A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will be joining Mountain Pacific Sports Federation (MPSF) for the 2025 season, joining UC Davis as one of two founding members of the league's sponsorship

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-

point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective - just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

With the announcement of Delaware football transitioning to FBS, the University was committed to adding a women's sport to continue to stay Title IX compliant. The University looked at a number of key criteria, including the feasibility, continued commitment to gender equity, recruiting footprint, conference fit, facilities, and ability to win championships.

In its due diligence, the University of Delaware performed a feasibility study funded by the Industry Growth Fund, a joint initiative of the NHL and NHLPA, with the goal of empowering schools exploring the addition of Men's and/or Women's Division I varsity ice hockey. The results of the study reinforced UD's findings and made clear that women's ice hockey was the best path forward. In addition to this being the right decision for the University of Delaware, there's also the great benefit of helping to grow a sport that is popular in this region of the country.

WHAT TO LOOK FOR...

- A win this weekend would be UD's first-ever ranked win and its first-ever AHA victory.
- 13 Blue Hens are still looking for their first collegiate goal, and nine are in search of their first collegiate point.

22nd varsity program

Delaware announced the addition of ice hockey as the University's 22nd varsity intercollegiate program in December 2023. The addition of hockey was in conjunction with Delaware's transition to Conference USA and FBS football and UD's continued commitment to stay Title IX compliant.

45th D1 program

Delaware becomes the 45th college or university to sponsor a Division I women's ice hockey program. The Blue Hens are the first program to start at the Division I level since Assumption College started its program ahead of the 2023-24 season.

inaugural roster

The Blue Hens have 22 student-athletes on their inaugural roster, featuring 17 freshmen and four transfers. Additionally, Delaware brought up goalie **Sydney Butler**, who spent the last three years playing for UD's club women's hockey team.

first state, first season

The inaugural season is not only the first year that UD will have a Division I program, but the Blue Hens are the first Division I ice hockey team, men or women, in the state of Delaware.

The only NHL player to have ever come from the First State is Mark Eaton, who played 13 seasons for the Philadelphia Flyers, Nashville Predators, Pittsburgh Penguins, and New York Islanders.

for the 302

Delaware is one of 11 states that are represented by one area code. Delaware is the 302, while the other states are: Alaska, Hawaii, Maine, Montana, New Hampshire, North Dakota, Rhode Island, South Dakota, Vermont, and Wyoming.

hockey in the south

Of the 45 Division I women's ice hockey teams in the country, the University of Delaware is the second-most southern program. Only Lindenwood in St. Charles, Missouri, also in Atlantic Hockey America (AHA), is further south.

pro relations

A pair of Blue Hens are related to professional hockey players in both the NHL and PWHL.

Freshman forward **Katelynn Charlton** is the cousin of Mikyla Grant-Mentis who currently plays for PWHL Seattle.

Assistant Coach **Melissa Samoskevich**

has twin younger siblings who both play professional hockey. Her younger brother, Mackie, was a first-round draft pick (24th overall) by the Florida Panthers in 2021 and has won two Stanley Cups. Her sister, Maddy, was drafted in the fifth round (39th overall) by PWHL Vancouver in 2025.

proud members of aha

Delaware is the seventh member of Atlantic Hockey America (AHA), joining fellow league members Lindenwood, Mercyhurst, Penn State, RIT, Robert Morris, and Syracuse. Formerly College Hockey America (CHA), the conference merged with the men's Atlantic Hockey Association prior to the 2024-25 season to form the AHA which now features 10 men's teams and seven women's teams.

The AHA has had alumni compete for eight countries at the Winter Olympics and skated off with 14 medals, including four gold. Professionally, several conference alumni are currently on Professional Women's Hockey League (PWHL) rosters, including three selections in the 2025 PWHL Draft in June.

no stranger to starting programs

Head coach **Allison Coomey** was hired as the Blue Hens' first head coach in March 2024. She has spent the past year and a half compiling a roster and coaching staff ahead of the program's inaugural season.

This isn't the first time that Coomey has helped launch a new program. As a student-athlete, she was a member of the inaugural women's ice hockey team at Niagara University. She played four seasons for the Purple Eagles, serving as an alternate captain her senior season when Niagara advanced all the way to the 2002 NCAA Women's Frozen Four.

coaching connections

Head coach **Allison Coomey** and assistant coach **Melissa Samoskevich** both spent time behind the bench at Penn State before coming to Delaware.

