minnesota on Jan. 10, 2000.

BSU survived a brutal home schedule in 2001-02, posting a 4-7-5 record in a 16-game home slate which included 12 games against teams ranked or receiving votes in the USA Today / American Hockey Coaches Association Coaches Poll at the time of the game. BSU picked up one win and four ties in those 12 games.

WELCOME TO BEMIDJI

The Bemidji area is home to a population of more that 30,000 and includes the Leech Lake, White Earth, and Red Lake Indian Reservations, and Lake Itasca, the headwaters to the Mississippi River. The City of Bemidji provides a focus for educational, business, and medical services. Recreational and cultural activities reflect a multicultural heritage that includes American Indian, European and Canadian influences.

Bemidji is a "golden city" along the river's bank, only miles from where the mighty Mississippi River begins its 2,552 mile journey to New Orleans and the Gulf of Mexico, a city at the center of the legends of Paul Bunyan and Babe the Blue Ox.

Bemidji's natural beauty and bounty as a meeting or group tour destination is also enhanced with historic character. From world renown statues and architecture listed on the National Register of Historic Places, to ancient earth mounds and burial grounds, the past takes an interesting turn in Bemidji.

Bemidji's waterfront is home to the world-famous statues of Paul Bunyan and Babe the Blue Ox listed in the National Register of Historic Places. Nearby is Bemidji's Tourist Information Center. In addition to Paul Bunyan memorabilia, The Bunyan House features the Fireplace of States built with stones from every state in the U.S. and Canadian provinces.

To the north, you'll encounter Library Park and the statue of Bemidji's founding Chief Bemidji, as well as the Community Arts Center in the Carnegie Building, also on the National Register.

At the south end of Lake Bemidji is Nymore Beach, site of the Crookston Lumber Co. The burning of the mill in 1924 marked the end of the county's logging era.

On the way into Bemidji, you may cross over the historic Mississippi River Bridge, built in 1916. This structure is listed on the National Register as one of the earliest examples of a steel-reinforced concrete bridge. At the southern end of Minnesota Avenue lies the Great Northern Depot, completed in 1913. On the Historic Register, the Depot is the last early 20th century railroad building left in its original condition.

The Commercial Building on Third Street, built in 1910, is cited in the Architecture of Minnesota Guide as a successful prairie-style solution for a single-story building.

Other examples of historic architecture include the Beltrami County Courthouse built in 1902. Across the street you'll find the 1917 Colonial Revival-style former Post Office.

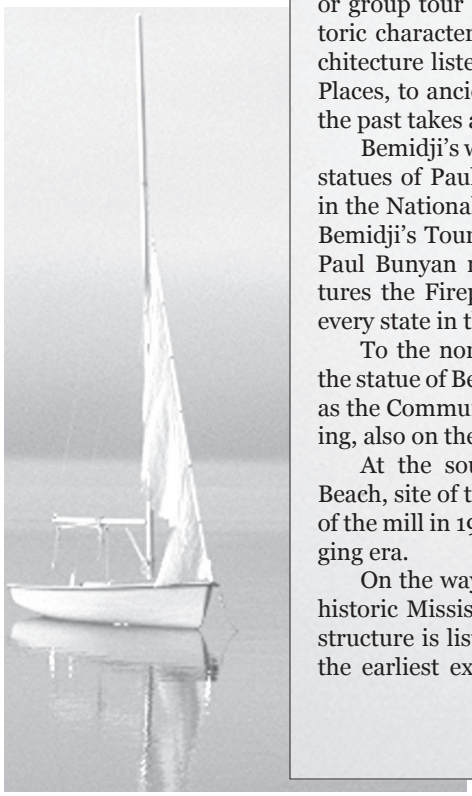

Perhaps Bemidji's best-known historic district is the eight-block section of Lake Boulevard. Once known as Bemidji's "Gold Coast," among the many venerable homes to be viewed is the Dr. Johnson House built in 1910 with a showcase garden.

The Bacon House was also built in 1910, later used for a Catholic convent. An unusual log structure, the Fisk House was reconstructed log-by-log at the present site. Judge Fisk enjoyed entertaining many distinguished guests, including writer F. Scott Fitzgerald. Further along you'll find Warfield House, the 1912 home of the man who built Bemidji's electric light plant.

