- BGSU WOMEN'S SOCCER -
COCHRANE FIELD

Although the Bowling Green State University women's soccer program is only 20 years old, a rich soccer tradition already existed at the University upon the team's debut in 1997. One of the many resources available to the women's program is the opportunity to play on one of the Midwest's finest fields.

Mickey Cochrane Field, known nationally as one of the country's outstanding soccer facilities, has become even better in recent years thanks in part to a multiple-phase project designed to enhance the current complex.

The latest phase of the improvements was the installation of lights at the Cochrane Field complex, giving both the men's and women's soccer teams the opportunity for home games under the lights. The lights allow for more flexibility in scheduling and enhance the atmosphere at home matches. The money for the \$400,000 project was raised through donations, with nearly all of the funds donated by men's soccer alumni, who have a proud history of nearly five decades at the University. The lights project was completed in the fall of 2011, and the first night game was the women's soccer match versus Western Michigan on Oct. 21, 2011.

In 2010, via donations raised by both the men's and women's programs, World Cup-style goals were added, as well as orange wind screens and covered benches that enhanced the appearance of the Cochrane Field complex. The athletics department also made upgrades to the scoreboard in time for the 2010 season.

Just prior to the debut of the women's team, an upgrade to the field saw the construction of 700 permanent seats on the west side of the main playing area. The stadium renovation project, financed entirely with private funds, was officially dedicated on Sept. 10, 1995, prior to the men's soccer home opener. A spacious press box was finished a month later. With the addition of portable bleachers from the old grandstand, the complex can seat up to 1,500 spectators.

The initial phase of the plan, which was finished in 1993, consisted of the main playing field being completely enclosed with fencing, landscaping with shrubbery, and signage decoration. New flag staffs and team benches were also added over the course of the season. Phase II began in 1994 with the installation of a new scoreboard and additional signage.

The field renovation project was originally conceived in 1988 by former Falcon men's head coach Gary Palmisano, who passed away in December 1994. Under his guidance, hard work, and patience, his vision became a reality with the initiation of Phase I.

Cochrane Field, dedicated Oct. 11, 1980, in honor of BGSU's first men's varsity soccer coach, has been the home of the Falcons men's soccer team since 1966 and has also been the site of the United States Youth Soccer Association's Olympic Development Program Region II camps for several decades. Additionally, Cochrane has hosted high school girls soccer regional tournament games for a number of years.

- BGSU WOMEN'S SOCCER - COCHRANE FIELD

In November of 2005, the Falcons hosted the MAC Tournament's semifinal and championship rounds for the first time in school history. BGSU advanced past Miami and Kent State (above) at Cochrane Field to earn the MAC's automatic bid to the NCAA Championships.

The Falcons definitely have an ideal situation for their players to improve their skills with the use of multiple outdoor practice fields in addition to the Cochrane Field pitch. The programs also utilize the Field House and its 100-yard indoor turf room and 200-meter track wing for winter conditioning.

Prior to the 1997 campaign, a new practice field was added to the complex. That field was resodded and a sprinkler system was added in preparation for BGSU's inaugural season of women's soccer.

The Sebo Athletic Center, located in the north end zone of Doyt L. Perry Stadium, provides all BGSU student-athletes a place to reach their potential. The building features an expanded sports medicine and rehabilitation facility as well as a state-of-the-art strength and conditioning area for student-athletes in all 18 varsity sports.

In 2005, Cochrane Field was the home of the MAC Women's Soccer Tournament's semifinal and championship rounds for the first time. After winning the regular-season title, BGSU advanced past Toledo in the tourney's quarterfinal round to earn the right to host the subsequent rounds. After downing Miami in the semifinals, the Brown and Orange advanced past Kent State via penalty kicks in the regionally-televised championship match. Overall, the Falcons have a record of 4-1-2 in conference tournament games at Cochrane Field.

Kit Gazley played the second half and the overtime in goal, while Kerry McKee, Emily McCracken and Kelly Thompson also saw action in the match for the Brown and Orange.

FIRST WIN

In the 1-0 victory at Kent on Aug. 29, 1997, Kerry McKee scored at the 96:43 mark to end the first match in school history. Emily Graham and Janice Mentrup, who had started the play with a give-and-go off a short corner kick, drew assists. The tally is believed to be the first "Golden Goal" (match-ending OT goal) in NCAA Division I women's soccer history, as 1997 was the first season that a sudden-death overtime was instituted.

FIRST HOME WIN

5-0 vs. Saint Francis (Pa.), Sept. 7, 1997. Five different Falcons found the back of the net, and freshman goalies Kit Gazley and Lynette Lasanen combined for the shutout.

She scored at the 37:16 mark to erase a 1-0 RMC lead, then converted a penalty kick at the 71:41 mark for the first two-goal match by a Falcon. Eight minutes later, Shamblin again found the back of the net to complete the hat trick.

FIRST SHUTOUT

DIRECTOR OF ATHLETICS

BOB MOOSBRUGGER

SECOND YEAR

Bowling Green State University named Bob Moosbrugger as its 14th Director of Athletics in May of 2016. A 1994 graduate of BGSU, Moosbrugger left his post as Deputy Director of Athletics / Chief Operating Officer at San Diego State University.