Coomey joined the Nittany Lions in 2017 as part of Penn State head coach Jeff Kampersal's first staff and spent seven seasons as both an assistant coach and associate head coach before being named UD's head coach in March 2024. She was named the AHCA Women's Hockey Assistant Coach of the Year in 2019 and coached two All-Americans and 16 all-conference players.

Samoskevich coached alongside Coomey and Kampersal at Penn State during the 2020-21 and 2021-22 seasons, helping lead the Nittany Lions to the program's first-ever CHA regular season championship.

first commit, first goal

Freshman **Francesca Barresi** cemented herself in the program record book when she scored the first-ever goal in Delaware ice hockey history during the Blue Hens' inaugural game against LIU on September 26. The Ottawa, Canada native blocked a pass and came in alone on a breakaway to net her first collegiate goal midway through the third period. It was only fitting that Barresi scored the first goal as she was the first player to commit to play for the program in November 2024.

blocking shots

The Blue Hens' defense has done everything they can to keep the puck from reaching the net, registering 77 blocked shots through the first four games. Delaware leads the AHA with 19.3 blocks per game, while freshmen **Lexie Lonask** and **Emma MacIntyre** are tied for second in the conference with 13 blocks each. **Kaitlin Finnegan** is also in double figures with 11 blocked shots.

charlton's big weekend

Freshman **Katelynn Charlton** had a big weekend series against Holy Cross (Oct. 4-5). In the series opener, she scored her first-career goal, part of two-goal performance to become the first Blue Hen to score multiple goals in a single game. Charlton followed that up with the eventual game-winning goal midway through the second period in the season finale. It was UD's first power play goal and provided the difference in Delaware's first win in program history, a thrilling 2-1 victory.

Charlton was named the AHA Rookie of the Week for her performance, earning the program's first-ever weekly honor.

saves on saves on saves

Delaware goaltenders **Mattie Robitzer** and **Charlotte Payne** were exceptionally busy during the series against Holy Cross. Robitzer made a career-high 57 saves in the weekend opener, which is the second most in the country this season. Payne was equally up to the task in the weekend's second game, stopping 49-of-50 shots she faced to earn her first collegiate victory, and seal Delaware's first-ever win. The 49 saves are tied for the fifth-most in the nation this season and are the most in a winning effort.

Overall, the duo has stopped 155-of-167 shots faced through the first two weekends.

faceoff ace

Freshman **Ida Haave** is third in the AHA with 11.3 faceoff wins per game through the first four games. Overall, her 45 wins at the dot ranks fifth in the conference.

opening weekend of firsts

Delaware's inaugural weekend against LIU saw a lot of firsts across the program as 16 student-athletes made their collegiate debuts and four others made their first Blue Hen appearances.

Freshmen **Francesca Barresi** and **Billi Roman** scored their first collegiate goals, while **Katelynn Charlton** and **Lexie Lonask** recorded their first career assists.

Graduate student **Kaitlin Finnegan** (goal) and senior **Tiana McIntyre** (assist) registered their first points in the Blue & Gold after starting their careers at Lindenwood and Quinnipiac, respectively.

It was also the first game behind the bench for head coach **Allison Coomey** after 21 seasons as an assistant coach at five different programs.

diverse roster

Delaware's inaugural roster has 22 student-athletes. The roster includes 15 Americans from 12 states, six from Canada, and one from Norway. Only three of the 12 states represented (Massachusetts, Minnesota, Pennsylvania) are called home by more than one Blue Hen. The other nine states include Arizona, Colorado, Connecticut, Delaware, Kansas, New York, Utah, Virginia, and Wisconsin.

unique home states

Freshman **Billi Roman** (Hockessin) is the only active Division I women's ice hockey player to hail from the state of Delaware. Likewise, graduate student **Kaitlin Finnegan** (Tecumseh) is the only active player in D1 from Kansas.

When senior **Tiana McIntyre** (Park City) entered her freshman season at Quinnipiac in 2022-23, she became the first woman from the state of Utah to play Division I ice hockey. There are now two as Eden Granley (American Fork) is a sophomore at St. Anselm.