Two lady teachers resided at the 1930s Parker & Mangelsdorf House, also known for its large, informal gardens.

Birchmont Avenue displays two art deco classics built in 1937, one with a semicircular glass projection, is located at Bemidji State University, the only lakeshore campus in the state with architecture dating back to 1919.

Located about midway between Minneapolis/St. Paul to the south and Winnipeg, Canada to the north, Bemidji has easy access by air, motor carrier, and automobile to metropolitan areas and international airports.

BEMIDJI STATE UNIVERSITY

Goals

Bemidji State approaches the 21st century with a deep sense of commitment to its region, a national reputation for quality programming and an international perspective for its 4,800 students. Founded on a sound liberal education, University programs are designed to educate students so that they may live as responsible, productive and free citizens in a global society.

History

Bemidji State began as a state Normal school in 1919, became a leading teachers' college in the region, and achieved University status in 1975. Currently, BSU recognizes over 28,000 alumni.

Academic Program

The only baccalaureate institution in northern Minnesota, Bemidji State offers over 70 major fields of study housed in one of three major colleges: Arts and Letters, Social and Natural Sciences, and Professional Studies. Quality education is a priority at BSU, as many programs have earned national acclaim. The accounting program ranks among the nation's Top 10 in preparing students for the CPA examination, and scientific research has gained national exposure in a variety of fields.

Students / Faculty

Nearly 70 percent of Bemidji State students come from northern Minnesota, but the University broadens its services to attract students and faculty from diverse backgrounds and aspirations. Through teaching and and informed attention to the educational needs of students, the University seeks to instill the spark of openness and commitment for lifelong learning. In fact, many BSU faculty members continue to pursue knowledge as specialists and educators in their fields.

Location

Bemidji State University lies in the heart of the city of Bemidji, midway between Minneapolis/St. Paul and Winnipeg, deep within Minnesota's lakes and forest region. With stands of pine, oak and birch reflecting the nearby presence of the northern woods, the east side of campus lines the shores of Lake Bemidji. The city of Bemidji, which serves a population of approximately 40,000, provides a regional focus for educational, business and medical services. Entertainment and activities include lively downtown Bemidji, shopping malls, theatre, art, downhill and cross country skiing and various forms of water recreation.

Facilities

The modern campus spans 89 acres on the shores of Lake Bemidji, including the recently-renovated Physical Education Complex which houses the John S. Glas Fieldhouse, host to several NCAA Championships. The BSU Gymnasium hosts the basketball and volleyball events, and a 3,000 square foot weight room, human performance labaratory, indoor track, and tennis, racquetball and swimming areas complete the complex.

Football fans can catch a spectacular view of Lake Bemidji through the east end zone of Chet Anderson Stadium.

Financial Aid / Scholarships

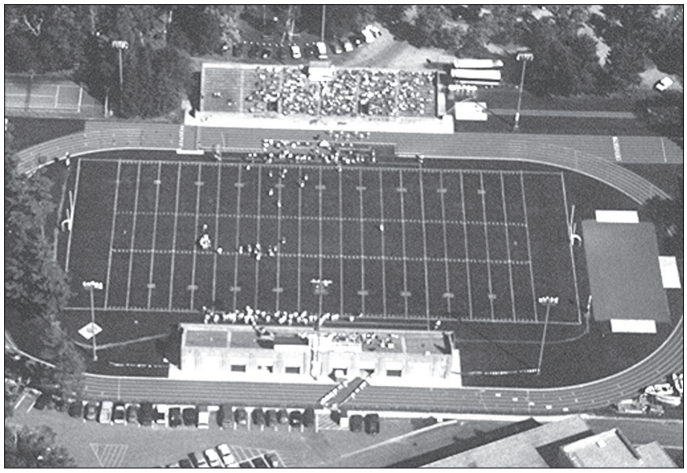

Eighty-two percent of students at Bemidji State receive some form of financial assistance. Over $16 million was awarded last year to students, including $6 million in grants and scholarships.

Internships

Each year, students complete internships with the NASA space program in Houston, Tex., Disneyland, Compaq, Rubbermaid and a host of architectural firms.

Women's Hockey 2005-06

Chet Anderson Stadium is home to BSU's football and outdoor track and field programs. It is one of just three collegiate football stadiums in the nation with a lakeside setting.