"We are pleased to welcome Bob Moosbrugger home to BGSU," said Mary Ellen Mazey, Ph.D., president of Bowling Green State University. "He brings a wealth of experience in athletics operations as well as in donor, alumni and community outreach. Most importantly, he has an unparalleled commitment to student success. I look forward to working with him to take BGSU Athletics to the next level."

Moosbrugger has served at San Diego State in two stints, starting in March of 2000 as the assistant director for the Aztec Athletic Foundation. He was promoted to assistant athletic director/director of the Aztec Foundation in 2004. He was named the director of business development at the San Diego International Sports Council in February 2006 before returning to the Aztecs in September 2007 as the associate athletic director for development. In June 2015, he was promoted to his most recent role.

Prior to his time at San Diego State, Moosbrugger was as an assistant ticket manager and athletic ticket manager at Fresno State from 1996-2000. He was a graduate assistant at Ball State from 1994-96.

"I'm excited to be back in Bowling Green," Moosbrugger said. "It's amazing to think that I started here as a student 26 years ago. I am humbled and honored to serve as Director of Athletics. BGSU has built a strong national reputation. I'm looking forward to working with our staff to build upon that success."

In his most recent role at San Diego State, Moosbrugger was the sport supervisor for football, men's basketball and softball. He also supervised the athletics business office, development, events and facilities, and student-athlete academic services. He worked collaboratively to manage the department's \$46 million athletics budget and cultivated, solicited and stewarded major and annual fund prospects.

A baseball player at BGSU, Moosbrugger earned the team's Don Woods Award as the top freshman in 1991 and was a two-year letter winner. He is the fifth alumnus to serve as BGSU's Director of Athletics. Moosbrugger came to Bowling Green following a strong scholastic career in baseball and football at Celina Senior High School.

He and his wife, Esther, have two sons, Andrew and Vincent.

FALCONS IN THE MAC

The Falcons won the MAC Tournament title in both 2004 ...

The fall of 1997 marked the first season of competition for women's soccer as a conference-sponsored sport. Eight MAC institutions fielded teams that fall. The first season of league women's soccer sponsorship coincided with Bowling Green's first year fielding a program at the varsity level.

Buffalo, Central Michigan and Marshall joined the MAC in 1998, and Ball State began competition in 1999. Akron started a women's soccer program in 2001, bringing the MAC membership in women's soccer to 13 schools. Marshall left the MAC at the end of the 2004-05 academic year, giving the conference 12 women's soccer-playing schools.

The Falcons have enjoyed their fair share of success in the MAC. The 2005 team won the regular-season title for the first time in school history, while BGSU won back-to-back conference tournament titles in 2004 and 2005. The Falcons appeared in the MAC Tournament's Championship Game five times in an eight-year span, including in three-straight title tilts from 2003-05 and again in 2007.

The inaugural MAC Tournament included the top four regular-season finishers, and the tourney doubled in size for the 1998 season. In that tournament, BGSU advanced to the semifinal round before losing in overtime to eventual champion Northern Illinois. All six of BGSU's MAC Tournament losses have come at the hands of the eventual tourney champion.

Two years later, the Falcons won a pair of tournament matches to advance to the championship contest for the first time. In that final, the Orange and Brown lost to Miami, again in overtime.

In 2002, the Falcons were picked to finish ninth, but placed fourth in the regular-season standings. That squad hosted a MAC Tournament match for the first time in school history and won that match before falling to Miami on the RedHawks' home field in the semifinal round.

The next season, BGSU finished eighth in the regular-season but downed the top seed in the first round of the tournament and advanced all the way to the championship match.

... and 2005, with the latter crown coming at Cochrane Field.

The 2003 team's improbable run seemed hard to top, but Andy Richards' 2004 team did just that. Again seeded eighth, the 2004 Falcons outscored opponents, 8-2, en route to three wins over higher-seeded teams and the first MAC Tournament title in school history.

The 2005 BGSU squad returned to the championship match yet again, achieving several program firsts. Richards and the Falcons won the MAC's regular-season title for the first time in school history and earned the right to host the league tourney for the first time. The Orange and Brown did not allow a goal in three MAC Tournament matches, en route to a second-straight title and NCAA berth.

The 2006 Falcons, despite losing seven starters from the previous year's club, returned to the MAC Tournament for a fifth-straight season. BGSU, with 12 newcomers on the roster, saw their season end in the quarterfinals.

In 2007, the Falcons returned to the championship round of the conference tourney for the fourth time in five Novembers. BGSU's three tournament matches all went to overtime, with the last two requiring penalty kicks. The Falcons dispatched regular-season champion Ball State on the Cardinals' home field in the semifinal round, before Toledo squeaked past the Orange and Brown via PKs in the final.

The 2008 Falcons finished fourth in the MAC's regular-season standings. BGSU downed Western Michigan in quarterfinal-round action at Cochrane, before falling at UT on a late goal in the semifinal round.

The 2010 season saw the MAC women's soccer schools split into a pair of six-team divisions for the first time. That format remains in place heading into the 2017 season.

Eight teams will qualify for the tournament again in 2017, with quarterfinal matches held at the top four seeds. The semifinals and championship will be contested at the site of the highest remaining seed after the quarterfinal round.