Freshman **Lexie Lonask** (Chandler) is one of three active players in Division I from Arizona. The other two are Union freshmen Natalie Andelova (Laveen Village) and Isabel Powers (Scottsdale).

norwegian national

Freshman **Ida Haave** is a member of the Norwegian National Team. A native of Kristiansand, Norway, Haave represented her home country at the 2025 IIHF Women's World Championship in Czechia, recording one assist in four games. Norway went 1-3 in pool play, finishing fourth of five teams in Group B.

oh captain, my captains

Delaware will be led by four captains this season. Graduate student **Kaitlin Finnegan** and senior **Tiana McIntyre** will be the first Blue Hens to don the captain's "C" while juniors **Mattie Robitzer** and **Danica Mark** will serve as alternate captains.

Finnegan has appeared in 107 career games after spending her first five seasons at Lindenwood. McIntyre played 67 games over her first three seasons at Quinnipiac.

Robitzer and Mark both played two seasons at Northeastern and Union, respectively.

elevated

Senior goalie **Sydney Butler** is entering her fourth year at the University of Delaware. The wildlife ecology and conservation major spent her first three years playing for UD's women's club hockey team.

destined to be a blue hen

Freshman **Billi Roman** is not only the lone Delawarean on the roster, but the only woman from the First State playing Division I hockey. Hailing from Hockessin, Roman attended The Tatnall School in Wilmington, where she suited up for the boys hockey team that played its home games at Fred Rust Ice Arena.

Roman has several relatives who attended UD, including her father and grandfather, as well as an uncle and two cousins who played for Delaware's club hockey programs. She is wearing No. 21 in honor of her late uncle, Tim Roman, who played for the Blue Hens in the early 1990s.

twins

The genetic trait of twins runs strong on the Blue Hens roster. Head coach **Allison Coomey** has a twin Alissa, while junior goaltender **Mattie Robitzer** also has a twin sister - Lily. Assistant coach **Melissa Samoskevich** has two younger siblings who are twins - Mackie and Maddy - who both play professional hockey.

growing the game out west

Senior captain **Tiana McIntyre** is proud to own the title as the first Division I ice hockey player from Utah. This past summer, McIntyre began working for Smith Entertainment Group (SEG), the company that owns the NHL's Utah Mammoth and the NBA's Utah Jazz. In her role, she assists with the development and growth of youth hockey in Utah, going around the state and helping run camps and clinics. McIntyre has worked side-by-side with great women's hockey players such as former U.S. Olympians Hillary Knight and Lindsey Fry, Walter Cup Champion Dominique Petrie of the Minnesota Frost in the PWHL, and NHL veteran Alexander Kerfoot.

home sweet home

While Delaware will be playing its first home games in Fred Rust Ice Arena this season, a pair of Blue Hens are quite familiar with the venue. Freshman **Billi Roman** played her high school hockey at Fred Rust while playing for The Tatnall School. Junior **Mattie Robitzer** grew up just over the Pennsylvania border in Kennett Square and often played youth hockey in Newark.

head coaching couple

Head coach **Allison Coomey** is married to Delaware Women's Soccer Head Coach **Kelly Lawrence**, who is in her third season at the helm of the Blue Hens. The women's soccer team enters the weekend with an 8-1-3 overall record and is 1-1-1 in its first season in Conference USA.

BEST VALUE

UD ranks among the country's best value propositions, according to U.S. News & World Report, Wall Street Journal, Kiplinger's and Forbes. This summer, The Princeton Review ranked UD among its 209 Best Value Colleges for 2025, earning one of the publication's highest return-on-investment ratings. Money magazine awarded UD 4½ stars out of a possible five in its 2025-26 rating of America's best colleges. The University, according to Money, "stands out for its affordability" as a public college providing an excellent value for in-state students, and is considered one of the Best Colleges in the Northeast.

international experience

The Blue Hens have loads of international experience among its roster and coaching staff.

Freshman **Ida Haave** is currently a member of the Norwegian National Team, representing her country at the 2025 IIHF Women's World Championships where she had an assist in four games.

Assistant coach **Melissa Samoskevich** won gold with Team USA at the 2019 IIHF Women's World Championship in Finland, playing in all seven games and scoring two goals. Samoskevich also represented the U.S. at the 2014 and 2015 U18 Women's World Championships. She had two assists in 2014 and six goals, including a hat trick against Russia, in 2015.

Assistant coach **Taylor Willard** won a silver medal with Team USA at the 2013 U18 Women's World Championships where she picked up three assists in five games.