B**SU Baseball Field** plays host to the Beaver baseball program in the spring. The stadium grandstand is BSU's newest athletics facility, completed for the 2002 season.

BSU Gymnasium is the home of BSU's men's and women's basketball and volleyball programs. BSU's men and women each won a home-court first-round NSIC playoff game in 2004.

Bemidji State's softball program plays its home contests at the **BSU Softball Field**, adjacent to the baseball field.

John S. Glas Fieldhouse is the legendary home of BSU's men's and women's ice hockey programs. BSU's men have won five national championships in the building.

The BSU indoor track and tennis teams make their home in the **Gillett Rec Center**. One of the finest indoor facilities in the region, the center also serves as the campus recreational center.

Who Are Boosters?

You are considered a booster or a representative of Bemidji State University Athletics interests if you:

• Participated in or are currently a member of any athletics department booster group, including Beaver Pride
• Have made a donation to the athletic program
• Have assisted or been asked to assist with recruiting of prospective student athletes
• Have assisted in providing benefits to enrolled-student athletes or families
• Have helped to promote BSU athletics or BSU athletic interests in any way

Once a person has become identified as a booster to BSU they retain that identity indefinitely even if they no longer support the athletics program.

Who Are Prospective Student-Athletes?

The NCAA defines a "prospect" as anyone who has started classes for the ninth grade.

In addition, a student who has not started classes for the ninth grade becomes a prospect, if the institution provides any financial assistance or other benefits not provided to any prospective student

What Are Permissible Activities by Boosters?

The following are activities that BSU boosters can participate in:

• May attend events such as contests or banquets where prospects are present so long as the booster is there on their own initiative. Boosters are NOT able to contact prospects or prospect's relatives at such events.

• Boosters can inform BSU coaches of prospects in their area by contacting the BSU staff and/or sending newspaper clippings about the prospect.

• Boosters may arrange employment for prospects. Prospects may not start the job until after completion of their senior year in high school, and compensation must be based on actual work performed at a normal rate.

• Boosters can continue to establish family relationships with friends and neighbors. Contacts with prospects are permitted as long as they are NOT for recruiting purposes and are NOT initiated by BSU staff members.

What is a Contact and what is Considered Recruiting?

A contact is any face-to-face encounter between a prospect or their parents/guardians and a BSU staff member or athletics representative (booster) during which dialogue occurs in excess of a greeting.

Recruiting is any solicitation of a prospect or the prospect's relatives by a BSU staff member or athletics representative (booster) for the purpose of securing the prospect's enrolment and eventual participation in the BSU intercollegiate athletics program.

Television: Charter Communications and KBSU TV 17

In 2003, Bemidji State athletics entered a new era of media coverage, partnering with Charter Communications to provide for up to 50 BSU sporting events each year exclusively to Bemidji-area customers on Charter cable systems.

KSBSU, Bemidji State's campus television station, will contiinue its long-standing tradition of producing BSU athletic events. In addition to the full home schedule of BSU men's hockey, KBSU will also produce BSU's full schedule of home football games, most home women's hockey games and a selection of men's and women's basketball games. In total, KBSU and Charter have a 48-game schedule on tap for 2004-05, giving Bemidji State unparalleled media coverage for its intercollegiate programs.

Local radio personality Scott Williams, recognized as one of the region's pre-eminant on air talents, handles play-by-play duties for all KBSU-produces television broadcasts.

Dr. Jon E. Quistgaard

President, Bemidji State University
Arizona '70

Dr. Jon E. Quistgaard became the ninth president of Bemidji State University in August, 2001. The Minnesota State Colleges and Universities Board of Trustees named him to the position in late May, 2001 following a national search.

A member of the BSU community for 22 years, he had served since 1997 as the vice president for academic and student affairs. As the chief academic officer of the institution, he was responsible for academic programming in three colleges, integrative studies, distance learning, academic services, international student services, counseling, career services, the American Indian Resource Center, and student development programs.

Quistgaard began his association with BSU in 1979 as an admissions representative. He became the director of admissions and advising in 1980; was named the dean of undergraduate admissions and graduate studies in 1988; served as acting vice president for academic and student affairs from 1993-94; and was the associate vice president for academic affairs and dean of academic services from 1994-1997.