Head coach **Allison Coomey** was on staff with the silver-medal winning USA National Team at the 2022 Beijing Olympic Games as a team scout. aha connections

Several Blue Hens have strong ties to Delaware's new conference. Graduate student and team captain **Kaitlin Finnegan** played five seasons at Lindenwood in Missouri. Finnegan skated in 107 games for the Lions, netting seven goals and adding 16 assists. Freshman **Taylor Schooley** is the daughter of Derek Schooley, who has been the head coach of the Robert Morris men's ice hockey team since 2004.

Additionally, head coach **Allison Coomey** (2017-24) and assistant coach **Melissa Samoskevich** (2020-22) both spent time behind the bench at Penn State.

nhl partners

Shortly after announcing the addition of women's ice hockey as a varsity sport, the University of Delaware made another important announcement. In a first-of-its-kind pairing, Delaware and the Philadelphia Flyers formed a strategic partnership aligned around growing the game of hockey, community engagement, and launching a world-class women's ice hockey program. The Blue Hens became the only NCAA Division I women's ice hockey program in the country to have a partnership with an NHL team.

Delaware ice hockey student-athletes will have access to career and professional development with the Flyers, as well as a chance to participate in the Flyers Next Shift program. The program was developed to allow women in college to shadow professional women throughout the organization on game nights. Other opportunities for internships in both business and hockey operations could happen as well.

The partnership also brings co-hosted youth hockey clinics to Fred Rust Ice Arena, the Blue Hens' home in Newark, as well as bringing the Flyers Community Caravan to UD.

HEAD COACH ALLISON COOMEY

With over two decades of women's ice hockey coaching experience, the University of Delaware selected Allison Coomey to be the inaugural head coach of the women's ice hockey program on March 26, 2024.

Coomey comes to Newark after spending the past seven seasons at Penn State. She served as an assistant coach for three seasons before being promoted to associate head coach in 2020-21.

Over the course of her career, Coomey has coached four student-athletes to the Olympics, eight to national teams, four All-Americans, 15 major conference award winners, and 47 all-conference selections over her time at Penn State and Boston U.

Coomey and the Nittany Lions captured the past two league tournament titles, earning a bid to the NCAA Tournament. The team also claimed the CHA regular season title in three of the past four seasons.

Primarily responsible for coaching defense, Coomey's leadership turned the Nittany Lions into one of the best defensive units in the country by allowing just 1.88 goals per game over the past five seasons dating back to 2019-20.

Selected for various international coaching roles with USA Hockey, Coomey was on staff with the silver-medal winning USA National Team at the 2022 Beijing Olympic Games as a team scout and extension of the coaching staff. Coomey also served as the head coach for the U23 US Women's National Team in 2021 and 2022.

Coomey also spent time as an assistant coach for the USA senior national team during the 2021 IIHF World Championship. She was also a member of USA Hockey's scouting staff at the 2019 IIHF U18 Women's World Championship.

At the 2019 America Hockey Coaches Association Convention, Coomey received the AHCA Women's Hockey Assistant Coach of the Year award for her outstanding career resume.

Prior to Penn State, Coomey spent nine seasons at Boston University where she helped the Terriers qualify for the NCAA Tournament six times, including a pair of NCAA Championship appearances in 2011 and 2013. While at BU, Coomey coached four Olympians who combined to win six gold medals for the Canadian National Team at the 2010 and 2014 Winter Olympic Games.

A four-year letterwinner at Niagara, Coomey returned to her alma mater as an assistant coach from 2004-08, helping the Purple Eagles reach the CHA title game twice.

Before Niagara, Coomey served as an assistant coach at Plattsburgh in 2003-04 where she helped guide the Cardinals to the 2004 Eastern Collegiate Athletic Conference (ECAC) West Division III regular-season title and the NCAA Division III semifinals. Coomey secured her first job in the industry as an assistant women's hockey coach at Connecticut College.

The Baldwinsville, New York, native earned two degrees from Niagara, a bachelor's degree in education in 2002 and a master's degree in school counseling in 2008. She was a two-time ECAC All-Academic Team member and earned a spot on the Metro Atlantic Athletic Conference All-Academic Team.

Coomey was a two-sport letterwinner at Niagara, playing ice hockey and lacrosse from 1998-2002. On the ice, she served as an alternate captain during her senior season and helped the team to its most successful campaign in program history. The Purple Eagles reached the 2002 NCAA Women's Frozen Four and finished tied for third in the final national poll. On the lacrosse field, she earned the team's rookie of the year award.