Quistgaard is an active presenter on the national level in the areas of continuous quality improvement, challenges in higher education, planning, assessment models, and transforming higher education. He received a doctorate in political science from the University of Arizona, where he also earned his master's and bachelor's degrees in government.

Dr. Rick Goeb

Director of Athletics
North Dakota State '89

A new era in Bemidji State University athletics began July 13, 2001 when Dr. Rick Goeb was named BSU's first full-time director of intercollegiate athletics.

Goeb directs a 17-sport varsity athletics program at BSU with NCAA Division I men's and women's ice hockey and 15 Division II sports.

Beaver athletics has undergone dramatic changes in Goeb's three years at the helm, having seen more than a dozen positions created or filled with new hires - including head coaches for women's hockey, men's and women's basketball, soccer, softball, baseball, women's golf and volleyball - and the hiring of the institution's first full-time athletics fundraiser.

The 2003-04 season may have been BSU's best ever. Men's hockey won College Hockey America and reached the title game of the CHA Tournament for the second consecutive season, men's basketball won the NSIC regular-season title reached the NCAA Tournament for the first time in its history and women's basketball hosted and won its first-ever NSIC playoff game.

In 2002-03, women's ice hockey turned in its finest season at the Division I level, men's and women's golf each had NCAA regional participants, and outdoor track had two individuals at the NCAA Championships. Additionally, nearly one in four BSU student-athletes earned Academic All-Conference honors including two Academic All-America selections.

BSU's 2001-02 competition season, Goeb's first at the helm, was one of its most successful ever. Men's basketball hosted its first-ever NSIC playoff game; Jeanne Larson was selected to compete in the NCAA women's golf championship; Aaron Feia earned NSIC Athlete of the Year for the indoor track season and helped lead the BSU track teams to six individual NSIC crowns and baseball had its best season since 1997 and hosted the NSIC Tournament.

Goeb came to Bemidji State after six years as senior associate athletics director at the University of Alaska-Fairbanks. At Fairbanks, Goeb served as NCAA compliance officer, monitored academic eligibility and acted as the liaison for booster clubs.

Prior to his position at Fairbanks, Goeb spent two years as an administrator at North Dakota. Goeb also served as the head wrestling coach at St. Cloud State from 1990-93 when he was an instructor in physical education and a facility coordinator; was the strength and conditioning coach at Northern Colorado from 1989-'90; and served as an assistant wresting coach at North Dakota State from 1988-'89.

Originally from Anoka, Minn., Goeb received his undergraduate degree at North Dakota State, where he was also a national wrestling champion. Goeb earned his master's from Northern Colorado and doctorate from North Dakota. He and his wife Carol have two daughters, Amber and Anne and one son, Jordan.

Andy Bartlett

Sports Information Director
Kansas State '95

Andy Bartlett is in his fourth year as Sports Information Director at Bemidji State. He directs all publicity and media relations operations for BSU's 17-sport athletics department, and directly handles the university's football, men's hockey and baseball programs.

Bartlett, 31, joined the BSU staff in May, 2001 after spending the previous eight years in the sports information office at Big 12 Conference power Kansas State. After one year as a student volunteer intern and two years as a graduate assistant, Bartlett was named Assistant SID at K-State in May, 1997. He directly oversaw K-State's baseball and volleyball programs and was involved with a variety of programs until moving to a newly-created position of Internet Coordinator in 1999. He served two years in that position, overseeing one of the largest on-campus athletics sites in the nation.

Bartlett

Bartlett was a volunteer on the media services staff for the 2003 NCAA Division I Men's Basketball Final Four in New Orleans, and has volunteered at numerous other Division I conference- and national-level post-season events.

He is an active member of College Sports Information Directors of America (CoSIDA). He is in his fifth year serving on the organization's Computer Committee and has been twice published in CoSIDA Digest, a monthly publication serving the organization's membership of more than 2,000 professionals.

In addition, he has won three CoSIDA awards for excellence in publications including a Fifth in the Nation finish for his 2002 BSU Football Media Guide. It is thought to be the first national publications award won at BSU.

Bartlett earned his bachelor of science degree in mass communication from Kansas State in 1995. Bartlett is married to the former Melissa Vene, a 1999 graduate of Bemidji State. He has two daughters, Megan (7) and Helen (1).
